Veterans' Preference

Oregon's Veterans' Preference Law requires the district to grant a preference to qualified and eligible veterans and disabled veterans at each stage in the hiring and promotion process. To be **qualified** for veterans' preference, a veteran or disabled veteran must meet the minimum and any other special qualifications required for the position sought. To be **eligible** for veterans' preference¹ a veteran or disabled veteran must provide certification they are a veteran or disabled veteran as defined by Oregon law²

The district is not obligated to hire or promote a qualified and eligible veteran or disabled veteran. The district is obligated to interview all minimally qualified veterans or disabled veterans and to hire or promote a qualified or eligible veteran or disabled veteran if the individual is equal to or better than the top candidate after the veterans' preference has been applied.

A veteran may submit a written request to the district for an explanation of the reasons why they were not selected for the position. The district shall provide the reasons for not selecting the candidate when requested.

Recruitment Procedures

All job postings or announcements will include a concise list of minimum and any special qualifications required for the position. Job postings will include a statement that the district's policy is to provide veterans and disabled veterans with preference as required by law and the job posting will require applicants to provide certification³ of eligibility for preference, in addition to other requested materials.

¹ See Oregon Revised Statute (ORS) 408.235.

² See Oregon Revised Statute (ORS) 408.225 and OAR 839-006-0440 for definitions of veteran and disabled veteran.

³ See Verification of Veteran's Preference (OAR 839-006-0465). An applicant claiming veteran's or disabled veteran's preference will submit a copy of their Certificate of Release or Discharge from Active Duty (DD Form 214 or 215) or a certification that the veteran is expected to be discharged or released from active duty under honorable conditions not later than 120 days after the submission of the certification. A disabled veteran may also submit a copy of their letter from the U.S. Department of Veterans Affairs, unless the information is included in the DD Form 214/215 or a certification that the veteran is expected to be medically separated from active duty under honorable conditions not later than 120 days after the submission of the certification.

Selection Procedures⁴

- Step 1: Before the review of any applications the [human resource director] will establish an evaluation scoring guide based on the minimum and any special qualifications listed in the job posting.
- Step 2: The [human resource director] will review the application materials using the evaluation scoring guide to determine which applicants meet the minimum and any special qualifications listed in the job posting. In assessing the applicant materials of a veteran or disabled veteran the [human resource director] shall evaluate whether the skill experience obtained in the military are transferable to the posted position. Any applicants that do not meet the minimum and any special qualifications shall be removed from the applicant pool.
- Step 3: Based on Step 2, the [human resource director] determines who will be interviewed. All qualified and eligible veterans or disabled veterans shall be given an opportunity to interview.
- Step 4: Interview questions and scoring sheets will be developed and each scoring sheet must be completed after each interview by the interviewers.
- Step 5: Following completion of the interviews, the human resource director shall complete the selection matrix and score the applicants based on the scoring sheets completed during interviews. Veterans' preference shall be applied by adding 5 percentage points to an eligible veteran and 10 percentage points to an eligible disabled veteran.
- Step 6: The [human resource director] makes the offer to the applicant with the highest final score. The district is not obligated to hire or promote a qualified and eligible veteran or disabled veteran. The district is obligated to hire or promote a qualified or eligible veteran or disabled veteran if they are equal or better than the top candidate after the veterans' preference has been applied.

A veteran may submit a written request to the district for an explanation of the reasons why they were not selected for the position. The district shall provide the reasons for not selecting the candidate when requested.

Filing a Complaint

A veteran or disabled veteran is encouraged to contact the [human resource office] if they have any concerns or questions concerning the application of or the process used for veterans' preference.

A veteran or disabled veteran claiming to be aggrieved by a violation of Board policy GBA - Equal Employment Opportunity or this administrative regulation, may file a written complaint with the Civil Rights Division of the Bureau of Labor and Industries (BOLI) in accordance with Oregon Revised Statute (ORS) 659A.820.

⁴ If the district chooses not to use a scored system the law requires that the district give special consideration in the district's hiring decision to veterans and disabled veterans and the district will need to be able to demonstrate the method used for providing special consideration. ~~Federal Family and Medical Leave/State Family Medical Leave~~

Coverage

~~The federal **Family and Medical Leave Act (FMLA)** law covers public agencies, including school districts. In order for school employees to be eligible, however, they must be employed at a work site **applies to districts** with 50 or more employees within 75 miles of the employee's work site, based on employment during each working day during any of the 20 or more workweeks in the calendar year in which the leave is to be taken, or in the calendar year preceding the year in which the leave is to be taken. The 50-employee test does not apply to educational institutions for determining employee eligibility.~~

~~The Oregon Family Leave Act (OFLA) and the Oregon Military Family Leave Act (OMFLA) applies to districts that employ 25 or more part-time or full-time employees in Oregon, based on employment during each working day during any of the 20 or more workweeks in the calendar year in which the leave is to be taken, or in the calendar year immediately preceding the year in which the leave is to be taken.~~

Employee Eligibility

FMLA applies to employees who have worked for the district for at least 12 months (not necessarily consecutive) and worked for at least 1,250 hours during the 12-month period immediately preceding the start of the leave.

An employee who has previously qualified for and has taken some portion of FMLA leave may request additional FMLA leave within the same leave year. In such instances, the employee need not requalify as an eligible employee, if the additional leave applied for is in the same leave year and for the same condition.

~~In determining that an employee has been employed for the preceding OFLA applies to employees who work an average of 25 hours or more per week during the 180 calendar days or more prior to the first day of the start of the requested leave.¹ For parental leave purposes, an employee becomes eligible upon completing at least 180 days immediately preceding the date on which the parental leave begins. There is no minimum average number of hours worked per week when determining employee eligibility for parental leave.~~

OFLA applies to employees who work an average of 25 hours or more per week during the 180 calendar days or more immediately prior to the first day of the start of the requested leave¹. For parental leave purposes, an employee becomes eligible upon completing at least 180 days immediately

¹ The requirements of OFLA do not apply to any employer offering eligible employees a nondiscriminatory cafeteria plan, as defined by section 125 of the Internal Revenue Code of 1986, which provides as one of its options employee leave at least as generous as the leave required by OFLA

preceding the date on which the parental leave begins. There is no minimum average number of hours worked per week when determining employee eligibility for parental leave.

An employee of a covered employer is eligible to take leave for purposes of OFLA during a period of time covered by a public health emergency except:

1. An employee who worked for the covered employer for fewer than 30 days immediately before the date on which the family leave would commence; or
2. An employee who worked for the covered employer for an average of fewer than 25 hours per week in the 30 days immediately before the date on which the family leave would commence. An employee of a covered employer is eligible to take leave for purposes of OFLA if the employee:
3. Separates from employment with the covered employer, irrespective of any reason:
 - a. Is eligible to take leave OFLA at the time the employee separates; and
 - b. Is reemployed by the covered employer within 180 days of separation from employment;or
4. Is eligible to take OFLA leave:
 - a. At the beginning of a temporary cessation of scheduled hours of 180 days or less; and
 - b. Returns to work at the end of the temporary cessation of scheduled hours of 180 days or less.

