BOYCEVILLE COMMUNITY SCHOOL DISTRICT
Board of Education Regular Meeting
Middle/High School Library
Wednesday, May 20, 2026

The Board of Education of the Boyceville Community School District met in regular session on Wednesday, May 20, 2026, at 5:04 p.m. in the Middle/High School Library.

Board members present: Amber Carlson, Stacy Fetzer, Shanna Krueger, Ben Mrdutt, and Jessie Olson

Others present: Superintendent Nick Kaiser, Alesha Kersten, Emmaly Monfort, Patrick Gretzlock, Shannon Bignell, Rebecca Hanestad, Jacob Peterson, Derrick Retz, and Alex Larson of CESA 10

Motion by Ben Mrdutt to approve the agenda as presented. Seconded by Jessie Olson. All voted in favor. Motion carried.

Motion by Ben Mrdutt to approve the Board of Education Minutes from the April 15 and May 6, 2026, meetings as presented. Seconded by Shanna Krueger. All voted in favor. Motion carried.

Visitor's Welcome & Comments:

President Carlsrud welcomed those in attendance. No comments from the audience were made.

Information/Discussion Items:

CESA 10 Referendum Update – Alex Larson of CESA 10 updated the Board on the progress of our referendum projects. Phase 1 items are completed other than a few warranty items that are being addressed. Phase 2 work will begin in both buildings June 1st. This will include TCE gym flooring, hallway flooring, tech ed remodel, and locker refinishing and replacement. The parking lot project is in design and being watched for conflict points. The bus garage canopy is progressing. The village approved the variance for the site on April 28, 2026. The next step is finalizing the structural design and approval. Outstanding projects that remain include the middle school gym floor, irrigation to the ball fields, bleacher updates, and site concrete fixes.

Superintendent Kaiser noted that the irrigation system that was tabled during the May 6, 2026, work session was included in our original scope with CESA 10. The addition of irrigation to our practice football field at TCE will be paid from our maintenance budget and not the referendum fund.

Principals/Special Education Director Reports – The principals and special education director provided an overview of their written reports to the Board. Reports included staff and student recognitions and accomplishments as well as recent and upcoming events and activities in the schools. Some of highlights include:

- Graduation and the week's activities including the Walk of Honor
- Senior student Will Engel received the National Science Olympiad Scholarship of \$10,000. One of five students nationwide.
- Girls Track, Baseball, and Softball are all 2026 Conference Champs.
- Summer 2027 Spanish trip is moving forward
- PTO was acknowledged for their display of appreciation throughout the year and during teacher appreciation week.
- Elementary Teacher Madison Kurey was selected by Alpha Tau for the New Female Educator Award
- The playground fence that was approved last month has already been installed at TCE

- Mrs. Lange’s special education students visited Raw Deal to learn about how to run a coffee shop

Superintendent’s Report

- Festival of the Arts was a great event. Congratulations to all of the students who displayed work and performed.
- Congratulations to the Class of 2026! We are very proud of their accomplishments during their time in Boyceville. Best wishes moving forward to the next phase of their lives.
- Thank you to our entire staff for all of the work they have done this year. Staff and Teacher Appreciation Week was May 4-8.
- Fall in-service planning is underway as well as planning for our summer school/transition days. Data from State Testing is starting to come back to us to use for planning instructional changes this fall.
- Referendum work for the summer continues with preparing for rooms to be shut down and areas with restricted access. Plans for summer school locations are being adjusted as construction work schedules change.
- The last day of school for students remains Friday, May 29, 2026.

Monthly Budget Update – No update given

Boyceville High/Middle School

Principal's Report

June 10, 2026

Submitted: Friday, June 5, 2026

Facilities

Similar to the end of the 2024-2025 school year, the conclusion of this past school year was followed by the next phase of the referendum project. The immediate removal of our floors - in the main arteries of the high/middle school AND the commons have been removed and are being prepped for a facelift. The work left the building in a mess and travel from one end of the building to another became a sticky mess - while the initial surprise of the work was conversational, the focus quickly shifted to excitement with the idea that our deteriorating floors would soon be given an update that is sure to breathe some fresh air into our facilities.

Derrick Retz and his staff have continued their heavy lifting by clearing out the two shop areas in preparations for the upgrades that will take place there; in addition, the crew and summer help have been removing locker bays in the middle school portion of the building.

As of this writing, there has been a new window space cut out of the technology education classroom, the two shop areas are now joined by a new doorway and the closet space in the wood shop has been addressed - creating a space more conducive to the overall efficiency of the space.

I continue to work with a number of our vendors in hopes of having the HS/MS Conference Room, Staff Workroom and final upgrades to the HS/MS office space completed prior to the start of the 2026-2027 school year.

Curriculum & Instruction

We have essentially completed the work associated with student scheduling - the share of this work was completed by Karlene Berry and Andy Hamm at the high school. As we finalize our transition to Skyward, the final touches will be put on this scheduling process. Overall, this year's process of course registration has been the most effective of my four-year tenure.

The middle school schedule will have some updates as we continue to look for ways to optimize student learning and engagement throughout the school day. Most notably, middle school students will start their day by engaging in exploratory courses (ag, tech, FCS, art, etc); this will also provide each of our middle school content-area teachers with a common planning/prep time - allowing us to work on revamping our current grading system, along with implementing programs designed to strengthen our school community.

The three resignations at the high school level resulted in a brief delay in finalizing our scheduling and registration for the 2026-2027 school year as we need to consider all options

before working to finalize a master schedule. Karlene Berry has begun the next stage of our scheduling process - filling in holes for those students who were unable to be assigned to a full schedule. The majority of our students who have incomplete schedules need to find one additional class (and there are a handful of outliers that will need to find multiple courses) to be considered full-time students.

