Introduction

Governance Team Guidelines & Operating Procedures *(hereinafter referred to as 'the document')* defines the "partnership" between the superintendent and board members to a great extent. It clarifies expectations for one another, as well as responsibilities for practices and issues that are anticipated to occur on a frequent basis. It does not attempt to cover all potential scenarios as the document is meant to be a brief reference guide for each member of the team. Just like a partnership in the business world, each individual wants to know what he or she is responsible for accomplishing in order for the organization to be successful.

The ***Governance Team*** in Splendora ISD will operate more effectively and efficiently if the expectations for "how we will function as a team" are clearly defined. ***Governance Team Guidelines & Operating Procedures*** is based on practice, not theory. It is also a "living document" in that it should be reviewed annually and modifications should be made at the pleasure of the Governance Team and the needs of the district. A good time to review this document is after each school board election as it is an excellent tool for new board member orientation.

The update and development of ***Governance Team Guidelines & Operating Procedures*** assures a common understanding among members of the Governance Team and provides an excellent foundation for new Board member orientation as it provides district and Board member responsibilities. Additionally, the document will describe the mode of operation of the Governance Team to new, district level administrative staff. The document should be reviewed periodically to ensure it accurately reflects the expectations of the Governance Team and that its contents reflect actual practices of the team and individual members.

Board Organization, Duties, and Responsibilities

Organization

At the first meeting following school board elections, an agenda item will be placed to disband the present Board and select new officers. Nominations and voting must take place in open session.

The Board shall elect a President, Vice-President, Secretary, and an Assistant Secretary, who shall be members of the Board. Officers shall be elected by plurality vote of the members present and voting. Board officers shall serve for a term of one year or until a successor is elected. Officers may succeed themselves in office. A vacancy among officers of the Board shall be filled by a majority action of the Board.

Typically the selection of officers will follow the outline below:

- Motion made, seconded, and passed to disband the current board and appoint the Superintendent as temporary chairperson.
- The Superintendent then asks the Board for nominations for the office of Board President.
- After nominations have ceased, the Superintendent then calls for the vote, with the selection being made by majority vote of those members present.
- The Superintendent then turns the chair to the newly elected President. The President then conducts the election of the Vice-President using the same nominating and voting process. The same procedure is then used for the Secretary position and then the Assistant Secretary position.

Duties

President:

The legal duties and powers of the Board President are described in detail in policy BDAA Legal. He/she also has the right to discuss, make motions and resolutions, and vote on all matters coming before the Board. The Board President also appoints all Board committees, unless otherwise provided by policy or Board consensus.

Vice-President:

The Board Vice-President shall act in the capacity and perform the duties of the Board President in the event of the absence or incapacity of the president and will perform other duties as prescribed by the Board.

Secretary:

The Secretary of the Board shall keep or cause to be kept, an accurate record of the proceedings of each board meeting and will send, or cause to be sent, notices of board meetings. In the absence of the President and Vice-President of the Board, the Secretary shall call the meeting to order and conduct the election of a president pro tem. The Secretary will also perform other duties as directed by the Board.

Assistant Secretary:

The Assistant Secretary of the Board shall act in the capacity and perform the duties of the Secretary of the Board in the event of the Secretary's absence.

Responsibilities

In addition to the responsibilities of Board Officers listed above, Policy BAA Legal provides an overview of key Board responsibilities. Key responsibilities are briefly described as follows:

- Review and adopt the district's vision and mission statements (August)
- Conduct an annual evaluation of the superintendent (January)
- Conduct an annual board self-evaluation (May)
- Approve district goals (March)

been placed on the agenda. The Board of Trustees shall not deliberate, respond, or make decisions regarding any subject that is not included on the agenda that is posted.

Board Member Preparation for Meetings

A. The Superintendent will ensure that all information needed for informed decision-making is supplied to each Board member in agenda information delivered four days prior to the regular board meeting. The agenda and support materials will be provided electronically unless a request is made for a written copy. If a written copy is requested, Board members are asked to discuss delivery options at the time of the request.

B. Each Board member will prepare for the Board meeting by studying the agenda and support materials and asking clarifying questions of the Superintendent at least one day in advance of the meeting if possible. While it is likely that questions often result as part of the discussion of an agenda item, when a Board member knows that he/she will have a specific question it is appreciated if that question is asked prior to the meeting.

Board Member Questions Concerning the Agenda

A. Board members are encouraged to ask for information from the Superintendent at least one day prior to the Board meeting. This will allow time for appropriate research, if needed.

B. Any questions about agenda items or requests for additional information prior to the board meeting will be directed to the Superintendent. The Superintendent or his/her designee for that particular agenda item will respond to the Board member and an electronic copy of the question and response will be provided to all Board members.

C. The Superintendent will determine if the information requested is readily available or will require additional time to gather or research. If additional time is needed the Superintendent and the Board member will agree upon an appropriate time frame in which the information will be provided.

D. If a written summary or report is requested, the Superintendent will present a copy of it to each Board member.

E. Even when information about agenda items is provided in advance or Board members receive answers to specific questions prior to the Board meeting; they are not prohibited from discussing or asking additional questions during the Board meeting.

F. Board members seeking information during the Board meeting should ensure that the question pertains to agenda items.

D. If the information is available, the Superintendent will provide it to the requesting Board member.

E. If a written response is provided, a copy of the information will be provided to each Board member.

F. If the Superintendent determines that the request is unreasonable and will divert staff time or attention from Board priorities, the Superintendent or the requesting Board member may ask the Board President to place the request on a meeting agenda. The requesting Board member may then ask if a majority of the Board wishes to direct the Superintendent to generate a report to include the requested information.

Board Member Contact with Campuses

B. Board members will check in with the principal's office when he/she arrives at a campus during the school day, as per guidelines for all visitors to campuses.

D. Board members may not give direction to any staff or student except when immediate safety or liability is an issue.

E. While Board members have no authority when not at the board table, as individuals, it is sometimes difficult for staff members to see them as ordinary parents, therefore;

   a. When visiting with teachers of their own children, Board members should make it clear that they are acting as parents rather than as a member of the Board.
   b. Board members will not request or accept extraordinary consideration for themselves or their children.

F. Board members will not ask district employees for extraordinary consideration for anyone.

A. Listen briefly and respectfully; remain impartial

B. Ask if the complainant has followed the complaint procedure (following the "chain of command") outlined in district policy

C. Remind the complainant of the Board's responsibility to remain impartial regarding complaints that may ultimately be brought to the Board on appeal.

D. If the complainant does not know the district's complaint procedures or "chain of command," the Board member should provide the following information:

a. The complainant must first discuss the problem with the authority closest to the problem. In most cases this is the immediate supervisor if it is an employee or the principal if it is a campus issue.
b. If the complainant is not satisfied with the resolution, he/she may file a formal grievance according to procedures outlined in policy for students and parents, employees, or community members.
c. If the complainant is not satisfied with the resolution offered through the formal complaint process, the complainant may appeal to the next level of authority as outlined in policy.
d. When all levels of administrative appeal have been exhausted without satisfaction by the complainant, he/she may appeal the complaint to the Board of Trustees according to procedures outlined in policy. The Board President will place the complaint on the agenda for presentation to and discussion by the Board.
e. The Board may uphold the decision of the Superintendent or designee regarding the complaint, overturn it, offer an alternative solution, or the Board may take no action.
f. Complaints regarding an individual will be heard in closed session unless specific law or local policy provides otherwise.

E. Board members should inform the Superintendent of all relevant complaints from staff and community. If requested by the Board member forwarding the request, the Superintendent will notify the individual Board member as to the resolution of the complaint.

Communicating with the Media

A. The Superintendent and the Board President shall act as spokespersons for the Board of Trustees to the media on all school district related issues. Generally speaking, questions concerning district operations should be referred to the Superintendent and questions regarding board policy or actions taken by the Board should be referred to the Board President. This practice will promote a single "position statement" which can be clearly understood by the public as opposed to potentially having multiple statements on an issue.

B. A Board member who receives a call from the media requesting information, comments, or an interview regarding district related issues will direct them to the Superintendent and/or Board President, depending on the nature of the questions.

C. Board members retain the right to speak to the media as individuals but are strongly encouraged to direct all media inquiries to the Superintendent and/or Board President.

Evaluation of the Superintendent

Updating the Superintendent Evaluation Instrument

After district goals are identified and priorities of the Board are established for the next school year, the Governance Team should review the content of the Superintendent's evaluation instrument to ensure proper alignment. This will ensure that the Board and Superintendent have an understanding of the challenges and priorities that are going to be emphasized in the coming year and that appropriate evaluation indicators may be developed. The evaluation instrument shall be based on the Superintendent's job description, student performance, and Governance Team priorities. The document evaluating the performance of the Superintendent is confidential.

Objectives of the Superintendent Evaluation Process

Based on law and board policy the following objectives are associated with the superintendent evaluation process:

- Clarify to the Superintendent his or her role and priorities, as seen by the Board
- Clarify to Board members the Superintendent's role, according to the Board's written criteria, as expressed in the Superintendent's job description and the district's goals and priorities
- Foster an early understanding among new Board members of the evaluation process and the Superintendent's current performance objectives and priorities
- Develop and sustain a harmonious working relationship between the Board and the Superintendent
- Include indicators on the evaluation instrument that reflect high expectations and outstanding Governance for the day-to-day operations of the school district
- Ensure fairness and objectivity in the evaluation process

The superintendent evaluation process and evaluation instrument will be provided to Board members with agenda items for the meeting in which the evaluation is to be conducted.

Professional Development for Board Members

Board members and the Superintendent are encouraged to seek and attend relevant opportunities for professional development in addition to required training activities. Membership in state and national organizations and attendance at conventions, conferences, clinics, and workshops provide opportunities to learn about best practices and bring new ideas back to Splendora ISD.

Subscriptions to school board newsletter services, journals, and other written works are also efficient ways to learn examples of new or best practices.

Board members wishing to participate or attend professional development activities that are not planned for the entire Board should contact the Superintendent and Board President. If either should have a question as to the appropriateness of the request, the matter shall be brought to the Board as an agenda item for consideration.

Board Member Reimbursement for Expenses

Professional development for Board members is encouraged and reimbursement for travel and related expenses should be included in the district's budget each year. ****Definition of Weighted Average Maturity and Weighted Average Life**

WAM is the mean average of the periods of time remaining until the securities held in TexPool (a) are scheduled to be repaid, (b) would be repaid upon a demand by TexPool, or (c) are scheduled to have their interest rate readjusted to reflect current market rates. Securities with adjustable rates payable upon demand are treated as maturing on the earlier of the two dates set forth in (b) and (c) if their scheduled maturity is 397 days or less; and the later of the two dates set forth in (b) and (c) if their scheduled maturity is more than 397 days. The mean is weighted based on the percentage of the amortized cost of the portfolio invested in each period.

WAL is calculated in the same manner as WAM, but is based solely on the periods of time remaining until the securities held in TexPool (a) are scheduled to be repaid or (b) would be repaid upon a demand by TexPool, without reference to when interest rates of securities within TexPool are scheduled to be readjusted.

new issuance will go to servicing the debt and spending. Some estimates put that amount as high as $1 trillion. As the most liquid and sought-after securities in the world, these new Treasuries will find homes, but potentially in unpredictable ways.

While this development complicates trading and planning, it should be nothing money managers can't handle. However, some pundits have voiced concern that the feeding frenzy of government securities will drain liquidity from the markets. The story goes something like this: As a vast number of people, institutions, banks and others lend an unusually large amount to the U.S., their cash reserves will dwindle faster than typical. At the very least, this could widen the margin for error for managing their cash flows; at the worst, it could hamper their ability to deal with a crisis.

We don't think the situation is dire, but it just so happens there's a set of market participants with plenty of cash and happy to help. Flush with liquidity from massive inflows and prudent management, money funds and state pools should be able to absorb much of the massive issuance.

We hope the resolution of the debt ceiling impasse means the cloud obscuring the direction of monetary policy will dissipate soon. In our opinion, the Federal Reserve will not cut rates this year, though it is possible it will raise them. For now, we project that at its June meeting the Federal Open Market Committee will pause to assess the impact of its aggressive tightening cycle.

At the end of the month, yields on 1-, 3-, 6- and 12-month U.S. Treasuries were 5.16%, 5.41%, 5.45% and 5.18%, respectively; the

U.S. Treasury bond yields were mixed in March as yields less than one year were mostly higher and yields on longer bonds were mostly lower. After a volatile March, equity markets were more stable in April, closing the month with modest gains. First Republic Bank was seized by the Federal Deposit Insurance Corporation (FDIC) and sold to JPMorgan. This was after the failures in March of Silicon Valley Bank, Signature Bank and Silvergate Bank. Headline CPI fell by 1% to 5.0% year-over-year, which was a slightly larger decline than was expected. Initial estimates indicated that GDP expanded by just 1.1% in the first quarter, which was slower than estimates and slower than the 2.6% growth in the fourth quarter of 2022. The market is expecting the Federal Reserve to raise the target range to 5.00% to 5.25% at the May 3 Federal Open Market Committee meeting. The market will pay close attention to the statement and press conference for insight on any additional policy changes this year. At the end of April, the federal funds futures market was pricing in approximately a 25% chance of an additional hike and a rate cut by the end of 2023.

Splendora ISD

AC(LEGAL) GEOGRAPHIC BOUNDARIES

This legal policy has been revised to include additional Education Code provisions related to ways in which a district's geographic boundaries may change, such as by detachment, annexation, consolidation, and abolition.

AF(LEGAL) INNOVATION DISTRICTS

Amended Administrative Code rules, effective October 25, 2022, revised the list of Education Code sections and administrative rules from which a district of innovation may not be exempted. Changes include a requirement to provide TEA a link to the local innovation plan posted on the district's website. Previously, the rule required the district to provide TEA with a copy of the local innovation plan.

AIE(LEGAL) ACCOUNTABILITY: INVESTIGATIONS

Changes reflect revised Administrative Code provisions regarding compliance investigations by TEA, effective October 26, 2022. Other changes are to better reflect legal sources.

BBBA(LEGAL) ELECTIONS: CONDUCTING ELECTIONS

Provisions regarding confidentiality of the email address and personal phone number of an election judge or clerk have been moved from GBA(LEGAL) to this code addressing elections.

BQ(LEGAL) PLANNING AND DECISION-MAKING PROCESS

An existing requirement to include the district's bullying prevention policy and procedures in the district improvement plan has been added to this policy.

C(LEGAL) BUSINESS AND SUPPORT SERVICES

The C section table of contents has been revised to add the new code CKED, Security Personnel: Other Security Arrangements. We have also added for future expansion new codes addressing facility standards at CSA (Safety and Security) and CSB (Gas and Pipelines).

CBB(LEGAL) STATE AND FEDERAL REVENUE SOURCES: FEDERAL

Revisions are to better reflect legal sources.

CCA(LEGAL) LOCAL REVENUE SOURCES: BOND ISSUES

Citations have been updated to reflect the repeal and replacement of an Administrative Code provision regarding the bond guarantee program, effective March 1, 2023. References to Administrative Code provisions regarding the instructional facilities allotment and existing debt allotment have been clarified.

CCGA(LEGAL) AD VALOREM TAXES: EXEMPTIONS AND PAYMENTS

This policy has been revised to reflect the increased homestead exemption of $40,000 approved by voters on May 7, 2022.

CCGB(LEGAL) AD VALOREM TAXES: ECONOMIC DEVELOPMENT

We have added a note regarding the expiration of the Texas Economic Development Act on December 31, 2022, and the continued application of the law to limitations on appraised value in existence at that time.

Splendora ISD

CFB(LOCAL) ACCOUNTING: INVENTORIES

Revisions regarding the capitalization threshold are based on amended guidance from *GASB Implementation Guide 2021-1*, Question 5.1, regarding the capitalization of assets with individual acquisition costs below the threshold if the assets in the aggregate are significant. The amended guidance applies to reporting periods beginning after June 15, 2023.

CH(LEGAL) PURCHASING AND ACQUISITION

We have replaced the citation to a repealed Administrative Code rule regarding purchases of automated information systems with a citation to a new rule effective December 19, 2022.

If revisions are needed regarding other security personnel or if the district's police department has a body-worn camera program or considers one in the future, please contact your policy consultant.

CL(LEGAL) BUILDINGS, GROUNDS, AND EQUIPMENT MANAGEMENT

We have replaced the citation to repealed Administrative Code provisions regarding public pool sanitation and safety with a citation to new provisions effective January 1, 2023.

CLB(LOCAL) BUILDINGS, GROUNDS, AND EQUIPMENT MANAGEMENT: MAINTENANCE

Administrative Code rules regarding integrated pest management (IPM) were amended to include district-owned residential property among the district facilities subject to the IPM requirements. Although the changes to the rules add "residential property" to the buildings and grounds subject to IPM requirements, it is our understanding from the Texas Department of Agriculture that this inclusion is intended to apply only to district-owned residential property that is primarily used as student housing. As requested by TDA, revisions include such residential property among the district facilities subject to the district's IPM program.

Policy Service will include legal provisions in this new policy code and provide local policy provisions for consideration following publication of the final rules.

CVA(LOCAL) FACILITIES CONSTRUCTION: COMPETITIVE BIDDING

Policy BJA(LOCAL) authorizes the superintendent to delegate responsibilities to other employees of the district as permitted by law; thus, it is not necessary to include a reference to the superintendent's designee at Specifications. In addition, the policy template has been updated to accommodate the new adoption date function in Policy Online®. This policy is being issued at no charge to the district.

(LEGAL) vs. (LOCAL): Remember the Difference

Legal policies:

- Reflect the ever-changing legal context for governance and management of the district
- Inform local decision making
- Are NOT adopted, but only reviewed

Local policies:

- Require close attention by the administration and the board
- Reflect the practices of the district and the intentions of the board
- Are changed only by board action (adopt, revise, or repeal)

Keep Your Administrative Regulations Current

Regulations Resource Manual[6] Update 67, which includes revisions to model regulations and forms corresponding with Update 121, is now available in the Policy Service Resource Library (*TASB login required*).

An amendment to an approved plan does not change the date of the term of designation as an innovation district. Exemptions that were already formally approved are not required to be reviewed. A district must notify TEA within five business days of rescission and provide a date at which time it will be in compliance with all sections of the Education Code, but no later than the start of the following school year. The Texas Education Agency (TEA) may enter into an agreement with a federal agency concerning a project related to education, including provision of school lunches and construction of school buildings. TEA, or another state agency designated by the governor, shall coordinate the actions of a district participating in a federal financial assistance program. *Education Code 7.021(b), (c); Gov't Code 742.003*

Retirement and Insurance Contributions

Under the Texas Public School Retired Employees Group Benefits Act, Insurance Code Chapter 1575, a district that applies for money provided by the United States or a privately sponsored source shall, if any of the money will pay part or all of an active employee's salary, also apply for any legally available money to pay state contributions required by Insurance Code Chapter 1575, Subchapter E. *Insurance Code 1575.252*

Such district must comply with the requirements of Insurance Code Chapter 1575, Subchapter F. *Insurance Code 1575.252(2)–.257*

Under the Teacher Retirement System, Government Code, Title 8, Subtitle C, if a district applies for money provided by the United States, an agency of the United States, or a privately sponsored source, and if any of the money will pay part or all of an employee's salary, the district shall apply for any legally available money to pay state contributions required by Government Code 825.404 or 830.201. *Gov't Code 825.406(a)*

Such district must comply with the requirements of Government Code 825.406.

Block Grant Funds

If a district receives more than $5,000 in block grant funds to be used as the district determines is appropriate, it shall provide evidence to TEA that a public meeting or hearing was held in a timely manner solely to seek public comment on the needs or uses of block grant funds received by the district. The board may hold this meeting or hearing in conjunction with another board meeting or hearing if the meeting or hearing to consider block grant funds is clearly noted in an announcement of the other meeting or hearing. *Gov't Code 2105.058*

Education Department General Administrative Regulations (EDGAR)

Note: For information regarding procurement under state law, see the CH policy series regarding Purchasing and Acquisition and the CV series regarding Facilities Construction.

For additional legal requirements applicable to school nutrition procurement, see COA.

EDGAR means the Education Department General Administrative Regulations (34 C.F.R. 75, 76, 77, 79, 81, 82, 84, 86, 97, 98, and 99). *34 C.F.R. 77.1(c)*

Uniform Guidance (2 C.F.R. 200)

The Department of Education (ED) adopts the Office of Management and Budget (OMB) Guidance in 2 C.F.R. Part 200 Uniform Guidance, except for 2 C.F.R. 200.102(a) and 2 C.F.R. 200.207(a). Thus, 2 C.F.R. Chapter XXXIV, Part 3474 gives regulatory effect to the OMB guidance and supplements the guidance as needed for the ED. *2 C.F.R. 3474.1*

The Uniform Guidance establishes uniform administrative requirements, cost principles, and audit requirements for federal awards to non-federal entities, including school districts, as described in 2 C.F.R. 200.101 (Applicability). *2 C.F.R.200.100(a)(1)*

Note: For more information on EDGAR, the Uniform Guidance, and the federal regulations that apply to federal education grant awards, visit TEA's EDGAR Materials and Resources[1] and the ED's EDGAR website[2] and Uniform Guidance website.[3]

General Compliance

A district is responsible for complying with all requirements of the federal award. *2 C.F.R. 200.300(b)*

Throughout 2 C.F.R. Part 200 when the word "must" is used it indicates a requirement. Whereas, use of the word "should" or "may" indicates a best practice or recommended approach rather than a requirement and permits discretion. *2 C.F.R. 200.101(b)(1)*

Disclosures

Conflicts

A district must disclose in writing any potential conflict of interest to the federal awarding agency (e.g., ED) or pass-through entity (e.g., TEA) in accordance with applicable federal awarding agency policy. *2 C.F.R. 200.112*

Crimes

A district must disclose, in a timely manner, in writing to the federal awarding agency or pass-through entity all violations of federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the federal award. Failure to make required disclosures can result in any of the remedies described in 2 C.F.R. 200.339 (Remedies for Noncompliance). *2 C.F.R. 200.113*

Procurement Standards

District Procedures

The district must have and use documented procurement procedures, consistent with state, local, and tribal laws and regulations and the standards of 2 C.F.R. 200.318, for the acquisition of property or services required under a federal award or subaward. The district's documented procurement procedures [see Competition,

below] must conform to the procurement standards identified in 2 C.F.R. 200.317 through 200.327.

Oversight — The district must maintain oversight to ensure that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders.

Conflicts of Interest — The district must maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award, and administration of contracts. No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a federal award if he or she has a real or apparent conflict of interest. A conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization that employs or is about to employ any of these parties, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. The officers, employees, and agents of the district may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, districts may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the district. [See BBFA, CAA(LOCAL), CB(LOCAL), DBD]

Records — The district must maintain records sufficient to detail the history of procurement. These records will include, but are not necessarily limited to, the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price. [See Pre-procurement Review and Contract Cost and Price, below]

2 C.F.R. 200.318(a), (b), (c)(1), (i)

[See 2 C.F.R. 200.334 for record retention requirements.]

Financial Management — The district's financial management systems, including records documenting compliance with federal statutes, regulations, and the terms and conditions of the federal award, must be sufficient to permit the preparation of reports required by general and program-specific terms and conditions; and the tracing of funds to a level of expenditures adequate to establish that such funds have been used according to the federal statutes, regulations, and the terms and conditions of the federal award. [See also 2 C.F.R. 200.450 (Lobbying)]

The district's financial management system must comply with 2 C.F.R. 200.302(b). [See also 2 C.F.R. 200.334 (Retention requirements for records), .335 (Requests for transfer of records), .336 (Methods for collection, transmission and storage of information), and .337 (Access to records)]

2 C.F.R. 200.302

Internal Controls

The district must:

1. Establish and maintain effective internal control over the federal award that provides reasonable assurance that the district is managing the award in compliance with federal statutes, regulations, and the terms and conditions of the award. These internal controls should be in compliance with guidance in "Standards for Internal Control in the Federal Government" issued by the Comptroller General of the United States or the "Internal Control Integrated Framework" issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).
2. Comply with the U.S. Constitution, federal statutes, regulations, and the terms and conditions of the award.
3. Evaluate and monitor the district's compliance with statutes, regulations and the terms and conditions of federal awards.
4. Take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings.
5. Take reasonable measures to safeguard protected personally identifiable information and other information the federal awarding agency or pass-through entity designates as sensitive or the district considers sensitive consistent with applicable federal, state, local, and tribal laws regarding privacy and responsibility over confidentiality.

2 C.F.R. 200.303

"Internal controls" for districts means processes designed and implemented by districts to provide reasonable assurance regarding the achievement of objectives in the following categories:

1. Effectiveness and efficiency of operations;
2. Reliability of reporting for internal and external use; and
3. Compliance with applicable laws and regulations.

2 C.F.R. 200.1

Competition

All procurement transactions for the acquisition of property or services required under a federal award must be conducted in a manner providing full and open competition consistent with the standards of 2 C.F.R. 200.319 and 200.320 (Methods of procurement to be followed).

In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, or invitations for bids or requests for proposals must be excluded from competing for such procurements.

The district must conduct procurements in a manner that prohibits the use of statutorily or administratively imposed state, local, or tribal geographical preferences in the evaluation of bids or proposals, except in those cases where applicable federal statutes expressly mandate or encourage geographic preference. Nothing in this provision preempts state licensing laws. When contracting for architectural and engineering services, geographic location may be a selection criterion provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

The district must have written procedures for procurement transactions. These procedures must ensure that all solicitations meet the requirements of 2 C.F.R. 200.319(d). [See Procurement Standards, above]

The district must ensure that all prequalified lists of persons, firms, or products which are used in acquiring goods and services are current and include enough qualified sources to ensure maximum open and free competition. Also, the district must not preclude potential bidders from qualifying during the solicitation period.

Noncompetitive procurements can only be awarded in accordance with 2 C.F.R. 200.320(c).

2 C.F.R. 200.319

Procurement Methods

The district must have and use documented procurement procedures, consistent with the standards of 2 C.F.R. 200.320 and 200.317 (Procurements by states), 200.318 (General procurement standards), and 200.319 (Competition) for any of the following methods of procurement used for the acquisition of property or services required under a federal award or sub-award. *2 C.F. R. 200.320*

Informal Procurement Methods

When the value of the procurement for property or services under a federal award does not exceed the simplified acquisition threshold, as defined in 2 C.F.R. 200.1, or a lower threshold established

by a district, formal procurement methods are not required. The district may use informal procurement methods to expedite the completion of its transactions and minimize the associated administrative burden and cost. The informal methods used for procurement of property or services at or below the simplified acquisition threshold include:

Micro-Purchases—Definitions

"Micro-purchase" means a purchase of supplies or services, the aggregate amount of which does not exceed the micro-purchase threshold. Micro-purchases comprise a subset of a district's small purchases as defined in 2 C.F.R. 200.320.

"Micro-purchase threshold" means the dollar amount at or below which a district may purchase property or services using micro-purchase procedures. Generally, the micro-purchase threshold for procurement activities administered under federal awards is not to exceed the amount set by the Federal Acquisition Regulations (FAR) at 48 C.F.R. Part 2, Subpart 2.1 [see below], unless a higher threshold is requested by the district and approved by the cognizant agency for indirect costs.

2 C.F.R. 200.1

Micro-purchase threshold means $10,000, except as provided by 48 C.F.R. 2.101. *48 C.F.R. 2.101*

Micro-Purchase Distribution

The acquisition of supplies or services, the aggregate dollar amount of which does not exceed the micro-purchase threshold. [See the definition of "micro-purchase" above.] To the maximum extent practicable, the district should distribute micro-purchases equitably among qualified suppliers. *2 C.F.R. 200.320(a)(1)(i)*

Micro-Purchase Awards

Micro-purchases may be awarded without soliciting competitive price or rate quotations if the district considers the price to be reasonable based on research, experience, purchase history or other information and documents it files accordingly. Purchase cards can be used for micro-purchases if procedures are documented and approved by the district. *2 C.F.R. 200.320(a)(1)(ii)*

Micro-Purchase Thresholds

The district is responsible for determining and documenting an appropriate micro-purchase threshold based on internal controls, an evaluation of risk, and its documented procurement procedures. The micro-purchase threshold used by the district must be authorized or not prohibited under state, local, or tribal laws or regulations. Districts may establish a threshold higher than the federal threshold established in the FAR in accordance with 2 C.F.R. 200.320(a)(1)(iv) and (v). *2 C.F.R. 200.320(a)(1)(iii)*

Districts may establish a threshold higher than the micro-purchase threshold identified in the FAR in accordance with the requirements

of 2 C.F.R. 200.320. The district may self-certify a threshold up to $50,000 on an annual basis and must maintain documentation to be made available to the federal awarding agency and auditors in accordance with 2 C.F.R. 200.334. The self-certification must include a justification, clear identification of the threshold, and supporting documentation of any of the following:

1. A qualification as a low-risk auditee, in accordance with the criteria in 2 C.F.R. 200.520 for the most recent audit.
2. An annual internal institutional risk assessment to identify, mitigate, and manage financial risks; or,
3. For public institutions, a higher threshold consistent with state law.

2 C.F.R. 200.320(a)(1)(iv)

Micro-purchase thresholds higher than $50,000 must be approved by the cognizant agency for indirect costs. The district must submit a request with the requirements included in 2 C.F.R. 200.320(a)(1)(iv). The increased threshold is valid until there is a change in status in which the justification was approved. *2 C.F.R. 200.320(a)(1)(v)*

Small Purchases—Procedures

The acquisition of property or services, the aggregate dollar amount of which is higher than the micro-purchase threshold but does not exceed the simplified acquisition threshold. If small purchase procedures are used, price or rate quotations must be obtained from an adequate number of qualified sources as determined appropriate by the district. *2 C.F.R. 200.320(a)(2)(i)*

Small Purchases—Simplified Acquisition Thresholds

“Simplified acquisition threshold” means the dollar amount below which a district may purchase property or services using small purchase methods. Districts adopt small purchase procedures in order to expedite the purchase of items at or below the simplified acquisition threshold. The simplified acquisition threshold for procurement activities administered under federal awards is set by the FAR at 48 C.F.R. Part 2, Subpart 2.1 [see below]. The district is responsible for determining an appropriate simplified acquisition threshold based on internal controls, an evaluation of risk, and its documented procurement procedures. However, in no circumstances can this threshold exceed the dollar value established in the FAR (48 C.F.R. Part 2, Subpart 2.1) for the simplified acquisition threshold. Recipients should determine if local government laws on purchasing apply. *2 C.F.R. 200.1, .320(a)(2)(ii)*

Simplified acquisition threshold means $250,000, except as provided by 48 C.F.R. 2.101. *48 C.F.R. 2.101*

Formal Procurement Methods

When the value of the procurement for property or services under a federal financial assistance award exceeds the simplified acquisition threshold, or a lower threshold established by a district, formal procurement methods are required. Formal procurement methods require following documented procedures. Formal procurement methods also require public advertising unless a non-competitive procurement can be used in accordance with 2 C.F.R. 200.319 or 200.320(c). The following formal methods of procurement are used for procurement of property or services above the simplified acquisition threshold or a value below the simplified acquisition threshold the district determines to be appropriate:

Sealed Bids

A procurement method in which bids are publicly solicited and a firm fixed-price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is the lowest in price. The sealed bids method is the preferred method for procuring construction, if the conditions [*sic*].

In order for sealed bidding to be feasible, the following conditions should be present:

1. A complete, adequate, and realistic specification or purchase description is available;
2. Two or more responsible bidders are willing and able to compete effectively for the business; and
3. The procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price.

If sealed bids are used, the following requirements apply:

1. Bids must be solicited from an adequate number of qualified sources, providing them sufficient response time prior to the date set for opening the bids, for local governments, the invitation for bids must be publicly advertised;
2. The invitation for bids, which will include any specifications and pertinent attachments, must define the items or services in order for the bidder to properly respond;
3. All bids will be opened at the time and place prescribed in the invitation for bids, and for local governments, the bids must be opened publicly;
4. A firm fixed price contract award will be made in writing to the lowest responsive and responsible bidder. Where specified in bidding documents, factors such as discounts, transportation

cost, and life cycle costs must be considered in determining which bid is lowest. Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of; and

5. Any or all bids may be rejected if there is a sound documented reason.

2 C.F.R. 200.320(b)(1)

Proposals A procurement method in which either a fixed price or cost-reimbursement type contract is awarded. Proposals are generally used when conditions are not appropriate for the use of sealed bids. They are awarded in accordance with the following requirements:

1. Requests for proposals must be publicized and identify all evaluation factors and their relative importance. Proposals must be solicited from an adequate number of qualified offerors. Any response to publicized requests for proposals must be considered to the maximum extent practical;

2. The district must have a written method for conducting technical evaluations of the proposals received and making selections;

3. Contracts must be awarded to the responsible offeror whose proposal is most advantageous to the district, with price and other factors considered; and

4. The district may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby offeror's qualifications are evaluated and the most qualified offeror is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used in procurement of A/E professional services. It cannot be used to purchase other types of services though A/E firms are a potential source to perform the proposed effort.

2 C.F.R. 200.320(b)(2)

Noncompetitive Procurement There are specific circumstances in which noncompetitive procurement can be used. Noncompetitive procurement can only be awarded if one or more of the following circumstances apply:

1. The acquisition of property or services, the aggregate dollar amount of which does not exceed the micro-purchase threshold;

2. The item is available only from a single source;

3. The public exigency or emergency for the requirement will not permit a delay resulting from publicizing a competitive solicitation;

4. The federal awarding agency or pass-through entity expressly authorizes a noncompetitive procurement in response to a written request from the district; or

5. After solicitation of a number of sources, competition is determined inadequate.

2 C.F.R. 200.320(c)

Cooperative Purchasing

To foster greater economy and efficiency, and in accordance with efforts to promote cost-effective use of shared services across the federal government, the district is encouraged to enter into state and local intergovernmental agreements or inter-entity agreements where appropriate for procurement or use of common or shared goods and services. Competition requirements will be met with documented procurement actions using strategic sourcing, shared services, and other similar procurement arrangements. *2 C.F.R. 200.318(e)*

Minority, Small, and Women's Businesses

The district must take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible. Affirmative steps must include:

1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

2. Assuring that small and minority businesses and women's business enterprises are solicited whenever they are potential sources;

3. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;

4. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;

5. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and

6. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in items 1 through 5 above.

2 C.F.R. 200.321

Domestic Preference

As appropriate and to the extent consistent with law, the district should, to the greatest extent practicable under a federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of 2 C.F.R. 200.322 must be included in all subawards including all contracts and purchase orders for work or products under this award.

For purposes of this provision:

1. "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.

2. "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

2 C.F.R. 200.322

Pre-procurement Review

The district must make available upon request, for the federal awarding agency or pass-through entity pre-procurement review, procurement documents, such as requests for proposals or invitations for bids, or independent cost estimates, when:

1. The district's procurement procedures or operation fails to comply with the procurement standards in 2 C.F.R. Part 200;

2. The procurement is expected to exceed the simplified acquisition threshold and is to be awarded without competition or only one bid or offer is received in response to a solicitation;

3. The procurement, which is expected to exceed the simplified acquisition threshold, specifies a "brand name" product;

4. The proposed contract is more than the simplified acquisition threshold and is to be awarded to other than the apparent low bidder under a sealed bid procurement; or

5. A proposed contract modification changes the scope of a contract or increases the contract amount by more than the simplified acquisition threshold.

2 C.F.R. 200.325(b)

Contract Cost and Price

The district must perform a cost or price analysis in connection with every procurement action in excess of the simplified acquisition threshold including contract modifications. The method and degree of analysis is dependent on the facts surrounding the particular procurement situation, but as a starting point, the district must make independent estimates before receiving bids or proposals.

The district must negotiate profit as a separate element of the price for each contract in which there is no price competition and in all cases where cost analysis is performed. To establish a fair and reasonable profit, consideration must be given to the complexity of the work to be performed, the risk borne by the contractor, the contractor's investment, the amount of subcontracting, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work.

Costs or prices based on estimated costs for contracts under the federal award are allowable only to the extent that costs incurred or cost estimates included in negotiated prices would be allowable for the district under 2 C.F.R. Part 200, Subpart E. The district may reference its own cost principles that comply with the federal cost principles.

The cost plus a percentage of cost and percentage of construction cost methods of contracting must not be used.

2 C.F.R. 200.324

Contract Provisions

The district's contracts must contain the applicable provisions described in appendix II to 2 C.F.R. Part 200. *2 C.F.R. 200.327*

Suspension and Debarment

Districts are subject to the non-procurement debarment and suspension regulations at 2 C.F.R. Part 180. These regulations restrict awards, subawards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in federal assistance programs or activities. *2 C.F.R. 200.214*

Remedies for Noncompliance

If a district fails to comply with the U.S. Constitution, federal statutes, regulations, or the terms and conditions of a federal award, the federal awarding agency or pass-through entity may impose additional conditions, as described in 2 C.F.R. 200.208 (Specific Conditions). If the federal awarding agency or pass-through entity determines that noncompliance cannot be remedied by im-

posing additional conditions, the federal awarding agency or pass-through entity may take one or more of the following actions, as appropriate in the circumstances:

1. Temporarily withhold cash payments pending correction of the deficiency by the district or more severe enforcement action by the federal awarding agency or pass-through entity.
2. Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.
3. Wholly or partly suspend or terminate the federal award.
4. Initiate suspension or debarment proceedings as authorized under 2 C.F.R. Part 180 and federal awarding agency regulations (or in the case of a pass-through entity, recommend such a proceeding be initiated by a federal awarding agency).
5. Withhold further federal awards for the project or program.
6. Take other remedies that may be legally available.

2 C.F.R. 200.339

Travel Costs

Travel costs are the expenses for transportation, lodging, subsistence, and related items incurred by employees who are in travel status on official business of the district. Such costs may be charged on an actual cost basis, on a per diem or mileage basis in lieu of actual costs incurred, or on a combination of the two, provided the method used is applied to an entire trip and not to selected days of the trip, and results in charges consistent with those normally allowed in like circumstances in the district's non-federally funded activities and in accordance with the district's written travel reimbursement policies.

In the absence of an acceptable, written district policy regarding travel costs, the rates and amounts established under 5 U.S.C. 5701-11 (Travel and Subsistence Expenses; Mileage Allowances), or by the administrator of general services, or by the president (or his or her designee) pursuant to any provisions of such subchapter must apply to travel under federal awards [48 C.F.R. 31.205–46(a)].

2 C.F.R. 200.475(a), (d)

Property Standards

Federally Owned Property

Title to federally owned property remains vested in the federal government. The district must submit annually an inventory listing of federally owned property in its custody to the federal awarding agency. Upon completion of the federal award or when the prop-

erty is no longer needed, the district must report the property to the federal awarding agency for further federal agency utilization.

Exempt property means property acquired under a federal award where the federal awarding agency has chosen to vest title to the property to the district without further responsibility to the federal government, based upon the explicit terms and conditions of the federal award. The federal awarding agency may exercise this option when statutory authority exists. Absent statutory authority and specific terms and conditions of the federal award, title to exempt property acquired under the federal award remains with the federal government.

2 C.F.R. 200.312(a), (c)

Property Trust Relationship

Real property, equipment, and intangible property that are acquired or improved with a federal award must be held in trust by the district as trustee for the beneficiaries of the project or program under which the property was acquired or improved. The federal awarding agency may require the district to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with a federal award and that use and disposition conditions apply to the property. *2 C.F.R. 200.316*

Real Property

Subject to the requirements and conditions set forth in 2 C.F.R. 200.311, title to real property acquired or improved under a federal award will vest upon acquisition in the district.

Except as otherwise provided by federal statutes or by the federal awarding agency, real property will be used for the originally authorized purpose as long as needed for that purpose, during which time the district must not dispose of or encumber its title or other interests.

When real property is no longer needed for the originally authorized purpose, the district must obtain disposition instructions from the federal awarding agency or pass-through entity. The instructions must provide for one of the following alternatives:

1. Retain title after compensating the federal awarding agency an amount determined under 2 C.F.R. 200.311(c)(1).

2. Sell the property and compensate the federal awarding agency an amount determined under 2 C.F.R. 200.311(c)(2).

3. Transfer title to the federal awarding agency or to a third party designated/approved by the federal awarding agency. The district is entitled to be paid an amount calculated by applying the district's percentage of participation in the purchase of the

real property (and cost of any improvements) to the current fair market value of the property.

2 C.F.R. 200.311

Equipment

Title and Use

Subject to the requirements and conditions set forth in 2 C.F.R. 200.313, title to equipment acquired under a federal award will vest upon acquisition in the district. Unless a statute specifically authorizes the federal agency to vest title in the district without further responsibility to the federal government, and the federal agency elects to do so, the title must be a conditional title. Title must vest in the district subject to the following conditions:

1. Use the equipment for the authorized purposes of the project during the period of performance, or until the property is no longer needed for the purposes of the project.
2. Not encumber the property without approval of the federal awarding agency or pass-through entity.
3. Use and dispose of the property in accordance with the provisions below.

Equipment must be used by the district in the program or project for which it was acquired in accordance with 2 C.F.R. 200.313(c).

Procedures for managing equipment (including replacement equipment), whether acquired in whole or in part under a federal award, until disposition takes place will, as a minimum, meet the requirements of 2 C.F.R. 200.313(d).

Disposition

If the district is authorized or required to sell the property, proper sales procedures must be established to ensure the highest possible return.

When original or replacement equipment acquired under a federal award is no longer needed for the original project or program or for other activities currently or previously supported by a federal awarding agency, except as otherwise provided in federal statutes, regulations, or federal awarding agency disposition instructions, the district must request disposition instructions from the federal awarding agency if required by the terms and conditions of the federal award. Disposition of the equipment will be made as prescribed in 2 C.F.R. 200.313(e), in accordance with federal awarding agency disposition instructions.

2 C.F.R. 200.313

Supplies

Title to supplies will vest in the district upon acquisition. If there is a residual inventory of unused supplies exceeding $5,000 in total aggregate value upon termination or completion of the project or pro-

	gram and the supplies are not needed for any other federal award, the district must retain the supplies for use on other activities or sell them, but must, in either case, compensate the federal government for its share. The amount of compensation must be computed in the same manner as for equipment under 2 C.F.R. 200.313(e)(2). *2 C.F.R. 200.314(a)*
Intangible Property	Title to intangible property acquired under a federal award vests upon acquisition in the district. The district must use that property for the originally authorized purpose, and must not encumber the property without approval of the federal awarding agency. When no longer needed for the originally authorized purpose, disposition of the intangible property must occur in accordance with the provisions in 2 C.F.R. 200.313(e). *2 C.F.R. 200.315(a)*
Foreign Telecommunications Equipment	Recipients and subrecipients are prohibited from obligating or expending loan or grant funds in violation of 2 C.F.R. 200.216(a).
Direct Grant Programs	The regulations in 34 C.F.R. Part 75 apply to each direct grant program of the ED. *34 C.F.R. 75.1*
State-Administered Programs	The regulations in 34 C.F.R. Part 76 apply to each state-administered program of the ED. *34 C.F.R. 76.1*
General Education Provision Act	The regulations in 34 C.F.R. Part 81 govern the enforcement of legal requirements under applicable programs administered by the ED and implement Part E of the General Education Provisions Act (GEPA). *34 C.F.R. 81.1*

Bonds and Bond Taxes

The board may issue bonds for:

1. The construction, acquisition, and equipment of school buildings in the district;
2. The acquisition of property or the refinancing of property under a contract entered under the Public Property Finance Act (Local Government Code, Chapter 271, Subchapter A), regardless of whether payment obligations under the contract are due in the current year or a future year;
3. The purchase of the necessary sites for school buildings;
4. The purchase of new school buses;
5. The retrofitting of school buses with emergency, safety, or security equipment; and
6. The purchase or retrofitting of vehicles to be used for emergency, safety, or security purposes.

The board may levy, pledge, assess, and collect annual ad valorem taxes sufficient to pay the principal of and interest on the bonds as or before the principal and interest become due, subject to the provisions at Bond Elections, below.

Education Code 45.001(a)

All bonds shall be issued in accordance with the Public Security Procedures Act. *Gov't Code, Ch. 1201*

Limitation

A district may not issue general obligation bonds to purchase, improve, or construct one or more improvements to real property, to purchase one or more items of personal property, or to do both, if the weighted average maturity of the issue of bonds exceeds 120 percent of the reasonably expected weighted average economic life of the improvements and personal property financed with the issue of bonds. *Gov't Code 1253.002*

Use of Proceeds for Utilities

The proceeds of bonds issued by school districts for the construction and equipment of school buildings in the district and the purchase of the necessary sites for school buildings may be used, among other things, to pay the cost of acquiring, laying, and installing pipes or lines to connect with the water, sewer, or gas lines of a municipality or private utility company, whether or not the water, sewer, or gas lines adjoin the school, so that the school district may provide its public school buildings the water, sewer, or gas services. *Education Code 45.101*

State Facilities Funding

Instructional Facilities Allotment

"Instructional facility" means real property, an improvement to real property, or a necessary fixture of an improvement to real property that is used predominantly for teaching the required curriculum. *Education Code 46.001*

Under the Instructional Facilities Allotment, Education Code Chapter 46, Subchapter A, for each year, except as provided by Education Code 46.005 (limitation on the guaranteed amount) and 46.006 (shortage or excess of appropriated funds), a district is guaranteed a specified amount per student in state and local funds for each cent of tax effort, up to the statutory maximum in Education Code 46.003(b), to pay the principal of and interest on eligible bonds issued to construct, acquire, renovate or improve an instructional facility. *Education Code 46.003(a)* [See 19 Administrative Code 61.1032 for commissioner's rules related to the instructional facilities allotment.]

Existing Debt Allotment

A district is guaranteed a specified amount per student in state and local funds for each cent of tax effort to pay the principal and interest on eligible bonds under Education Code Chapter 46, Subchapter B. Bonds are eligible to be paid with state and local funds under Subchapter B if the district made payments on the bonds during the final school year of the preceding state fiscal biennium or taxes levied to pay the principal and interest on the bonds were included in a district's audited debt service collections for that school year, and the district does not receive state assistance under the Instructional Facilities Allotment for payment of the principal and interest on the bonds. *Education Code 46.032(a), .033* [See 19 Administrative Code 61.1035 for commissioner's rules related to the existing debt allotment.]

Note: For information on the new instructional facility allotment, see CBA.

Investment of Bond Proceeds

For legal requirements regarding investment of bond proceeds, see CDA(LEGAL).

Unspent Bond Proceeds

A district may use unspent proceeds of issued general obligation bonds only:

1. For the specific purposes for which the bonds were authorized;
2. To retire the bonds; or
3. For a purpose other than the specific purposes for which the bonds were authorized if:
    a. The specific purposes are accomplished or abandoned; and

b. The board at a public meeting held only for the purpose of considering the use of the unspent bond proceeds approves in separate votes the use of the proceeds for:

(1) A purpose other than to retire the bonds; and

(2) The purpose specified at the time the vote is taken.

In addition to other requirements, notice of a public meeting held under this provision must include a statement that the board will consider the use of unspent bond proceeds for a purpose other than the specific purposes for which the bonds were authorized. A public meeting held under this provision must provide the public an opportunity to address the board on the question of using the unspent bond proceeds for a purpose other than the specific purposes for which the bonds were authorized.

Education Code 45.1105

Capital Appreciation Bonds

For purposes of the following policy provisions, a "capital appreciation bond" is a bond that accrues and compounds interest from its date of delivery, the interest on which by its terms is payable only upon maturity or prior redemption.

Limitation on Issuance

A school district may not issue capital appreciation bonds that are secured by ad valorem taxes unless:

1. The bonds have a scheduled maturity date that is not later than 20 years after the date of issuance;

2. The board has received a written estimate of the cost of the issuance, including:

   a. The amount of principal and interest to be paid until maturity;

   b. The amount of fees to be paid to outside vendors, including vendors who sell products to be financed by the bond issuance;

   c. The amount of fees to be paid to each financing team member; and

   d. The projected tax impact of the bonds and the assumptions on which the calculation of the projected tax impact is based;

3. The board has determined in writing whether any personal or financial relationship exists between the members of the board and any financial advisor, bond counsel, bond underwriter, or other professional associated with the bond issuance and submitted the determination to the Ethics Commission; and

4. The board posts prominently on the district's internet website and enters in the minutes of the board:

   a. The total amount of the proposed bonds;

   b. The length of maturity of the proposed bonds;

   c. The projects to be financed with bond proceeds;

   d. The intended use of bond proceeds not spent after completion of the projects identified;

   e. The total amount of the district's outstanding bonded indebtedness at the time of the election on the bonds, including the amount of principal and interest to be paid on existing bond indebtedness until maturity;

   f. The total amount of the district's outstanding bonded indebtedness, including the amount of principal and interest to be paid until maturity; and

   g. The information received at item 2 above and determined under item 3 above.

The board shall regularly update the debt information posted on the district's internet website under item 4.f above to ensure that the information is current and accurate.

Limitation on Use of Proceeds

Capital appreciation bond proceeds may not be used to purchase the following items, unless an item has an expected useful life that exceeds the bond's maturity date:

1. Items more regularly considered maintenance items, including replacement HVAC units, upgraded plumbing, or similar items; or

2. Transportation-related items, including buses.

Unspent Proceeds

Capital appreciation bond proceeds unspent after completion of the project identified as the proceeds' intended use may be used only for a use identified on the district's website as required above, unless another use is approved by the voters of the district at an election held for that purpose.

Total Amount of Capital Appreciation Bonds

The total amount of capital appreciation bonds may not exceed 25 percent of the district's total outstanding bonded indebtedness at the time of the issuance, including the amount of principal and interest to be paid on the outstanding bonds until maturity.

Extension

A district may not extend the maturity date of an issued capital appreciation bond, including through the issuance of refunding bonds that extend the maturity date, unless:

1. The extension of the maturity date will decrease the total amount of projected principal and interest to maturity; or

2. The maximum legally allowable tax rate for indebtedness has been adopted and TEA certifies in writing that the solvency of the permanent school fund's bond guarantee program would be threatened without the extension.