Any OFLA leave taken by the employee within any one-year period continues to count against the length of time of OFLA leave the employee is entitled. The amount of time that an employee is deemed to have worked for a covered employer prior to a break in service due to a separation from employment or a temporary cessation of scheduled hours shall be restored to the employee when the employee is reemployed by the employer within 180 days of separation from employment or when the employee returns to work at the end of the temporary cessation of scheduled hours of 180 days or less.

An employee who has previously qualified for and has taken some portion of FLA leave, may request additional OFLA leave within the same leave year. In such instances, the employee must requalify as an eligible employee for each additional leave requested unless one of the following exceptions apply:

1. A female employee who has taken 12 weeks of pregnancy disability leave need not requalify leave in the same leave year for any other purpose;
2. An employee who has taken 12 weeks of parental leave need not requalify to take an additional 12 weeks in the same leave year for sick child leave; and
3. An employee granted sick leave for a serious health condition for the employee or a family member need not requalify if additional leave is taken in this leave year for the same reason.

OMFLA applies to employees who work an average of at least 20 hours per week. There is no minimum number of days worked when determining employee eligibility for OMFLA.

In determining if an employee has been employed for the preceding 180 calendar days, when applicable, the employer must consider days, e.g., paid or unpaid, an employee is maintained on payroll for any part of a work week. Full-time public school teachers who have been maintained on payroll by a district for 180 consecutive calendar days are thereafter deemed to have been employed for an average of at least 25 hours per week during the 180 days immediately preceding the start date of the OFLA leave. This provision is eligible for rebuttal if for example, the employee was on a nonpaid sabbatical.

In determining average workweek, the employer must count the actual hours worked using the Fair Labor Standards Act (FLSA) guidelines.

Qualifying Reason

Eligible employees may access FMLA leave for the following reasons:

1. Serious health condition of the employee or the employee's covered family member:
Inpatient care;
 - a. **Inpatient care;**

 4. Bereavement Leave: leave related to the death of a covered family member.⁵
 5. Eligible employees may access OMFLA for the purpose of spending time with a spouse or same-gender domestic partner who is in the military and has been notified of an impending call or order to active duty, or who has been deployed during a period of military conflict.
 6. The eligibility of an employee who takes multiple leaves for different qualified reasons during the same district designated leave period may be reconfirmed at the start of each qualified leave request.

- a. A public health emergency declared under ORS 433.441.
- b. An emergency declared under ORS 401.165 if related to a public health emergency as defined in ORS 433.442.

Leave Period

For the purposes of calculating an employee’s leave period, the district will use a “rolling” 12-month period

measured backward from the date the employee uses any family and medical leave. The same method for calculating the 12-month period for FMLA and OFLA leave entitlement shall be used for all employees. However, in all instances, the leave period for the purposes of OMFLA and Military Caregiver Leave under FMLA shall be dependent on the start of any such leave regardless of the district's designated 12-month leave period described above.

Leave Duration

For the purposes of FMLA, an eligible employee is generally entitled to a total of 12 weeks of qualified leave during the district's designated leave period⁷. Spouses who work for the district may be limited to a combined 12 weeks of FMLA leave during the district's designated leave period when the purpose of the leave is for the birth of a child or to care for a child after birth, placement of an adopted or foster child or the care for an adopted or foster child after placement, or to care for the employee's parent's serious medical condition. Except in specific and unique instances, all qualified leave under FMLA counts toward an employee's leave entitlement within the district's designated leave period.

For the purposes of OFLA, an eligible employee is generally entitled to a total of 12 weeks of qualified leave during the district's designated leave period. However, ~~a woman~~ **an eligible employee** is entitled to an additional, full 12 weeks of parental leave during the district's designated leave period following the birth of a child regardless of how much OFLA qualified leave ~~she~~ **the employee** has taken prior to the birth of such child during the district's designated leave period. Likewise, an employee who uses the full 12 weeks of parental leave during the district designated leave period, will be entitled to an additional 12 weeks of sick child leave under OFLA during the district's designated leave period for the purpose of caring for a child(ren) with a non-serious health condition requiring home care.⁸ Unlike FMLA, OFLA does not combine the leave entitlement for spouses working for the district. However, under OFLA, family members who work for the district may be restricted from taking concurrent OFLA qualified leave.⁹

For the purposes of OMFLA, an eligible employee is entitled to 14 days of leave per call or order to active duty or notification of a leave from deployment. When an employee also meets the eligibility requirements of OFLA, the duration of the OMFLA leave counts toward that employee's leave entitlement during the district's designated leave period.

Except as otherwise noted above, qualified leave under FMLA and OFLA for an eligible employee will run concurrently during the district's designated leave period.

⁷ An eligible employee taking Military Caregiver Leave under FMLA is entitled to up to 26 weeks of leave in the 12-month period beginning with the first day of such leave and regardless of any FMLA leave taken previously during the district's leave period. However, once the 12-month period begins for the purposes of Military Caregiver Leave under FMLA, any subsequent FMLA qualified leave, regardless of reason for such leave, will count toward the employee's 26-week entitlement under Military Caregiver Leave under FMLA.

⁸ Sick child leave under OFLA need not be provided if another family member, including a noncustodial biological parent, is willing and able to care for the child.

⁹ Exceptions to the ability to require family members from taking OFLA qualified leave at different times are when 1) employee is caring for the other employee who has a serious medical condition; 2) one employee is caring for a child with a serious medical condition when the other employee is suffering a serious medical condition; 3) each family member is suffering a serious medical condition; 4) each family member wants to take Bereavement Leave under OFLA; and 5) the employer allows the family members to take concurrent leave.

For the purpose of tracking the number of leave hours an eligible employee is entitled and/or has used during each week of the employee's leave, leave entitlement is calculated by multiplying the number of hours the eligible employee normally works per week by 12.¹⁰ If an employee's schedule varies from week-to-week, a weekly average of the hours worked over the 12 weeks worked prior to the beginning of the leave period shall be used for calculating the employee's normal workweek.¹¹ If an employee takes intermittent or reduced work schedule leave, only the actual number of hours of leave taken may be counted toward the 12 weeks of leave to which the employee is entitled.

Intermittent Leave

With the exception of parental leave which must be taken in one continuous block of time, an eligible employee is permitted under FMLA and OFLA to take intermittent leave for any qualifying reason.

Intermittent leave is taken in multiple blocks of time (i.e., hours, days, weeks, etc.) rather than in one continuous block of time and/or requires a modified or reduced work schedule. For OFLA this includes but not limited to sick child leave taken requiring an altered or reduced work schedule because the intermittent or recurring closure of a child's school or child care provider due to a statewide public health emergency declared by a public health official.

When an employee is eligible for OFLA leave, but not FMLA leave, the employer:

1. May allow an exempt employee, as defined by state and federal law, with accrued paid time off to take OFLA leave in blocks of less than a full day; but
2. May not reduce the salary of an employee who is taking intermittent leave when they do not have accrued paid leave available. To do so would result in the loss of exemption under state law.

An employee's FMLA and/or OFLA intermittent leave time is determined by calculating the difference between the employee's normal work schedule and the number of hours the employee actually works during the leave period. The result of such calculation is credited against the eligible employee's leave entitlement.

Holidays or days in which the district is not in operation, are not counted against the eligible employee's intermittent OFLA leave period unless the employee was scheduled and expected to work on any such day.

