To the East Butler Board of Education,

It is with deep appreciation for the opportunities and support I have been afforded in my service to East Butler Public Schools that I submit my resignation and request release from my contract as Superintendent effective June 30, 2020. I have been offered and accepted the position of Associate Superintendent of Crete Public Schools directing the initiatives of curriculum, instruction, and assessment. The accomplishments, assets, and potential of East Butler are both substantial and enviable. However, the position I have accepted at Crete offers challenges and opportunities which I believe fit remarkably well with my own skills and aspirations as well as my priorities for Elle and Ezra. Six years ago when I interviewed here at East Butler I believe I closed each panel by stating "East Butler was great long before this process. East Butler will continue to be great long after the next superintendent is gone. I would love to be part of what I know has been and will be great." For me, it has been a great time to be a Tiger. I am confident East Butler has everything in place to be Even Better after my time has concluded.

Respectfully,