Gov't Code 1201.0245

The foregoing provisions of Government Code 1201.0245 do not apply to the issuance of refunding bonds under Government Code Chapter 1207 or capital appreciation bonds for the purpose of financing transportation projects. *Gov't Code 1201.0245(j)*

Bond Elections

Bonds may not be issued and taxes may not be levied unless authorized by a majority of the qualified voters of the district, voting at an election held for such purpose, at the expense of the district, in accordance with the Election Code, except as provided by Education Code 45.003. The election shall be called by resolution or order of the board. The resolution or order must state the date of the election, the proposition or propositions to be submitted and voted on, the polling place or places, and any other matters considered necessary or advisable by the board. *Education Code 45.003(a)*

Election Code 3.009(b)

1. Sufficient, without limits as to rate or amount, to pay the principal of and interest on said bonds; or

3. That taxes sufficient to pay the principal of and interest on the debt obligations will be imposed.

A proposition may include as a specific purpose one or more structures or improvements serving the substantially same purpose and may include related improvements and equipment necessary to accomplish the specific purpose.

Gov't Code 1251.052(a)–(a-1)

Exception

Notwithstanding the requirements at Ballot Contents, above, the question of whether to approve the issuance of bonds for the construction, acquisition, and equipment of school buildings in the dis-

trict, the purchase of new school buses, and the purchase of necessary sites for school buildings may be submitted to the voters in a single ballot proposition, except that bonds for each of the following purposes must be stated in a separate proposition:

1. The construction, acquisition, or equipment of:
    a. A stadium with seating capacity for more than 1,000 spectators;
    b. A natatorium;
    c. Another recreational facility other than a gymnasium, playground, or play area;
    d. A performing arts facility;
    e. Housing for teachers as determined by the district to be necessary to have a sufficient number of teachers for the district; and
2. An acquisition or update of technology equipment, other than equipment used for school security purposes or technology infrastructure integral to the construction of a facility.

The question of whether to approve the issuance of bonds for a building described by items 1a–e above must be printed on the ballot as a separate ballot proposition regardless of whether that building is proposed as part of the same complex or building that contains traditional classroom facilities. Each separate ballot proposition must state the principal amount of the bonds to be issued that constitutes the cost for construction of that portion of the building or complex attributable to the building described by items 1a–e above or to the traditional classroom facilities, as applicable.

Education Code 45.003(g)–(h)

the voter information document in the debt obligation election order.

50 Cent Test for New Debt

Before issuing bonds, a district must demonstrate to the attorney general that, with respect to the proposed issuance, the district has a projected ability to pay the principal of and interest on the proposed bonds and all previously issued bonds, other than bonds authorized to be issued at an election held on or before April 1, 1991, and issued before September 1, 1992, from a tax at a rate not to exceed $0.50 per $100 of valuation (the "50 Cent Test").

A district may demonstrate the ability to comply with the 50 Cent Test by using the most recent taxable value of property in the district, combined with state assistance to which the district is entitled under Education Code Chapter 46 or 48 that may be lawfully used for the payment of bonds.

Future Taxable Value

A district may demonstrate the ability to comply with the 50 Cent Test by using a projected future taxable value of property in the district anticipated for the earlier of the tax year five years after the current tax year or the tax year in which the final payment is due for the bonds submitted to the attorney general, combined with state assistance to which the district is entitled under Education Code Chapter 46 or 48 that may be lawfully used for the payment of bonds.

The district must submit to the attorney general a certification of the district's projected taxable value prepared by a registered, certified professional appraiser who has demonstrated professional experience in projecting taxable values or who can obtain any necessary assistance from an experienced person.

The certification of a district's projected taxable value must be signed by the superintendent. The attorney general must base a determination of whether a district has complied with the 50 Cent

Test on a taxable value that is equal to 90 percent of the value certified.

Federal Securities Law

Disclosure Obligations for Bond and Other Debt Offerings

Prior to publicly offering bonds, a school district must prepare and deliver to an underwriter an official statement containing the terms of the bond offering, a description of the district itself, financial and operating data of the district, and any other information that may be material to an investor interested in purchasing the district's bonds or otherwise required by Rule 15c2-12 of the Securities Exchange Commission (SEC) (SEC Rule 15c2-12(b)). *17 C.F.R. 240.15c2-12* [See Note, below]

Continuing Disclosure after Issuing Bonds

Except for exempt offerings, SEC Rule 15c2-12(b) requires underwriters to obtain a continuing disclosure agreement (CDA) from the district when the district issues bonds. A CDA obligates the district to prepare and file continuing disclosures of financial information and operating data annually after the bonds are issued. A CDA also requires filing notice regarding the occurrence of events listed under SEC Rule 15c2-12(b)(5)(i)(C) within 10 business days following the occurrence of any such event. *17 C.F.R. 240.15c2-12* [See Note, below]

Liability under Federal Securities Law

School districts, board members, and certain employees of the district are subject to liability under the antifraud provisions of the federal securities laws contained in Section 17(a) of the Securities Act

of 1933 (the "Securities Act"), Section 10(b) of the Securities Exchange Act of 1934 (the "Exchange Act") and Rule 10b-5 of the SEC. The antifraud provisions generally prohibit false or misleading statements made in connection with the offer or sale of a district's bonds (or the omission of material facts from such statements), including the official statement itself and any other statement reasonably expected to reach bond investors (disclosures). *SEC Exchange Act Release No. 33741 (Mar. 9, 1994)*

The antifraud provisions also apply to a district's continuing disclosure obligations under SEC Rule 15c2-12(b) after a district's bonds are issued. [See Continuing Disclosure after Issuing Bonds, above] *SEC Report on the Municipal Securities Market (July 31, 2012) (the "SEC 2012 Report") at pg. 29*

Note: In preparing an official statement, a district may reasonably rely on the advice of outside professionals who are also subject to the antifraud provisions, but a district is primarily liable for the content of its official statement and other disclosures. *SEC Exchange Act Release No. 36761 (Jan. 24, 1996)*

A district may engage qualified consultants, including qualified disclosure or securities counsel and a financial adviser, to assist with preparing an official statement and other primary disclosures relating to a bond offering. Creation of internal procedures may help to insulate a district against criticism or liability under federal securities laws.

Districts may also engage disclosure counsel and/or other professionals to assist with secondary disclosure, including advice and assistance ensuring that (1) reporting requirements imposed by a CDA are satisfied and (2) information disclosed in periodic and occasional reports is accurate and complete.

Internal procedures may provide for (1) appointment of, and disclosure training for, district officials and employees who will be part of the financing team, (2) a procedure of accountability for review of the disclosures, and (3) ensuring that any procedures established are in fact followed.

Exemptions

Homestead

Mandatory

An adult is entitled to exemption from taxation by a district of $40,000 of the appraised value of the adult's residence homestead, as defined by Tax Code 11.13(j), except that only $5,000 of the exemption applies to an entity operating under former Education Code Chapters 17, 18, 25, 26, 27, or 28, as those chapters existed on May 1, 1995, as permitted by Education Code 11.301. *Tax Code 11.13(b)*

Persons 65 or Older or Disabled

In addition to the mandatory exemption above, an adult who is disabled, as defined by Tax Code 11.13(m)(1), or 65 or older is entitled to an exemption of $10,000 of the appraised value of the individual's residence homestead. *Tax Code 11.13(c)*

Tax Limitation

A district may not increase the total annual amount of ad valorem tax it imposes on the residence homestead of an individual 65 years of age or older, or on the residence homestead of an individual who is disabled, above the amount of the tax it imposed in the first tax year in which the individual qualified that residence homestead for an applicable exemption. *Tax Code 11.26(a)*

Improvements

If an individual subject to a tax limitation makes improvements to the individual's residence homestead, other than improvements required to comply with governmental requirements or repairs, the district may increase the tax on the homestead in the first year the value of the homestead is increased on the appraisal roll because of the enhancement of value by the improvements. A limitation then applies to the increased amount of tax until more improvements, if any, are made. *Tax Code 11.26(b)*

Exception

An improvement to property that would otherwise constitute an improvement discussed above is not treated as an improvement if it is a replacement structure for a structure that was rendered uninhabitable or unusable by a casualty or by wind or water damage. For purposes of appraising the property in the tax year in which the structure would have constituted an improvement, the replacement structure is considered to be an improvement only if the square footage of the replacement structure exceeds that of the replaced structure as that structure existed before the casualty or damage occurred or the exterior of the replacement structure is of higher quality construction and composition than that of the replaced structure. *Tax Code 11.26(o)*

Portability of Tax Limitation

If an individual who receives a tax limitation, including a surviving spouse, discussed below, subsequently qualifies a different residence homestead for the same exemption, a district may not impose ad valorem taxes on the subsequently qualified homestead in a year in an amount that exceeds the amount of taxes calculated in accordance with Tax Code 11.26(g). *Tax Code 11.26(g)*

Surviving Spouse

If an individual who qualifies for the exemption at Persons 65 or Older or Disabled, above, dies, the surviving spouse of the individual is entitled to the limitation applicable to the residence homestead of the individual if the surviving spouse is 55 years of age or older when the individual dies, and the residence homestead of the individual is the residence homestead of the surviving spouse on the date that the individual dies and remains the residence homestead of the surviving spouse. *Tax Code 11.26(i)*

Local Options

All Taxpayers

In addition to other exemptions in Tax Code 11.13, an individual is entitled to an exemption from taxation by a district of a percentage of the appraised value of the individual's residence homestead if the exemption is adopted by the board before July 1 in the manner provided by law for official action by the board. If the percentage set by the district produces an exemption in a tax year of less than $5,000 when applied to a particular residence homestead, the individual is entitled to an exemption of $5,000 of the appraised value. The percentage adopted by the district may not exceed 20 percent. *Tax Code 11.13(n)*

Disabled or 65 or Older

An individual who is disabled or 65 or older is entitled to an exemption from taxation by a district of a portion of the appraised value of the individual's residence homestead if the exemption is adopted either by the board or by a favorable vote of a majority of the qualified voters of the district at an election called by the board, and the board shall call the election on the petition of at least 20 percent of the number of qualified voters who voted in the preceding election of the district.

Amount

The amount of an exemption adopted as provided at Disabled or 65 or Older is $3,000 of the appraised value of the residence homestead unless a larger amount is specified by the board if the board authorizes the exemption or the petition for the election if the exemption is authorized through an election. Once authorized, an exemption adopted may be repealed or decreased or increased in amount by the board or by the petition and election procedure. In the case of a decrease, the amount of the exemption may not be reduced to less than $3,000 of the market value.

Tax Code 11.13(d)–(f)

Continuation of Exemption during Construction

If a qualified residential structure for which the owner receives a homestead exemption under Tax Code 11.13 is rendered uninhabitable or unusable by a casualty or by wind or water damage, the owner may continue to receive the exemption for the structure and the land and improvements used in the residential occupancy of the structure while the owner constructs a replacement qualified residential structure on the land in accordance with Tax Code 11.135. *Tax Code 11.135(a), .26(n); 34 TAC 9.416*

Surviving Spouse of First Responder

The surviving spouse of a first responder who is killed or fatally injured in the line of duty is entitled to an exemption from taxation of the total appraised value of the surviving spouse's residence homestead if the surviving spouse is an eligible survivor for purposes of Government Code Chapter 615 as determined by the Employees Retirement System of Texas and has not remarried since the first responder's death. *Tax Code 11.134*

Veteran Exemptions

100 Percent Disabled

A disabled veteran who has been awarded by the U.S. Department of Veterans Affairs or its successor 100 percent disability compensation due to a service-connected disability and a rating of 100 percent disabled or of individual unemployability is entitled to an exemption from taxation of the total appraised value of the veteran's residence homestead. *Tax Code 11.131(b)*

Partially Disabled with Donated Residence

A disabled veteran who has a disability rating of less than 100 percent is entitled to an exemption from taxation of a percentage of the appraised value of the disabled veteran's residence homestead equal to the disabled veteran's disability rating if the residence homestead was donated to the disabled veteran by a charitable organization at no cost to the disabled veteran, or at some cost to the disabled veteran in the form of a cash payment, a mortgage, or both in an aggregate amount that is not more than 50 percent of the good faith estimate of the market value of the residence homestead made by the charitable organization as of the date of the donation. *Tax Code 11.132(b)*

Surviving Spouse of Veteran

The surviving spouse of a disabled veteran, as defined by Tax Code 11.22(h)(3), is entitled to the same exemption from taxation of the same property to which the disabled veteran's exemption applied or would have applied if it had been in effect on the date of death if:

1. The surviving spouse has not remarried since the death of the disabled veteran; and

2. The property was the residence homestead of the surviving spouse when the disabled veteran died and remains the residence homestead of the surviving spouse.

Tax Code 11.131(c), .132(c)

Surviving Spouse of Individual Killed in Action

The surviving spouse of a member of the armed services of the United States who is killed or fatally injured in the line of duty is entitled to an exemption from taxation of the total appraised value of the surviving spouse's residence homestead if the surviving spouse has not remarried since the death of the member of the armed services. *Tax Code 11.133(b)*

Tex. Const. Art. VIII, Sec. 1-b (Residence Homestead Tax Exemptions and Limitations)

Disabled Veteran

A disabled veteran is entitled to an exemption from taxation of a portion of the assessed value of a property the veteran owns and designates under Tax Code 11.22(f). *Tax Code 11.22*

Exemption for Subsequent Residence

The surviving spouse of a first responder, disabled veteran, or armed services member killed in action who receives an exemption for a residence homestead is entitled to receive an exemption from taxation of a different property that the surviving spouse subsequently qualifies as the surviving spouse's residence homestead in an amount equal to the dollar amount of the exemption from taxation of the first property for which the surviving spouse received the exemption in the last year in which the surviving spouse received that exemption if the surviving spouse has not remarried. *Tax Code 11.131(d), .132(d), .133(c), .134(d)*

Temporary Exemption for Property Damaged by Disaster

A person is entitled to an exemption from taxation by a district of a portion of the appraised value of qualified property, as defined by Tax Code 11.35(a), that the person owns in an amount determined by the chief appraiser under Tax Code 11.35(h). *Tax Code 11.35(b)*

A person who qualifies for an exemption under this provision must apply for the exemption not later than the 105th day after the date the governor declares the area in which the person's qualified property is located to be a disaster area. *Tax Code 11.43(s)*

"Damage" means physical damage. *Tax Code 11.35(a)(1)*

Optional Exemptions

Among others, a board may grant additional tax exemptions in accordance with applicable law for:

1. Residential property owned by the United States or an agency of the United States and used to provide transitional housing for the indigent under a program operated or directed by the

U.S. Department of Housing and Urban Development. *Tax Code 11.111*

2. Land and housing units on the land owned by a community land trust. *Tax Code 11.1827*

3. Certain historic structures or archeological sites and the land necessary to access and use the structure or archeological site. The board may not repeal or reduce the amount of an exemption for a property that otherwise qualifies for the exemption unless the property owner consents to the repeal or reduction or the district provides written notice of the repeal or reduction to the owner not later than five years before the date the board repeals or reduces the exemption. *Tax Code 11.24*

4. Property on which approved water conservation initiatives, desalination projects, or brush control initiatives have been implemented. *Tax Code 11.32*

If a district adopts, amends, or repeals an exemption that the district by law has the option to adopt or not, the district shall notify the appraisal office of its action and of the terms of the exemption within 30 days after the date of its action. *Tax Code 6.08*

Goods-in-Transit *Exemption*

A person is entitled to an exemption from taxation of the appraised value of that portion of the person's property that consists of goods-in-transit, as defined in Tax Code 11.253(a)(2). *Tax Code 11.253(b)*

[For information on the board's option in a district located in a disaster area to extend the date by which goods-in-transit must be transported, see Tax Code 11.253(l).]

Option to Tax

A board, by official action, may provide for the taxation of goods-in-transit exempt under Tax Code 11.253(b) and not exempt under other law. The official action to tax the goods-in-transit must be taken before January 1 of the first tax year in which the board proposes to tax goods-in-transit. Before acting to tax the exempt property, a board must conduct a public hearing as required by Texas Constitution Article VIII, Section 1-n(d). If the board provides for the taxation of the goods-in-transit as provided by this provision, the exemption stated above does not apply to that district. The goods-in-transit remain subject to taxation by the district until the board, by official action, rescinds or repeals its previous action to tax goods-in-transit, or otherwise determines that the exemption will apply to that district.

Notwithstanding official action that was taken before October 1, 2011, to tax goods-in-transit, a district may not tax such goods-in-

transit in a tax year that begins on or after January 1, 2012, unless the board takes official action on or after October 1, 2011, to provide for the taxation of the goods-in-transit.

Exception

If a board, before October 1, 2011, took action to provide for the taxation of goods-in-transit and pledged the taxes imposed on the goods-in-transit for the payment of a debt of the district, the district tax officials may continue to impose the taxes against the goods-in-transit until the debt is discharged, if cessation of the imposition would impair the obligation of the contract by which the debt was created.

Tax Code 11.253(j)–(j-2)

Payment Options

The board may adopt, by official action, one or both of the discount options below. *Tax Code 31.05(a)*

Discounts

Option 1

A district may adopt the following discounts to apply regardless of the date on which the district mails its tax bills:

1. Three percent if the tax is paid in October or earlier.
2. Two percent if the tax is paid in November.
3. One percent if the tax is paid in December.

Tax Code 31.05(b)

This discount does not apply to taxes that are calculated too late for it to be available. *Tax Code 31.04(c)*

Option 2

3. One percent if the tax is paid during the third full calendar month following the date on which the tax bills were mailed.

Tax Code 31.05(c)

Both Options

If a board adopts both discounts, the discounts described at Option 1 apply unless the tax bills for the district are mailed after September 30, in which case only the discounts described at Option 2 apply. *Tax Code 31.05(a)*

Rescission

The board may rescind a discount lawfully adopted by the board. The rescission of a discount takes effect in the tax year following the year in which the discount is rescinded. *Tax Code 31.05(d)*

Split Payments

The board of a district that collects its own taxes may provide, by official action, that a person who pays one-half of the district's taxes before December 1 may pay the remaining one-half of the taxes without penalty or interest at any time before July 1 of the following year.

If a board contracts with the appraisal district for collection of taxes, the split-payment option does not apply to taxes collected by the appraisal district unless approved by resolution adopted by a majority of the governing bodies of the taxing units whose taxes the appraisal district collects and filed with the secretary of the appraisal district board of directors. The split-payment option may be revoked in the same manner as provided for adoption.

Tax Code 31.03

This payment option does not apply to taxes that are calculated too late for it to be available. *Tax Code 31.04(c)*

In Certain Counties

The board of a district located in a county having a population of not less than 285,000 and not more than 300,000 that borders a county having a population of 3.3 million or more and the Gulf of Mexico that has its taxes collected by another taxing unit that has adopted the split-payment option may provide, by official action, that the split-payment option does not apply to the district's taxes collected by the other taxing unit. *Tax Code 31.03(d)*

Installment Payments

Certain Homesteads

An individual who is disabled or at least 65 years of age and qualified for a homestead exemption under Tax Code 11.13(c), or an individual who is a disabled veteran or the unmarried surviving spouse of a disabled veteran and qualified for an exemption under Tax Code 11.132 or 11.22, may pay district taxes imposed on the person's residence homestead property in four equal installments without penalty or interest if paid by the applicable dates set out in Tax Code 31.031. *Tax Code 31.031*

Disaster or Emergency Area

Property Damaged — Automatic

A person may pay district taxes imposed on certain property the person owns in four equal installments without penalty or interest if paid in accordance with Tax Code 31.032.

This provision applies to real and tangible personal property described in Tax Code 31.032(a) and taxes that are imposed on the property by a district before the first anniversary of the disaster or emergency.

Tax Code 31.032

Property Not Damaged — Board Option

The board may authorize a person to pay district taxes imposed on certain property that the person owns in installments. If the board adopts the installment-payment option under this provision, Tax Code 31.032(b), (b-1), (c), and (d) apply to the payment by a person of district taxes imposed on property that the person owns in the same manner as those subsections apply to the payment of taxes imposed on property to which Tax Code 31.032 applies.

This provision applies to real and tangible personal property described in Tax Code 31.033(b) and taxes that are imposed on the property by a district before the first anniversary of the disaster or emergency.

Services in Lieu of Paying Taxes

The board by resolution may permit certain individuals or business entities to perform certain services for the district in lieu of paying the district property taxes. Persons 65 and Over

Subject to the requirements of Tax Code 31.035, the board by order or resolution may permit an individual who is at least 65 years of age to perform service for the district in lieu of paying taxes imposed by a district on property owned by the individual and occupied as the individual's residence homestead. Property owners performing services for a district under this provision may only supplement or complement the regular personnel of the district. A district may not reduce the number of persons the district employs or reduce the number of hours to be worked by employees of the district because the district permits property owners to perform services for the district under this provision. *Tax Code 31.035(a), (g)*

Tax Increment Financing Act

Except as provided at Large Municipality below, each district that levies taxes on real property in a reinvestment zone designated by a county or municipality in accordance with the Tax Increment Financing Act, Tax Code Chapter 311, may appoint one member of the reinvestment zone board of directors if the district has approved the payment of all or part of the tax increment produced by the district into the tax increment fund for the zone. A district may waive its right to appoint a director. *Tax Code 311.009(a), (b)*

Board of Directors

Large Municipality

In a reinvestment zone designated by a municipality which is wholly or partially located in a county with a population of less than 1.8 million in which the principal municipality has a population of 1.1 million or more, each taxing unit that approves the payment of all or part of its tax increment into the tax increment fund is entitled to appoint a number of members to the board in proportion to the taxing unit's pro rata share of the total anticipated tax increment to be deposited into the tax increment fund during the term of the zone. *Tax Code 311.0091(a)–(c)*

Tax Increments

Amount

The amount of a district's tax increment for a year is the amount of property taxes levied and assessed by the district for that year on the captured appraised value of real property taxable by the district and located in a reinvestment zone or the amount of property taxes levied and collected by the district for that year on the captured appraised value of real property taxable by the district and located in a reinvestment zone. The board of the district shall determine which of the methods is used to calculate the amount of the district's tax increment.

"Captured Appraised Value"

The captured appraised value of real property taxable by a district for a year is the total taxable value of all real property taxable by the district and located in a reinvestment zone for that year less the tax increment base of the district.

"Tax Increment Base"

The tax increment base of a district is the total taxable value of all real property taxable by the district and located in a reinvestment zone for the year in which the zone was designated under Tax Code Chapter 311.

Tax Code 311.012

Collection and Deposit

Each district that taxes real property located in a reinvestment zone shall provide for the collection of its taxes in the zone as for any other property taxed by the district. Each district shall pay into the tax increment fund for the zone an amount equal to the tax increment produced by the district, less the sum of:

1. Property taxes produced from the tax increments that are, by contract executed before the designation of the area as a

reinvestment zone, required to be paid by the district to another political subdivision; and

2. A portion, not to exceed 15 percent, of the tax increment produced by the district as provided by the reinvestment zone financing plan or a larger portion as provided at Agreement Required below.

Tax Code 311.013(a)–(b)

Notwithstanding any termination of the reinvestment zone and unless otherwise specified by an agreement between the district and the municipality or county that created the zone, a district shall make the required payment not later than the 90th day after the later of the delinquency date for district property taxes or the date the municipality or county that created the zone submits to the district an invoice specifying the tax increment produced by the district and the amount the district is required to pay into the tax increment fund for the zone. A district is not required to pay into a tax increment fund the applicable portion of a tax increment attributable to delinquent taxes until those taxes are collected. *Tax Code 311.013(c), (i)*

A district whose taxable value is reduced under Government Code 403.302(d)(4) (determination of district property values by the comptroller) shall pay into the tax increment fund, in addition to the amount otherwise required to be paid, an amount equal to the amount by which the amount of taxes the district would have been required to pay into the fund in the current year if the district levied taxes at the rate the district levied in 2005 exceeds the amount the district is otherwise required to pay into the fund in the year of the reduction. This additional amount may not exceed the amount the district receives in state aid for the current tax year under Education Code 48.253 (additional state aid for tax increment financing payments). The district shall pay the additional amount after the district receives the state aid to which the district is entitled for the current tax year under Education Code 48.253. *Tax Code 311.013(n)*

Agreement Required

A district is not required to pay into the tax increment fund any of its tax increment produced from property located in a reinvestment zone designated under Tax Code 311.005(a) or in an area added to a reinvestment zone under Tax Code 311.007 unless the district enters into an agreement to do so with the governing body of the municipality or county that designated the zone. *Tax Code 311.013(f)*

A district that participates in a zone is not required to increase the percentage or amount of the tax increment to be contributed by the

district because of an amendment to the project plan or reinvestment zone financing plan for the zone unless the board by official action approves the amendment. *Tax Code 311.011(g)*

A district is not required to pay into the tax increment fund any of its tax increment produced from property located in an area added to the reinvestment zone under Tax Code 311.007(a) or (b) unless the board enters into an agreement to do so with the governing body of the municipality or county that created the zone. *Tax Code 311.013(k)*

If the governing body of the municipality or county that designated a reinvestment zone extends the term of all or a portion of the zone, a district is not required to participate in the zone or portion of the zone for the extended term unless the district enters into a written agreement to do so. *Tax Code 311.007(c)*

Notwithstanding the designation of a later termination date under Tax Code 311.017(a), a district that taxes real property located in the reinvestment zone is not required to pay any of its tax increment into the tax increment fund for the zone after the termination date designated in the ordinance or order creating the zone unless the board enters into an agreement to do so with the governing body of the municipality or county that created the zone. *Tax Code 311.017(a-1)*

Property Redevelopment and Tax Abatement Act

On or after September 1, 2001, a school district may not enter into a tax abatement agreement under Tax Code Chapter 312. *Tax Code 312.002(f)*

Reinvestment Zone for Chapter 313

Notwithstanding any other provision of Tax Code Chapter 312 to the contrary, the board, in the manner required for official action and for purposes of Tax Code Chapter 313, Subchapter B or C [see Texas Economic Development Act below], may designate an area entirely within the territory of the district as a reinvestment zone if the board finds that, as a result of the designation and the granting of a limitation on appraised value, for property located in the reinvestment zone, the designation is reasonably likely to:

1. Contribute to the expansion of primary employment in the reinvestment zone; or

2. Attract major investment in the reinvestment zone that would:

    a. Be a benefit to property in the reinvestment zone and to the district; and

    b. Contribute to the economic development of the region of this state in which the district is located.

The board may seek the recommendation of the commissioners court of each county and the governing body of each municipality that has territory in the district before designating an area as a reinvestment zone.

3. A request for proposals for services other than construction services.
4. An interlocal contract.
5. A method provided by Government Code Chapter 2269 for construction services [see CV series];

Exceptions

Emergency Damage or Destruction

If school equipment, a school facility, or a part of a school facility or personal property is destroyed or severely damaged or, as a result of an unforeseen catastrophe or emergency, undergoes major operational or structural failure, and the board determines that the delay posed by the methods provided for in Education Code 44.031 would prevent or substantially impair the conduct of classes or other essential school activities, then contracts for the replacement or repair of the equipment, school facility, or the part of the school facility may be made by methods other than those required by Education Code 44.031. *Education Code 44.031(h)*

Sole Source

Without complying with Education Code 44.031(a) above, a district may purchase an item that is available from only one source, including:

1. An item for which competition is precluded because of the existence of a patent, copyright, secret process, or monopoly.
2. A film, manuscript, or book.
3. A utility service, including electricity, gas, or water.
4. A captive replacement part or component for equipment.

The exceptions above do not apply to mainframe data-processing equipment and peripheral attachments with a single-item purchase price in excess of $15,000.

Education Code 44.031(j)–(k)

Competitive Bidding

Except to the extent prohibited by other law and to the extent consistent with Education Code Chapter 44, Subchapter B, a district may use competitive bidding to select a vendor as authorized by Education Code 44.031(a)(1).

A district shall award a competitively bid contract at the bid amount to the bidder offering the best value for the district. In determining the best value for the district, the district is not restricted to considering price alone but may consider any other factors stated in the selection criteria. The selection criteria may include the factors listed in Education Code 44.031(b) [see Contract Selection Factors, below].

Except as provided below, Local Government Code Chapter 271, Subchapter B (Competitive Bidding on Certain Public Works Contracts) does not apply to a competitive bidding process under this policy.

Local Government Code Sections 271.026 (Opening of Bids), 271.027(a) (Award of Contract), and 271.0275 (Safety Record of Bidder Considered) apply to a competitive bidding process under Education Code Chapter 44, Subchapter B. [See CVA for these requirements.]

Education Code 44.0351

[For information on additional competitive procedures under the Public Property Finance Act, see CHH.]

Competitive Sealed Proposals

In selecting a vendor through competitive sealed proposals as authorized by Education Code 44.031(a)(2), a district shall follow the procedures prescribed below.

Request for Proposals

The district shall prepare a request for competitive sealed proposals that includes information that vendors may require to respond to the request. The district shall state in the request for proposals the selection criteria that will be used in selecting the successful offeror.

Opening Proposals

The district shall receive, publicly open, and read aloud the names of the offerors and, if any are required to be stated, all prices stated in each proposal. Not later than the 45th day after the date on which the proposals are opened, the district shall evaluate and rank each proposal submitted in relation to the published selection criteria.

Selection

The district shall select the offeror that offers the best value for the district based on the published selection criteria and on its ranking evaluation. The district shall first attempt to negotiate a contract with the selected offeror. The district may discuss with the selected

offeror options for a scope or time modification and any price change associated with the modification. If the district is unable to negotiate a satisfactory contract with the selected offeror, the district shall, formally and in writing, end negotiations with that offeror and proceed to the next offeror in the order of the selection ranking until a contract is reached or all proposals are rejected.

In determining the best value for the district, the district is not restricted to considering price alone but may consider any other factors stated in the selection criteria.

Education Code 44.0352

Interlocal Contracts

"Interlocal contract" means a contract or agreement made under Government Code Chapter 791 (Interlocal Cooperation Act). A district may contract or agree with another local government or a federally recognized Indian tribe, as listed by the U.S. secretary of the interior under 25 U.S.C. 479a-1, whose reservation is located within the boundaries of this state to perform governmental functions and services in accordance with Government Code Chapter 791. A district may agree with another local government and with the state or a state agency, including the comptroller, to purchase goods and services. *Gov't Code 791.003(2), .011(a), .025(a)*

An interlocal contract must:

1. Be authorized by the governing body of each party to the contract;

2. State the purpose, terms, rights, and duties of the contracting parties; and

3. Specify that each party paying for the performance of governmental functions or services must make those payments from current revenues available to the paying party.

An interlocal contractual payment must be in an amount that fairly compensates the performing party for the services or functions performed under the contract. An interlocal contract may be renewed. Notwithstanding item 2 above, an interlocal contract may have a specified term of years.

Gov't Code 791.011(d)–(f), (i)

A district may agree with another local government, including a nonprofit corporation that is created and operated to provide one or more governmental functions and services, or with the state or a state agency, including the comptroller, to purchase goods and any services reasonably required for the installation, operation, or maintenance of the goods. This provision does not apply to ser-

vices provided by firefighters, police officers, or emergency medical personnel. *Gov't Code 791.025(b)*

A district that purchases goods and services under Government Code 791.025 satisfies the requirement to seek competitive bids for the purchase of the goods and services. *Gov't Code 791.025(c); Atty. Gen. Op. JC-37 (1999)*

Reverse Auction

A district that uses the reverse auction procedure must include in the procedure a notice provision and other provisions necessary to produce a method of purchasing that is advantageous to the district and fair to vendors. *Local Gov't Code 271.906(b)*

"Reverse auction procedure" means:

1. A real-time bidding process usually lasting less than one hour and taking place at a previously scheduled time and internet location, in which multiple suppliers, anonymous to each other, submit bids to provide the designated goods or services; or

2. A bidding process usually lasting less than two weeks and taking place during a previously scheduled period and at a previously scheduled internet location, in which multiple suppliers, anonymous to each other, submit bids to provide the designated goods or services.

Gov't Code 2155.062(d)

Site-Based Purchasing

If a purchase is made at the campus level in a district with a student enrollment of 180,000 or more that has formally adopted a site-based decision-making plan under Education Code Subchapter F, Chapter 11 [see BQ series], that delegates purchasing decisions to the campus level, Education Code 44.031 applies only to the campus and does not require the district to aggregate and jointly award purchasing contracts. A district that adopts site-based purchasing under this provision shall adopt a policy to ensure that campus purchases achieve the best value to the district and are not intended or used to avoid the requirement that a district aggregate purchases under Education Code 44.031(a). *Education Code 44.031(m)*

Contract Selection Factors

Except as provided by Education Code Chapter 44, Subchapter B, in determining to whom to award a contract, the district shall consider:

1. The purchase price.

2. The reputation of the vendor and of the vendor's goods or services.

3. The quality of the vendor's goods or services.
4. The extent to which the goods or services meet the district's needs.
5. The vendor's past relationship with the district.
6. The impact on the ability of the district to comply with laws and rules relating to historically underutilized businesses.
7. The total long-term cost to the district to acquire the vendor's goods or services.
8. For a contract for goods and services, other than goods and services related to telecommunications and information services, building construction and maintenance, or instructional materials, whether the vendor or the vendor's ultimate parent company or majority owner has its principal place of business in this state or employs at least 500 persons in this state.
9. Any other relevant factor specifically listed in the request for bids or proposals.

Education Code 44.031(b)

In awarding a contract by competitive sealed bid under Education Code 44.031, a district that has its central administrative office located in a municipality with a population of less than 250,000 may consider a bidder's principal place of business in the manner provided by Local Government Code 271.9051. This provision does not apply to the purchase of telecommunications services or information services, as those terms are defined by 47 U.S.C. Section 153. *Education Code 44.031(b-1)*

The factors listed above are the only criteria that may be considered by a district in its decision to award a contract. *R.G.V. Vending v. Weslaco Indep. Sch. Dist., 995 S.W.2d 897 (Tex. App.—Corpus Christi 1999, no pet.)*

Preferences

Agricultural Products

A district that purchases agricultural products shall give preference to those produced, processed, or grown in Texas if the cost to the district is equal and the quality is equal. If agricultural products produced, processed, or grown in Texas are not equal in cost and quality to other products, the district shall give preference to agricultural products produced, processed, or grown in other states of the United States, if the cost and quality of the U.S. and foreign products are equal.

"Agricultural products" includes textiles and other similar products.

"Processed" means canning, freezing, drying, juicing, preserving, or any other act that changes the form of a good from its natural state to another form.

A district may not adopt product purchasing specifications that unnecessarily exclude agricultural products produced, processed, or grown in Texas.

Vegetation for Landscaping

A district that purchases vegetation for landscaping purposes, including plants, shall give preference to Texas vegetation if the cost to the district is equal and the quality is equal.

Education Code 44.042

[For legal requirements applicable to school nutrition procurement, including produce and agricultural products, with federal funds, see COA.]

Recycled Products

A district shall give preference in purchasing to products made of recycled materials if the products meet applicable specifications as to quantity and quality and the average price of the product is not more than ten percent greater than the price of comparable nonrecycled products. Preferences will be applied in accordance with state procurement statutes and rules. *30 TAC 328.203*

Subchapter K of 30 Administrative Code (Governmental Entity Recycling and Purchasing of Recycled Materials) does not apply to a district with a student enrollment of less than 10,000 students. *30 TAC 328.204(a)*

A district regularly shall review and revise its procurement procedures and specifications for the purchase of goods, supplies, equipment, and materials in order to:

1. Eliminate procedures and specifications that explicitly discriminate against products made of recycled materials;
2. Encourage the use of products made of recycled materials; and
3. Ensure to the maximum extent economically feasible that the district purchases products that may be recycled when they have served their intended use.

In developing new procedures and specifications, the district shall encourage the use of recycled products and products that may be recycled or reused.

Health and Safety Code 361.426(b)–(c)

Bidder's Place of Business

In awarding a contract by competitive sealed bid under Education Code 44.031, a district that has its central administrative office located in a municipality with a population of less than 250,000 may consider a bidder's principal place of business in the manner provided by Local Government Code Section 271.9051. This provision does not apply to the purchase of telecommunications services or information services, as those terms are defined by 47 U.S.C. 153. *Education Code 44.031(b-1)*

Notice Publication

Notice of the time by when and place where the bids or proposals, or the responses to a request for qualifications, will be received and opened shall be published in the county in which the district's central administrative office is located, once a week for at least two weeks before the deadline for receiving bids, proposals, or responses to a request for qualifications. If there is not a newspaper in that county, the advertising shall be published in a newspaper in the county nearest the county seat of the county in which a district's central administrative office is located. In a two-step procurement process, the time and place where the second-step bids, proposals, or responses will be received are not required to be published separately. *Education Code 44.031(g)*

Electronic Bids or Proposals

A district may receive bids or proposals under Education Code Chapter 44 through electronic transmission if the board adopts rules to ensure the identification, security, and confidentiality of electronic bids or proposals and to ensure that the electronic bids or proposals remain effectively unopened until the proper time.

Notwithstanding any other provision of Education Code Chapter 44, an electronic bid or proposal is not required to be sealed. A provision of Education Code Chapter 44 that applies to a sealed bid or proposal applies to a bid or proposal received through electronic transmission in accordance with the rules adopted by the board.

Education Code 44.0313

Right to Work

While a district is engaged in procuring goods and services or awarding a contract, or overseeing procurement or construction for a public work or public improvement, a district:

1. May not consider whether a vendor is a member of or has another relationship with any organization; and
2. Shall ensure that its bid specifications and any subsequent contract or other agreement do not deny or diminish the right of a person to work because of the person's membership or other relationship status with respect to any organization.

Education Code 44.043

Contract with Person Indebted to District

The board by resolution may establish regulations permitting the district to refuse to enter into a contract or other transaction with a person indebted to the district. It is not a violation of Education Code Chapter 44, Subchapter B (Purchases; Contracts) for a district, under regulations adopted under this provision, to refuse to award a contract to or enter into a transaction with an apparent low bidder or successful proposer that is indebted to the district.

"Person" includes an individual, sole proprietorship, corporation, nonprofit corporation, partnership, joint venture, limited liability company, and any other entity that proposes or otherwise seeks to enter into a contract or other transaction with the district requiring approval by the board.

Education Code 44.044

Out-of-State Bidders

A district may not award a governmental contract to a nonresident bidder unless the nonresident underbids the lowest bid submitted by a responsible resident bidder by an amount that is not less than the greater of the amount by which a resident bidder would be required to underbid the nonresident bidder to obtain a comparable contract in the state in which the nonresident's principal place of business is located, or the state in which a majority of the manufacturing relating to the contract will be performed. *Gov't Code 2252.002*

This requirement does not apply to a contract involving federal funds. A district shall use the information published by the comptroller under Government Code 2252.003 (Publication of Other State's Laws on Contracts) to evaluate the bid of a nonresident bidder. A district may rely on information published under Government Code 2252.003 to meet the requirements of Government Code 2252.002. *Gov't Code 2252.003–.004*

"Governmental contract" means a contract awarded by a governmental entity, including a public school district, for general construction, an improvement, a service, or a public works project or for a purchase of supplies, materials, or equipment.

If a district executes a multiyear insurance contract, it need not advertise for insurance vendors until the 12-month period during which the district will be executing a new insurance contract. *Atty. Gen. Op. DM-418 (1996)*

Other Purchasing Methods

The comptroller shall establish a program by which the comptroller performs purchasing services for local governments. The services must include:

State Purchasing Program

1. The extension of state contract prices to participating local governments when the comptroller considers it feasible.
2. Solicitation of bids on items desired by local governments if the solicitation is considered feasible by the comptroller and is desired by the local government.
3. Provision of information and technical assistance to local governments about the purchasing program.

The comptroller may charge a participating local government an amount not to exceed the actual costs incurred by the comptroller in providing purchasing services to the local government under the program.

Local Gov't Code 271.082

District Participation

A district may participate in the purchasing program, including participation in purchases that use the reverse auction procedure, by filing with the comptroller a resolution adopted by the board requesting that the district be allowed to participate on a voluntary basis, and to the extent the comptroller deems feasible, and stating that the district will:

Energy Savings Performance Contracts

"Energy savings performance contract" has the meaning assigned by Local Government Code 302.001.

Each energy or water conservation measure must comply with current local, state, and federal construction, plumbing, and environmental codes and regulations. An energy savings performance contract may not include improvements or equipment that allow or cause water from any condensing, cooling, or industrial process or any system of nonpotable usage over which the public water supply system officials do not have sanitary control, to be returned to the potable water supply.

The board may enter into energy savings performance contracts only with persons who are experienced in the design, implementation, and installation of the energy or water conservation measures addressed by the contract.

Government Code Chapter 2269 (Contracting and Delivery Procedures for Construction Projects) does not apply to energy savings performance contracts.

Performance Bond

Before entering an energy savings performance contract, the board shall require the provider of the energy or water conservation measures to file with the board a payment and performance bond relating to the installation of the measures in accordance with Government Code Chapter 2253 (Public Work Performance and Payment Bonds). The board may also require a separate bond to cover the value of the guaranteed savings on the contract.

Financing

An energy savings performance contract may be financed:

1. Under a lease/purchase contract that has a term not to exceed 20 years from the final date of installation and that meets federal tax requirements for tax-free municipal leasing or long-term financing.
2. With the proceeds of bonds.
3. Under a contract with the provider of the energy or water conservation measures that has a term not to exceed the lesser of 20 years from the final date of installation or the average useful life of the energy or water conservation or usage measures.

Notwithstanding other law, the board may use any available money to pay the provider of the energy or water conservation measures under these provisions, and the board is not required to pay for such costs solely out of the savings realized by the district under an energy savings performance contract. The board may contract with the provider to perform work that is related to, connected with, or otherwise ancillary to the measures identified in the scope of an energy savings performance contract.

An energy savings performance contract shall contain provisions requiring the provider of the energy or water conservation measures to guarantee the amount of the savings to be realized by the district under the contract. If the term of an energy savings performance contract exceeds one year, the district's contractual obligations in any one year during the term of the contract beginning after the final date of installation may not exceed the total energy, water, wastewater, and operating cost savings, including electrical, gas, water, wastewater, or other utility cost savings and operating cost savings resulting from the measures as determined by the district, divided by the number of years in the contract term.

Contract Procurement

An energy savings performance contract shall be let according to the procedures established for professional services by Government Code 2254.004 (the Professional Services Procurement Act). [See CH] Notice of the request for qualifications shall be published in the manner provided for competitive bidding.

Cost Savings Review

Before entering into an energy savings performance contract, the board must require that the cost savings projected by an offeror be reviewed by a licensed professional engineer who has a minimum of three years of experience in energy calculation and review, is not an officer or employee of an offeror for the contract under review, and is not otherwise associated with the contract. In conducting the review, the engineer shall focus primarily on the proposed improvements from an engineering perspective, the methodology and calculations related to cost savings, increases in revenue, and, if applicable, efficiency or accuracy of metering equipment. An engineer who reviews a contract shall maintain the confidentiality of any proprietary information the engineer acquires while reviewing the contract. Occupations Code 1001.053 and 1001.407 (Texas Engineering Practice Act) apply to work performed under the contract.

A district that engages in pest control activities must employ or contract with a licensed applicator, who may, if an employee, also serve as the IPM coordinator. *4 TAC 7.201(3)*

The certified commercial or noncommercial certified applicator or licensed technician shall:

1. Apply only United States Environmental Protection Agency (EPA) labeled pesticides, appropriate for the target pest, except as provided in Division 7;
2. Provide the structural pest management needs of the district by following the district's IPM program and these regulations;
3. Obtain written approval from the IPM coordinator for the use of pesticides in accordance with Division 7;
4. Handle and forward to the IPM coordinator records of IPM activities, any complaints relating to pest problems, and pesticide use;
5. Ensure that pesticide use records are forwarded to the IPM coordinator within two business days or in a time frame as agreed to by the IPM coordinator;
6. Consult with the IPM coordinator concerning the use of control measures in buildings and grounds, including residential properties; and
7. Ensure that all pest control activities are consistent with the district's IPM program and IPM policy.

4 TAC 7.203

Notice

A district shall prior to or by the first week of school attendance, ensure that a procedure is in place to provide prior notification of pesticide applications in accordance with 4 Administrative Code Chapter 7. Individuals who request in writing to be notified of pesticide applications may be notified by telephonic, written, or electronic methods. *4 TAC 7.201(4)*

The chief administrator, IPM coordinator, or building manager must notify individuals who work in a district building of an indoor pest control treatment by:

1. Posting the sign made available by the certified applicator or technician in an area of common access that the individuals

are likely to check on a regular basis at least 48 hours before each planned treatment; and

2. Making available, on request, the consumer information sheet made available by the certified applicator or technician.

Occupations Code 1951.455(a); 4 TAC 7.146(c), .147(e), .148(b)

Chief administrators or the IPM coordinators of schools must notify the parents or guardians of children attending the facility in writing that pesticides are periodically applied indoors and outdoors, and that information on the times and types of applications and prior notification is available upon request. Such notification must be made at the time of the students' registration. Telephonic, written, or electronic notification of planned applications will meet the notification requirements. *4 TAC 7.148(c); Occupations Code 1951.455(b)* [See FD]

Emergency Exception

The pre-notification requirements of 4 Administrative Code 7.146–.148 are waived if the customer and certified applicator sign a statement attesting to the fact that an emergency exists which requires immediate treatment. If such an emergency exists, the consumer information sheet must be made available by the licensee. The statement must be kept on file with the pest control use records. If the customer is not available to sign a statement at the time of treatment, that shall be recorded in the use records along with the customer's name and telephone number. An emergency is defined as an imminent hazard to health. An emergency treatment is limited to the localized area of the emergency. *4 TAC 7.147(g), .148(d)*

Pesticide Use

All pesticides used by districts must be registered with the EPA and the TDA, with the exception of those pesticides that have been exempted from registration by the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), Section 25(b). All pesticides used by districts must also bear a label as required by FIFRA and Chapter 76 of the Texas Agriculture Code. Pesticide use must also meet the following requirements:

1. Pest control signs shall be posted at least 48 hours prior to a pesticide application inside district buildings, including residential properties, as provided for under 4 Administrative Code 7.148.

2. For outdoor applications made on district grounds, including residential properties, the treated area must be identified at all entry points with a sign, or must be secured using a locking device, a fence or other practical barrier such as commercially available barrier caution tape, or periodically monitored to

keep students out of the treated area until the allowed reentry time.

3. Pesticides used on district property shall be mixed outside of student occupied areas of buildings and grounds.

4. The use of non-pesticide control measures, non-pesticide monitoring tools and mechanical devices, such as glue boards and traps as permitted in accordance with Division 7, are exempt from posting requirements. The use of non-pesticide tools and devices by unlicensed district personnel, for monitoring purposes, shall be permitted. Monitoring by unlicensed district personnel shall be done only as directed, under the supervision of the IPM coordinator.

5. Pesticide applications shall not be made to outdoor school grounds if such an application will expose students to physical drift of pesticide spray particles. Reasonable preventative measures shall be taken to avoid the potential of drift to occur.

6. Districts are allowed to apply the pesticides to control pests, rodents, insects, and weeds at school buildings, grounds, or other facilities in accordance with the approval for use and restrictions listed for each category detailed in 4 Administrative Code 7.204(6).

4 TAC 7.204

Incidental Use

The Incidental Use For Schools Fact Sheet must contain the text specified in 4 Administrative Code 7.205 and must be provided during pesticide instruction and training by the IPM coordinator to each district employee whose primary duty is not pest control, and whose work may include tasks subject to the exception. The IPM coordinator must keep records of all the training conducted annually. Pest control use records for all incidental pesticide use application, including the reason for application and justification for emergency, must be maintained by the IPM coordinator for two years. *4 TAC 7.205*

Inspections

School districts will be inspected at least once every five years. TDA may waive these requirements due to TDA staff availability, budgetary constraints, inspection trends, or operational efficiencies. School districts demonstrating a lack of compliance with TDA rules may be inspected more frequently based on risk using the following elements of consideration: prior violations, prior inspection results, and prior complaints. *4 TAC 7.149*

Integrated Pest Management Program

The District is committed to following integrated pest management (IPM) guidelines as required by Chapter 1951 of the Occupations Code and Title 4, Chapter 7 of the Administrative Code in all pest control activities that take place on District property.

Definition

IPM is a pest management strategy that relies on accurate identification and scientific knowledge of target pests, reliable monitoring methods to assess pest presence, preventative measures to limit pest problems, and thresholds to determine when corrective control measures are needed. Under IPM, whenever economical and practical, multiple control tactics shall be used to achieve the best control of pests. These tactics shall include, but are not limited to, the judicious use of pesticides.

Standards

The District's IPM program shall govern the District's use of pesticides, herbicides, and other chemical agents for the purpose of controlling pests, rodents, insects, and weeds in and around District facilities, including residential property primarily used as student housing.

IPM Coordinator

The Superintendent shall designate the IPM coordinator(s), who shall be registered with the Texas Department of Agriculture. The IPM coordinator(s) shall receive training in accordance with law and shall provide training to District employees, as necessary.

Application Time Frame

The IPM coordinator(s), in addition to the responsibilities set out in CLB(LEGAL), shall coordinate with appropriate District administrators or other designated and trained employees regarding pesticide or herbicide applications in accordance with law. The IPM coordinator(s) shall determine when an emergency situation exists and an exception to the 48-hour notice requirement may be made.

No Unauthorized Application

If the IPM coordinator is a licensed applicator, the IPM coordinator may apply pesticides in accordance with law. No other employee or other person or entity shall be permitted to apply a pesticide or herbicide at a District facility, including residential property primarily used as student housing, without the prior approval of the IPM coordinator and other than in the manner prescribed by law and the District's IPM program.

Note: For provisions regarding selection and adoption of instructional materials, see EFA.

