MEMO

TO: Executive Board

FROM: Matt McDonald, Director of Human Resources & Business/CSBO

DATE: October 1, 2025

RE: Monthly Financial Report - September 2025

Background: Administration continually monitors the actual revenues and expenditures throughout the fiscal year. The current financial status is presented to the Board on a monthly basis.

Discussion:

Revenue:

Revenue received to date is 67.4% of the budget compared to 54.4% this same time period last year. Currently, there are no areas of concern within the revenue budget.

Expenditures:

Actual expenditures to date are 16.0% which is a little higher than previous years, primarily based on the payment for the updated Mades-Johnstone playground. The majority of the salaries and benefits have been encumbered and are shown as expended and encumbered on the financial statement. The FY25 beginning fund balance is unaudited and will be adjusted once the final audit has been completed. Currently, there are no areas of concern within the expenditure budget.

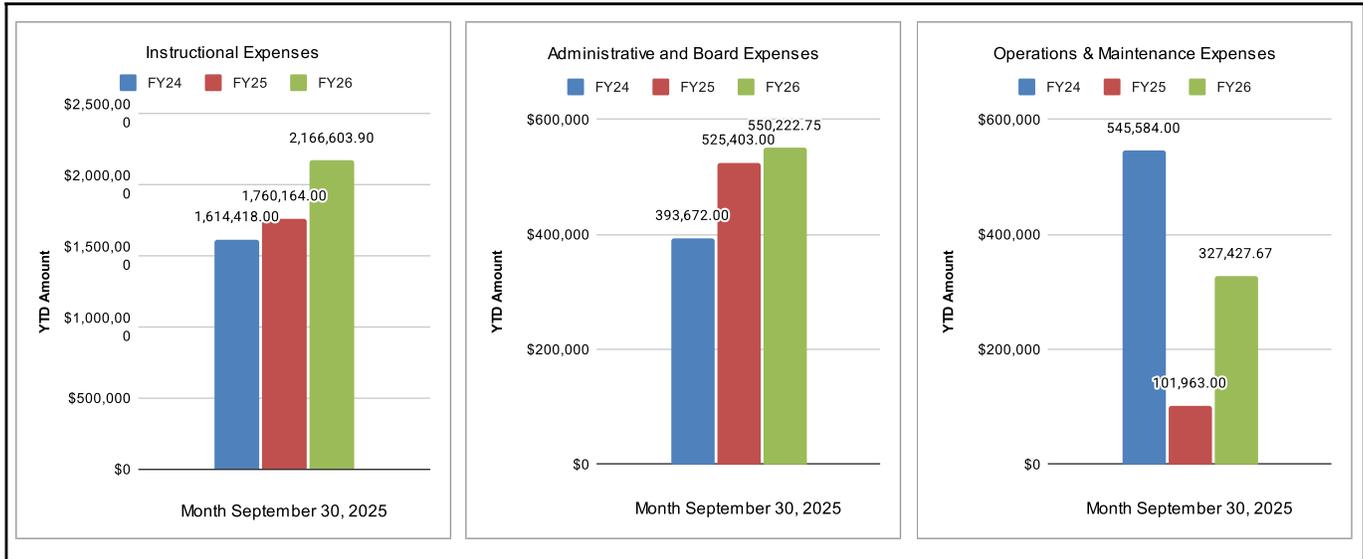

As of September 30, 2025, the current cash balance is \$12,574,665.

Recommendation: Administration recommends that the Board accept the Mid-Valley Financial Report as presented.

Expense Insight:
As of September 30, 2025, total year-to-date (YTD) expenditures stand at \$3.04 million, representing 16% of the FY26 budget. Within this, program costs account for the largest portion at \$1.51 million. High encumbrance rates (75–89%) suggest that much of the instructional budget is already committed for FY26. Operations & Maintenance Expenses stand at \$327k (57.4% of budget). This category is significantly front-loaded due to the Mades-Johnstone playground project, which accounts for the bulk of early FY26 spending. Spending is aligned with planned commitments and reflects deliberate early investment in instructional programs and facility improvements. Going forward, close monitoring will be essential to ensure budget balance.

Revenue Insight:
 As of September 30, 2025, total year-to-date (YTD) revenues stand at \$12.76 million, representing 67.4% of the FY26 budget. Tuition Revenue remains the primary driver of performance, reaching \$12.55 million (75.3% of budget). State funding such as Evidence-Based Funding (EBF) and Alternative Learning Opportunities (ALOP) have begun disbursements but at just ~9% of annual allocations. The Cooperative is well-positioned for FY26, but reliance on the timely flow of state and federal funds remains a key consideration as the fiscal year progresses.

