Rev. 2026

427 WORKLOAD LIMITS FOR CERTAIN SPECIAL EDUCATION TEACHERS

[NOTE: School districts are required by Minnesota Rules 3525.2340, subpart 4.B, to have a policy for determining the workload limits of special education staff who provide services to students who receive direct special education services sixty (60) percent or less of the instructional day.]

[NOTE: Minnesota Statutes, section 179A.07, subdivision 1, of the Public Employment Labor Relations Act (PELRA) provides that a public employer is not required to meet and negotiate on matters of inherent managerial policy. Matters of inherent managerial policy include, but are not limited to, such areas of discretion or policy as the functions and programs of the employer, its overall budget, utilization of technology, the organizational structure, selection of personnel, and direction of personnel. MSBA's position is that this policy is not a mandatory subject of bargaining. School districts, therefore, are cautioned to not relinquish their inherent managerial right to determine workload limits for special education ~~teachers~~ staff.]

I. PURPOSE

The purpose of this policy is to establish general parameters for determining the workload limits of special education staff who provide services to children with disabilities receiving direct special education services sixty (60) percent or less of the instructional day.

II. DEFINITIONS

[NOTE: MSBA arranged these paragraphs in alphabetical order in February 2026.]

A. Direct Services

"Direct services" means special education services provided by a ~~special education teacher~~ or a related service professional when the services are related to instruction, including cooperative teaching.

B. Indirect Services

"Indirect services" means special education services ~~provided by a special education teacher or a related service professional~~ which include ongoing progress reviews; cooperative planning; consultation; demonstration teaching; modification and adaptation of the environment, curriculum, materials, or equipment; and direct contact with the pupil to monitor and observe. Indirect services may be provided by a teacher or related services professional to another regular education, special education teacher, related services professional, paraprofessional, support staff, parents, and public and nonpublic agencies to the extent that the services are written in the pupil's IEP and IFSP.

C. Special Education Staff; Special Education Teacher

"Special education staff" and "special education teacher" both mean a teacher employed by the school district who is licensed under the rules of the Minnesota Professional Educator Licensing and Standards Board to instruct children with specific disabling conditions.

D. Workload

"Workload" means a special education teacher's total number of minutes required for all

due process responsibilities, including direct and indirect services, evaluation and reevaluation time, management of individualized education programs (IEPs), travel time, parental contact, and other services required in the IEPs.

III. GENERAL STATEMENT OF POLICY

- A. Workload limits for special education teachers shall be determined by the appropriate special education administrator, in consultation with the building principal and the superintendent.
- B. In determining workload limits for special education staff, the school district shall take into consideration the following factors: student contact minutes, evaluation and reevaluation time, indirect services, management of IEPs, travel time, and other services required in the IEPs of eligible students.

IV. COLLECTIVE BARGAINING AGREEMENT UNAFFECTED

This policy shall not be construed as a reopening of negotiations between the school district and the special education teachers' exclusive representative, nor shall it be construed to alter or limit in any way the managerial rights or other authority of the school district set forth in the Public Employment Labor Relations Act or in the collective bargaining agreement between the school district and the special education teachers' exclusive representative.

521 STUDENT DISABILITY NONDISCRIMINATION

[NOTE: School districts are required by statute to have a policy addressing these issues.]

I. PURPOSE

The purpose of this policy is to protect students with disabilities from discrimination on the basis of disability and to identify and evaluate learners who, within the intent of Section 504 of the Rehabilitation Act of 1973 (Section 504), need services, accommodations, or programs in order that such learners may receive a free appropriate public education.

II. GENERAL STATEMENT OF POLICY

A. Students with disabilities who meet the criteria of Paragraph C. below are protected from discrimination on the basis of a disability.

B. The responsibility of the school district is to identify and evaluate learners who, within the intent of Section 504, need services, accommodations, or programs in order that such learners may receive a free appropriate public education.

C. For this policy, a learner who is protected under Section 504 is one who:

1. has a physical or mental impairment that substantially limits one or more of such person's major life activities; or
2. has a record of such an impairment; ~~or~~
3. is regarded as having such an impairment; ~~or~~ or
4. has an impairment that is episodic or in remission and would materially limit a major life activity when active.

[NOTE: The 2024 Minnesota legislature revised the definition of 'disability' in Minnesota Statutes, section 363A.03, subdivision 12]

D. Learners may be protected from disability discrimination and be eligible for services, accommodations, or programs under the provisions of Section 504 even though they are not eligible for special education pursuant to the Individuals with Disabilities Education Act.

III. COORDINATOR

Persons who have questions or comments should contact _____ (title, name, office address, and telephone number). This person is the school district's Americans with Disabilities Act/Section 504 coordinator. Persons who wish to make a complaint regarding a disability discrimination matter may use the accompanying Student Disability Discrimination Grievance Report Form. The form should be given to the ADA/Section 504 coordinator.

Rev. 2026

613 GRADUATION REQUIREMENTS

[NOTE: The requirements set forth in this policy govern the graduation standards that Minnesota public schools must require for a high school diploma for all students.]

I. PURPOSE

The purpose of this policy is to set forth requirements for graduation from the school district.

II. GENERAL STATEMENT OF POLICY

The policy of the school district is that all students must demonstrate, as determined by the school district, their satisfactory completion of the credit requirements and their understanding of academic standards. The school district must adopt graduation requirements that meet or exceed state graduation requirements established in law or rule.

III. DEFINITIONS

- A. "Credit" means a student's successful completion of an academic year of study or a student's mastery of the applicable subject matter, as determined by the school district.
- B. "English language learners" or "ELL" student means an individual whose first language is not English and whose test performance may be negatively impacted by lack of English language proficiency.
- C. "Individualized Education Program" or "IEP" means a written statement developed for a student eligible by law for special education and services.
- D. "Required standard" means a statewide adopted expectation for student learning in the content areas of language arts, mathematics, science, social studies, physical education, health, and the arts. Locally developed academic standards in health apply until statewide rules implementing statewide health standards under Minnesota Statutes, section 120B.021, subdivision 3, are required to be implemented in the classroom.
- E. "Section 504 Accommodation" means the defined appropriate accommodations or modifications that must be made in the school environment to address the needs of an individual student with disabilities.

IV. DISTRICT ASSESSMENT COORDINATOR

[**Position Title**] shall be named the District Assessment Coordinator. Said person shall be in charge of all test procedures and shall bring recommendations to the school board annually for approval.

V. ASSESSMENT GRADUATION REQUIREMENTS

A. Graduation Requirements

Students' state graduation requirements, based on a longitudinal, systematic approach to student education and career planning, assessment, instructional support, and evaluation, include the following:

1. Achievement and career and college readiness in mathematics, reading, and writing, ~~consistent with paragraph (k)~~ and to the extent available, to monitor students' continuous development of and growth in requisite knowledge and

skills; analyze students' progress and performance levels, identifying students' academic strengths and diagnosing areas where students require curriculum or instructional adjustments, targeted interventions, or remediation; and, based on analysis of students' progress and performance data, determine students' learning and instructional needs and the instructional tools and best practices that support academic rigor for the student; ~~and.~~

2. Consistent with this paragraph and Minnesota Statutes, section 120B.125 (~~see Policy 604, Section II.H.~~), age-appropriate exploration and planning activities and career assessments to encourage students to identify personally relevant career interests and aptitudes and help students and their families develop a regularly reexamined transition plan for postsecondary education or employment without need for postsecondary remediation.
3. Based on appropriate state guidelines, students with an IEP may satisfy state graduation requirements by achieving an individual score on the state-identified alternative assessments.
~~[NOTE: Minnesota Statutes 120B.303 includes the reference to paragraph (k) found in subparagraph 1. above. This statute no longer has a paragraph (k). MSBA has informed the Minnesota Revisor's Office, which replied that it will seek correction.]~~

B. Targeted Instruction Plan

1. A student must receive targeted, relevant, academically rigorous, and resourced instruction, which may include a targeted instruction and intervention plan focused on improving the student's knowledge and skills in core subjects so that the student has a reasonable chance to succeed in a career or college without need for postsecondary remediation.
2. Consistent with Minnesota Statutes, sections 120B.13, 124D.09, 124D.091, 124F.08, and related sections, an enrolling school or district must actively encourage a student in grade 11 or 12 who is identified as academically ready for a career or college to participate in courses and programs awarding college credit to high school students. Students are not required to achieve a specified score or level of proficiency on an assessment under this subdivision to graduate from high school.

[NOTE: The 2025 Minnesota legislature renumbered the statutory reference above.]

3. As appropriate, students through grade 12 must continue to participate in targeted instruction, intervention, or remediation and be encouraged to participate in courses awarding college credit to high school students.
~~[NOTE: The revisions in Paragraphs A and B align the model policy language with Minnesota Statutes 120B.303.]~~

- C. A student's progress toward career and college readiness must be recorded on the student's high school transcript.