Instructional Materials and Technology

Instructional materials selected for use in the public schools shall be furnished without cost to the students attending those schools. Except as provided by Education Code 31.104(d), a district may not charge a student for instructional material or technological equipment purchased by the district with the district's technology and instructional materials allotment. *Education Code 31.001*

Each instructional material, including electronic instructional material only to the extent of any applicable licensing agreement, purchased as provided by Education Code Chapter 31 for a district is the property of the district. *Education Code 31.102(a)–(b)*

Allotment

A district is entitled to an allotment each biennium from the state instructional materials and technology fund for each student enrolled in the district on a date during the last year of the preceding biennium specified by the commissioner of education. The commissioner shall determine the amount of the allotment per student each biennium on the basis of the amount of money available in the state instructional materials and technology fund to fund the allotment. The allotment shall be transferred from the state instructional materials and technology fund to the credit of the district's instructional materials and technology account as provided by Education Code 31.0212. *Education Code 31.0211(a)*

The commissioner shall, as early as practicable during each biennium, notify each district of the estimated amount to which the district will be entitled during the next fiscal biennium. *Education Code 31.0215(a)*

No Appeal

The amount of the allotment determined by the commissioner is final and may not be appealed. *19 TAC 66.1307(d)*

Delayed Publisher Payment Option

A district may requisition and receive state-adopted instructional materials before allotment funds for those materials are available. The total cost of delayed-payment-option materials requisitioned may not exceed 80 percent of the district's expected allotment for the subsequent biennium.

When a district submits a requisition for instructional materials under this provision, the Texas Education Agency (TEA) will expend a district's existing allotment balance before applying the delayed payment option. TEA will make payment for any remaining balance for a district's order as the allotment funds become available and

will prioritize payment for requisitions under this provision over reimbursement of purchases made directly by a district.

19 TAC 66.1312(a)–(e)

The commissioner shall ensure that publishers of instructional materials are informed of any potential delay in payment and that payment is subject to the availability of appropriated funds. *Education Code 31.0215(d)*

Publishers may decline orders for which payments could be delayed. A publisher's decision to decline an order shall affect all of that publisher's orders for which payments could be delayed. Publishers may not selectively decline individual orders or orders from individual districts. *19 TAC 66.1312(f); Education Code 31.0215(d)*

Government Code Chapter 2251 (payments for goods and services) does not apply to requisitions under this provision. *Education Code 31.0215(e); 19 TAC 66.1312(g)*

Allotment Adjustment

Change in Enrollment

Not later than May 31 of each school year, a district may request that the commissioner adjust the number of students for which the district is entitled to receive an allotment on the grounds that the number of students attending school in the district will increase or decrease during the school year for which the allotment is provided. The commissioner may also adjust the number of students for which a district is entitled to receive an allotment, without a request by the district, if the commissioner determines a different number of students is a more accurate reflection of students who will be attending school in the district. The commissioner's determination is final. *Education Code 31.0211(e)*

High Enrollment Growth

Each year the commissioner shall adjust the instructional materials and technology allotment of districts experiencing high enrollment growth. *Education Code 31.0214(a)*

High-enrollment growth adjustments will be based on the difference between the district's percentage of enrollment growth and that of the state. Enrollment growth calculations will be determined each fiscal year based on fall Texas Student Data Systems Public Education Information Management System (TSDS PEIMS) enrollment data. The amount of the adjustment determined by the commissioner is final and may not be appealed.

If sufficient funds are available, high-enrollment growth adjustments will be granted once each fiscal year. Notwithstanding this, a district that experiences an unexpected growth:

1. Of at least two percent due to a natural or man-made disaster or catastrophic event may apply for additional allotment funding at any time during a fiscal year.
2. In its bilingual population of at least ten percent in any school year may apply for additional bilingual allotment funding at any time during a fiscal year.

Any additional funding will be dependent on the availability of funds.

The per-student high-enrollment growth adjustment granted in the second year of a biennium shall not exceed one-half of the per-student amount established as the biennial allotment.

19 TAC 66.1309

Permitted Expenditures

Each district's allotment funds must be expended according to the following priorities established in Education Code 31.0211:

1. First, instructional materials necessary to permit the district to certify that the district has instructional materials that cover all elements of the essential knowledge and skills of the required curriculum, other than physical education, for each grade level as required by Education Code 28.002; and
2. Then, any other instructional materials or allowed technological equipment.

Maintaining the priorities above, the allotment funds may be used to pay for:

20. Training for personnel in the electronic administration of assessment instruments.

The allotment funds may not be used to pay for:

1. Services for installation;

2. The physical conduit that transmits data such as cabling and wiring or electricity, except to the extent allotment funds are

necessary to pay for allowable expenses under items 18 and 19, above;

3. Office and school supplies;

4. Items that are not directly related to student instruction such as furniture, athletic equipment, extension cords, temporary contractors, or video surveillance equipment;

5. Travel expenses; or

19 TAC 66.1307(e)–(g); Education Code 31.0211(c)

Technological Equipment

In purchasing technological equipment, a district shall:

1. Secure technological solutions that meet the varying and unique needs of students and teachers in the district; and

2. Consider both the long-term cost of ownership of the technological equipment and flexibility for innovation.

19 TAC 66.1307(l); Education Code 31.0211(d-1)

Certification of Allotment

A district shall annually certify to the commissioner that the district's allotment has been used only for permitted expenses. *Education Code 31.0213*

Instructional Materials and Technology Account

The commissioner shall maintain an instructional materials and technology account for each district. In the first year of each biennium, the commissioner shall deposit the district's allotment in the account. The commissioner shall pay the cost of instructional materials requisitioned by a district under Education Code 31.103 using funds from the district's instructional materials and technology account.

A district may also use funds in the district's account to purchase electronic instructional materials or technological equipment. The district shall submit to the commissioner a request for funds for this purpose from the district's account in accordance with the commissioner's rules.

Money deposited in a district's instructional materials and technology account during each state fiscal biennium remains in the account and available for use by the district for the entire biennium. At the end of each biennium, a district with unused money in the district's account may carry forward any remaining balance to the next biennium.

Education Code 31.0212

Access to Allotment

The allotment for each biennium will be made available for district use through the state's online instructional material ordering system as early as possible in the fiscal year preceding the beginning of the biennium for which the funds have been appropriated. A district may access its allotment for any upcoming school year upon completion of:

1. Submission to the commissioner certification that:
    a. The district has instructional materials that cover all the required Texas Essential Knowledge and Skills (TEKS), except those for physical education, as required by Education Code 31.004 [see Certification of Instructional Materials, below]; and
    b. The district has used its allotment for only allowable expenditures [see Permitted Expenditures and Certification of Allotment Use, above]; and
2. Preparation by TEA of the state ordering system for the new school year with the new allotment amounts.

Upon completion of these requirements, a district may access its funds by correctly providing all information required in the state ordering system.

19 TAC 66.1307(h)–(j)

Online Requisition System

The commissioner shall maintain an online requisition system for districts to requisition instructional materials to be purchased with the district's allotment. *Education Code 31.101(f)*

Delegation of Authority

The board may delegate to an employee the authority to requisition, distribute, and manage the inventory of instructional materials, consistent with Education Code Chapter 31 and rules adopted under that chapter. *Education Code 31.104(a)*

Local Funds

A district may use local funds to purchase any instructional materials in addition to those selected under Education Code Chapter 31. *Education Code 31.106*

Requisitions, Use, and Distribution

A district shall make a requisition for instructional materials using the online requisition program maintained by the commissioner. A district may requisition instructional materials on the SBOE instructional materials list for grades above the grade level in which a student is enrolled. *Education Code 31.103(b)–(c)*

Distribution

The board shall distribute printed instructional materials to students in the manner that the board determines is most effective and economical. *Education Code 31.102(c)*

Supplemental Instructional Materials

A district may requisition supplemental instructional material adopted by the SBOE but not on the instructional material list adopted under Education Code 31.023 only if the district requisitions the supplemental instructional material along with other supplemental instructional materials or instructional materials on the list adopted under Education Code 31.023 that in combination cover each element of the essential knowledge and skills for the course for which the district is requisitioning the supplemental instructional materials. *Education Code 31.035(d)*

Availability of Open Education Resource Instructional Materials

A district that selects open education resource instructional material shall requisition a sufficient number of printed copies for use by students unable to access the instructional material electronically unless the district provides to each student:

1. Electronic access to the instructional material at no cost to the student; or
2. Printed copies of the portion of the instructional material that will be used in the course.

Education Code 31.103(d)

Employee Training

The board shall require the employee responsible for ordering instructional materials to complete TEA-developed training in the use of the allotment and the use of the instructional materials ordering system known as EMAT. Training shall be completed prior to ordering instructional materials for the first time and again each time the district is notified by TEA that the training has been updated. The district shall maintain documentation of the completion of the required training. *19 TAC 66.107(d)*

Special Instructional Materials

All laws and rules applying to instructional materials provided to students with no disabilities that are not in conflict with Education Code 31.028 or 19 Administrative Code 66.1311 shall apply to the distribution and control of special instructional materials. Special instructional materials include braille, large-print, and audio books and any other formats designed specifically to provide equal access to students with disabilities.

Requisitions for special instructional materials shall be based on actual student enrollment but may include up to two copies per student if necessary to meet individual need.

Special instructional materials are the property of the state. A district is responsible for replacing or reimbursing the state for lost, stolen, or damaged special instructional materials.

For Teachers — Adopted instructional materials needed by a teacher with a print disability to carry out his or her instructional duties shall be furnished in the required format without cost. The materials are to be loaned to the district as long as needed and are to be returned to the state when they are no longer needed.

For Parents — Adopted instructional materials in a specialized format that are requested by a parent with a print disability shall be furnished without cost by the state. Requests for electronic files shall be filled by TEA after the parent signs and TEA receives a statement, through the district, promising that the parent will safeguard the security of the files and observe all current copyright laws, including those that forbid reproduction of the files and their transfer to other parties. All specialized instructional material formats and electronic files that have been provided must be returned to the local school district at the end of the school year.

19 TAC 66.1311(a)–(d), (h), (j)

Bilingual Instructional Materials

A district shall purchase with its allotment or otherwise acquire instructional materials for use in bilingual education classes. The commissioner shall determine the amount of the allotment for bilingual education based on TSDS PEIMS bilingual enrollment data from the fall collection of the school year preceding the first year of each biennium. *Education Code 31.029; 19 TAC 66.1307(c)*

Certification of Instructional Materials

Prior to the beginning of each school year, a district shall submit to the SBOE and commissioner certification that for each subject in the required curriculum under Education Code 28.002, other than physical education, and each grade level, the district provides each student with instructional materials that cover all elements of the essential knowledge and skills adopted by the SBOE for that subject and grade level. The certification shall be submitted in a format approved by the commissioner and can be based on both state-adopted and non-state-adopted materials.

To determine whether each student has instructional materials that cover all elements of the essential knowledge and skills, a district may consider:

1. Instructional materials adopted by the SBOE;
2. Materials adopted or purchased by the commissioner under Education Code 31.0231 or Education Code Chapter 31, Subchapter B-1;
3. Open education resource instructional materials submitted by eligible institutions and adopted by the SBOE;

4. Open education resource instructional materials made available by other public schools;

5. Instructional materials developed or purchased by the district; and

6. Open education resource instructional materials and other electronic instructional materials included in the repository under Education Code 31.083.

Each district shall certify, in a format approved by the commissioner, that the district protects against access to obscene or harmful content in compliance with the requirements for certification under the Children's Internet Protection Act, 47 U.S.C. 254(h)(5)(B) and (C). [See CQ]

The certifications shall be ratified by the board in a public, noticed meeting.

Education Code 31.004; 19 TAC 66.105

Ownership

Except as otherwise provided, a student must return all instructional materials to the teacher at the end of the school year or when the student withdraws from school. At the end of the school year for which open education resource instructional material that a district does not intend to use for another student is distributed, the printed copy of the open education resource instructional material becomes the property of the student to whom it is distributed.

This provision does not apply to an electronic copy of open education resource instructional material.

Education Code 31.104(c), (g)–(h); 19 TAC 66.107(b)

Responsibility for Instructional Materials and Equipment

Each student or the student's parent or guardian is responsible for all instructional material and technological equipment not returned in an acceptable condition by the student. A student who fails to return in an acceptable condition all instructional materials and technological equipment forfeits the right to free instructional materials and technological equipment until all instructional materials and technological equipment previously issued but not returned in an acceptable condition are paid for by the student, parent, or guardian.

As provided by board policy, a district may waive or reduce the payment required if the student is from a low-income family. [See FP] The district shall allow the student to use instructional materials and technological equipment at school during each school day.

If instructional materials or technological equipment is not returned in an acceptable condition or paid for, a district may withhold the

student's records. A district may not prevent the student from graduating, participating in a graduation ceremony, or receiving a diploma. [See FL and GBA regarding student and parental right to access records; and FD, FFAB, and FL regarding a district's duties to provide records to another district]

The board may not require an employee of the district who acts in good faith to pay for instructional materials or technological equipment that is stolen, misplaced, or not returned by a student. [See DG]

These provisions do not apply to an electronic copy of open education resource instructional material.

Education Code 31.104(d), (e), (h); 19 TAC 66.107(c) [See also EF]

Acceptable Condition

Printed instructional materials are considered to be in acceptable condition if:

1. The cover, binding, pages, spine, and all integral components of the instructional materials are wholly intact and the instructional materials are fully usable by students; and
2. No component of the instructional materials is soiled, torn, or damaged (whether intentionally or by lack of appropriate care) to the extent that any portion of the content is too disfigured or obscured to be fully accessible to other students.

Electronic instructional materials are considered to be in acceptable condition if:

1. All components or applications that are a part of the electronic instructional materials are returned;
2. The electronic materials perform as they did when they were new;
3. The electronic instructional materials do not contain computer code (e.g., bug, virus, worm, or similar malicious software) that has been designed to self-replicate, damage, change, or otherwise hinder the performance of any computer's memory, file system, or software; and
4. The electronic instructional materials have not been installed with plug-ins, snap-ins, or add-ins without the prior approval of the district.

Technological equipment is considered to be in acceptable condition if:

1. The equipment is returned with the software and hardware in their original condition unless the district authorized changes; and
2. The physical condition of the equipment is fully usable as it was originally intended to be used.

19 TAC 66.1310

Lost or Damaged Instructional Materials — A district may order replacements for instructional materials that have been lost or damaged directly from the publisher of the instructional materials or any source for a printed copy of open education resource instructional material. *Education Code 31.104*

Sale or Disposal — The board shall determine how the district will dispose of discontinued printed instructional materials, electronic instructional materials, and technological equipment.

Sale — The board may sell printed instructional materials on the date the instructional material is discontinued for use in the public schools by the SBOE or the commissioner. The board may also sell electronic instructional materials and technological equipment owned by the district.

Use of Proceeds — Any funds received by a district from a sale must be used to purchase instructional materials and technological equipment allowed under Education Code 31.0211.

Disposal — The board may dispose of printed instructional material before the date the instructional material is discontinued for use in the public schools by the SBOE if the board determines that the instructional material is not needed by the district and the board does not reasonably expect that the instructional material will be needed. A district must notify the commissioner of any instructional material the district disposes of under this provision.

Education Code 31.105

Annual Inventory — A district shall conduct an annual physical inventory of all currently adopted instructional materials that have been requisitioned by and delivered to the district. The results of the inventory shall be recorded in the district's files. *19 TAC 66.107(a)*

Local Handling Expenses — School districts shall not be reimbursed from state funds for expenses incurred in local handling of instructional materials. *19 TAC 66.104(d)*

Safety Standards

A district shall meet or exceed the safety standards for school buses established by the Department of Public Safety (DPS), with the advice of the Texas Education Agency (TEA). A district that fails or refuses to meet these safety standards for school buses is ineligible to share in the transportation allotment until the first anniversary of the date the district begins complying with the safety standards. *Education Code 34.002; Transp. Code 547.102; 37 TAC 14.51–.52*

Student Safety

Prohibitions

A district may not require or allow a child to stand on a moving bus or passenger van. *Education Code 34.004*

An operator of a school bus, while operating the bus, shall prohibit a passenger from:

1. Standing in the bus; or
2. Sitting:
    a. On the floor of the bus, or
    b. In any location on the bus that is not designed as a seat.

Transp. Code 545.426

Seat Belts

Required on Buses

A bus, including a school bus, a school activity bus, multifunction school activity bus, or school-chartered bus, operated by or contracted for use by a district for the transportation of schoolchildren shall be equipped with a three-point seat belt for each passenger, including the operator. This requirement does not apply to:

1. A bus purchased by a school district that is a model year 2017 or earlier; or
2. A bus purchased by a school district that is a model year 2018 or later if the board:
    a. Determines that the district's budget does not permit the district to purchase a bus that is equipped with the required seat belts; and
    b. Votes to approve that determination in a public meeting.

Transp. Code 547.701(e)

Student Requirement

A district shall require a student riding a bus operated by or contracted for operation by the district to wear a seat belt if the bus is equipped with seat belts for all passengers on the bus. A school district may implement a disciplinary policy to enforce the use of seat belts by students. *Education Code 34.013*

Donations

A board shall consider any offer made by a person to donate three-point seat belts or money for the purchase of three-point seat belts for a district's school buses. A board may accept or decline the offer after adequate consideration.

A board may acknowledge a person who donates three-point seat belts or money for the purchase of three-point seat belts for a school bus by displaying a small, discreet sign on the side or back of the bus recognizing the person who made the donation. The sign may not serve as an advertisement for the person who made the donation.

Education Code 34.014

Use of Warning Signals

When a school bus is being stopped or is stopped on a highway to permit students to board or exit the bus, the operator of the bus shall activate all flashing warning signal lights and other equipment on the bus designed to warn other drivers that the bus is stopping to load or unload children.

A person may not operate a light or other equipment described above except when a school bus is being stopped or is stopped on a highway to:

1. Permit a student to board or exit the bus; or
2. Distribute to a student or the parent or guardian of a student:
    a. Food; or
    b. Technological equipment for use by the student for educational purposes.

Transp. Code 547.701(c), (c-1)

Wireless Communication Devices

An operator commits an offense if the operator uses a portable wireless communication device to read, write, or send an electronic message while operating a motor vehicle unless the vehicle is stopped. *Transp. Code 545.4251(b)*

General Rule

School Property

An operator may not use a wireless communication device while operating a motor vehicle within a school crossing zone or on the property of a public elementary, middle, junior high, or high school served by a school crossing zone, during the time a reduced speed limit is in effect for the school crossing zone, unless:

1. The vehicle is stopped; or
2. The wireless communication device is used with a hands-free device.

Transp. Code 545.4252

An operator may not use a wireless communication device while operating a school bus or passenger bus with a minor passenger on the bus unless the bus is stopped. This provision does not apply to an operator of a school bus or passenger bus using a wireless communication device in the performance of the operator's duties as a bus driver and in a manner similar to using a two-way radio. *Transp. A determination that an employee failed to disclose required information is grounds for termination of employment.

SBEC may revoke the certificate of an administrator if the board determines it is reasonable to believe that the administrator employed an applicant for a position described by Education Code 21.003(a) or (b) despite being aware that the applicant had been adjudicated for or convicted of having an inappropriate relationship with a minor.

Fair Labor Standards Act

Minimum Wage and Overtime

Unless an exemption applies, a district shall pay each of its employees not less than minimum wage for all hours worked. *29 U.S.C. 206(a)(1)*

Unless an exemption applies, a district shall pay an employee not less than one and one-half times the employee's regular rate of pay for all hours worked in excess of 40 in any workweek. *29 U.S.C. 207(a)(1); 29 C.F.R. pt. 778*

Breaks for Nonexempt Employees

Rest periods of up to 20 minutes must be counted as hours worked. Coffee breaks or time for snacks are rest periods, not meal periods. *29 C.F.R. 785.18*

Bona fide meal periods of 30 minutes or more are not counted as hours worked if the employee is completely relieved from duty. The employee is not relieved from duty if the employee is required to perform any duties, whether active or inactive, while eating. For example, an office employee who is required to eat at his or her desk is working while eating. It is not necessary that an employee be permitted to leave the premises if the employee is otherwise completely freed from duties during the meal period. *29 C.F.R. 785.19*

Compensatory Time

Accrual

Nonexempt employees may receive, in lieu of overtime compensation, compensatory time off at a rate of not less than one and one-half hours for each hour of overtime work, pursuant to an agreement or understanding arrived at between the employer and employee before the performance of the work. Such agreement or understanding may be informal, such as when an employee works overtime knowing that the employer rewards overtime with compensatory time.

An employee may accrue not more than 240 hours of compensatory time. If the employee's overtime work included a public safety activity, an emergency response activity, or a seasonal activity, the employee may accrue not more than 480 hours of compensatory time. After the employee has reached these limits, the employee shall be paid overtime compensation for additional overtime work.

Payment for Accrued Time

Compensation paid to an employee for accrued compensatory time shall be paid at the regular rate earned by the employee at the time of payment. An employee who has accrued compensatory time off shall be paid for any unused compensatory time upon separation from employment at the rates set forth at 29 U.S.C. 207(o)(4).

Use

An employee who has requested the use of compensatory time shall be permitted to use such time within a reasonable period after making the request if the use of the compensatory time does not unduly disrupt the operations of the district.

The Fair Labor Standards Act (FLSA) does not prohibit a district from compelling the use of accrued compensatory time.

29 U.S.C. 207(o); Christensen v. Harris Cnty., 529 U.S. 576 (2000); Houston Police Officers' Union v. City of Houston, 330 F.3d 298 (5th Cir. 2003)

Exempt Employees

The minimum wage and overtime provisions do not apply to any employee employed in a bona fide executive, administrative, or professional capacity. *29 U.S.C. 213(a)(1)*

Academic Administrators

The term ''employee employed in a bona fide administrative capacity'' includes an employee:

1. Compensated on a salary or fee basis at a rate of not less than $684 per week, exclusive of board, lodging, or other facilities; or on a salary basis which is at least equal to the entrance salary for teachers in the district by which employed; and

2. Whose primary duty is performing administrative functions directly related to academic instruction or training in a district or department or subdivision thereof.

"Performing administrative functions directly related to academic instruction or training'' means work related to the academic operations and functions in a school rather than to administration along the lines of general business operations. Such academic administrative functions include operations directly in the field of education. Jobs relating to areas outside the educational field are not within the definition of academic administration.

Employees engaged in academic administrative functions include:

1. The superintendent or other head of an elementary or secondary school system, and any assistants, responsible for administration of such matters as curriculum, quality and methods of instructing, measuring and testing the learning potential and achievement of students, establishing and maintaining academic and grading standards, and other aspects of the teaching program;

2. The principal and any vice principals responsible for the operation of an elementary or secondary school;

3. Academic counselors who perform work such as administering school testing programs, assisting students with academic problems and advising students concerning degree requirements; and

4. Other employees with similar responsibilities.

Jobs relating to building management and maintenance, jobs relating to the health of the students, and academic staff such as social workers, psychologists, lunchroom managers, or dietitians do not perform academic administrative functions, although such employees may qualify for another exemption.

29 C.F.R. 541.204

Salary Basis

To qualify as an exempt executive, administrative, or professional employee, the employee must be compensated on a salary basis, unless the employee is a teacher. Subject to the exceptions listed in the rule, an employee must receive the full salary for any week in which the employee performs any work, without regard to the number of days or hours worked. A district that makes improper deductions from salary shall lose the exemption if the facts demonstrate that the district did not intend to pay exempt employees on a salary basis. *29 C.F.R. 541.600, .602(a), .603*

Partial-Day Deductions

A district employee who otherwise meets the salary basis requirements shall not be disqualified from exemption on the basis that the employee is paid according to a pay system established by statute, ordinance, or regulation, or by a policy or practice established pursuant to principles of public accountability, under which the employee accrues personal leave and sick leave and which requires the employee's pay to be reduced or the employee to be placed on leave without pay for absences for personal reasons or because of illness or injury of less than one workday when accrued leave is not used by an employee because:

1. Permission for its use has not been sought or has been sought and denied;
2. Accrued leave has been exhausted; or
3. The employee chooses to use leave without pay.

Deductions from the pay of a district employee for absences due to a budget-required furlough shall not disqualify the employee from being paid on a salary basis except in the workweek in which the furlough occurs and for which the employee's pay is accordingly reduced.

29 C.F.R. 541.710

Safe Harbor Policy

If a district has a clearly communicated policy that prohibits improper pay deductions and includes a complaint mechanism, reimburses employees for any improper deductions, and makes a good faith commitment to comply in the future, the district will not lose the exemption unless the district willfully violates the policy by con-

tinuing to make improper deductions after receiving employee complaints.

The best evidence of a clearly communicated policy is a written policy that was distributed to employees before the improper pay deductions by, for example, providing a copy of the policy to employees upon hire, publishing the policy in an employee handbook, or publishing the policy on a district's intranet.

29 C.F.R. 541.603(d)

Teachers

The term ''employee employed in a bona fide professional capacity'' includes any employee with a primary duty of teaching, tutoring, instructing, or lecturing in the activity of imparting knowledge and who is employed and engaged in this activity as a teacher in an elementary or secondary school system by which the employee is employed. The salary basis requirements do not apply to teaching professionals.

Exempt teachers include:

1. Regular academic teachers;
2. Teachers of kindergarten or nursery school pupils;
3. Teachers of gifted or disabled children;
4. Teachers of skilled and semi-skilled trades and occupations;
5. Teachers engaged in automobile driving instruction;
6. Home economics teachers; and
7. Vocal or instrumental music instructors.

Those faculty members who are engaged as teachers but also spend a considerable amount of their time in extracurricular activities such as coaching athletic teams or acting as moderators or advisors in such areas as drama, speech, debate, or journalism are engaged in teaching. Such activities are a recognized part of the schools' responsibility in contributing to the educational development of the student.

The possession of an elementary or secondary teacher's certificate provides a clear means of identifying the individuals contemplated as being within the scope of the exemption for teaching professionals. Teachers who possess a teaching certificate qualify for the exemption regardless of the terminology (e.g., permanent, conditional, standard, provisional, temporary, emergency, or unlimited) used by the state to refer to different kinds of certificates. However, a teacher who is not certified may be considered for

exemption, provided that such individual is employed as a teacher by the employing school or school system.

29 C.F.R. 541.303

Wage and Hour Records

A district shall maintain and preserve payroll or other records for nonexempt employees containing the information required by the regulations under the FLSA. *29 C.F.R. 516.2(a)*

Payday Law Exemption

The Texas Payday Law does not apply to the state or a political subdivision. *Labor Code 61.003*

Leave Administration

The Superintendent shall develop administrative regulations addressing employee leaves and absences to implement the provisions of this policy.

Definitions

The term "immediate family" is defined as:

Immediate Family

1. Spouse.
2. Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands *in loco parentis*.
3. Parent, stepparent, parent-in-law, or other individual who stands *in loco parentis* to the employee.
4. Sibling, stepsibling, and sibling-in-law.
5. Grandparent and grandchild.
6. Any person residing in the employee's household at the time of illness or death.

For purposes of the Family and Medical Leave Act (FMLA), the definitions of spouse, parent, son or daughter, and next of kin are found in DECA(LEGAL).

Family Emergency

The term "family emergency" shall be limited to disasters and life-threatening situations involving the employee or a member of the employee's immediate family.

Leave Day

A "leave day" for purposes of earning, using, or recording leave shall mean the number of hours per day equivalent to the employee's usual assignment, whether full-time or part-time.

School Year

A "school year" for purposes of earning, using, or recording leave shall mean the term of the employee's annual employment as set by the District for the employee's usual assignment, whether full-time or part-time.

Catastrophic Illness or Injury

A catastrophic illness or injury is a severe condition or combination of conditions affecting the mental or physical health of the employee or a member of the employee's immediate family that requires the services of a licensed practitioner for a prolonged period of time and that forces the employee to exhaust all leave time earned by that employee and to lose compensation from the District. Such conditions typically require prolonged hospitalization or recovery or are expected to result in disability or death. Conditions relating to pregnancy or childbirth shall be considered catastrophic if they meet the requirements of this paragraph.

Note: For District contribution to employee insurance during leave, see CRD(LOCAL).

Availability

The District shall make state personal leave and local leave for the current year available for use at the beginning of the school year.

State Leave Proration

If an employee separates from employment with the District before his or her last duty day of the school year or begins employment after the first duty day of the school year, state personal leave shall be prorated based on the actual time employed.

If an employee separates from employment before the last duty day of the school year, the employee's final paycheck shall be reduced for state personal leave the employee used beyond his or her pro rata entitlement for the school year.

Medical Certification

An employee shall submit medical certification of the need for leave if:

1. The employee is absent more than three consecutive workdays because of personal illness or illness in the immediate family;
2. The District requires medical certification due to a questionable pattern of absences or when deemed necessary by the supervisor or Superintendent; or
3. The employee requests FMLA leave for the employee's serious health condition; a serious health condition of the employee's spouse, parent, or child; or for military caregiver leave.

In each case, medical certification shall be made by a health-care provider as defined by the FMLA. [See DECA(LEGAL)]

State Personal Leave

The Board requires employees to differentiate the manner in which state personal leave is used.

Nondiscretionary Use

Nondiscretionary use of leave shall be for the same reasons and in the same manner as state sick leave accumulated before May 30, 1995. [See DEC(LEGAL)]

Nondiscretionary use includes leave related to the birth or placement of a child and taken within the first year after the child's birth, adoption, or foster placement.

Discretionary Use

Discretionary use of leave is at the individual employee's discretion, subject to limitations set out below.

Request for Leave

In deciding whether to approve or deny a request for discretionary use of state personal leave, the supervisor shall not seek or consider the reasons for which an employee requests to use leave. The supervisor shall, however, consider the duration of the requested absence in conjunction with the effect of the employee's absence on the educational program and District operations, as well as the availability of substitutes.

Discretionary use of state personal leave shall not exceed three consecutive workdays.

Local Leave

Each full-time employee shall earn five paid local leave days per school year in accordance with administrative regulations.

Local leave shall accumulate without limit.

Local leave shall be used according to the terms and conditions of state personal leave. [See State Personal Leave, above]

Sick Leave Bank

The District shall establish a sick leave bank that employees may join through contribution of local leave.

Leave contributed to the bank shall be solely for the use of participating employees. An employee who is a member of the bank may request leave from the bank if the employee experiences a catastrophic illness or injury and has exhausted all paid leave and any applicable compensatory time.

The Superintendent shall develop regulations for the operation of the sick leave bank that address the following:

1. Membership in the sick leave bank, including the number of days an employee must contribute to become a member;
2. Procedures to request leave from the sick leave bank;
3. The maximum number of days per school year a member employee may receive from the sick leave bank;
4. The committee or administrator authorized to consider requests for leave from the sick leave bank and criteria for granting requests; and
5. Other procedures deemed necessary for the operation of the sick leave bank.

Appeal

An employee may appeal a decision regarding the sick leave bank in accordance with DGBA(LOCAL), beginning with the Superintendent or appropriate administrator.

Sick Leave Pool

An employee who has exhausted all paid leave as well as any applicable compensatory time and who is absent due to the catastrophic illness or injury of a member of the employee's immediate family may request the establishment of a sick leave pool, to which District employees may donate local leave for use by the eligible employee.

The pool shall cease to exist when the employee no longer needs leave for the purpose requested, uses the maximum number of days allowed under a pool, or exhausts all leave days donated to the sick leave pool.

The Superintendent shall develop regulations for the implementation of the sick leave pool that address the following:

1. Procedures to request the establishment of a sick leave pool;
2. The maximum number of days an employee may donate to a sick leave pool;
3. The maximum number of days per school year an eligible employee may receive from a sick leave pool; and
4. The return of unused days to donors.

Appeal

An employee may appeal a decision regarding the establishment or implementation of the District's sick leave pool in accordance with DGBA(LOCAL), beginning with the Superintendent or appropriate administrator.

Peace Officers

Mental Health Leave

A District peace officer who experiences a traumatic event in the scope of employment shall be granted a maximum of three days of mental health leave per traumatic event. Such leave shall be provided in accordance with administrative regulations and shall not be deducted from the employee's pay or leave balance.

The Superintendent shall develop regulations regarding mental health leave that address the following:

1. Circumstances or reasons under which a peace officer may use mental health leave;
2. Procedures for requesting mental health leave and maintaining the anonymity of the requester;
3. The administrator authorized to approve requests for mental health leave; and
4. Other procedures deemed necessary for administering this provision.

Quarantine Leave	A District peace officer shall be granted quarantine leave when ordered by the local health authority or the peace officer's supervisor to quarantine or isolate due to possible or known exposure to a communicable disease while on duty. Such leave shall be provided in accordance with administrative regulations and shall not be deducted from the employee's pay or leave balance. The Superintendent shall develop regulations regarding quarantine leave that address the following: 1. Continuation of all employment benefits and compensation for the duration of the leave; 2. Reimbursement for reasonable costs related to the quarantine; and 3. Other procedures deemed necessary for administering this provision.
Family and Medical Leave	FMLA leave shall run concurrently with applicable paid leave and compensatory time, as applicable.
	Note: See DECA(LEGAL) for provisions addressing FMLA.
Twelve-Month Period	For purposes of an employee's entitlement to FMLA leave, the 12-month period shall be measured backward from the date an employee uses FMLA leave.
Combined Leave for Spouses	When both spouses are employed by the District, the District shall limit FMLA leave for the birth, adoption, or placement of a child, or to care for a parent with a serious health condition, to a combined total of 12 weeks. The District shall limit military caregiver leave to a combined total of 26 weeks.
Intermittent or Reduced Schedule Leave	The District shall not permit use of intermittent or reduced schedule FMLA leave for the care of a newborn child or for the adoption or placement of a child with the employee.
Certification of Leave	When an employee requests leave, the employee shall provide certification, in accordance with FMLA regulations, of the need for leave.
Fitness-for-Duty Certification	In accordance with administrative regulations, when an employee takes FMLA leave due to the employee's own serious health condition, the employee shall provide, before resuming work, a fitness-for-duty certification.
Leave at the End of Semester	When a teacher takes leave near the end of the semester, the District may require the teacher to continue leave until the end of the semester.

Temporary Disability Leave

Any full-time employee whose position requires educator certification by the State Board for Educator Certification or by the District shall be eligible for temporary disability leave. The maximum length of temporary disability leave shall be 180 calendar days. [See DBB(LOCAL) for temporary disability leave placement and DEC(LEGAL) for return to active duty.]

An employee's notification of need for extended absence due to the employee's own medical condition shall be forwarded to the Superintendent as a request for temporary disability leave.

The District shall require the employee to use temporary disability leave and paid leave, including any compensatory time, concurrently with FMLA leave.

Workers' Compensation

Note: Workers' compensation is not a form of leave. The workers' compensation law does not require the continuation of the District's contribution to health insurance.

An absence due to a work-related injury or illness shall be designated as FMLA leave, temporary disability leave, and/or assault leave, as applicable.

No Paid Leave Offset

The District shall not permit the option for paid leave offset in conjunction with workers' compensation income benefits. [See CRE]

Court Appearances

Absences due to compliance with a valid subpoena or for jury duty shall be fully compensated by the District and shall not be deducted from the employee's pay or leave balance.

Payment for Accumulated Leave Upon Retirement

The following leave provisions shall apply to local leave accumulated beginning on July 1, 2010.

An employee who retires from the District shall be eligible for payment for accumulated local leave under the following conditions:

1. The employee is retiring through the Teacher Retirement System of Texas (TRS).
2. The employee provides advance written notice of intent to retire. Contract employees must provide written notice at least 90 days before the last day of employment. Noncontract employees must provide written notice at least two weeks before the last day of employment.

The employee shall receive payment for each day of accumulated local leave at the daily substitute rate established by the Board. If the employee is reemployed with the District, days for which the employee received payment shall not be available to that employee.

The rate established by the Board shall be in effect until the Board adopts a new rate. Any changes to the rate shall apply beginning with the school year following the adoption of the rate change.

Neutral Absence Control

An employee who has excessive absences equal to four workdays during the school year may be recommended for termination in accordance with this policy, other applicable policies, and applicable law. [See DF series]

Definitions

Definitions used in these provisions shall be as follows:

1. Excessive absence shall mean a failure to appear for work when no leave applies to the absence and the absence is not excused on any other basis in policy or law. Elective leaves, if any, apply to and excuse an absence only when the leave has been duly elected by the employee and approved by the District, and the absence qualifies for and falls within the leave period.
2. Workdays shall be those days on which the employee is required to perform services for the District in compliance with policy and the employment agreement between the parties.

Use of Leave

Prior to termination or recommendation for termination under these provisions, an employee shall be provided with notice of the employee's rights to apply for leave.

Due Process

An employee shall receive any process to which he or she is entitled in law or in policy prior to termination. [See DF series]

Reasonable Accommodation, Restoration, and Reemployment

When required by law, reasonable accommodation and/or restoration to the same, an equivalent, or another position shall be afforded. [See DEC(LEGAL) and DAA(LEGAL)] Employees not qualifying for reasonable accommodations who are terminated may apply for and be considered on an equal basis with other applicants for other open employment positions.

School Library

A district possesses significant discretion to determine the content of its school libraries. A district must, however, exercise its discretion in a manner consistent with the First Amendment.

Removal of Library Materials

Students' First Amendment rights are implicated by the removal of books from the shelves of a school library. A district shall not remove materials from a library for the purpose of denying students access to ideas with which the district disagrees. A district may remove materials because they are pervasively vulgar or based solely upon the educational suitability of the books in question.

Bd. of Educ. v. Pico, 457 U.S. 853 (1982)

Instructional Materials

Instructional materials selected for use in the public schools shall be furnished without cost to students attending those schools. Except as provided by Education Code 31.104(d), a district may not charge a student for instructional material or technological equipment purchased by the district with the district's technology and instructional materials allotment [see CMD]. *Education Code 31.001*

Parental Access

A parent is entitled to:

1. Review all teaching materials, instructional materials, including while the child is participating in virtual or remote learning, and other teaching aids used in the classroom of the parent's child;
2. Review each test administered to the child after the test is administered; and
3. Observe virtual instruction while the parent's child is participating in virtual or remote learning to the same extent the parent would be entitled to observe in-person instruction of the child.

A district shall make teaching materials and tests readily available for parental review and may specify reasonable hours for such review.

Taking Home Materials

A student's parent is entitled to request that a district allow the student to take home any instructional materials used by the student. Subject to the availability of the instructional materials, a district or school shall honor the request. A student who takes home instructional materials must return the instructional materials to school at the beginning of the next school day if requested to do so by the student's teacher.

Students Without Reliable Access to Technology

A district must provide the instructional materials to the student in printed format if the student does not have reliable access to technology at the student's home. This requirement does not require a

district to purchase printed copies of instructional materials that the district would not otherwise purchase. A district may comply with this requirement by providing the student a printout of the relevant electronic instructional materials.

Learning Management System or Online Portal

A district that uses a learning management system or any online learning portal to assign, distribute, present, or make available instructional materials as defined by Education Code 31.002 [see EFA] to students shall provide login credentials to the system or portal to each student's parent.

Education Code 26.006

Harmful Materials

"Harmful material" means material whose dominant theme taken as a whole:

1. Appeals to the prurient interest of a minor, in sex, nudity, or excretion;
2. Is patently offensive to prevailing standards in the adult community as a whole with respect to what is suitable for minors; and
3. Is utterly without redeeming social value for minors.

Penal Code 43.24(a)

Obscene

"Obscene" means material or a performance:

1. The average person, applying contemporary community standards, would find that taken as a whole appeals to the prurient interest in sex;
2. Depicts or describes
    a. Patently offensive representations or descriptions of ultimate sexual acts, normal or perverted, actual or simulated, including sexual intercourse, sodomy, and sexual bestiality; or
    b. Patently offensive representations or descriptions of masturbation, excretory functions, sadism, masochism, lewd exhibition of the genitals, the male or female genitals in a state of sexual stimulation or arousal, covered male genitals in a discernibly turgid state or a device designed and marketed as useful primarily for stimulation of the human genital organs; and
3. Taken as a whole, lacks serious literary, artistic, political, and scientific value.

Penal Code 43.21(1)

Information Collection and Access

U.S. ED–Funded Surveys (PPRA)

Consent Required

Under the Protection of Pupil Rights Amendment (PPRA), no student shall be required, as part of any program funded in whole or in part by the U.S. Department of Education (ED), to submit to a survey, analysis, or evaluation that reveals information concerning the topics listed at Protected Information, below, without the prior consent of the student (if the student is an adult or emancipated minor), or, in the case of an unemancipated minor, without the prior written consent of the parent. *20 U.S.C. 1232h(b)*

Parental Inspection

All instructional materials, including teacher's manuals, films, tapes, or other supplementary material, that will be used in connection with any survey, analysis, or evaluation as part of any program funded in whole or in part by the U.S. ED shall be available for inspection by the parents or guardians of the children. *20 U.S.C. 1232h(a)*

Information Collection Funded by Other Sources

Policies

Except as provided by 20 U.S.C. 1232h(a) or (b) [see U.S. ED Funded Surveys, above], as a condition of receiving funds for a program funded in whole or in part by the U.S. ED, a district shall develop and adopt policies, in consultation with parents, pursuant to 20 U.S.C. 1232h(c)(1), regarding the following:

1. The parent's right to inspect a survey created by a third party before the survey is administered or distributed by a school to the student and any applicable procedures for granting a request by a parent for reasonable access to such survey within a reasonable period of time after the request is received.
2. A district's arrangements to protect student privacy in the event a survey containing one or more of the items listed under Protected Information, below, is administered or distributed to a student.
3. The parent's right to inspect any instructional material used in the educational curriculum for the student and any applicable procedures for granting a request by a parent for reasonable access to instructional material within a reasonable period of time after the request is received.
4. The administration of physical examinations or screenings that a district may administer to the student.
5. The collection, disclosure, or use of personal information collected from students for the purpose of marketing or selling that information. This provision does not apply to use of personal information collected from students for the exclusive purpose of developing, evaluating, or providing educational products or services for or to students or educational institutions, such as recruiters, book clubs, curriculum and instruc-

tional materials used by schools, sale by students of products or services to raise funds for school-related or education-related activities, or student recognition programs.

6. The parent's right to inspect any instrument used in collection of personal information in item 5 above, before the instrument is administered and any applicable procedures for granting a request by a parent for reasonable access to such instrument within a reasonable period of time after the request is received.

A district need not develop and adopt new policies if TEA or the district had in place, on January 8, 2002, policies covering the requirements of 20 U.S.C. 1232h(c)(1). [See CRD, FFAA, FL, and FNG]

Parental Notification

A district shall provide for reasonable notice of the adoption or continued use of such policies directly to the parents of the students enrolled in schools served by the district. At a minimum, a district shall:

1. Provide notice at least annually, at the beginning of the school year and within a reasonable time after any substantive change in the policies; and

2. Offer an opportunity for the parent to opt the student out of participation in an activity described below.

A district shall directly notify the parent of a student, at least annually at the beginning of the school year, of the specific or approximate dates during the school year when activities, described below, are scheduled or expected to be scheduled. The following activities require notification under this section:

1. Activities involving the collection, disclosure, or use of personal information collected from students for the purpose of marketing or for selling that information.

2. The administration of any survey containing one or more items described at Protected Information, below.

3. Any nonemergency, invasive physical examination or screening that is required as a condition of attendance, administered and scheduled by the school in advance, and not necessary to protect the immediate health and safety of the student or of other students.

20 U.S.C. 1232h(c)(1)–(4) [See FFAA]

Protected Information

Protected information addressed by 20 U.S.C. 1232h includes:

1. Political affiliations or beliefs of the student or the student's parents.
2. Mental and psychological problems of the student or the student's family.
3. Sex behavior and attitudes.
4. Illegal, anti-social, self-incriminating, and demeaning behavior.
5. Critical appraisals of other individuals with whom respondents have close family relationships.
6. Legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers.
7. Religious practices, affiliations, or beliefs of the student or student's parent.
8. Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program).

20 U.S.C. 1232h(b), (c)(1)(B)

"Personal Information" Defined

The term "personal information" means individually identifiable information, including a student's:

1. First and last name;
2. Home or physical address, including street name and city or town;
3. Telephone number; or
4. Social security identification number.

Parent Involvement

A district shall take steps to ensure that one or both parents of a student with a disability are present at each ARD committee meeting or are afforded an opportunity to participate, including:

1. Notifying the parents of the meeting early enough to ensure that they will have an opportunity to attend (the notice shall include the purpose, time, and location of the meeting, who will be in attendance, that persons with knowledge or special expertise may be invited by either the parent or the district, and that the Part C service coordinator or other representatives of the Part C system may be invited to the initial meeting for a child previously served under a Part C early childhood intervention program); and
2. Scheduling the meeting at a mutually agreed on time and place.

If the purpose of the meeting is to consider transition services, the notice must also indicate this purpose, indicate that the district will invite the student, and identify any other agency that will be invited to send a representative.

34 C.F.R. 300.322(a)–(b); 19 TAC 89.1050(d)

Alternative Means of Meeting Participation

If neither parent can attend an ARD meeting, the district must allow other methods of participation, such as through telephone calls or video conferencing. *20 U.S.C. 1414(f); 34 C.F.R. 300.322(c); 19 TAC 89.1050(d)*

An ARD meeting may be conducted without a parent in attendance if a district is unable to convince the parents that they should attend, but the district shall have a record of its attempts to arrange a mutually agreed on time and place, such as detailed records of telephone calls, correspondence, or visits made or attempted and the results of any of those actions. *34 C.F.R. 300.322(d)*

Meetings

A district shall initiate and conduct ARD committee meetings for the purpose of developing, reviewing, and revising the IEP of a child with a disability. The committee shall review each child's IEP periodically, and, if appropriate, revise the IEP. A meeting must be held for this purpose at least once a year. The ARD committee must also determine the child's placement once a year.

A "meeting" does not include informal or unscheduled conversations involving district personnel and conversations on issues such as teaching methodology, lesson plans, or coordination of service provisions if those issues are not addressed in the child's IEP. A "meeting" also does not include preparatory activities that district

personnel engage in to develop a proposal or response to a parent proposal that will be discussed at a later meeting.

20 U.S.C. 1414(d)(4); 34 C.F.R. 300.116(b)(1), .324(b), (c)(1), .501(b)(3)

Meeting at Parent's Request

Upon receipt of a written request for an ARD committee meeting from a parent, the school district must schedule and convene a meeting in accordance with the procedures in 19 Administrative Code 89.1050(d) or within five school days, provide the parent with written notice explaining why the district refuses to convene a meeting. *19 TAC 89.1050(e)*

Written Notice

If a parent is unable to speak English, a district must provide the parent with a written notice regarding the ARD committee meeting required under 19 Administrative Code 89.1050(d) (notice for purposes of scheduling) or (e)(2) (notice explaining why the district refuses to convene a meeting) in the parent's native language, unless it is clearly not feasible to do so. If the parent's native language is not a written language, the school district must take steps to ensure that the notice is translated orally or by other means to the parent in his or her native language or other mode of communication so that the parent understands the content of the notice. *19 TAC 89.1050(f)*

Transfer Students

In-State Transfers

When a student transfers to a new district within the state in the same school year and the parents verify that the student was receiving special education services in the previous district or the previous district verifies in writing or by telephone that the student was receiving special education services, the new school district must meet the requirements of 34 C.F.R. 300.323(e) regarding the provision of special education services. The timeline for completing the requirements outlined in 34 C.F.R. 300.323(e)(1) or (2) is 30 school days from the date the student is verified as being a student eligible for special education services.

Transfers from Another State

When a student transfers from a district in another state in the same school year and the parents verify that the student was receiving special education services in the previous district or the previous district verifies in writing or by telephone that the student was receiving special education services, the new district must meet the requirements of 34 C.F.R. 300.323(f) regarding the provision of special education services. If the new district determines that an evaluation is necessary, the evaluation is considered a full individual and initial evaluation and must be completed within the timelines established by 19 Administrative Code 89.1011(c) and (e). The timeline for completing the requirements in 34 C.F.R. 300.323(f)(2), if appropriate, is 30 calendar days from the date of the completion of the evaluation report. If the school district deter-

mines that an evaluation is not necessary, the timeline for completing the requirements outlined in 34 C.F.R. 300.323(f)(2) is 30 school days from the date the student is verified as being a student eligible for special education services.

A student with a disability who has an IEP in place from a previous in- or out-of-state district and who enrolls in a new district during the summer is not considered a transfer student for the purposes of this provision or for 34 C.F.R. 300.323(e) or (f). For these students, the new district must implement the IEP from the previous district in full on the first day of class of the new school year or must convene an ARD committee meeting during the summer to revise the student's IEP for implementation on the first day of class of the new school year.

19 TAC 89.1050(j)

Transfer of Records

The district in which the child enrolls shall take reasonable steps to promptly obtain the child's records, including the IEP and supporting documents and any other records relating to the provision of special education or related services to the child, from the previous district.

The previous district shall take reasonable steps to promptly respond to the request from the new district and must furnish the new school district with a copy of the student's records, including the student's special education records, not later than the tenth working day after the date a request for the information is received by the previous school district.

20 U.S.C. 1414(d)(2)(C)(ii); 34 C.F.R. 300.323(g); 19 TAC 89.1050(j)(3)

Students Who Are Homeless or in Substitute Care

When a student who is homeless or in substitute care transfers into a district after being referred by a previous district for a special education evaluation, the receiving district must accept the referral and ensure that any written report of a full individual and initial evaluation is completed in accordance with the timelines established in 19 Administrative Code 89.1011 (relating to Full and Individual Initial Evaluation).

When a student who is homeless or in substitute care is eligible for special education and transfers into a new district during the school year, the receiving district must ensure that it meets the student transfer requirements of 19 Administrative Code 89.1050(j) (relating to the Admission, Review, and Dismissal Committee).

