Mission

The entire East Moline District #37 community will prepare all students to become life-long learners who are productive, responsible members of a global society.

**Regular Meeting
Monday, May 18, 2026
6:00 PM
Glenview Middle School
3100 7th Street
East Moline, IL 61244**

Agenda

- I. **Call to Order**
- II. **Roll Call**
- III. **Communications**
Jade Swineheart and family thanked the board for the memorial plant that was sent.
- IV. **Public Comment**
At this time The Board of Education will provide a period for public comment to hear the views of the community. This is a time for the Board to listen; members will not engage in dialogue or respond to comments during the public meeting. Time allowed will be limited to three minutes for each individual, unless waived by the President. All individuals who wish to address the Board of Education must sign up in advance. The President may limit the opportunity to address the Board in cases where a person has previously addressed the Board on the same or related subject. Issues brought to the Board prior to being channeled through the proper chain of command will be referred back to the appropriate level.
- V. **FOIA Requests**
The Board of Education received FOIA requests from Rock Island Today, Employee Research Data LLC, Sunlight Access, and 3 from The Data Research Team, and they were responded to in the appropriate time frame.

Rock Island County, Illinois

MEMORANDUM

To: Board of Education
 Fr: Casey Kyser
 Date: May 18, 2026
 Re: 2025-2026 Tentative Amended Budget

The purpose of the amended budget is to align our initial projections with actual finalized revenues, state-level funding shifts, necessary operational adjustments and to reflect any carryover and final allocations in all federal and state grants.

2025-2026 Summary of Budget Amendments			
Fund	Category	Adjustment Type	Description
Educational	Revenue	Decrease	Reduced CPPRT (Corporate Personal Property Replacement Tax) revenue from the State of Illinois.
Educational	Revenue & Expense	Update	Grants updated for exact Oct/Nov carryover allocations (balanced budget impact where Revenues = Expenses).
Educational	Revenue & Expense	Reallocation	Wi-Fi Sub-Fund: Updated to reflect the Connect IL Grant and reallocated existing expenses.
Operations & Maintenance	Revenue	Decrease	Reduced CPPRT revenue and lower interest received.
Operations & Maintenance	Expense	Increase	Increased expenditures due to electric rate volatility, facility repairs, and community Wi-Fi partnership fees.
Transportation	Revenue	Decrease	State reimbursements for Regular and Special Ed were pro-rated lower than budgeted.
Transportation	Expense	Decrease	Expenditures are currently tracking slightly lower than projected.
Working Cash	Revenue	Increase	Received funding infusion via a strategic bond issuance.
Working Cash	Expense / Transfer	Decrease (Transfer Out)	Executed permanent transfers out to Operations & Maintenance (O&M) and Transportation.
Capital Projects	Revenue & Expense	Increase	Received bond issuance for RW building renovations and elementary playground equipment.
Capital Projects	Revenue & Expense	Increase	Captured revenue from the sale of two district building and allocated costs to be paid from the proceeds
IMRF / SS	Revenue	Decrease	Reduced revenue from state CPPRT shortfall.
Tort	Revenue & Expense	Increase	Small revenue and expense increases to accurately align with actual costs.

Revenue Adjustments

Statewide Revenue Shortfalls & Allocation Impacts

- Corporate Personal Property Replacement Tax (CPPRT) Shortfall: This revenue source came in lower than the initial projections provided by the State of Illinois. Because CPPRT is a shared allocation, this reduction directly created a revenue shortfall across five interconnected funds: Education, Operations & Maintenance, Transportation, IMRF/SS, Tort Fund
- State Proration of Regular and Special Ed transportation: In August/Sept when preparing the budget, the State of Illinois provides an estimated revenue budget for the regular and special ed transportation which is reflected in the original budget. Later in the budget year, the State of

Illinois prorates the revenue which causes the projected revenue to come in less than budgeted. In 2025-2026, regular transportation is prorated at 76% and special transportation at 60%

Expenditure Adjustments

Operations & Maintenance

- Electric Charges: Expenditures exceeded the initial budget due to unforeseen fluctuations in electrical utility rates and usage.
- Repair Costs: The district experienced unanticipated, urgent facility repair costs that outpaced routine maintenance projections
- Community Wi-Fi contributions: Increased costs to support the community Wi-Fi initiative

Capital Projects

- Added revenue for the bond issuance proceeds and expenses for the RW building renovations and playground project.
- Added revenue from the sale of EMEC and Hoffman and expenses for the projects to be funded from the sales.