VI. GRADUATION CREDIT REQUIREMENTS

Students must successfully complete, as determined by the school district, the following high school level credits for graduation:

A. Credit Requirements

1. Four (4) credits of language arts sufficient to satisfy all academic standards in English language arts;

2. Three (3) credits of mathematics sufficient to satisfy all of the academic standards in mathematics;
 3. Three (3) credits of science, including one (1) credit to satisfy all the earth and space science standards for grades 9 through 12, one (1) credit to satisfy all the life science standards for grades 9 through 12, and one (1) credit to satisfy all the chemistry or physics standards for grades 9 through 12;
 4. Three and one-half (3.5) credits of social studies, encompassing at least United States history, geography, government and citizenship in either grade 11 or 12 for students beginning in grade 9 in the 2025-2026 school year and later or an advanced placement, international baccalaureate, or other rigorous course on government and citizenship under Minnesota Statutes, section 120B.21, subdivision 1a, and a combination of other credits encompassing at least United States history, geography, government and citizenship, world history, and economics sufficient to satisfy all of the academic standards in social studies;
- ~~[NOTE: This revision includes the 2024 change on implementation of the government and citizenship requirement to the 2025-26 school year.]~~
5. One (1) credit in the arts sufficient to satisfy all of the academic standards in the arts;
 6. Credit sufficient to satisfy the state standards in physical education and health; and
 7. A minimum of seven (7) elective credits.
 8. Students who begin grade 9 in the 2024-2025 school year and later must successfully complete a course for credit in personal finance in grade 10, 11, or 12. A teacher of a personal finance course that satisfies the graduation requirement must have a field license or out-of-field permission in agricultural education, business, family and consumer science, social studies, or math.

B. Credit Equivalencies

1. A one-half (.5) credit of economics taught in a school's agricultural, food, and natural resources education or business education program or department may fulfill a one-half (.5) credit in social studies under Paragraph A.4, above, if the credit is sufficient to satisfy all of the academic standards in economics.
2. An agriculture science or career and technical education credit may fulfill the elective science credit required under Paragraph A.3, above, if the credit meets the state physical science, life science, earth and space science, chemistry, or physics academic standards or a combination of these academic standards as approved by the school district. An agriculture or career and technical education credit may fulfill the credit in chemistry or physics required under Paragraph A.3, above, if the credit meets the state chemistry or physics academic standards as approved by the school district. A student must satisfy either all of the chemistry academic standards or all of the physics academic standards prior to graduation. An agriculture science or career and technical education credit may not fulfill the required biology credit under Paragraph A.3, above.
3. A career and technical education credit may fulfill a mathematics or arts credit requirement under Paragraph A.2 or Paragraph A.5, above.
4. A computer science credit may fulfill a mathematics credit requirement under Paragraph A.2, above, if the credit meets state academic standards in mathematics.

5. A Project Lead the Way credit may fulfill a mathematics or science credit requirement under Paragraph A.2 or Paragraph A.3, above, if the credit meets the state academic standards in mathematics or science.
6. An ethnic studies course may fulfill a social studies, language arts, arts, math, or science credit if the course meets the applicable state academic standards. An ethnic studies course may fulfill an elective credit if the course meets applicable local standards or other requirements.

[Note: ~~The revisions above align the policy language with Minnesota law, including changes enacted by the 2024 Minnesota legislature. Starting in the 2026-27 school year, a high school must offer an ethnic studies course; in elementary and middle schools by the 2027-28 school year.~~]

VII. GRADUATION STANDARDS REQUIREMENTS

- A. All students must demonstrate their understanding of the following academic standards:
 1. School District Standards, Health (K-12);
 2. School District Standards, Career and Technical Education (K-12); and
 3. School District Standards, World Languages (K-12).
- B. Academic standards in health, world languages, and career and technical education will be reviewed on an annual basis.* A school district must use the current world languages standards developed by the American Council on the Teaching of Foreign Languages.

* Reviews are required to be conducted on a periodic basis. Therefore, this time period may be changed to accommodate individual school district needs.
- C. All students must satisfactorily complete the following required [Graduation Academic Standards](#) in accordance with the standards developed by the Minnesota Department of Education (MDE):
 1. Minnesota Academic Standards, English Language Arts K-12;
 2. Minnesota Academic Standards, Mathematics K-12;
 3. Minnesota Academic Standards, Science K-12;
 4. Minnesota Academic Standards, Social Studies K-12; and
 5. Minnesota Academic Standards, Physical Education K-12.
- D. State standards in the Arts K-12 are available, or school districts may choose to develop their own standards.
- E. The academic standards for language arts, mathematics, and science apply to all students except the very few students with extreme cognitive or physical impairments for whom an IEP team has determined that the required academic standards are inappropriate. An IEP team that makes this determination must establish alternative standards.

VIII. EARLY GRADUATION

Students may be considered for early graduation, as provided for within Minnesota Statutes, section 120B.07, upon meeting the following conditions:

- A. All course or standards and credit requirements must be met;
- B. The principal or designee shall conduct an interview with the student and parent or guardian, familiarize the parties with opportunities available in post-secondary education, and arrive at a timely decision; and
- C. The principal's decision shall be in writing and may be subject to review by the superintendent and school board.

EDUCATION PROGRAMS

Graduation Requirements

613

A. Graduation Requirements

Students' state graduation requirements, based on a longitudinal, systematic approach to student education and career planning, assessment, instructional support, and evaluation, include the following:

1. Achievement and career and college readiness in mathematics, reading, and writing, consistent with paragraph (k) and to the extent available, to monitor students' continuous development of and growth in requisite knowledge and skills; analyze students' progress and performance levels, identifying students' academic strengths and diagnosing areas where students require curriculum or instructional adjustments, targeted interventions, or remediation; and, based on analysis of students' progress and performance data, determine students' learning and instructional needs and the instructional tools and best practices that support academic rigor for the student; and
2. Consistent with this paragraph and Minnesota Statutes, section 120B.125 (see Policy 604, Section II.H.), age-appropriate exploration and planning activities and career assessments to encourage students to identify personally relevant career interests and aptitudes and help students and their families develop a regularly reexamined transition plan for postsecondary education or employment without need for postsecondary remediation.
3. Based on appropriate state guidelines, students with an IEP may satisfy state graduation requirements by achieving an individual score on the state-identified alternative assessments.

B. Targeted Instruction Plan

1. A student must receive targeted, relevant, academically rigorous, and resourced instruction, which may include a targeted instruction and intervention plan focused on improving the student's knowledge and skills in core subjects so that the student has a reasonable chance to succeed in a career or college without need for postsecondary remediation.
2. Consistent with Minnesota Statutes, sections 120B.13, 124D.09, 124D.091, 124D.49, and related sections, an enrolling school or district must actively encourage a student in grade 11 or 12 who is identified as academically ready for

a career or college to participate in courses and programs awarding college credit to high school students. Students are not required to achieve a specified score or level of proficiency on an assessment under this subdivision to graduate from high school.

3. As appropriate, students through grade 12 must continue to participate in targeted instruction, intervention, or remediation and be encouraged to participate in courses awarding college credit to high school students.
- C. A student's progress toward career and college readiness must be recorded on the student's high school transcript.

VI. GRADUATION CREDIT REQUIREMENTS

Students must successfully complete, as determined by the school district, the following high school level credits for graduation:

A. Credit Requirements

1. Four credits of language arts sufficient to satisfy all academic standards in English language arts;
2. Three credits of mathematics sufficient to satisfy all of the academic standards in mathematics;
3. Three credits of science, including one credit to satisfy all the earth and space science standards for grades 9 through 12, one credit to satisfy all the life science standards for grades 9 through 12, and one credit to satisfy all the chemistry or physics standards for grades 9 through 12;
4. Three and one-half credits of social studies, encompassing at least United States history, geography, government and citizenship in either grade 11 or 12 for students beginning in grade 9 in the 2025-2026 school year and later or an advanced placement, international baccalaureate, or other rigorous course on government and citizenship under Minnesota Statutes, section 120B.21, subdivision 1a, and a combination of other credits encompassing at least United States history, geography, government and citizenship, world history, and economics sufficient to satisfy all of the academic standards in social studies;

5. One credit in the arts sufficient to satisfy all of the academic standards in the arts;
6. Credit sufficient to satisfy the state standards in physical education; and
7. A minimum of seven elective credits.
8. Students who begin grade 9 in the 2024-2025 school year and later must successfully complete a course for credit in personal finance in grade 10, 11, or 12. A teacher of a personal finance course that satisfies the graduation requirement must have a field license or out-of-field permission in agricultural education, business, family and consumer science, social studies, or math.