19 TAC 89.1615

Military Dependents

A district shall initially provide comparable services to a military student with disabilities based on his or her current IEP. This does not preclude the district from performing subsequent evaluations to ensure appropriate placement of the student. *Education Code 162.002 art. V, C* [See FDD]

Individualized Education Program

A district shall develop, review, and revise an IEP for each child with a disability. *20 U.S.C. 1412(a)(4); 34 C.F.R. 300.320(a)*

At the beginning of each school year, a district shall have in effect, for each child with a disability in its jurisdiction, an IEP. *20 U.S.C. 1414(d)(2)(A); 34 C.F.R. 300.323(a)*

The term "individualized education program" means a written statement for each student with a disability that documents the decisions of the ARD committee with respect to issues discussed at each committee meeting and includes:

1. A statement of the student's present levels of academic achievement and functional performance;
2. A statement of measurable annual goals, including academic and functional goals;
3. A description of how the student's progress toward the annual goals will be measured and when periodic reports on the progress of the student will be provided;
4. A statement of the specific special education and related services and supplementary aids and services, based on peer-reviewed research to the extent practicable, to be provided to the student;
5. A statement of the program modifications or supports for school personnel that will be provided for the student;
6. An explanation of the extent, if any, to which the student will not participate with nondisabled students in the regular class and in extracurricular and nonacademic activities;
7. The projected dates for initiation of services and modifications and the anticipated frequency, location, and duration of these services and modifications;
8. A statement of any individual appropriate and allowable accommodations that are necessary to measure the academic achievement and functional performance of the student on state or district-wide assessments;
9. If the ARD committee determines that the student must take an alternative assessment instead of a particular regular state

or district-wide assessment, a statement of why the student cannot participate in the regular assessment and why the particular assessment selected is appropriate for the student;

10. If the ARD committee determines that a student is in need of extended school year (ESY) services, identification of the goals and objectives that will be addressed during ESY services;

11. Beginning not later than when a student reaches 14 years of age and updated annually thereafter, the ARD committee's consideration and decisions regarding the transition issues under 19 Administrative Code 89.1055(h) [see EHBAD];

12. Beginning not later than the first IEP to be in effect when the student is 16, or younger if determined appropriate by the ARD committee, and updated annually thereafter, a statement of appropriate measurable postsecondary goals and transition services needed to assist the student in reaching those goals [see EHBAD];

13. Beginning not later than one year before the student reaches the age of 17, a statement that the student has been informed of the rights that will transfer to the student upon reaching the age of majority;

14. The date of the meeting;

15. The name, position, and signature of each member participating in the meeting; and

16. An indication of whether the child's parents, the adult student, if applicable, and the administrator agreed or disagreed with the decisions of the ARD committee.

20 U.S.C. 1414(d); 34 C.F.R. 300.320; Education Code 29.005(b-1), .011; 19 TAC 89.1055

The written statement of a student's IEP may be required to include only information included in the model form developed by the Texas Education Agency (TEA) under Education Code 29.0051(a) and posted on the TEA website. A district may use the model form to comply with the requirements for an IEP under 20 U.S.C. 1414(d). *Education Code 29.005(f), .0051*

IEP Supplement

For each child who was enrolled in a district's special education program during the 2019–20 school year or the 2020–21 school year, the district shall prepare a supplement to be included with the written statement of the IEP. For more information about the required supplement, see Education Code 29.0052 and the commis-

sioner rules, when adopted. This requirement expires September 1, 2023. *Education Code 29.0052*

Supplemental Special Education Services

The ARD committee of a student approved for participation in the supplemental special education services and instructional materials program shall provide to the student's parent at an ARD committee meeting for the student:

1. Information regarding the types of supplemental special education services available under the program and provided by agency-approved providers for which an account maintained under Education Code 29.042(b) for the student may be used; and

2. Instructions regarding accessing the account.

The supplemental special education services and instructional materials program (SSES) expires September 1, 2024.

Education Code 29.048

A district shall notify parents and guardians of students served by special education of the SSES program and how to apply.

A student's ARD committee may not consider a student's current or anticipated eligibility for any supplemental special education instructional materials or services that may be provided under the SSES program when developing or revising a student's IEP, when determining a student's educational setting, or in the provision of a free appropriate public education.

19 TAC 102.1601(i)-(j)

Behavioral Intervention Plan

The ARD committee may determine that a behavior improvement plan or a behavioral intervention plan is appropriate for a student for whom the committee has developed an IEP. *Education Code 29.005(g)*

If the committee makes that determination, the behavior improvement plan or behavioral intervention plan shall be included as part of the student's IEP and provided to each teacher with responsibility for educating the student.

If a behavior improvement plan or a behavioral intervention plan is included as part of a student's IEP, the ARD committee shall review the plan at least annually, and more frequently if appropriate, to address:

1. Changes in a student's circumstances that may impact the student's behavior, such as:

a. The placement of the student in a different educational setting;

b. An increase or persistence in disciplinary actions taken regarding the student for similar types of behavioral incidents;

c. A pattern of unexcused absences; or

d. An unauthorized, unsupervised departure from an educational setting; or

2. The safety of the student or others.

19 TAC 89.1055(g); Education Code 29.005(h)

Translation of IEP into Native Language

If the parent is unable to speak English and Spanish is the parent's native language, a district shall provide a written or audiotaped copy of the student's IEP translated into Spanish. If the parent's native language is other than Spanish or English, a district shall make a good faith effort to provide a written or audiotaped copy of the student's IEP translated into the parent's native language. *Education Code 29.005(d)*

A written copy of the student's IEP translated into Spanish or the parent's native language means that all of the text in the student's IEP in English is accurately translated into the target language in written form. The IEP translated into the target language must be a comparable rendition of the IEP in English and not a partial translation or summary of the IEP in English.

An audio recording of the student's IEP translated into Spanish or the parent's native language means that all of the content in the student's IEP in English is orally translated into the target language and recorded with an audio device. A district is not prohibited from providing the parent with an audio recording of an ARD committee meeting at which the parent was assisted by an interpreter as long as the audio recording provided to the parent contains an oral translation into the target language of all of the content in the student's IEP in English.

If a parent's native language is not a written language, the district must take steps to ensure that the student's IEP is translated orally or by other means to the parent in his or her native language or other mode of communication.

Under 34 C.F.R. 300.322(f), a district must give a parent a written copy of the student's IEP at no cost to the parent. A school district meets this requirement by providing a parent with a written copy of the student's IEP in English or by providing a parent with a written

translation of the student's IEP in the parent's native language as provided above.

19 TAC 89.1050(i)

Autism/Pervasive Developmental Disorder

For students with autism/pervasive developmental disorders, the following strategies shall be considered by the ARD committee, based on peer-reviewed, research-based educational programming practices to the extent practicable and, when needed, addressed in the IEP:

1. Extended educational programming;
2. Daily schedules reflecting minimal unstructured time and active engagement in learning activities;
3. In-home training and community-based training or viable alternatives that assist the student with the acquisition of social/behavioral skills;
4. Positive behavior support strategies based on relevant information;
5. Beginning at any age, futures planning for integrated living, work, community, and educational environments that considers skills necessary to function in current and postsecondary environments;
6. Parent/family training and support, provided by qualified personnel with experience in Autism Spectrum Disorders (ASD);
7. Suitable staff-to-student ratio appropriate to identified activities and as needed to achieve social/behavioral progress based on the student's developmental and learning level (acquisition, fluency, maintenance, generalization) that encourages work towards individual independence;
8. Communication interventions, including language forms and functions that enhance effective communication across settings;
9. Social skills supports and strategies based on social skills assessment/curriculum and provided across settings;
10. Professional educator/staff support; and
11. Teaching strategies based on peer-reviewed, research-based practices for students with ASD.

If the ARD committee determines that services are not needed in one or more of the areas in 1–11 above, the IEP shall include a

statement reflecting that decision and the basis upon which the determination was made.

19 TAC 89.1055(e)–(f)

Visual Impairment

If a district provides special education services to students with visual impairments, it shall have written procedures as required in Education Code 30.002(c)(10) (staff access to resources). *19 TAC 89.1075(b)*

Collaborative Process

All members of the ARD committee shall have the opportunity to participate in a collaborative manner in developing the IEP. Decisions of the ARD committee concerning the required elements of the IEP shall be made by mutual agreement, if possible. The ARD committee may agree to an annual IEP or an IEP of shorter duration.

Ten-Day Recess

When mutual agreement about all required elements of the IEP is not achieved, the parent who disagrees must be offered a single opportunity to recess and reconvene the ARD committee meeting. The period of time for reconvening the ARD committee meeting must not exceed ten school days, unless the parties mutually agree otherwise. The ARD committee must schedule the reconvened meeting at a mutually agreed upon time and place. The opportunity to recess and reconvene is not required when:

1. The student's presence on campus represents a danger of physical harm to the student or others;
2. The student has committed an expellable offense; or
3. The student has committed an offense that may lead to placement in a disciplinary alternative education program. [See FOF]

These requirements do not prohibit the ARD committee from recessing an ARD committee meeting for reasons other than the failure to reach mutual agreement about all required elements of an IEP.

During the recess, the ARD committee members must consider alternatives, gather additional data, prepare further documentation, and/or obtain additional resource persons who may assist in enabling the ARD committee to reach mutual agreement.

Failure to Reach Agreement

If a recess is implemented and the ARD committee still cannot reach mutual agreement, a district shall implement the IEP it has determined to be appropriate for the student. Each member of the ARD committee who disagrees with the IEP developed by the ARD

committee is entitled to include a statement of disagreement in the IEP.

If the IEP is not developed by agreement, the written statement of the program must include the basis of the disagreement. Each member of the ARD committee who disagrees with the IEP developed by the committee is entitled to include a statement of disagreement in the written statement of the program.

Education Code 29.005(c); 19 TAC 89.1050(g)

Modification of Existing IEP

Changes to the IEP may be made either by the entire ARD committee or by amending the IEP by agreement, rather than redrafting the entire IEP.

After the annual IEP meeting for a school year, the parent and district may agree not to convene an IEP meeting for the purposes of making changes to the IEP and instead may develop a written document to amend or modify the child's current IEP.

Upon request, a parent shall be provided with a revised copy of the IEP with amendments incorporated.

To the extent possible, a district shall encourage the consolidation of reevaluation meetings for the child and other ARD meetings for the child.

20 U.S.C. 1414(d)(3)(D)–(F); 34 C.F.R. 300.324(a)(4)–(6)

Teacher Access to IEP

Each district must ensure that each teacher who provides instruction to a student with a disability has access to relevant sections of the student's current IEP, is informed of the teacher's specific responsibilities related to implementation of the IEP, and has an opportunity to request assistance regarding implementation of the student's IEP. *19 TAC 89.1075(c)*

Teacher Request to Review IEP

Each district shall develop a process to be used by a teacher who instructs a student with a disability in a regular classroom setting:

1. To request a review of the student's IEP;
2. To provide input in the development of the student's IEP;
3. That provides for a timely district response to the teacher's request; and
4. That provides for notification to the student's parent or legal guardian of that response.

Video Surveillance of Special Education Settings

In order to promote student safety, on receipt of an authorized written request, a district shall provide equipment, including a video camera, to the campus in the district specified in the request.

Classroom or Other Setting

A campus that receives equipment shall place, operate, and maintain one or more video cameras in self-contained classrooms and other special education settings in which a majority of the students in regular attendance are provided special education and related services and are assigned to one or more self-contained classrooms or other special education settings for at least 50 percent of the instructional day, provided that:

1. A campus that receives equipment as a result of the request by a parent or staff member is required to place equipment only in classrooms or settings in which the parent's child is in regular attendance or to which the staff member is assigned, as applicable; and

2. A campus that receives equipment as a result of the request by a board of trustees, principal, or assistant principal is required to place equipment only in classrooms or settings identified by the requestor, if the requestor limits the request to specific classrooms or settings subject to Education Code 29.022.

Education Code 29.022(a)

Definitions

“Incident” means an event or circumstance that:

Incident

1. Involves alleged “abuse” or “neglect,” as described in Family Code 261.001, of a student by a staff member of the district or alleged “physical abuse” or “sexual abuse,” as described in Family Code 261.410, of a student by another student; and

School Business Day "School business day" means a day that campus or district administrative offices are open.

Self-contained Classroom "Self-contained classroom" means a classroom on a regular campus (i.e., a campus that serves students in general education and students in special education), including a room attached to the classroom used for time-out, but not including a classroom that is a resource room instructional arrangement under Education Code 48.102, in which a majority of the students in regular attendance are provided special education and related services for at least 50 percent of the instructional day and have one of the following instructional arrangements/settings described in the student attendance accounting handbook:

1. Self-contained (mild/moderate/severe) regular campus;
2. Full-time early childhood (preschool program for children with disabilities) special education setting;

Video Equipment "Video equipment" means one or more video cameras and any technology and equipment needed to place, operate, and maintain video cameras as required by Education Code 29.022 and 19 Administrative Code 103.1301. "Video equipment" also means any technology and equipment needed to store and access video recordings as required.

Education Code 29.022(a-3)–(b)

Video Camera Coverage

The video cameras must be capable of:

1. Covering all areas of the classroom or setting, including a room attached to the classroom or setting used for time-out; and

2. Recording audio from all areas of the classroom or setting, including a room attached to the classroom or setting used for time-out.

The inside of a bathroom or any area in the classroom or other special education setting in which a student's clothes are changed may not be visually monitored, except for incidental coverage of a minor portion of a bathroom or changing area because of the layout of the classroom or setting.

Education Code 29.022(c)–(c-1)

Written Notice

Before a campus activates a video camera in a classroom or special education setting, the campus shall provide written notice of the placement to all campus staff and to the parents of each student attending class or engaging in school activities in the classroom or setting.

If for any reason a campus will discontinue operation of a video camera during a school year, not later than the fifth school day before the date the operation of the video camera will be discontinued, the campus must notify the parents of each student in regular attendance in the classroom or setting that operation of the video camera will not continue unless requested by a person eligible to make a request. Not later than the tenth school day before the end of each school year, the campus must notify the parents of each student in regular attendance in the classroom or setting that operation of the video camera will not continue during the following

school year unless a person eligible to make a request for the next school year submits a new request.

Education Code 29.022(b), (d)

Retention Period

A district shall retain video recorded from a video camera for at least three months after the date the video was recorded.

If a person requests to view a video recording from a video camera, a district must retain the recording from the date of receipt of the request until the person has viewed the recording and a determination has been made as to whether the recording documents an alleged incident. If the recording documents an alleged incident, the district or campus shall retain the recording until the alleged incident has been resolved, including the exhaustion of all appeals.

Education Code 29.022(e)–(e-1)

Gifts, Grants, and Donations

A district may solicit and accept gifts, grants, and donations from any person to implement the requirements of Education Code 29.022 and 19 Administrative Code 103.1301. No Waiver of Immunity

2. Create any liability for a cause of action against a district or against district officers or employees.

No Monitoring

A district may not:

1. Allow regular or continual monitoring of video recorded under Education Code 29.022; or
2. Use video for teacher evaluation or for any other purpose other than the promotion of safety of students receiving special education services.

Education Code 29.022(g)–(h)

Confidentiality

A video recording of a student made under this provision is confidential and may not be released or viewed except as provided below.

Limited Release

A district shall release a recording for viewing by:

1. An employee who is involved in an alleged incident that is documented by the recording and has been reported to the district, on request of the employee;

2. A parent of a student who is involved in an alleged incident that is documented by the recording and has been reported to the district or campus, on request of the parent;

3. Appropriate Department of Family and Protective Services (DFPS) personnel as part of an investigation of alleged or suspected abuse or neglect of a child under Family Code 261.406;

4. A peace officer, a school nurse, a district administrator trained in de-escalation and restraint techniques as provided by commissioners rule, or a human resources staff member designated by the board in response to a report of an alleged incident or an investigation of district personnel or a report of alleged abuse committed by a student; or

5. Appropriate agency or State Board for Educator Certification personnel or agents as part of an investigation.

A contractor or employee performing job duties relating to the installation, operation, or maintenance of video equipment or the retention of video recordings who incidentally views a video recording does not violate these confidentiality provisions.

Education Code 29.022(i)–(i-1); 19 TAC 103.1301(h)–(i)

Duty to Report

If a person described by item 4 or 5, above, views a video recording and has cause to believe that the recording documents possible abuse or neglect of a child under Family Code Chapter 261, the person must submit a report to the Texas Department of Family and Protective Services or other authority in accordance with the local policy adopted under 19 Administrative Code 61.1051 (Reporting Child Abuse and Neglect) and Family Code Chapter 261 [see FFG].

19 TAC 103.1301(j); Education Code 29.022(j)

Use in Disciplinary Actions Against District Personnel

If a person described by items 3, 4, or 5, above, views the recording and believes that it documents a possible violation of district or campus policy, the person may allow access to the recording to appropriate legal and human resources personnel of the district to the extent not limited by the Family Educational Rights and Privacy Act (FERPA) or other law. A recording believed to document a possible violation of district policy relating to the neglect or abuse of a student may be used in a disciplinary action against district personnel and must be released in a legal proceeding at the request of a

parent of the student involved in the incident documented by the recording. A recording believed to document a possible violation of district policy relating to the neglect or abuse of a student must be released for viewing by the district employee who is the subject of the disciplinary action at the request of the employee. *19 TAC 103.1301(k)*

Federal Law / FERPA

19 Administrative Code 103.1301(j) (child abuse reporting) and (k) (disciplinary actions against personnel) do not limit the access of a student's parent to a record regarding the student under FERPA or other law. To the extent any provisions in Education Code 29.022 and 19 Administrative Code 103.1301 conflict with FERPA or other federal law, federal law prevails. *19 TAC 103.1301(l)*

District Policy

A district must adopt written policies relating to the placement, operation, and maintenance of video cameras under Education Code 29.022 and 19 Administrative Code 103.1301. At a minimum, the policies must include:

1. A statement that video surveillance is for the purpose of promoting student safety in certain self-contained classrooms and other special education settings;

2. Information on how a person may appeal an action by the district that the person believes to be in violation of this section or a policy adopted in accordance with this section, including the appeal and expedited review processes under 19 Administrative Code 103.1303 (Commissioner's Review of Actions Concerning Video Cameras in Special Education Settings) and the appeals process under Education Code 7.057;

3. A requirement that the district provide a response to a request made under this section not later than the seventh school business day after receipt of the request by the person to whom it must be submitted under Education Code 29.022(a-3) (at Limited Release, above) that authorizes the request or states the reason for denying the request;

4. Except as provided by item 6 of this provision, a requirement that a campus begin operation of a video camera in compliance with this provision not later than the 45th school business day, or the first school day after the 45th school business day if that day is not a school day, after the request is authorized unless the Texas Education Agency (TEA) grants an extension of time;

5. A provision permitting the parent of a student whose admission, review, and dismissal (ARD) committee has determined that the student's placement for the following school year will

be in a classroom or other special education setting in which a video camera may be placed under this section to make a request for the video camera by the later of:

a. The date on which the current school year ends; or

b. The tenth school business day after the date of the placement determination by the ARD committee;

6. A requirement that, if a request is made by a parent in compliance with item 5 of this provision, unless TEA grants an extension of time, a campus begins operation of a video camera in compliance with this provision not later than the later of:

   a. The tenth school day of the fall semester; or

   b. The 45th school business day, or the first school day after the 45th school business day if that day is not a school day, after the date the request is made;

7. The procedures for requesting video surveillance and the procedures for responding to a request for video surveillance;

8. The procedures for providing advanced written notice to the campus staff and the parents of the students assigned to a self-contained classroom or other special education setting that video and audio surveillance will be conducted or cease in the classroom or setting, including procedures for notice, in compliance with Education Code 29.022(b), of the opportunity to request continued video and audio surveillance if video and audio surveillance will otherwise cease;

9. A requirement that video cameras be operated at all times during the instructional day when one or more students are present in a self-contained classroom or other special education setting in which video cameras are placed;

10. A statement regarding the personnel who will have access to video equipment or video recordings for purposes of operating and maintaining the equipment or recordings;

11. A requirement that a campus continue to operate and maintain any video camera placed in a self-contained classroom or other special education setting for as long as the classroom or setting continues to satisfy the requirements in Education Code 29.022(a), for the remainder of the school year in which the campus received the request, unless the requester withdraws the request in writing;

12. A requirement that video cameras placed in a self-contained classroom or other special education setting be capable of

recording video and audio of all areas of the classroom or setting, except that no visual monitoring of bathrooms and areas in which a student's clothes are changed may occur. Incidental visual coverage of the inside of a bathroom or any area of the classroom or other special education setting in which a student's clothes are changed is permitted only to the extent that such coverage is the result of the layout of the classroom or setting. Audio recording of the inside of a bathroom or any area of the classroom or other special education setting in which a student's clothes are changed is required;

13. A statement that video recordings must be retained for at least three months after the date the video was recorded and that video recordings will be maintained in accordance with the requirements of Education Code 29.022(e-1), when applicable;

14. A statement that the regular or continual monitoring of video is prohibited and that video recordings must not be used for teacher evaluation or monitoring or for any purpose other than the promotion of student safety;

15. At the district's discretion, a requirement that campuses post a notice at the entrance of any self-contained classroom or other special education setting in which video cameras are placed stating that video and audio surveillance are conducted in the classroom or setting;

16. The procedures for reporting an allegation to the district that an incident occurred in a self-contained classroom or other special education setting in which video surveillance under Education Code 29.022 and 19 Administrative Code 103.1301 is conducted;

17. The local grievance procedures for filing a complaint alleging violations of Education Code 29.022, and/or 19 Administrative Code 103.1301; and

18. A statement that video recordings made under Education Code 29.022 and 19 Administrative Code 103.1301 are confidential and a description of the limited circumstances under which the recordings may be viewed.

19 TAC 103.1301(g)

Governmental Record

A video recording under this section is a governmental record only for purposes of Penal Code 37.10.

Operation of Camera

These provisions apply to the placement, operation, and maintenance of a video camera in a self-contained classroom or other

special education setting during the regular school year and extended school year services.

A video camera placed under this section is not required to be in operation for the time during which students are not present in the classroom or other special education setting.

Education Code 29.022(s)–(t)

Exclusions

A district is not required to provide video equipment to a campus of another district or charter school or to a nonpublic school. *19 TAC 103.1301(c)*

Dispute Resolution

The special education dispute resolution procedures in 34 Code of Federal Regulations 300.151–.153 and 300.504–.515 do not apply to complaints alleging that a district has failed to comply with Education Code 29.022 and 19 Administrative Code 103.1301. Complaints alleging violations of those sections must be addressed through the district's local grievance procedures or other dispute resolution channels. *19 TAC 103.1301(e)*

Denial of Request

The following standards and procedures apply to a denial of a request for placement of a video camera under Education Code 29.022(a), or to the denial of a request to release a video or to view a video made under Education Code 29.022(i) or (l)(2).

Exhaustion of Administrative Remedies

Once a request for placement of a video camera or a request to release a video is administratively denied, the requester must exhaust administrative remedies through the district's grievance process even if the requester opts for the expedited review process. However, a district, parent, staff member, or administrator may request an expedited review even before the local remedies are exhausted.

After local remedies are exhausted by filing a grievance with the board and obtaining a board determination, the requester may appeal the denial to the commissioner of education under Education Code 7.057 by filing a petition for review.

Proper Request

In a case where there is a denial of a request for the placement of a video camera, the commissioner will determine whether the person requesting placement is a person allowed to request placement under Education Code 29.022(a-1) (see Limited Release, above) and whether the requester made a proper request under Education Code 29.022(a-3) (see Processing the Request, above).

Cost

The commissioner will not consider the cost to the district of installing cameras or releasing video.

Release Determination

In a case where there is a denial of a request to release a video, the commissioner will determine whether the requester is a person allowed to receive a video under Education Code 29.022(i) (described at Limited Release, above).

Timelines for Petition for Review

The following timelines are established for filing a petition for review:

1. A petition for review shall be filed with the commissioner within ten calendar days of the decision of the board denying the request being first communicated to the requester or requester's counsel, whichever occurs first. The petition for review shall be made in accordance with 19 Administrative Code 157.1073(c) (hearings brought under Education Code 7.057) and may include a request for expedited review.

2. The district's answer and local record shall comply with 19 Administrative Code 157.1052(b) and (c) and 19 Administrative Code 157.1073(d) and shall be filed with the commissioner within ten calendar days of the district receiving notification from the commissioner of the appeal.

3. The procedures specified in 19 Administrative Code 157.1059; .1061; and .1073(e)–(h), (j), and (k) apply to a case brought to the commissioner under this section.

Expedited Review

A request for expedited review is governed by the following.

1. The expedited review process is designed to allow a requester to promptly receive a preliminary judgment from the commissioner as to a decision to deny a request for the installation of cameras or a decision to deny a request to release a video while at the same time respecting the school grievance process. The expedited review process does not apply to a request to only view a video. Invoking the expedited review process results in a prompt initial determination. However, the final commissioner's determination is to be based on a substantial evidence review of the district's grievance record. This allows for a full record to be developed at the district level and does not require the requester and the district to make an evidentiary record before TEA in Austin, Texas. Because the requirements of Education Code 7.057 are met when the board's decision is heard by the commissioner, an appeal to district court is allowed under Education Code 7.057(d). Education Code 29.022 does not by itself allow an appeal to district court.

2. A district, parent, staff member, or administrator may request an expedited review. Any request for an expedited review

shall include the names, telephone numbers, and addresses of all interested parties to the request. “Interested parties” are all persons who brought the grievance, all persons who have testified or provided written statements as part of the grievance process, and the district. The request for expedited review shall specify whether the district denied a request for the placement of a video camera or the district denied a request to release a video and briefly describe why that decision is either correct or incorrect.

3. A request for expedited review shall be filed with the commissioner no earlier than 14 business days after a request for placement of a video camera or a request to release a video is administratively denied under Education Code 29.022(i) or (l)(2) (see Limited Release and Process, above), and no later than the fifth business day after a board resolves a grievance as to a request for placement of a video camera or a request to release a video. A request for expedited review shall be filed with the commissioner electronically as provided on TEA’s Division of Hearings and Appeals website or by U.S. Mail, facsimile, hand-delivery, or by a commercial delivery service.

4. Whenever an interested party files a document with the commissioner, with the exception of the request for expedited review, the interested party shall send the same document to all other interested parties by the same method that the document was sent to the commissioner. Hand-delivery of the document by the next day may be substituted for service by facsimile delivery.

5. If a request for expedited review is timely filed, the commissioner will establish a briefing schedule and will send to all interested parties a notice that an expedited review has been filed, which will include relevant statutes and rules. Any interested party who knows of any additional interested parties who have not been notified will promptly inform the commissioner in writing.

6. All briefing shall clearly state the facts relied upon. Documents relevant to the issues presented may be attached to a brief. All briefing shall provide the reasons why the commissioner should or should not grant the request for expedited review. Citations to statutes, rules, commissioner decisions, and case law are important to identify the legal basis for the claims made.

7. All interested parties who are in favor of granting the request for expedited review shall file briefing at the time specified for the requester of the expedited review.

8. All interested parties who are opposed to granting the request for expedited review shall file briefing at the same time.

9. Briefing is not limited to the issues specifically raised in the pleadings in the case. However, no new arguments may be raised in the reply briefs. Reply briefs may contain new citations to the record and legal authority as to issues previously raised.

10. A preliminary judgment shall be issued based on the briefing of the interested parties. The preliminary judgment will be sent to the requestor, the district, and all interested parties. If it is determined that a district is not likely to prevail on the issue of a request for the placement of video cameras or the issue of a request to view a video under full review, the district will fully comply with Education Code 29.022.

11. After a preliminary judgment is made, a final judgment will be made in accordance with the procedures set forth in 19 Administrative Code 103.1303(b)(1)–(5) (the Denial of Request Review process).

19 TAC 103.1303(b)

Extension of Time

A request by a district for an extension of time to begin the operation of a video camera under Education Code 29.022 shall be made and decided using the following procedures.

Request

Any request by a district for an extension of time to begin the operation of a video camera shall be filed with the commissioner prior to the 45th school business day after a request to begin operating a video camera is received. However, a district should request an extension of time as soon as it determines that an extension of time should be filed.

A request for an extension of time to begin the operation of a video camera shall specify why an extension of time should be granted. The request shall include affidavits supporting any factual claims made in the request and reference any legal authority as to why the request should be granted. The request may include a request for expedited review. The request shall name the individual who requested the installation of cameras and provide the individual's address and telephone number. Immediately following the individual's address and telephone number there shall appear in bold type: "You have been identified as the individual who requested the operation of a video camera that is the subject of this request to the

commissioner of education to extend the statutory timeline. You may, but are not required to, participate in the proceedings before the commissioner concerning the school district's request for an extension of time. It is entirely up to you whether and to what extent you wish to participate in these proceedings. The procedures governing these proceedings are found at 19 Texas Administrative Code 103.1303(c) and Texas Education Code 29.022."

A request for an extension of time to begin the operation of a video camera shall list the names, telephone numbers, and addresses of all interested parties to the request. All interested parties include all parents of students in the classroom or other special education setting for which a video camera has been requested and all staff who provided services in a classroom for which a video camera has been requested.

Filing Documents All documents in a case shall be filed with the Division of Hearings and Appeals, Texas Education Agency, 1701 N. Congress Ave., Austin, Texas 78701, facsimile number (512) 475-3662. Documents shall be filed electronically as provided on the division's website or by mail, delivery, or facsimile. All documents must be actually received by the Division of Hearings and Appeals by the date specified in this section. The mailbox rule does not apply to filings in a case filed under this subsection. Electronic filing is strongly encouraged.

All filings in a case shall be sent to the district, the individual who initially requested the installation of the cameras, and all interested parties who have filed a request to receive documents filed in the case by the same method as the request is filed with the commissioner. Due to the requirements of FERPA, the names, telephone numbers, and addresses of parents and other publicly identifiable student information may not be given to the interested parties. The copies of the filings sent to interested parties shall be redacted to remove all personally identifiable student information.

Filing Responses Any response to a request for an extension of time to begin the operation of a video camera shall be filed with the commissioner by an interested party within ten calendar days of the filing of the request. If no response to the request is timely filed, the commissioner shall issue a final decision within 20 calendar days of the filing of the request.

A response to a request for an extension of time to begin the operation of a video camera shall specify why an extension of time should or should not be granted. The response shall include affidavits concerning any factual claims made in the request and reference any legal authority as to why the request should or should not

be granted. The response may include a request for expedited review.

Expedited Review

A request for expedited review must be filed with the commissioner within ten calendar days of the filing of the request for an extension of time to begin the operation of a video camera. If a request for expedited review is made, all interested parties shall be notified that they have been identified as interested parties in the request for an extension of time to begin the operation of a video camera. In particular, the interested parties will be informed that it is their choice whether to participate in the proceedings before the commissioner, that it is entirely up to them to determine to what extent they wish to participate in the proceedings, that the procedures governing these proceedings are found in 19 Administrative Code 103.1303 and Education Code 29.022, and that upon their written request filed with the commissioner they will be sent all filings in this case.

If a request for an expedited review is not made, the commissioner shall issue a final decision within 45 calendar days of the filing of the request for an extension of time to begin the operation of a video camera, unless the commissioner determines that an evidentiary hearing would be helpful in deciding the issues raised. If the commissioner decides to hold an evidentiary hearing, the commissioner shall establish the timelines and procedures to be used. Whether to conduct the hearing by telephone or other electronic methods will be considered.

If a request for expedited review is made, the following procedures shall be followed:

1. Any reply by the district to any response to the request shall be filed with the commissioner within 25 calendar days of the filing of the request for an extension of time to begin the operation of a video camera.

2. A preliminary judgment shall be made by the commissioner within 35 calendar days of the filing of the request for an extension of time to begin the operation of a video camera.

3. Any interested party or the district may file objections to the preliminary judgment within 40 calendar days of the filing of the request for an extension of time to begin the operation of a video camera.

4. Any reply to an objection to a preliminary judgment must be filed within 45 calendar days of the filing of a request for an extension of time to begin the operation of a video camera.

5. The commissioner shall issue a final decision within 55 calendar days of the filing of the request for an extension of time to begin the operation of a video camera, unless the commissioner determines that an evidentiary hearing would be helpful in deciding the issues raised. If the commissioner decides to hold an evidentiary hearing, the commissioner shall establish the timelines and procedures to be used. Whether to conduct the hearing by telephone or other electronic methods will be considered.

Commissioner Consideration In making either a preliminary judgment or a final judgment under this subsection, the commissioner will consider whether granting the requested extension is reasonable considering all factors, including contracting statutes, architectural and structural issues, and the difference in costs to the district if a moderate extension of time is granted.

No Appeal A commissioner's final decision under this provision is not subject to appeal.

[See EHBCA for information regarding acceleration instruction and accelerated learning committees.]

Intensive Program of Instruction

1. Enable the student to:
    a. To the extent practicable, perform at the student's grade level at the conclusion of the next regular school term; or
    b. Attain a standard of annual growth specified by a district and reported by the district to TEA; and
2. If applicable, carry out the purposes of Education Code 28.0211. [See EIE]

Education Code 28.0213

Compensatory Education Allotment

Census Block

On a schedule determined by the commissioner of education and in accordance with Education Code 48.104, each district shall report to the agency the census block group in which each student enrolled in the district who is educationally disadvantaged resides. *Education Code 48.104(i)*

Use

At least 55 percent of the district's compensatory education funds must be used to:

1. Fund supplemental programs and services, including services provided by an instructional coach, designed to eliminate any disparity in performance on assessment instruments administered under Education Code Chapter 39, Subchapter B or disparity in the rates of high school completion between:
    a. Students who are educationally disadvantaged and students who are not educationally disadvantaged; and
    b. Students at risk of dropping out of school, as defined below, and all other students; or

Education Code 48.104(k)

Dropout Prevention Strategies

A district with a high dropout rate, as determined by the commissioner, shall submit a plan to the commissioner describing the manner in which the district intends to use its compensatory education allotment for developing and implementing research-based strategies for dropout prevention.

A district shall submit the plan not later than December 1 of each school year preceding the school year in which the district will receive the compensatory education allotment to which the plan applies.

A district may not spend or obligate more than 25 percent of the district's compensatory education allotment unless the commissioner approves the plan.

A district's plan shall:

1. Design a dropout recovery plan that includes career and technology education courses or technology applications courses that lead to industry or career certification;

2. Integrate into the dropout recovery plan research-based strategies to assist students in becoming able academically to pursue postsecondary education, including:

    a. High-quality, college readiness instruction with strong academic and social supports;

    b. Secondary to postsecondary bridging that builds college readiness skills, provides a plan for college completion, and ensures transition counseling; and

    c. Information concerning appropriate supports available in the first year of postsecondary enrollment to ensure postsecondary persistence and success, to the extent funds are available for the purpose; and

3. Plan to offer advanced academic and transition opportunities, including dual credit courses and college preparatory courses, such as advanced placement courses.

A district may enter into a partnership with a public junior college in accordance with Education Code 29.402 [see GNC] in order to fulfill a plan.

Any program designed to fulfill a plan must comply with the requirements of Education Code 29.081(e) and (f).

Education Code 29.918

Reporting

A district shall report financial information relating to expenditure of the state compensatory education allotment under the Foundation School Program to the Texas Education Agency (TEA), according to standards for financial accounting provided in 19 Administrative Code 109.41 (relating to *Financial Accountability System Resource Guide*). Costs charged to state compensatory education shall be for programs and services that supplement the regular education program. *19 TAC 109.25(a)*

A district shall maintain documentation that supports the attribution of supplemental costs and personnel to compensatory education. A district must also maintain sufficient documentation supporting the appropriate identification of students in at-risk situations, under criteria established in Education Code 29.081 [see At-Risk Student, below]. *19 TAC 109.25(b)*

Districts may use the following approved methods for the purpose of receiving the compensatory education allotment pursuant to Education Code 48.104:

1. Parent certification, where the parent or guardian asserts meeting the income requirements for eligibility;
2. Direct certification, where the process by which eligible children are certified for free meals without the need for a household application based on household participation in one or more federal assistance programs; or
3. Direct verification, where public records are used to verify a student's eligibility for free or reduced-price meals when verification of student eligibility is required.

19 TAC 61.1027(a)

A course may be offered for dual credit at the discretion of the institution of higher education with which a district partners. [See EHDD]

Instructional Materials

Each district, in consultation with each institution of higher education with which the district partners, shall develop or purchase instructional materials for a course consistent with Education Code Chapter 31. The instructional materials must include technology resources that enhance the effectiveness of the course and draw on established best practices.

Education Code 28.014

End-of-Course Exam

A student enrolled in a college preparatory mathematics or English language arts course under Education Code 28.014 who satisfies the TSI college readiness benchmarks on an assessment instrument administered at the end of the course satisfies the requirements concerning and is exempt from the administration of the Algebra I or the English I and English II end-of-course assessment instruments, as applicable, as prescribed by Education Code 39.023(c) [see EKB], even if the student did not perform satisfactorily on a previous administration of the applicable end-of-course assessment instrument. A student who fails to perform satisfactorily on the assessment instrument may retake that assessment instrument or may take the appropriate end-of-course assessment instrument. *Education Code 39.025(a-1)*

Accelerated Instruction in Grades 3–8

Each time a student fails to perform satisfactorily on a state assessment instrument in the third, fourth, fifth, sixth, seventh, or eighth grade [see EKB], the district in which the student attends school shall provide to the student accelerated instruction in the applicable subject area during the subsequent summer or school year and either:

1. Allow the student to be assigned a classroom teacher who is certified as a master, exemplary, or recognized teacher under the local optional teacher designation system [see DEAA] for the subsequent school year in the applicable subject area; or
2. Provide the student supplemental instruction under Education Code 28.0211(a-4) [see below].

Education Code 28.0211(a-1)

Participation Requirements

Supplemental accelerated instruction may require a student to participate before or after normal school hours and may include participation at times of the year outside normal school operations. *19 TAC 104.1001(c)*

In providing accelerated instruction, a district may not remove a student, except under circumstances for which a student enrolled in the same grade level who is not receiving accelerated instruction would be removed, from:

1. Instruction in the foundation curriculum and enrichment curriculum adopted under Education Code 28.002 [see EHA series] for the grade level in which the student is enrolled; or
2. Recess or other physical activity that is available to other students enrolled in the same grade level.

Education Code 28.0211(a-3)

The foundation curriculum includes English language arts, mathematics, science, and social studies. In the event that a school week is three or less instructional days, the school is exempt from meeting the requirement of meeting once per week for supplemental accelerated instruction. [See Sup-

plemental Instruction Requirements for Certain Funding, item 3, below.]

19 TAC 104.1001(c)

ARD Committee Determination

For a student served by special education who does not perform satisfactorily on an assessment instrument administered under Education Code 39.023(a) [see EKB], the student's admission, review, and dismissal (ARD) committee must determine the manner in which the student will engage in supplemental accelerated instruction. ARD committees must consider the individual needs of a student with a disability when determining the manner in which supplemental accelerated instruction is to be provided to the student. If supplemental accelerated instruction is to be provided to the student, the supplemental accelerated instruction must meet the requirements outlined in this subsection unless the ARD committee specifically determines that some or all of the requirements for supplemental accelerated instruction would deny the student access to a FAPE. *19 TAC 104.1001(b)(3)*

Supplemental Instruction Requirements for Certain Funding

If a district receives funding under Education Code 29.0881, the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (Div. M, Pub. L. No. 116-260), or the American Rescue Plan Act of 2021 (Pub. L. No. 117-2), then supplemental instruction provided by a district must:

1. Include targeted instruction in the essential knowledge and skills for the applicable grade levels and subject area;
2. Be provided in addition to instruction normally provided to students in the grade level in which the student is enrolled;
3. Be provided for no less than 30 total hours during the subsequent summer or school year and, unless the instruction is provided fully during summer, include instruction no less than once per week during the school year;
4. Be designed to assist the student in achieving satisfactory performance in the applicable grade level and subject area;
5. Include effective instructional materials designed for supplemental instruction;
6. Be provided to a student individually or in a group of no more than three students, unless the parent or guardian of each student in the group authorizes a larger group;
7. Be provided by a person with training in the applicable instructional materials for the supplemental instruction and under the oversight of the district; and

8. To the extent possible, be provided by one person for the entirety of the student's supplemental instruction period.

Education Code 28.0211(a-4)

Supplemental Accelerated Instruction Requirements

Supplemental accelerated instruction shall be based on, but not limited to, targeted instruction in the essential knowledge and skills for the applicable grade levels and subject areas and be provided by a person with training in the applicable instructional materials for the supplemental accelerated instruction and under the oversight of the school district. Supplemental accelerated instruction shall be provided as outlined in items 2–5 and 8 (above), to a student individually or in a group of no more than three students, unless the parent or guardian of each student in the group authorizes a larger group. *19 TAC 104.1001(d)*

Transportation

A district shall provide students required to attend the accelerated programs described above with transportation to those programs if the programs occur outside of regular school hours. *Education Code 28.0211(j)*

Notice to Parents of Performance and Accelerated Instruction

Whenever a district is required to notify a parent or guardian about the requirements related to promotion and accelerated instruction, the district shall make a good-faith effort to ensure that the notice is provided either in person or by regular mail, is clear and easy to understand, and is written in English or in the parent or guardian's native language. *Education Code 28.0211(h)*

Assessments Not Required

Education Code 28.0211 does not require the administration of a fifth or eighth grade assessment instrument in a subject under Education Code 39.023(a) to a student enrolled in the fifth or eighth grade, as applicable, if the student:

1. Is enrolled in a course in the subject intended for students above the student's grade level and will be administered an assessment instrument adopted or developed under Education Code 39.023(a) [see EKB] that aligns with the curriculum for the course in which the student is enrolled; or

2. Is enrolled in a course in the subject for which the student will receive high school academic credit and will be administered an end-of-course (EOC) assessment instrument [see EKB] for the course.

Notwithstanding any other provision of Education Code 28.0211, the student may not be denied promotion on the basis of failure to perform satisfactorily on an assessment instrument not required to be administered to the student, nor may a student in grade 5 or grade 8 be denied promotion to the next grade on the basis of fail-

ure to perform satisfactorily on a reading or mathematics assessment instrument intended for use above the student's grade level.

Education Code 28.0211(o)–(p)

Accelerated Instruction After EOC Assessments

A district shall provide accelerated instruction to an enrolled student who has taken an EOC assessment instrument and has not performed satisfactorily or who is at risk of dropping out of school.

A district shall offer before the next scheduled administration of the assessment instrument, without cost to the student, additional accelerated instruction to each student in any subject in which the student failed to perform satisfactorily on an end-of-course assessment instrument required for graduation.

A district that is required to provide accelerated instruction must separately budget sufficient funds for that purpose. [See CE]

A district shall evaluate the effectiveness of accelerated instruction programs and annually hold a public hearing to consider the results.

Education Code 29.081(b), (b-1), (b-2), (b-3), 39.025(b-1)

Each time a student fails to perform satisfactorily on an assessment instrument administered under Education Code 39.023(c), the district in which the student attends school shall provide to the student accelerated instruction in the applicable subject area.

Accelerated instruction may require participation of the student before or after normal school hours and may include participation at times of the year outside normal school operations and must comply with the requirements for accelerated instruction provided under Education Code 28.0211 [see above].

Education Code 28.0217

Effectiveness

A district shall evaluate and document the effectiveness of the accelerated instruction in reducing any disparity in performance on state assessment instruments or disparity in the rates of high school completion between students at risk of dropping out of school and all other district students. *Education Code 29.081(c)*

No Available Test Score

The superintendent of each district shall establish procedures to ensure that each eligible student who is absent or does not receive a test score for any test administration shall receive appropriate supplemental accelerated instruction as warranted on an individual student basis.*19 TAC 104.1001(b)(4)*

Accelerated Learning Committee

A district shall establish an accelerated learning committee for each student who does not perform satisfactorily on the following state assessment instruments [see EKB]:

1. The third grade mathematics or reading assessment;
2. The fifth grade mathematics or reading assessment; or
3. The eighth grade mathematics or reading assessment.

Education Code 28.0211(a)

Composition

The accelerated learning committee shall be composed of the principal or the principal's designee, the student's parent or guardian, and the teacher of the subject of an assessment instrument on which the student failed to perform satisfactorily. The district shall notify the parent or guardian of the time and place for convening the accelerated learning committee and the purpose of the committee. *Education Code 28.0211(c)*

If a student is changing campuses, the committee must include the receiving principal or designee, the sending principal or designee, the receiving content teacher or designee, and the sending content teacher or designee. *19 TAC 104.1001(e)(1)*

Educational Plan

An accelerated learning committee shall, not later than the start of the subsequent school year, develop an educational plan for the student that provides the necessary accelerated instruction to enable the student to perform at the appropriate grade level by the conclusion of the school year. The educational plan must be documented in writing, and a copy must be provided to the student's parent or guardian.

During the school year, the student shall be monitored to ensure that the student is progressing in accordance with the educational plan. The district shall administer to the student the assessment instrument for the grade level in which the student is placed at the time the district regularly administers the assessment instruments for that school year.

The board shall adopt a policy consistent with the grievance procedure adopted under Education Code 26.011 [see FNG] to allow a parent to contest the content or implementation of an educational plan.

Education Code 28.0211(f)–(f-3)

Failure in a Subsequent School Year

If a student who fails to perform satisfactorily on the third, fifth, or eighth grade math or reading assessment fails in the subsequent school year to perform satisfactorily on an assessment instrument in the same subject, the superintendent, or the superintendent's

designee, shall meet with the student's accelerated learning committee to:

1. Identify the reason the student did not perform satisfactorily; and
2. Determine, in order to ensure the student performs satisfactorily on the assessment instrument at the next administration of the assessment instrument, whether the educational plan developed for the student must be modified to provide the necessary accelerated instruction for that student and any additional resources are required for that student.

The superintendent's designee may be an employee of a regional education service center and may not be a person who served on the student's accelerated learning committee.

Education Code 28.0211(f-4)–(f-5)

ARD Determination for Grades 3, 5, and 8

The ARD committee of a student who does not perform satisfactorily on a third, fifth, or eighth grade math or reading assessment must meet to determine the manner in which the student will participate in an accelerated instruction program. *Education Code 28.0211(i)*

Students Who Meet Criteria for the Alternative Assessment

The ARD committee must serve as the accelerated learning committee for students who meet the criteria for participation in alternative assessment instruments under Education Code 39.023(b) [see EKB], who do not perform satisfactorily on a mathematics or reading assessment instrument in grade 3, 5, or 8. The ARD committee must determine the manner in which the student will participate in supplemental accelerated instruction; however, the requirements for supplemental accelerated instruction described by 19 Administrative Code 104.1001(b) do not apply.

ARD Committee Responsibilities

In serving as the accelerated learning committee for a student served by special education, the ARD committee must meet and develop a plan [see Education Plan, above] to determine the manner in which the student will participate in supplemental accelerated instruction, and this meeting must include the required members of a properly constituted ARD committee [see EHBAB].

When the ARD committee for a student served by special education serves as the accelerated learning committee, efforts must be taken to ensure parental participation as specified within the requirements of 19 Administrative Code 89.1050(d) and 34 Code of Federal Regulations 300.322 [see EHBAB].

The ARD committee, serving as the accelerated learning committee, must document decisions regarding supplemental accelerated

instruction in writing and a copy must be provided to the student's parent or guardian. This documentation may either be included in ARD deliberations or as a supplemental attachment to the student's individualized education program.

Dispute Resolution

A parent or guardian of a student served by special education may use a dispute resolution mechanism specified in 19 Administrative Code 89.1150 [see EHBAE] to resolve any dispute between the parent and a public education agency relating to the identification, evaluation, or educational placement of or the provision of a free appropriate public education (FAPE) to a student with a disability. If a parent or guardian of a student served by special education does not agree with the decision of the ARD committee serving as the accelerated learning committee regarding supplemental accelerated instruction, the parent or guardian may follow the district grievance policy [see FNG].

19 TAC 104.1001(f)

Parent Request

Each district shall establish a process allowing for the parent or guardian of a student who fails to perform satisfactorily on a third, fifth, or eighth grade math or reading assessment to make a request for district consideration that the student be assigned to a particular classroom teacher in the applicable subject area for the subsequent school year, if more than one classroom teacher is available. *Education Code 28.0211(a-5); 19 TAC 104.1001(g)*

Classroom Assignment

A student who fails to perform satisfactorily on a third, fifth, or eighth grade math or reading assessment and is promoted to the next grade level must be assigned in the subsequent school year in each subject in which the student failed to perform satisfactorily on the applicable assessment instrument to an appropriately certified teacher who meets all state and federal qualifications to teach that subject and grade.

In a manner consistent with federal law and notwithstanding any other law, the commissioner may waive the requirement regarding the assignment of a student to an appropriately certified classroom teacher on the request of a district.

Education Code 28.0211(n)–(n-1)

Students who are deaf or hard of hearing must have an education in which their unique communication mode is respected, used, and developed to an appropriate level of proficiency. *Education Code 29.303*

Personnel

A student who is deaf or hard of hearing must have an education in which teachers, psychologists, speech therapists, progress assessors, administrators, and others involved in education understand the unique nature of deafness and the hard-of-hearing condition. A teacher of deaf or hard-of-hearing students either must be proficient in appropriate language modes or use an interpreter certified in appropriate language modes if certification is available. Regular and special personnel who work with students who are deaf or hard of hearing must be adequately prepared to provide educational instruction and services to those students.

The district shall employ or provide access to appropriate qualified staff with proficient communications skills, consistent with credentialing requirements, to fulfill the responsibilities of the district and shall make positive efforts to employ qualified individuals with disabilities.