Alternate Work Assignment

The district may transfer an employee recovering from a serious health condition to an alternate position which accommodates the serious health condition provided:

1. The employee accepts the position voluntarily and without coercion;

¹⁰ For example, an employee normally employed to work 30 hours per week is entitled to 12 times 30 hours, or a total of 360 hours of leave.

¹¹ For example, an employee working an average of 25 hours per week is entitled to 12 times 25 hours, or a total of 300 hours of leave.

2. The transfer is temporary, lasts no longer than necessary and has equivalent pay and benefits;
3. The transfer is compliant with any applicable collective bargaining agreement;
4. The transfer is compliant with state and federal law, including but not limited to the protections provided for in FMLA and/or OFLA; and
5. The transfer is not used to discourage the employee from taking FMLA and/or OFLA leave for a serious health condition or to create a hardship for the employee.

The district may transfer an eligible employee who is on a foreseeable intermittent FMLA and/or OFLA leave to another position with the same or different duties to accommodate the leave, provided:

1. The employee accepts the transfer position voluntarily and without coercion;
2. The transfer is temporary, lasts no longer than necessary and has equivalent pay and benefits;
3. The transfer is compliant with any applicable collective bargaining agreements;
4. The transfer is compliant with state and federal law, including but not limited to the protections provided for in FMLA and/or OFLA;
5. The transfer to an alternate position is used only when there is no other reasonable option available that would allow the employee to use intermittent leave or reduced work schedule; and
6. The transfer is not used to discourage the employee from taking intermittent or reduced work schedule leave, or to create a hardship for the employee.

If an eligible employee is transferred to an alternative position, and as a result the employee works fewer hours than the employee was working in the original position, the employee's FMLA and/or OFLA leave time is determined by calculating the difference between the employee's normal work schedule and the number of hours the employee actually works during the leave period. The result of such calculation is credited against the eligible employee's leave entitlement.

When an employee is transferred to alternate position as described above but such transfer does not result in a reduced schedule, time worked in any such alternate position shall not be considered for the purpose of FMLA and/or OFLA leave. An employee working in an alternate position retains the right to return to the employee's original position unless all FMLA and/or OFLA leave taken in that leave year plus the period of time worked in the alternate position exceeds 12 weeks.

Special Rules for School Employees

For the purposes of FMLA, "~~school~~ instructional employee" means those whose principal function is to teach and instruct students in a class, a small group or an individual ~~settlement~~ setting. Athletic coaches,

driving instructors and special education assistants, such as interpreters for the hearing impaired, are included in this definition. This definition does not apply to teacher assistants or aides, counselors, psychologist, curriculum specialists, cafeteria workers, maintenance workers or bus drivers.

For the purposes of OFLA, “school employee” means employees employed principally as instructors in public kindergartens, elementary schools, secondary schools or education service districts.

FMLA and/or OFLA leave that is taken for a period that ends with the school year and begins with the next semester is considered consecutive rather than intermittent. In any such situation, the eligible school employee will receive any benefits during the break period that employees would normally receive if they had been working at the end of the school year.

1. Foreseeable Intermittent Leave Exceeding 20 Percent of Working Days

When the qualified leave is foreseeable, will encompass more than 20 percent of the eligible school employee’s regular work schedule during the leave period, and the purpose of such leave is to care for a family member with a serious medical condition, for a servicemember with a serious medical condition or because of the employee’s own serious medical condition, the district may require the eligible school employee to:

- a. Take leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or
- b. Temporarily transfer the eligible school employee to an alternate position for which the employee is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of leave than the employee’s original position.

2. Limitation on Leave Near the End of the School Year

When an eligible school employee requests leave near the end of the school year the district may require the following:

- a. When the qualified leave begins more than five weeks before the end of the school year:
 - (1) For the purposes of FMLA leave, the eligible school employee may be required to continue taking leave until the end of the school year provided:
 - (a) The leave will last at least three weeks; and
 - (b) The employee would return to work during the three-week period before the end of the term.
 - (2) For the purposes of OFLA leave, if the reason for the leave is because of the eligible school employee’s own serious health condition, the eligible school employee may be required to remain in leave until the end of the school year, provided:

- (a) The leave will last at least three weeks; and
 - (b) The employee's return to work would occur within three weeks of the end of the school year.
- b. For the purposes of FMLA and/or OFLA leave, when the qualified leave begins within five weeks of the end of the school year and the purpose of such leave is parental leave, for the serious health condition of a family member or for the serious health condition of a servicemember, the eligible school employee may be required to remain on leave until the end of the school year provided:
 - (a) The leave will last more than two weeks; and
 - (b) The employee would return to work during the two-week period before the end of the school year.
- c. For the purposes of FMLA and/or OFLA leave, when the qualified leave begins within three weeks of the end of the school year and the purpose of such leave is parental leave, for the serious health condition of a family member or for the serious health condition of a servicemember, the eligible school employee may be required to remain on leave until the end of the school year provided the length of the leave will last more than five working days.

If the district requires an eligible school employee to remain on leave until the end of the school year as described above, additional leave required by the employer until the end of the school year shall not count against the eligible school employee's leave entitlement.

Paid/Unpaid Leave

FMLA and OFLA do not require the district to pay an eligible employee who is on a qualified leave. Subject to any related provisions in any applicable collective bargaining agreement, the district requires the eligible employee to use any available accrued paid leave, including personal and sick leave or available accrued vacation leave before taking FMLA and/or OFLA leave without pay during the leave period. The employee may select the order in which the available paid leave is used.

The district will notify the eligible employee that the requested leave has been designated as FMLA and/or OFLA leave and, if required by the district, that available accrued paid leave shall be used during the leave period. In the event the district is aware of an OFLA or FMLA qualifying exigency, the district shall notify the eligible employee of its intent to designate the leave as such regardless of whether a request has been made by the eligible employee. Such notification will be given to the eligible employee prior to the commencement of the leave or within two working days of the employee's notice of an unanticipated or emergency leave, whichever is sooner.

When the district does not have sufficient information to make a determination of whether the leave qualifies as FMLA or OFLA leave, the district will provide the required notice promptly when the information is available but no later than two working days after the district has received the information. Oral notices will be confirmed in writing no later than the following payday. If the payday is less than one week after the oral notice is given, written notice will be provided no later than the subsequent payday.

Eligible employees who request OMFLA leave shall not be required to use any available accrued paid time off during the OMFLA leave period.

Benefits and Insurance

When an eligible employee returns to work following a FMLA or OFLA qualified leave, the employee must be reinstated to the same position the employee held when the leave commenced, or to an equivalent position with equivalent benefits, pay and other terms and conditions of employment.

During an OFLA qualified leave an eligible employee does not accrue seniority or other benefits that would have accrued while the employee was working. The eligible employee is also subject to layoff to the same extent similarly situated employees not taking OFLA leave are subject unless the terms of an applicable collective bargaining agreement, other agreement or the district's policies provide otherwise.¹²

For the purposes of FMLA and OFLA, the district will continue to pay the employer portion of the eligible employee's group health insurance contribution (if applicable) during the qualified leave period. The eligible employee is required to pay the employee portion of any such group health insurance contribution as a condition of continued coverage.