MEMORANDUM

TO: Mid-Valley Special Education Cooperative Executive Advisory Board

FROM: Lisa Palese, Executive Director

DATE: October 1, 2025

RE: Student Enrollment & Classroom Openings

The purpose of this memorandum is to provide the Board with an update on our current enrollment as of September 26, 2025. We have welcomed 16 new students to our programs in the past month and have had no drops. Overall, our enrollment is down 22 students compared to our April projections. Thankfully, there are still openings in our programs that typically welcome additional students throughout the school year.

 RE: Staffing Update

This memorandum provides an update on the staffing plan for the 2025–26 school year. Although enrollment remains lower than projected, our overall staffing framework is still appropriate. We are beginning to get new referrals and have needed to begin filling positions that we had waited to hire. Some of the new referrals are students who will need a 1:1 aide. The chart below outlines our current hires and openings, along with a few adjustments to our initial staffing recommendations. We will continue to monitor enrollment and referrals and will update the Board as needed.

Mid-Valley Liaison Meeting September 26, 2025

In attendance: Lisa Palese, Melissa Mills, Jamie Consentino, Kari Ruh, Cara Chase, Sarah Nolan, Tanner Seal, Mike Ackerman, Melissa Groot

Celebrations: We took a few moments to celebrate some truly outstanding student and staff successes within our district and cooperative.

Enrollment & Classroom Capacity: We have welcomed 16 new students to our programs over the past month, with no student drops. Overall, our enrollment is down 22 students compared to our April projections. Thankfully, there are still openings in our programs that welcome students throughout the school year.

Final Tuition Bill for 2024-25: Overall, the money was spent as expected. Served more students than the year before, but came in slightly less than projected when it comes to total students. Budget came in \$130,000 under. What refunds look like will depend on how the business managers determine the best way to use the money gained from interest.

Transition Programming/Shelby Center: We discussed the numerous obstacles we face in our current space, including safety, wheelchair accessibility, limited classroom space, nursing and related services areas, etc. We are exploring other options in the area. Matt will outline this information for the Board next week.

EC Screening: Kari is seeking to partner with other districts in the area to ensure that we meet the needs of our multilingual families during the pre-school screening process. Several districts have volunteered to join Batavia in developing effective strategies to meet the growing population.

ACT Accommodations: We collaborated to develop an effective method for documenting in the IEP meeting notes the accommodations recommended by the IEP for ACT versus the accommodations accepted by ACT for each student. We came to the consensus that the IEP team should continue to recommend the accommodations that the student is using in the classroom setting, while also documenting the accommodations that will be recommended to ACT. We will be more explicit in the notes about the fact that ACT can deny accommodations.

ISBE Form Changes: We reviewed the recent ISBE Form changes and discussed formats for sharing this information with our teams. Melissa Groot also emailed ISBE on our behalf to request that the most recent changes be transferred to the Present Levels of Performance and Evaluation Forms.

Board Policy 7:040: We discussed the new trend of families requesting part-time attendance at school to participate in ABA Therapy or other outside interventions, and the concerns we have regarding ensuring FAPE. Batavia is exploring potential changes to its board policy, which would encourage families to plan for these requests by May 1 of each year. This would allow the IEP team to meet and be more purposeful with their planning and communication about how this part-time status could affect a student's access to FAPE.

RE: FY25 Final Billing Reconciliation

Attached please find information regarding the final billing and reconciliation for Fiscal Year 25. Overall, the cooperative was approximately \$140,000 below budget. However, there was a tuition gap of approximately \$154,000. This is a result of lower than budgeted Medicaid reimbursements, homebound services, and additional 1:1 supports. At the next business managers meeting, we will reconcile the billing and determine any funds to remain in our fund balance.

- Total Final District Tuition: \$13.61M across all programs and districts
- Total Tuition Paid to Date: \$13.48M, with adjustments through credits, surcharges, and program-specific costs bringing the reconciliation close to projections (difference: +\$154K (1.1% increase))
- Credits + Tuition Paid: \$15.95M, reflecting the combination of payments and applied credits.