Education Code 29.304

Involvement of Others

Students who are deaf or hard of hearing must have an education in which parents or legal guardians and advocates for parents or legal guardians are involved in determining the extent, content, and purpose of programs. Other individuals may be involved at the discretion of parents or legal guardians or the district. *Education Code 29.306*

Students who are deaf or hard of hearing shall be given the opportunity to be exposed to deaf or hard-of-hearing role models. *Education Code 29.307*

Advisory Committee

If the district has students who are deaf or hard of hearing, it shall include in its local special education advisory committee persons who are deaf or hard of hearing and parents or students who are deaf or hard of hearing, if practicable. *Education Code 29.309*

Assessment

The district shall not discriminate on the basis of race, culture, or sex when selecting and administering procedures and materials for assessment and placement of students who are deaf or hard of hearing. *Education Code 29.310(a)*

Placement

A single assessment instrument may not be the sole criterion for determining the placement of a student who is deaf or hard of hearing. *Education Code 29.310(b)*

Procedures and materials for the assessment and placement of a student who is deaf or hard of hearing shall be in the student's preferred mode of communication. All other procedures and materials

	used with any student who is deaf or hard of hearing and who has limited English proficiency shall be in the student's preferred mode of communication. *Education Code 29.310(c)*
Deaf or Hard-of-Hearing Programs	Programs for students who are deaf or hard of hearing must be coordinated with other public and private agencies, including agencies operating early childhood intervention programs, preschools, agencies operating child development programs, nonpublic nonsectarian schools, agencies operating regional occupational centers and programs, and the Texas School for the Deaf. The programs must also be coordinated with postsecondary and adult programs for persons who are deaf or hard of hearing. *Education Code 29.311*
Counseling	Appropriate psychological counseling services for a student who is deaf or hard of hearing shall be made available at the student's school site in the student's primary mode of communication. Appropriate auditory systems shall be used with students who are hard of hearing, if required by the admission, review, and dismissal (ARD) committee. *Education Code 29.312*

Transition to Regular Class	In addition to satisfying requirements under state and federal law for vocational training, the district shall develop and implement a transition plan for transition of students who are deaf or hard of hearing into a regular class program if the students are to be transferred from a special class or center or from a nonpublic, nonsectarian school into a regular class for any part of the school day. The transition plan must provide for activities to integrate the students into the regular education program and to support the transition of the students from the special education program into the regular education program. *Education Code 29.314*
Regional Day School Programs for the Deaf	In accordance with Education Code 30.081 through 30.087, a district shall have access to regional day school programs for the deaf operated by districts at sites previously established by the State Board of Education. Any student who is deaf or hard of hearing with a disability that severely impairs processing linguistic information through hearing, even with recommended amplification, and that adversely affects educational performance shall be eligible for consideration for the Regional Day School Program for the Deaf, subject to the ARD committee recommendations. *19 TAC 89.1080*

Adult Education

A district must provide an adult education program designed to meet the education and training needs of adults to the extent possible using available public and private resources. Bilingual education must be used to instruct students who do not function satisfactorily in English whenever it is appropriate for those students' optimum development. *Labor Code 315.003*

Essential Program Components

An Adult Education and Literacy (AEL) grant recipient shall ensure that essential program components are provided as outlined in the grant application for statewide AEL funds, which include the components described by 40 Administrative Code 805.4. *40 TAC 805.4*

Conditions	A district will receive such reimbursement only if it has achieved the level of community services prescribed by TEA in the current or preceding year. *Education Code 29.256*

Innovative Courses

A district may offer innovative courses to enable students to master knowledge, skills, and competencies not included in the essential knowledge and skills of the required curriculum. Applications shall not be approved if the proposed course significantly duplicates the content of a Texas Essential Knowledge and Skills (TEKS)-based course or can reasonably be taught within an existing TEKS-based course.

To request approval for an innovative course from the State Board of Education or the commissioner, a district or organization must submit a request for approval at least six months before planned implementation. The request must address the elements listed at 19 Administrative Code 74.27(a)(4).

To request approval from the commissioner for a career and technical education innovative course, the applying school district or organization must submit with its request for approval evidence that the course is aligned with state and/or regional labor market data.

With the approval of the board, a district may offer, without modifications, any state-approved innovative course.

19 TAC 74.27(a)(3)–(7)

Magnet Schools or Programs

A district may operate a magnet program, academy, or other innovative program to serve student populations with specialized interests and aptitudes. *19 TAC 74.22(b)*

Award of Credit

The award of credit for a course affirms that a student has satisfactorily met state and local requirements. Any course for which credit is awarded must be provided according to 19 TAC 74.26(a)(1) and (a)(2) [see FDA]. *19 TAC 74.26(a)*

Early Award of Credit

A district may offer courses designated for grades 9–12 in earlier grade levels. A course must be considered completed and credit must be awarded if the student has demonstrated achievement by meeting the standard requirements of the course, including demonstrated proficiency in the subject matter, regardless of the time the student received instruction in the course or the grade level at which proficiency was attained. The academic achievement record (transcript) shall reflect that students have satisfactorily completed courses at earlier grade levels from grades 9–12 and have been awarded state graduation credits. *19 TAC 74.26(b)*

Partial Award

In accordance with a district's local policy, a student who is able to successfully complete only half of a course can be awarded credit proportionately. *19 TAC 74.26(d)*

A district shall award credit proportionately to a student who is homeless or in substitute care who successfully completes only half of a course. *19 TAC 74.26(e)*

Attendance for Credit or Final Grade

Unless credit is awarded by the attendance committee or regained in accordance with a principal's plan [see FEC], a student in any grade level from kindergarten through grade 12 may not be given credit or a final grade for a class unless the student is in attendance for at least 90 percent of the days the class is offered. *Education Code 25.092*

Homeless or Substitute Care

A district shall adopt a local policy to ensure credit, including proportionate credit, has been awarded appropriately to a student who is homeless or in substitute care for coursework completed prior to the student enrolling in or transferring to the district in accordance with 19 Administrative Code 74.26 (Award of Credit).

A district must ensure that student records or transcripts provided by the previous district or charter school are evaluated promptly and are complete, accurate, and up to date.

The receiving district must develop, maintain, and regularly update local records and documentation, including transcripts if applicable, for a student who is homeless or in substitute care.

A district must ensure that the records or transcripts of a student who is homeless or in substitute care and transferring from out of state, out of country, or a Texas nonpublic school are evaluated and the award of credit is determined in a timely manner, as required by 19 Administrative Code 74.26(a)(2). [See FDA]

A district must award credit proportionately to a student who is homeless or in substitute care who successfully completes only half of a course. Districts must evaluate the student record upon a student's enrollment and ensure that proportionate credit has been awarded appropriately.

If a district determines that there are courses in which a student was enrolled but for which the student has not earned credit, the district may use a variety of methods to determine whether the student may be eligible for full or proportionate credit for coursework completed. The award of credit must be based on demonstrated proficiency in all state and local requirements for a course in accordance with 19 Administrative Code 74.26.

A district must provide opportunities for a student who is homeless or in substitute care who enrolls in the district after the start of the school year to be administered credit by examination at any point during the school year, as required by 19 Administrative Code 74.24 (Credit by Examination) [see EHDB and EHDC].

Districts must:

1. Develop processes for students who have credit deficits or incomplete coursework that would impede on-time promotion or graduation to earn credit and implement appropriate academic interventions to address any credit deficiencies identified;

2. Develop and administer a personal graduation plan in accordance with Education Code 28.0212 (see EIF) for each student in junior high or middle school who is not likely to receive a high school diploma before the fifth school year following the student's enrollment in grade 9, as determined by the district, or does not perform satisfactorily on a state assessment instrument;

3. Review personal graduation plan options with each student entering grade 9 and with that student's parent or guardian as required by Education Code 28.02121 [see EIF]. Before the conclusion of the school year, the student and the student's parent or guardian must confirm and sign a personal graduation plan for the student;

4. Ensure that school staff actively engage with the student and the student's parent or guardian, as applicable, to develop a plan to recover credits if the student has credit deficits or incomplete coursework that would impede on-time promotion or graduation; and

5. Comply with Education Code 28.025(i) [see EIF], concerning the award of diplomas for students who are homeless or in substitute care who are in grade 11 or 12.

19 TAC 89.1607

[For information on transition assistance for students who are homeless or in substitute care, including enrollment and placement in education programs and courses, see FFC.]

Graduation Requirements

Credit for courses for high school graduation may be earned only if the student received a grade equivalent to 70 on a scale of 100, based upon the essential knowledge and skills of each course. Credit earned toward state graduation requirements in an accredited school district shall be transferable and must be accepted by any other school district in the state. *19 TAC 74.26(a)(1), (c)*

Academic Achievement Record

Following guidelines developed by the commissioner of education, a district shall use an academic achievement record (transcript) form that includes student demographics, school data, student data, and the record of courses and credits earned.

The academic achievement record (transcript) shall serve as the academic record for each student and shall be maintained permanently by a district.

Any credit earned by a student must be recorded on the academic achievement record (transcript), regardless of when the credit was earned.

A student's performance on a state assessment, including an end-of-course assessment instrument required under Education Code 39.023(c) [see EKB], must be included in the student's academic achievement record (transcript).

Copies of the record shall be made available to students transferring to another district. A district shall respond promptly to all requests for student records from receiving districts. [See also FD, FDA, and FL]

Students who complete the requirements for an endorsement shall have the endorsement clearly indicated on the academic achievement record (transcript).

Performance Acknowledgment	Students who earn a performance acknowledgment shall have the performance acknowledgment clearly indicated on the academic achievement record (transcript).
Distinguished Level of Achievement	Students who earn the distinguished level of achievement shall have the distinguished level of achievement clearly indicated on the academic achievement record (transcript).

Proper Interaction with Peace Officers	Students who complete the required instruction on proper interaction with peace officers shall have completion of the instruction clearly indicated on the academic achievement record (transcript). A district shall clearly indicate on the academic achievement record the year in which the instruction was provided to the student.
Languages Other Than English	Students who satisfy a language other than English graduation credit requirement by successfully completing a dual language immersion program at an elementary school in accordance with 19 Administrative Code 74.12 shall have the credit clearly indicated on the academic achievement record (transcript).

Notation on Transcript or Diploma	A district shall ensure that each student's official transcript or diploma indicates whether the student has completed or is on schedule to complete: 1. The recommended or advanced high school curriculum; or 2. For a district that is covered by Education Code 56.304(f)(1) (unavailability of courses), the required portion of the recommended or advanced high school curriculum offered at the district's high school.

The district must include this information on the student's transcript not later than the end of the student's junior year.

A student who completes all graduation requirements except for required end-of-course assessment instruments may be issued a certificate of coursework completion. The academic achievement record (transcript) shall include a notation of the date a certificate of completion was issued to the student. *19 TAC 74.5(n)* [See FMH for participation in the graduation ceremony.]

State Assessment of Academic Skills

Every student receiving instruction in the essential knowledge and skills shall take the appropriate criterion-referenced assessments, as required by Education Code Chapter 39, Subchapter B [see Testing in Grades 3–8, below]. *Education Code 39.023(a), (c), (f); 19 TAC 101.5*

A student may not receive a high school diploma until the student has performed satisfactorily on end-of-course (EOC) assessment instruments [see End-of-Course Assessments, below]. *Education Code 39.025(a); 19 TAC 101.4001*

Emergent Bilingual Students

In grades 3–12, an emergent bilingual student, as defined by Education Code Chapter 29, Subchapter B, shall participate in the state assessment in accordance with commissioner rules at 19 Administrative Code Chapter 101, Subchapter AA. *Education Code 39.023(l), (m)* [See EKBA]

Special Education

The Texas Education Agency (TEA) shall develop or adopt appropriate criterion-referenced alternative assessment instruments to be administered to each student in a special education program for whom a state assessment instrument adopted under Education Code 39.023(a), even with allowable accommodations, would not provide an appropriate measure of student achievement, as determined by the student's admission, review, and dismissal (ARD) committee, including assessment instruments approved by the commissioner of education that measure growth. The assessment instruments developed or adopted, including the assessment instruments approved by the commissioner, must, to the extent allowed under federal law, provide a district with options for the assessment of students.

TEA may not adopt a performance standard that indicates that a student's performance on the alternate assessment does not meet standards if the lowest level of the assessment accurately represents the student's developmental level as determined by the student's ARD committee.

The student's ARD committee shall determine whether any allowable modification is necessary in administering to the student a required EOC assessment instrument under Education Code 39.023(c), and whether the student is required to achieve satisfactory performance on an EOC assessment instrument to receive a high school diploma.

Education Code 39.023(b)–(c), .025(a-4)

Military Dependents

If the student is a military dependent, the district shall incorporate procedures to accept:

1. Exit or EOC exams required for graduation from the sending state;

2. National norm-referenced achievement tests; or

3. Alternative testing, in lieu of testing requirements for graduation in the receiving state.

In the event the above alternatives cannot be accommodated by the receiving state for a military dependent transferring in his or her senior year, then Education Code 162.002 article VII, section C, shall apply.

Substitute Passing Standard

The commissioner shall adopt a passing standard on one or more national norm-referenced achievement tests for purposes of permitting a qualified military dependent to meet that standard as a substitute for achieving a score on an assessment instrument otherwise required for graduation. The passing standard is available only for a student who enrolls in a public school in this state for the first time after completing the ninth grade or who reenrolls in a public school in this state at or above the grade 10 level after an absence of at least two years from the public schools of this state. Each passing standard in effect when a student first enrolls in a Texas public high school remains applicable to the student for the duration of the student's high school enrollment, regardless of any subsequent revision of the standard.

Education Code 162.002 art. VII [See EIF]

Administration

A district shall follow the test administration procedures established by TEA in the applicable test administration materials. A superintendent shall be responsible for administering tests. *19 TAC 101.25, .27*

Schedule

The commissioner shall specify the schedule for testing that is in compliance with Education Code 39.023(c-3) and supports reliable and valid assessments. Participation in University Interscholastic League (UIL) area, regional, or state competitions is prohibited on any days on which testing is scheduled between Monday and Thursday of the school week in which the primary administration of assessment instruments occurs.

The commissioner may provide alternate dates for the administration of tests required for a high school diploma to students who are migratory children and who are out of the state.

19 TAC 101.25

On request by a district, the commissioner may allow the district to administer an assessment instrument on the first instructional day

of a week if administering the assessment instrument on another instructional day would result in a significant administrative burden due to specific local conditions. *Education Code 39.023(c-3)*

Alternate Test Dates

The commissioner shall consider requests from districts or campuses for alternate test dates on a case-by-case basis. Alternate test dates will only be allowed if the campus or district is closed on the day on which testing is scheduled or if there is an exceptional circumstance, defined below, that may affect a district's or campus's ability to administer an assessment or the students' performance on the assessment.

"Exceptional circumstances" include:

1. Inclement weather or natural disasters that would cause a district or campus to be closed or that would cause a small percentage of students to be in attendance on the day testing is scheduled;
2. Health epidemics that result in a large number of students being absent on the day of testing;
3. Death of a student or school official that may impact student performance; and
4. Sudden emergencies that occur on the day of testing or shortly before testing that may inhibit students from completing the assessments, such as a fire on campus, a bomb threat, an extended power outage, or a water main break.

If an alternate test date for primary test administration is approved, the commissioner may prohibit a district or campus from participating in UIL competition on the new test date if that is determined to be in the best interest of the district, campus, and students.

19 TAC 101.5003

Test Administration Training

The commissioner may require training for district employees involved in the administration of the assessment instruments. The commissioner may only require for the employee at each district campus who oversees the administration of the assessment instruments to annually receive the training. The district employee who oversees test administration on a district campus may, with discretion, require other district employees involved in the administration of assessment instruments to repeat the training. *Education Code 39.0304(a), (b-1)–(b-2)*

Notice to Parents and Students

A superintendent shall be responsible for the following in order to provide timely and full notification of graduation requirements:

1. Notifying each student and his or her parent or guardian in writing no later than the beginning of the student's seventh-grade year of the testing requirements for graduation;
2. Notifying each student in grades 7–12 new to the district and his or her parent or guardian in writing of the testing requirements for graduation; and
3. Notifying each student who shall take the tests required for graduation and his or her parent or guardian, as well as out-of-school individuals, of the dates, times, and locations of testing.

19 TAC 101.3012

Testing in Grades 3–8

Except as provided below, all students, other than students who are assessed under Education Code 39.023(b) (alternative assessment instrument) or 39.023(l) (emergent bilingual students) or exempted under Education Code 39.027, shall be assessed in:

1. Mathematics, annually in grades 3–8;
2. Reading, annually in grades 3–8;
3. Social studies in grade 8;
4. Science in grades 5 and 8; and
5. Any other subject and grade required by federal law.

Education Code 39.023(a)

Exception

For purposes of federal accountability, a student shall not be administered a grade-level assessment if the student:

1. Is enrolled in a course or subject intended for students above the student's enrolled grade level and will be administered a grade-level assessment instrument developed under the list above that aligns with the curriculum for that course or subject within the same content area; or
2. Is enrolled in a course for high school credit in a subject intended for students above the student's enrolled grade level and will be administered an EOC assessment instrument that aligns with the curriculum for that course or subject within the same content area.

For purposes of federal accountability, a grade 3–8 student who is accelerated in mathematics, reading/language arts, or science and on schedule to complete the high school end-of-course assessments in that same content area prior to high school shall be assessed at least once in high school with the ACT or the SAT.

A student is only eligible to take an assessment instrument intended for use above the student's enrolled grade if the student is on schedule to complete instruction in the entire curriculum for that subject during the semester the assessment is administered.

A student in grade 5 or 8 described above may not be denied promotion on the basis of failure to perform satisfactorily on an assessment instrument not required to be administered to the student.

Education Code 28.0211(o)–(p), 39.023(a-2); 19 TAC 101.3011(a)(1)–(4)

Kindergarten Assessment

An assessment instrument under Education Code 39.023 may not be administered to a kindergarten student except for the purpose of determining whether the student is entitled to the benefit of the Foundation School Program [see FD]. *Education Code 39.023(a-16)*

Prekindergarten Assessment

Performance on an assessment instrument administered to students in prekindergarten may not be considered for any purpose related to Education Code Chapters 39 and 39A. *Education Code 39.0237*

Accommodations

Testing accommodations are permitted for any student unless they would make a particular test invalid. Decisions regarding testing accommodations shall take into consideration the needs of the student and the accommodations the student routinely receives in classroom instruction. Permissible testing accommodations shall be described in the appropriate test administration materials.

The committee established by a board to determine the placement of students with dyslexia or related disorders shall determine whether any allowable modification is necessary in administering an assessment to such a student.

A student's ARD committee shall determine the allowable accommodations and shall document them in the student's individualized education program (IEP). [See Special Education, above]

19 TAC 101.3013; Education Code 39.023(a)–(c), (n); 34 C.F.R. 300.320(a)(6)

End-of-Course Assessments

Beginning with students first enrolled in grade 9 in the 2011–12 school year, a student enrolled in a course for which an EOC assessment exists as required by Education 39.023(c) shall take the appropriate assessment. *19 TAC 101.3021(a)*

TEA shall adopt EOC assessment instruments for secondary-level courses in Algebra I, biology, English I, English II, and United

States history. The Algebra I EOC assessment instrument must be administered with the aid of technology but may include one or more parts that prohibit the use of technology. The English I and English II EOC assessment instruments must each assess essential knowledge and skills in both reading and writing and must provide a single score. A district shall comply with State Board of Education rules regarding administration of the assessment instruments listed in this provision.

If a student is in a special education program, the student's ARD committee shall determine whether any allowable modification is necessary in administering to the student an assessment instrument required under this provision.

Education Code 39.023(c)

Students Enrolled Below High School Level

Beginning in the 2011–12 school year, a student in grade 8 or lower who takes a high school course for credit is required to take the applicable EOC assessment. The EOC assessment result shall be applied toward the student's assessment graduation requirements, as specified in 19 Administrative Code 101.3022. *19 TAC 101.3021(d)*

Assessment Requirements for Graduation

A student must meet satisfactory performance on an EOC assessment listed in Education Code 39.023(c) in order to be eligible to receive a Texas diploma, except as described below at Exceptions, Credits Earned Prior to Enrollment, Individual Graduation Committee, and Special Education.

The standard in place when a student first takes an EOC assessment is the standard that will be maintained throughout the student's school career.

Exceptions

English I or English II

A student who was administered separate reading and writing EOC assessments under Education Code 39.023(c), for the English I or English II course has met that course's assessment graduation requirement if the student has:

1. Achieved satisfactory performance on either the reading or writing EOC assessment for that course;
2. Met at least the minimum score on the other EOC assessment for that course; and
3. Achieved an overall scale score of 3750 or greater when the scale scores for reading and writing are combined for that course.

Exceptions related to English I also apply to emergent bilingual students who meet the criteria in 19 Administrative Code 101.1007. [See EKBA]

19 TAC 101.3022(a)–(c)

Credits Earned Prior to Enrollment

If a student earned high school credit for a course with an EOC assessment prior to enrollment in a Texas public school district and the credit has been accepted by a Texas public school district, or a student completed a course for Texas high school credit in a course with an EOC assessment prior to the 2011–12 spring administration, the student is not required to take the corresponding EOC assessment. *19 TAC 101.3021(e)*

Substitute Assessments

The commissioner adopts certain assessments as substitute assessments that a student may use in place of a corresponding EOC assessment to meet the student's assessment graduation requirements. A satisfactory score on an approved assessment may be used in place of only one specific EOC assessment, except as provided by 19 Administrative Code 101.4002(d)(1) (student who qualifies for use of the Texas Success Initiative (TSI) as a substitute assessment and is enrolled in certain college preparatory courses).

A student at any grade level is eligible to use a substitute assessment as provided in the commissioner's chart at 19 Administrative Code 101.4002(b) if the student:

1. Was administered an approved substitute assessment for an equivalent course in which the student was enrolled;
2. Received a satisfactory score on the substitute assessment as determined by the commissioner and provided in the chart at 19 Administrative Code 101.4002(b); and
3. Using a Texas Success Initiative Assessment (TSIA) or a Texas Success Initiative Assessment, Version 2.0 (TSIA2) also meets the additional criteria of 19 Administrative Code 101.4002(d).

TSI Additional Criteria

A student must meet the criteria established in 19 Administrative Code 101.4002(d) in order to qualify to use TSIA or TSIA2 as a substitute assessment.

Accountability Testing

A student electing to substitute an assessment for graduation purposes must still take the corresponding EOC assessment required under Education Code 39.023(c) at least once for accountability purposes. If a student sits for an EOC assessment, a district may not void or invalidate the test in lieu of a substitute assessment.

A student who fails to perform satisfactorily on a PSAT, PLAN, or Aspire test (or any versions of these tests) as indicated in the chart in 19 Administrative Code 101.4003(b) must take the appropriate EOC assessment required under Education Code 39.023(c). However, a student who does not receive a passing score on the EOC assessment and retakes a PSAT, PLAN, or Aspire test (or any versions of these tests) is eligible to meet the requirements specified in 19 Administrative Code 101.4002(c).

19 TAC 101.4002

Verification of Results

An eligible student is responsible for providing a district an official copy of the student's scores from the substitute assessment.

Upon receipt of official results of an approved substitute assessment, a district must:

1. Verify the student's score on the substitute assessment; and
2. Determine whether the student met the performance standard required to qualify for a public high school diploma in Texas as established by the commissioner.

19 TAC 101.4005

Satisfactory Performance

A student is required to achieve a scale score that indicates satisfactory performance, as determined by the commissioner on each EOC assessment instrument administered to the student. *Education Code 39.025(a)*

Individual Graduation Committee

A student in grade 11 or 12 who has failed to comply with the EOC assessment instrument performance requirements under Education Code 39.025 for not more than two courses may qualify to graduate on the basis of a review by an individual graduation committee (IGC). [See EIF] *Education Code 28.0258, 39.025(a-5)*

A student may not graduate under an IGC if the student did not take each required EOC assessment or an approved substitute assessment for each course in which the student was enrolled in a Texas public school for which there is an EOC assessment. A district shall determine whether the student took each required EOC assessment or an approved substitute assessment. For purposes of this provision only, a student who does not make an attempt to take all required EOC assessments may not qualify to graduate by means of an individual graduation committee.

Notwithstanding any action taken by a student's individual graduation committee, a district must provide a student an opportunity to retake an EOC assessment under Education Code 39.023(c) if the student has not previously achieved satisfactory performance on

an assessment for that course. A student is not required to retake a course in order to be administered a retest of an EOC assessment.

19 TAC 101.3022(e)(1), (3)

For provisions related to an IGC and emergent bilingual students, see EKBA.

Special Education

A student receiving special education services is not subject to the IGC requirements in Education Code 28.0258. As provided in 19 Administrative Code 89.1070 (Graduation Requirements) and 19 Administrative Code 101.3023 (Participation and Graduation Assessment Requirements for Students Receiving Special Education Services), a student's ARD committee determines whether a student is required to achieve satisfactory performance on an EOC assessment to graduate. [See EIF]

A student dismissed from a special education program who achieved satisfactory performance on an alternate EOC assessment while enrolled in a special education program is not required to take and achieve satisfactory performance on the general EOC assessment to graduate. A student who took an EOC assessment while enrolled in a special education program is not required to retake and achieve satisfactory performance on the EOC assessment if the student's ARD committee determined that the student was not required to achieve satisfactory performance on the EOC assessment to graduate. A student dismissed from a special education program must achieve satisfactory performance on any remaining EOC assessments that the student is required to take. If the student fails to achieve satisfactory performance on no more than two of the remaining EOC assessments, the student is eligible for IGC review under Education Code 28.0258 and is subject to the IGC provisions above. [See Individual Graduation Committee, above]

19 TAC 101.3022(f)

For more information on graduation requirements for special education students, see EIF.

Credit by Examination

An EOC assessment administered under Education Code 39.023(c) cannot be used for purposes of credit by examination under 19 Administrative Code 74.24. [See EHDB, EHDC] *19 TAC 101.3021(c)*

Additional State Assessments

TEA may adopt EOC assessment instruments for courses not listed in statute, as described above. A student's performance on these EOC assessment instruments is not subject to the perfor-

mance requirements established for the statutory assessments. *Education Code 39.023(c-2)*

Retakes

Each time an EOC assessment instrument is administered, a student who failed to achieve a score requirement may retake the assessment instrument. [See Satisfactory Performance, above]

A student is not required to retake a course as a condition of retaking an EOC assessment instrument.

If a student failed a course but achieved satisfactory performance on the applicable EOC assessment, that student is not required to retake the assessment if the student is required to retake the course.

Reporting Results

To the Public

Overall student performance data, aggregated by ethnicity, sex, grade level, subject area, campus, and district, shall be made available to the public, with appropriate interpretations, at regularly scheduled meetings of a board, after receipt from TEA. The information shall not contain the names of individual students or teachers. *Education Code 39.030(b)*

To the Board

A superintendent shall accurately report all test results with appropriate interpretations to a board according to the schedule in the applicable test administration materials.

To Parents, Students, and Teachers

A district shall notify each of its students, his or her parent or guardian, and his or her teacher for that subject of test results, observing confidentiality requirements stated at Confidentiality of Results, below. All test results shall be included in each student's academic achievement record and shall be furnished for each student transferring to another district or charter school or private school. The scoring contractor will provide districts with the results of the machine-scorable assessments within a 21-day period following the close of the testing window. Upon receipt of the assessment results from the test contractor, a district shall disclose a student's assessment results to a student's teacher in the same subject area as the assessment for that school year. [See BQ series, FD, and FL]

19 TAC 101.3014(a)–(d)

TEA shall adopt a series of questions to be included in an EOC assessment instrument administered under Education Code 39.023(c) to be used for purposes of identifying students who are likely to succeed in an advanced high school course. A district shall notify a student who performs at a high level on the questions and the student's parent or guardian of the student's performance and

potential to succeed in an advanced high school course. A district may not require a student to perform at a particular level on the questions to be eligible to enroll in an advanced high school course. *Education Code 39.0233(b)*

Parents Right-to-Know Under ESEA

As a condition of receiving assistance under Title I, Part A of the Elementary and Secondary Education Act (ESEA) (20 U.S.C. 6301 et seq.), a district shall provide to each individual parent of a child who is a student in such school, with respect to such student information on the level of achievement and academic growth of the student, if applicable and available, on each of the state academic assessments required under Part A. *20 U.S.C. 6312(e)(1)(B)(i)*

Parental Access

A parent is entitled to access to a copy of each state assessment instrument administered to the parent's child. This right of access does not apply, however, to those instruments or particular questions that are being field-tested by TEA. *Education Code 26.005, .006(a)(2), 39.023(e)*

Note: For information on instructional requirements for students who fail to perform satisfactorily on a state assessment instrument, see EHBC and EHBCA.

Out-of-State Transfers

A district shall accurately report to TEA whether that student transferred into the district from out of state during the current school year.

Procedures for the reporting of out-of-state-transfer students to TEA shall be established in the applicable test administration materials. A district shall follow procedures specified in those test administration materials.

The assessment results of the out-of-state transfer students shall be reported separately to districts from the results of the district's other students in addition to the current reporting of assessment results for all students and other student subsets.

19 TAC 101.3014(e)

Security and Confidentiality

All assessment instruments included in the student assessment program are considered secure, and the contents of these tests, including student information used or obtained in their administration, are confidential.

Districts and campuses and the superintendent and campus principals in each district and campus shall:

1. Implement and ensure compliance with state test administration procedures and training activities;

2. Notify TEA as soon as the district becomes aware of any alleged or suspected violation of the security or confidential integrity of a test [see Violations, below];

3. Report all confirmed testing violations to TEA within ten working days of the district becoming aware of the violation in accordance with the reporting process stipulated in the test administration materials;

4. Ensure that the only individuals with access to secure test materials are district employees who have:

   a. Met the requirements to participate in the student assessment program;

   b. Received training in test security and test administration procedures; and

   c. Signed an oath affirming they understand their obligation to maintain and preserve the security and confidentiality of all state assessments and student information, acknowledge their responsibility to report any suspected testing violation, and are aware of the range of penalties that may result from a violation of test security and confidentiality or a departure from test administration procedures; and

5. Ensure the security of the test materials as required by 19 Administrative Code 101.3031(a)(2)(E).

19 TAC 101.3031(a)(1)–(2)

Violations

Violations of the security and confidential integrity of a test include:

1. Directly or indirectly assisting students with responses to test questions;

2. Tampering with student responses;

3. Falsifying holistic ratings or student responses;

4. Viewing secure test content before, during, or after an administration unless specifically authorized by TEA or by the procedures outlined in the test administration materials;

5. Discussing or disclosing secure test content or student responses;

6. Scoring students' tests, either formally or informally;

7. Duplicating, recording, or electronically capturing confidential test content unless specifically authorized by TEA or by the procedures outlined in the test administration materials;
8. Responding to secure test questions;
9. Fraudulently exempting or preventing a student from participating in the administration of a required state assessment;
10. Receiving or providing unallowable assistance during calibration activities (e.g., taking notes, providing answer sheets, or sharing answers);
11. Encouraging or assisting an individual to engage in the conduct described above or in any other serious violation of security and confidentiality;
12. Failing to report to an appropriate authority that an individual has engaged or is suspected of engaging in the above conduct or in any other serious violation of security and confidentiality under this provision;
13. Failing to implement sufficient procedures to prevent student cheating; and
14. Failing to implement sufficient procedures to prevent alteration of test documents by anyone other than the student.

Consequences

If a district determines that a student has cheated or attempted to cheat on a state assessment either by providing or receiving direct assistance, the district shall invalidate the student's test results.

Any violation of test security or confidential integrity may result in TEA:

1. Invalidating student test results;
2. Referring certified educators to the State Board for Educator Certification (SBEC) for sanctions in accordance with 19 Administrative Code Chapter 247 (Educators' Code of Ethics) and Chapter 249 (Disciplinary Proceedings, Sanctions, and Contested Cases); and
3. Lowering the district's accreditation status or a district's or campus's accountability rating in accordance with Education Code 39.003(d), or appointment of a monitor, conservator, or management team to the district in accordance with Education Code Chapter 39A.

Test Administration Procedures

Test administration procedures shall be delineated in the test administration materials provided to districts annually. Districts must

comply with all of the applicable requirements specified in the test administration materials.

Districts shall ensure that test coordinators and administrators receive training to ensure that testing personnel have the necessary skills and knowledge required to administer assessment instruments in a valid, standardized, and secure manner.

Records Retention

As part of test administration procedures, the commissioner shall require districts to maintain records related to the security of assessment instruments for five years.

19 TAC 101.3031(a)(3)–(d)

Disciplinary Action and Penalties

SBEC may take disciplinary action against a person who has violated the security or integrity of any assessment required by Education Code Chapter 39, Subchapter B or has committed an act that is a departure from the test administration procedures established by the commissioner under 19 Administrative Code Chapter 101.

The superintendent and campus principal must develop procedures to ensure the security and confidentiality of the tests and will be responsible for notifying TEA in writing of conduct that violates the security or confidentiality of a test. Failure to report can subject the person responsible to the applicable penalties.

19 TAC 249.15(a)–(b), (g)(8)

In implementing the commissioner's procedures for the administration of assessment instruments adopted or developed under Education Code 39.023, including procedures designed to ensure the security of the assessment, a district shall minimize disruptions to school operations and the classroom environment. *Education Code 39.0301(a-1)*

Confidentiality of Results

Individual student performance results are confidential and may be released only in accordance with the Family Educational Rights and Privacy Act of 1974. *Education Code 39.030(b)* [See FL and GBA]

Students Living Separate and Apart

The person is under the age of 18 and has established a separate residence in the district apart from his or her parent, guardian, or other person having lawful control under an order of a court and has established that the person's presence in the district is not for the primary purpose of participation in extracurricular activities. A board is not required to admit such person, however, if the person has:

1. Engaged in conduct that resulted in removal to a disciplinary alternative education program or expulsion within the preceding year;
2. Engaged in delinquent conduct or "conduct in need of supervision" and is on probation or other conditional release for that conduct; or
3. Been convicted of a criminal offense and is on probation or other conditional release.

Education Code 25.001(a)–(b), (d)

1. "Child who is homeless," "person who is homeless," and "student who is homeless" have the meaning assigned to the term homeless children and youths under the McKinney-Vento Homeless Assistance Act.
2. "Homeless children" under the McKinney-Vento Homeless Assistance Act, means children or youths who lack a fixed, regular, and adequate nighttime residence; and includes:

[For information regarding the transfer of records and other transition requirements for a student who is homeless, see FFC.]

Foreign Exchange Students

The person is a foreign exchange student placed with a host family that resides in the district by a nationally recognized foreign exchange program, unless the district has applied for and been granted a waiver by the commissioner of education because:

1. This requirement would impose a financial or staffing hardship on the district;

2. The admission would diminish the district’s ability to provide high-quality education services for the district’s domestic students; or

3. The admission would require domestic students to compete with foreign exchange students for educational resources.

Education Code 25.001(b)(6), (e)

Students in Residential Facility	The person resides at a residential facility, as defined in Education Code 5.001, located in the district. A board or its designee shall establish minimum proof of residency acceptable to a district. A board or its designee may make reasonable inquiries to verify a person's eligibility for admission. When admission is sought under the provision at Students Living Separate and Apart above, a board shall determine whether an applicant qualifies as a resident of a district and may adopt reasonable guidelines for making that determination as necessary to protect the best interest of students. *Education Code 25.001(c), (d)*
"Residence" Defined	"Residence" requires living in the district and having the present intention to remain there. *Martinez v. Bynum, 461 U.S. 321 (1983*) A district may withdraw any student who ceases to be a resident. *Daniels v. Morris, 746 F.2d 271 (5th Cir. 1984)*

Authorization Agreement

"Adult caregiver" means an adult person whom a parent has authorized to provide temporary care for a child under Family Code Chapter 34. *Family Code 34.0015(1)*

A parent, as defined in Family Code 101.024, or both parents of a child may enter into an authorization agreement with an adult caregiver to authorize the adult caregiver to perform acts described in Family Code 34.002 in regard to the child, such as:

1. Authorizing medical, dental, psychological, or surgical treatment and immunization of the child, including executing any consents or authorizations for the release of information as required by law relating to the treatment or immunization;
2. Enrolling the child in the district; and
3. Authorizing the child to participate in age-appropriate extracurricular, civic, social, or recreational activities, including athletic activities.

Family Code 34.002

A parent may enter into an authorization agreement with an adult caregiver with whom a child is placed under a parental child safety placement agreement approved by the Department of Family and Protective Services (DFPS) to allow the person to perform the acts described above with regard to the child during an investigation of

abuse or neglect or while the department is providing services to the parent. *Family Code 34.0021*

The authorization agreement must conform to the requirements of Family Code Chapter 34.

A child who is the subject of an authorization agreement is not considered to be placed in foster care and the parties to the agreement are not subject to any law or rule governing foster care providers. *Family Code 34.0022(b)*

An authorization agreement does not affect the rights of the child's parent or legal guardian regarding the care, custody, and control of the child, and does not mean that the adult caregiver has legal custody of the child. *Family Code 34.007(b)*

Only one authorization agreement may be in effect for a child at any time. Execution of a subsequent authorization agreement does not by itself supersede, invalidate, or terminate a prior authorization agreement. An authorization agreement is void if it is executed while a prior authorization agreement remains in effect. *Family Code 34.002(d), .008(f)*

An authorization agreement is for a term of six months and renews automatically for six-month terms unless an earlier expiration date is stated in the agreement, the agreement is terminated under Family Code 34.008, or a court authorizes continuation. *Family Code 34.0075*

Immunity

A person who is not a party to the authorization agreement who relies in good faith on the authorization agreement, without actual knowledge that the authorization agreement is void, revoked, or invalid, is not subject to civil or criminal liability to any person, and is not subject to professional disciplinary action, for that reliance if the agreement is completed as required by Family Code Chapter 34. *Family Code 34.007(a)*

Note: The Authorization Agreement for Nonparent Relative (PDF)[1] is available on the DFPS website.

Temporary Authorization for Care

A person eligible to consent to treatment of a child under Family Code 32.001 or a person eligible to enter an authorization agreement [see Authorization Agreement, above] may seek a court order for temporary authorization for care of a child by filing a petition in the district court in the county in which the person resides if:

1. The child has resided with the person for at least the 30 days preceding the date the petition was filed; and

2. The person does not have an authorization agreement or other signed, written documentation from a parent, conservator, or guardian that enables the person to provide necessary care for the child.

Family Code 35.001–.002

The order may authorize the petitioner to, among other things:

1. Consent to medical, dental, psychological, and surgical treatment and immunization of the child;
2. Enroll the child in the district; and
3. Authorize the child to participate in age-appropriate extracurricular, civic, social, or recreational activities, including athletic activities.

A temporary authorization order does not affect the rights of the child's parent, conservator, or guardian regarding the care, custody, and control of the child, and does not establish legal custody of the child. *Family Code 35.007(b)*

Immunity

A person who relies in good faith on a temporary authorization order is not subject to civil or criminal liability to any person, or to professional disciplinary action. *Family Code 35.007(a)*

Students in Foster Care

A child placed in foster care by an agency of the state or a political subdivision shall be permitted to attend schools in the district in which the foster parents reside free of any charge to the foster parents or to the agency. A durational residence requirement may not be used to prohibit that child from fully participating in any activity sponsored by a district. *Education Code 25.001(f)*

A student who was enrolled in a primary or secondary public school before the student entered the conservatorship of DFPS and who is placed at a residence outside the attendance area for a school or outside a district is entitled to continue to attend the school in which the student was enrolled immediately before entering conservatorship until the student successfully completes the highest grade level offered by the school at the time of placement without payment of tuition. The student is entitled to continue to attend the school regardless of whether the student remains in the conservatorship of DFPS for the duration of the student's enrollment in the school. *Education Code 25.001(g)*

If a student who is in the conservatorship of DFPS is enrolled in a primary or secondary public school, other than the school in which the student was enrolled at the time the student was placed in the conservatorship of DFPS, the student is entitled to continue to at-

tend that school without payment of tuition until the student successfully completes the highest grade level offered by the school at the time of enrollment in the school, even if the child's placement is changed to a residence outside the attendance area for that school or outside the district. The student is entitled to continue to attend the school regardless of whether the student remains in the conservatorship of DFPS for the duration of the student's enrollment in the school. *Education Code 25.001(g-1)*

A written case plan for any child in foster care under the responsibility of the state must include a plan for ensuring the educational stability of the child while in foster care, including:

1. Assurances that each placement of the child in foster care takes into account the appropriateness of the current educational setting and the proximity to the school in which the child in enrolled at the time of placement; and

2. An assurance that the appropriate state agency has coordinated with a district to ensure that the child remains in the school in which the child is enrolled at the time of each placement; or if remaining in that school is not in the best interests of the child, assurances by the state agency and the district to provide immediate and appropriate enrollment in a new school, with all of the educational records of the child provided to the school.

42 U.S.C. 675(1)(G), 675a [See CNA]

[For information regarding the transfer of records and other transition requirements for a student who is in substitute care, see FFC.]

Transfers from Other States

A district shall charge tuition for a student who resides in a residential facility and whose maintenance or expenses are paid in whole or in part by another state or the United States. Any such tuition charge must be submitted to the commissioner for approval. The attendance of students admitted under this provision shall not be counted for purposes of allocating state funds to a district. *Education Code 25.003*

Students Holding F-1 Student Visas

If a student is required, as a condition of obtaining or holding the appropriate U.S. student visa, to pay tuition to the district that the student attends to cover the cost of the student’s education provided by the district, the district shall accept tuition for the student in an amount equal to the full unsubsidized per capita cost of providing the student’s education for the period of the student's attendance at school in the district.

The commissioner shall develop guidelines for determining the amount of the full unsubsidized per capita cost of providing a stu-

dent's education. A district may not accept tuition in an amount greater than the amount computed under the commissioner's guidelines unless the commissioner approves a greater amount as a more accurate reflection of the cost of education to be provided by the district.

The attendance of a student for whom a district accepts tuition is not counted for purposes of allocating state funds to the district.

Education Code 25.0031

Note: Enrolling students with F-1 visas is optional. If the district is interested in enrolling students with F-1 visas, it must comply with the federal Student and Exchange Visitor Program[2] (SEVP) under the Department of Homeland Security.

Texas Juvenile Justice Department

A school-age child of an employee of the Texas Juvenile Justice Department (TJJD) residing in an adjacent district may attend school in a district free of charge to his or her parents or guardian. Any tuition required by the admitting district shall be paid by the district from which the student transfers out of any funds appropriated to the TJJD facility. *Education Code 25.042*

Required Documentation

If a parent or other person with legal control of a child enrolls the child in a public school, the parent or other person, or the district in which the child most recently attended school, shall furnish to the district all of the following:

1. The child's birth certificate, or another document suitable as proof of the child's identity.
2. A copy of the child's records from the school the child most recently attended if he or she was previously enrolled in a school in Texas or in another state.
3. A record showing that the child has the immunizations required by Education Code 38.001, proof that the child is not

required to be immunized, or proof that the child is entitled to provisional admission. [See FFAB]

Education Code 25.002(a)

A district must furnish information under items 1 and 2 not later than the tenth working day after the date the district receives a request for the information.

A parent or other person with legal control of a child under a court order must furnish information under items 1 and 2 not later than the 30th day after the date a child is enrolled in a public school.

If a parent or other person with legal control of a child under a court order requests that a district transfer a child's student records, the district to which the request is made shall notify the parent or other person as soon as practicable that the parent or other person may request and receive an unofficial copy of the records for delivery in person to a school in another district.

This requirement does not apply to enrollment in a Summer Intensive Mathematics Instruction Program under Education Code 29.088, a Summer Intensive Science Instruction Program under Education Code 29.090, or in a similar intensive program.

Education Code 25.008

Enrollment in Prekindergarten and Kindergarten

Food Allergy Information

On enrollment, a district shall request, by providing a form or otherwise, that a parent or other person with legal control of the child under a court order disclose whether the child has a food allergy or a severe food allergy that, in the judgment of the parent or other person with legal control, should be disclosed to the district to enable the district to take any necessary precautions regarding the child's safety [see FB and FFAF]; and specify the food to which the child is allergic and the nature of the allergic reaction.

The district shall maintain the confidentiality of the provided information, and may disclose the information to teachers, school counselors, school nurses, and other appropriate school personnel only to the extent consistent with district policy under Education Code 38.009 and permissible under the Family Educational Rights and Privacy Act of 1974, 20 U.S.C. Contracts for Education Outside Districts

Note: The following section applies only to districts that do not offer all grades, kindergarten–grade 12.

A district that does not offer each grade, kindergarten–grade 12, may provide by contract for students residing in the district who are at grade levels not offered by the district to be educated at those grade levels in one or more other districts. In each contract, the

districts also shall agree to the transfer of school funds or other payments proportionate to the transfer of attendance.

A district is not required to pay tuition to any district with which it has not contracted for the attendance by any of its students at a grade level for which it has contracted under this provision with another district.

A contract under this provision may not be for a period exceeding five years.

Education Code 25.039

Definitions

“Home district” means a district of residence of a transferring student.

“Receiving district” means a district to which a student is transferring for the purpose of obtaining an education.

“Tuition” means an amount charged to the home district by the receiving district to educate the transfer student.

Tuition Allotment of the Home District

For the purposes of calculating the tuition allotment of the home district as authorized by Education Code 48.154, the amount of tuition that may be attributed to a home district for a transfer student in payment for that student’s education may not exceed an amount per enrollee calculated for each receiving district. The calculated limit applies only to tuition paid to a receiving district for the education of a student at a grade level not offered in the home district. Tuition may be set at a rate higher than the calculated limit if both districts enter a written agreement, but the calculated tuition limit will be used in the calculation of the tuition allotment for the home district. The calculation will use the most currently available data in an ongoing school year to determine the limit that applies to the subsequent school year. For purposes of this provision, the number of students enrolled in a district will be appropriately adjusted to account for students ineligible for the Foundation School Program funding and those eligible for half-day attendance.

Calculated Tuition Limit

The calculated tuition limit is the sum of the excess maintenance and operations (M&O) revenue per enrollee and the excess debt

revenue per enrollee, as calculated in 19 Administrative Code 61.1012(b)(2)–(3).

Notification and Appeal Process

In the spring of each school year, the commissioner will provide each district with its calculated tuition limit and a worksheet with a description of the derivation process. A district may appeal to the commissioner if it can provide evidence that the use of projected student counts from the LPE in making the calculation is so inaccurate as to result in an inappropriately low authorized tuition charge and undue financial hardship. A district that used significant nontax sources to make any of its debt service payments during the base year for the computation may appeal to the commissioner to use projections of its tax collections for the year for which the tuition limit will apply. The commissioner's decision regarding an appeal is final.

2. Consider student-centered factors related to the child's best interest, including factors related to the impact of mobility on achievement, education, health, and safety of children who are homeless, giving priority to the request of the child's parent or guardian or the unaccompanied youth;

3. If, after conducting the best interest determination based on consideration of the presumption in item 1 above and the student-centered factors in item 2 above, the district determines that it is not in the child's best interest to attend the school of origin or the school requested by the parent or guardian or the unaccompanied youth, provide the parent, guardian, or unaccompanied youth with a written explanation of the reasons for its determination, in a manner and form understandable to such parent, guardian, or unaccompanied youth, including information regarding the right to appeal as set forth at Enrollment Disputes, below; and

Has established a residence separate and apart from the student's parent, guardian, or other person having lawful control of the student; or 4. Is homeless.

Education Code 25.087(b)(1)

Health-Care Appointments

A district shall excuse a student from attending school for a temporary absence resulting from an appointment with a health-care professional for the student or the student's child if the student commences classes or returns to school on the same day of the appointment. "Temporary absence" includes the temporary absence of a student diagnosed with autism spectrum disorder on the day of the student's appointment with a health-care practitioner to receive a generally recognized service for persons with autism spectrum disorder, including applied behavioral analysis, speech therapy, and occupational therapy. *Education Code 25.087(b)(2)–(b-3)*

Serious or Life-Threatening Illness

A district shall excuse an absence resulting from a serious or life-threatening illness or related treatment that makes the student's attendance infeasible, if the student or the student's parent or guardian provides a certification from a physician licensed to practice medicine in Texas specifying the student's illness and the an-

ticipated period of the student's absence relating to the illness or related treatment. *Education Code 25.087(b)(3)*

Higher Education Visits

A district may excuse a student from attending school to visit an institution of higher education accredited by a generally recognized accrediting organization during the student's junior and senior years of high school for the purpose of determining the student's interest in attending the institution of higher education, provided that:

1. The district may not excuse for this purpose more than two days during the student's junior year and two days during the student's senior year; and

2. The district adopts:

    a. A policy to determine when an absence will be excused for this purpose; and

    b. A procedure to verify the student's visit at the institution of higher education.

Education Code 25.087(b-2)

Early Voting Clerks

A district may adopt a policy excusing a student from attending school for service as a student early voting clerk in an election. A district may excuse a student for serving as an election clerk [see Election Clerks, above] or early voting clerk for a maximum of two days in a school year. *Education Code 25.087(b-1), (e)*

Military Dependents

A district shall excuse a student whose parent, stepparent, or legal guardian is an active duty member of the uniformed services and has been called to duty for, is on leave from, or immediately returned from continuous deployment of at least four months outside the locality where the parent, stepparent, or guardian regularly resides, to visit with the student's parent, stepparent, or guardian. A district may not excuse a student under this provision more than five days in a school year. An excused absence under this provision must be taken not earlier than the 60th day before the date of deployment or not later than the 30th day after the date of return from deployment. *Education Code 25.087(b-4)* [See FDD]

Enlistment in Armed Services

A district shall excuse a student who is 17 years of age or older from attending school to pursue enlistment in a branch of the armed services of the United States or the Texas National Guard, provided that:

The district must verify the student's visit to the driver's license office in accordance with procedures adopted by the district. *Education 25.087(b-7)*

Taps at Military Funeral

In addition, a district may excuse a student in grades 6 through 12 for the purpose of sounding "Taps" at a military honors funeral held in this state for a deceased veteran. *Education Code 25.087(c)*

No Penalty

A student whose absence is excused for a reason described beginning at Excused Absences for Compulsory Attendance Determinations, above, may not be penalized for that absence and shall be counted as if the student attended school for purposes of calculating the average daily attendance of students in the district.

Make-Up Work

The student shall be allowed a reasonable time to make up schoolwork missed on the days described above. If the student satisfactorily completes the work, the days of absence shall be counted as days of compulsory attendance.

Education Code 25.087(d)

Other Excused Absences

A person required to attend school may be excused for temporary absence resulting from any cause acceptable to the teacher, principal, or superintendent of the school in which the person is enrolled. *Education Code 25.087(a)*

Notices to Parents

Warning Notice

A district shall notify a student's parent in writing at the beginning of the school year that, if the student is absent from school on ten or more days or parts of days within a six-month period in the same school year, the student's parent is subject to prosecution under Education Code 25.093, and the student is subject to referral to a truancy court for truant conduct under Family Code 65.003(a).