B. Credit equivalencies

1. A one-half credit of economics taught in a school's agricultural, food, and natural resources education or business education program or department may fulfill a one-half credit in social studies under Paragraph A.4, above, if the credit is sufficient to satisfy all of the academic standards in economics.
2. An agriculture science or career and technical education credit may fulfill the elective science credit required under Paragraph A.3, above, if the credit meets the state physical science, life science, earth and space science, chemistry, or physics academic standards or a combination of these academic standards as approved by the school district. An agriculture or career and technical education credit may fulfill the credit in chemistry or physics required under Paragraph A.3, above, if the credit meets the state chemistry or physics academic standards as approved by the school district. A student must satisfy either all of the chemistry academic standards or all of the physics academic standards prior to graduation. An agriculture science or career and technical education credit may not fulfill the required biology credit under Paragraph A.3, above.
3. A career and technical education credit may fulfill a mathematics or arts credit requirement under Paragraph A.2 or Paragraph A.5, above.
4. A computer science credit may fulfill a mathematics credit requirement under Paragraph A.2, above, if the credit meets state academic standards in mathematics.
5. A Project Lead the Way credit may fulfill a mathematics or science credit requirement under Paragraph A.2 or Paragraph A.3, above, if the credit meets the

state academic standards in mathematics or science.

6. An ethnic studies course may fulfill a social studies, language arts, arts, math, or science credit if the course meets the applicable state academic standards. An ethnic studies course may fulfill an elective credit if the course meets applicable local standards or other requirements.

VII. GRADUATION STANDARDS REQUIREMENTS

- A. All students must demonstrate their understanding of the following academic standards:
 1. School District Standards, Health (K-12);
 2. School District Standards, Career and Technical Education (K-12); and
 3. School District Standards, World Languages (K-12).
- B. Academic standards in health, world languages, and career and technical education will be reviewed on an annual basis.* A school district must use the current world languages standards developed by the American Council on the Teaching of Foreign Languages.

* Reviews are required to be conducted on a periodic basis. Therefore, this time period may be changed to accommodate individual school district needs.
- C. All students must satisfactorily complete the following required Graduation Standards in accordance with the standards developed by the Minnesota Department of Education (MDE):
 1. Minnesota Academic Standards, English Language Arts K-12;
 2. Minnesota Academic Standards, Mathematics K-12;
 3. Minnesota Academic Standards, Science K-12;
 4. Minnesota Academic Standards, Social Studies K-12; and
 5. Minnesota Academic Standards, Physical Education K-12.
- D. State standards in the Arts K-12 are available, or school districts may choose to develop their own standards.

- E. The academic standards for language arts, mathematics, and science apply to all students except the very few students with extreme cognitive or physical impairments for whom an IEP team has determined that the required academic standards are inappropriate. An IEP team that makes this determination must establish alternative standards.

VIII. EARLY GRADUATION

Students may be considered for early graduation, as provided for within Minn. Stat. § 120B.07, upon meeting the following conditions:

- A. All course or standards and credit requirements must be met;
- B. The principal or designee shall conduct an interview with the student and parent or guardian, familiarize the parties with opportunities available in post-secondary education, and arrive at a timely decision; and
- C. The principal's decision shall be in writing and may be subject to review by the superintendent and school board.

522 TITLE IX SEX NONDISCRIMINATION POLICY, GRIEVANCE PROCEDURE AND PROCESS

I. GENERAL STATEMENT OF POLICY

- A. The school district does not discriminate on the basis of sex in its education programs or activities, and it is required by Title IX of the Education Amendments Act of 1972, and its implementing regulations, not to discriminate in such a manner. The requirement not to discriminate in its education program or activity extends to admission and employment. The school district is committed to maintaining an education and work environment that is free from discrimination based on sex, including sexual harassment.
- B. The school district prohibits sexual harassment that occurs within its education programs and activities. When the school district has actual knowledge of sexual harassment in its education program or activity against a person in the United States, it shall promptly respond in a manner that is not deliberately indifferent.
- C. This policy applies to sexual harassment that occurs within the school district's education programs and activities and that is committed by a school district employee, student, or other members of the school community. This policy does not apply to sexual harassment that occurs off school grounds, in a private setting, and outside the scope of the school district's education programs and activities. This policy does not apply to sexual harassment that occurs outside the geographic boundaries of the United States, even if the sexual harassment occurs in the school district's education programs or activities.
- D. Any student, parent, or guardian having questions regarding the application of Title IX and its regulations and/or this policy and grievance process should discuss them with the Title IX Coordinator. The school district's Title IX Coordinator(s) is/are:

**[INSERT: NAME(S) TITLE(S) PHONE NUMBER(S) OFFICE ADDRESS(ES)
EMAIL ADDRESS(ES)]**

Questions relating solely to Title IX and its regulations may be referred to the Title IX Coordinator(s), the Assistant Secretary for Civil Rights of the United States Department of Education, or both.

II. DEFINITIONS

- A. "Actual knowledge" means notice of sexual harassment or allegations of sexual harassment to the school district's Title IX Coordinator or to any employee of the school district. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only official of the school district with actual knowledge is the respondent.
- B. "Complainant" means a person who is alleged to be the victim of conduct that could constitute sexual harassment under Title IX. A Title IX Coordinator who signs a formal complaint is not a complainant unless the Title IX Coordinator is alleged to be the victim of the conduct described in the formal complaint.
- C. "Day" or "days" means, unless expressly stated otherwise, business days (i.e. day(s) that the school district office is open for normal operating hours, Monday - Friday,

excluding State-recognized holidays).

- D. "Deliberately indifferent" means clearly unreasonable in light of the known circumstances. The school district is deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.
- E. "Education program or activity" means locations, events, or circumstances for which the school district exercises substantial control over both the respondent and the context in which the sexual harassment occurs and includes school district education programs or activities that occur on or off of school district property.
- F. "Formal complaint" means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the school district investigate the allegation of sexual harassment.
 - 1. A formal complaint filed by a complainant must be a physical document or an electronic submission. The formal complaint must contain the complainant's physical or digital signature, or otherwise indicate that the complainant is the person filing the formal complaint, and must be submitted to the Title IX Coordinator in person, by mail, or by email.
 - 2. A formal complaint shall state that, at the time of filing the formal complaint, the complainant was participating in, or attempting to participate in, an education program or activity of the school district with which the formal complaint is filed.
- G. "Informal resolution" means options for resolving a formal complaint that do not involve a full investigation and adjudication. Informal resolution may encompass a broad range of conflict resolution strategies, including mediation or restorative justice.
- H. "Relevant questions" and "relevant evidence" are questions, documents, statements, or information that are related to the allegations raised in a formal complaint. Relevant evidence includes evidence that is both inculpatory and exculpatory. Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent.
- I. "Remedies" means actions designed to restore or preserve the complainant's equal access to education after a respondent is found responsible. Remedies may include the same individualized services that constitute supportive measures, but need not be non-punitive or non-disciplinary, nor must they avoid burdening the respondent.
- J. "Respondent" means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment under Title IX.
- K. "Sexual harassment" means any of three types of misconduct on the basis of sex that occurs in a school district education program or activity and is committed against a person in the United States:
 - 1. *Quid pro quo* harassment by a school district employee (conditioning the provision of an aid, benefit, or service of the school district on an individual's participation in unwelcome sexual conduct);
 - 2. Unwelcome conduct that a reasonable person would find so severe, pervasive, and objectively offensive that it denies a person equal educational access; or

3. Any instance of sexual assault (as defined in the Clery Act, 20 United States Code, section 1092(f)(6)A(v)), dating violence, domestic violence, or stalking (as defined in the Violence Against Women Act, 34 United States Code, section 12291).
- L. "Supportive measures" means individualized services provided to the complainant or respondent without fee or charge that are reasonably available, non-punitive, non-disciplinary, not unreasonably burdensome to the other party, and designed to ensure equal educational access, protect safety, and deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, alternative educational services as defined under Minnesota Statutes, section 121A.41, as amended, mutual restrictions on contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain areas of the school district buildings or property, and other similar measures.
- M. "Title IX Personnel" means any person who addresses, works on, or assists with the school district's response to a report of sexual harassment or formal complaint, and includes persons who facilitate informal resolutions. The following are considered Title IX Personnel:
1. "Title IX Coordinator" means an employee of the school district that coordinates the school district's efforts to comply with and carry out its responsibilities under Title IX. The Title IX Coordinator is responsible for acting as the primary contact for the parties and ensuring that the parties are provided with all notices, evidence, reports, and written determinations to which they are entitled under this policy and grievance process. The Title IX Coordinator is also responsible for effective implementation of any supportive measures or remedies. The Title IX Coordinator must be free from conflicts of interest and bias when administering the grievance process.
 2. "Investigator" means a person who investigates a formal complaint. The investigator of a formal complaint may not be the same person as the Decision-maker or the Appellate Decision-maker. The Investigator may be a school district employee, school district official, or a third party designated by the school district.
 3. "Decision-maker" means a person who makes a determination regarding responsibility after the investigation has concluded. The Decision-maker cannot be the same person as the Title IX Coordinator, the Investigator, or the Appellate Decision-maker.
 4. "Appellate Decision-maker" means a person who considers and decides appeals of determinations regarding responsibility and dismissals of formal complaints. The Appellate Decision-maker cannot be the same person as the Title IX Coordinator, Investigator, or Decision-maker. The Appellate Decision-maker may be a school district employee, or a third party designated by the school district.
 5. The superintendent of the school district may delegate functions assigned to a specific school district employee under this policy, including but not limited to the functions assigned to the Title IX Coordinator, Investigator, Decision-maker, Appellate Decision-maker, and facilitator of informal resolution processes, to any suitably qualified individual and such delegation may be rescinded by the superintendent at any time. The school district may also, in its discretion, appoint suitably qualified persons who are not school district employees to fulfill any function under this policy, including, but not limited to, Investigator, Decision-maker, Appellate Decision-maker, and facilitator of informal resolution processes.