For the purposes of FMLA qualified leave, the district's obligation to maintain the employee's group health insurance coverage will cease if the employee's contribution is remitted more than 30 calendar days late. The district will provide written notice that the premium payment is more than 30 calendar days late. Such notice will be provided within 15 calendar days before coverage is to cease.

For the purposes of OMFLA, the eligible employee is entitled to a continuation of benefits.

Fitness-for-Duty Certification

Prior to the reinstatement of an employee following a leave which was the result of the employee's own serious health condition, the district may require the employee to obtain and present a Fitness-for-Duty Certification. The certification will specifically address the employee's ability to perform the essential functions of the employee's job as they relate to the health condition that was the reason for the leave. If the district is going to require a fitness-for-duty certification upon return to work, the district must notify the employee of such requirement when the leave is designated as FMLA and/or OFLA leave. Failure to provide the certification may result in a delay or denial of reinstatement.

For the purposes of FMLA qualified leave, any costs associated with obtaining the fitness-for-duty certification shall be borne by the employee.

For the purposes of OFLA qualified leave, any out-of-pocket costs associated with obtaining the fitness-for-duty certification shall be borne by the district.

If the leave is qualified under both FMLA and OFLA, any out-of-pocket costs associated with obtaining the

fitness-for-duty certification shall be borne by the district.

Application

Under federal and state law, an eligible employee requesting FMLA and/or OFLA leave shall provide at least 30 days' notice prior to the leave date if the leave is foreseeable. The notice shall be written and include the anticipated start date, duration and reasons for the requested leave. When appropriate, the eligible employee must make a reasonable effort to schedule treatment, including intermittent leave and reduced leave, so as not to unduly disrupt the operation of the district.

The district may request additional information to determine that the requested leave qualifies as FMLA and/or OFLA leave. The district may designate the employee as provisionally on FMLA and/or OFLA leave until sufficient information is received to properly make a determination. An eligible employee able to give advance notice of the need to take FMLA and/or OFLA leave must follow the employer's known, reasonable and customary procedures for requesting any kind of leave.

For the purposes of FMLA, if advance notice is not possible, an employee eligible for FMLA leave must provide notice as soon as practicable. "As soon as practicable," for the purpose of FMLA leave, means the employee must comply with the employer's normal call-in procedures except in limited and under unique circumstances. Failure of an employee to provide the required notice for FMLA leave may result in the district delaying the employee's leave up to 30 days after the notice is ultimately given.

For the purposes of OFLA, an eligible employee is required to provide oral or written notice within 24 hours of commencement of the leave in unanticipated or emergency leave situations. The employee may designate a family member or friend to notify the district during that period of time. Failure of an employee to provide the required notice for leave covered by OFLA may result in the district deducting up to three weeks from the employee's unused OFLA leave in that one-year leave period. The employee may be subject to disciplinary action for not following the district's notice procedures.

When an employee fails to give advance notice for both the FMLA and OFLA above, the district must choose the remedy that is most advantageous to the employee.

In all cases, proper documentation must be submitted no later than three working days following the employee's return to work.

Medical Certification

The district shall require an eligible employee to provide medical documentation, when appropriate, to support the stated reason for such leave. The district will provide written notification to an employee of this requirement within five working days of the employee's request for leave. If the employee provides less than 30 days' notice, the employee is required to submit such medical certification no later than 15 calendar days after receipt of the district's notification that medical certification is required.

The district may request re-certification of a condition when the minimum duration of a certification expires if continued leave is requested. If the certification does not indicate a duration or indicates that it is ongoing, the district may request re-certification at least every six months in connection with an absence.

Under federal law, a second medical opinion may be required whenever the district has reason to doubt the validity of the initial medical opinion. The health care provider may be selected by the district. The provider shall not be employed by the district on a regular basis. Should the first and second medical certifications differ, a third opinion may be required. The district and the employee will mutually agree on the selection of the health care provider for a third medical certification. The third opinion will be final. Second and third opinions and the actual travel expenses for an employee to obtain such opinions will be paid for by the district.

Second and Third Opinions

1. For the purposes of FMLA, the district may designate a second health care provider, but that person cannot be utilized by the district on a regular basis except in rural areas where health care is extremely limited. If the opinions of the employee's and the district's designated health care provider(s) differ, the district may require a third opinion at the district's expense. The third health care provider must be designated or approved jointly by the employee and the district. This third opinion shall be final and binding.
2. For the purposes of OFLA, and except for leave related to sick child leave under OFLA, the district may require the employee to obtain a second opinion from a health care provider designated by the district. If the first and second verifications conflict, the employer may require the two health care providers to jointly designate a third health care provider for the purpose of providing a verification. This third verification shall be final and binding.

Notification

Any notice required by federal and state laws explaining employee rights and responsibilities will be posted in all staff rooms and the district office. Additional information may be obtained by contacting the Director of Human Resources.

Record Keeping/Posted Notice

The district will maintain all records as required by federal and state laws including dates leave is taken by employees, identified separately from other leave; hours/days of leave; copies of general and specific notices to employees, including Board policy(ies) and regulations; premium payments of employee health benefits while on leave and records of any disputes with employees regarding granting of leave.

Medical documentation will be maintained separately from personnel files as confidential medical records.

The district will post notice of FMLA¹³ and OFLA¹⁴ leave requirements.

Federal vs. State Law

Both federal and state law contain provisions regarding leave for family illness. Federal regulations state an employer must comply with both laws; that the federal law does not supersede any provision of state law

¹³ Poster available at <https://www.dol.gov/agencies/whd/fmla/posters>.

that provides greater family leave rights than those established pursuant to federal law; and that OFLA and FMLA leave entitlements run concurrently. State law requires that FMLA and OFLA leave entitlements run concurrently when possible.

For example, due to differences in regulations, an eligible employee who takes OFLA leave after 180 days of employment, but before they are eligible for FMLA leave, is still eligible to take a full 12 workweeks of FMLA leave after meeting FMLA's eligibility requirements. Thereafter, any eligible leave period will run concurrently, when appropriate.

EMPLOYEE RIGHTS AND RESPONSIBILITIES UNDER THE FAMILY AND MEDICAL LEAVE ACT

Basic Leave Entitlement

FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements

Eligible employees with a spouse, son, daughter, or parent on covered active duty or call to covered active duty status may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered servicemember is: (1) a current member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness*; or (2) a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness*.

***The FMLA definition of "serious injury or illness" for current servicemembers and veterans are distinct from the FMLA definition of "serious health condition".**

Benefits and Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least 12 months, have 1,250 hours of service over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than three consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to

definition of continuing treatment.

pregnancy, or incapacity due to a chronic condition. Other conditions may meet the

Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures. Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave.

Employees also must inform the employer if the requested leave is for a reason for which FMLA leave was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA-protected, the employer must notify the employee.

Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

- Interfere with, restrain, or deny the exercise of any right provided under FMLA; and
- Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer. FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29 C.F.R. § 825.300(a) may require additional disclosures.

4. Agreement for Nonattendance and Excusal

- a. The district and the parent(s) may consent to excuse an IEP team member from attending an IEP meeting, in whole or in part, when the meeting involves a discussion or modification of team member's area of curriculum or service. current IEP. If additional IEP pages are required these pages must be attached to the existing IEP.

