Welcome to a District 96 Board Meeting

What is the District 96 Board of Education?

The Board of Education is the governing body of District 96. It consists of 7 district residents elected to serve the community. Each member volunteers for a four-year term.

What does the Board do?

The Board of Education sets district policy, approves educational goals, authorizes district expenditures and hires the Superintendent.

Only the Board, acting as a whole and in its official capacity, is vested with the authority to make decisions on behalf of the district. Individual board members can only offer their personal opinions on issues and cannot, as individuals, make binding decisions on behalf of the Board.

What happens at a Regular Board Meeting?

Regular Meetings are typically held on the 3rd Tuesday of every month (except July) at 7:30 p.m. Please visit the District's website (www.district96.org) for a list of meeting dates and times.

Generally, at a Regular Meeting, the Superintendent and district staff update the Board about such topics as district finances, facilities and educational goals and initiatives. The Superintendent may also recommend that the Board take specific action on items it discusses. Typically, a Board vote on any item does not occur at the same meeting that the item is first discussed.

A Board vote on policies, programs and expenditures can only occur in an open session (in public). At some meetings, however, the Board may adjourn into closed session (apart from the public). Closed sessions are allowed by law due to the sensitive nature of some discussion topics. Board of Education Policy 2:200 itemizes a list of permissible closed session topics.

In order to maintain transparency and openness in our meetings, all of our discussions need to take place in public. We conduct our meetings in accordance to policy 2:220 (Board of Education Meeting Procedure). There is an opportunity for public comment during every Board meeting. The Board uses this time to listen to community questions and concerns, but may not respond immediately to individual requests and cannot take formal action on non-agenda items. Comments pertaining to individual students or staff are not permitted.

How to contact the Board?

You may send an email to boardofed@district96.org and your message will be forwarded to all members. You can also call individual members at the numbers listed in the district calendar.