III. BASIC REQUIREMENTS FOR GRIEVANCE PROCESS

A. Equitable Treatment

1. The school district shall treat complainants and respondents equitably. However, equality or parity with respect to supportive measures provided to complainants and respondents is not required.
2. The school district will not impose any disciplinary sanctions or take any other actions against a respondent that do not constitute supportive measures until it has completed this grievance process and the respondent has been found responsible.
3. The school district will provide appropriate remedies to the complainant any time a respondent is found responsible.

B. Objective and Unbiased Evaluation of Complaints

1. Title IX Personnel, including the Title IX Coordinator, Investigator, Decision-maker, and Appellate Decision-maker, shall be free from conflicts of interest or bias for or against complainants or respondents generally or a specific complainant or respondent.
2. Throughout the grievance process, Title IX Personnel will objectively evaluate all relevant evidence, inculpatory and exculpatory, and shall avoid credibility determinations based solely on a person's status as a complainant, respondent, or witness.

- C. Title IX Personnel will presume that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

D. Confidentiality

The school district will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act (FERPA), 20 United States Code, section 1232g, FERPA regulations, 34 Code of Federal Regulations, part 99, Minnesota law under Minnesota Statutes, section 13.32, or as required by law, or to carry out the purposes of 34 Code of Federal Regulations, part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder (i.e., the school district's obligation to maintain confidentiality shall not impair or otherwise affect the complainants and respondents receipt of the information to which they are entitled with respect to the investigative record and determination of responsibility).

E. Right to an Advisor; Right to a Support Person

Complainants and respondents have the right, at their own expense, to be assisted by an advisor of their choice during all stages of any grievance proceeding, including all meetings and investigative interviews. The advisor may be, but is not required to be, an attorney. In general, an advisor is not permitted to speak for or on behalf of a complainant or respondent, appear in lieu of complainant or respondent, participate as a witness, or participate directly in any other manner during any phase of the grievance process.

A complainant or respondent with a disability may be assisted by a support person throughout the grievance process, including all meetings and investigative interviews, if such accommodation is necessary. A support person may be a friend, family member, or any individual who is not otherwise a potential witness. The support person is not permitted to speak for or on behalf of a complainant or respondent, appear in lieu of complainant or respondent, participate as a witness, or participate directly in any other manner during any phase of the grievance process.

F. Notice

The school district will send written notice of any investigative interviews or meetings to any party whose participation is invited or expected. The written notice will include the date, time, location, participants, and purpose of the meeting or interview, and will be provided to allow sufficient time for the party to prepare to participate.

G. Consolidation

The school district may, in its discretion, consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances.

H. Evidence

1. During the grievance process, the school district will not require, allow, rely upon, or otherwise use questions or evidence that constitute or seek disclosure of information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.
2. The school district shall not access, consider, disclose, or otherwise use a party's medical, psychological, and similar treatment records unless the school district obtains the party's voluntary, written consent.

I. Burden of Proof

1. The burden of gathering evidence and the burden of proof shall remain upon the school district and not upon the parties.
2. The grievance process shall use a preponderance of the evidence standard (i.e. whether it is more likely than not that the respondent engaged in sexual harassment) for all formal complaints of sexual harassment, including when school district employees are respondents.

J. Timelines

1. Any informal resolution process must be completed within thirty (30) calendar days following the parties' agreement to participate in such informal process.
2. An appeal of a determination of responsibility or of a decision dismissing a formal complaint must be received by the school district within five (5) days of the date the determination of responsibility or dismissal was provided to the parties.
3. Any appeal of a determination of responsibility or of a dismissal will be decided within thirty (30) calendar days of the day the appeal was received by the school district.
4. The school district will seek to conclude the grievance process, including any

appeal, within 120 calendar days of the date the formal complaint was received by the school district.

5. Although the school district strives to adhere to the timelines described above, in each case, the school district may extend the time frames for good cause. Good cause may include, without limitation: the complexity of the allegations; the severity and extent of the alleged misconduct; the number of parties, witnesses, and the types of other evidence (e.g., forensic evidence) involved; the availability of the parties, advisors, witnesses, and evidence (e.g., forensic evidence); concurrent law enforcement activity; intervening school district holidays, breaks, or other closures; the need for language assistance or accommodation of disabilities; and/or other unforeseen circumstances.

K. Potential Remedies and Disciplinary Sanctions

1. The following is the range of possible remedies that the school district may provide a complainant and disciplinary sanctions that the school district might impose upon a respondent, following determination of responsibility: counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, mutual or unilateral restrictions on contact between the parties, changes in work locations, leaves of absence, monitoring of certain areas of the school district buildings or property, warning, suspension, exclusion, expulsion, transfer, remediation, termination, or discharge.
2. If the Decision-maker determines a student-respondent is responsible for violating this policy, the Decision-maker will recommend appropriate remedies, including disciplinary sanctions/consequences. The Title IX Coordinator will notify the superintendent of the recommended remedies, such that an authorized administrator can consider the recommendation(s) and implement appropriate remedies in compliance with the school district's student discipline policy. The discipline of a student-respondent must comply with the applicable provisions of Minnesota Pupil Fair Dismissal Act, the Individuals with Disabilities Education Improvement Act (IDEA) and/or Section 504 of the Rehabilitation Act of 1972, and their respective implementing regulations.

IV. REPORTING PROHIBITED CONDUCT

- A. Any student who believes they have been the victim of unlawful sex discrimination or sexual harassment, or any person (including the parent of a student) with actual knowledge of conduct which may constitute unlawful sex discrimination or sexual harassment toward a student should report the alleged acts as soon as possible to the Title IX Coordinator.
- B. Any employee of the school district who has experienced, has actual knowledge of, or has witnessed unlawful sex discrimination, including sexual harassment, or who otherwise becomes aware of unlawful sex discrimination, including sexual harassment, must promptly report the allegations to the Title IX Coordinator without screening or investigating the report or allegations.
- C. A report of unlawful sex discrimination or sexual harassment may be made at any time, including during non-business hours, and may be made in person, by mail, by telephone, or by e-mail using the Title IX Coordinator's contact information. A report may also be made by any other means that results in the Title IX Coordinator receiving the person's verbal or written report.
- D. Sexual harassment may constitute both a violation of this policy and criminal law. To the extent the alleged conduct may constitute a crime, the school district may report the alleged conduct to law enforcement authorities. The school district encourages

complainants to report criminal behavior to the police immediately.

V. INITIAL RESPONSE AND ASSESSMENT BY THE TITLE IX COORDINATOR

- A. When the Title IX Coordinator receives a report, the Title IX Coordinator shall promptly contact the complainant confidentially to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.
- B. The school district will offer supportive measures to the complainant whether or not the complainant decides to make a formal complaint. The school district must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the school district's ability to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.
- C. If the complainant does not wish to file a formal complaint, the allegations will not be investigated by the school district unless the Title IX Coordinator determines that signing a formal complaint to initiate an investigation over the complainant's wishes is not clearly unreasonable in light of the known circumstances.
- D. Upon receipt of a formal complaint, the school district must provide written notice of the formal complaint to the known parties with sufficient time to prepare a response before any initial interview. This written notice must contain:
 - 1. The allegations of sexual harassment, including sufficient details known at the time, the identities of the parties involved in the incident (if known), the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident, if known;
 - 2. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility will be made at the conclusion of the grievance process;
 - 3. A statement explaining that the parties may have an advisor of their choice, who may be, but is not required to be, an attorney;
 - 4. A statement that the parties may inspect and review evidence gathered pursuant to this policy;
 - 5. A statement informing the parties of any code of conduct provision that prohibits knowingly making false statements or knowingly submitting false information; and
 - 6. A copy of this policy.