Results for the PreACT Secure have been released electronically; we will spend the week of June 8, working to send this information (along with that from our fall testing session) in an effort to help our students and their families better understand the growth and learning that took place over the course of the 2025-2026 school year.

We will be hosting two sessions of summer school at the high school (June 8-June 25 and July 6-July 23). These sessions are designed to provide students an opportunity to remediate coursework and attempt to get back on track to graduate on time. We will be utilizing curriculum and instruction via Edmentum (our online program) and the supervision of Frank Fetzer (session one) and Brian Roemhild (session two).

Climate/Culture

Our chosen characteristic for the Student of the Month in May was Bulldog Pride. I am proud to share that Serenity Miller was our recipient at the high school and Korzyn Miller was our recipient at the middle school. Both students were nominated by Ms. Lange.

We engaged our students in activities to recognize the 250th Birthday of the United States - in conjunction with mandates issued by the State of Wisconsin. Both the high school and middle school student bodies were provided an opportunity to engage in trivia contests and a red, white and blue dress up day. Students were provided entries in drawings by answering questions correctly AND by dressing up. Prizes were awarded to nearly a dozen students - highlighted by two vouchers for two tickets to an Eau Claire Express baseball game this summer. In addition to these contests, all students were treated to red, white and blue bomb pops during the last week of school.

- The Boyceville High School Class of 2026 had a successful ceremony on May 22, as 51 members of the class walked the stage and earned their diploma; the final member of the class will receive her diploma at Mauston High School after completing the Challenge Academy - this ceremony will take place on Wednesday, June 10.
- The girls' track team, boys' track team and softball team each earned regional championship titles and the baseball team won a conference championship this spring.

June Board Report Pupil Service Department

Facilities

- Goal: Ensure all Pupil Services offices and intervention spaces are organized, accessible, and equipped to provide confidential and effective services.
- ❖ Conference room tables and chairs have been picked out and will match the room next to Pat's office.

Climate/Culture

- Goal: By the end of the school year, establish and maintain a regular schedule of structured meetings where staff set agendas, identify needs, and collaborate on strategies that support student success and a positive school climate.
 - Develop a consistent meeting schedule (monthly or bi-monthly) for pupil services collaboration.
 - Use shared agenda templates for transparency and focus.
 - Collect and review meeting feedback to continuously improve processes.

Celebrations:

- ❖ Thank you to Bonnie for her support during Ashley's Intern year.

Curriculum and Instruction

- Goal: Increase paraprofessional knowledge, skills, and collaboration to enhance support for students' academic, behavioral, and social-emotional needs.
 - Collect feedback from paraprofessionals to guide future training

- and collaboration structures.
- Offer monthly internal/external professional development sessions focused on instructional strategies, behavior supports, and IEP/504 implementation.
- ❖ Feedback during reviews: Paraprofessionals would like better access to the updated IEPs as meetings occur, and updates are not always shared.
- ❖ They would like more information about ways to support without overhelping students
- ❖ They would like more information about support in curriculum areas like ELA and Math.
- Goal: Empower students to understand their IEP/504 plans and actively participate in communicating their learning needs and accommodations to staff.
 - Collaborate with case managers and classroom teachers to provide structured opportunities for students to self-advocate.
 - Include student voice in progress monitoring discussions to increase ownership and understanding of their plans.
- ❖ 75% of the Middle School students lead their IEP meetings. High School was less than 50%. Overall, it was a good start, and we will continue to grow in this area.
- Goal: Increase the frequency and effectiveness of coaching observations to strengthen intervention implementation and improve student outcomes.

Student Health and Safety

- Goal: Support the school nurse in establishing and implementing building-wide Medical Response Teams to enhance student and staff safety.
- ❖ Materials were purchased in May and will be assembled for the next school year. There will be a medical response bag in each office.

Technology

- Goal: Increase access to technology resources for staff to reduce shared-device constraints and improve productivity.
 - Purchase iPads, licenses, and research and evaluate other technology services or platforms that could improve workflow and productivity.
 - Continue to support technology by providing professional development for staff.

DRAFT

Boyceville HSMS Library Support Staff (Tasks & Responsibilities)

Respectfully Submitted by: Jen Engel

My daily library routine tries to balance staff tasks/duties and collection management, with student/teacher assistance and enrichment opportunities. Responsibilities range from processing new and current library materials, chromebook distribution, or offering library events and enrichments to encourage students and staff to use the space.

START OF DAY (Set Environment Needed for the Day)

- Seating/furniture arrangement and/or clean up after evening groups
- Prepare Music, Library Media Displays, Library Engagements (Question of Day/Word of Week)
- Bulletins Boards
- Log into computers and Alexandria (Library System)
- Clear desk of miscellaneous items left for the library.
- Check library printer for jams/paper and field questions about printer or workroom needs

Admin/STAFF TASKS (Regarding Communication, Supervision, Book Purchases)

- Communicate with administration and staff regularly about library, needs, and event opportunities.
- Continued work with administration to develop library procedures for CB damages
- Answer emails, make phone calls, follow up with student requests.
- Supervision of Independent Study students, students, groups (COMPASS/Study Hall Support)
- Monthly Meetings with District Librarian and sometimes as a district library staff
- Regular meeting with building principal to discuss library needs and programming
- Works with office on book purchases and library resource purchases.
- Meet with vendors about library materials (as needed)
- I attend CESA 10 Library Forums (3 times per year) to stay current about library trends and details about Library Planning.