- b. The district files a complete copy of the IEP with the student's education records and informs the student's IEP team and any teachers or service providers of the changes.
- c. The district provides the parent prior written notice of any changes in the IEP and upon requests, provides the parent with a reserved copy of the IEP with the changes incorporated.

7. IEP Team Consideration and Special Factors

- a. In developing, reviewing and revising the IEP, the IEP team considers:
 - (1) The strengths of the student and concerns of the parent for enhancing the education of the student;

 - (1) The communication needs of the student; and
 - (2) The need for assistive technology services and/or devices.
- c. As appropriate, the IEP team also considers the following special factors:
 - (1) For a student whose behavior impedes ~~his or her~~ **their** learning or that of others, strategies, positive behavioral intervention and supports to address that behavior;
 - (2) For a student with limited English proficiency, the language needs of the student as those needs relate to the IEP;
 - (3) For a student who is blind or visually impaired, instruction in Braille and the use of Braille unless the IEP team determines (after an evaluation of reading and writing skills, needs and media, including evaluation of future needs for instruction in Braille or the use of Braille, appropriate reading and writing), that instruction in Braille or the use of Braille is not appropriate; and
 - (4) For a student who is deaf or hard of hearing, the student's language and communication needs, including opportunities for direct communication with peers and professional personnel in the student's language and communication mode, academic level and full range of needs, including opportunities for direct instruction in the student's language and communication mode.
 - (5) **If a student is deaf, deafblind, or hard of hearing, the district will provide information about relevant services and placements offered by the school district, the education service district, regional programs, and the Oregon School for the Deaf; and**
 - (6) A statement of any device or service needed for the student to receive a free appropriate public education (FAPE).
- d. In addition to the above IEP contents, the IEP for each eligible student of transition age

includes:

- (1) Beginning not later than the **first** IEP in effect when the student turns 16, or **as early as 14 or younger**, if determined appropriate by the IEP team **(including parent(s))**, and updated annually thereafter, the IEP must include:
 - (a) Appropriate measurable postsecondary goals based upon age appropriate transition assessments related to training, education, employment, and where appropriate, independent living skills; and
 - (b) The transition services (including course of study) need to assist the student in reaching those goals.
 - (i) **Regarding employment planning, the parent shall be provided information about and opportunities to experience employment services provided by Oregon Vocational Rehabilitation or the Oregon Office of Developmental Disability Services. These services must be provided in a competitive integrated employment setting, as defined by Oregon Administrative Rule 441-345-0020. Information about these services shall also be provided to the parent by the district at each annual review for IEPs to be in effect when the child turns 16, or as early as 14 or younger, if determined appropriate by the IEP team (including parent(s)).**
 - (2) At least one year before a student reaches the age of majority (student reaches the age of 18, or has married or been emancipated, whichever occurs first), a statement that the district has informed the student that all procedural rights will transfer at the age of majority; and
 - (3) If identified transition service providers, other than the district, fail to provide any of the services identified on the IEP, the district will initiate an IEP meeting as soon as possible to address alternative strategies and revise the IEP if necessary.
- e. **To promote self-determination and independence, the district shall provide the student and the student's parents with information and training resources regarding supported decision-making as a less restrictive alternative to guardianship, and with information and resources regarding strategies to remain engaged in the student's secondary education and post-school outcomes. The district shall provide this information at each IEP meeting that includes discussion of post-secondary education goals and transition services.**

8. Incarcerated Youth

- a. For students with disabilities who are convicted as adults, incarcerated in adult correctional facilities and otherwise entitled to FAPE, the following IEP requirements do not apply:
 - (1) Participation of students with disabilities in state and district wide assessment; and
 - (2) Transition planning and transition services, for students whose eligibility will end because of their age before they will be eligible to be released from an adult correctional facility based on consideration of their sentence and eligibility for early release.
- b. The IEP team may modify the student's IEP, if the state has demonstrated a bona fide security or compelling penological interest that cannot be otherwise accommodated.

9. Extended School Year Services

- a. The district makes extended school year (ESY) services available to all students for whom the IEP team has determined that such services are necessary to provide a FAPE and;
- b. ESY services are:
 - (1) Provided to a student with a disability in addition to the services provided during the typical school year;
 - (2) Identified in the student’s IEP; and
 - (3) Provided at no cost to the parent.
- c. The district does not limit consideration of ESY services to particular categories of disability or unilaterally limit the type, amount or duration of service.
- d. The district provides ESY services to maintain the student’s skills or behavior, but not to teach new skills or behaviors.
- e. The district’s criteria for determining the need for extended school year services include:
 - (1) Regression (a significant loss of skills or behaviors) and recoupment time based on documented evidence; or
 - (2) If no documented evidence, on predictions according to the professional judgment of the team.
- f. “Regression” means significant loss of skills or behaviors in any area specified on the IEP as a result of an interruption in education services.
- g. “Recoupment” means the recovery of skills or behaviors specified on the IEP to a level demonstrated before the interruption of education services.

10. Assistive Technology

- a. The district ensures that assistive technology devices or assistive technology services, or both, are made available if they are identified as part of the student’s IEP. These services and/or devices may be part of the student’s special education, related services or supplementary aids and services.
- b. On a case-by-case basis, the district permits the use of district-purchased assistive technology devices in the student’s home or in other settings if the student’s IEP team determines that the student needs access to those devices to receive a FAPE. In these situations, district policy will govern liability and transfer of the device when the student ceases to attend the district.

11. Transfer Students

- a. In state:

If a student with a disability (who had an IEP that was in effect in a previous district in Oregon) transfers into the district and enrolls in a district school within the same school year, the district (in consultation with the student’s parents) provides a FAPE to the student (including services comparable to those described in the student’s IEP from the previous district), until the district either:

- (1) Adopts the student’s IEP from the previous district; or

- (2) Develops, adopts and implements a new IEP for the student in accordance with all of the IEP provisions.

b. Out of state:

If a student transfers into the district with a current IEP from a district in another state, the district, in consultation with the student's parents, will provide a FAPE to the student, including services comparable to those described in the student's IEP from the previous district, until the new district:

- (1) Conducts an initial evaluation (if determined necessary by the new district to determine Oregon eligibility) with parent consent and determines whether the student meets eligibility criteria described in Oregon Administrative Rules.
- (2) If the student is eligible under Oregon criteria, the district develops, adopts and implements a new IEP for the student using the Oregon Standard IEP or an approved alternative IEP.
- (3) If the student does not meet Oregon eligibility criteria, the district provides prior written notice to the parents explaining that the student does not meet Oregon eligibility criteria and specifying the date when special education services will be terminated.