VI. STATUS OF RESPONDENT DURING PENDENCY OF FORMAL COMPLAINT

- A. Emergency Removal of a Student
 - 1. The school district may remove a student-respondent from an education program or activity of the school district on an emergency basis before a determination regarding responsibility is made if:
 - a. The school district undertakes an individualized safety and risk analysis;

- b. The school district determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal of the student-respondent; and
- c. The school district determines the student-respondent poses such a threat, it will so notify the student-respondent and the student-respondent will have an opportunity to challenge the decision immediately following the removal. In determining whether to impose emergency removal measures, the Title IX Coordinator shall consult related school district policies, including the school district's student discipline policy. The school district must take into consideration applicable requirements of the Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act of 1973, prior to removing a special education student or Section 504 student on an emergency basis.

B. Employee Administrative Leave

The school district may place a non-student employee on administrative leave during the pendency of the grievance process of a formal complaint. Such leave will typically be paid leave unless circumstances justify unpaid leave in compliance with legal requirements. The school district must take into consideration applicable requirements of Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act prior to removing an individual with a qualifying disability.

VII. INFORMAL RESOLUTION OF A FORMAL COMPLAINT

- A. At any time prior to reaching a determination of responsibility, informal resolution may be offered and facilitated by the school district at the school district's discretion, but only after a formal complaint has been received by the school district.
- B. The school district may not require as a condition of enrollment or continued enrollment, or of employment or continued employment, or enjoyment of any other right, waiver of the right to a formal investigation and adjudication of formal complaints of sexual harassment.
- C. The informal resolution process may not be used to resolve allegations that a school district employee sexually harassed a student.
- D. The school district will not facilitate an informal resolution process without both parties' agreement, and will obtain their voluntary, written consent. The school district will provide to the parties a written notice disclosing the allegations, the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations, the parties' right to withdraw from the informal resolution process, and any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.
- E. At any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint.

VIII. DISMISSAL OF A FORMAL COMPLAINT

- A. Under federal law, the school district must dismiss a Title IX complaint, or a portion thereof, if the conduct alleged in a formal complaint or a portion thereof:
 - 1. Would not meet the definition of sexual harassment, even if proven;

2. Did not occur in the school district's education program or activity; or
 3. Did not occur against a person in the United States.
- B. The school district may, in its discretion, dismiss a formal complaint or allegations therein if:
1. The complainant informs the Title IX Coordinator in writing that the complainant desires to withdraw the formal complaint or allegations therein;
 2. The respondent is no longer enrolled or employed by the school district; or
 3. Specific circumstances prevent the school district from gathering sufficient evidence to reach a determination.
- C. The school district shall provide written notice to both parties of a dismissal. The notice must include the reasons for the dismissal.
- D. Dismissal of a formal complaint or a portion thereof does not preclude the school district from addressing the underlying conduct in any manner that the school district deems appropriate.

IX. INVESTIGATION OF A FORMAL COMPLAINT

- A. If a formal complaint is received by the school district, the school district will assign or designate an Investigator to investigate the allegations set forth in the formal complaint.
- B. If during the course of the investigation the school district decides to investigate any allegations about the complainant or respondent that were not included in the written notice of a formal complaint provided to the parties, the school district must provide notice of the additional allegations to the known parties.
- C. When a party's participation is invited or expected in an investigative interview, the Investigator will coordinate with the Title IX Coordinator to provide written notice to the party of the date, time, location, participants, and purposes of the investigative interview with sufficient time for the party to prepare.
- D. During the investigation, the Investigator must provide the parties with an equal opportunity to present witnesses for interviews, including fact witnesses and expert witnesses, and other inculpatory and exculpatory evidence.
- E. Prior to the completion of the investigative report, the Investigator, through the Title IX Coordinator, will provide the parties and their advisors (if any) with an equal opportunity to inspect and review any evidence directly related to the allegations. The evidence shall be provided in electronic format or hard copy and shall include all relevant evidence, evidence upon which the school district does not intend to rely in reaching a determination regarding responsibility, and any inculpatory or exculpatory evidence whether obtained from a party or another source. The parties will have ten (10) days to submit a written response, which the Investigator will consider prior to completion of the investigative report.
- F. The Investigator will prepare a written investigative report that fairly summarizes the relevant evidence. The investigative report may include credibility determinations that are not based on a person's status as a complainant, respondent or witness. The school district will send the parties and their advisors (if any) a copy of the report in electronic format or hard copy, for their review and written response at least ten (10) days prior to a determination of responsibility.

X. DETERMINATION REGARDING RESPONSIBILITY

- A. After the school district has sent the investigative report to both parties and before the school district has reached a determination regarding responsibility, the Decision-maker must afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness.
- B. The Decision-maker must provide the relevant questions submitted by the parties to the other parties or witnesses to whom the questions are offered, and then provide each party with the answers, and allow for additional, limited follow-up questions from each party.
- C. The Decision-maker must explain to the party proposing the questions any decision to exclude a question as not relevant.
- D. When the exchange of questions and answers has concluded, the Decision-maker must issue a written determination regarding responsibility that applies the preponderance of the evidence standard to the facts and circumstances of the formal complaint. The written determination of responsibility must include the following:
 - 1. Identification of the allegations potentially constituting sexual harassment;
 - 2. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather other evidence;
 - 3. Findings of fact supporting the determination;
 - 4. Conclusions regarding the application of the school district’s code of conduct to the facts;
 - 5. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the school district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the recipient’s education program or activity will be provided by the school district to the complainant; and
 - 6. The school district’s procedures and permissible bases for the complainant and respondent to appeal and the date by which an appeal must be made.
- E. In determining appropriate disciplinary sanctions, the Decision-maker should consider the surrounding circumstances, the nature of the behavior, past incidents or past or continuing patterns of behavior, the relationships between the parties involved, and the context in which the alleged incident occurred.
- F. The written determination of responsibility must be provided to the parties simultaneously.
- G. The Title IX Coordinator is responsible for the effective implementation of any remedies.
- H. The determination regarding responsibility becomes final either on the date that the school district provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

XI. APPEALS

- A. The school district shall offer the parties an opportunity to appeal a determination regarding responsibility or the school district's dismissal of a formal complaint or any allegations therein, on the following bases:
 - 1. A procedural irregularity that affected the outcome of the matter (e.g., a material deviation from established procedures);
 - 2. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
 - 3. The Title IX Coordinator, Investigator, or Decision-maker had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.
- B. If notice of an appeal is timely received by the school district, the school district will notify the parties in writing of the receipt of the appeal, assign or designate the Appellate Decision-maker, and give the parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome.
- C. After reviewing the parties' written statements, the Appellate Decision-maker must issue a written decision describing the result of the appeal and the rationale for the result.
- D. The written decision describing the result of the appeal must be provided simultaneously to the parties.
- E. The decision of the Appellate Decision-maker is final. No further review beyond the appeal is permitted.

XII. RETALIATION PROHIBITED

- A. Neither the school district nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, its implementing regulations, or this policy, or because the individual made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX, its implementing regulations, or this policy, constitutes retaliation. Retaliation against a person for making a report of sexual harassment, filing a formal complaint, or participating in an investigation, constitutes a violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.
- B. Any person may submit a report or formal complaint alleging retaliation in the manner described in this policy and it will be addressed in the same manner as other complaints of sexual harassment or sex discrimination.
- C. Charging an individual with violation of school district policies for making a materially false statement in bad faith in the course of a grievance proceeding under this policy shall not constitute retaliation, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

XIII. TRAINING

- A. The school district shall ensure that Title IX Personnel receive appropriate training. The training shall include instruction on:
 - 1. The Title IX definition of sexual harassment;
 - 2. The scope of the school district's education program or activity;
 - 3. How to conduct an investigation and grievance process, appeals, and informal resolution processes, as applicable;
 - 4. How to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias;
 - 5. For Decision-makers, training on issues of relevance of questions and evidence, including when questions and evidence about the complainant's prior sexual behavior are not relevant; and
 - 6. For Investigators, training on issues of relevance, including the creation of an investigative report that fairly summarizes relevant evidence.
- B. The training materials will not rely on sex stereotypes and must promote impartial investigations and adjudications of formal complaints.
- C. Materials used to train Title IX Personnel must be posted on the school district's website. If the school district does not have a website, it must make the training materials available for public inspection upon request.

XIV. DISSEMINATION OF POLICY

- A. This policy shall be made available to all students, parents/guardians of students, school district employee, and employee unions.
- B. The school district shall conspicuously post the name of the Title IX Coordinator, including office address, telephone number, and work e-mail address on its website and in each handbook that it makes available to parents, employees, students, unions, or applicants.
- C. The school district must provide applicants for admission and employment, students, parents or legal guardians of secondary school students, employees, and all unions holding collective bargaining agreements with the school district, with the following:
 - 1. The name or title, office address, electronic mail address, and telephone number of the Title IX Coordinator;
 - 2. Notice that the school district does not discriminate on the basis of sex in the education program or activity that it operates, and that it is required by Title IX not to discriminate in such a manner;
 - 3. A statement that the requirement not to discriminate in the education program or activity extends to admission and employment, and that inquiries about the application of Title IX may be referred to the Title IX Coordinator, to the Assistant Secretary for Civil Rights of the United States Department of Education, or both; and
 - 4. Notice of the school district's grievance procedures and grievance process contained in this policy, including how to report or file a complaint of sex discrimination, how to report or file a formal complaint of sexual harassment,

and how the school district will respond.

