## POLICY 1222

### Naming of Facilities

- A. The Board of Education reserves the right and accepts the responsibility to name all new buildings and to rename existing buildings as they deem necessary. The name for any new facility or the renaming of any existing facility must be approved by the Board of Education by a majority vote.
- B. Gifts valued at \$1,000,000 or more and constitute 20% or more of the total value of a new school may be recognized by naming the school for the donor or the donor's designee under the following conditions:
1. The donor is the largest single contributor to the project.
  2. The Board has not already committed to name the school for a previously qualifying donor.
  3. The person for whom the school is named is a well-respected individual whose name will lend dignity and status to the school or facility.
  4. The name will not cause confusion because the name is similar to another previously named school in the District.
- C. Gifts valued at \$250,000 or more and constitute more than 20% of the project which facilitate capital improvements at an existing school or District-owned building or the partial construction of a new section of a new building including auditoriums, field houses, stadiums, media centers, computer labs, science centers, etc., may be recognized naming the improvement for the donor or the donor's designee under the following conditions:
1. The donor is the largest single contributor to the project.
  2. The Board has not already committed to name the school for a previously qualifying donor.
  3. The person for whom the school is named is a well-respected individual whose name will lend dignity and status to the school or facility.
  4. The name will not cause confusion because the name is similar to another previously named school in the District.

- D. Gifts valued at \$25,000 - \$250,000 toward capital improvements may be recognized with plaques or other appropriate memorials at the location where the gift is used.
1. The gift must make a significant difference to the educational system.
  2. The gift must help achieve a goal established by the school or other educational entity.