Special Education - Procedural Safeguards**

1. Procedural Safeguards

a. The district provides procedural safeguards to:

- (1) Parents, guardians (unless the guardian is a state agency) or persons in parental relationship to the student;
- (2) Surrogate parents; and
- (3) Students who have reached the age of 18, the age of majority, or are considered emancipated under Oregon law and to whom rights have transferred by statute, identified as adult students (called “eligible students”).

b. The district gives parents a copy of the *Procedural Safeguards Notice*, published by the Oregon Department of Education (ODE):

- (1) At least once a year;
- (2) At the first referral or parental request for evaluation to determine eligibility for special education services;
- (3) When the parent (or adult student) requests a copy; and
- (4) To the parent and the student one year before the student’s 18th birthday or upon learning that the student is considered emancipated.

c. The *Procedural Safeguards Notice* is:

- (1) Provided written in the native language or other communication of the parents (unless it is clearly not feasible to do so) and in language clearly understandable to the public.
- (2) If the native language or other mode of communication of the parent is not a written language, the district takes steps to ensure that:
 - (a) The notice is translated orally or by other means to the parent in ~~his/her~~ **their** natively language or other mode of communication;
 - (b) The parent understands the content of the notice; and
 - (c) There is written evidence that the district has met these requirements.

2. Content of *Procedural Safeguards Notice*

The procedural safeguards notice includes all of the content provided in the *Procedural Safeguards Notice* published by the ODE.

3. Parent or Adult Student Meeting Participation

- a. The district provides parents or adult students an opportunity to participate in meetings with respect to the identification, evaluation, individualized education program (IEP) and educational placement of the student, and the provision of a free appropriate public education (FAPE) to the student.
- b. The district provides parents or adult students written notice of any meeting sufficiently in advance to ensure an opportunity to attend. The written notice:
 - (1) States the purpose, time and place of the meeting and who is invited to attend;
 - (2) Advises that parents or adult students may invite other individuals who they believe have knowledge or special expertise regarding the student;
 - (3) Advises the parents or adult student that the team may proceed with the meeting even if they are not in attendance;
 - (4) Advises the parent or adult students who to contact before the meeting to provide information if they are unable to attend; and
 - (5) Indicates if one of the meeting's purposes is to consider transition services or transition service needs. If so:
 - (a) Indicates that the student will be invited; and
 - (b) Identifies any agencies invited to send a representative.
- c. The district takes steps to ensure that one or both of the parents of a student with a disability are present at each IEP or placement meeting or are afforded the opportunity to participate, including:
 - (1) Notifying parents of the meeting early enough to ensure that they will have an opportunity to attend; and
 - (2) Scheduling the meeting at a mutually agreed on time and place.
- d. If neither parent can participate, the district will use other methods to ensure participation, including, but not limited to, individual or conference phone calls or home visits.
- e. The district may conduct an evaluation planning or eligibility meeting without the parent or adult student if the district provided meeting notice to the parent or adult student sufficiently in advance to ensure an opportunity to attend.
- f. The district may conduct an IEP or placement meeting without the parent or adult student if the district is unable to convince the parents or adult students that they should participate. Attempts to convince the parent to participate will be considered sufficient if the district:
 - (1) Communicates directly with the parent or adult student and arranges a mutually agreeable time and place and sends written notice to confirm the arrangement; or
 - (2) Proposes a time and place in the written notice stating that a different time and place might be requested and confirms that the notice was received.
- g. If the district proceeds with an IEP meeting without a parent or adult student, the district must have a record of its attempts to arrange a mutually agreed upon time and place such as:
 - (1) Detailed records of telephone calls made or attempted and the results of those calls;

- (2) Copies of correspondence sent to the parents and any responses received; and
 - (3) Detailed records of visits made to the parents' home or place of employment and the results of those visits.
- h. The district takes whatever action is necessary to ensure that the parent or adult student understands the proceedings at a meeting, including arranging for an interpreter for parents or adult students who are deaf or whose native language is other than English.
 - i. After the transfer of rights to an adult student at the age of majority, the district provides written notice of meetings to the adult student and parent, if the parent can be reasonably located. After the transfer of rights to an adult student at the age of majority, a parent receiving notice of an IEP meeting is not entitled to attend the meeting unless invited by the adult student or the district.
 - j. An IEP meeting does not include:
 - (1) Informal or unscheduled conversations involving school district personnel;
 - (2) Conversations on issues such as teaching methodology, lesson plans or coordination of service provision if those issues are not addressed in the student's IEP; or
 - (3) Preparatory activities that district or public personnel engage in to develop a proposal or response to a parent proposal that will be discussed at a later meeting.

4. Surrogate Parents

- a. The district protects the rights of a student with a disability, or suspected of having a disability, by appointing a surrogate parent when:
 - (1) The parent cannot be identified or located after reasonable efforts;
 - (2) The student is a ward of the state or an unaccompanied homeless youth and there is reasonable cause to believe that the student has a disability, and there is no foster parent or other person available who can act as the parent of the student; or
 - (3) The parent or adult student requests the appointment of a surrogate parent.
- b. The district secures nominations of persons to serve as surrogates. The district appoints surrogates within 30 days of a determination that the student needs a surrogate, unless a surrogate has already been appointed by juvenile court.
- c. The district will only appoint a surrogate who:
 - (1) Is not an employee of the district or the ODE;
 - (2) Is not an employee of any other agency involved in the education or care of the student;
 - (3) Is free of any personal or professional interest that would interfere with representing the student's special education interests; and
 - (4) Has the necessary knowledge and skills that ensure adequate representation of the student in special education decisions. The district will provide training, as necessary, to ensure that surrogate parents have the requisite knowledge.
- d. The district provides all special education rights and procedural safeguards to appointed surrogate parents.
- e. A surrogate will not be considered an employee of the district solely on the basis that the surrogate is compensated from public funds.

- f. The duties of the surrogate parent are to:
 - (1) Protect the special education rights of the student;
 - (2) Be acquainted with the student's disability and the student's special education needs;
 - (3) Represent the student in all matters relating to the identification, evaluation, IEP and educational placement of the student; and
 - (4) Represent the student in all matters relating to the provision of a FAPE to the student.

- g. A parent may give written consent for a surrogate to be appointed.
 - (1) When a parent requests that a surrogate be appointed, the parent shall retain all parental rights to receive notice and all of the information provided to the surrogate. When the district appoints a surrogate at parent request, the district will continue to provide to the parent a copy of all notices and other information provided to the surrogate.
 - (2) The surrogate, alone, shall be responsible for all matters relating to the special education of the student. The district will treat the surrogate as the parent unless and until the parent revokes consent for the surrogate's appointment.
 - (3) If a parent gives written consent for a surrogate to be appointed, the parent may revoke consent at any time by providing a written request to revoke the surrogate's appointment;

- h. An adult student to whom rights have transferred at age of majority may give written consent for a surrogate to be appointed. When an adult student requests that a surrogate be appointed, the student shall retain all rights to receive notice and all of the information provided to the surrogate. The surrogate, alone, shall be responsible for all matters relating to the special education of the student. The district will treat the surrogate as the adult student unless and until the adult student revokes consent for the surrogate's appointment. If an adult student gives written consent for a surrogate to be appointed, the adult student may revoke consent at any time by providing a written request to revoke the surrogate's appointment.

- i. The district may change or terminate the appointment of a surrogate when:
 - (1) The person appointed as surrogate is no longer willing to serve;
 - (2) Rights transfer to the adult student or the student graduates with a regular diploma;
 - (3) The student is no longer eligible for special education services;
 - (4) The legal guardianship of the student is transferred to a person who is able to carry out the role of the parent;
 - (5) A foster parent or other person is identified who can carry out the role of parent;
 - (6) The parent, who previously could not be identified or located, is now identified or located;
 - (7) The appointed surrogate is no longer eligible;
 - (8) The student moves to another school district; or
 - (9) The student is no longer a ward of the state or unaccompanied homeless youth.