XV. RECORDKEEPING

- A. The school district must create, and maintain for a period of seven (7) calendar years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the school district must document:
 - 1. The basis for the school district’s conclusion that its response to the report or formal complaint was not deliberately indifferent;
 - 2. The measures the school district has taken that are designed to restore or preserve equal access to the school district’s education program or activity; and
 - 3. If the school district does not provide a complainant with supportive measures, then it must document the reasons why such a response was not clearly unreasonable in light of the known circumstances. Such a record must be maintained for a period of seven (7) years.
 - 4. The documentation of certain bases or measures does not limit the recipient in the future from providing additional explanations or detailing additional measures taken.

- B. The school district must also maintain for a period of seven (7) calendar years records of:
 - 1. Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to the recipient’s education program or activity;
 - 2. Any appeal and the result therefrom;
 - 3. Any informal resolution and the result therefrom; and
 - 4. All materials used to train Title IX Personnel.

TITLE IX SEX NONDISCRIMINATION POLICY, GRIEVANCE PROCEDURE AND PROCESS

522

I. GENERAL STATEMENT OF POLICY

- A. The school district does not discriminate on the basis of sex in its education programs or activities, and it is required by Title IX of the Education Amendments Act of 1972, and its implementing regulations, not to discriminate in such a manner. The requirement not to discriminate in its education program or activity extends to admission and employment. The school district is committed to maintaining an education and work environment that is free from discrimination based on sex, including sexual harassment.
- B. The school district prohibits sexual harassment that occurs within its education programs and activities. When the school district has actual knowledge of sexual harassment in its education program or activity against a person in the United States, it shall promptly respond in a manner that is not deliberately indifferent.
- C. This policy applies to sexual harassment that occurs within the school district's education programs and activities and that is committed by a school district employee, student, or other members of the school community. This policy does not apply to sexual harassment that occurs off school grounds, in a private setting, and outside the scope of the school district's education programs and activities. This policy does not apply to sexual harassment that occurs outside the geographic boundaries of the United States, even if the sexual harassment occurs in the school district's education programs or activities.
- D. Any student, parent, or guardian having questions regarding the application of Title IX and its regulations and/or this policy and grievance process should discuss them with the Title IX Coordinator. The school district's Title IX Coordinator(s) is/are:

Todd Tetzlaff, Director of Finance and Human Resources, 651-674-1009, 38705 Grand Ave, North Branch, MN 55056, ttetzlaf@isd138.org

Questions relating solely to Title IX and its regulations may be referred to the Title IX Coordinator(s), the Assistant Secretary for Civil Rights of the United States Department of Education, or both.

- E. The effective date of this policy is August 14, 2020, and applies to alleged violations of this policy occurring on or after August 14, 2020.

II. DEFINITIONS

- A. "Actual knowledge" means notice of sexual harassment or allegations of sexual harassment to the school district's Title IX Coordinator or to any employee of the school district. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only official of the school district with actual

522

knowledge is the respondent.

- B. “Complainant” means a person who is alleged to be the victim of conduct that could constitute sexual harassment under Title IX. A Title IX Coordinator who signs a formal complaint is not a complainant unless the Title IX Coordinator is alleged to be the victim of the conduct described in the formal complaint.
- C. “Day” or “days” means, unless expressly stated otherwise, business days (i.e. day(s) that the school district office is open for normal operating hours, Monday - Friday, excluding State-recognized holidays).
- D. “Deliberately indifferent” means clearly unreasonable in light of the known circumstances. The school district is deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.
- E. “Education program or activity” means locations, events, or circumstances for which the school district exercises substantial control over both the respondent and the context in which the sexual harassment occurs and includes school district education programs or activities that occur on or off of school district property.
- F. “Formal complaint” means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the school district investigate the allegation of sexual harassment.
 - 1. A formal complaint filed by a complainant must be a physical document or an electronic submission. The formal complaint must contain the complainant’s physical or digital signature, or otherwise indicate that the complainant is the person filing the formal complaint, and must be submitted to the Title IX Coordinator in person, by mail, or by email.
 - 2. A formal complaint shall state that, at the time of filing the formal complaint, the complainant was participating in, or attempting to participate in, an education program or activity of the school district with which the formal complaint is filed.
- G. “Informal resolution” means options for resolving a formal complaint that do not involve a full investigation and adjudication. Informal resolution may encompass a broad range of conflict resolution strategies, including mediation or restorative justice.
- H. “Relevant questions” and “relevant evidence” are questions, documents, statements, or information that are related to the allegations raised in a formal complaint. Relevant evidence includes evidence that is both inculpatory and exculpatory. Questions and evidence about the complainant’s sexual predisposition or prior sexual behavior are not relevant, unless such

questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent.

- I. "Remedies" means actions designed to restore or preserve the complainant's equal access to education after a respondent is found responsible. Remedies may include the same individualized services that constitute supportive measures, but need not be non-punitive or non-disciplinary, nor must they avoid burdening the respondent.
- J. "Respondent" means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment under Title IX.
- K. "Sexual harassment" means any of three types of misconduct on the basis of sex that occurs in a school district education program or activity and is committed against a person in the United States:
 - 1. *Quid pro quo* harassment by a school district employee (conditioning the provision of an aid, benefit, or service of the school district on an individual's participation in unwelcome sexual conduct);
 - 2. Unwelcome conduct that a reasonable person would find so severe, pervasive, and objectively offensive that it denies a person equal educational access; or
 - 3. Any instance of sexual assault (as defined in the Clery Act, 20 United States Code section 1092(f)(6)A(v)), dating violence, domestic violence, or stalking (as defined in the Violence Against Women Act, 34 United States Code section 12291).
- L. "Supportive measures" means individualized services provided to the complainant or respondent without fee or charge that are reasonably available, non-punitive, non-disciplinary, not unreasonably burdensome to the other party, and designed to ensure equal educational access, protect safety, and deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, alternative educational services as defined under Minnesota Statutes section 121A.41, as amended, mutual restrictions on contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain areas of the school district buildings or property, and other similar measures.
- M. "Title IX Personnel" means any person who addresses, works on, or assists with the school district's response to a report of sexual harassment or formal complaint, and includes persons who facilitate informal resolutions. The following are considered Title IX Personnel:

TITLE IX SEX NONDISCRIMINATION POLICY, GRIEVANCE PROCEDURE AND PROCESS

522

1. "Title IX Coordinator" means an employee of the school district that coordinates the school district's efforts to comply with and carry out its responsibilities under Title IX. The Title IX Coordinator is responsible for acting as the primary contact for the parties and ensuring that the parties are provided with all notices, evidence, reports, and written determinations to which they are entitled under this policy and grievance process. The Title IX Coordinator is also responsible for effective implementation of any supportive measures or remedies. The Title IX Coordinator must be free from conflicts of interest and bias when administering the grievance process.
2. "Investigator" means a person who investigates a formal complaint. The investigator of a formal complaint may not be the same person as the Decision-maker or the Appellate Decision-maker. The Investigator may be a school district employee, school district official, or a third party designated by the school district.
3. "Decision-maker" means a person who makes a determination regarding responsibility after the investigation has concluded. The Decision-maker cannot be the same person as the Title IX Coordinator, the Investigator, or the Appellate Decision-maker.
4. "Appellate Decision-maker" means a person who considers and decides appeals of determinations regarding responsibility and dismissals of formal complaints. The Appellate Decision-maker cannot be the same person as the Title IX Coordinator, Investigator, or Decision-maker. The Appellate Decision-maker may be a school district employee, or a third party designated by the school district.
5. The superintendent of the school district may delegate functions assigned to a specific school district employee under this policy, including but not limited to the functions assigned to the Title IX Coordinator, Investigator, Decision-maker, Appellate Decision-maker, and facilitator of informal resolution processes, to any suitably qualified individual and such delegation may be rescinded by the superintendent at any time. The school district may also, in its discretion, appoint suitably qualified persons who are not school district employees to fulfill any function under this policy, including, but not limited to, Investigator, Decision-maker, Appellate Decision-maker, and facilitator of informal resolution processes.

III. BASIC REQUIREMENTS FOR GRIEVANCE PROCESS

A. Equitable Treatment

1. The school district shall treat complainants and respondents equitably. However, equality or parity with respect to supportive measures provided to complainants and respondents is not required.

