BE IT RESOLVED BY THE BOARD OF EDUCATION OF BUTLER COUNTY SCHOOL DISTRICT 0502 (EAST BUTLER PUBLIC SCHOOLS), AS FOLLOWS:

Section 1. Findings and Determinations. The Board of Education (the “**Board**”) of Butler County School District 0502 (East Butler Public Schools) (the “**District**”), hereby finds and determines that:

(a) On January 14, 2026, the Board adopted a resolution (the “**Prior Resolution**”) to authorize a set of transactions with the Nebraska Educational Building Association (“**NEBA**”) to secure access to additional building and facilities adjacent and connected to the District’s existing High School buildings and facilities in Brainard, which may include all or a portion of the following: a gymnasium, fitness center, band room, parking and site improvements east and west of the existing building, additional playground space (including an outdoor basketball court as well as a playground), and related improvements, equipment and facilities (collectively, the “**Project**”), which transactions include a Site Lease of Real Estate owned by the District to NEBA for the Project and a Lease of the Project from NEBA. Capitalized terms used in this resolution (this “**Resolution**”) which are not defined herein shall have the meanings provided in the Prior Resolution.

(b) District officials and representatives have engaged in negotiations regarding terms of the Lease Documents, the financing proposals under consideration by NEBA for the Project, and the impact of the terms of such financing proposals on the Lease Documents. Such proposals and related terms have been presented to the Board for consideration with this Resolution.

(c) Given the impact of the NEBA financing on the Lease Documents, it is necessary and appropriate for the District to approve a NEBA financing proposal; authorize entry into and execution of the Lease Documents based on the NEBA financing proposal which the Board determines is in the best interest of the District and in accordance with the terms of the Prior Resolution; and to take any and all actions necessary to consummate the transactions contemplated by this Resolution and the Prior Resolution.

Section 2. Authorization of Lease Document Terms. The Board hereby determines the NEBA financing proposal submitted by _____ and presented to the Board in connection with this Resolution, and the resulting terms of the Lease Documents for the Project based on such financing proposal, are in the best interest of the District and are hereby approved (the “**Approved Terms**”). The Board authorizes and directs the Authorized Officers to negotiate, specify, determine, designate, and establish as the case may be, the terms of the Site Lease and Lease for the Project based on the Approved Terms, including without limitation the amount of annual base rentals and any additional rentals payable by the District pursuant to the Lease.

Section 3. Further Authority. Without in any way limiting the power, authority or discretion granted or delegated in the Prior Resolution or in this Resolution, the Board hereby (a) authorizes and directs each Authorized Officer and all other officers, officials, employees and agents of the District to carry out or cause to be carried out, and to perform such obligations of the District and such other actions as they, or any of them, in consultation with counsel, as appropriate, shall consider necessary, advisable, desirable or appropriate in connection with this Resolution and the Prior Resolution, including, without limitation, the execution and delivery of all related documents, instruments, certifications and opinions, and (b) delegates, authorizes and directs to each individual Authorized Officer the right, power and authority to exercise his or her independent judgment and absolute discretion in (1) determining and finalizing the terms of the Project, and the terms and provisions of the Site Lease and Lease based on the Approved Terms not

specifically set forth in this Resolution, (2) the taking of all actions and the making of all arrangements necessary, proper, appropriate, advisable or desirable in order to effectuate the execution and delivery of the Site Lease and Lease, and (3) the engagement of external professionals, advisors and agents.