- j. The district will not appoint a surrogate solely because the parent or student to whom rights have transferred is uncooperative or unresponsive to the special education needs of the student.

5. Transfer of Rights at Age of Majority

- a. When a student with a disability reaches the age of majority, marries or is emancipated, rights previously accorded to the student's parents under the special education laws, transfer to the

student. A student for whom rights have transferred is considered an “adult student” under OAR 581-015-2000(1).

- b. The district provides notice to the student and the parent that rights (accorded by statute) will transfer at the age of majority. This notice is provided at an IEP meeting and documented on the IEP:
 - (1) At least one year before the student’s 18th birthday;
 - (2) More than one year before the student’s 18th birthday, if the student’s IEP team determines that earlier notice will aid transition; or
 - (3) Upon actual knowledge that within a year the student will likely marry or become emancipated before age 18.
- c. The district provides written notice to the student and to the parent at the time of the transfer.
- d. These requirements apply to all students, including students who are incarcerated in a state or local adult or juvenile correctional facility or jail.
- e. After transfer of rights to the student, the district provides any written prior notices and written notices of meetings required by the special education laws to the adult student and to the parent if the parent can be reasonably located.
- f. After rights have transferred to the student, receipt of notice of an IEP meeting does not entitle the parent to attend the meeting unless invited by the student or the district.
- g. **To promote self-determination and independence, the district shall provide the student and the student’s parents with information and training resources regarding supported decision-making as a less restrictive alternative to guardianship, and with information and resources regarding strategies to remain engaged in the student’s secondary education and post-school outcomes. The district shall provide this information at each IEP meeting that includes discussion of post-secondary goals and transition services.**

6. Prior Written Notice

- a. The district provides prior written notice to the parent of a student, or student, within a reasonable period of time, before the district:
 - (1) Proposes to initiate or change the identification, evaluation or educational placement of the student, or the provision of a FAPE to the child; or
 - (2) Refuses to initiate or change the identification, evaluation or educational placement of the student, or the provision of a FAPE to the child.
- b. The content of the prior written notice will include:
 - (1) A description of the action proposed or refused by the district;
 - (2) An explanation of why the district proposed or refused to take the action;
 - (3) A description of each evaluation procedure, test, assessment, record or report used as a basis for the proposal or refusal;
 - (4) A statement that the parents of a student with a disability have procedural safeguards and, if this notice is not an initial referral for evaluation, how a copy of the Procedural Safeguards Notice may be obtained;
 - (5) Sources for parents to contact to obtain assistance in understanding their procedural safeguards;
 - (6) A description of other options the IEP team considered and the reasons why those

- options were rejected; and
 - (7) A description of other factors that are relevant to the agency’s proposal or refusal.
- c. The prior written notice is:
- (1) Written in language understandable to the general public; and
 - (2) Provided in the native language of the parent or other mode of communication used by the parent, unless it is clearly not feasible to do so;
 - (3) If the native language or other mode of communication of the parent is not a written language, the district shall take steps to ensure that:
 - (a) The notice is translated orally or by other means to the parent in the parent’s native language or other mode of communication;
 - (b) The parent understands the content of the notice; and
 - (c) There is written evidence that the requirements of this rule have been met.

7. Consent¹ - Initial Evaluation

- a. The district provides notice and obtains informed written consent from the parent or adult student before conducting an initial evaluation to determine whether a student has a disability (as defined by Oregon law) and needs special education. Consent for initial evaluation is not consent for the district to provide special education and related services.
- b. The district makes reasonable efforts to obtain informed consent from a parent for an initial evaluation to determine a child’s eligibility for special education services. If a parent does not provide consent for an initial evaluation or does not respond to a request for consent for an initial evaluation, the school district may, but is not required to, pursue the initial evaluation of the child through mediation or due process hearing procedures. The district does not violate its child find obligations if it declines to pursue the evaluation using these procedures.

8. Consent - Initial Provision of Special Education Services

- a. The district provides notice and obtains informed written consent from the parent or adult student before the initial provision of special education and related services to the student.
- b. The district makes reasonable efforts to obtain informed consent, but if a parent or adult student does not respond or refuses consent for initial provision of special education and related services, the district does not convene an IEP meeting, develop an IEP or seek to provide special education and related services through mediation or due process hearing procedures. The district will not be considered to be in violation of the requirement to make FAPE available to the student under these circumstances. The district stands ready to serve the student if the parent or adult student later consents.

¹ “Consent” means that the parent or adult student: a) has been fully informed, in his/her/their native language or other mode of communication, of all information relevant to the activity for which consent is sought; and b) understands and agrees in writing to the carrying out of the activity for which his/her/their consent is sought. Consent is voluntary on the part of the parent and meeting the requirements of consent provision for OAR 581-015-2090, IDEA and Family Education Rights and Privacy Act (FERPA).

9. Consent - Reevaluation

- a. The district obtains informed parent consent before conducting any reevaluation of a child with a disability, except:
 - (1) The district does not need written consent for a reevaluation, if, after reasonable efforts to obtain informed consent, the parent does not respond. However, the district does not conduct individual intelligence tests or tests of personality without consent.
 - (2) If a parent refuses to consent to the reevaluation, the district may, but is not required to, pursue the reevaluation by using mediation or due process hearing procedures.
- b. A parent or adult student may revoke consent at any time before the completion of the activity for which they have given consent. If a parent or adult student revokes consent, that revocation is not retroactive.

10. Consent - Other Requirements

- a. The district documents its reasonable efforts to obtain parent consent, such as phone calls, letters and meeting notes.
- b. If a parent of a student who is home schooled or enrolled by the parents in a private school does not provide consent for the initial evaluation or the reevaluation, or if the parent does not respond to a request for consent, the district:
 - (1) Does not use mediation or due process hearing procedures to seek consent; and
 - (2) Does not consider the child as eligible for special education services.
- c. If a parent or adult student refuses consent for one service or activity, the district does not use this refusal to deny the parent or child any other service, benefit or activity, except as specified by these rules and procedures.
- d. If, at any time subsequent to the initial provision of special and related services, the parent of child revokes consent in writing for the continued provision of special education and related services, the district:
 - (1) May not continue to provide special education and related services to the child, but must provide prior written notice before ceasing the provision of special education and related services;
 - (2) May not use mediation or due process procedures to obtain an agreement or ruling that the services may be provided to the child;
 - (3) The district will not be considered to be in violation of the requirement to make FAPE available to the child because of the failure to provide the child with further special education and related services; and
 - (4) The district is not required to convene an IEP team meeting or develop an IEP for the child for further provision of special education or related services.

