 QUESTION: A school board that wishes to preserve the exceptions in 820 ILCS 112/10(b-10)(1) and (2), added by P.A. 101-177, should consult its board attorney. **Note:** Attorneys caution that using the exceptions in 820 ILCS 112/10 (b-10)(1) and (2). added by P.A. 101-177, may trigger litigation. Violating this subsection entitles an employee to recover in a civil action any damages incurred, special damages up to \$10,000, injunctive relief, and costs and reasonable attorney's fees. 820 ILCS 112/30(a-5), added by P.A. 101-177. Has the Board adopted the exceptions into this policy, adding to #5 the following: "unless the applicant's wage or salary history is a matter of public record, or is contained in a document completed by the applicant's current or former employer and then made available to the public by the employer, or then submitted or posted by the employer to comply with State or federal law; or the applicant is a current employee applying for a position with the same current employer."?
 No (default)
 Yes The Board has consulted its board attorney and has adopted the exceptions into the policy. Add to #5 the following: "unless the applicant's wage or salary history is a matter of public record, or is contained in a document completed by the applicant's current or former employer and then made available to the public by the employer, or then submitted or posted by the employer to comply with State or federal law; or the applicant is a current employee applying for a position with the same current employer."
- o. Policy 5:50 Drug and Alcohol-Free Workplace; E-Cigarette, Tobacco and Cannabis Prohibition.
 QUESTION #1: An employee is on call when the employer schedules him or her with at least 24 hours' notice to be on standby or otherwise responsible for performing employment-related tasks either at the employer's location or another previously-designated location. Consult the board attorney regarding how the board wants to treat employees who may be considered on call, e.g., superintendents, principals, coaches, and/or maintenance workers, etc. Has the board adopted the phrase "or being on call" into this policy?
 Yes (default)
 No (IASB will remove "or being on call")
 QUESTION #2: Optional. Including the statutory example that includes the term vape pen provides notice that vaping products are also prohibited through the term e-cigarette. Choose from the following options:
 Include the default sentence (default)
 Replace "includes, but is not limited to, any electronic nicotine delivery system (ENDS), electronic cigar, electronic cigarillo, electronic pipe, electronic hookah, vape pen, or similar product or device, and any components or parts that can be used to build the product or 'device" with "shall have the meaning provided in the Prevention of Tobacco Use by Minors and Sale and Distribution of Tobacco Products Act, 720 ILCS 675/1(a-9)"
- p. **Policy 5:50 Drug and Alcohol-Free Workplace; E-Cigarette, Tobacco and Cannabis Prohibition-ATTORNEY REVISIONS.**

The Superintendent (this will also affect policy 2:110 - be sure the same answer is entered for both policies)

1) Policy 2:110 Qualifications, Term, and Duties of Board Officers.

QUESTION: Would the Board like to authorize the Board President or superintendent to appoint the outside investigator when a complaint of sexual harassment is made against a member of the Board by another Board member or elected official?

Board President (default)

The Superintendent (this will also affect policy 2:105 - be sure the same answer is entered for both policies)

t. Policy 7:270 Administering Medicines to Students.

QUESTION: Optional. 105 ILCS 145/27 , added by P.A. 101-428, permits a district to maintain a supply of undesignated glucagon in any secure location that is immediately accessible to a school nurse or delegated care aide. A school board must ensure that it does not adopt this section into policy unless it is prepared to implement it. Consult the board attorney about the consequences of informing the community that the district will obtain a prescription for a supply of undesignated glucagon, and implement a plan for their use, and then not doing it, as doing so may be fraught with legal liabilities. The superintendent is given broad authority to implement this section; however, several preliminary steps should occur with the assistance of the board attorney. They include, but are not limited to: (1) investigating the feasibility of obtaining a prescription for a supply of undesignated glucagon in the name of the district or one of its schools, and (2) outlining the advantages and disadvantages of implementing this plan based upon each district's individual resources and circumstances, and student population's needs. Has the Board adopted the School District Supply of Undesignated Glucagon subsection?

Yes (default)

No (IASB will delete the School District Supply of Undesignated Glucagon subsection and its Void Policy language)

u. Policy 8:30 Visitors to and Conduct on School Property.

Question 1: For ease of administration, this text is broader than 105 ILCS 5/24-24, requiring a hearing for both *school events and meetings*. See Nuding v. Cerro Gordo Community Unit School Dist., 313 Ill.App3d 344 (4th Dist. 2000) (board was authorized to ban parent from attending all school events and extracurricular activities by 105 ILCS 5/24-24; the ban was based on the parent's exposing a toy gun and a pocketknife at a board meeting). The court in Nuding did not specifically answer whether a board meeting qualified as a *school event* under 105 ILCS 5/24-4, but upheld the board's right to enforce conduct rules at its meetings under 105 ILCS 5/10-20.5.

Consult the board attorney before narrowing the text, especially if the board has put the current text into practice and now plans to narrow it. This issue involves a balancing of the Board's interest in the orderly transaction of its public business and the efficiency of its meetings against an individual's: (a) statutory rights attend meetings and/or comment to and ask questions of the board (105 ILCS 5/10-16 and 5 ILCS 120/2.06(g)) and (b) constitutional freedoms and rights of speech, the press, assembly, and to petition the government (U.S. Constitution, First Amendment and Ill. Constitution, Art I, §§ 1, 2, 4, and 5).

Does the board want to narrow the policy text to mirror 105 ILCS 5/24-24?

No (default)

Yes ("or meetings" will be removed from the subheading and the first sentence of the

subsection)

Welcome to a District 96 Board Meeting

What is the District 96 Board of Education?

The Board of Education is the governing body of District 96. It consists of 7 district residents elected to serve the community. Each member volunteers for a four-year term.

What does the Board do?

The Board of Education sets district policy, approves educational goals, authorizes district expenditures and hires the Superintendent.

Only the Board, acting as a whole and in its official capacity, is vested with the authority to make decisions on behalf of the district. Individual board members can only offer their personal opinions on issues and cannot, as individuals, make binding decisions on behalf of the Board.

What happens at a Regular Board Meeting?

Regular Meetings are typically held on the 3rd Wednesday of every month (except July) at 6:30 p.m. Please visit the District's website (www.district96.org) for a list of meeting dates and times.

Generally, at a Regular Meeting, the Superintendent and district staff update the Board about such topics as district finances, facilities and educational goals and initiatives. The Superintendent may also recommend that the Board take specific action on items it discusses. Typically, a Board vote on any item does not occur at the same meeting that the item is first discussed.

A Board vote on policies, programs and expenditures can only occur in an open session (in public). At some meetings, however, the Board may adjourn into closed session (apart from the public). Closed sessions are allowed by law due to the sensitive nature of some discussion topics. Board of Education Policy 2:200 itemizes a list of permissible closed session topics.

In order to maintain transparency and openness in our meetings, all of our discussions need to take place in public. We conduct our meetings in accordance to policy 2:220 (Board of Education Meeting Procedure). There is an opportunity for public comment during every Board meeting. The Board uses this time to listen to community questions and concerns, but may not respond immediately to individual requests and cannot take formal action on non-agenda items. Comments pertaining to individual students or staff are not permitted.

How to contact the Board?

You may send an email to boardofed@district96.org and your message will be forwarded to all members. You can also call individual members at the numbers listed in the district calendar.