Notice of Absences

A district shall notify a student's parent if the student has been absent from school, without excuse under Education Code 25.087, on

three days or parts of days within a four-week period. The notice must:

1. Inform the parent that:
    a. It is the parent's duty to monitor the student's school attendance and require the student to attend school;
    b. The student is subject to truancy prevention measures under Education Code 25.0915; and
2. Request a conference between school officials and the parent to discuss the absences.

The fact that a parent did not receive the notices described above is not a defense for the parent's failure to require a child to attend school nor for the student's failure to attend school.

Education Code 25.095

Non-Attendance

Parent Liability

A parent or person standing in parental relation commits an offense if:

1. A warning notice is issued;
2. The parent with criminal negligence fails to require the child to attend school as required by law; and
3. The child has absences for the amount of time specified under Family Code 65.003(a).

The attendance officer [see FED] or other appropriate school official shall file a complaint against the parent in an appropriate court, as permitted under Education Code 25.093.

Affirmative Defense—Parent

It is an affirmative defense to prosecution that one or more of the absences required to be proven was excused by a school official or should be excused by the court. A decision by the court to excuse an absence for this purpose does not affect the ability of a district to determine whether to excuse the absence for another purpose.

Education Code 25.093

Student Liability

A child engages in truant conduct if the child is required to attend school under the compulsory attendance laws, and fails to attend school on ten or more days or parts of days within a six-month period in the same school year. Truant conduct may be prosecuted only as a civil case in a truancy court. *Family Code 65.003(a)–(b)*

"Child" means a person who is 12 years of age or older and younger than 19 years of age. *Family Code 65.002(1)*

Truancy Courts

The following are designated as truancy courts:

1. The constitutional county court in a county with a population of 1.75 million or more;
2. Justice courts; and
3. Municipal courts.

A truancy court has exclusive original jurisdiction over cases involving allegations of truant conduct.

Family Code 65.004(a)–(b)

Affirmative Defense—Student

It is an affirmative defense to an allegation of truant conduct that one or more of the absences required to be proven:

1. Have been excused by a school official or by the court;
2. Were involuntary; or
3. Were due to the child's voluntary absence from the child's home because of abuse, as defined by Family Code 261.001.

The affirmative defense is not available if, after deducting the absences described above, there remains a sufficient number of absences to constitute truant conduct.

In asserting an affirmative defense, the burden is on the child to show by a preponderance of the evidence that the absence has been or should be excused, was involuntary, or was due to the child's voluntary absence from the child's home because of abuse, as defined by Family Code 261.001.

A decision by the court to excuse an absence does not affect the ability of the district to determine whether to excuse the absence for another purpose.

Family Code 65.003(c)–(f)

Truancy Prevention Measures

If a student fails to attend school without excuse on three or more days or parts of days within a four-week period but does not fail to attend school for the time described below, the district shall initiate truancy prevention measures on the student. [See FED] *Education Code 25.0915(a-4)*

District Complaint or Referral

If a student fails to attend school without excuse on ten or more days or parts of days within a six-month period in the same school year, a district shall within ten school days of the student's tenth absence refer the student to a truancy court for truant conduct under Family Code 65.003(a). [See FED] *Education Code 25.0951(a)*

Uniform Accounting System

Each district shall use a uniform accounting system adopted by the commissioner for the data required to be reported for the Public Education Information Management System. *Education Code 48.008(b)*

Student Attendance Accounting Handbook

The commissioner will annually establish student attendance accounting guidelines and procedures to be used by a district to maintain records and make reports on student attendance and student participation in special programs.

The standard procedures that a district must use to maintain records and make reports on student attendance and student participation in special programs are described in the official TEA publication *Student Attendance Accounting Handbook.* A copy of the *Student Attendance Accounting Handbook* is available on the TEA website with information related to financial compliance.

Data from previous school years will continue to be subject to the student attendance accounting handbook as the handbook existed in those years.

19 TAC 129.1025

Incentive for Additional Instructional Days

The commissioner shall adjust the average daily attendance of a district under Education Code 48.005 in the manner provided by Education Code 48.0051(b) if the district:

1. Provides the minimum number of minutes of operational and instructional time required under Education Code 25.081 and commissioner rules adopted under that section over at least 180 days of instruction; and

2. Offers an additional 30 days of half-day instruction for students enrolled in prekindergarten through fifth grade.

Education Code 48.0051(a)

Funding for Off-Campus Programs

Funding eligibility for a student participating in an off-campus program will include time instructed in the off-campus program. A campus may choose an alternate attendance-taking time for a group of students that is scheduled to be off-campus during the regular attendance-taking time. The alternate attendance-taking time will be in effect for the period of days or weeks for which the group is scheduled to be off-campus during the regular attendance-taking time (for example, for the semester or for the duration

of employment). This alternate attendance-taking time may not be changed once it is selected for a particular group of students. If attendance is taken at an off-campus location, the district must ensure that attendance is taken in accordance with the *Student Attendance Accounting Handbook*.

For a district to receive FSP funding for a student participating in an off-campus program, the district must have documentation of an agreement between the district and the college.

19 TAC 129.1031(c)–(d) [See EHDD]

[For information regarding funding for virtual instruction and remote learning programs, see EHDE and EHDF.]

Disasters

The commissioner may adjust the average daily attendance of a district all or part of which is located in an area declared a disaster area by the governor under Government Code Chapter 418 if the district experiences a decline in average daily attendance that is reasonably attributable to the impact of the disaster.

The commissioner may make the adjustment under this section for the two-year period following the date of the governor's initial proclamation or executive order declaring the state of disaster.

Diabetes Management and Treatment Plan

The parent or guardian of a student who will seek care for diabetes while at school or while participating in a school activity, and the physician responsible for the student's diabetes treatment, shall develop a diabetes management and treatment plan (DMTP).

Required Elements

The DMTP must:

1. Identify the health-care services the student may receive at school;
2. Evaluate the student's ability to manage and level of understanding of the student's diabetes; and
3. Be signed by the parent or guardian and the physician.

Submission to School

The parent or guardian must submit the DMTP to the school, and the school must review the plan:

1. Before or at the beginning of the school year;
2. On enrollment of the student, if the student enrolls after the beginning of the school year; or
3. As soon as practicable following a diagnosis of diabetes for the student.

Health and Safety Code 168.002

Individualized Health Plan

Upon receiving the student's DMTP, the school principal, or designee, and the school nurse, if a school nurse is assigned to the school, shall develop an individualized health plan (IHP) for the student. The IHP shall be developed in collaboration with the student's parent or guardian and, to the extent practicable, the physician responsible for the student's diabetes treatment and one or more of the student's teachers.

A student's IHP must incorporate components of the student's DMTP, including the information required under Health and Safety Code 168.002(b) [see Required Elements, above].

Health and Safety Code 168.001(3), .003

Independent Monitoring and Treatment

In accordance with the student's IHP, a school shall permit the student to attend to the management and care of the student's diabetes, which may include:

1. Performing blood glucose level checks;

2. Administering insulin through the insulin delivery system the student uses;

3. Treating hypoglycemia and hyperglycemia;

4. Possessing on the student's person at any time any supplies or equipment necessary to monitor and care for the student's diabetes; and

5. Otherwise attending to the management and care of the student's diabetes in the classroom, in any area of the school or school grounds, or at any school-related activity.

Health and Safety Code 168.008

Required Care

Each school shall adopt a procedure to ensure that a school nurse or at least one unlicensed diabetes care assistant (UDCA) is present and available to provide the required care to a student with diabetes during the regular school day. A district may not restrict the assignment of a student with diabetes to a particular campus on the basis that the campus does not have the required UDCAs. *Health and Safety Code 168.007(c)–(d)*

If a school nurse is assigned to a campus and the nurse is available, the nurse shall perform the tasks necessary to assist a student with diabetes in accordance with the student's IHP.

School Nurse Not Available

If a school nurse is not assigned to the campus or a school nurse is not available, a UDCA shall perform the tasks necessary to assist the student in accordance with the student's IHP and in compliance with any guidelines provided during UDCA training. A UDCA may perform these tasks only if the parent or guardian of the student signs an agreement that:

1. Authorizes a UDCA to assist the student; and

2. States that the parent or guardian understands that a UDCA is not liable for civil damages [see Immunity from Liability, below].

Health and Safety Code 168.007(a)

If a school nurse is not assigned to a campus:

1. A UDCA must have access to an individual with expertise in the care of persons with diabetes, such as a physician, a registered nurse, a certified diabetes educator, or a licensed dietitian; or

2. The principal must have access to the physician responsible for the student's diabetes treatment.

Health and Safety Code 168.007(b)

Unlicensed Diabetes Care Assistants

At each school in which a student with diabetes is enrolled, the principal, or designee, shall:

1. Seek school employees who are not health-care professionals to serve as UDCAs and to care for students with diabetes; and

2. Make efforts to ensure the school has:

    a. At least one UDCA if a full-time nurse is assigned to the school; and

    b. At least three UDCAs if a full-time nurse is not assigned to the school.

"School employee" means a person employed by a school, a local health department that assists the school under Health and Safety Code Chapter 168 (Care of Students with Diabetes), or another entity with whom the school has contracted to perform its duties under that chapter.

"Unlicensed diabetes care assistant" means a school employee who has successfully completed the required training [see UDCA Training, below].

A school employee may not be subject to any penalty or disciplinary action for refusing to serve as a UDCA.

A UDCA shall serve under the supervision of the principal.

Health and Safety Code 168.001(5)–(6), .003–.004

UDCA Training

If a school nurse is assigned to a campus, the nurse shall coordinate the training of school employees acting as UDCAs. Training for UDCAs must be provided by a health-care professional with expertise in the care of persons with diabetes or by a school nurse. The training must include instruction in the elements set forth at Health and Safety Code 168.005(d).

Training must be provided before the beginning of the school year or as soon as practicable following:

1. The enrollment of a student with diabetes at a campus that previously had no students with diabetes; or

2. A diagnosis of diabetes for a student at a campus that previously had no students with diabetes.

The school nurse or principal shall maintain a copy of the training guidelines and any records associated with the training.

Health and Safety Code 168.005

Note: Guidance for the care of students with diabetes is available on the Texas Department of State Health Services (TDSHS) website.[1]

Information to Employees

A district shall provide to each district employee who is responsible for providing transportation for a student with diabetes or supervising a student with diabetes during an off-campus activity a one-page information sheet that:

1. Identifies the student who has diabetes;
2. Identifies potential emergencies that may occur as a result of the student's diabetes and the appropriate responses to such emergencies; and
3. Provide the telephone number of a contact person in case of an emergency involving the student with diabetes.

Health and Safety Code 168.006

Immunity from Liability

A school employee may not be subject to any disciplinary proceeding, as defined by Education Code 22.0512(b), resulting from any action taken in compliance with Health and Safety Code Chapter 168. The requirements of Chapter 168 are considered to involve the employee's judgment and discretion and are not considered ministerial acts for purposes of immunity under Education Code 22.0511. *Health and Safety Code 168.009(a)* [See DG]

A school nurse is not responsible for and may not be subject to disciplinary action under Occupations Code Chapter 301 for actions performed by a UDCA. *Health and Safety Code 168.009(b)*

A UDCA who assists a student as provided above [see Required Care, above] in compliance with the student's IHP:

1. Is not considered to be engaging in the practice of professional or vocational nursing under Occupations Code Chapter 301 or other state law; and
2. Is exempt from any applicable state law or rule that restricts the activities that may be performed by a person who is not a health-care provider.

A UDCA may exercise reasonable judgment in deciding whether to contact a health-care provider in the event of a medical emergency involving a student with diabetes.

Health and Safety Code 168.007(e)–(f)

Students at Risk for Anaphylaxis

The board shall adopt and administer a policy for the care of students with a diagnosed food allergy at risk for anaphylaxis based on Guidelines for the Care of Students with Food Allergies at Risk for Anaphylaxis[2] developed by the commissioner of state health services. A district shall annually review the policy and, as necessary, revise its policy for the care of students with a diagnosed food allergy at risk for anaphylaxis to ensure the policy is consistent with the most current version of the guidelines.

This section does not waive any liability or immunity of the district or its officers or employees or create any liability for or a cause of action against the district or its officers or employees.

Notwithstanding any other law, these provisions do not create a civil, criminal, or administrative cause of action or liability or create a standard of care, obligation, or duty that provides the basis for a cause of action.

Education Code 38.0151(a)–(b), (d), (i)–(j)

A district that provides for the maintenance, administration, and disposal of epinephrine auto-injectors under Education Code Chapter 38, Subchapter E [see FFAC] is not required to comply with Education Code 38.0151. *Education Code 38.0151(f)*

Website Requirements

Each school year, the board shall post a summary of the guidelines on the district's website [see CQA], including instructions on obtaining access to the complete guidelines document. The district's website must be accessible by each student enrolled in the district and a parent or guardian of each student. Any forms used by a district requesting information from a parent or guardian enrolling a child with a food allergy in the district must include information to access on the district's website a summary of the guidelines and instructions on obtaining access to the complete guidelines document. *Education Code 38.0151(g)*

Seizure Management and Treatment Plan

The parent or guardian of a student with a seizure disorder may seek care for the student's seizures while the student is at school or participating in a school activity by submitting to the district at which the student is enrolled a copy of a seizure management and treatment plan developed by the student's parent or guardian and the physician responsible for the student's seizure treatment. The plan must be submitted to and reviewed by the district:

1. Before or at the beginning of the school year;
2. On enrollment of the student, if the student enrolls in the district after the beginning of the school year; or
3. As soon as practicable following a diagnosis of a seizure disorder for the student.

Plan Requirements

A seizure management and treatment plan must:

1. Identify the health-care services the student may receive at school or while participating in a school activity;
2. Evaluate the student's ability to manage and level of understanding of the student's seizures; and
3. Be signed by the student's parent or guardian and the physician responsible for the student's seizure treatment.

Education Code 38.032(a)–(b)

Immunity

The care of a student with a seizure disorder by a district employee under a seizure management plan submitted under Education Code 38.032 is incident to or within the scope of the duties of the employee's position of employment and involves the exercise of judgment or discretion on the part of the employee for purposes of Education Code 22.0511, regarding immunity from liability.

The immunity from liability provided by Education Code 22.0511 applies to an action or failure to act by a district employee in administering a medication, assisting with self-administration, or otherwise providing for the care of a student under a seizure management plan submitted for the student.

"Enrollment conference" means a student-centered meeting between key district staff and the newly enrolled student and/or the student's parent or guardian that occurs within the first two weeks of enrollment, as soon as feasible, at a new school to collaboratively ease transitions; identify the student's academic strengths and extracurricular interests; introduce school processes and opportunities for engagement; and identify any interventions and additional support services (e.g., special education or Section 504

services, academic and/or behavioral interventions, social and emotional needs, college and career readiness). The student's attendance in the conference should be addressed on a case-by-case basis.

Records "Records" means documents in printed or electronic form that include, but are not limited to, student transcripts; individual course grades; academic achievement records; course credits, whether full or partial; individualized education program referrals; intervention data; immunizations; state assessment scores; student attendance data; disciplinary reports; graduation endorsements; special education/Section 504 committee records; performance acknowledgements; and personal graduation plans.

Welcome Packet "Welcome packet" means a compilation of district and community resources provided to new students within the first two weeks of enrollment at a new school that helps to familiarize the student with the school.

Transfer of Student Records

Each district shall ensure that school records for students who are identified as homeless or in substitute care are transferred to the student's new school after receiving a request for records. Student records must be requested, sent, and received using the Texas Records Exchange (TREx) system.

Each district is required to transfer student records within ten working days of receipt of a request from a district to which a student who is homeless or in substitute care enrolls, as required by Education Code 25.002(a-1) [see FD(LEGAL)]. The discretionary authority under Education Code 31.104(d) [see CMD(LEGAL)] to withhold records of a student if the student has not returned or paid for instructional materials or technological equipment does not exempt a district from the mandatory provision to send records to another public school in which the student enrolls.

If a district fails to receive the required information within ten working days, the requesting district may report the noncompliant district to the division responsible for TREx Support at TEA.

Proof of enrollment in a different district permits retroactive withdrawal to the date a student enrolled in the new school. The date of enrollment in the new district is considered the date of withdrawal from the previous district.

19 TAC 89.1603

Systems and Procedures

A district shall develop systems to ease transition of a student who is homeless or in substitute care during the first two weeks of enrollment at a new school. These systems shall include the following:

1. Welcome packets containing applicable information regarding enrollment in extracurricular activities, club activities, information on fee waivers, tutoring opportunities, the student code of conduct, available student supports, and contact information for key school staff members such as principals, registrars, counselors, designated liaisons, nutrition coordinators, and transportation specialists;

2. Introductions for new students that maintain student privacy and confidentiality to the school environment and school processes by district faculty, campus-based student leaders, or ambassadors; and

3. Mechanisms to ensure that a process is in place for all students who qualify to receive nutrition benefits upon enrollment, as all students who are homeless or in substitute care are eligible for United States Department of Agriculture Child Nutrition Programs. The process must expedite communication with the district nutrition coordinator to ensure that eligible students are not charged in error or experience delays in receiving these benefits.

19 TAC 89.1605(a)

A district must provide professional development opportunities and resources to support key staff members such as principals, registrars, counselors, designated liaisons, nutrition coordinators, and transportation specialists on local processes and procedures for facilitating successful school transitions for students who are homeless or in substitute care.

A district must use the TREx, the Personal Identification Database (PID), or the Person Enrollment Tracking (PET) application to facilitate records transfer and expedite coordination and communication between the sending and receiving schools. In cases where records from the student's previous school are missing or cannot be located, a district should use the Texas Student Data System (TSDS) Unique ID application to identify where the student was previously enrolled.

19 TAC 89.1605(c)–(d)

Enrollment Conference

A district shall convene an enrollment conference within the first two weeks or as soon as feasible, after a student who is homeless or in substitute care enrolls at a new school. The convening of the

enrollment conference shall not delay or impede the enrollment of the student.

The student's attendance in the conference should be addressed on a case-by-case basis. The enrollment conference may be used in conjunction with an existing meeting that is designed for similar purposes for newly enrolled students.

The enrollment conference shall address the student's credit recovery, credit completion, attendance plans and trauma-informed interventions, interests and strengths, discipline or behavior concerns, previous successes, college readiness, and social and emotional supports as well as district policies relating to transfers and withdrawals and communication preferences with parents or guardians.

The enrollment conference may be comprised of:

1. School administrators;
2. McKinney-Vento or foster care liaisons;
3. Social workers;
4. Teachers;
5. School counselors;

11. A parent or guardian, unless the caseworker indicates the parent's or guardian's rights to participate have been restricted by the court.

19 TAC 89.1605(b)

Educational Placement

A district must establish procedures to receive, review, and assess student records for the initial course and educational program placement for a student who is homeless or in substitute care upon enrollment at a new school.

A district must ensure that a student who is homeless or in substitute care has the opportunity to pursue the same endorsement cat-

egories, to the extent possible. If only one endorsement is offered, it must be multidisciplinary studies.

To the extent possible, a district shall ensure the continuation of a student's course and educational programs, if appropriate, from the previous district by placing the student in comparable courses and programs for which they are eligible.

A district shall promote placement in academically challenging and career preparation courses.

19 TAC 89.1609

[For award of credit for students who are homeless or in substitute care, see EI. For special education services for students who are homeless or in substitute care, see EHBAA.]

Access to Educational and Extracurricular Programs and Courses

A district must identify and remove barriers, whenever possible, to participation by students who are homeless or in substitute care in extracurricular programs, summer programs, credit transfer services, electronic courses, and after-school tutoring programs.

Appropriate district staff must facilitate the process to complete and submit a University Interscholastic League (UIL) waiver of residence application form for a student who is homeless and plans to participate in varsity athletics.

In compliance with Education Code 25.001(f) [see FD], a durational residence requirement may not be used to prohibit a student in substitute care from fully participating in any activity sponsored by the district.

19 TAC 89.1611

Postsecondary Information for Students who are Homeless or in Substitute Care

District counselors or other designated staff shall work with district McKinney-Vento and foster care liaisons to ensure that all students who are identified as homeless or in substitute care graduate with endorsements, if applicable, and have postsecondary plans identified in their personal graduation plans, to the extent required by Education Code 28.02121 [see EIF].

Districts must provide postsecondary counseling in alignment with Education Code 33.007 [see FFEA], for all students, including students who are homeless or in substitute care.

Districts must connect students to college readiness initiatives, campus visits, and other postsecondary preparation opportunities provided by the district.

School counselors must provide information about postsecondary education to the student and the student's parent or guardian during the first school year a student is enrolled in high school and each subsequent year throughout high school. [See FFEA]

Provisions for Students Experiencing Homelessness

McKinney-Vento liaisons must inform unaccompanied homeless youths of their status as independent students for the purpose of applying for financial aid for higher education and provide verification of such status for the Free Application for Federal Student Aid (FASFA), pursuant to 42 United States Code 11432(g)(6)(A)(x)(III).

School counselors must assist and advise students experiencing homelessness with college preparation and readiness, pursuant to 42 United States Code 11432(g)(1)(K).

19 TAC 89.1613(a)–(b)

Provisions for Students in Substitute Care

A district shall inform students in substitute care of tuition and fee exemptions under Education Code 54.367, regarding monthly payments, medical assistance benefits, and reimbursement of fees.

A district shall ensure students in substitute care are informed that every higher education institution in Texas has a designated foster care liaison to assist students.

Foster care liaisons are encouraged to support students in substitute care with linking to colleges to develop connections and facilitate effective transitions into postsecondary education.

Foster care liaisons, school counselors, and others must assist students with seeking and applying for all types of scholarships for which the student may qualify.

19 TAC 89.1613(c)

Notice of Events for Students in Substitute Care

A district must provide notice in writing to the educational decision-maker and caseworker of a student who is in substitute care regarding events that may significantly impact the education of the student. *19 TAC 89.1617*

Events that may significantly impact the education of a child include:

1. Requests or referrals for an evaluation under Section 504, Rehabilitation Act of 1973 (29 U.S.C. Section 794), or special education under Education Code 29.003 [see EHBAA];

A district receiving Title 1, Part A funds must collaborate with the state or local child welfare agency to designate a point of contact if the child welfare agency notifies the district, in writing, that the agency has designated an employee to serve as a point of contact for the district. *20 U.S.C. 6312(c)(5)(A)*

School-Community Guidance Center

A district may establish a school-community guidance center designed to locate and assist children with problems that interfere with their education, including juvenile offenders and children with severe behavioral problems or character disorders.

Each center shall coordinate efforts of district personnel, local police departments, school attendance officers, and probation officers in working with students, dropouts, and parents in identifying and correcting factors that adversely affect the education of the children.

Note: This policy addresses bullying of District students. For purposes of this policy, the term bullying includes cyberbullying.

For provisions regarding discrimination and harassment involving District students, see FFH. Note that FFI shall be used in conjunction with FFH for certain prohibited conduct. For reporting requirements related to child abuse and neglect, see FFG.

Bullying Prohibited

The District prohibits bullying, including cyberbullying, as defined by state law. Retaliation against anyone involved in the complaint process is a violation of District policy and is prohibited.

Examples

Bullying of a student could occur by physical contact or through electronic means and may include hazing, threats, taunting, teasing, confinement, assault, demands for money, destruction of property, theft of valued possessions, name calling, rumor spreading, or ostracism.

Minimum Standards

In accordance with law, the Superintendent shall develop administrative procedures to ensure that minimum standards for bullying prevention are implemented.

False Claim

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding bullying shall be subject to appropriate disciplinary action.

Timely Reporting

Reports of bullying shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to immediately report may impair the District's ability to investigate and address the prohibited conduct.

Report Format	A report may be made orally or in writing. The principal or designee shall reduce any oral reports to written form.
Periodic Monitoring	The Superintendent shall periodically monitor the reported counts of bullying incidents, and that declines in the count may represent not only improvements in the campus culture because bullying declines but also declines in the campus culture because of a decline in openness to report incidents.
Notice of Report	When an allegation of bullying is reported, the principal or designee shall notify a parent of the alleged victim on or before the third business day after the incident is reported. The principal or designee shall also notify a parent of the student alleged to have engaged in the conduct within a reasonable amount of time after the incident is reported.
Prohibited Conduct	The principal or designee shall determine whether the allegations in the report, if proven, would constitute prohibited conduct as defined by policy FFH, including dating violence and harassment or discrimination on the basis of race, color, religion, sex, gender, national origin, or disability. If so, the District shall proceed under policy FFH. If the allegations could constitute both prohibited conduct and bullying, the investigation under FFH shall include a determination on each type of conduct.
Investigation of Report	The principal or designee shall conduct an appropriate investigation based on the allegations in the report. The principal or designee shall promptly take interim action calculated to prevent bullying during the course of an investigation, if appropriate.
Concluding the Investigation	Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the initial report alleging bullying; however, the principal or designee shall take additional time if necessary to complete a thorough investigation. The discipline of a student with a disability is subject to applicable state and federal law in addition to the Student Code of Conduct.

Corrective Action

Examples of corrective action may include a training program for the individuals involved in the complaint, a comprehensive education program for the school community, follow-up inquiries to determine whether any new incidents or any instances of retaliation have occurred, involving parents and students in efforts to identify problems and improve the school climate, increasing staff monitoring of areas where bullying has occurred, and reaffirming the District's policy against bullying.

Transfers

The principal or designee shall refer to FDB for transfer provisions.

Counseling

The principal or designee shall notify the victim, the student who engaged in bullying, and any students who witnessed the bullying of available counseling options.

Confidentiality

To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation.

b. The student ID number or other unique personal identifier that is displayed on a student ID badge cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the user's identity, such as a PIN, password, or other factor known or possessed only by the authorized user.

2. A parent's or eligible student's right to refuse to let the district designate any or all of those types of information about the student as directory information.

3. The period of time within which the parent has to notify the district in writing that he or she does not want any or all of those types of information about the student designated as directory information.

Restrictions on the Right of Refusal

A parent or eligible student may not use the right of refusal to opt out of directory information disclosures to prevent a district from disclosing or requiring a student to disclose the student's name, identifier, or institutional email address in a class in which the student is enrolled or to prevent a district from requiring a student to wear, to display publicly, or to disclose a student ID card or badge that exhibits information that may be designated as directory information and that has been properly designated by the district as directory information in the public notice provided under this section.

Former Students

A district may disclose directory information about former students without satisfying the public notice conditions above. However, the district must continue to honor any valid request to opt out of the disclosure of directory information made while a student was in attendance unless the student rescinds the opt-out request.

Confirmation of Identity or Records

A district may not disclose or confirm directory information without meeting the written consent requirements in 34 C.F.R. 99.30 if a student's social security number or other non-directory information is used alone or combined with other data elements to identify or help identify the student or the student's records.

Public Information

See GB(LEGAL) for the definition of public information.

Availability of Public Information

Public information is available to the public at a minimum during the normal business hours of a district. Government Code Chapter 552 (Public Information Act [PIA]) does not authorize the withholding of public information or limit the availability of public information to the public, except as expressly provided by the PIA. *Gov't Code 552.006, .021*

Special Rights of Access

Person Whose Information the District Holds

A person or a person's authorized representative has a special right of access, beyond the right of the general public, to information held by the district that relates to the person and that is protected from public disclosure by laws intended to protect that person's privacy interests. A district may not deny this access on the grounds that the information is considered confidential by privacy principles under the Public Information Act but may assert as grounds for denial other provisions of the PIA or other law not intended to protect the person's privacy interests. Access to information under this provision shall be provided in the manner prescribed by Government Code 552.229 (consent to release) and 552.307 (timely release), below. *Gov't Code 552.023(a), (b), (e)*

Board Members

For information on board members' special access rights to district information, see BBE.

Parents

A district that receives a request from a parent for public information relating to the parent's child shall comply with the Public Information Act. *Education Code 26.0085(e)*

For information on parents' special access rights to their child's education records, see FL.

Information That Must Be Disclosed

The following categories of information are public information and not excepted from required disclosure unless made confidential under the Public Information Act or other law:

1. A completed report, audit, evaluation, or investigation made of, for, or by a board or district, except as provided in Government Code 552.108.
2. The name, sex, ethnicity, salary, title, and dates of employment of each employee and officer of a district.
3. Information in an account, voucher, or contract relating to the receipt or expenditure of public or other funds by a board.

4. The name of each official and the final record of voting on all proceedings of a board.

5. All working papers, research material, and information used to estimate the need or expenditure of public funds or taxes by a board, on completion of the estimate.

6. A description of a district's central and campus organization, including where, from whom, and how the public may obtain information, submit information or requests, and obtain decisions.

7. A statement of the general course and method by which a district's functions are channeled and determined, including the nature and requirements of all formal and informal policies and procedures.

8. A rule of procedure, a description of forms available or the places at which forms may be obtained, and instructions relating to the scope and content of all papers, reports, or examinations.

9. A substantive rule of general applicability adopted or issued by a board as authorized by law, and a statement of general policy or interpretation of general applicability formulated and adopted by the board.

10. Each amendment, revision, or repeal of the information described in items 6–9.

11. Final opinions and orders issued in the adjudication of cases.

12. A policy statement or interpretation adopted or issued by a board.

13. Administrative manuals and instructions to staff that affect a member of the public.

14. Information regarded as open to the public under a district's policies.

15. Information that is in a bill for attorney's fees and that is not privileged under the attorney-client privilege.

16. Information that is also contained in a public court record.

17. A settlement agreement to which a board is a party.

Gov't Code 552.022

Contracting Information

Contracting information, as that term is defined in Government Code 552.003(1-a) [see GBAA], is public and must be released unless excepted from disclosure under the Public Information Act. The exceptions to disclosure provided by Government Code 552.110 (trade secrets) and 552.1101 (proprietary information) do not apply to the types of contracting information listed at Government Code 552.0222(b). *Gov't Code 552.0222(a), (b)* [See GBAA for additional procedures related to contracting information.]

Investment Information

Certain categories of information held by a district relating to its investments, as specified by Government Code 552.0225(b), are public information and not excepted from disclosure under the Public Information Act. *Gov't Code 552.0225*

Confidential Information That Must Not Be Disclosed

A person commits an offense if the person distributes information considered confidential under the terms of the Public Information Act. A violation under this provision also constitutes official misconduct. *Gov't Code 552.352*

Note: For confidentiality and access provisions addressed by specific statutes other than Government Code Chapter 552 (Public Information Act), see the applicable policy code.

Privileged Attorney-Client Information

The Texas Rules of Civil Procedure and the Texas Rule of Evidence are "other law" within the meaning of Government Code 552.022 (allowing "other law" to make information confidential from required disclosure). A district does not forfeit the attorney-client privilege by failing to timely request an attorney general's decision, and the privilege is sufficiently compelling to rebut the presumption of public disclosure after an untimely request. *In re City of Georgetown, 53 S.W.3d 328, 336 (Tex. 2001); Paxton v. City of Dallas, 509 S.W.3d 247 (Tex. 2017)*

The attorney-client privilege does not apply if the attorney or attorney's representative acts in a capacity other than that of providing or facilitating professional legal services to the client. *Harlandale Indep. Sch. Dist. V. Cornyn, 25 S.W.3d 328 (Tex. App.–Austin 2000, pet. Denied)*

Closed Meeting Records

The certified agenda or tape recording of a closed meeting is available for public inspection only under a court order issued in litigation in a district court involving an alleged violation of the Open Meetings Act. *Gov't Code 551.104(c); Atty. Gen. ORD 684 (2009)*

[For information regarding minutes or recording of an open meeting, see BE.]

Student Education Records

The Public Information Act does not require the release of information contained in education records of the district, except in conformity with the Family Educational Rights and Privacy Act of 1974, 20 U.S.C. Section 1232g (FERPA).

In this provision, "student record" means information that constitutes education records as that term is defined by FERPA or information in a record of an applicant for admission to an educational institution, including a transfer applicant.

Information is confidential and excepted from required disclosure if it is information in a student record at a district.

The district is not prohibited from disclosing or providing information included in an education record if the disclosure or provision is authorized by FERPA or other federal law. In addition, a student record shall be made available on the request of district personnel, the student, the student's parents, legal guardian, or spouse, or a person conducting a child abuse investigation required by Family Code Chapter 261, Subchapter D.

Except as provided by Government Code 552.114(e) (information in enrollment or transfer records, below), a district may redact information in a student record from information required to be disclosed under the Public Information Act without requesting a decision from the attorney general.

Gov't Code 552.026, .114 [See FL]

Enrollment or Transfer Information

If an applicant, or a parent or legal guardian of a minor applicant, for admission to an educational institution funded wholly or partly by state revenue requests information in the record of the applicant, the district shall disclose any information that is related to the application for admission and was provided to the district by the applicant. *Gov't Code 552.114(e)*

Student Victim Information

The name of a person who is enrolled in a public or private primary or secondary school and involved in an improper relationship with an educator as provided by Penal Code 21.12(a) may not be released to the public and is not public information subject to disclosure. *Penal Code 21.12(d)*

The name of a student or minor who is the victim of abuse or unlawful conduct by an educator is not public information subject to disclosure. *Education Code 21.006(h)*

Law enforcement records concerning a child may be inspected or copied by:

1. A juvenile justice agency, as defined by Family Code 58.101;
2. A criminal justice agency, as defined by Government Code 411.082;
3. The child;
4. The child's parent or guardian; or
5. The chief executive officer or the officer's designee of a primary or secondary school where the child is enrolled only for the purpose of conducting a threat assessment or preparing a safety plan related to the child. [See FFB]

Family Code 58.008(d), (d-1)

Exclusions

These provisions do not apply to a record relating to a child that is required or authorized to be maintained under the laws regulating the operation of motor vehicles in Texas or subject to disclosure under Code of Criminal Procedure Chapter 62 (registered sex offenders). *Family Code 58.008(a)*

Certain Personnel Information

Note: For previous determinations by the attorney general allowing governmental bodies to withhold specific categories of information in personnel records, including direct deposit forms; employment forms I-9, W-2, W-4; and fingerprints, without the necessity of requesting an attorney general decision, see Attorney General Open Records Decision (ORD) 684 (2009).

Employee Social Security Numbers

The social security number of an employee of a district in the custody of the district is confidential. *Gov't Code 552.147(a-1)*

Invasion of Privacy

Information is excepted from public disclosure if it is information in a personnel file, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, except that all information in the personnel file of a district employee is to be made available to that employee or the employee's designated representative as public information is made available under the Public Information Act. The exception to public disclosure created by this provi-

sion is in addition to any exception created by Government Code 552.024. Public access to personnel information covered by Government Code 552.024 is denied to the extent provided by that provision. *Gov't Code 552.102(a)*

Employee Birth Dates

Disclosure of employee birth dates would constitute a clearly unwarranted invasion of personal privacy, and thus such dates are excepted from disclosure under Government Code 552.102(a). *Texas Comptroller of Public Accts. v. Atty. Gen'l of Texas, 354 S.W.3d 336 (Tex. 2010)*

College Transcripts

Information is excepted from public disclosure if it is a transcript from an institution of higher education maintained in the personnel file of a professional employee, except that this provision does not exempt from disclosure the degree obtained or the curriculum on a transcript in the personnel file of the employee. *Gov't Code 552.102(b)*

Evaluations

A document evaluating the performance of a teacher or administrator is confidential and is not subject to disclosure under the Public Information Act.

At the request of a school district, open-enrollment charter school, or private school at which a teacher or administrator has applied for employment, a district shall give the requesting district or school a document evaluating the performance of a teacher or administrator employed by the school.

A district shall give the Texas Education Agency (TEA) a document evaluating the performance of a teacher or administrator employed by the district for purposes of an investigation conducted by TEA.

Education Code 21.355(a), (c), (d)

The results of an educator certification examination are confidential and are not subject to disclosure, unless the disclosure is regarding notification to a parent of the assignment of an uncertified teacher to a classroom as required by Education Code 21.057. *Education Code 21.048(c-1)*

Employee Accused of Improper Relationship with Student

A primary or secondary school may not release externally to the general public the name of an employee who is accused of committing an offense under Penal Code 21.12 (improper relationship between educator and student) until the employee is indicted for the offense. The school may release the name of the accused employee regardless of whether the employee has been indicted for the offense as necessary for the school to:

1. Report the accusation:

a. To TEA, another state agency, or local law enforcement or as otherwise required by law; or

b. To the school's community in accordance with the school's policies or procedures; or

2. Conduct an investigation of the accusation.

Penal Code 21.12(d-1)

Credit Card, Debit Card, Charge Card, and Access Device Numbers

A credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a district is confidential.

"Access device" means a card, plate, code, account number, personal identification number, electronic serial number, mobile identification number, or other telecommunications service, equipment, or instrument identifier or means of account access that alone or in conjunction with another device may be used to:

1. Obtain money, goods, services, or another thing of value; or

2. Initiate a transfer of funds other than a transfer originated solely by paper instrument.

A district may redact credit card, debit card, charge card, or access device numbers from any information the district discloses without the necessity of requesting a decision from the attorney general. The district shall provide the information required by Government Code 552.136(e) to the requestor on a form prescribed by the attorney general. The requestor is entitled to seek a decision from the attorney general about the matter.

Gov't Code 552.136

2. Provided to a district by a vendor who seeks to contract with the district or by the vendor's agent;

4. Provided to a district on a letterhead, coversheet, printed document, or other document made available to the public; or

5. Provided to a district for the purpose of receiving orders or decisions from the district, or for the purpose of providing public comment on or receiving notices related to an application for a license. A "license" under this provision includes a state agency permit, certificate, approval, registration, or similar form of permission required by law.

A district may also disclose an email address for any reason to another governmental body or to a federal agency.

Gov't Code 552.137, 2001.003(2); Atty. Gen. ORD 684 (2009)

Individuals Who Inform of Legal Violations

An informer's name or information that would substantially reveal the identity of an informer is excepted from public disclosure.

"Informer" means a student or former student or an employee or former employee of a district who has furnished a report of another person's possible violation of criminal, civil, or regulatory law to the district or the proper regulatory enforcement authority.

This exception does not apply if the informer:

2. If the informer is an employee or former employee who consents to disclosure of the employee's name; or

3. The informer planned, initiated, or participated in the possible violation.

Information may be made available to a law enforcement agency or prosecutor for official purposes upon proper request, made in compliance with applicable law and procedure. However, this exception does not impair the confidentiality of information considered to be confidential by law, including information excepted from disclosure under the Public Information Act.

Gov't Code 552.135

Officer and Agents

The superintendent of a district is the officer for public information. Each department head is an agent of the officer for public information for purposes of complying with Government Code Chapter 552 (Public Information Act [PIA]).

Duties

The officer is responsible for the release of public information as required by the Public Information Act. Subject to penalties provided by the Public Information Act, the officer for public information shall:

1. Make public information available for public inspection and copying;
2. Carefully protect public information from deterioration, alteration, mutilation, loss, or unlawful removal;
3. Repair, renovate, or rebind public information when necessary to maintain it properly; and
4. Make reasonable efforts to obtain public information from a temporary custodian if:
    a. The information has been requested from the district;
    b. The officer is aware of facts sufficient to warrant a reasonable belief that the temporary custodian has possession, custody, or control of the information;
    c. The officer is unable to comply with the duties imposed by the Public Information Act without obtaining the information from the temporary custodian; and
    d. The temporary custodian has not provided the information to the officer or the officer's agent.

The officer is not responsible for the use made of the information by the requestor or the release of the information after it is removed from a record as a result of an update, correction, or change of status of the person to whom the information pertains.

Gov't Code 552.201(a)–.204; Keever v. Finlan, 988 S.W.2d 300 (Tex. App.–Dallas 1999, pet. dism'd) (a district's chief administrative officer is the superintendent)

Training

This provision applies to an elected or appointed board member and the officer for public information.

Each person shall complete a course of training of not less than one and not more than two hours regarding the responsibilities of the district and its board members and employees under the Public Information Act not later than the 90th day after the date:

1. The board member takes the oath of office; or
2. The officer for public information assumes duties as officer for public information.

A public information coordinator who is primarily responsible for administering the responsibilities of the board under the Public Information Act and designated for board members to satisfy the training requirement of this provision shall complete the training course regarding the responsibilities of the board and district employees under the PIA not later than the 90th day after the date the coordinator assumes the person's duties as coordinator. [See BBD, CPC(LOCAL)]

Designation of a public information coordinator does not relieve a board member from the duty to comply with any other requirement of the Public Information Act that applies to the board member. A district shall maintain and make available for public inspection the record of its board members' or, if applicable, the public information coordinator's completion of the training.

Gov't Code 552.012(a)–(c), (e)

PIA Sign

The officer for public information shall prominently display a sign (PIA sign) in the form prescribed by the attorney general that contains basic information about the rights of a requestor, the responsibilities of a district, and the procedures for inspecting or obtaining a copy of public information under the Public Information Act. The officer shall display the sign at one or more places in the district's administrative offices where it is plainly visible to:

1. Members of the public who request public information in person; and
2. Employees of the district whose duties include receiving or responding to public information requests.

Designated Addresses to Receive Requests

A district may designate one mailing address and one electronic mail address for receiving written requests for public information and shall provide the designated mailing address and electronic mailing address to any person on request.

A district that posts a designated mailing address or electronic mail address on the district's website or that prints those addresses on the PIA sign is not required to respond to a written request for public information unless the request is received:

1. At one of those addresses;

2. By hand delivery; or

3. By a method described above that has been approved by the district.

Gov't Code 552.234(c), (d)

1. Confidential; or

2. Subject to an exception to disclosure that the district would assert if the information were subject to the request.

A district that allows requestors to use the attorney general's form and maintains a website shall post the form on its website.

Gov't Code 552.235

Gov't Code 552.222(a)–(c)

Statement of Consequences

A written request for clarification or discussion or for additional information, as described above, must include a statement as to the consequences of the failure by the requestor to timely respond to the request for clarification, discussion, or additional information. *Gov't Code 552.222(e)*

Requestor's Failure to Respond

If by the 61st day after the date the district sends a written request for clarification or discussion or for additional information, as described above, the district, officer for public information, or agent does not receive a written response from the requestor, the underlying request for public information is considered to have been withdrawn by the requestor.

Exception to Automatic Withdrawal

Except when the requestor's information request was sent by electronic mail, described below, if the requestor's information request included the requestor's physical or mailing address, the request may not be considered to have been withdrawn unless the district or officer for public information or agent sends the request for clarification or discussion or for additional information, as described above, to that address by certified mail.

If the requestor's information request was sent by electronic mail, the request may be considered to have been withdrawn if:

1. The district, officer for public information, or agent sends the request for clarification or discussion or the written request for additional information by electronic mail to the same electronic mail address from which the original request was sent

or to another electronic mail address provided by the requestor; and

2. The district, officer for public information, or agent does not receive from the requestor a written response or response by electronic mail within the period described by Government Code 552.222(d).

Gov't Code 552.222(d), (f)–(g)

Time for Production

Promptly

An officer for public information shall promptly produce public information for inspection, duplication, or both, on application by any person to the officer. "Promptly" means as soon as possible under the circumstances, that is, within a reasonable time, without delay. A district may not automatically withhold for ten business days public information not excepted from disclosure. *Gov't Code 552.221(a); Atty. Gen. ORD 664 (2000)*

Certifications of Availability

If an officer for public information cannot produce the public information for inspection or duplication within ten business days after the date the information is requested, the officer shall certify that fact in writing to the requestor and set a date and hour within a reasonable time when the information will be available for inspection or duplication.

If the requested information is unavailable at the time of the request to examine because it is in storage or active use, an officer for public information shall certify this fact in writing to the requestor and set a date and hour within a reasonable time when the information will be available for inspection or duplication.

Gov't Code 552.221(c), (d)

Administrative Offices Closed

Unless the district has initiated a temporary suspension of the Public Information Act during a catastrophe [see below], if a district closes its physical offices, but requires staff to work, including remotely, then the district shall make a good faith effort to continue responding to applications for public information, to the extent staff have access to public information responsive to an application while its administrative offices are closed.

Failure to respond to requests may constitute a refusal to request an attorney general's decision or a refusal to supply public information or information that the attorney general has determined is public information that is not excepted from disclosure.

Gov't Code 552.2211

Methods of Production

An officer for public information complies with the requirement to promptly produce public information by:

1. Providing the information for inspection or duplication in the offices of a district. The Public Information Act does not authorize a requestor to remove an original copy of a public record from the office of a district;

2. Sending copies of the information by first class United States mail, if the requestor requests that copies be provided and pays the postage and any other applicable charges that the requestor has accrued under Government Code Chapter 552, Subchapter F [see Authorized Costs and Charges, below]; or

3. Referring a requestor to an exact internet location or uniform resource locator (URL) address on a website maintained by the district and accessible to the public if the requested information is identifiable and readily available on that website. If the person requesting the information prefers a manner other than access through the URL, the district must supply the information in the manner described above at items 1 and 2.

   If the officer for public information provides by email an internet location or URL address as permitted by item 3, above, the email must contain a statement in a conspicuous font clearly indicating that the requestor may nonetheless access the requested information by inspection or duplication or by receipt through United States mail, as described above at items 1 and 2.

Gov't Code 552.221(b)–(b-2), .226

Inspection and Duplication Procedures

A district may promulgate reasonable rules of procedure under which public information may be inspected and copied efficiently, safely, and without delay. These rules may not be inconsistent with any provision of the Public Information Act. *Gov't Code 552.230*

The officer for public information or agent shall give the requestor all reasonable comfort and facility for the full exercise of the right granted by the Public Information Act. *Gov't Code 552.224*

Time For District to Provide Copies

It shall be a policy of a district to provide a suitable copy of public information within a reasonable time after the date on which the copy is requested. *Gov't Code 552.228(a)*

Time for Requestor to Appear and Complete Inspection

A request is considered to have been withdrawn if the requestor fails to inspect or duplicate the public information in district offices on or before the 60th day after the date the information is made available or fails to pay the postage and any other applicable charges accrued under Government Code Chapter 552, Subchapter F on or before the 60th day after the date the requestor is informed of the charges.

A requestor must complete the examination of the information not later than the tenth business day after the date the custodian of the information makes it available. If the requestor does not complete the examination within ten business days and does not file a request for additional time under Government Code 552.225(b) (described below), the requestor is considered to have withdrawn the request.

The officer for public information shall extend the initial examination period by an additional ten business days if, within the initial period, the requestor files with the officer a written request for additional time. The officer shall extend an additional examination period by another ten business days if, within the first additional period, the requestor files with the officer a written request for more additional time.

The time during which a person may examine information may be interrupted by the officer if the information is needed for use by the district. The period of interruption is not considered to be a part of the time during which the person may examine the information.

Gov't Code 552.221(e), .225

Electronic Data

If public information exists in an electronic or magnetic medium, the requestor may request a copy in an electronic medium, such as on diskette or on magnetic tape. A district shall provide a copy in the requested medium if:

1. The district has the technological ability to produce a copy of the information in the requested medium;
2. The district is not required to purchase any software or hardware to accommodate the request; and
3. Provision of a copy of the information in the requested medium will not violate the terms of any copyright agreement between the district and a third party.

If a district is unable to comply with a request to produce a copy of information in a requested medium for any of these reasons, the district shall provide a copy in another medium that is acceptable to the requestor. A district is not required to copy information onto a diskette or other material provided by the requestor but may use district supplies.

Gov't Code 552.228(b), (c)

Requests Requiring Programming or Data Manipulation

Written Statement Required

A district shall provide to a requestor a written statement, described below, if the district determines:

1. That responding to a request for information will require programming or manipulation of data; and
2. That:
    a. Compliance with the request is not feasible or will result in substantial interference with operations; or
    b. The information could be made available in the requested form only at a cost that covers the programming and manipulation of data.

The written statement shall include:

1. A statement that the information is not available in the requested form;
2. A description of the form in which the information is available;
3. A description of any contract or services that would be required to provide the information in the requested form;
4. A statement of the estimated cost of providing the information in the requested form, as determined in accordance with the rules established by the attorney general under Government Code 552.262; and
5. A statement of the anticipated time required to provide the information in the requested form.

Time For Programming or Manipulation Statement

A district shall provide the written statement to the requestor within 20 days after the date the district receives the request. The district has an additional ten days to provide the statement if the district gives written notice to the requestor, within 20 days after receiving the request, that additional time is needed.

Requestor Reply Required

On providing the written statement described above, the district does not have any further obligation to provide the information in the requested form or in the form in which it is available, unless within 30 days the requestor states in writing that the requestor:

1. Wants the district to provide the information in the requested form according to the cost and time parameters set out in the written statement or according to other terms to which the requestor and the district agree; or
2. Wants the information in the form in which it is available.

If a requestor does not make a timely written statement to the district, the requestor is considered to have withdrawn the request for information.

Processing Procedures and Recordkeeping

The officer for public information shall establish policies that assure the expeditious and accurate processing of requests for information that require programming or manipulation of data. A district shall maintain a file containing all written statements issued concerning responding to requests for information that require programming or manipulation of data in a readily accessible location.

Gov't Code 552.231

Repetitious or Redundant Requests

A district that determines a requestor has made a request for information for which the district has previously furnished or made copies available to the requestor on payment of applicable charges must respond to the request, in relation to the information for which copies have already been furnished or made available, except that:

1. The district is not prohibited from furnishing the information or making the information available to the requestor again in accordance with the request; and
2. The district is not required to comply with these provisions in relation to information that the district simply furnishes or makes available to the requestor again in accordance with the request.

Gov't Code 552.232(a)

These provisions do not apply to information not previously furnished to a requestor or made copies available to the requestor on payment of applicable charges.

A request by the requestor for information for which copies have not previously been furnished or made available to the requestor, including information for which copies were not furnished or made available because the information was redacted from other information that was furnished or made available or because the information did not exist at the time of an earlier request shall be treated in the same manner as any other request for public information under the Public Information Act.

