

Operations Committee Meeting
Thursday, July 29, 2021 8:30 AM
Lower Platte North NRD Office
P.O. Box 126
Wahoo, NE 68066

1. UNFINISHED BUSINESS

We have no unfinished business.

2. WILD NE AND OTHER PROGRAMS

Tree removal bids for the Wanahoo Wildlife Areas were due Tuesday, July 27. Bids will be opened at committee meeting. This project will be funded through the Federal Aid in Wildlife Restoration Program. The contract/agreement with Game & Parks was approved and signed in May.

Two bids were received via email. 1) Steven Salwei, \$20,000 for 2 of the 3 areas.

2) Billy Chromy, \$15,000 for 3 areas.

Bids are attached.

3. OPERATION & MAINTENANCE & OTHER ITEMS

The O & M crew continues to inspect, cut, spray & treat trees and weeds on our watersheds dams and projects as weather permits.

A. Wanahoo Stilling Basin - (FEMA)

A meeting was held between the District, FYRA Engineering & Valley Corp on Monday, July 19 to discuss a plan forward for completing the Wanahoo Stilling Basin repair.

The District, FYRA & Valley Corp agree that under the terms of the original contract a de-watering plan should be developed to complete the job. The District will delay any talk of liquidate damages or legal action until we know there's a plan to complete the job.

To date, Valley said their plan is to use up to 10 relief wells and the one larger deep well east of the basin. The de-watering contractor needs 2 weeks to do a test pump, if the wells are usable, the de-watering plan would be ready in 4-6 weeks and work in the stilling basin would possibly start after Labor Day.

The District would like Andrew Phillips of Olsson, to advise Valley on their de-watering plan.

The District with the assistance of FYRA will ask FEMA for a change of scope on the project to address incorporating additional relief wells, pouring a layer of concrete on the basin floor to replace the layer of RCC that scoured away, and including all engineering, design and observation for this project.

An extension with FEMA beyond Sept. 21 is not an issue.

The most current invoice is attached, discussion of payment should be taken.

B. New Equipment for 2019 Flood Damaged Projects (FEMA)

Staff would like to purchase equipment to assist in maintenance on our 2019 Flood Damaged Projects through FEMA's 428 Program. FEMA will cover 75% - 90% of the cost. Staff is inquiring for an official notification from FEMA.

Staff would like to budget in Capital Outlay for a New Bobcat T770 at a price of

\$62,416.60, a new tractor w/ front wheel assist for mowing dams, levees and ditches, either a New Holland T6.145 at \$119,000 - \$121,000 or JD 6130M or 6145M at \$127,000 - \$145,500, (duals need to be added). Also, we would like to purchase a flow meter for monitoring the relief wells.

We are free to trade or sell any equipment we replace.

(See Attachment)

- C. Wahoo Creek Watershed Water Quality Plan Phase II (Czechland Lake)
Saunders County Hwy Dept. has completed the dirt work along Railroad Ave/Czechland shoreline. They received a bid for hauling rock from Gana Trucking in which the rock will be hauled and placed during the month of August. We hope to have this completed by September, so we can forward paper work to NEDEE for cost-share assistance.
- D. Dog Training Facility on Wanahoo Property
Elbert Traylor was present to discuss ideas for a dog training facility on the Lake Wanahoo property. The area he is considering is north of Co. Rd P and between Co. Rd 17 and the Sand Creek. He and his colleague were here a couple of years ago and gave a presentation. They would like to start the process with a design and move through the necessary steps in hopes of having this completed in a 2-year time frame.
(Attachments)
- E. No-Till Grass Drill Revenue
The District received grass drill revenue for the first half of the year from Rezac Seed of \$1,350.75 (16 renters) and from Rosendahl Farms Seed & Feed of \$1,425.50 (16 renters).
Our grass drill agreements are for a 50/50 split.
- 4. ROCK AND JETTY
We have not received any applications or request for payments.
- 5. LAKE WANAHOO

A. Lake Wanahoo Permit Sales

For the month of July, the District has received \$5,522.50 in annual park permit revenue. Year to date revenue totals \$78,710.00. The year by year breakdown for the month of June is listed below.

B. Month	C. Monthly Total	D. YTD Total
E. July 2021	F. 5,522.50	G. 78,710.00
H. June 2020	I. 7332.50	J. 87,472.50
K. June 2019	L. 7,925.00	M. 75,310.00

N. Lake Wanahoo Camping Revenue

Staff will have an update on camping revenue by Board Meeting.