522

2. The school district will not impose any disciplinary sanctions or take any other actions against a respondent that do not constitute supportive measures until it has completed this grievance process and the respondent has been found responsible.
 3. The school district will provide appropriate remedies to the complainant any time a respondent is found responsible.
- B. Objective and Unbiased Evaluation of Complaints
1. Title IX Personnel, including the Title IX Coordinator, Investigator, Decision-maker, and Appellate Decision-maker, shall be free from conflicts of interest or bias for or against complainants or respondents generally or a specific complainant or respondent.
 2. Throughout the grievance process, Title IX Personnel will objectively evaluate all relevant evidence, inculpatory and exculpatory, and shall avoid credibility determinations based solely on a person's status as a complainant, respondent, or witness.
- C. Title IX Personnel will presume that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.
- D. Confidentiality
- The school district will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act (FERPA), 20 United States Code section 1232g, FERPA regulations, 34 Code of Federal Regulations part 99, Minnesota law under Minnesota Statutes section 13.32, or as required by law, or to carry out the purposes of 34 Code of Federal Regulations part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder (i.e., the school district's obligation to maintain confidentiality shall not impair or otherwise affect the complainants and respondents receipt of the information to which they are entitled with respect to the investigative record and determination of responsibility).
- E. Right to an Advisor; Right to a Support Person
- Complainants and respondents have the right, at their own expense, to be assisted by an advisor of their choice during all stages of any grievance proceeding, including all meetings and investigative interviews. The advisor may be, but is not required to be, an attorney. In general, an advisor is not permitted to speak for or on behalf of a complainant or respondent, appear in

lieu of complainant or respondent, participate as a witness, or participate directly in any other manner during any phase of the grievance process.

A complainant or respondent with a disability may be assisted by a support person throughout the grievance process, including all meetings and investigative interviews, if such accommodation is necessary. A support person may be a friend, family member, or any individual who is not otherwise a potential witness. The support person is not permitted to speak for or on behalf of a complainant or respondent, appear in lieu of complainant or respondent, participate as a witness, or participate directly in any other manner during any phase of the grievance process.

F. Notice

The school district will send written notice of any investigative interviews or meetings to any party whose participation is invited or expected. The written notice will include the date, time, location, participants, and purpose of the meeting or interview, and will be provided to allow sufficient time for the party to prepare to participate.

G. Consolidation

The school district may, in its discretion, consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances.

H. Evidence

1. During the grievance process, the school district will not require, allow, rely upon, or otherwise use questions or evidence that constitute or seek disclosure of information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

2. The school district shall not access, consider, disclose, or otherwise use a party's medical, psychological, and similar treatment records unless the school district obtains the party's voluntary, written consent.

I. Burden of Proof

1. The burden of gathering evidence and the burden of proof shall remain upon the school district and not upon the parties.

2. The grievance process shall use a preponderance of the evidence standard (i.e.

522

whether it is more likely than not that the respondent engaged in sexual harassment) for all formal complaints of sexual harassment, including when school district employees are respondents.

J. Timelines

1. Any informal resolution process must be completed within thirty (30) calendar days following the parties' agreement to participate in such informal process.
2. An appeal of a determination of responsibility or of a decision dismissing a formal complaint must be received by the school district within five (5) days of the date the determination of responsibility or dismissal was provided to the parties.
3. Any appeal of a determination of responsibility or of a dismissal will be decided within thirty (30) calendar days of the day the appeal was received by the School District.
4. The school district will seek to conclude the grievance process, including any appeal, within 120 calendar days of the date the formal complaint was received by the School District.
5. Although the school district strives to adhere to the timelines described above, in each case, the school district may extend the time frames for good cause. Good cause may include, without limitation: the complexity of the allegations; the severity and extent of the alleged misconduct; the number of parties, witnesses, and the types of other evidence (e.g., forensic evidence) involved; the availability of the parties, advisors, witnesses, and evidence (e.g., forensic evidence); concurrent law enforcement activity; intervening school district holidays, breaks, or other closures; the need for language assistance or accommodation of disabilities; and/or other unforeseen circumstances.

K. Potential Remedies and Disciplinary Sanctions

1. The following is the range of possible remedies that the school district may provide a complainant and disciplinary sanctions that the school district might impose upon a respondent, following determination of responsibility: counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, mutual or unilateral restrictions on contact between the parties, changes in work locations, leaves of absence, monitoring of certain areas of the school district buildings or property, warning, suspension, exclusion, expulsion, transfer, remediation, termination, or discharge.
2. If the Decision-maker determines a student-respondent is responsible for violating this policy, the Decision-maker will recommend appropriate remedies, including disciplinary

522

sanctions/consequences. The Title IX Coordinator will notify the superintendent of the recommended remedies, such that an authorized administrator can consider the recommendation(s) and implement appropriate remedies in compliance with MSBA Model Policy 506 – Student Discipline. The discipline of a student-respondent must comply with the applicable provisions of Minnesota Pupil Fair Dismissal Act, the Individuals with Disabilities Education Improvement Act (IDEA) and/or Section 504 of the Rehabilitation Act of 1972, and their respective implementing regulations.

IV. REPORTING PROHIBITED CONDUCT

- A. Any student who believes they have been the victim of unlawful sex discrimination or sexual harassment, or any person (including the parent of a student) with actual knowledge of conduct which may constitute unlawful sex discrimination or sexual harassment toward a student should report the alleged acts as soon as possible to the Title IX Coordinator.
- B. Any employee of the school district who has experienced, has actual knowledge of, or has witnessed unlawful sex discrimination, including sexual harassment, or who otherwise becomes aware of unlawful sex discrimination, including sexual harassment, must promptly report the allegations to the Title IX Coordinator without screening or investigating the report or allegations.
- C. A report of unlawful sex discrimination or sexual harassment may be made at any time, including during non-business hours, and may be made in person, by mail, by telephone, or by e-mail using the Title IX Coordinator's contact information. A report may also be made by any other means that results in the Title IX Coordinator receiving the person's verbal or written report.
- D. Sexual harassment may constitute both a violation of this policy and criminal law. To the extent the alleged conduct may constitute a crime, the School District may report the alleged conduct to law enforcement authorities. The school district encourages complainants to report criminal behavior to the police immediately.

V. INITIAL RESPONSE AND ASSESSMENT BY THE TITLE IX COORDINATOR

- A. When the Title IX Coordinator receives a report, the Title IX Coordinator shall promptly contact the complainant confidentially to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.
- B. The school district will offer supportive measures to the complainant whether or not the complainant decides to make a formal complaint. The school district must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the school district's ability to provide the

522

supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

- C. If the complainant does not wish to file a formal complaint, the allegations will not be investigated by the school district unless the Title IX Coordinator determines that signing a formal complaint to initiate an investigation over the complainant's wishes is not clearly unreasonable in light of the known circumstances.
- D. Upon receipt of a formal complaint, the school district must provide written notice of the formal complaint to the known parties with sufficient time to prepare a response before any initial interview. This written notice must contain:
 - 1. The allegations of sexual harassment, including sufficient details known at the time, the identities of the parties involved in the incident (if known), the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident, if known;
 - 2. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility will be made at the conclusion of the grievance process;
 - 3. A statement explaining that the parties may have an advisor of their choice, who may be, but is not required to be, an attorney;
 - 4. A statement that the parties may inspect and review evidence gathered pursuant to this policy;
 - 5. A statement informing the parties of any code of conduct provision that prohibits knowingly making false statements or knowingly submitting false information; and
 - 6. A copy of this policy.

VI. STATUS OF RESPONDENT DURING PENDENCY OF FORMAL COMPLAINT

- A. Emergency Removal of a Student
 - 1. The school district may remove a student-respondent from an education program or activity of the school district on an emergency basis before a determination regarding responsibility is made if:
 - a. The school district undertakes an individualized safety and risk analysis;

- b. The school district determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal of the student-respondent; and
- c. The school district determines the student-respondent poses such a threat, it will so notify the student-respondent and the student-respondent will have an opportunity to challenge the decision immediately following the removal. In determining whether to impose emergency removal measures, the Title IX Coordinator shall consult related school district policies, including MSBA Model Policy 506 – Student Discipline. The school district must take into consideration applicable requirements of the Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act of 1973, prior to removing a special education student or Section 504 student on an emergency basis.

B. Employee Administrative Leave

The school district may place a non-student employee on administrative leave during the pendency of the grievance process of a formal complaint. Such leave will typically be paid leave unless circumstances justify unpaid leave in compliance with legal requirements. The school district must take into consideration applicable requirements of Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act prior to removing an individual with a qualifying disability.