Gov't Code 552.232(d)

Certification of Previous Production

A district shall certify to the requestor that copies of all or part of the requested information were previously furnished or made available to the requestor. The certification must include:

1. A description of the information for which copies have been previously furnished or made available to the requestor;

2. The date the district received the requestor's original request for that information;

3. The date the district previously furnished copies or made available copies of the information to the requestor;

4. A certification that no subsequent additions, deletions, or corrections have been made to that information; and

5. The name, title, and signature of the officer for public information or agent making the certification.

A charge may not be imposed for making and finishing this certification.

Gov't Code 552.232(b), (c)

Withholding Excepted Information

Request for Attorney General Decision Required

A district that receives a written request for information that it wishes to withhold from public disclosure and that it considers to be within one of the exceptions to required disclosure under Government Code Chapter 552, Subchapter C [see GBA] must ask for a decision from the attorney general about whether the information is within that exception if there has not been a previous determination about whether the information falls within one of the exceptions [see Request for Attorney General Decision Not Required, below]. A district may only request an attorney general decision if the district reasonably believes that the requested information is excepted from required disclosure. *Gov't Code 552.301(a); Atty. Gen. ORD 665 (2000)*

Consequences of Missed Deadlines

If a district does not request an attorney general decision and provides the requestor with the information required by Government Code 552.301(d) and (e-1) [see Information to Requestor, below], the information requested in writing is presumed to be subject to public disclosure and must be released unless there is a compelling reason to withhold it. *Gov't Code 552.302*

Request and Submissions to Attorney General

The district must ask for the attorney general's decision and state the exceptions that apply within a reasonable time but not later than the tenth business day after the date of receiving the written request.

When a district requests an attorney general decision, it shall, within a reasonable time but not later than the 15th business day after receiving the request for information, submit to the attorney general all of the following:

1. Written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld;

2. A copy of the written request for information;

3. A signed statement as to the date on which the written request for information was received by the district or evidence sufficient to establish that date; and

4. A copy of the specific information requested, or representative samples of the information if a voluminous amount of information was requested. The district shall label the copies or representative samples to indicate which exceptions apply to which parts of the copy.

Gov't Code 552.301(b), (e)

Information to Requestor

A district that requests an attorney general decision shall provide to the requestor within a reasonable time but not later than the tenth business day after the date of receiving the requestor's written request:

1. A written statement that the district wishes to withhold the requested information and has asked for a decision from the attorney general about whether the information is within an exception to public disclosure; and

2. A copy of the district's written communication to the attorney general asking for the decision. If a district's written communication to the attorney general discloses the requested information, the district shall provide a redacted copy of that written communication.

The district shall send a copy of the comments to the requestor not later than the 15th business day after the district receives the written request. If the written comments disclose or contain the substance of the information requested, the copy of the comments provided to the requestor shall be redacted.

Gov't Code 552.301(d), (e-1)

Calculating Timeliness

For the purposes of Government Code Chapter 552, Subchapter G (Attorney General Decisions), if a district receives a written request by United States mail and cannot adequately establish the actual date of receipt, the request is considered to have been received by the district on the third business day after the date of the postmark on a properly addressed request. *Gov't Code 552.301(a-1)*

When Government Code Chapter 552, Subchapter G requires a request, notice, or other document to be submitted or otherwise given to the attorney general within a specified period, the requirement is met in a timely fashion if the district submits the document through the attorney general's designated electronic filing system within that period. This provision does not affect the right of a dis-

trict to submit information to the attorney general by specified methods of mail under Government Code 552.308.

When the attorney general is required to deliver a notice, decision, or other document within a specified period, the requirement is met in a timely fashion if the attorney general electronically transmits the document within that period.

For information surrendered or returned to a district by a temporary custodian, the district is considered to receive the request for that information on the date the information is surrendered or returned to the district. [See GB]

Gov't Code 552.233(d), .309

When Government Code Chapter 552, Subchapter G requires a request, notice, or other document to be submitted or otherwise given to a person within a specified period, the requirement is met in a timely fashion if the document is sent to the person by first class United States mail or common or contract carrier properly addressed with postage or handling charges prepaid and:

1. It bears a post office cancellation mark or a receipt mark of a common or contract carrier indicating a time within that period; or
2. The person required to submit or otherwise give the document furnishes satisfactory proof that it was deposited in the mail or with a common or contract carrier within that period.

Gov't Code 552.308

Third Party Privacy or Property Interests

In a case in which information is requested under the Public Information Act and a person's privacy or property interests may be involved, including a case under Government Code 552.101 (information confidential by law), 552.110 (trade secrets), 552.1101 (proprietary information), 552.114 (student records), 552.131 (economic development information), or 552.143 (investment information), a district may decline to release the information for the purpose of requesting a decision from the attorney general.

Third Party Submissions

A person whose interests may be involved as described above, or any other person, may submit in writing to the attorney general the person's reasons why the information should be withheld or released. A district may, but is not required to, submit its reasons why the information should be withheld or released. The proprietary information exception to disclosure provided by Government Code 552.1101(a) may be asserted only by a vendor, contractor, potential vendor, or potential contractor in the manner described by Government Code 552.305(b) for the purpose of protecting the in-

terests of the vendor, contractor, potential vendor, or potential contractor.

Gov't Code 552.305(a)–(c), .1101(c)

Notice to Third Party

If release of a person's proprietary information may be subject to exception under Government Code 552.101 (information confidential by law), 552.110 (trade secrets), 552.1101 (proprietary information), 552.113 (geological or geophysical information), 552.131 (economic development information), or 552.143 (investment information), a district that requests an attorney general decision shall make a good faith attempt to notify that person of its request. The notice must:

1. Be in writing and sent within a reasonable time not later than the tenth business day after the district receives the request for information; and

2. Include:

   a. A copy of the written request for information, if any, received by the district; and

   b. A statement, in the form prescribed by the attorney general, that the person is entitled to submit to the attorney general, not later than the tenth business day after the person receives the notice:

      (1) Each reason the person has as to why the information should be withheld; and

      (2) A letter, memorandum, or brief in support of that reason.

A person who submits a letter, memorandum, or brief to the attorney general under this provision shall send a copy of that letter, memorandum, or brief to the person who requested the information from the district. If the letter, memorandum, or brief submitted to the attorney general contains the substance of the information requested, the copy of the letter, memorandum, or brief may be a redacted copy.

Gov't Code 552.305(d), (e)

Requests for Contracting Information Not Maintained by the District

"Contracting information" means the following information maintained by a district or sent between a district and a vendor, contractor, potential vendor, or potential contractor:

1. Information in a voucher or contract relating to the receipt or expenditure of public funds by a district;

2. Solicitation or bid documents relating to a contract with a district;

3. Communications sent between a district and a vendor, contractor, potential vendor, or potential contractor during the solicitation, evaluation, or negotiation of a contract;

4. Documents, including bid tabulations, showing the criteria by which a district evaluates each vendor, contractor, potential vendor, or potential contractor responding to a solicitation and, if applicable, an explanation of why the vendor or contractor was selected; and

5. Communications and other information sent between a district and a vendor or contractor related to the performance of a final contract with the district or work performed on behalf of the district.

Gov't Code 552.003(1-a)

Government Code 552.371 applies to an entity that is not a governmental body that executes a contract with a district that:

1. Has a stated expenditure of at least $1 million in public funds for the purchase of goods or services by the district; or

2. Results in the expenditure of at least $1 million in public funds for the purchase of goods or services by the district in a fiscal year of the district.

Government Code 552.371 applies to a written request for public information received by a district that is party to a contract described above for contracting information related to the contract that is in the custody or possession of the entity and not maintained by the district.

Gov't Code 552.371(a), (b)

District Request to Contracting Entity

A district that receives a written request for contracting information shall request that the entity provide the information to the district. The district must send the request in writing to the party not later than the third business day after the date the district receives the written request. *Gov't Code 552.371(c)*

Requesting Decision About Contracting Information

A district's request for an attorney general's decision to determine whether contracting information not maintained by the district falls within an exception to disclosure under the Public Information Act is considered timely if made not later than the 13th business day after the date the district receives the written request described above. *Gov't Code 552.371(d)(1)*

The statement and copy described above [see Information to Requestor] is considered timely if provided to the requestor not later than the 13th business day after the date the district receives the written request. *Gov't Code 552.371(d)(2)*

A submission and copy described above [see Request and Submissions to Attorney General] is considered timely if sent not later than the 18th business day after the date the district receives the written request. *Gov't Code 552.371(d)(3), (4)*

The presumption that information is subject to disclosure for failing to comply with Government Code 552.301 [see Request and Submissions to Attorney General, above] does not apply if a district:

1. Complies with the requirements of Government Code 552.371(c) in a good faith effort to obtain contracting information not maintained by the district;
2. Is unable to meet a deadline because the contracting entity failed to provide the information to the district not later than the 13th business day after the date the district received the written request for the information; and
3. Complies with all notice requirements not later than the eighth business day after the date the district receives the information from the contracting entity.

Gov't Code 552.371(e)

Nothing in Government Code 552.371 affects the deadlines or duties of a district related to requesting an attorney general opinion regarding contracting information the district maintains. *Gov't Code 552.371(f)*

Request for Attorney General Decision Not Required

A district must release the requested information and is prohibited from asking for a decision from the attorney general about whether information requested under this chapter is within an exception under Government Code Chapter 552, Subchapter C if the district has previously requested and received a determination from the attorney general concerning the precise information at issue in a pending request and the attorney general or a court determined that the information is public information that is not excepted by Subchapter C. *Gov't Code 552.301(f)*

Previous Determinations

Same Information

Categories of Previously Determined Information

A district may rely on a previous determination by the attorney general regarding a specific, clearly delineated category of information if:

1. The previous decision is applicable to a school district;

2. The previous decision concludes that the category of information is or is not excepted from public disclosure;

3. The elements of law, fact, and circumstances are met to support the previous decision's conclusion that the requested records and information at issue are or are not excepted from public disclosure; and

4. The previous decision explicitly provides that the governmental body or bodies, such as the district, to which the decision applies may withhold the information without the necessity of seeking a decision from the attorney general.

Atty. Gen. ORD 673 (2001)

A district that relies on a previous determination to withhold information from disclosure should notify the requestor in writing of the decision or ruling upon which it is relying. *Atty. Gen. ORD 684 (2009)*

When Request Is Allowed for Previous Determination

A district may ask for another decision from the attorney general concerning the precise information that was at issue in a prior decision made by the attorney general if:

1. A suit challenging the prior decision was timely filed against the attorney general in accordance with the Public Information Act concerning the precise information at issue;

2. The attorney general determines that the requestor has voluntarily withdrawn the request for the information in writing or has abandoned the request; and

3. The parties agree to dismiss the lawsuit.

Gov't Code 552.301(g)

Note: For rules regarding the attorney general's review of redactions and electronic submissions to the attorney general, see 1 Administrative Code Chapter 63. For complete cost rules issued by the attorney general, see 1 Administrative Code Chapter 70.

Authorized Costs and Charges

Attorney General's Cost Rules

A district shall use the attorney general's rules to determine the charges for providing copies of public information and to determine the charge, deposit, or bond required for making public information that exists in a paper record available for inspection, except to the extent that other law provides for charges for specific kinds of public information. The charges for providing copies of public information may not be excessive and may not exceed the actual cost of

producing the information or for making public information that exists in a paper record available for inspection.

A district may determine its own charges for providing copies of public information and its own charge, deposit, or bond for making public information that exists in a paper record available for inspection. However, a district may not charge an amount that is greater than 25 percent more than the amount established by the attorney general, unless the district requests an exemption.

Gov't Code 552.262(a); 1 TAC 70.1(b), .3, .10.

Exemption

A district may request that it be exempt from part or all of the rules adopted by the attorney general for determining charges. The request must be made in writing to the attorney general and must state the reason for the exemption. If a district receives notice from the attorney general that an exemption has been granted, the district may amend its charges according to the attorney general's determination. *Gov't Code 552.262(c)*

Multiple Requests

All requests received in one calendar day from an individual may be treated as a single request for purposes of calculating costs. A district may not combine multiple requests from separate individuals who submit requests on behalf of an organization. *Gov't Code 552.261(e)*

Charges for Producing Copies

The charge for providing a copy of public information shall be an amount that reasonably includes all costs related to reproducing the information, including costs of materials, labor, and overhead.

50 Pages or Less

If a request is for 50 or fewer pages of paper records, the charge for providing the copy of the information may not include costs of materials, labor, or overhead, but shall be limited to the charge for each page of the paper record that is photocopied, unless the pages to be photocopied are located in two or more separate buildings that are not physically connected with each other or a remote storage facility. A connection of two buildings by a covered or open sidewalk, an elevated or underground passageway, or a similar facility is insufficient to cause the buildings to be considered separate buildings.

Statement of Labor Costs

If the charge for providing a copy of public information includes costs of labor, the requestor may require the officer for public information or agent to provide the requestor with a written statement as to the amount of time that was required to produce and provide the copy. The statement must be signed by the officer or agent, and the officer or agent's name must be typed or legibly printed below the signature. A charge may not be imposed for providing the written statement to the requestor.

Accrual of Charges

Charges for providing a copy of public information are considered to accrue at the time the district advises the requestor that the copy is available on payment of the applicable charges.

Gov't Code 552.261(a)–(d)

Deposit or Bond for Copies

The officer for public information or agent may require a deposit or bond for payment of anticipated costs for the preparation of a copy of public information if:

1. The officer or agent has provided the requestor with the written itemized statement required by Government Code 552.2615 (itemized estimate of charges, below); and
2. The charge for providing the copy is estimated by the district to exceed $100, if the district has more than 15 full-time employees, or $50, if the district has fewer than 16 full-time employees.

The officer or agent may not require a deposit or bond as a down payment for copies of public information that the requestor may request in the future.

Gov't Code 552.263(a), (b)

Effect on Timelines

For purposes of Government Code Chapter 552, Subchapters F (Charges for Providing Copies of Public Information) and G (Attorney General Decisions), a request for a copy of public information is considered to have been received by the district on the date the district receives the deposit or bond for payment of anticipated costs or unpaid amounts if the officer for public information or agent requires a deposit or bond.

A requestor who fails to make such a deposit or post such a bond for payment of anticipated costs for the preparation of copies before the tenth business day after the date the deposit or bond is required is considered to have withdrawn the request for the copy of public information that precipitated the requirement of the deposit or bond.

Gov't Code 552.263(e), (f)

Modified Request

If a requestor modifies a request in response to the requirement of a deposit or bond, the modified request is considered a separate request and is considered received on the date the district receives the written modified request. *Gov't Code 552.263(e-1)*

Unpaid Amounts

The officer for public information or agent may require a deposit or bond for payment of unpaid amounts the requestor owes a district in relation to previous public information requests before preparing a copy of public information in response to a new request, if those

unpaid amounts exceed $100. The officer for public information or agent may not seek payment of those unpaid amounts through any other means.

Documentation of Unpaid Amounts

A district must fully document the existence and amount of those unpaid amounts or the amount of any anticipated costs before requiring a deposit or bond. The documentation is subject to required public disclosure.

Gov't Code 552.263(c), (d)

Pre-Payments

A district that receives a request from a requestor to produce public information for inspection or publication or to produce copies of public information in response to a requestor who, within the preceding 180 days, has accepted but failed to pay written itemized statements of estimated charges from the district as provided under Government Code 552.261(b) (statement of labor costs, above) may require the requestor to pay the estimated charges for the request before the request is fulfilled. *Gov't Code 552.2661*

Waivers

A district shall provide a copy of public information without charge or at a reduced charge if the district determines that waiver or reduction of the charge is in the public interest because providing the information primarily benefits the general public.

If the cost to a district of processing the collection of a charge for providing a copy of public information will exceed the amount of the charge, the district may waive the charge.

Gov't Code 552.267

District Publications

Government Code Chapter 552, Subchapter F (charges for providing copies of public information) does not apply to a publication that is compiled and printed by or for a district for public dissemination. If the cost of the publication is not determined by state law, a district may determine the charge for providing the publication. This provision does not prohibit the district from providing the publication free of charge if state law does not require that a certain charge be made. *Gov't Code 552.270*

Copies for Parents

A district may charge a reasonable fee in accordance with the above requirements for copies of materials provided to parents pursuant to Education Code Chapter 26. *Education Code 26.012*

Charges for Inspection Without Copies

If the requestor does not request a copy of public information, a district may not impose a charge for making available for inspection any public information that exists in a paper record, except as set forth below.

Copy of Edited Page

If a page contains confidential information that must be edited from the record before the information can be made available for inspection, the district may charge for the cost of making a photocopy of the page from which the confidential information must be edited. No charge other than the cost of the photocopy may be imposed.

Payment, Deposit, or Bond for Inspections

The officer for public information or agent may require a requestor to pay, or to make a deposit or post a bond for the payment of, anticipated personnel costs for making available for inspection public information that exists in paper records if:

1. The information specifically requested by the requestor is older than five years or completely fills, or when assembled will completely fill, six or more archival boxes; and
2. The officer for public information or agent estimates that more than five hours will be required to make the information available for inspection.

Gov't Code 552.271(a)–(c)

Exception for Certain Small Districts

If a district has fewer than 16 full-time employees, the payment, deposit, or bond may be required only if:

1. The information specifically requested by the requestor is older than three years or completely fills, or when assembled will completely fill, three or more archival boxes; and
2. The officer for public information or agent estimates that more than two hours will be required to make the information available for inspection.

Gov't Code 552.271(d)

Inspection of Electronic Records

In response to a request to inspect information that exists in an electronic medium and that is not available directly online to the requestor, a charge may not be imposed for access to the information unless complying with the request will require programming or manipulation of data. If programming or manipulation of data is required, a district shall notify the requestor before assembling the information and provide the requestor with an estimate of charges that will be imposed to make the information available [see also Requests Requiring Programming or Data Manipulation, above].

If public information exists in an electronic form on a computer owned or leased by a district and if the public has direct access to that computer through a computer network or other means, the electronic form of the information may be electronically copied from that computer without charge if accessing the information does not require processing, programming, or manipulation on the district-

owned or district-leased computer before the information is copied. If such information also requires processing, programming, or manipulation before it can be electronically copied, a district may impose charges.

If information is created or kept in an electronic form, a district is encouraged to explore options to separate confidential information from public information and make the public information available to the public through electronic access through a computer network or by other means.

Gov't Code 552.272

Itemized Estimate of Charges

If a request for a copy of public information will result in the imposition of a charge that exceeds $40, or a request to inspect a paper record without requesting copies will result in the imposition of a charge that exceeds $40, a district shall provide the requestor with a written itemized statement that details all estimated charges that will be imposed, including any allowable charges for labor or personnel costs. If an alternative less costly method of viewing the records is available, the statement must include a notice that the requestor may contact the district regarding the alternative method. A district must inform the requestor of the responsibilities imposed on the requestor by Government Code 552.2615 and the rights granted by that section and give the requestor the information needed to respond as detailed in Government Code 552.2615(a).

If, after a district provides the requestor the itemized statement but before it makes the copy or the paper record available, the district determines that the estimated charges will exceed the charges detailed in the original itemized statement by 20 percent or more, the district shall send to the requestor an updated written itemized statement that details all estimated charges that will be imposed, including any allowable charges for labor or personnel costs.

Requestor's Response

A request for which a district is required to produce an (original or updated) itemized statement of estimated charges is considered to have been withdrawn if the requestor does not respond in writing to the itemized statement by informing the district within ten business days after the date the statement is sent to the requestor that:

1. The requestor will accept the estimated charges;
2. The requestor is modifying the request in response to the itemized statement; or
3. The requestor has sent to the attorney general a complaint alleging that the requestor has been overcharged for being provided with a copy of the public information.

Actual Charges

If the actual charges exceed $40, the charges may not exceed:

1. The amount estimated in the updated itemized statement; or
2. If an updated itemized statement is not sent to the requestor, an amount that exceeds by 20 percent or more the amount estimated in the original itemized statement.

No Effect on Deadlines To Request Attorney General Decision

An original or updated itemized statement is considered to have been sent by a district, and a requestor is considered to have responded to the statement, on the date that the statement or response is:

1. Delivered in person;
2. Deposited, properly addressed, in the United States mail; or
3. Transmitted by electronic mail or facsimile, provided the requestor agrees to receive the statement by those means.

The time deadlines for providing or responding to the required statement of estimated charges do not affect the application of a time deadline imposed on a district for requesting a decision by the attorney general under Government Code Chapter 552, Subchapter G.

Gov't Code 552.2615

Temporary Suspension of Requirements for Districts Impacted by Catastrophe

The requirements of the Public Information Act do not apply to a district that is currently significantly impacted by a catastrophe such that the catastrophe directly causes the inability of the district to comply with the requirements of the PIA and the district complies with requirements below to elect a suspension period.

"Catastrophe" means a condition or occurrence that directly interferes with the ability of a district to comply with the requirements of the PIA, including:

1. Fire, flood, earthquake, hurricane, tornado, or wind, rain, or snow storm;
2. Power failure, transportation failure, or interruption of communication facilities;
3. Epidemic; or
4. Riot, civil disturbance, enemy attack, or other actual or threatened act of lawlessness or violence.

"Catastrophe" does not mean a period when staff is required to work remotely and can access information responsive to an appli-

cation for information electronically, but the physical office of the governmental body is closed.

"Suspension period" means the period of time during which a district may suspend the applicability of the requirements of the Public Information Act.

Initial Suspension Period

A district may suspend the applicability of the Public Information Act to the district for an initial suspension period only once for each catastrophe, which may not exceed seven consecutive days and must occur during the period that:

1. Begins not earlier than the second day before the date the district submits notice to the attorney general; and
2. Ends not later than the seventh day after the date the district submits that notice.

Extension of Initial Suspension Period

A board may extend an initial suspension period if the board determines that the district is still impacted by the catastrophe on which the initial suspension period was based. The initial suspension period may be extended one time for not more than seven consecutive days that begin on the day following the day the initial suspension period ends.

Maximum Suspension Period Per Catastrophe

A board that initiates an initial suspension period may not initiate another suspension period related to the same catastrophe, except for a single extension period as described above.

The combined suspension period for a district filing for both an initial suspension period and a subsequent extension may not exceed a total of 14 consecutive calendar days with respect to any single catastrophe.

Upon conclusion of any suspension period the district shall immediately resume compliance with all requirements of the Public Information Act.

Notices to the Attorney General

A district that elects to suspend the Public Information Act must submit notice to the attorney general that the district is currently impacted by a catastrophe and has elected to suspend the applicability of the PIA during the initial suspension period.

A board that elects to extend an initial suspension period must submit notice of the extension on the form prescribed by the attorney general.

The notices on the form prescribed by the attorney general must require the district to:

1. Identify and describe the catastrophe that the district is currently impacted by;
2. State the date the initial suspension period determined by the board begins and the date that period ends;
3. If the board has determined to extend the initial suspension period:
    a. State that the district continues to be impacted by the catastrophe; and
    b. State the date the extension to the initial suspension period begins and the date the period ends; and
4. Provide any other information the office of the attorney general determines necessary.

Notice to the Public — A district that elects to suspend the Public Information Act must provide notice to the public of the suspension in a place readily accessible to the public and in each other location the district is required to post a notice under Government Code Chapter 551, Subchapter C (Notice of Meetings). The district must maintain the notice of the suspension during the suspension period.

Requests During Suspension Period — Notwithstanding another provision of the Public Information Act, a request for public information received by a district during a suspension period is considered to have been received by the district on the first business day after the date the suspension period ends.

Pending Requests Tolled — A request for public information received by a district before the date an initial suspension period begins are tolled until the first business day after the date the suspension period ends.

Gov't Code 552.2325(a)–(j), (l), (m)

Large or Frequent Requests

Annual Limits on Personnel Time — A district may establish reasonable monthly and yearly limits on the amount of time that district employees are required to spend producing public information for inspection or duplication by a requestor, or providing copies of public information to a requestor, without recovering its costs attributable to that personnel time. A yearly time limit may not be less than 36 hours for a requestor during the 12-month period that corresponds to a district's fiscal year. A monthly time limit may not be less than 15 hours for a requestor for a one-month period.

Request by Minor — In determining whether a time limit applies, any time spent complying with a request submitted in the name of a minor, as defined by Family Code 101.003(a), is to be included in the calculation of the cumulative amount of time spent complying with a request for public information by a parent, guardian, or other person who has con-

trol of the minor under a court order and with whom the minor resides, unless that parent, guardian, or other person establishes that another person submitted that request in the name of the minor.

Gov't Code 552.275(a), (b), (c)

Written Statement of Cumulative Personnel Time

If a district establishes a time limit, each time the district complies with a request for public information, the district shall provide the requestor with a written statement of the amount of personnel time spent complying with that request and the cumulative amount of time spent complying with requests for public information from that requestor during the applicable monthly or yearly period. The amount of time spent preparing the written statement may not be included in the amount of time included in the statement to the requestor. *Gov't Code 552.275(d)*

Written Estimate of Charges Beyond Time Limit

Subject to unpaid cost estimates for large and frequent requests, as described below, if in connection with a request for public information, the cumulative amount of personnel time spent complying with requests for public information from the same requestor equals or exceeds the district-established time limit, the district shall provide the requestor with a written estimate of the total cost, including materials, personnel time, and overhead expenses, necessary to comply with the request. The written estimate must be provided to the requestor on or before the tenth day after the date on which the public information was requested. The amount of this charge relating to the cost of locating, compiling, and producing the public information shall be established by rules prescribed by the attorney general under Government Code 552.262(a) and (b).

Additional Time

If a district provides the requestor with written notice that additional time is required to prepare the written estimate, the district must provide the written estimate as soon as practicable, but on or before the tenth day after the date the district provided the notice that additional time was required.

Gov't Code 552.275(e), (f)

Unpaid Cost Estimate

When a request is made by a requestor who has made a previous request to the district that has not been withdrawn, for which the district has located and compiled documents in response, and for which the district has issued a written estimate of charges that remains unpaid on the date the requestor submits the new request, the district is not required to locate, compile, produce, or provide copies of documents or prepare an estimate of charges in response to a new request until the date the requestor pays each unpaid statement issued in connection with a previous request or

withdraws the previous request to which the statement applies. *Gov't Code 552.275(e-1)*

Production Not Required Until Payment

If a district provides a requestor with the estimate of charges and the district's time limits regarding the requestor have been exceeded, the district is not required to produce public information for inspection or duplication or to provide copies of public information in response to the requestor's request unless on or before the tenth day after the date the district provided the written estimate, the requestor submits payment of the amount stated in the written estimate.

If the requestor fails or refuses to submit payment, the requestor is considered to have withdrawn the request.

Gov't Code 552.275(g)–(h)

Exceptions

The provisions above concerning requests that require large amounts of employee or personnel time do not apply if the requestor is:

1. An individual who, for a substantial portion of the individual's livelihood or for substantial financial gain, gathers, compiles, prepares, collects, photographs, records, writes, edits, reports, investigates, processes, or publishes news or information for and is seeking the information for:
    a. Dissemination by a news medium or communication service provider (as defined by Government Code 552.275(m)), including:
        (1) An individual who supervises or assists in gathering, preparing, and disseminating the news or information; or
        (2) An individual who is or was a journalist, scholar, or researcher employed by an institution of higher education at the time the person made the request for information; or
    b. Creation or maintenance of an abstract plant as described by Insurance Code 2501.004.
2. An elected official of the United States, this state, or a political subdivision of this state.
3. A representative of a publicly funded legal services organization that is exempt from federal income taxation under Internal Revenue Code 501(a), as amended, by being listed as an exempt entity under 501(c)(3) of that code.

Gov't Code 552.275(j)–(l)

Filing Suit to Challenge Attorney General's Decision

The only suit a district may file seeking to withhold information from a requestor is a suit that:

1. Is filed in a Travis County district court against the attorney general in accordance with Government Code 552.325, and
2. Seeks declaratory relief from compliance with a decision by the attorney general issued under Government Code Chapter 552, Subchapter G.

The district must bring the suit not later than the 30th calendar day after the date the district receives the attorney general's decision determining that the requested information must be disclosed to the requestor. If the district does not bring suit within that period, the district shall comply with the decision of the attorney general.

Exception for Affirmative Defenses

If the district wishes to preserve an affirmative defense for its officer for public information as provided by Government Code 552.353(b)(3), the district must file suit not later than the tenth calendar day after receipt of the attorney general's decision.

Gov't Code 552.324, .353(b)(3)

Suits Over Parent's Request

A district that seeks to withhold information from a parent who has requested public information relating to the parent's child under the Public Information Act, and that files suit as described by Government Code 552.324 to challenge a decision by the attorney general, must bring the suit not later than the 30th calendar day after the date the district receives the decision of the attorney general, unless an earlier deadline is established by the Public Information Act.

A court shall grant such a suit precedence over other pending matters to ensure prompt resolution of the subject matter of the suit. Notwithstanding any other law, a district may not appeal the decision of the court. This prohibition does not affect the right of a parent to appeal the decision. If a district does not bring suit within the period established, the district shall comply with the decision of the attorney general.

This provision does not affect the earlier deadline for purposes of Government Code 532.353(b)(3) (exception for affirmative defenses, above) for a suit brought by an officer for public information.

Note: The following legal provisions address the notification requirements and right of access to students when DFPS investigates reports of abuse and neglect at school. For additional legal provisions addressing reporting child abuse and neglect and investigations generally, see FFG.

Child Protective Investigations

A Texas Department of Family and Protective Services (DFPS) investigation of a report of child abuse or neglect under Family Code Chapter 261 may include an interview and examination of the subject child, which may be conducted at any reasonable time and place, including the child's school. A school official may not deny the request of an investigator, investigating a report of suspected child abuse or neglect, to interview, at school, a student who is an alleged victim. A school official may not condition granting the request on a requirement that school personnel, such as a counselor, attend the interview. *Family Code 261.302(a), (b); Atty. Gen. Op. DM-476 (1998)*

A person that has confidential locating or identifying information regarding a family that is the subject of an investigation under Family Code Chapter 261 shall release that information to DFPS on request. The release of information to DFPS by a person is not subject to Government Code 552.352 or any other law providing liability for the release of confidential information. *Family Code 261.303(e)*

Special Investigations

On receipt of a report of alleged or suspected child abuse or neglect in a public school, DFPS shall perform an investigation as provided by Family Code Chapter 261 and the rules adopted thereunder.

The Special Investigations program (SI) of the Child Protective Investigations division (CPI) of DFPS investigates allegations of abuse or neglect of a child by school personnel or volunteers in a school setting.

Family Code 261.406(a); 40 TAC 707.597–.625

Definitions

"School personnel and volunteers" means persons who have access to children in a school setting and are providing services to or caring for the children. School personnel include but are not limited to school employees, contractors, school volunteers, school bus drivers, school cafeteria staff, and school custodians.

"School setting" means the physical location of a child's school or of an event sponsored or approved by the child's school, or any other location where the child is in the care, custody, or control of

school personnel in their official capacity, including transportation services. This does not include:

1. School settings involving only children in facilities regulated by the Texas Health and Human Services Commission (HHSC) when HHSC contracts with the local school district to provide education services; or
2. School settings that are a part of child care operations regulated by the Child Care Licensing division of HHSC.

40 TAC 707.605(6)–(7)

Notice to School Personnel

Prior to conducting an investigation of school personnel or volunteers, SI shall notify the school principal (or the principal's supervisor if the school principal is an alleged perpetrator) of the fact that a report has been assigned for investigation, the nature of the allegations contained in the report, and the date and time SI plans to visit the school campus to begin the investigation.

SI must also orally notify the superintendent about the investigation.

SI must request that the school personnel notified of the investigation not alert the alleged perpetrator or others regarding the report until SI has had an opportunity to interview the alleged perpetrator.

Family Code 261.105(d); 40 TAC 707.615

No Interference with Investigation

School officials or other persons related to the school setting may not interfere with an investigation of a report of child abuse or neglect conducted by DFPS.

Interviews on School Premises

Interviews and examinations in a school investigation may take place on or off the school premises, as deemed appropriate by SI, pursuant to all applicable standards. SI will notify appropriate school personnel prior to conducting an interview or visual inspection on school premises.

Presence of School Personnel

SI may request that school personnel or volunteers not be present during the interview or visual inspection of an alleged victim, an alleged perpetrator, an adult or child witness, or any other person who may have information relevant to the investigation if the investigator determines that:

1. The presence of school personnel or volunteers would compromise the integrity of the investigation; or
2. A better interview or examination of the child would result without school personnel or volunteers being present.

Family Code 261.303(a); 40 TAC 707.619(a)

Report of Findings

After the completion of an investigation, SI must provide a report of the investigation, redacted to remove the identity of the reporter, to the Texas Education Agency (Director of Education Investigations) for an investigation concerning an employee of the district. On request, SI shall provide a redacted copy of the report to the following:

1. State Board for Educator Certification;
2. The president of the school board;
3. The superintendent; and
4. The school principal, unless the principal is the alleged perpetrator.

SI is not required to provide notice to a school official if it administratively closes a report of abuse or neglect prior to notifying school officials that DFPS received a report of abuse or neglect in the school setting.

Family Code 261.406(b); 40 TAC 707.623

Prohibited Law Enforcement Citations

For this provision, a "school offense" means an offense committed by a child enrolled in a public school that is a Class C misdemeanor other than a traffic offense and that is committed on property under the control and jurisdiction of a school district. "Child" means a person who is a student and at least ten years of age and younger than 18 years of age.

A peace officer, law enforcement officer, or school resource officer may not issue a citation to a child who is alleged to have committed a school offense. Education Code Chapter 37, Subchapter E-1 (Criminal Procedure) does not prohibit a child from being taken into custody under Family Code 52.01 (described below).

Education Code 37.141, .143

Students Taken into Custody

For the following provisions, "child" means a person who is:

1. Ten years of age or older and under 17 years of age, or
2. Seventeen years of age or older and under 18 years of age who is alleged or found to have engaged in delinquent conduct or conduct indicating a need for supervision as a result of acts committed before becoming 17 years of age.

Family Code 51.02(2)

A child may be taken into custody under Family Code Title 3 (Juvenile Justice Code):

1. Pursuant to an order of the juvenile court.
2. Pursuant to the laws of arrest.
3. By a law enforcement officer, including a school district peace officer, if there is probable cause to believe the student has engaged in a criminal violation, delinquent conduct, conduct indicating a need for supervision, or conduct that violates a condition of probation.
4. By a probation officer, if there is probable cause to believe the student has violated a condition of probation or a condition of release.
5. Pursuant to a directive to apprehend issued by a juvenile court.
6. By a law enforcement officer, to take the child's fingerprints or photograph, as set forth at Family Code 58.0021.

Family Code 52.01(a), 58.0021

In addition, a child may be taken into custody without a court order:

1. By an authorized representative of the DFPS, a law enforcement officer, or a juvenile probation officer under the conditions set out in Family Code 262.104, relating to the student's physical health or safety; or
2. As otherwise provided by Family Code Chapter 262 (Suit by Governmental Entity to Protect Health and Safety of Child).

Family Code Ch. 262

Students in Custody

A person taking a child into custody may, if school is in session and the child is a student, bring the child to the campus to which the child is assigned if the principal, the principal's designee, or a peace officer assigned to the campus agrees to assume responsibility for the child for the remainder of the school day. *Family Code 52.02(a)(7)*

TEKS Certification 2023–24 Form

In accordance with Texas Education Code §31.004, local education agencies (LEAs) are required to certify annually to the State Board of Education (SBOE) and the commissioner that students have access to instructional materials covering all Texas Essential Knowledge and Skills (TEKS) for all required subjects, except physical education.

Additionally, in accordance with Texas Administrative Code 19 TAC §66.105, LEAs are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the Children's Internet Protection Act, 47 USC §254(h)(5)(B) and (C). The TEKS Certification 2023–24 Surveyincludes a section to allow LEAs to certify they meet this requirement.

In response to feedback from last year's process, the agency refined the TEKS Certification Process and will utilize the following tools:

TEKS Certification 2023-24 Form:

Printable, hard copy of the survey to be completed offline and presented to the board of trustees or governing body for ratification and signatures.

TEKS Certification 2023-24 Survey:

Web-based application where LEAs will submit their responses, collected on the TEKS Certification 2023-24 Form, and where LEAs will upload the signature page of the Form.

This year's TEKS Certification Process requires:

- The completion of the TEKS Certification 2023-24 Form,
- Ratification by the LEA's board of trustees or governing body in an open, public-noticed meeting; and
- Submission of the TEKS Certification 2023-24 Surveyand upload of the signature page of the ratified TEKS Certification 2023-24 Form.

TEA recommends that LEAs complete these steps by **May 1, 2023**. The TEKS Certification 2023-24 Surveycan be accessed beginning on March 20, 2023, on the Instructional Materials webpage.

The state online instructional materials ordering system, EMAT, will close for annual maintenance on March 31, 2023, and is scheduled to reopen on May 15, 2023. **Completion of the TEKS Certification Process is required to regain access to allotment funds when EMAT reopens in May of 2023.**

TEKS Certification 2023–24 Survey submissions received after May 15, 2023, will typically be processed within five business days, then access to EMAT provided.

Instructions to Complete the TEKS Certification Process for 2023-24

1. **Review the TEKS Certification 2023-24 Form**.

- **Full-subject materials** (often referred to as Tier 1 or core materials): Full sets of materials designed to provide the teacher with everything needed to cover 100% of the Texas Essential Knowledge and Skills (TEKS) in a grade level/band, including scope and sequence, daily lesson plans, and student materials.
- **Supplemental materials** (may be used in Tier 1, Tier 2, or Tier 3 settings): Materials not designed to cover 100% of the TEKS but designed to complement, enrich, and/or extend supports in a particular subject and/or grade band.

About the Qualtrics Survey

Taxing District(s) whether Plaintiff(s), Intervenor(s) or Impleaded Plaintiff(s), to wit:

MONTGOMERY COUNTY EDUCATION DISTRICT and SPLENDORA INDEPENDENT SCHOOL DISTRICT, MONTGOMERY COUNTY

The Defendant(s) are as follows:

> WILLIAM EUGENE BROWN AKA W. E. BROWN ALL UNKNOWN HEIRS, SUCCESSORS OR ASSIGNS, OR OTHER UNKNOWN OWNERS, ADVERSE CLAIMANTS OWNING OR CLAIMING ANY LEGAL OR EQUITABLE INTEREST IN AND TO SUCH PROPERTY.

Any excess in the proceeds of sale over and above the amount necessary to satisfy the cost of suit, sale, and other expenses incurred in this suit, shall be paid to the clerk of this Court and be retained by said clerk in accordance with Section 34.03 of the Texas Property Tax Code.

IT IS FURTHER ORDERED, ADJUDGED, AND DECREED that the clerk of this court shall issue a writ of possession, as authorized by law, to the purchaser at the foreclosure sale or his/her heirs, executors, administrators or assigns.

SPLENDORA INDEPENDENT SCHOOL DISTRICT	§	IN THE 221ST DISTRICT COURT
VS.	§	IN AND FOR
BROWN, WILLIAM EUGENE AKA BROWN, W. E.	§	MONTGOMERY COUNTY, TEXAS

STATEMENT OF EVIDENCE

The above-numbered and entitled cause having been called for hearing, the Court took judicial notice of all documents in the Court's file including:

1) The affidavit for citation by publication executed by Plaintiff's attorney.
2) The citation by publication/posting.
3) All other citations issued for personal service.
4) The returns on all citations.
5) The Order appointing an Attorney ad litem.

Based on such judicial notice, the Court found that each of these pleadings were properly executed and that all persons named as Defendants in this cause were either served personally or by citation posted at the proper location for the length of time and in the manner required by Rule 117a of the Texas Rules of Civil Procedure.

Plaintiffs' attorney then offered the following evidence:

1) The Deed Records, Probate Records, Death Records, city and phone directories, rendition and assessment reports, all other relevant public records, and the property which is the subject of this suit were examined in an attempt to locate the names and addresses of any person who might have a legal or beneficial interest in the said property. All of said investigation and attempted service failed to disclose the name and whereabouts of those Defendants named in the citation by publication/posting who were not served personally.

2) Where said examination resulted in the name and address of a record owner, citation for personal service was issued on such owner.

639
Minute
Date:_____

3) Where such citation was unable to be served on an owner, said owner was included in the citation by publication/posting along with all unknown owners.

The Court, based on this evidence and the statements of the Attorney ad Litem, then found that due diligence had been exercised, that citation by publication/posting was proper in this cause, and that all record owners have been named as Defendants and have been served with citation.

Plaintiffs' attorney and the attorneys for all Intervening Plaintiffs then introduced into evidence duly authenticated and certified copies of the entries on the current and delinquent tax rolls of their respective tax unit clients. Pursuant to Section 33.47 of the Texas Property Tax Code and Rules 803(6) and 803(7) of the Texas Rules of Evidence, said certifications were accepted as proof of the following:

1) The taxes shown on said certifications against the property which is the subject of this suit were correct, due, and unpaid.

2) Each person charged with a duty relating to the imposition of the tax has complied with all requirements of law.

3) The last appraised value of each property as shown on Plaintiff's tax rolls, which is shown in the certifications, is the fair market value of said property.

The above and foregoing statement of the evidence adduced on the trial of this cause, having been examined by me and found to be correct by me, is approved and signed as the original statement of evidence as required by Rule 244, Texas Rules of Civil Procedure.

Signed this 14 day of Feb, 2013.

(2) enforce specific performance, or seek such other relief as may be provided by law, or both.

16. CASUALTY LOSS AND CONDEMNATION:

A. If any part of the Property is damaged or destroyed by fire or other casualty after the effective date, Seller must restore the Property to its previous condition as soon as reasonably possible and not later than the closing date. If, without fault, Seller is unable to do so, Buyer may:
(1) terminate this contract and the earnest money, less any independent consideration under Paragraph 7B(1), will be refunded to Buyer;
(2) extend the time for performance up to 15 days and closing will be extended as necessary; or
(3) accept at closing: (i) the Property in its damaged condition; (ii) an assignment of any insurance proceeds Seller is entitled to receive along with the insurer's consent to the assignment; and (iii) a credit to the sales price in the amount of any unpaid deductible under the policy for the loss.

B. If before closing, condemnation proceedings are commenced against any part of the Property, Buyer may:
(1) terminate this contract by providing written notice to Seller within 15 days after Buyer is advised of the condemnation proceedings and the earnest money, less any independent consideration under Paragraph 7B(1), will be refunded to Buyer; or

ATTORNEY'S FEES: If Buyer, Seller, any broker, or the title company is a prevailing party in any legal proceeding brought under or with relation to this contract or this transaction, such party is entitled to recover from the non-prevailing parties all costs of such proceeding and reasonable attorney's fees. This Paragraph 17 survives termination of this contract.

18. ESCROW:

A. At closing, the earnest money will be applied first to any cash down payment, then to Buyer's closing costs, and any excess will be refunded to Buyer. If no closing occurs, the title company may require payment of unpaid expenses incurred on behalf of the parties and a written release of liability of the title company from all parties.

B. If one party makes written demand for the earnest money, the title company will give notice of the demand by providing to the other party a copy of the demand. If the title company does not receive written objection to the demand from the other party within 15 days after the date the title company sent the demand to the other party, the title company may disburse the earnest money to the party making demand, reduced by the amount of unpaid expenses incurred on behalf of the party receiving the earnest money and the title company may pay the same to the creditors.

C. The title company will deduct any independent consideration under Paragraph 7B(1) before disbursing any earnest money to Buyer and will pay the independent consideration to Seller.

D. If the title company complies with this Paragraph 18, each party hereby releases the title company from all claims related to the disbursal of the earnest money.

E. Notices under this Paragraph 18 must be sent by certified mail, return receipt requested. Notices to the title company are effective upon receipt by the title company.

F. Any party who wrongfully fails or refuses to sign a release acceptable to the title company within 7 days after receipt of the request will be liable to the other party for: (i) damages; (ii) the earnest money; (iii) reasonable attorney's fees; and (iv) all costs of suit.

G. ☐ Seller ☐ Buyer intend(s) to complete this transaction as a part of an exchange of like-kind properties in accordance with Section 1031 of the Internal Revenue Code, as amended. All expenses in connection with the contemplated exchange will be paid by the exchanging party. The other party will not incur any expense or liability with respect to the exchange. The parties agree to cooperate fully and in good faith to arrange and consummate the exchange so as to comply to the maximum extent feasible with the provisions of Section 1031 of the Internal Revenue Code. The other provisions of this contract will not be affected in the event the contemplated exchange fails to occur.

District Information

Description of the District

Splendora ISD encompasses an area of 79 square miles and has a student population of 4,200. While we are the smallest school district in Montgomery County, we offer big opportunities for our students. Our high school is a designated Early College High School where students can become core complete or earn an Associate of Arts or Science degree and our career-minded students have 23 career pathways to choose from. Our elementary schools offer bilingual and dual language to our youngest students and Pre-AP classes to sixth graders. Junior high students have Pre AP, career and technical education classes, and numerous extracurricular classes. Splendora ISD has embraced the Capturing Kids' Hearts processes and in 2020, earned the distinction of being 1 out of 6 districts across the nation to be named a CKH "National Showcase District." All of our staff and students are using the CKH processes to build better relationships, schools, and communities. We are #CultivatingExceptionalPeople

Board of Trustees

Policies BA, BB series, BD series, and BE series

Texas law grants the board of trustees the power to govern and oversee the management of the district's schools. The board is the policy-making body within the district and has overall responsibility for the curriculum, school taxes, annual budget, employment of the superintendent and other professional staff, and facilities. The board has complete and final control over school matters within limits established by state and federal laws and regulations.

The board of trustees is elected by the citizens of the district to represent the community's commitment to a strong educational program for the district's children. Board members are elected annually and serve 3-year terms. Board members serve without compensation, must be qualified voters, and must reside in the district.

Current board members include:

- Allen Wells, President
- Dan Muirhead, Vice President
- Kim Klepcyk, Secretary
- Barry Welch, Assistant Secretary

- Jason Sessum
- Ken Key

The board usually meets the third Monday of the month at 6 pm. In the event that large attendance is anticipated, the board may meet at Splendora Junior High. Special meetings may be called when necessary. A written notice of regular and special meetings will be posted on the district website and the Splendora ISD Administration building at least 72 hours before the scheduled meeting time. The written notice will show the date, time, place, and subjects of each meeting. In emergencies, a meeting may be held with a one-hour notice.

All meetings are open to the public. In certain circumstances, Texas law permits the board to go into a closed session from which the public and others are excluded. Closed session may occur for such things as discussing prospective gifts or donations, real-property acquisition, certain personnel matters including employee complaints, security matters, student discipline, or consulting with attorneys regarding pending litigation.

Policy DC

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed under certain circumstances on a full- or part-time basis without affecting their benefits, according to TRS rules and state law. Detailed information about employment after retirement is available in the TRS publication *Employment after Retirement*. Employees can contact TRS for additional information by calling 800-223-8778 or 512-542-6400. Information is also available on the TRS Website (www.trs.texas.gov).

Contract and Non Contract Employment

Policy DC series

State law requires the district to employ all full-time professional employees in positions requiring a certificate from the State Board for Educator Certification (SBEC) and nurses under probationary, term, or continuing contracts. Employees in all other positions are employed at-will or by a contract that is not subject to the procedures for nonrenewal or termination under Chapter 21 of the Texas Education Code. The paragraphs that follow provide a general description of the employment arrangements used by the district.

Probationary Contracts. Nurses and full-time professional employees new to the district and employed in positions requiring SBEC certification must receive a probationary contract during their first year of employment. Former employees who are hired after a two-year lapse in district employment or employees who move to a position requiring a new class of certification may also be employed by probationary contract. Probationary contracts are one-year contracts. The probationary period for those who have been employed as a teacher in public education for at least five of the eight years preceding employment with the district may not exceed one school year.

For those with less experience, the probationary period will be three school years (i.e., three one-year contracts) with an optional fourth school year if the board determines it is doubtful whether a term or continuing contract should be given.

Term Contracts. Full-time professionals employed in positions requiring certification and nurses will be employed by term contracts after they have successfully completed the probationary period. The terms and conditions of employment are detailed in the contract and employment policies. All employees will receive a copy of their contract. Employment policies can be accessed Online or copies will be provided upon request.

Noncertified Professional and Administrative Employees. Employees in professional and administrative positions that do not require SBEC certification (such as non instructional administrators) are employed by a Chapter 21 probationary or term contract.

Paraprofessional and Auxiliary Employees. All paraprofessional and auxiliary employees, regardless of certification, are employed at will and not by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district.

Certification and Licenses

Policies DBA, DF

Professional employees whose positions require SBEC certification or a professional license are responsible for taking actions to ensure their credentials do not lapse. Employees must submit documentation that they have passed the required certification exam and/or obtained or renewed their credentials to the Human Resources Department in a timely manner. Employees licensed by the Texas Department of Licensing and Regulations (TDLR) must notify the Human Resources Department when there is action against, or revocation of, their license.

A certified employee's contract may be voided without Chapter 21 due process and employment terminated if the individual does not hold a valid certificate or fails to fulfill the requirements necessary to renew or extend a temporary certificate, emergency certificate, probationary certificate, or permit. A contract may also be voided if SBEC suspends or revokes certification because of an individual's failure to comply with criminal history background checks. Contact the Human Resources Department if you have any questions regarding certification or licensure requirements.

Recertification of Employment Authorization

Policy DC

At the time of hire all employees must complete the Employment Eligibility Verification Form (Form I-9) and present documents to verify identity and employment authorization.

Employees whose immigration status, employment authorization, or employment authorization documents have expired must present new documents that show current employment authorization. Employees should file the necessary application or petition sufficiently in advance to ensure that they maintain continuous employment authorization or valid employment authorization documents. Contact the Human Resources Department if you have any questions regarding reverification of employment authorization. Failure to verify employment authorization may result in termination.

Searches and Alcohol and Drug Testing

Policy CQ, DHE

Non Investigatory searches in the workplace including accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no

legitimate expectation of privacy in those places. In addition, the district reserves the right to conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The district may search the employee, the employee's personal items, and work areas including district-owned technology resources, lockers, and private vehicles parked on district premises or work sites or used in district business. Disciplinary action, up to and including termination, may result if an employee refuses to submit to testing or is found to violate district policy.