STUDENT DEVICE CIRCULATION (Chromebooks, Chargers, Damages, Hot Spots Inventory)

- Working with the IT department, the library has been responsible for the check out and check in of chromebooks inventoried through the library system. This includes generating library cards and printed lists for student check out.
- Library works with IT to maintain updated devices by keeping records through the library system of expiration dates for chromebooks to make plans for replacements and redistribution.
- Library is responsible for assigning chromebooks to teachers for MS CARTS as well as Classroom Storage Cases. This responsibility does not include wiring carts/storage cases with chargers.
- Library staff manages the day to day check out/in of library loaner chromebooks or chargers.
- Circulation Desk troubleshoots basic CB issues (powerwashing/damages) before sending students to IT or Principal for a solution.
- The circulation desk is responsible to issue students with a damaged chromebook with either a replacement or loaner once they have talked with administration.

- Chromebook damages are recorded by library staff before giving damaged devices to IT for repairs.
- Once repaired, the Library is responsible to process devices by either returning them to the student assigned or shelving with the CB model fleet stored behind the circulation desk.
- Working with District Administrator, the Library circulates and manages HOT SPOT devices for students at TCE and HSMS.

CIRCULATION DESK TASKS

- Front Desk Coverage: Check books in and out, update account information of students/staff
- Clear book drop and preshelf items on library carts
- Generate labels for new items. Apply book covers for new items.
- Maintains and repairs labels for already shelved items.
- Manages weekly, monthly periodicals and daily newspapers
- Assist students with finding materials needed for reading or class projects.
- Works with frequent interruptions to assist students and staff needs.

COLLECTION MANAGEMENT

- Sort/review, weed, discard current items.
- Shelve returned books and materials, straightening stacks as books are returned to their proper place, keeping shelves and books organized and managed.
- Updating Library books by:
 - Researching top-rated titles for both Fiction and Nonfiction reading for our school age levels (preteen, teen, and young adult).
 - Ordering new titles for our library,
 - Unpacking book deliveries and prep new books (generating barcodes, stamps, and dust jackets)
 - Shelve items or create display with new titles
- Repair, discard, or replace damaged books and update outdated resources.
- Monthly or seasonal book displays following themes or topics throughout the year.

STUDENT SERVICES (Programming & Library Enrichments)

- Conduct informal and formal opportunities for students to learn library things like: showing them how to access the library (which now includes SORA Overdrive for digital access that encourages trainings for staff and students about SORA), citation formatting (Civics classes), basic research techniques when CB are not allowed, Book Tastings, and other supports to classrooms, groups, and students.
- Last year, I offered two enrichments per month to engage the school in the library (see list).
- Arrange for special events like guest readers, reading week, book fairs, and open houses.
- Solicit ideas from staff about ideas for future programming to support their classrooms.
- Continue developing modern library elements: Maker Spaces for Art, STEM activities, LEGO builds or Exploration Spaces for things like, new music genres and new technologies.
- Continue developing student literacy by offering First Chapter Days, book reads, guest readers days.

END OF DAY STUFF

- Shut down all devices used throughout the day.
- Prepare needed library maintenance tasks for the next day.
- Sweep library for debris and students before locking up the library.

Wrap Up Note...

Please feel free to ask me any further questions about any of the above things I am currently doing or working on for the HSMS Library.

I've done a lot, but there is more that could be done in regard to student services that I continue to learn about when I attend the quarterly Library Forums through CESA.

Board Authority, Individual Board Powers & Board Officer Responsibilities

Roles and Responsibilities

Webinar Series: Part 2

Agenda

- ▶ Exercising Board Authority Through Parliamentary Procedures and Practices (a.k.a Rules of Order)
- ▶ Individual Board Member Powers and Expectations
- ▶ Board Officers' Duties and Responsibilities

Board Authority: Rules of Order

Board Authority

- ▶ A school board is a “governmental body” under the Open Meetings Law. **Wis. Stat. 19.82.**
- ▶ The board exercises authority **only when acting collectively.**
- ▶ Decisions must be:
 - ▶ Made at properly noticed meetings
 - ▶ Taken by motion and vote
 - ▶ Recorded in official minutes

Board Authority – Meetings

Calling the Meeting

Unified School Boards

- ▶ The school board shall meet at least once each month and
- ▶ At other times upon the call of the **school district president** or upon the filing of a request with the school district clerk signed by a majority of the school board members.

([Wis. Stat. 120.43](#))

Other Boards (except MKE)

- ▶ The school board in a common or union high school district shall hold a regular meeting at least once each month at a time and place determined by the school board.
- ▶ A special school board meeting shall be held upon the written request of **any school board member**. The procedures for calling a special meeting begin with filing the request with the school district clerk.

([Wis. Stat. 120.11](#))

Board Authority – Meetings

Public Notice – Wis. Stat. 19.84

- ▶ **Required content of the public notice:** sets forth the “time, date, place and subject matter of the meeting, including that intended for consideration at any contemplated closed session, in such form as is reasonably likely to apprise members of the public and the news media thereof.”
- ▶ **Timing of the notice:** must be given “at least 24 hours prior to the commencement of such meeting, unless for good cause such notice is impossible or impractical, in which case shorter notice may be given, but in no case may the notice be provided less than 2 hours in advance.”
- ▶ **The recipients:** “As required by any other statutes” and *to the public*, to those news media who have filed a written request for such notice, and to the official newspaper or, if no official newspaper exists, to a news medium likely to give notice in the area.

Board Authority – Meetings

Public Notice – Wis. Stat. 19.84

- ▶ **Method used to provide notice:** “As required by any other statutes” and the notice of a meeting shall be communicated to the public using **one** of the following methods:
 1. Posting a notice in at least 3 public places likely to give notice to persons affected.
 2. Posting a notice in at least one public place likely to give notice to persons affected and placing a notice electronically on the governmental body's Internet site.
 3. By paid publication in a news medium likely to give notice to persons affected.

Board Authority – Meetings

Agenda & Consent Agenda

- ▶ School board meetings are guided by an agenda curated by the board generally through the board president and superintendent.
- ▶ A consent agenda is a list of multiple motions that have been grouped together and that the school board will be asked to adopt under a single motion for the sake of efficiency.
 - ▶ Any school board member may **unilaterally** require that any individual item(s) listed on the consent agenda be “separated” for independent consideration.
 - ▶ Discussion on the motion to approve the consent agenda can be permitted.
 - ▶ **Open Meetings Law concerns:** The use of a consent agenda does **not** change (1) what constitutes adequate public notice of the subject matter of a meeting; or (2) the requirements for creating a sufficient record of the actions taken.
 - ▶ Consider avoiding “nested” consent-type actions (i.e., a second consent grouping listed as one item within a consent agenda).

Board Authority – Rules of Order

- ▶ The rules of order serve as the procedural machinery by which the board accomplishes its substantive business within the confines of the “meeting” environment.
- ▶ They serve to ensure that the will of the board majority is ultimately expressed in terms of:
 - ▶ the board’s ability to prioritize its time and effort; and
 - ▶ the specific decisions that are made.
- ▶ They serve to protect board members who may be in the minority on a given issue by, e.g., providing a framework in which there is a fair opportunity for debate and discussion before action is taken.

Board Authority – Rules of Order

1. There are some important aspects of meeting procedure that are dictated by state law, but many issues are matters of local policy/practice.
2. There is (very roughly) an “80/20” rule in regard to meeting procedure. School boards that focus on establishing a shared understanding of their “core” rules of order will function pretty well.
3. Many school boards and their policies state that they follow Robert’s RulesTM
4. The chairperson of the meeting needs to be reasonably prepared to consistently enforce local policy/practices and to fill in gaps when the school board encounters an unusual situation.
5. In the end, the most important things will be the wording of each motion before the board and the votes taken on the motion.

Board Authority – Rules of Order

Some Important Areas Where State Law Mandates / Limits Meeting Procedures

The Wisconsin Open Meetings Law, including:

- ▶ Meeting notice requirements (see earlier slides).
- ▶ Specific procedures must be used to convene in closed session (in open session, there must be an announcement of the business proposed for closed session, a motion, a vote, and each person's vote must be recorded in the minutes).
- ▶ Any member of the governmental body may require that a vote be taken in such a manner that each member's vote is "ascertained and recorded."
- ▶ State law prohibits the use of secret ballots, except when used for the election of a school board's officers.
- ▶ All motions and roll call votes must be recorded, preserved, and (generally) open to the public.
- ▶ Governmental bodies must give proper advance notice of intent to reconvene in open session following a closed session.

Other statutes:

- ▶ Changes to the amount of tax to be levied or certified, or to the amounts or purposes of appropriations in an adopted budget require a 2/3 vote of the members-elect of the board (section 65.90(5)(ar)).
- ▶ The employment or dismissal of persons holding contracts that are subject to section 118.22 or 118.24 of the state statutes must be determined by a majority vote of the full membership of the board.
- ▶ Board decisions under ch. 117 (reorganization of districts/territory) must pass by a majority vote of the full membership. See s. 117.05(2)(b).
- ▶ Board vacancies are initially filled by a vote of the remaining members.
- ▶ Various statutes mandate public hearings in connection with certain subject/decisions.
- ▶ Statutes addressing meeting minutes.

Board Authority – Rules of Order

Core Rules of Order:

- ▶ How an item is placed on the agenda
- ▶ How to make, second, debate, amend, and vote on motions
- ▶ When the chairperson (usually the board president) can rule something out of order
- ▶ How public comment works
- ▶ How to handle conflicts of interest and abstentions
- ▶ Basic norms for discussion and debate (one speaker at a time, time limits, relevance)

Board Authority – Rules of Order

Examples of areas where school board meeting procedures often deviate from a “strict” application of Robert’s Rules™

- ▶ Discussion of a topic/issue is often permitted before any motion has been made on the topic.
- ▶ Members are generally recognized simply by raising their hand, and a member who “has the floor” typically speaks from his/her seat.
- ▶ There may not be a pre-defined limit on the number of times that an individual member can speak to an issue.
- ▶ The school board president generally votes on and participates in the discussion of all motions, even though he/she is the presiding officer of the meeting.
- ▶ Voting may take place by a variety of methods, including a “roll call,” a voice vote, or a showing of hands.
- ▶ Procedures for nominating and electing board officers or for appointing an elector to fill a school board vacancy.

Board Authority – Rules of Order

Making a Main Motion

- ▶ **A main motion is**
 - ▶ A formal proposal
 - ▶ By a member
 - ▶ That a group take **substantive** action
- ▶ **A motion starts with the words “I move that...”**
 - ▶ The chairperson should not interpret the motion but simply repeat the question.
- ▶ **The motion then needs to be seconded to have a formal vote occur on it**
 - ▶ Another member may second your motion. A second merely implies that the seconder agrees that the motion should come before the assembly and not that he/she is in favor of the motion.

Board Authority – Rules of Order

Typical Example of Making a Main Motion

1. **Be Recognized by** the President/Chairperson
2. **Member #1 makes a motion:** “I move that...”
3. **Member #2 seconds the motion:** “Second.”
4. **The Chairperson:**
 - States the question (i.e., repeats the motion): It has been moved and seconded that we...”
5. Calls for discussion, recognizing each speaker in turns
6. States that discussion is closed and that the board will vote (may restate the motion again at this time)
7. Calls for affirmative votes
8. Calls for opposing votes
9. Calls for abstentions
10. Announces the outcome of voting

Board Authority – Rules of Order

Voting

- ▶ Other than for the election of board officers, there can be no secret ballots.
- ▶ Any board member may call for a vote to be taken such that each member's vote is ascertained and recorded.
- ▶ Where no special voting requirements exist, the general rule is that, particularly where the total number of votes cast provides a quorum, a motion passes by a majority of the votes that were actually cast.
 - ▶ *Exceptions exist under state law, under Robert's RulesTM, and under some school board policies/practices.*
- ▶ “Two-thirds” of 9? 7? 5? (Answers: 6, 5, and 4, respectively)
- ▶ A tie vote results in the defeat of a motion.

Board Authority – Rules of Order

Voting

- ▶ Board policy can establish a particular order of voting for roll call votes (e.g., in a rotational system, by seniority, alphabetically, etc.)
- ▶ Abstention can occur for various reasons and may complicate voting and the determination of outcomes.
 - ▶ If a board member abstains from a vote, they should clearly announce that they will be abstaining and the abstention should be recorded in the minutes.
 - ▶ If a board member abstains from voting due to a conflict of interest (or a potential/perceived conflict of interest), they should generally refrain not only from voting on the matter, but also from participating in the discussion. Many school attorneys will recommend physically leaving the meeting room.

Board Authority – Rules of Order

Motions All Board Members Should Generally Know

- ▶ Motion to amend
- ▶ Motion to substitute/withdraw a motion
- ▶ Motion to divide a question

- ▶ Motion to reconsider (*same meeting*)
- ▶ Motion to rescind (*later meeting*)*
- ▶ Motion to amend prior action (*later meeting*)*

2/3 Vote Required under Robert's:

- ▶ Motion to limit/extend debate
- ▶ Motion to close debate and move to a vote on the immediately pending question (i.e., “move the previous question”)
- ▶ Motion to suspend the rules

- ▶ Motion to postpone to time certain
- ▶ Motion to postpone indefinitely
- ▶ Motion to refer (e.g., to a committee or the administration)
- ▶ Motion to table a question

* Under *Robert's Rules*, the voting requirements for these motions depend on whether the motion is made with or without previous notice.

Board Authority – Rules of Order

A Board Policy Addressing Rules of Order Can:

- ▶ Serve as a resource that assists with conveying important information to the general public, new board members, and others during times of transition;
- ▶ Serve as a resource to turn to in the event of disagreement among board members over procedural matters;
- ▶ Clarify the extent to which a standard work on parliamentary procedure, such as Robert's Rules, applies to school board meetings; and
- ▶ Assist with legal compliance in connection with those limited matters where state statute sets forth specific procedural requirements.

Individual Board Member Powers

Board Action vs. Individual Member

▶ Individual Board Member Powers

- ▶ Board members have very few statutory powers to exercise as individuals.
- ▶ **Individual board members possess no independent governing authority. Your vote is your greatest power.**
- ▶ Some of the legal duties that individual board members have are duties to **refrain from certain conduct.**

Board Action vs. Individual Member

▶ Individual Board Member Powers

- ▶ **Local policy** can grant power to and place boundaries on the authority of individual board members.
 - ▶ Committee roles
 - ▶ Community engagement policy
- ▶ The board's **officers** have statutory powers and duties specific to their individual office.

Board Action vs. Individual Member

▶ **Basic Expectations for Individual Board Members**

- ▶ Attend school board meetings.
- ▶ Be prepared to discuss and act on meeting agenda items.
- ▶ Be informed about meeting agenda items and educational issues in general.
- ▶ Participate when the board exercises its duties.

Board Action vs. Individual Member

▶ Scenarios Where Difficulties Arise in Defining Roles

- ▶ Communication and information flow among the district's leadership team (i.e., chain of command)
- ▶ Handling complaints and concerns (e.g., personnel concern)
- ▶ Establishing the meeting agenda
- ▶ Attending meetings outside school board meetings
- ▶ Speaking on behalf of the district (i.e., who is the spokesperson for the district?)
- ▶ Making requests and directives to staff
- ▶ Visiting school buildings and classes

Individual Board Member Speech

▶ Individual Board Member Speech

▶ First Amendment to the U.S. Constitution:

▶ *Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; **or abridging the freedom of speech, or of the press**; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.*

▶ Board members do not lose their first amendment rights by being a board member.

▶ Board members may speak for or against an issue with certain caveats.

Individual Board Member Speech

▶ Individual Board Member Speech

- ▶ Board members may participate on outside committees or groups that advocate a particular viewpoint.
- ▶ Board members still need to be aware of **Open Meetings Law implications** if they participate in an advocacy group **with other board members**.
- ▶ Board members may also have **campaign finance** and **electioneering issues** that come into play as well.

Individual Board Member Speech

▶ Social Media - First Amendment Rights – Public Forum:

- ▶ Board members must be careful about posting school board related business to their personal social media accounts. Deleting replies and/or blocking others from viewing your posts can raise First Amendment concerns.

- ▶ [Lindke v. Freed, 601 U.S. 187, 144 S. Ct. 756, 218 L.Ed.2d 121 \(2024\)](#): *“We hold that such speech is attributable to the State only if the official (1) possessed actual authority to speak on the State’s behalf, and (2) purported to exercise that authority when he spoke on social media.”*

Individual Board Member Speech

▶ Social Media - First Amendment Rights – Public Forum:

▶ [Lindke v. Freed, 601 U.S. 187, 144 S.Ct. 756, 218 L.Ed.2d 121 \(2024\)](#): “[Freed] deleted Lindke’s comments and blocked him from commenting again. So far as deletion goes, the only relevant posts are those from which Lindke’s comments were removed.

▶ Blocking, however, is a different story. Because blocking operated on a page-wide basis, a court would have to consider whether Freed had engaged in state action with respect to any post on which Lindke wished to comment. The bluntness of Facebook’s blocking tool highlights the cost of a “mixed-use” social-media account: If page-wide blocking is the only option, a public official might be unable to prevent someone from commenting on his personal posts without risking liability for also preventing comments on his official posts. A public official who fails to keep personal posts in a clearly designated personal account, therefore, exposes himself to greater potential liability.”

▶ These posts can also raise public records law and records retention concerns.

A stack of papers and folders is shown on the left side of the image. The papers are white and some are held together by a silver metal ring binder. The folders are made of brown cardboard and have green dividers. The background is a solid red color. The text "Board Officer Responsibilities" is written in white, bold, sans-serif font on the right side of the image.

Board Officer Responsibilities

Officer Responsibilities

- ▶ **Wisconsin statutes** outline the basic duties of school board officers. See, e.g., [Wis. Stats. 120.15 - 120.17](#) (e.g., “School district president; duties”). NOTE: Many other statutes come into play other than just the ones cited above.
- ▶ **Board policy** can assign additional responsibilities and provide additional guidance to the board’s officers, but policy cannot conflict with the statutes (i.e., district policy cannot be used to “opt out” of mandatory legal duties).
- ▶ **Officers serve at the pleasure of the board.** A school board could choose to elect different officers after the reorganization meeting, provided open meetings law requirements are met. Please see [WASB Legal Comment May 1980](#)

Officer Responsibilities

▶ School Board Officers

▶ In common and union high school districts, the board must elect the following within 30 days after the fourth Monday in April:

- ▶ President
- ▶ Vice President
- ▶ Treasurer
- ▶ Clerk

▶ In a unified school district, the board must also elect a board secretary, who may or may not be a school board member.

Officer Responsibilities

▶ School Board Officers

- ▶ For more in-depth information on the responsibilities of school board officers, please go to the WASB's Online Learning Platform and click on the [Advanced Module: The Roles and Duties of School Board Officers](#)

Officer Responsibilities

- ▶ **Delegation of Officer Duties to a Non-School Board Member - General Rule**
 - ▶ Officers may not delegate discretionary duties of their office to non-board members except as expressly provided by law.
 - ▶ Officers may delegate ministerial and administrative duties to non-board members (e.g., the clerk may delegate the duty of receiving declarations of candidacy and other election documents to the school superintendent)
 - ▶ A number of officer duties would likely be deemed “ministerial” or “administrative,” but there is no clear line that can be relied upon.
- ▶ **Delegation of actual responsibility does not necessarily transfer legal responsibility.**

Officer Responsibilities

School board officials – Wis. Stat. 120.05(3)

- ▶ If the school district president, vice president, treasurer or clerk of any school board is unable to discharge the duties of the office due to disability or absence, the school board may appoint a person to discharge the duties of such person until the disability or absence no longer exists. In the case of a 3-member school board, the appointee shall be an elector of the school district.

Officer Responsibilities

School board officials – Wis. Stat. 120.05(3)

- ▶ In the case of a larger school board the appointee for the president shall be the vice president and the appointee for the other officers shall be another school board member.
- ▶ The school board shall determine the compensation of such appointees.
- ▶ A person acting as school district clerk or school district treasurer shall have the powers of a deputy and shall take and file an official bond covering the person's acts unless the bond of such officer includes a bond for the officer's deputy.

Officer Responsibilities

School board officials

- ▶ School boards should be cautious of appointing a board officer to discharge the general duties of another officer.
- ▶ For example, appoint the board clerk to carry out the duties of the board treasurer when he/she is unable to do so. Such appointment could create a problem with incompatibility of offices.

Terms and Conditions of Sale

Within these Terms and Conditions of Sale the "Company" shall be deemed to mean Meteor Education, LLC, Premier & Furniture Equipment LLC, Worthington Contract Furniture LP or Blankenship Associates, Inc. Should any product be purchased under a bid or contract with terms and conditions different from those contained herein, the terms of said bid or contract shall supersede or augment the following. If customer purchase order includes terms different than the terms listed below, terms will be reviewed for acceptance by the Company.

General Sales Policy

No order in process of production, or product other than standard, is subject to cancellation, delivery deferment, or specification change without the written acceptance of the Company.

The Company must be in receipt of an authorized written purchase order prior to an order being processed. The Company reserves the right to refuse purchase orders if the terms and conditions of such orders are contrary to these Terms and Conditions of Sale. Purchase Orders should be emailed to orders@meteored.com or mailed to the Company at 690 NE 23rd Avenue, Gainesville, FL, 32609. All orders are subject to the approval of the Company's credit control department and the terms and conditions relating to the granting of such credit facilities.

First time orders from non-publicly funded entities must be prepaid at the time of the order in accordance with the prepay requirements listed below unless prior arrangements have been agreed upon with the Company's credit control department.

Any order over \$5,000 for a prepay vendor, will require prepayment from customer. A list of prepay vendors is available upon request.

Returned Goods

Returned goods will only be accepted under a Return Authorization number (RA) issued by the Company. Accepted Returns may be subject to re-stocking and handling fees and any additional freight costs. Special order or custom made products may not be returned.

Cancelled Orders

Cancelled orders may be subject to fees associated with completed work including, but not limited to, design, order processing, and manufacturing.

Order Changes

Any change to your order must be in a written change order.

Taxes

Excise, sales, occupation, use, or other tax imposed upon the distributor will be additional to the sales price unless otherwise noted on the purchase order. For tax exempt entities, tax exempt form must be on file with the Company before purchase order is processed or the Company must, by law, charge appropriate sales tax. If applicable, please submit your sales tax exemption ID on the purchase order to ensure proper billing. Sales tax rates are based on the end user's site address and are subject to change. The sales tax rate and amount provided on this quote are estimates only. Upon delivery, you will be invoiced at the current rate of sales tax which may differ from this estimate.

Bonding

Performance and payment bonds are available for a fee and are not included in quoted price unless clearly noted. If bonding is needed, cost will be 1.5%* of total quoted amount. *Fee percentage is subject to change.

Terms

The Company will invoice customer upon delivery. Terms are net 30 days unless otherwise agreed prior to the acceptance of the order. Customer agrees to pay 18% annual interest, or \$50 per month, whichever is greater, on the balance of any late payment.

Drop-Ship or Inside Delivery Only

Freight damage must be reported to the Company within 48 hours of delivery. It is important to note any crushed or damaged packaging, discolored packaging (indicating water damage), or anything that looks as if it has been reopened or repackaged. All packages should be opened and products inspected within 48 hours of receipt. Upon discovery of any damage or shortage, the Company's Service Department must be notified at 1-800-699-7516.

The Carrier will produce a Bill of Lading for signature acknowledging receipt. Please ensure the number of cartons/items received match the bill of lading as well as the work order. Any shortages should be annotated on THE BILL OF LADING NEXT TO YOUR SIGNATURE and immediately reported to the Company's Traffic Office on 1-800-699-7516. The acknowledged Bill of Lading is deemed to be proof of delivery and the Company will issue its invoice(s) for payment. Any unauthorized assessorial charges will not be paid for.

Installed Product & Services

Product to be installed will be delivered and installed at the address notified in the purchase order unless previous arrangements have been agreed. Upon the delivery of product to the specified location the Company will invoice the customer in the amount of product delivered with the appropriate proof of delivery (bill of lading, manufacturer packing list, or work order). All placement and assembly will be verified by signature confirmation that items have been assembled, set in place, and are in good condition. All installation and delivery charges (above product invoices) will be billed upon receipt of final verification by customer signature on completed work orders. The Company will also provide a complete Master Invoice summarizing all invoices at that time at the customer's request. Any damage must be noted on the separate service request form provided by the installer, a copy of which will be made available for customer records. Services will be delivered to staff/personnel at the address notified in the purchase order unless previous arrangements have been agreed. Services may be provided prior to, during and/or after delivery of product. Any associated services pertaining to this agreement are good for a period of up to one-year from the initial delivery date of product.

Warranty

All products carry their manufacturer's standard warranty. Please contact your local representative for details.

Terms and Conditions of Sale

Within these Terms and Conditions of Sale the "Company" shall be deemed to mean Meteor Education, LLC, Premier & Furniture Equipment LLC, Worthington Contract Furniture LP or Blankenship Associates, Inc. Should any product be purchased under a bid or contract with terms and conditions different from those contained herein, the terms of said bid or contract shall supersede or augment the following. If customer purchase order includes terms different than the terms listed below, terms will be reviewed for acceptance by the Company.

General Sales Policy

No order in process of production, or product other than standard, is subject to cancellation, delivery deferment, or specification change without the written acceptance of the Company.

The Company must be in receipt of an authorized written purchase order prior to an order being processed. The Company reserves the right to refuse purchase orders if the terms and conditions of such orders are contrary to these Terms and Conditions of Sale. Purchase Orders should be emailed to orders@meteoreducation.com or mailed to the Company at 690 NE 23rd Avenue, Gainesville, FL, 32609. All orders are subject to the approval of the Company's credit control department and the terms and conditions relating to the granting of such credit facilities.

First time orders from non-publicly funded entities must be prepaid at the time of the order in accordance with the prepay requirements listed below unless prior arrangements have been agreed upon with the Company's credit control department.

Any order over \$5,000 for a prepay vendor, will require prepayment from customer. A list of prepay vendors is available upon request.

Returned Goods

Returned goods will only be accepted under a Return Authorization number (RA) issued by the Company. Accepted Returns may be subject to re-stocking and handling fees and any additional freight costs. Special order or custom made products may not be returned.

Cancelled Orders

Cancelled orders may be subject to fees associated with completed work including, but not limited to, design, order processing, and manufacturing.

Order Changes

Any change to your order must be in a written change order.

Taxes

Excise, sales, occupation, use, or other tax imposed upon the distributor will be additional to the sales price unless otherwise noted on the purchase order. For tax exempt entities, tax exempt form must be on file with the Company before purchase order is processed or the Company must, by law, charge appropriate sales tax. If applicable, please submit your sales tax exemption ID on the purchase order to ensure proper billing. Sales tax rates are based on the end user's site address and are subject to change. The sales tax rate and amount provided on this quote are estimates only. Upon delivery, you will be invoiced at the current rate of sales tax which may differ from this estimate.

Bonding

Performance and payment bonds are available for a fee and are not included in quoted price unless clearly noted. If bonding is needed, cost will be 1.5%* of total quoted amount. *Fee percentage is subject to change.

Terms

The Company will invoice customer upon delivery. Terms are net 30 days unless otherwise agreed prior to the acceptance of the order. Customer agrees to pay 18% annual interest, or \$50 per month, whichever is greater, on the balance of any late payment.

Drop-Ship or Inside Delivery Only

Freight damage must be reported to the Company within 48 hours of delivery. It is important to note any crushed or damaged packaging, discolored packaging (indicating water damage), or anything that looks as if it has been reopened or repackaged. All packages should be opened and products inspected within 48 hours of receipt. Upon discovery of any damage or shortage, the Company's Service Department must be notified at 1-800-699-7516.

The Carrier will produce a Bill of Lading for signature acknowledging receipt. Please ensure the number of cartons/items received match the bill of lading as well as the work order. Any shortages should be annotated on THE BILL OF LADING NEXT TO YOUR SIGNATURE and immediately reported to the Company's Traffic Office on 1-800-699-7516. The acknowledged Bill of Lading is deemed to be proof of delivery and the Company will issue its invoice(s) for payment. Any unauthorized assessorial charges will not be paid for.

Installed Product & Services

Product to be installed will be delivered and installed at the address notified in the purchase order unless previous arrangements have been agreed. Upon the delivery of product to the specified location the Company will invoice the customer in the amount of product delivered with the appropriate proof of delivery (bill of lading, manufacturer packing list, or work order). All placement and assembly will be verified by signature confirmation that items have been assembled, set in place, and are in good condition. All installation and delivery charges (above product invoices) will be billed upon receipt of final verification by customer signature on completed work order. The Company will also provide a complete Master Invoice summarizing all invoices at that time at the customer's request. Any damage must be noted on the separate service request form provided by the installer, a copy of which will be made available for customer records. Services will be delivered to staff/personnel at the address notified in the purchase order

unless previous arrangements have been agreed. Services may be provided prior to, during and/or after delivery of product. Any associated services pertaining to this agreement are good for a period of up to one-year from the initial delivery date of product.

Warranty

All products carry their manufacturer's standard warranty. Please contact your local representative for details.

CUSTOMER ORDER ACCEPTANCE

PLEASE REVIEW THIS QUOTATION AND NOTIFY US PROMPTLY OF ANY CORRECTIONS REQUIRED.
 THANK YOU FOR THE OPPORTUNITY TO BE OF SERVICE!

To ensure your Purchase Order (PO) is processed quickly and efficiently, please adhere to the following requirements:

1. All purchase orders must be issued to:
 Duet Resource Group/DJMI
 224 South 1st Street
 Milwaukee, WI 53204

Changes to quantities and/or options/finishes will affect this quote. If applicable, other charges such as freight, tax, installation and/or delivery fees may be added at time of order. This quotation is valid for 30 days, starting on the date shown in the quote header. For updated pricing, please contact your sales representative.

Terms & Conditions:

ORDER SUBMISSION: All orders require either (a) a purchase order referencing your quotation with exact specifications (quantity, finish options, price) or (b) a signed quote or (c) a signed authorization letter on customer letterhead accepting the quoted terms. Submission of any of these documents constitutes acceptance of these terms.

ORDER CHANGES/CANCELLATIONS: Purchase orders acknowledged by Duet cannot be modified or canceled without Duet's written consent and will be subject to a cancellation or change order fee. Custom orders cannot be changed or canceled under any circumstances.

INVOICING: An invoice will be created when product ships. If an order does not require installation (i.e., a drop ship order), multiple shipments may result in more than one invoice.

TAXES: Applicable sales tax will be added to invoices unless a valid tax exemption certificate is provided with order submission.

PAYMENT TERMS: 50% deposit required upon order placement (including 50% of applicable taxes)
 Deposit submission constitutes agreement to proceed per quoted terms
 50% billed upon product shipment
 Invoice is due upon receipt

CONSTRUCTION/INSTALLATION DELAYS: Duet cannot be responsible for delays in the construction schedule. The installation site must be free and clear of other trades (unless previously discussed), or additional labor charges may apply.

WAREHOUSING: Installation delayed due to construction, customer request, or any other reason not within Duet's control may incur storage/warehousing and additional delivery charges due to double handling.

FINANCE CHARGES: A 1.5% monthly finance charge applies to unpaid balances after due date.

SURCHARGES: Duet reserves the right to apply manufacturer-imposed tariff, freight, and/or fuel surcharges to customer orders.

CREDIT CARDS: A 3.5% processing fee applies to all credit card payments.

SENIOR HIGH MEMBERSHIP RENEWAL

Grades 9-12
2026-27 School Year

Boyceville High School

I, as duly authorized by the Board of Education or Governing Body of the above named school, request membership in the Wisconsin Interscholastic Athletic Association for 2026-27. **I understand and agree that as a condition of membership, the above named school adopts the rules of this Association and will conduct its athletic program in accordance with the Constitution, Bylaws, Rules of Eligibility and Sports Regulations (boys and girls) as well as the interpretations and decisions of the WIAA Board of Control.**

It is further agreed that the administrators and coaches of the above named school have Board of Education or Governing Body approval if called upon to serve the WIAA in an elected or appointed position.

Note 1: A school that voluntarily terminates membership in the Association shall be denied readmission for a period of four (4) school years.

Note 2: A member school is required to maintain administrative control and oversight of at least one independently sponsored interscholastic athletic program or co-op program throughout the duration of its membership.

Note 3: The WIAA membership-sponsored tournaments are the collective property of the Association and not of any individual member. The Association reserves the right to promote and advance the membership's interests with publication information; exclusive arrangements to create recognition and exposure for school-sponsored activities; restrictive policies prohibiting exploitation and commercialization of membership-sponsored tournaments; appropriate proprietary interests; and the use of images or transmissions identifying students, administrative personnel and member school marks.

By checking this box and submitting our 2026-27 Senior High Membership Renewal form, you agree that you and your school administration have read, in its entirety, the [WIAA Senior High Handbook](#). You are verifying that you, your staff, and student athletes are abiding by all WIAA rules and regulations as outlined in the WIAA Constitution and Bylaws. I further certify that if I have not understood any information contained in this document, I have sought and received an explanation of the information prior to signing this document.

I verify and certify that the above is true

By checking this box and submitting our 2026-27 Senior High Membership Renewal form, I am acknowledging that I am responsible for ensuring that our School Directory is accurate and updated with any/all changes. I have also verified that our administration and coach contact information is updated in the online [WIAA School Directory](#). By ensuring that these are accurate, important information from WIAA staff will reach the necessary people.

I acknowledge that the above is true