11. Exceptions to Consent

- a. The district does not need written parent or adult student consent before:

- (1) Reviewing existing data as part of an evaluation or reevaluation;
 - (2) Administering a test or other evaluation administered to all students without consent unless, before administration of that test or evaluation, consent is required of parents of all students;
 - (3) Conducting evaluations, tests, procedures or instruments that are identified on the student's IEP as a measure for determining progress; or
 - (4) Conducting a screening of a student by a teacher or specialist to determine appropriate instructional strategies for curriculum implementation.
- b. The district does not need written parent consent to conduct an initial special education evaluation of a student who is a ward of the state and not living with the parent if:
- (1) Despite reasonable efforts to do so, the district has not been able to find the parent;
 - (2) The parent's rights have been terminated in accordance with state law; or
 - (3) The rights of the parent to make educational decisions have been subrogated by a judge in accordance with state law and consent for an initial evaluation has been given by an individual appointed by the judge to represent the child.
- c. The district does not need written parental consent if an administrative law judge determines that the evaluation or reevaluation is necessary to ensure that the student is provided with a FAPE.

12. Independent Educational Evaluations

- a. A parent of a student with a disability has a right to an independent educational evaluation at public expense if the parent disagrees with an evaluation obtained by the school district.
- b. If a parent requests an independent educational evaluation at public expense, the district provides information to parents about where an independent educational evaluation may be obtained, and the district criteria applicable for independent educational evaluations.
- c. If a parent requests an independent educational evaluation at public expense, the district, without unnecessary delay, either:
 - (1) Initiates a due process hearing to show that its evaluation is appropriate; or
 - (2) Ensures that an independent educational evaluation is provided at public expense unless the district demonstrates in a hearing that the evaluation obtained by the parent did not meet district criteria.
- d. The district criteria for independent educational evaluations are the same as for district evaluations including, but not limited to, location, examiner qualifications and cost.
 - (1) Criteria established by the district do not preclude the parent's access to an independent educational evaluation.
 - (2) The district provides the parents the opportunity to demonstrate the unique circumstances justifying an independent educational evaluation that does not meet the district's criteria.
 - (3) A parent may be to limited one independent educational evaluation at public expense each time the district conducts an evaluation with which the parent disagrees.

- e. If a parent requests an independent educational evaluation, the district may ask why the parent disagrees with the public evaluation. The parent may, but is not required to, provide an explanation. The district may not:
 - (1) Unreasonably delay either providing the independent educational evaluation at public expense or initiating a due process hearing to defend the public evaluation;
 - (2) Except for the criteria listed above in c., impose conditions or timelines related to obtaining an independent educational evaluation at public expense.
- f. The district considers an independent educational evaluation submitted by the parent, in any decision made with respect to the provision of a FAPE to the student, if the submitted independent evaluation meets district criteria.

13. Dispute Resolution - Mediation

- a. The district or parent may request mediation from ODE for any special education matter, including before the filing of a complaint or due process hearing request.
- b. The district acknowledges that:
 - (1) Mediation must be voluntary on the part of the parties, must be conducted by a qualified and impartial mediator who is trained in effective mediation techniques and may not be used to deny or delay a parent’s right to a due process hearing or filing a complaint.
 - (2) Each mediation session must be scheduled in a timely manner and must be held in a location that is convenient to the parties to the dispute.
 - (3) An agreement reached by the parties to the dispute in the mediation process must be set forth in a legally binding written mediation agreement that:
 - (a) States the terms of the agreement;
 - (b) States that all discussions that occurred during the mediation process remain confidential and may not be used as evidence in any subsequent due process hearing or civil proceeding; and
 - (c) Is signed by the parent and a representative of the school district who has the authority to bind the district to the mediation agreement.
 - (4) Mediation communication is not confidential if it relates to child or elder abuse and is made to a person who is required to report abuse, or threats of physical harm, or professional conduct affecting licensure.
 - (5) The mediation agreement is enforceable in any state court of competent jurisdiction or in a district court of the United States.

14. Dispute Resolution - Complaint Investigation

- a. Any organization or person may file a signed, written complaint with the State Superintendent of Public Instruction alleging that a district or education service district (ESD) is violating or has violated the Individuals with Disabilities Education Act (IDEA) or associated regulations within one year before the date of the complaint. Upon receiving a parent complaint, the ODE forwards the complaint to the district or ESD along with a request for a district response to the allegations in the complaint.
- b. Upon receiving a request for response from ODE, the district responds to the allegations and

- furnishes any requested information or documents within 10 business days.
- c. The district sends a copy of the response to the complainant. If ODE decides to conduct an on-site investigation, district personnel participate in interviews and provide additional documents as needed.
- d. The district and the complainant may attempt to resolve a disagreement that led to a complaint through mediation. If they decide against mediation, or if mediation fails to produce an agreement, ODE will pursue the complaint investigation.
- e. If ODE substantiates some or all of the allegations in a complaint, it will order corrective action. The district satisfies its corrective action obligations in a timely manner.
- f. If the district disagrees with the findings and conclusions in a complaint final order, it may seek reconsideration by ODE or judicial review in county circuit court.

15. Due Process Hearing Requests

- a. The district acknowledges that parents may request a due process hearing if they disagree with a district proposal or refusal relating to the identification, evaluation, educational placement or provision of a FAPE to a student who may have a disability and be eligible for special education.
- b. The district may request a due process hearing regarding the identification, evaluation, educational placement or provision of a FAPE to a student who may have a disability and be eligible for special education.
- c. When requesting a due process hearing, the district or the attorney representing the district provides notice to the parent and to ODE.
- d. The party, including the district, that did not file the hearing request must, within 10 days of receiving the request for a hearing, send to the other party a response that specifically addresses the issues raised in the hearing request.
- e. If the parent had not yet received prior written notice of the district's proposal or refusal, the district, within 10 days of receiving the hearing request for a due process hearing, sends to the parent a response that includes:
 - (1) An explanation of why the district proposed or refused to take the action raised in the hearing request;
 - (2) A description of other options that the district considered and the reasons why those options were rejected;
 - (3) A description of each evaluation procedure, assessment, record or report the district used as the basis for the proposed or refused action; and
 - (4) A description of the factors relevant to the district's proposal or refusal.

16. Resolution Session

- a. Within 15 days of receiving a due process hearing request, the district will hold a resolution session with the parents and the relevant members of the IEP team who have specific knowledge of the facts identified in the due process hearing request.
- b. This meeting will include a representative of the district who has decision-making authority for the district.
 - (1) The district will not include an attorney unless the parent brings an attorney.
 - (2) The district will provide the parent with an opportunity for the parent to discuss the

hearing request and related facts so that the district has an opportunity to resolve the dispute.

- (3) The district and parent may agree in writing to waive the resolution meeting. If so, the 45 day hearing timeline will begin the next business day, unless the district and parent agree to try mediation in lieu of the resolution session.

17. Time Limitations and Exception

- a. A parent must request a due process hearing within two years after the date of the district act or omission that gives rise to the parent's hearing request.
- b. This timeline does not apply to a parent if the district withheld relevant information from the parent or incorrectly informed the parent that it had resolved the problem that led the parent's hearing request.

18. Hearing Costs

- a. The district reimburses the ODE for costs related to conducting the hearing, including pre-hearing conferences, scheduling arrangement and other related matters.
- b. The district provides the parent with a written or, at the option of the parent, an electronic verbatim recording of the hearing, within a reasonable time of the close of the hearing
- c. The district does not use IDEA funds to pay attorney's fees or other hearing costs.
