## Recognition

Model UN Team:

- ELHS Model United Nations team participated at the Mid-American Model UN. The students have been working since the fall to represent the United States, Nigeria, Ethiopia, St. Vincent and the Grenadines, and Saudi Arabia.

Our students won more awards than any other school. In a year where it's hard to find anything to celebrate, it was exciting to see their names being called and how they reacted and how they cheered for each other. 3

While all the students who participated deserve our praise, here are the award winners.

1. East Lansing High School took second place overall for Best Prepared School.
2. These students won honors in Crisis Councils:  
Second Honors: Hugh Hankenson, Grace Townley, Sydney Zaagman  
Highest Honors: Jack McGuire, Zoe James, Marie Adele Grosso
3. The students won honors in their Committees:  
Second Honors: Zoe James, Grace Townley, Sydney Zaagman  
Highest Honors: Marie Adele Grosso
4. Amelia Pauly won the top overall award for writing position papers.

Finally, one student from the entire conference is selected for the Jonathan Perry Award which honors diplomacy, dedication, and performance. Marie Adele Grosso won this prestigious award. Thank you to Mr. Pontoni and everyone who helped with the Model UN team.

#### Athletic Updates

- Varsity Boys' Basketball – are on a pause – prior to the pause they were undefeated and will return next week.
- Varsity Girls' Basketball – undefeated and beat a very tough Haslett team last week.
- Due to various pauses in their season, both the girls' and boys' basketball teams will participate in a Blue Basketball tournament with their Blue division opponents next week. Girls' will be Monday/Wednesday/Friday and boys' will play Tuesday/Thursday/Saturday. Brackets will be determined soon.
- Bowling – will be participating in the MHSAA bowling tournament with their Regionals on March 19.
- Gymnastics – will be participating in the CAAC conference meet this Saturday, March 13 at Grand Ledge and then the MHSAA Regionals on March 20.
- Hockey – will begin their MHSAA tournament in two weeks.
- Swimming and Diving – East Lansing will host the CAAC Blue Championship on March 11. Due to COVID, we are not holding a traditional conference Swim Championship with all seven schools. All schools will host a dual at the same time on Saturday (12:00 p.m. start) and compare results across all the sites to determine league championships.
- Wrestling – CAAC meet this Saturday and then move into the MHSAA tournament next week.

Good luck to all of our EL athletes.

## **Superintendent's Report**

### **Successful Orientation Week!**

What a great first week! It was absolutely wonderful to have adults and students back in our buildings for learning. Looking forward to the rollout of our "regular schedule" this week!

The window to select a mid-April in-person return for your student will be March 14 – 19. A registration link will be included in next week's updates. The second opportunity to begin in-person instruction will be the week of April 19.

We currently have approximately 60% of our elementary students, about 47% of our middle school students, and 40% of our high school students who are attending in-person learning.

### **Post-Spring Break Guidelines for Families or Students Who Are Traveling**

We've had a number of families inquiring about post-Spring Break guidelines for returning to school following travel.

In order to provide the safest school environment and take steps to keep the virus out of our schools, we are asking students who travel over Spring Break to quarantine for 10 days upon their return. This includes domestic and international travel. This direction is based on CDC guidelines. We are encouraging families to quarantine students who have traveled out of state or the country but are not requiring it.

For students who may be participating in state testing or spring sports the week after Spring Break or if the 10-day quarantine poses a child-care or other hardship for families with students currently in person, ELPS will offer COVID-19 Rapid Antigen testing Sunday, April 11 (and likely Monday, April 12 for secondary students who have remote Mondays) for in-person ELPS students. This is a quick, easy and non-invasive COVID screening test that will provide a layer of surveillance for students who may return to the building that week. There will also be a second strongly-encouraged COVID Antigen Test opportunity 4 – 5 days later that week to account for the incubation period following exposure. The second opportunity to begin in-person instruction will be the week of April 19. Details to come.

### **MI Safe Schools Testing Program & MSU's COVID-19 Early Detection Program**

COVID-19 Rapid Antigen testing for ELPS staff begins tomorrow and for ELHS students next Tuesday, March 16. Additional information for the student testing will be coming from the high school this week.

Discussion followed.

## **Bond Update**

## MEMORANDUM

---

**TO: ELPS Board of Education**

**FROM: Rich Pugh, Director of Finance**

**SUBJECT: Informational Item – Furniture, Fixtures & Equipment for Marble**

**DATE: March 5, 2021**

Recommendation:

It is recommended that the Board of Education award the following bids related to the furniture, fixtures and equipment bid package for Marble in the amount of \$404,918.75 as follows:

- **Category 01 – Classroom and Miscellaneous Furnishings total \$263,961.30**  
Custer: \$110,014  
DBI: \$7,279.31  
Dew-EI: \$57,480.80

- **Category 05 – Office/Systems Furnishings total \$58,782.09**  
DBI: \$27,012.09  
Interstate: \$31,770

Background:

Bids for Marble furniture, fixtures and equipment (FF&E) were due on February 16, 2021. The above recommendations are under the total FF&E budget for Marble. Board action is anticipated on March 22, 2021. Attached is a bid tabulation for all of the items in the five FF&E categories. In cases that the lowest bid was not recommended the

reason for that is in the far right column of the spreadsheet. Often, it's a matter of consistency with the furniture that was ordered for the first five elementary buildings.

# ARTS ARE EDUCATION

## Arts ARE Education Resolution

Whereas all students have the right to an arts education taught by certified arts educators.

Whereas arts education has the power to change students' lives.

Whereas arts education is a key to re-igniting students' learning in a post-COVID-19 world.

Whereas arts education helps nurture healthy, inclusive communities where all points of view are respected.

Whereas arts education experiences help students understand their own cultural roots and appreciate others' cultural roots and traditions.

Whereas arts education supports the social and emotional well-being of students and fosters a positive school environment.

Whereas arts education is part of the well-rounded education for every student as outlined in the Every Student Succeeds Act.

*Therefore, **East Lansing School District** pledges to maintain and grow our arts education programs in the 2021-22 school year and beyond.*