O. New Equipment for 2019 Flood Damage at Lake Wanahoo (FEMA)

Staff would like to purchase equipment to assist in maintenance of the Lake Wanahoo Property following the 2019 Flood Damage through FEMA's 428 Program. Based of prior conversations, FEMA/NEMA will cover 95% of the cost. Staff is inquiring for an official notification from FEMA.

Staff would like to budget in Capital Outlay for a compact tractor (~45 hp) and a

side by side UTV. Quotes are attached for a Kubota 4701, John Deere 4044R, and Bobcat ct4045 as well as a Mule 4010 and a Polaris 500.

P. Lake Wanahoo Education Building

During the month of July, the building was rented 30 times. This number includes 6 NRD/NRD-involved meetings, and 2 education events. Revenue for month of July was \$1,820.

6. INFORMATION AND EDUCATION

A. Information

1. Radio & eAds

The July KTIC Radio ad and Wahoo Newspaper e-Ad are attached. These ads featured the upcoming deadlines for variances - Restricted Development Areas: August 15, Hydrologically Connected Ares: September 15.

2. Analytics

LPNNRD Website: In July, we continued to see traffic from Nebraska Game and Parks website and visitnebraska.com. We had 16 clicks to the website from Facebook and 3 from Twitter. Mobile and desktop viewing devices remain about the same.

3. LPNNRD Website	4. # of Users	5. Top Pages/views	6. Viewing Device

53. News Channel Nebraska Videos

News Channel Nebraska continues to rotate through our videos (Projects, Operations and Maintenance, and Lake Wanahoo) in June and July. Final July spots will be added at the end of the month. June's spots are attached.

B. Education

1. Events

- July 8th: Coffee Lakeside
 - 13 attendees
 - The topic was prairies and it included a walking plant ID tour.
 - We ran out of coffee!
- July 20th: Wildflowers and Wine Night
 - 42 attendees!
 - Co-hosted with Pheasants Forever and Cellar 426.
 - We discussed pollinator habitat, how to "build it," manage it, what agencies offer cost share dollars to install it on your own property, pollinators themselves, and backyard pollinator project ideas. We then did a walking plant ID tour and ended the night tasting wine.
- July 26th: Helped with the National Envirothon in Lincoln.
- July 26th: Drive in Movie night
 - Roughly 40-50 cars came; lots of good comments.

Other projects going on: updating standards for our activities; Schuyler FFA and elementary water day; future presentations; gearing up for the school year.

Upcoming events:

- August 8th: Rain Barrel Day
 - Partnering with JEO, participants will come and learn about problems affecting our watersheds, why harvesting rain water is important, and will get to make and take home a rain barrel.
- August 12th: Coffee, Lakeside
 - Topics: Bats of Nebraska

7. RURAL WATER SYSTEMS

A. Colon System

Monthly sampling completed, meters read and bills will be mailed 7/30.

B. Bruno System

Monthly sampling completed, meters read and bills will be mailed 7/30.

C. Other

Tree removal at Lake Wanahoo bid

Standing C Excavating – Billy Chromy

\$15,000 total

Or roughly \$55/ac.

Machines to be used:

Fellar Buncher

Skid steer with mulching head

Excavator

UTV to maneuver about area.

Plan for tree removal

Areas will have machines working and a follow up crew with chemical.

Mulching will be used wherever possible and allowed to cut down on the amount of burn piles

Excavator will be used to tightly pile burn piles.

Stumps will be treated within minutes of cutting.

At this time, I do not wish to bid the foliar application. I would be willing to complete it but feel that in order to give an accurate estimate I will need to see the density of trees both missed and new young growth. Also, how much hand application will be needed within the nut/oak area.

Wanahoo Wildlife Areas Tree Removal

Lower Platte North NRD

To the board,
After reviewing the contract and the properties, I would like to submit a bid to complete the requested work on Section 9 Wetland-Grassland Unit and Section 22 Unit.

Base Bid is **\$20,000**.

Upon acceptance of bid and signing of contract, I request a 25% draw after 30 days to acquire equipment and materials.

Prices for tractors to replace JD 4450

On the State of Nebraska contract through Tiger Mowers, Sioux Falls, SD, you can not just purchase a tractor. You must purchase a mower set-up w/ a tractor. The price list from Tiger Mowers is attached. Joe Waldron said their mark up is around 5%. The tractors listed do not have duals so that would be an add on.

The JD 6130M is what is used along the highways. I'm not sure if this tractor is heavy enough or has enough horsepower in heavy vegetation.
A New Holland Tractor may cost less.