Projected vs. actual enrollment (in FTE):

- **District 101:** 43.0 projected → 42.1 actual (−0.9 FTE)
- **District 301:** 73.0 projected → 76.5 actual (+3.5 FTE)
- **District 302:** 56.0 projected → 50.6 actual (−5.4 FTE)
- **District 303:** 37.0 projected → 38.7 actual (+1.7 FTE)
- **District 304:** 53.0 projected → 44.4 actual (−8.6 FTE)
- **Smaller districts (25, 424, 426, 427, 428):** Mostly stable with 0–2 FTE variations

Tuition Impact of Enrollment Changes:

- **District 304:** Budgeted **\$2.44M**, final **\$2.05M** → **−\$395K refund** due to under-enrollment
- **District 301:** Budgeted **\$3.77M**, final **\$4.05M** → **+\$280K additional bill** due to higher enrollment
- **District 302:** Budgeted **\$2.62M**, final **\$2.51M** → **−\$107K refund**
- **District 101:** Budgeted **\$1.81M**, final **\$1.70M** → **−\$112K refund**
- **District 303:** Budgeted **\$2.46M**, final **\$2.54M** → **+\$74K additional bill**
- **Smaller districts:** Adjustments were minor, except District 428, which saw a net **+\$132K bill**

Role of 1:1 Supports & District-Specific Costs:

- Budgeted: 1:1 aide/nurse supports totaled \$820K (16 aides projected, no nurses)
- Final Actual: 1:1 supports increased to \$833K (18.5 aides and 0.5 nurse)
- Other district-specific costs (Instructional coaches, professional learning directors, EL services, Embrace, Infinitec) were broadly in line, but some shifted by district.

RE: Transition Program Facility Needs

Summary

The Shelby facility has significant limitations in both capacity and safety. Current space restrictions, accessibility barriers, and safety concerns directly affect student learning, staff effectiveness, and family confidence in our program. Immediate exploration of alternative sites is necessary to ensure we can continue to provide safe, high-quality educational experiences for our students.

Current Limitations

Shelby

Classroom and Program Space

- Classrooms are filled to capacity, with some limited to only 5–6 students.
- Limited room for sensory regulation or movement when students are struggling emotionally or behaviorally.
- Lack of designated space for related services (speech, OT, PT), sensory breaks, or building-based job skills training.
- Inability to combine classrooms for electives, guest speakers, or group learning opportunities.
- One class is splitting time across multiple locations; when vocational sites or ECC are unavailable, students lack usable space.

Accessibility

- The building relies on a wheelchair lift for access, leaving students and staff vulnerable when it is inoperable.
- The kitchen is not wheelchair accessible, preventing students with mobility needs from fully engaging in cooking tasks.

Safety Concerns

- Students share a building with a drug rehabilitation center, raising supervision and safety concerns.
- The south entrance is constructed of glass, easily breakable and fully transparent, exposing interior areas to outside visibility and potential threats.
- Parents have expressed repeated concerns regarding the safety and accessibility of the building.

Nursing, Storage, and Restrooms

- No secure, dedicated nursing office for care, supplies, or medication.

- Storage currently occurs in an egress corridor, a practice flagged by both the ROE and Fire Department.
- Only two restrooms are available; one doubles as the accessible option, creating additional strain on facilities.

Fox Valley Christian Church

- Rent and utility costs are currently very low, but will be increasing
- Building safety concerns mirror Shelby, with non-safety glass at entrances.
- Staff currently lack dedicated office space and conference/meeting rooms.

Potential Options

1) Cedar Avenue Building

Opportunities:

- Adequate space to support SEA, SAIL, Hearing Itinerants, and administrative offices.
- Ability to wall off our section from other tenants.
- Can be made wheelchair accessible with remodeling.
- BEI is committed to exploring this as a long-term solution.

Challenges:

- Requires construction of an accessible entrance.
- Restroom facilities must be remodeled.
- ROE and Fire Department compliance needs must be addressed.
- Would require a long-term lease agreement.

2) Remain at Shelby and add additional space

Opportunities:

- Ability to end lease at Shelby in 2029 and re-evaluate needs then
- Identify a smaller space to accommodate needed, accessible classrooms

Challenges:

- New space would likely still need remodeling to accommodate educational programming
- Further divide related services, administrative and transportation supports

Next Steps

- Board approval to continue the exploratory process.
- Initiate an architectural review of the Cedar Avenue site to confirm feasibility.
- Request baseline pricing and lease terms from BEI.
- Coordinate with architects, ROE, and the Fire Department to assess compliance requirements.
- Identify immediate and long-term remodeling needs, projected costs, and responsibilities for funding.

Conclusion and Recommendation

The Shelby site is no longer sufficient to meet the needs of our students, staff, or families. Issues of space, accessibility, and safety present daily challenges and increase liability for the cooperative. Given these limitations, it is recommended that the Board authorize continued exploration of the **Cedar Avenue Building** as a potential long-term solution, while also evaluating short-term strategies to relieve immediate space pressures.