Employees Required to Have a Commercial Driver's License. Any employee whose duties require a commercial driver's license (CDL) is subject to alcohol and drug testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people counting the driver, drivers of large vehicles, or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements if their duties include driving a commercial motor vehicle.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty.

All employees required to have a CDL or who otherwise are subject to alcohol and drug testing will receive a copy of the district's policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs.

Employees with questions or concerns relating to alcohol and drug testing policies and related educational material should contact the Human Resources Department.

Health Safety Training

Policies DBA, DMA

Certain employees who are involved in physical activities for students must maintain and submit to the district proof of current certification or training in first aid, cardiopulmonary resuscitation (CPR), the use of an automated external defibrillator (AED), concussion, and extracurricular athletic activity safety. Certification or documentation of training must be issued by the American Red Cross, the American Heart Association, or another organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification or documentation to the Human Resources Department by September 1, 2023.

School nurses and employees with regular contact with students must complete a Texas Education Agency approved, Online training regarding seizure disorder aware-ness, recognition, and related first aid.

Reassignments and Transfers

Policy DK

All personnel are subject to assignment and reassignment by the superintendent or designee when the superintendent or designee determines that the assignment or reassignment is in the best interest of the district. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contract. Campus reassignments must be approved by the principal at the receiving campus except when reassignments are due to enrollment shifts or program changes. Extracurricular or supplemental duty assignments may be reassigned at any time unless an extracurricular or supplemental duty assignment is part of a dual-assignment contract. Employees who object to a reassignment may follow the district process for employee complaints as outlined in this handbook and district policy DGBA(Local).

An employee with the required qualifications for a position may request a transfer to another campus or department. A written request for transfer must be completed and signed by the employee and the employee's supervisor. A teacher requesting a transfer to another campus before the school year begins must submit his or her request by writing a written request and submitting it to the Human Resources Department. Requests for transfer during the school year will be considered only when the change will not adversely affect students and after a replacement has been found. All transfer requests will be coordinated by the Human Resources office and must be approved by the receiving supervisor.

Workload and Work Schedules

Policies DEAB, DK, DL

Professional Employees. Professional employees and academic administrators are exempt from overtime pay and are employed on a 10-, 11-, or 12-month basis, according to the work schedules set by the district. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules including start and end dates and scheduled holidays will be distributed each school year.

Classroom teachers will have planning periods for instructional preparation including conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes within the instructional day. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The district may require teachers to supervise students during lunch one day a week when no other personnel are available.

Paraprofessional and Auxiliary Employees. Support employees are employed at will and receive notification of the required duty days, holidays, and hours of work for their position on an annual basis. Paraprofessional and auxiliary employees must be compensated for overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor. See Overtime Compensation on page 21 for additional information.

Breaks for Expression of Breast Milk

Policies DEAB, DG

The district supports the practice of expressing breast milk and makes reasonable accommodations for the needs of employees who express breast milk. A place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk will be provided.

A reasonable amount of break time will be provided when the employee has a need to express milk. For nonexempt employees, these breaks are unpaid and are not counted as hours worked. Employees should meet with their supervisor to discuss their needs and arrange break times.

The Providing Urgent Maternal Protections of Nursing Mothers Act (PUMP Act) requires an employee to notify the district if they believe the district is out of compliance in providing breaks for a nursing mother. The employee must give the district 10 days to come into compliance before making any claim of liability against the district. An employee with concerns should contact Brian Kroeger, Executive Director of Human Resources, 281-689-4462.

Pregnant Workers Fairness Act

The Pregnant Workers Fairness Act (PWFA) provides consideration of accommodations to employees who have known limitations related to pregnancy, childbirth, or related medical conditions. An employee seeking a PWFA accommodation should contact Brian Kroeger, Executive Director of Human Resources, 281-689-4462 to begin the interactive process.

Notification to Parents Regarding Qualifications

Policies DK, DBA

In schools receiving Title I funds, the district is required by the Every Student Succeeds Act (ESSA) to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of their child's teacher. ESSA also requires that parents be notified if their child has been assigned or taught for four or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements.

Texas law requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to a teacher who does not hold an appropriate teaching certificate. This notice is not required if parental notice under ESSA is sent. Inappropriately certified or uncertified teachers include individuals on an emergency permit (including individuals waiting to take a certification exam) and individuals who do not hold any certificate or permit. Information relating to teacher certification will be made available to the public upon request. Employees who have questions about their certification status can call the Human Resources Department.

Outside Employment and Tutoring

Policy DBD

Employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the district. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest.

Performance Evaluation

Policy DN series

Evaluation of an employee's job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee's assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the district. Reports, correspondence, and memoranda also can be used to document performance information. All employees will receive a copy of their written evaluation, participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation.

Upon receiving a report, a nursing review committee may review a nurse's nursing services, qualifications, and quality of patient care, as well as the merits of a complaint concerning a nurse, and a determination or recommendation regarding a complaint. A nurse may request, orally or in writing, a determination by the committee regarding conduct requested of the nurse believed to violate the nurse's duty to a patient.

Employee Involvement

Policies BQA, BQB

At both the campus and district levels, Splendora ISD offers opportunities for input in matters that affect employees and influence the instructional effectiveness of the district. As part of the district's planning and decision-making process, employees are elected to serve on district- or

campus-level advisory committees. Plans and detailed information about the shared decision-making process are available in each campus office or from the Human Resources Department.

Staff Development

Policy DMA

Staff development activities are organized to meet the needs of employees and the district. Staff development for instructional personnel is predominantly campus-based, related to achieving campus performance objectives, addressed in the campus improvement plan, and approved by a campus-level advisory committee. Staff development for non instructional personnel is designed to meet specific licensing requirements (e.g., bus drivers) and continued employee skill development.

Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation.

Compensation and Benefits

Salaries, Wages, and Stipends

Policies DEA, DEAA, DEAB

Employees are paid in accordance with administrative guidelines and an established pay structure. The district's pay plans are reviewed by the administration each year and adjusted as needed. All district positions are classified as exempt or nonexempt according to federal law. Professional employees and academic administrators are generally classified as exempt and are paid monthly salaries. They are not entitled to overtime compensation. Other employees are generally classified as nonexempt and are paid an hourly wage or salary and receive compensatory time or overtime pay for each hour worked beyond 40 in a workweek. (See *Overtime Compensation*, page 18.)

All employees will receive written notice of their pay and work schedules before the start of each school year. Classroom teachers, full-time librarians, full-time nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Contract employees who perform extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the district's extra-duty pay schedule.

Employees should contact the Payroll Department for more information about the district's pay schedules or their own pay.

Paychecks

All professional and salaried employees are paid monthly. Hourly employees are paid semi-monthly. Paychecks will not be released to any person other than the district employee named on the check without the employee's written authorization.

Automatic Payroll Deposit

Employees can have their paychecks electronically deposited into a designated account. A notification period of two weeks is necessary to activate this service. Contact the Payroll Department for more information about the automatic payroll deposit service.

Payroll Deductions

Policy CFEA

The district is required to make the following automatic payroll deductions:

- Teacher Retirement System of Texas (TRS) or Social Security employee contributions
- Federal income tax required for all full-time employees
- Medicare tax (applicable only to employees hired after March 31, 1986)
- Child support and spousal maintenance, if applicable
- Delinquent federal education loan payments, if applicable

Other payroll deductions employees may elect include deductions for the employee's share of premiums for health, dental, life, and vision insurance; annuities; and higher education savings plans or prepaid tuition programs. Employees also may request payroll deduction for payment of membership dues to professional organizations and other certain charitable contributions. Salary deductions are automatically made for unauthorized or unpaid leave.

Overpayments. Employees are not entitled to any funds the district overpays. An agreement between an employee and the district must be in place in order to deduct any overpayment from one or more paychecks if an overpayment occurs.

Overtime Compensation

Policies DEAB, DEC

The district compensates overtime for nonexempt employees in accordance with federal wage and hour laws. Only nonexempt employees (hourly employees and paraprofessional employees) are entitled to overtime compensation. Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor. A nonexempt employee who works overtime without prior approval will be subject to disciplinary action up to and including termination.

Overtime is legally defined as all hours worked in excess of 40 hours in a workweek and is not measured by the day or by the employee's regular work schedule. For the purpose of calculating overtime, a workweek begins at 12:01 am Sunday and ends at 12 pm Saturday.

Nonexempt employees that are paid on a salary basis are paid for a 40-hour workweek and do not earn additional pay unless they work more than 40 hours.

Employees may be compensated for overtime (i.e., hours beyond 40 in a workweek) at a time-and-a-half rate with compensatory time off (comp time) or direct pay. The following applies to all nonexempt employees:

- Employees can accumulate up to 60 hours of comp time.
- Comp time must be used in the duty year that it is earned.
- Use of comp time may be at the employee's request with supervisor approval, as workload permits, or at the supervisor's direction.
- An employee is required to use comp time before using available paid leave (e.g., sick, personal, vacation).
- Weekly time records will be maintained on all nonexempt employees for the purpose of wage and salary administration.

Travel Expense Reimbursement

Policy DEE

Before any travel expenses are incurred by an employee, the employee's supervisor and Chief Financial Officer must give approval. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule established by the

district. Employees must submit receipts, to the extent possible, to be reimbursed for allowable expenses other than mileage.

Health, Dental, and Life Insurance

Policy CRD

Group health insurance coverage is available to all employees. The district's contribution to employee insurance premiums is determined annually by the board of trustees. Detailed descriptions of insurance coverage, prices, and eligibility requirements are provided to all employees in a separate booklet entitled http://www.mybenefitshub.com/splendoraisd .

The health insurance plan year is from September 1 through August 31. New employees must complete enrollment forms within the first 30 days of employment. Current employees can make changes in their insurance coverage at http://www.mybenefitshub.com/splendoraisd. Employees should contact the Benefits and Leave Specialist for more information.

Supplemental Insurance Benefits

Policy CRD

At their own expense, employees may enroll in supplemental insurance programs for Group Long Term Care. Premiums for these programs can be paid by payroll deduction. Employees should contact the Benefits and Leave Specialist for more information.

Cafeteria Plan Benefits (Section 125)

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must either accept or reject this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis (i.e., disability, accidental death and dismemberment, cancer and dread disease, dental, and additional term life insurance). A third-party administrator handles employee claims made on these accounts.

New employees must accept or reject this benefit during their first month of employment. All employees must accept or reject this benefit on an annual basis and during the specified time period.

Workers' Compensation Insurance

Policy CRE

The district, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on the job. The district has workers'

compensation coverage from the Texas Association of School Boards, effective upon employment.

Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries should be reported immediately to an employee's immediate supervisor. Employees who are unable to work because of a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code. See *Workers' Compensation Benefits,* page 32 for information on use of paid leave for such absences.

Unemployment Compensation Insurance

Policy CRF

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact the Benefits and Leave Specialist.

Teacher Retirement

All personnel employed on a regular basis for at least four and one-half months are members of the Teacher Retirement System of Texas (TRS). Substitutes not receiving TRS service retirement benefits who work at least 90 days a year are eligible to purchase a year of creditable service in TRS. TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who plan to retire under TRS should notify the Human Resources Department as soon as possible. Information on the application procedures for TRS benefits is available from TRS at Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698, or call 800-223-8778 or 512-542-6400. TRS information is also available on the web (www.trs.texas.gov). See page 12 for information on restrictions of employment of retirees in Texas public schools.

Leaves and Absences

Policies DEC, DECA, DECB

The district offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than five days should call the Benefits and Leave Specialist for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the district.

Paid leave must be used in ½ day increments. Earned comp time must be used before any available paid state and local leave. Unless an employee requests a different order, available paid state and local leave will be used in the following order:

- Local leave earned prior to July 1, 2010.
- Local leave earned after July 1, 2010, and thereafter.
- State sick leave accumulated before the 1995-96 school year.
- State personal leave.

Employees must follow district and department or campus procedures to report or request any leave of absence and complete the appropriate form or certification. Any unapproved absences or absences beyond accumulated or available paid leave shall result in deduction from the employee's pay.

If an hourly employee does not report or request leave of absence(s) according to district procedures, the incident is considered a "no call/no show". An employee who is absent for 4 consecutive days without notice is considered to have abandoned their job and may face disciplinary consequences up to and including termination.

Immediate Family. For purposes of leave other than family and medical leave, immediate family is defined as the following:

- Spouse
- Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands in loco parentis.
- Parent, stepparent, parent-in-law, or other individual who stands in loco parentis to the employee.
- Sibling, stepsibling, and sibling-in-law

- Grandparent and grandchild
- Any person residing in the employee's household at the time of illness or death

For purposes of family and medical leave, the definition of family is limited to spouse, parent, son or daughter, and next of kin. The definition of these are found in Policy DECA(LEGAL).

Medical Certification. Any employee, who is absent more than 3 days because of a personal or family illness, must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and—in the case of personal illness—the employee's fitness to return to work.

The district may require medical certification due to an employee's questionable pattern of absences or when deemed necessary by the supervisor or superintendent. The district may also request medical certification when an employee requests leave under the Family and Medical Leave Act (FMLA) for the employee's serious health condition, a serious health condition of the employee's spouse, parent, or child, or for military caregiver leave.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. 'Genetic information,' as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member, or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Continuation of Health Insurance. Employees, on an approved leave of absence other than family and medical leave, may continue their insurance benefits at their own expense. Health insurance benefits for employees on paid leave and leave designated under the FMLA will be paid by the district as they were prior to the leave. Otherwise, the district does not pay any portion of insurance premiums for employees who are on unpaid leave.

Under TRS-Active Care rules, an employee is no longer eligible for insurance through the district after six months of unpaid leave other than FML. If an employee's unpaid leave extends for more than six months, the district will provide the employee with notice of COBRA rights.

Personal Leave

State law entitles all employees to five days of paid personal leave per year. Personal leave is available for use at the beginning of the year. A day of personal leave is equivalent to the number of hours per day in an employee's usual assignment, whether full-time or part-time.

State personal leave accumulates without limit, is transferable to other Texas school districts, and generally transfers to education service centers. Personal leave may be used for two general purposes: non discretionary and discretionary.

Nondiscretionary. Leave taken for personal or family illness, family emergency, a death in the family, or active military service is considered non discretionary leave. Reasons for this type of leave allow very little, if any, advance planning. Nondiscretionary may be used in the same manner as state sick leave.

Discretionary. Leave taken at an employee's discretion that can be scheduled in advance is considered discretionary leave. An employee wishing to take discretionary personal leave must submit a request to his or her principal or supervisor 5 days in advance of the anticipated absence. The effect of the employee's absence on the educational program or department operations, as well as the availability of substitutes, will be considered by the principal or supervisor.

Leave Proration. If an employee separates from employment with the district before his or her last duty day of the year, or begins employment after the first duty day, state personal leave will be prorated based on the actual time employed. When an employee separates from employment before the last duty day of the school year, the employee's final paycheck will be reduced by the amount of state personal leave the employee used beyond his or her pro rata entitlement for the school year.

State Sick Leave

State sick leave accumulated before 1995 is available for use and may be transferred to other school districts in Texas. State sick leave may be used for the following reasons only:

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Active military service

Local Leave

Splendora ISD provides 5 days of Local Leave per school year to all full time employees.

- For those employees who retire in a school year, Splendora ISD can buy back Local Leave days. To be eligible for a buy back, December retirees must notify

their immediate supervisor by September 19th of that year. For those retiring at the end of the year, notification must be given before Spring Break of that school year.

Vacation

Policy DED

Non Contractual, full-time employees in positions that normally require 240 days or more of service shall be eligible for paid vacation. Vacation time shall be calculated annually from June 1 to May 31 and must be used by September 1. Any vacation time not used before this deadline shall be forfeited. When an employee retires, resigns, or is released, the employee shall be eligible to receive reimbursement for unused vacation time accrued prior to termination. The Superintendent shall develop specific procedures for implementing this policy.

Family and Medical Leave Act (FMLA)—General Provisions

The following text is from the federal notice, *Your Employee Rights Under the Family and Medical Leave Act.* Specific information that the district has adopted to implement the FMLA follows this general notice.

What is FMLA leave?

The Family and Medical Leave Act (FMLA) is a federal law that provides eligible employees with **job-protected leave** for qualifying family and medical reasons.

The U.S. Department of Labor's Wage and Hour Division (WHD) enforces the FMLA for most employees. Eligible employees can take **up to 12 workweeks** of FMLA leave in a 12-month period for:

- The birth, adoption or foster placement of a child with you,
- Your serious mental or physical health condition that makes you unable to work,
- To care for your spouse, child or parent with a serious mental or physical health condition, and
- Certain qualifying reasons related to the foreign deployment of your spouse, child or parent who is a military servicemember.

An eligible employee who is the spouse, child, parent or next of kin of a covered servicemember with a serious injury or illness ***may* take up to 26 workweeks** of FMLA leave in a single 12-month period to care for the servicemember.

You have the right to use FMLA leave in **one block of time**. When it is medically necessary or otherwise permitted, you may take FMLA leave **intermittently in separate blocks of time, or on a reduced schedule** by working less hours each day or week. Read Fact Sheet #28M(c) for more information.

FMLA leave is ***not* paid leave**, but you may choose, or be required by your employer, to use any employer-provided paid leave if your employer's paid leave policy covers the reason for which you need FMLA leave.

Am I eligible to take FMLA leave?

You are an **eligible employee** if *all* of the following apply:

- You work for a covered employer,
- You have worked for your employer at least 12 months,
- You have at least 1,250 hours of service for your employer during the 12 months before your leave, and
- Your employer has at least 50 employees within 75 miles of your work location

Airline flight crew employees have different "hours of service" requirements.

You work for a **covered employer** if **one** of the following applies:

- You work for a private employer that had at least 50 employees during at least 20 workweeks in the current or previous calendar year,
- You work for an elementary or public or private secondary school, or
- You work for a public agency, such as a local, state or federal government agency. Most federal employees are covered by Title II of the FMLA, administered by the Office of Personnel Management

How do I request FMLA leave?

Generally, **to request FMLA leave you *must***:

- Follow your employer's normal policies for requesting leave,
- Give notice at least 30 days before your need for FMLA leave, or

- If advance notice is not possible, give notice as soon as possible.

You **do *not* have to share a medical diagnosis** but must provide enough information to your employer so they can determine whether the leave qualifies for FMLA protection. You ***must* also inform your employer if FMLA leave was previously taken** or approved for the same reason when requesting additional leave.

Your **employer *may* request certification** from a health care provider to verify medical leave and may request certification of a qualifying exigency.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

State employees may be subject to certain limitations in pursuit of direct lawsuits regarding leave for their own serious health conditions. Most federal and certain congressional employees are also covered by the law but are subject to the jurisdiction of the U.S. Office of Personnel Management or Congress

What does my employer need to do?

If you are eligible for FMLA leave, your employer ***must***:

- Allow you to take job-protected time off work for a qualifying reason,
- Continue your group health plan coverage while you are on leave on the same basis as if you had not taken leave, and
- Allow you to return to the same job, or a virtually identical job with the same pay, benefits and other working conditions, including shift and location, at the end of your leave.

Your **employer *cannot* interfere with your FMLA rights** or threaten or punish you for exercising your rights under the law. For example, your employer cannot retaliate against you for requesting FMLA leave or cooperating with a WHD investigation.

After becoming aware that your need for leave is for a reason that may qualify under the FMLA, your **employer *must* confirm whether you are eligible** or not eligible for FMLA leave. If your employer determines that you are eligible, **your employer *must* notify you in writing**:

- About your FMLA rights and responsibilities, and
- How much of your requested leave, if any, will be FMLA-protected leave.

Where can I find more information?

Call **1-866-487-9243** or visit **dol.gov/fmla** to learn more.

If you believe your rights under the FMLA have been violated, you may file a complaint with WHD or file a private lawsuit against your employer in court. **Scan the QR code to learn about our WHD complaint process.**

Local Procedures for Implementing Family and Medical Leave Provisions

Eligible employees can take up to 12 weeks of unpaid leave in the 12-month period.

- measured backward from the date an employee uses FML

Use of Paid Leave. FML runs concurrently with accrued sick and personal leave, temporary disability leave, compensatory time, assault leave, and absences due to a work-related illness or injury. The district will designate the leave as FML, if applicable, and notify the employee that accumulated leave will run concurrently.

Combined Leave for Spouses. Spouses who are employed by the district are limited to a combined total of 12 weeks of FML to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.

Intermittent Leave. When medically necessary or in the case of a qualifying exigency, an employee may take leave intermittently or on a reduced schedule. The district does not permit the use of intermittent or reduced-schedule leave for the care of a newborn child or for adoption or placement of a child with the employee.

Fitness for Duty. An employee that takes FML due to the employee's own serious health condition shall provide, before resuming work, a fitness-for-duty certification from the health care provider. When leave is taken for the employee's own serious health condition, the certification must address the employee's ability to perform essential job functions. The district shall provide a list of essential job functions (e.g., job description) to the employee with the FML designation notice to share with the health care provider. Fitness for duty is not required when an employee returns to work following leave to care for a family member with a serious health condition; to care for a child following birth, adoption, or foster care placement; or for qualifying exigency leave.

Reinstatement. An employee returning to work at the end of FML will be returned to the same position held when the leave began or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

In certain cases, instructional employees desiring to return to work at or near the conclusion of a semester may be required to continue on family and medical leave until the end of the semester. The additional time off is not counted against the employee's FML entitlement, and the district will maintain the employees group health insurance and reinstate the employee at the end of the leave according to the procedures outlined in policy (see DECA(LEGAL)).

Failure to Return. If, at the expiration of FML, the employee is able to return to work but chooses not to do so, the district may require the employee to reimburse the district's share of insurance premiums paid during any portion of FML when the employee was on unpaid leave. If the employee fails to return to work for a reason beyond the employee's control, such as a continuing personal or family serious health condition or a spouse being unexpectedly transferred more than 75 miles from the district, the district may not require the employee to reimburse the district's share of premiums paid.

District Contact. Employees that require FML or have questions should contact the Benefits and Leave Specialist for details on eligibility, requirements, and limitations.

Temporary Disability Leave

Certified Employees. Any full-time employee whose position requires certification from the State Board for Educator Certification (SBEC) is eligible for temporary disability leave. The purpose of temporary disability leave is to provide job protection to full-time educators who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. Temporary disability leave must be taken as a continuous block of time. It may not be taken intermittently or on a reduced schedule. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability.

Employees must request approval for temporary disability leave. An employee's notification of need for extended absence due to the employee's own medical condition shall be accepted as a request for temporary disability leave. The request must be accompanied by a physician's statement confirming the employee's inability to work and estimating a probable date of return. If disability leave is approved, the length of leave is no longer than 180 calendar days.

If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the board of trustees. The employee may protest the action and present additional evidence of fitness to work.

When an employee is ready to return to work, the Benefits and Leave Specialist should be notified at least 30 days in advance. The return-to-work notice must be accompanied by a

physician's statement confirming that the employee is able to resume regular duties. Certified employees returning from leave will be reinstated to the school to which they were previously assigned if an appropriate position is available. If an appropriate position is not available, the employee may be assigned to another campus, subject to the approval of the campus principal. If a position is not available before the end of the school year, the employee will be reinstated to a position at the original campus at the beginning of the following school year.

Workers' Compensation Benefits

An employee absent from duty because of a job-related illness or injury may be eligible for workers' compensation weekly income benefits if the absence exceeds seven calendar days.

An employee receiving workers' compensation wage benefits for a job-related illness or injury may choose to use available, partial-day increments of sick leave or any other paid leave benefits to make up the difference between wage benefits and pre-injury or -illness wages. While an employee is receiving workers' compensation wage benefits, the district will charge available leave proportionately so that the employee receives an amount equal to the employee's regular salary.

Assault Leave

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An incident involving an assault is a work-related injury and should be immediately reported to an employee's immediate supervisor.

An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person nonresponsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of an employee, the district will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compensation benefits. Upon investigation the district may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.

Jury Duty

Policies DEC, DG

The district provides paid leave to employees who are summoned to jury duty including service on a grand jury. The district will not discharge, threaten to discharge, intimidate, or coerce any regular employee because of juror or grand juror service or for the employee's attendance or scheduled attendance in connection with the service in any court in the United States. Employees who report to the court for jury duty may keep any compensation the court provides. An employee should report a summons for jury duty to his or her supervisor as soon as it is received and may be required to provide the district a copy of the summons to document the need for leave.

An employee may be required to report back to work as soon as they are released from jury duty. The supervisor may consider the travel time required and the nature of the individual's position when determining the need to report to work. A copy of the release from jury duty or documentation of time spent at the court may be required.

Compliance with a Subpoena

Employees will be paid while on leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding and will not be required to use personal leave. Employees may be required to submit documentation of their need for leave for court appearances.

Truancy Court Appearances

An employee who is a parent, guardian of a child, or a court-appointed guardian ad litem of a child who is required to miss work to attend a truancy court hearing may use personal leave or compensatory time for the absence. Employees who do not have paid leave available will be docked for any absence required because of the court appearance.

Religious Observance

The district will reasonably accommodate an employee's request for absence for a religious holiday or observance. Accommodations such as changes to work schedules or approving a day of absence will be made unless they pose an undue hardship to the district. The employee may use any accumulated personal leave for this purpose. Employees who have exhausted applicable paid leave may be granted an unpaid day of absence.

Military Leave

Paid Leave for Military Service. Any employee who is a member of the Texas National Guard, Texas State Guard, reserve component of the United States Armed Forces, or a member of a state or federally authorized Urban Search and Rescue Team is entitled to 15 days of paid leave per fiscal year when engaged in authorized training or duty orders by proper authority. An additional seven days of leave per fiscal year are available if called to state active duty in response to a disaster. In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

Reemployment after Military Leave. Employees who leave the district to enter into the United States uniformed services or who are ordered to active duty as a member of the military force of any state (e.g., National or State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the district will be reemployed provided they can be qualified to perform the required duties. Employees returning to work following military leave should contact the Human Resources Department. In most cases, the length of federal military service cannot exceed five years.

Continuation of Health Insurance. Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact the Benefits and Leave Specialist for details on eligibility, requirements, and limitations.

Employee Relations and Communications

Employee Recognition and Appreciation

Continuous efforts are made throughout the year to recognize employees who make an extra effort to contribute to the success of the district. Employees are recognized at board meetings, in the district newsletter, and through special events and activities. Recognition and appreciation activities also include the Employee of the Year Banquet.

District Communications

Throughout the school year, the Communications office publishes newsletters, brochures, fliers, calendars, news releases, and other communication materials. These publications offer employees and the community information pertaining to school activities and achievements. They include the following:

District Academic Calendar

Wildcat Quarterly

Annual Report

Complaints and Grievances

Policy DGBA

In an effort to hear and resolve employee concerns or complaints in a timely manner and at the lowest administrative level possible, the board has adopted an orderly grievance process. Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator at any time.

The formal process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative procedures are exhausted, employees can bring concerns or complaints to the board of trustees. For ease of reference, the district's policy concerning the process of bringing concerns and complaints is reprinted as follows:

Discrimination, Harassment, and Retaliation

Policies DH, DIA

Employees shall not engage in prohibited harassment, including sexual harassment, of other employees, unpaid interns, student teachers, or students. While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons including board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action up to and including termination.

Individuals who believe they have been discriminated or retaliated against or harassed are encouraged to promptly report such incidents to the campus principal, supervisor, or appropriate district official. If the campus principal, supervisor, or district official is the subject of a complaint, the complaint should be made directly to the superintendent. A complaint against the superintendent may be made directly to the board.

Any district employee who believes that he or she has experienced prohibited conduct based on sex, including sexual harassment, or believes that another employee has experienced such prohibited conduct, should immediately report the alleged acts. The employee may report the alleged acts to his or her supervisor, the campus principal, the Title IX coordinator, or the superintendent. The district's Title IX coordinator's name and contact information is listed in the Equal Employment Opportunity section of this handbook.

The district's policy that includes definitions and procedures for reporting and investigating discrimination, harassment, and retaliation is reprinted below:

https://pol.tasb.org/Policy/Download/913?filename=DIA(LOCAL).pdf

Harassment of Students

Policies DH, DHB, FFG, FFH, FFI

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and district employees are prohibited.

Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate district official. Any district employee who suspects or receives direct or indirect notice that a student or group of students has or may have experienced prohibited conduct based on sex, including sexual

harassment, of a student shall immediately notify the district's Title IX coordinator, the ADA/Section 504 coordinator, or superintendent and take any other steps required by district policy.

All allegations of prohibited harassment of a student by an employee or adult will be reported to the student's parents and promptly investigated. An employee who knows of or has reasonable cause to believe that child abuse or neglect occurred child abuse must also report his or her knowledge or suspicion to the appropriate authorities, as required by law. See *Reporting Suspected Child Abuse*, page 42 and *Bullying,* page 65 for additional information.

The district's policy that includes definitions and procedures for reporting and investigating harassment of students is reprinted below:

Reporting Suspected Child Abuse

Policies DG, FFG, GRA

All employees with reasonable cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect, as defined by Texas Family Code §261.001, are required by state law to make a report to a law enforcement agency, Child Protective Services (CPS), or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering the facility) within 48 hours of the event that led to the suspicion. Alleged abuse or neglect involving a person responsible for the care, custody, or welfare of the child (including a teacher) must be reported to CPS.

Employees are also required to make a report if they have reasonable cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child, elderly person, or person with a disability.

Reports to Child Protective Services can be made Online at https://www.txabusehotline.org/Login/Default.aspx or to the Texas Abuse Hotline (800-252-5400). State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the district is prohibited from taking an adverse employment action against a certified or licensed professional who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to make the required report may result in prosecution as a Class A misdemeanor. The offense of failure to report by a professional may be a state jail felony if it is shown the individual intended to conceal the abuse or neglect. In addition, a certified employee's failure to report may result in disciplinary procedures by SBEC for a violation of the Texas Educators' Code of Ethics.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agency.

Reporting the concern to the principal does not relieve the employee of the requirement to report it to the appropriate state agency. In addition, employees must cooperate with investigators of child abuse and neglect. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

Sexual Abuse and Maltreatment of Children

The district has established a plan for addressing sexual abuse and other maltreatment of children, which may be accessed at

https://pol.tasb.org/Policy/Download/913?filename=FFG(LOCAL).pdf.

As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused or maltreated. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who has reasonable cause to believe that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect following the procedures described above in *Reporting Suspected Child Abuse*.

Reporting Crime

Policy DG

The Texas Whistleblower Act protects district employees who make good faith reports of violations of law by the district to an appropriate law enforcement authority. The district is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against, an employee who makes a report under the Act. State law also provides employees with the right to report a crime witnessed at the school to any peace officer with authority to investigate the crime.

Scope and Sequence

Policy DG

If a teacher determines that students need more or less time in a specific area to demonstrate proficiency in the Texas Essential Knowledge and Skills (TEKS) for that subject and grade level, the district will not penalize the teacher for not following the district's scope and sequence.

The district may take appropriate action if a teacher does not follow the district's scope and sequence based on documented evidence of a deficiency in classroom instruction. This documentation can be obtained through observation or substantiated and documented third-party information.

Technology Resources

Policy CQ

The district's technology resources, including its networks, computer systems, email accounts, devices connected to its networks, and all district-owned devices used on or off school property, are primarily for administrative and instructional purposes. Limited personal use is permitted if the use:

- Imposes no tangible cost to the district.
- Does not unduly burden the district's technology resources.
- Has no adverse effect on job performance or on a student's academic performance.

Electronic mail transmissions and other use of the technology resources are not confidential and can be monitored at any time to ensure appropriate use.

Employees are required to abide by the provisions of the district's acceptable use agreement and administrative procedures. Failure to do so can result in suspension of access or termination of privileges and may lead to disciplinary and legal action. Employees with questions about computer use and data management can contact the Technology Director.

Personal Use of Electronic Communications

Policy CQ, DH

Electronic communications include all forms of social media, such as text messaging, instant messaging, electronic mail (email), web logs (blogs), wikis, electronic forums (chat rooms), video-sharing websites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, Twitter, LinkedIn, Instagram). Electronic communications also include all forms of telecommunication such as landlines, cell phones, and web-based applications.

As role models for the district's students, employees are responsible for their public conduct even when they are not acting as district employees. Employees will be held to the same professional standards in their public use of electronic communications as they are for any other public conduct. If an employee's use of electronic communications interferes with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee's page, including content added by the employee, the employee's friends, or members of the public who can access the employee's page, and for web links on the employee's page. The employee is also responsible for maintaining privacy settings appropriate to the content.

An employee who uses electronic communications for personal purposes shall observe the following:

- The employee may not set up or update the employee's personal social network page(s) using the district's computers, network, or equipment.

- The employee shall limit use of personal electronic communication devices to send or receive calls, text messages, pictures, and videos to breaks, mealtimes, and before and after scheduled work hours, unless there is an emergency or the use is authorized by a supervisor to conduct district business.

- The employee shall not use the district's logo or other copyrighted material of the district without express written consent.

- An employee may not share or post, in any format, information, videos, or pictures obtained while on duty or on district business unless the employee first obtains written approval from the employee's immediate supervisor. Employees should be cognizant that they have access to information and images that, if transmitted to the public, could violate privacy concerns.

- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators' Code of Ethics, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off campus. These restrictions include:

    - Confidentiality of student records. [See Policy FL]

    - Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law. [See DH(EXHIBIT)]

- Confidentiality of district records, including educator evaluations and private email addresses. [See Policy GBA]
- Copyright law [See Policy CY]
- Prohibition against harming others by knowingly making false statements about a colleague or the school system. [See DH(EXHIBIT)]

See *Electronic Communications between Employees, Students, and Parents,* below, for regulations on employee communication with students through electronic media.

Electronic Communications between Employees, Students, and Parents

Policy DH

A certified or licensed employee, or any other employee designated in writing by the superintendent or a campus principal, may use electronic communications with students who are currently enrolled in the district. The employee must comply with the provisions outlined below. Electronic communications between all other employees and students who are enrolled in the district are prohibited. Employees are not required to provide students with their personal phone number or email address.

An employee is not subject to the provisions regarding electronic communications with a student to the extent the employee has a social or family relationship with a student. For example, an employee may have a relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee's child, or a member or participant in the same civic, social, recreational, or religious organization. An employee who claims an exception based on a social relationship shall provide written consent from the student's parent. The written consent shall include an acknowledgement by the parent that:

- The employee has provided the parent with a copy of this protocol;
- The employee and the student have a social relationship outside of school;
- The parent understands that the employee's communications with the student are excepted from district regulation; and
- The parent is solely responsible for monitoring electronic communications between the employee and the student.

The following definitions apply for the use of electronic media with students:

- *Electronic communications* means any communication facilitated by the use of any electronic device, including a telephone, cellular telephone, computer, computer network, personal data assistant, or pager. The term includes email, text messages,

instant messages, and any communication made through an Internet website, including a social media website or a social networking website.

- *Communicate* means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee's personal social network page or a blog) is not a *communication*: however, the employee may be subject to district regulations on personal electronic communications. See *Personal Use of Electronic Media*, above. Unsolicited contact from a student through electronic means is not communication.

- *Certified or licensed employee* means a person employed in a position requiring SBEC certification or a professional license, and whose job duties may require the employee to communicate electronically with students. The term includes classroom teachers, counselors, principals, librarians, paraprofessionals, nurses, educational diagnosticians, licensed therapists, and athletic trainers.

An employee who communicates electronically with students shall observe the following:

- The employee is prohibited from knowingly communicating with students using any form of electronic communications, including mobile and web applications, that are not provided or accessible by the district unless a specific exception is noted below.

- Only a teacher, trainer, or other employee who has an extracurricular duty may use text messaging, and then only to communicate with students who participate in the extracurricular activity over which the employee has responsibility. An employee who communicates with a student using text messaging shall comply with the following protocol:

    - The employee shall include at least one of the student's parents or guardians as a recipient on each text message to the student so that the student and parent receive the same message;

    - The employee shall include his or her immediate supervisor as a recipient on each text message to the student so that the student and supervisor receive the same message; or

    - For each text message addressed to one or more students, the employee shall send a copy of the text message to the employee's district email address.

- The employee shall limit communications to matters within the scope of the employee's professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests; for an employee with an extracurricular duty, matters relating to the extracurricular activity).

- The employee is prohibited from knowingly communicating with students through a personal social network page; the employee must create a separate social network page ("professional page") for the purpose of communicating with students. The employee must enable administration and parents to access the employee's professional page.

- The employee shall not communicate directly with any student between the hours of 10 p.m. and 6 a.m. An employee may, however, make public posts to a social network site, blog, or similar application at any time.

- The employee does not have a right to privacy with respect to communications with students and parents.

- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators' Code of Ethics including:

    - Compliance with the Public Information Act and the Family Educational Rights and Privacy Act (FERPA), including retention and confidentiality of student records. [See Policies CPC and FL]

    - Copyright law [Policy CY]

    - Prohibitions against soliciting or engaging in sexual conduct or a romantic relationship with a student. [See Policy DH]

- Upon request from administration, an employee will provide the phone number(s), social network site(s), or other information regarding the method(s) of electronic media the employee uses to communicate with one or more currently-enrolled students.

- Upon written request from a parent or student, the employee shall discontinue communicating with the student through email, text messaging, instant messaging, or any other form of one-to-one communication.

- An employee may request an exception from one or more of the limitations above by submitting a written request to his or her immediate supervisor.

- All staff are required to use school email accounts for all electronic communications with parents. Communication about school issues through personal email accounts or text messages are not allowed as they cannot be preserved in accordance with the district's record retention policy.

- An employee shall notify his or supervisor in writing within one business day if a student engages in improper electronic communication with the employee. The employee should describe the form and content of the electronic communication.

Visitors in the Workplace

Policy GKC

All visitors are expected to enter any district facility through the main entrance and sign in or report to the building's main office. Authorized visitors will receive directions or be escorted to their destination. Employees who observe an unauthorized individual on the district premises should immediately direct him or her to the building office or contact the administrator in charge.

Emergency drills will be conducted to familiarize employees and students with safety and evacuation procedures. Each campus is equipped with an automatic external defibrillator. Fire extinguishers are located throughout all district buildings. Employees should know the location of these devices and procedures for their use.

Purchasing Procedures

Policy CH

All requests for purchases must be submitted to the Business department on an official district purchase order (PO) form with the appropriate approval signatures. No purchases, charges, or commitments to buy goods or services for the district can be made without a PO number. The district will not reimburse employees or assume responsibility for purchases made without authorization. Employees are not permitted to purchase supplies or equipment for personal use through the district's business office. Employees may choose to have the following personal information withheld:

- Address
- Phone number, including personal cell phone number
- Emergency contact information

The choice to not allow public access to this information or change an existing choice may be made at any time by submitting a written request to the Human Resources Department. New or terminated employees have 14 days after hire or termination to submit a request. Otherwise, personal information may be released to the public until a request to withhold the information is submitted or another exception for release of information under law applies. An employee is responsible for notifying the district if he or she is subject to any exception for disclosure of personal or confidential information.

Facility Use

Policies DGA, GKD

Employees who wish to use district facilities after school hours must follow established procedures. The Chief Financial Officer is responsible for scheduling the use of facilities after school hours. Contact the CFO to request to use school facilities and to obtain information on the fees charged.

Termination of Employment

Resignations

Policy DFE, DHB

Contract Employees. Contract employees may resign their position without penalty at the end of any school year if written notice is received at least 45 days before the first day of instruction of the following school year. A written notice of resignation should be submitted to the superintendent or other persons designated by the board of trustees, which includes the members of the Executive Cabinet. Supervisors who have not been designated by the board to accept resignations shall instruct the employee to submit the resignation to the superintendent or other person designated by board action.

Contract employees may resign at any other time only with the approval of the superintendent or the board of trustees. Resignation without consent may result in disciplinary action by the State Board for Educator Certification (SBEC).

The principal is required to notify the superintendent of an educator's resignation within seven business days following an alleged incident of misconduct for any of the acts listed in *Reports to Texas Education Agency* on page 61. The superintendent will notify SBEC when an employee resigns and there is evidence to indicate that the employee has engaged in such misconduct.

Noncontract Employees. Noncontract employees may resign their position at any time. A written notice of resignation should be submitted to the employee's immediate supervisor at least two weeks prior to the effective date. Employees are encouraged to include the reasons for leaving in the letter of resignation but are not required to do so.

The principal is required to notify the superintendent of a non certified employee's resignation or termination within seven business days following an alleged incident of misconduct of abuse of a student or was involved in a romantic relationship with or solicited or engaged in sexual conduct with a student or minor. The superintendent will notify TEA within seven business days of receiving a report from a principal, or of knowing about an employee's resignation or termination following an alleged incident of misconduct described above.

Dismissal or Nonrenewal of Contract Employees

Policies DF Series, DHB

Employees on probationary, term, and continuing contracts can be dismissed during the school year according to the procedures outlined in district policies. Employees on probationary or term contracts can be nonrenewed at the end of the contract term. Contract employees dismissed during the school year, suspended without pay, or subject to a reduction in force are entitled to receive notice of the recommended action, an explanation of the charges against them, and an opportunity for a hearing. The timelines and procedures to be followed when a

suspension, termination, or nonrenewal occurs will be provided when a written notice is given to an employee.

The principal is required to notify the superintendent of an educator's termination within seven business days following an alleged incident of misconduct for any of the acts listed in Reports to Texas Education Agency on page ___. The superintendent will notify SBEC when an employee is terminated and there is evidence to indicate that the employee has engaged in such misconduct.

Advance notification requirements do not apply when a contract employee is dismissed for failing to obtain or maintain appropriate certification or when the employee's certification is revoked for misconduct. Information on the timelines and procedures can be found in the DF series policies that are provided to employees or are available Online.

Dismissal of Noncontract Employees

Policies DCD, DP

Noncontract employees are employed at will and may be dismissed without notice, a description of the reasons for dismissal, or a hearing. It is unlawful for the district to dismiss any employee for reasons of race, color, religion, sex, national origin, age, disability, military status, genetic information, any other basis protected by law, or in retaliation for the exercise of certain protected legal rights. Noncontract employees who are dismissed have the right to grieve the termination. The dismissed employee must follow the district process outlined in this handbook when pursuing the grievance. (See *Complaints and Grievances*, page 36.)

The principal is required to notify the superintendent of a non certified employee's resignation or termination within seven business days following an alleged incident of misconduct of abuse of a student, or was involved in a romantic relationship with or solicited or engaged in sexual conduct with a student or minor. The superintendent will notify TEA within seven business days of receiving a report from a principal, or knew about an employee's resignation or termination following an alleged incident of misconduct described above.

Discharge of Convicted Employees

Policy DF

The district shall discharge any employee who has been convicted of or placed on deferred adjudication community supervision for an offense requiring the registration as a sex offender or convicted of a felony under Title 5 Penal Code if the victim was a minor.

If the offense is more than 30 years before the date the person's employment began or the person satisfied all terms of the court order entered on conviction the requirement to discharge does not apply.

Exit Interviews and Procedures

Exit interviews will be scheduled for all employees leaving the district. Information on the continuation of benefits, release of information, and procedures for requesting references will be provided at this time. Separating employees are asked to provide the district with a forwarding address and phone number and complete a questionnaire that provides the district with feedback on his or her employment experience. All district keys, books, property, including intellectual property, and equipment must be returned upon separation from employment.

Reports to Texas Education Agency

Policies DF, DHB, DHC

- An attempt by fraudulent or unauthorized means to obtain or alter any certificate or permit for the purpose of promotion or additional compensation

The reporting requirements above are in addition to the superintendent's ongoing duty to notify TEA when a certified employee or an applicant for certification has a reported criminal history or engaged in conduct violating the assessment security procedures established under TEC §39.0301. "Reported criminal history" means any formal criminal justice system charges and dispositions including arrests, detentions, indictments, criminal information, convictions, deferred adjudications, and probations in any state or federal jurisdiction that is obtained by a means other than the Fingerprint-based Applicant Clearinghouse of Texas (FACT).

Parent and Student Complaints

Policy FNG

In an effort to hear and resolve parent and student complaints in a timely manner and at the lowest administrative level possible, the board has adopted orderly processes for handling

complaints on different issues. Any campus office or the superintendent's office can provide parents and students with information on filing a complaint.

Parents are encouraged to discuss problems or complaints with the teacher or the appropriate administrator at any time. Parents and students with complaints that cannot be resolved to their satisfaction should be directed to the campus principal. The formal complaint process provides parents and students with an opportunity to be heard up to the highest level of management if they are dissatisfied with a principal's response.

HR Services Model Employee Handbook—2023 Update
Guide to Changes

Update Highlights

2023 Update. This version of the *Model Employee Handbook* includes editorial changes to ensure text accurately reflects policy or legal provisions. A new topic was added for the Pregnant Workers Fairness Act (PWFA) and the Safety topic was updated to address security. Information on the Providing Urgent Maternal Protections (PUMP) Act, payroll overpayments, no call/no show procedures, and employee arrests were added. Details on reporting misconduct requirements for certified and uncertified employees were also added. Detailed descriptions of all changes included in this update are listed in the chart below.

This update was posted in May 2023. A second update will be issued in July if changes are needed as a result of the 88th Regular Session of the Texas Legislature.

Accessibility. The editable version of the *Model Employee Handbook* is formatted to support accessibility for individuals with disabilities. This version of the handbook is a simple, linear, clearly structured document that will be easy to read in its original state and is most likely to remain accessible across a wide range of assistive devices. It is recommended that districts take the time to transfer local information into the most recent editable version and refresh the format of their employee handbook. It will be easier to add material to the current editable format than to retrofit an existing handbook for accessibility. Refer to "Help for Editors" for additional information.

Editing Features

Text changes made in this update of the *Model Employee Handbook* (PDF version) have been marked to ease the district update process. Additions appear as blue, underlined text (e.g., additions) and deletions appear as red, strike through text (e.g., ~~deletions~~). **All changes identified in the text column of the *Model Employee Handbook* have been incorporated into the Editable Model Employee Handbook in Microsoft Word® (2023_meh_editable.docx).**

The formatting included in the editable Microsoft Word® version of the model employee handbook includes a table of contents and index that are built automatically in Word. Instructions for using these features are provided in the online document, "Help for Editors".

Name of Person Responsible: Eric Reimer

Department or Campus: Maintenance Director

Topic: Emergency Radio Responder Communication System (ERRCS)

Background Information: The purpose of this agenda is to propose a project quote for the PineyWoods, Jr High, and Cate buildings ERRCS project to the Board of Trustees for their consideration and approval. Recent inspections confirmed that the emergency responder radio reception at these buildings is below the required standard. This project aims to improve the reception to meet the necessary standards. The funding for this project will come from the 2023-2025 School Safety Standards Formula Grant and will comply with local purchasing requirements. The project will provide the necessary design, permitting services, material purchases, and labor to install the ERRS system in PineyWoods, Jr High, and Cate Building. ADT/CLS has already installed the ERRS system during the last High School building expansion project. It is recommended that ADT/CLS expand on their existing system to avoid buying unnecessary/redundant equipment and infrastructure and reduce future inspection and operational costs for the district.

Emergency Radio Responder Communication System (ERRCS)

INSTALLATION REQUIREMENTS

This list is intended to provide insight to typical requirements required for installation of the ERRCS system into new or existing structures. This list is not specific to one single jurisdiction but provides the common requirements identified many jurisdictions. The requirements may be reduced by the local AHJ or more stringent requirements may be required by the local AHJ.

The ERRCS primary component is a Bi-Directional Amplifier (**BDA**)

- The BDA unit should be installed on the highest portion of the building structure. This is to reduce the distance between BDA unit and the rooftop antenna.

- The external input to the BDA is a cabled antenna installed on the building rooftop (referred to as the Donor Antenna). The vertical riser cable from the BDA unit to the rooftop Donor antenna should be installed a 2-hour rated enclosure. <u>This is a building code requirement.</u>

- The roof top Donor antenna mast pole can be permanently mounted on the roof using a ridgid conduit structure connected to and supported by roofing structure members. The antenna location is designed to be near the edge of the roof structure. The purpose is to provide for a clear signal path to the Donor antenna without signal interference.

- Conduit through the roofing structure to the donor antenna mast is required. This is required regardless of the permanent mounting technique used for the Donor antenna. We do not provide this component. or installation. <u>This is a building code requirement</u>.

- The interior component of the BDA system is the Distributed Antennas (DAS) located through the building as needed to provided proper RF signal to interior spaces.

- **<u>One</u>** (1) dedicated 120 VAC breakers must be provided to the BDA booster panel. <u>Dual dedicated breakers are a code requirement</u>

- The antenna on the roof must be grounded per NEC code by an **Electrician**. A diagram is attached. All grounds shown are required. The grounding connections must be accessible for verification. <u>This is a code requirement</u>. *Only specialty components shown in the diagram are provided by CLS.*

- The BDA requires a local annunciator. The location of this annunciator is needed from the local AHJ. The AHJ will direct installation in a typically occupied space or possibly adjacent to the FACP. The annunciator back box is determined by the manufacturer brand selected for the project and must be reviewed prior to rough in. Based on the selected location, conduit pathway may be required. 1/2" is the min. conduit size. <u>This is a code requirement</u>.

- The fire alarm system must monitor the BDA system for abnormal conditions. The fire alarm contractor must provide seven (7) monitor inputs from the FA system. The exact quantity is determined by the manufacture brand selected for the project. The FA monitor inputs must be installed at the BDA booster location. All monitor inputs are supervisory conditions. <u>This is a code requirement and will be provided on an additional quote depending on the existing fire systems in place.</u>

- The DAS antennas have a cable junction adjacent to each DAS antenna and at strategic

locations throughout the building. ***Service access is required*** and is not optional. If service hatches are provided for accessible service, ensure building fire code compliance is provided. This is a building code requirement.

- When horizontal conduit is required by designers for open ceiling spaces, all DAS cable junction points require a large size junction box. Typical size is 12”x12”.