VII. INFORMAL RESOLUTION OF A FORMAL COMPLAINT

- A. At any time prior to reaching a determination of responsibility, informal resolution may be offered and facilitated by the school district at the school district's discretion, but only after a formal complaint has been received by the school district.
- B. The school district may not require as a condition of enrollment or continued enrollment, or of employment or continued employment, or enjoyment of any other right, waiver of the right to a formal investigation and adjudication of formal complaints of sexual harassment.
- C. The informal resolution process may not be used to resolve allegations that a school district employee sexually harassed a student.
- D. The school district will not facilitate an informal resolution process without both parties' agreement, and will obtain their voluntary, written consent. The school district will provide to the parties a written notice disclosing the allegations, the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations, the parties' right to withdraw from the informal

522

resolution process, and any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.

- E. At any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint.

VIII. DISMISSAL OF A FORMAL COMPLAINT

- A. Under federal law, the school district must dismiss a Title IX complaint, or a portion thereof, if the conduct alleged in a formal complaint or a portion thereof:
 - 1. Would not meet the definition of sexual harassment, even if proven;
 - 2. Did not occur in the school district's education program or activity; or
 - 3. Did not occur against a person in the United States.
- B. The school district may, in its discretion, dismiss a formal complaint or allegations therein if:
 - 1. The complainant informs the Title IX Coordinator in writing that the complainant desires to withdraw the formal complaint or allegations therein;
 - 2. The respondent is no longer enrolled or employed by the school district; or
 - 3. Specific circumstances prevent the school district from gathering sufficient evidence to reach a determination.
- C. The school district shall provide written notice to both parties of a dismissal. The notice must include the reasons for the dismissal.
- D. Dismissal of a formal complaint or a portion thereof does not preclude the school district from addressing the underlying conduct in any manner that the school district deems appropriate.

IX. INVESTIGATION OF A FORMAL COMPLAINT

- A. If a formal complaint is received by the School District, the school district will assign or designate an Investigator to investigate the allegations set forth in the formal complaint.
- B. If during the course of the investigation the school district decides to investigate any allegations about the complainant or respondent that were not included in the written notice of a formal complaint provided to the parties, the school district must provide notice of the additional allegations to the known parties.

- C. When a party's participation is invited or expected in an investigative interview, the Investigator will coordinate with the Title IX Coordinator to provide written notice to the party of the date, time, location, participants, and purposes of the investigative interview with sufficient time for the party to prepare.
- D. During the investigation, the Investigator must provide the parties with an equal opportunity to present witnesses for interviews, including fact witnesses and expert witnesses, and other inculpatory and exculpatory evidence.
- E. Prior to the completion of the investigative report, the Investigator, through the Title IX Coordinator, will provide the parties and their advisors (if any) with an equal opportunity to inspect and review any evidence directly related to the allegations. The evidence shall be provided in electronic format or hard copy and shall include all relevant evidence, evidence upon which the school district does not intend to rely in reaching a determination regarding responsibility, and any inculpatory or exculpatory evidence whether obtained from a party or another source. The parties will have ten (10) days to submit a written response, which the Investigator will consider prior to completion of the investigative report.
- F. The Investigator will prepare a written investigative report that fairly summarizes the relevant evidence. The investigative report may include credibility determinations that are not based on a person's status as a complainant, respondent or witness. The school district will send the parties and their advisors (if any) a copy of the report in electronic format or hard copy, for their review and written response at least ten (10) days prior to a determination of responsibility.

X. DETERMINATION REGARDING RESPONSIBILITY

- A. After the school district has sent the investigative report to both parties and before the school district has reached a determination regarding responsibility, the Decision-maker must afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness.
- B. The Decision-maker must provide the relevant questions submitted by the parties to the other parties or witnesses to whom the questions are offered, and then provide each party with the answers, and allow for additional, limited follow-up questions from each party.
- C. The Decision-maker must explain to the party proposing the questions any decision to exclude a question as not relevant.
- D. When the exchange of questions and answers has concluded, the Decision-maker must issue a written determination regarding responsibility that applies the preponderance of the evidence standard to the facts and circumstances of the formal complaint. The written determination of responsibility must include the following:

522

1. Identification of the allegations potentially constituting sexual harassment;
 2. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather other evidence;
 3. Findings of fact supporting the determination;
 4. Conclusions regarding the application of the school district's code of conduct to the facts;
 5. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the school district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the recipient's education program or activity will be provided by the school district to the complainant; and
 6. The school district's procedures and permissible bases for the complainant and respondent to appeal and the date by which an appeal must be made.
- E. In determining appropriate disciplinary sanctions, the Decision-maker should consider the surrounding circumstances, the nature of the behavior, past incidents or past or continuing patterns of behavior, the relationships between the parties involved, and the context in which the alleged incident occurred.
- F. The written determination of responsibility must be provided to the parties simultaneously.
- G. The Title IX Coordinator is responsible for the effective implementation of any remedies.
- H. The determination regarding responsibility becomes final either on the date that the school district provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

XI. APPEALS

- A. The school district shall offer the parties an opportunity to appeal a determination regarding responsibility or the school district's dismissal of a formal complaint or any allegations therein, on the following bases:
1. A procedural irregularity that affected the outcome of the matter (e.g., a material deviation from established procedures);

522

2. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
 3. The Title IX Coordinator, Investigator, or Decision-maker had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.
- B. If notice of an appeal is timely received by the school district, the school district will notify the parties in writing of the receipt of the appeal, assign or designate the Appellate Decision-maker, and give the parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome.
- C. After reviewing the parties' written statements, the Appellate Decision-maker must issue a written decision describing the result of the appeal and the rationale for the result.
- D. The written decision describing the result of the appeal must be provided simultaneously to the parties.
- E. The decision of the Appellate Decision-maker is final. No further review beyond the appeal is permitted.

XII. RETALIATION PROHIBITED

- A. Neither the school district nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, its implementing regulations, or this policy, or because the individual made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX, its implementing regulations, or this policy, constitutes retaliation. Retaliation against a person for making a report of sexual harassment, filing a formal complaint, or participating in an investigation, constitutes a violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.
- B. Any person may submit a report or formal complaint alleging retaliation in the manner described in this policy and it will be addressed in the same manner as other complaints of sexual harassment or sex discrimination.
- C. Charging an individual with violation of school district policies for making a materially false

522

statement in bad faith in the course of a grievance proceeding under this policy shall not constitute retaliation, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

XIII. TRAINING

- A. The school district shall ensure that Title IX Personnel receive appropriate training. The training shall include instruction on:
1. The Title IX definition of sexual harassment;
 2. The scope of the school district's education program or activity;
 3. How to conduct an investigation and grievance process, appeals, and informal resolution processes, as applicable;
 4. How to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias;
 5. For Decision-makers, training on issues of relevance of questions and evidence, including when questions and evidence about the complainant's prior sexual behavior are not relevant; and
 6. For Investigators, training on issues of relevance, including the creation of an investigative report that fairly summarizes relevant evidence.
- B. The training materials will not rely on sex stereotypes and must promote impartial investigations and adjudications of formal complaints.
- C. Materials used to train Title IX Personnel must be posted on the school district's website. If the school district does not have a website, it must make the training materials available for public inspection upon request.

XIV. DISSEMINATION OF POLICY

- A. This policy shall be made available to all students, parents/guardians of students, school district employee, and employee unions.
- B. The school district shall conspicuously post the name of the Title IX Coordinator, including office address, telephone number, and work e-mail address on its website and in each handbook that it makes available to parents, employees, students, unions, or applicants.

- C. The school district must provide applicants for admission and employment, students, parents or legal guardians of secondary school students, employees, and all unions holding collective bargaining agreements with the school district, with the following:
1. The name or title, office address, electronic mail address, and telephone number of the Title IX Coordinator;
 2. Notice that the school district does not discriminate on the basis of sex in the education program or activity that it operates, and that it is required by Title IX not to discriminate in such a manner;
 3. A statement that the requirement not to discriminate in the education program or activity extends to admission and employment, and that inquiries about the application of Title IX may be referred to the Title IX Coordinator, to the Assistant Secretary for Civil Rights of the United States Department of Education, or both; and
 4. Notice of the school district's grievance procedures and grievance process contained in this policy, including how to report or file a complaint of sex discrimination, how to report or file a formal complaint of sexual harassment, and how the school district will respond.

XV. RECORDKEEPING

- A. The school district must create, and maintain for a period of seven calendar years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the school district must document:
1. The basis for the school district's conclusion that its response to the report or formal complaint was not deliberately indifferent;
 2. The measures the school district has taken that are designed to restore or preserve equal access to the school district's education program or activity; and
 3. If the school district does not provide a complainant with supportive measures, then it must document the reasons why such a response was not clearly unreasonable in light of the known circumstances. Such a record must be maintained for a period of seven years.
 4. The documentation of certain bases or measures does not limit the recipient in the future from providing additional explanations or detailing additional measures taken.
- B. The school district must also maintain for a period of seven calendar years records of:
