Welcome to the Board of Education meeting. Tonight's meeting is a public meeting between the Board of Education and the Superintendent of Schools. Members of the audience who wish to address the Board of Education at this meeting are asked to complete a comment card and submit it to the Board President at the beginning of the meeting. Public comments will be limited to five minutes. When the Board President calls you, please stand and state your name and address. To ensure due process and respect of individual rights, the District maintains a formal process for handling complaints against individuals.