Tort

- Increases to few expense budgets to align with actual

Working Cash

- Working Cash bond revenue and permanent transfers to O&M and Transportation Fund

Wi-fi (sub account of Education Fund)

- Increased revenues to reflect actual received from Connect IL State Grant

Permanent Working Cash Transfers

To structurally counteract the statewide CPPRT deficit and the operational overages within the O&M & Transportation funds, the district will execute formal, permanent transfers from the Working Cash Fund to the impacted funds. This strategic action accomplishes three core objectives for the district:

- Deficit Elimination: Directly covers the revenue gaps within the O&M and Transportation Funds
- Cash Flow Preservation: Replenishes and maintains baseline fund balances to help with cash flow
- Debt Avoidance: Eliminates the administrative burden of processing temporary inter-fund loans from the Working Cash Fund.

Online Instructions

Please follow these four easy steps to log in to **PRESS**:

- Go to www.iasb.com and click on the  button on the top navigation.
- Enter your email address and password.
 - If you do not know your password, do not create a new account; reset your password using your district email address. Use the "forgot your password?" link. Make sure to check your spam folder for an email from info@iasb.com, if you do not see it in your email inbox.
 - If you are still having difficulty logging in, please contact your District's Superintendent or Administrative Assistant to make sure you are listed as an authorized user on the District Roster.
 - If you continue to have difficulty signing on to www.iasb.com, please contact Michael Ifkovits at mifkovits@iasb.com.
- Click the  button on the top navigator bar. This will bring you to your account page
- Under "**Quick Links**," click on "**PRESS Login**."

This publication is designed to provide information only and is not a substitute for legal advice from the Board Attorney. If you have any questions, please contact Debra Jacobson, Associate General Counsel and **PRESS** Editor, djacobson@iasb.com; Jeremy Duffy, IASB Deputy Executive Director/General Counsel and Assistant **PRESS** Editor, jduffy@iasb.com; Maryam Brotine, Associate General Counsel and Assistant **PRESS** Editor, mbrotine@iasb.com; or Megan Mikhail, Assistant General Counsel and Assistant **PRESS** Editor, mmikhail@iasb.com.

Please share this **PRESS** Update Memo with all board members and appropriate staff.

Two other important components of **PRESS** may be viewed and downloaded from **PRESS Online**: Committee Worksheets and the updated Policy Reference Manual (PRM) pages.

The Committee Worksheets, found by selecting a **PRESS Issue** at the top of the **PRESS Online** Table of Contents, show suggested changes to **PRESS** material by striking out deleted words and underscoring new words, a.k.a. "tracked changes."

Updated **PRM** pages can be found in the IASB POLICY REFERENCE MANUAL Table of Contents. For visual instruction about how to download and use **PRM** pages to update your policy manual, please go to www.iasb.com/policy/ to view the **PRESS** video tutorial located under the header entitled: **PRESS – Policy Reference Education Subscription Service**.

PRESS Bundles

Each bundle summarizes the global reasons for changes to all materials that are listed.

Specific details about how each piece of material changed, e.g., legislation, administrative rules, **PRESS** Advisory Board feedback, quality assurance, five-year review items, etc., are explained in numerical order in the **Revisions to Policies, Administrative Procedures, and Exhibits** table (Revisions Table) beginning on p. 6.

Please spend time reviewing the **PRESS** Online Committee Worksheets for these materials, which will provide further, more on-the-spot detailed explanations in the footnotes, along with added comment boxes by the **PRESS** Editors when necessary.

Open Meetings Act and Freedom of Information Act

During the veto session, the 104th General Assembly passed legislation that amended the Open Meetings Act (OMA) and the Freedom of Information Act (FOIA). Public Act 104-438 adds “performance of active military duty as a service member” to the reasons a board member may attend a meeting remotely under OMA, and it prohibits boards from holding regular or special meetings on election days. P.A. 104-438 also adds “regional” to the types of association representatives that a public body can meet with in closed session to discuss self-evaluation, practices and procedures, or professional ethics. However, as we explained in the **PRESS** Issue 120 Update Memo, IASB is advocating for trailer bills (House Bill 4176 and Senate Bill 2715) that would remove or amend “regional” based on IASB’s concerns about ambiguity and legal risk, potential governance conflicts, and a lack of any demonstrated need for the expansion of this exception. Because we anticipate that this closed meeting exception could be amended again, this specific change is not reflected in the materials updated for this issue.

FOIA was amended by P.A. 104-438 in response to concerns about cyberattacks and requests generated by artificial intelligence. It now requires requesters to: (1) put their requests in the body of an email rather than in attachments, and (2) verify they are a person if a district has reason to believe they are not a person and requests the verification.

The following **PRESS** materials are updated in response to this legislation:

- 2:140-E, Guidance for Board Member Communications, Including Email Use
- 2:200, Types of School Board Meetings
- 2:220, School Board Meeting Procedure
- 2:250, Access to District Public Records
- 2:250-AP1, Access to and Copying of District Public Records
- 2:250-AP2, Protocols for Record Preservation and Development of Retention Schedules
- 2:250-E2, Immediately Available District Public Records and Web-Posted Reports and Records

Personnel

In response to concerns regarding the impact of federal immigration enforcement on employment, the General Assembly passed P.A. 104-455 during the veto session. It adds protections for employees if their employer receives a *no match* letter from a federal agency regarding a discrepancy in the individual’s identifying documents. Districts should consult their legal counsel if they receive such a letter to ensure compliance with the new requirements.

Also in the area of personnel, P.A. 104-259, effective 6-1-26, creates a new unpaid leave entitlement for employees whose child is a patient in a neonatal intensive care unit. This leave is in addition to leave that may also be available to employees under the federal Family and Medical Leave Act.

PRESS Terminology

What are the meanings of the “AP” and “E” after certain policy numbers?

The **PRESS Policy Reference Manual (PRM)** is an encyclopedia of sample board policies, administrative procedures, and exhibits. They are all in numerical order for easy reference. **PRESS** recommends that local school districts maintain separate board policy and administrative procedure manuals to help distinguish for the board, staff, students, parents, and community members, the distinction between board documents and staff documents, board work, and staff work.

Policy. The board develops policies with input from various sources like district administrators, the board attorney, and **PRESS** materials. The board then formally adopts the policies, often after more than one consideration.

After adoption by the board, each policy should have an adoption date.

Administrative Procedures. Administrative procedures are developed by the superintendent, administrators, and/or other district staff members. The staff develops the procedures that guide implementation of the policies. Administrative procedures are not adopted by the board, which allows the superintendent and staff the flexibility they need to keep the procedures current. **PRESS** sample procedures are numbered to correspond with the policies that they implement for easy reference. For example, policy 6:190’s related administrative procedure is 6:190-AP.

Administrative procedures should be dated for implementation by the administrative staff and kept separately from the board policy manual.

Exhibits. Both board policies and administrative procedures may have related exhibits. Exhibits provide information and forms intended to be helpful to the understanding or implementation of either a board policy or administrative procedure, and they do not require formal board adoption. **PRESS** sample exhibits are numbered to correspond to the related board policy or administrative procedure. For example, Board Policy 2:70 has a related exhibit numbered 2:70-E. Administrative procedure 7:340-AP1 has a related exhibit numbered 7:340-AP1, E.

Exhibits labeled with an “E” may provide guidance for board work or staff work. Those providing guidance for board work should be dated for implementation by the board. Those providing guidance for the staff should be dated for implementation by the administrative staff.

Administrative procedures exhibits, always labeled with the “AP, E” format, should be dated for implementation by the administrative staff.

The following **PRESS** materials are updated in response to these legal updates:

5:30, Hiring Process and Criteria

5:30-AP2, Investigations

5:250, Leaves of Absence

5:330, Sick Days, Vacation, Holidays, and Leaves

Student Records

In connection with the establishment of Illinois' *One Click College Admit* program, P.A. 104-15 expands the types of high school student directory information that school districts must share with military recruiters, State public institutions of higher education, and the Illinois Student Assistance Commission through a centralized data system. Beginning 7-1-26, these entities will have access to student birth dates, in addition to other directory information previously shared with them. Districts still need to provide parents/guardians with the opportunity to opt their children out of the release of this information.

The following **PRESS** materials are updated:

7:340-AP1, School Student Records

7:340-AP1, E1, Notice to Parents/Guardians and Students of Their Rights Concerning a Student's School Records

7:340-AP1, E3, Letter to Parents and Eligible Students Concerning Military Recruiters and Postsecondary Institutions Receiving Student Directory Information

7:340-AP1, E4, Frequently Asked Questions Regarding Military Recruiter Access to Students and Student Information

School Code Article 27 Reorganization (Continued)

P.A. 104-391, which passed during the 2025 spring legislative session, renumbered and reorganized many provisions in Article 27 of the School Code, which addresses instruction. Many items affected by P.A. 104-391 were updated in **PRESS** Issue 120, but due to the sheer volume of materials impacted, we continue to update materials in this issue.

The following **PRESS** materials are updated:

2:260, Uniform Grievance Procedure

2:265, Title IX Grievance Procedure

4:140-E4, Resolution to Increase Driver Education Fees

4:165, Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors

5:50, Drug- and Alcohol-Free Workplace, E-Cigarette, Tobacco, and Cannabis Prohibition

5:90-AP1, Coordination with Children's Advocacy Center

Title I Parent and Family Engagement

The federal Elementary and Secondary Education Act requires each district receiving Title I funds to develop, jointly with parents and family members of participating children, a written parent and family engagement policy. 20 U.S.C. §6318. This requirement has long been met through **PRESS** sample policy 6:170, *Title I Programs*, which mandates that the superintendent or designee develop district- and school-level parent and family engagement plans. Suggested components for these plans are contained in sample exhibits 6:170-AP1, E1, *District-Level Parent and Family Engagement Plan*, and 6:170-AP1, E2, *School-Level Parent and Family Engagement Plan*, which have both been renamed to more closely align with federal statutes and guidance, as well as terminology used by the Ill. State Board of Education (ISBE). These plans are incorporated into the policy by reference.

In January 2025, the U.S. Dept. of Education issued revised non-regulatory guidance titled *Parent and Family Engagement*,

which contains a sample template for a district-wide parent engagement policy and a sample template for a school-parent compact. Sample policy 6:170, *Title I Programs*, and its accompanying materials have been updated to ensure compatibility with the sample templates in Parent and Family Engagement and for continuous improvement.

Districts receiving a Title I, Part A allocation that are required to submit proof of parent and family engagement (PFE) compliance to ISBE as part of their FY 2027 Consolidated District Plan (CDP) will need to submit their adopted policy 6:170, *Title I Programs*, and both exhibits 6:170-AP1, E1, *District-Level Parent and Family Engagement Plan*, and 6:170-AP1, E2, *School-Level Parent and Family Engagement Plan*. Please note that the plans must be customized to reflect the district's actual Title I parent and family engagement activities. At the end of March, ISBE will offer a recorded webinar on CDPs that will include additional information on Title I requirements.

The following **PRESS** materials are updated:

- 6:170, Title I Programs
- 6:170-AP1, Checklist for Development, Implementation, and Maintenance of Parent and Family Engagement Compacts for Title I Programs
- 6:170-AP1, E1, District-Level Parent and Family Engagement PlanCompact – **RENAMED**

- 6:170-AP1, E2, School-Level Parent and Family Engagement PlanCompact – **RENAMED**
- 6:170-AP2, Notice to Parents Required by Elementary and Secondary Education, McKinney-Vento Homeless Assistance, and Protection of Pupil Rights Laws – **REFORMATTED**

Five-Year Reviews

PRESS Editors have a quality assurance goal to ensure that a review of each piece of the 1500+ page IASB **PRESS PRM** occurs once every five years. The **PRM** contains approximately 480 separate pieces of material, including policies, administrative procedures, and related exhibits.

The following **PRESS** materials are updated:

<p>Duplicate Citations for 105 ILCS 5/22-105 Will Be Addressed in General Revisory Bill</p> <p>Senate Bill 3731 has been filed in part to fix duplicate citations to 105 ILCS 5/22-105. The change in numbering will occur in the <i>Safe Schools For All Act</i>, which is proposed to change to 105 ILCS 5/22-106. Instances of this citation for the <i>Safe Schools for All Act</i> within the materials for Issue 121 include the phrase “(final citation pending).”</p>	<p>Affected PRESS materials, including sample policy 6:145, <i>Migrant Students</i>, and materials in the 7:150 suite, will be updated in the fall issue.</p>

Certain **PRM** materials in a **PRESS** Issue may be labeled in the **PRESS** Bundles, Revisions Table, and Committee Worksheets with one or more of the following categories:

NEW. This material is brand new to the **PRM**.

DELETED. This material has been deleted from the **PRM**.

RENUMBERED. This material has been assigned a new number within the **PRM**, usually due to the addition of **NEW** material.

RENAMED. The title of the material has been amended.

REWRITTEN. The material has undergone significant revisions. To preserve the readability of the Committee Worksheets, suggested changes are not shown as tracked changes.

REFORMATTED. Non-substantive changes in formatting, e.g., list renumbering, have been applied for consistency throughout the **PRM**. To preserve the readability of the Committee Worksheets, such formatting changes are not reflected as tracked changes.

***PRM Style Update Note:** For purposes of continuous improvement, the **PRESS** editors are working to improve consistency in the use of italics across the **PRM**. Generally, italics are utilized in the **PRM** to indicate:

- the first instance of a term of art or defined term in a material
- when a term is actually being defined
- **PRM** material titles
- names of publications and government programs
- laws with colloquial names (*a/k/a*)
- emphasis of a particular word or phrase
- instructions within the body of a material

Specific changes to the italicization of words in the body of a particular policy, procedure, or exhibit are not addressed in the Revisions Table, but they can be found in the Committee Worksheets available at **PRESS** Online.

The associate superintendent, the director of data and accountability, the director of digital learning, the EL director, and the special education director have met during the 2025-26 SY to align resources, funding, and coordinated planning for the Comprehensive District Plan. Although each director will be in charge of submitting the different grant applications, it will be the associate superintendent who will be responsible for coordinating and planning all of the federal grants. Although state and local funds are limited due to a low tax base, the district uses these funds to support the maintenance of the district, provide free transportation and registration for all students, and funds the majority of certified and classified positions. We use Title I, II, III, IV, and IDEA to allow students the access to the highest levels of curricular materials, programs to meet the needs of the whole child (academic, socio-emotional, STEM, and fine arts), and provide professional development for all district stakeholders to do their jobs at the highest level to serve all students from gifted to struggling learners. We use these funds to supplement the state and local resources.

This year, we conducted a thorough needs assessment to identify areas for improvement and strategically allocate resources for student success. We utilized a multi-pronged approach, gathering valuable insights from various stakeholders. Building on the goals set by our Strategic Planning Committee, we conducted town hall meetings earlier this year. This allowed us to gather direct feedback from parents, community members, and staff. Additionally, a staff survey provided specific details on their professional development needs for the upcoming school year. In addition we used student achievement data (STAR and IAR), building school improvement plans, ESSA site-based expenditure data, and Five Essentials Survey data to determine needs.

Staff surveys for staff development for the upcoming year along with data/information collected from the strategic planning committee. A survey about district communication and chromebook policies were also given to all stakeholders to determine next steps with communication policies and chromebook policies. Feedback from the district's Parent Advisory group and BPAC were also collected.

2. For each program for which funding is anticipated, provide a summary of the needs assessment results. Include the program goal(s) identified through the needs assessment process, as applicable.*

- Identify areas of need related to student achievement, subgroup performance, and resource inequities.
- Include any additional information relevant to this planning document. Provide targeted responses where noted.
- Describe how the needs assessment information will be used for identifying program goals and planning grant activities for each program as applicable.

A. Title I, Part A - Improving Basic Programs

Identify needs assessment results, including programs and activities planned as a result of the needs assessment, a description of strategies for closing any achievement gaps, key professional development opportunities for teachers and principals, and nonpublic equitable share (if applicable)

After reviewing achievement data with all district curriculum committees, district achievement goals were set. In addition the Strategic Planning Committee identified literacy as one of the district's priorities. Achievement goals were set for STAR proficiency in both Early Literacy and Reading. A goal of 43% of students would be proficient in Early Literacy. For Reading a goal of 43% of students would be proficient. MATH proficiency is also a goal: STAR proficiency in math goal is 39%. The district also identified achievement gaps in students with IEPs compared to non-IEP students and between black and white students. Goals were set to reduce the achievement gap on IAR as follows: all subgroups of EL, sped, and African American students will grow by 5%. Math and ELA professional development will continue as well as support on how to meet the needs of students who have special education needs or students who may be culturally different from the teaching staff. Staff were able to identify areas of professional development needs: Literacy, SEL support, MTSS (meeting the needs of all students through a multi-tiered system of supports), student engagement and motivation, and closing the achievement gap.

B. Title I, Part A - School Improvement Part 1003

In the fall of 2025, all elementary schools received the designation of "commendable" from the state of Illinois. The one middle school, Glenview Middle School, received the designation of Comprehensive. On examining the middle school student achievement data for the 2024-2025 SY, it was found that special education students are not achieving in line with other student sub-groups. Glenview Middle School spent the last four school years working on a plan for this sub-group as we were in the Targeted Designation group. A team from Glenview including the Associate Superintendent have met with the ISBE consultant to analyze data from the American Institutes for Research (AIR) and a school level needs assessment to determine needs. Glenview spent the 25-26 school year focused on academic language and student engagement. In addition, the district has partnered with our local ROE to address math, literacy, and SEL needs across the district.

C. Title I, Part D - Delinquent**D. Title I, Part D - Neglected****E. Title I, Part D - State Neglected/Delinquent**

F. Title II, Part A - Preparing, Training, and Recruiting

Identify needs assessment results, including programs and activities planned as a result of the needs assessment, a description of strategies for closing any achievement gaps, reducing class size, key professional development opportunities for teachers and principals, and nonpublic equitable share (if applicable).

We take Title II funds and place them in Title I. As mentioned in Title I, Part A, identifying achievement gaps has been noted. Professional development will focus on increasing the instructional practices of all staff members (including principals and paraprofessionals), providing support to increase the effectiveness of math, ELA, and science instruction, ways to improve the culture and climate in all buildings (including cultural competency and SEL), and meeting the needs of all students through rigorous, differentiated supports within the classroom. We will also focus on changing our instructional approach with our instructional specialists/coaches as we continue to utilize a model of coaching that is centered around student achievement.

G. Title III - LIEP

EMSD annually assesses the English language proficiency, including listening comprehension, speaking, reading, and writing skills, of all English learners in kindergarten and any of grades 1 through 8 (Section 14C-3 of the School Code) using ACCESS for ELs. For the 2024-2025 ACCESS test administration, the district saw an 4.5% EL Exit rate (state rate was 7.1%). The district needs assessment identified support for EL as a moderate challenge, the district will utilize LIEP funding to implement supplemental EL instruction, and continue to acquire native language resources for existing bilingual programs in Arabic, French, Ewe, Chin, and Spanish. To effectively close achievement gaps, educators will utilize culturally and linguistically responsive practices focused on writing, foundational reading, and the continuous development of strong expressive and receptive language skills. This ensures all EL students receive equitable support and access to rigorous, grade-level material across every content area. These instructional strategies are directly reinforced by targeted professional development for teachers and principals focused on deepening their understanding in working with EL students.

H. Title III - ISEP

With a growing number of immigrant students enrolling through the 2025-2026 school year, we are seeing an increased need for direct support. We will use these funds to purchase extra learning materials, provide additional student afterschool tutoring, and host family literacy events and workshops tailored to family needs. We will partner with families to ensure our immigrant students can successfully navigate school expectations and meet district and state academic benchmarks.

I. Title IV, Part A - Student Support and Academic Enrichment

Identify needs assessment results, including programs and activities planned as a result of the needs assessment, a description of strategies for closing any achievement gaps through well-rounded education, improving school conditions for student learning and improving the use of technology, and nonpublic equitable share (if applicable).

The district places Title IV-A in the Title I account. Although this money is in Title I, we do place a high emphasis on developing effective SEL programming for all students so that they are healthy mentally. This was a part of the staff and parent surveys. STEM programming is also an area of focus to help students be ready for high school since we are a PreK-8 district. Ultimately, STEM will prepare students to be college and career ready. Programming for at-risk students will be a part of the Title I grant as well as offering opportunities for students who are academically talented.

J. Title V, Part B - Rural and Low Income Schools

K. IDEA, Part B - Flow-Through [1]

In a needs assessment conducted by BHASED, our local cooperative, the district identified positive growth in district programs and meeting Indicator 5C. Funding will go to continue this support and keep students in district schools. While meeting indicator 5A, funds will go toward the continued support and education for staff on inclusive practices, co-teaching, and behavior support to continue supporting and growing students in their least restrictive environment. The needs assessment identified professional development interest in the areas of behavior intervention training, co-teaching and differentiation, accommodations, and functional behavior assessments. Funding will be used to support these areas and initiatives.

L. IDEA, Part B - Preschool

In a needs assessment conducted by BHASED, our local cooperative, the district identified continued trends for inclusive service at the early childhood level. Funds will be used to maintain inclusive educational settings through professional development, materials, and equipment needs.

The district utilized a comprehensive, multi-layered approach to stakeholder engagement to inform the consolidated district plan, ensuring voices from across the district were represented. Feedback was gathered through a combination of targeted surveys and collaborative committee meetings involving both certified and classified staff, as well as parents who participated in the creation of the district's strategic priorities. Notably, the district expanded its engagement efforts this year by forming a District Parent Advisory Committee to provide formal feedback. The insights and expertise of our Parent Mentors were also included to further bridge the gap between district leadership and family needs. To ensure the plan was grounded in evidence, district committees comprised of a wide variety of stakeholders, including general education, administrators, special education, English learners, and Pre-K, met to discuss the specific needs of their respective areas. These discussions were informed by an analysis of achievement and survey data. The Director of Data, Systems, and Accountability disaggregated all achievement data to set formal goals and brought actionable recommendations to the curriculum committees and the district administration Professional Learning Community. These achievement goals were then transitioned to all pertinent curriculum committees to create specialized plans of action designed to improve student outcomes across the district.

Response from the prior year Consolidated District Plan.

The following stakeholders were involved by using surveys and committee meetings: staff (both certified and classified) and parents especially those participating in the district's strategic priorities creation. District committees comprised of a wide variety of stakeholders (general education, administrators, sped, EL, and PreK) met to discuss needs of each committee based on the achievement data and survey data. The Director of Data, Systems, and Accountability disaggregated all achievement data, set achievement goals, and brought recommendations to curriculum committees and district administration PLC. Achievement goals were handed over to all pertinent curriculum committees to create plans of action within each committee.

3. Describe the approaches the district will use to include parents and family members in the development of LEA plans including the Title I Parent and Family Engagement Policy so that the plans and related activities represent the needs of varied and diverse populations. ** [2]

The district included parents and family members in the development of LEA plans and the Title I Parent and Family Engagement Policy by embedding them directly into the planning process. Parents actively participate in creating plans and served on the District Strategic Planning Committee. To ensure representation from a broad cross-section of the community, the district also gathered feedback through the 5Essentials, Communication, and Chromebook surveys. This year, the district strengthened its inclusive approach by forming a Parent Advisory Committee that specifically integrated Parent Mentors and members of the Bilingual Parent Advisory Committee (BPAC). By involving these diverse stakeholder groups, the district ensures that Title I policies and related activities are responsive to the unique needs of our varied populations. This collaborative structure allows for continuous feedback, ensuring that all plans remain focused on the priorities of our students and their families.

Response from the prior year Consolidated District Plan.

Parents are part of each LEA's creation of building school-wide plans. Parents were part of the District Strategic Planning Committee that met throughout the 2024-25 school year. In addition, parents were surveyed as part of this work to gather feedback from parents and the community for the 5Essentials, Communication, and Chromebook surveys to name a few.

4. Describe the activities/strategies the LEA will implement for effective parent and family engagement. Include Title I parent and family engagement required meetings and activities. Also include a description of any activities/strategies that will be implemented for effective English learner and immigrant parent family engagement, as applicable. ** [3]

The district will continue to work with our bilingual parent advisory committee (BPAC) to offer parent workshops and supports that are reflective of their expressed needs, as discovered through community polling. We offer a K-8 Arabic TBE, K-4 Chin TBE, and 5-8 French and Ewe TBE in addition to our historically offered Spanish K-8 TBE. This means that we have hired additional staff of diverse backgrounds, cultural, and linguistic skills to support our community engagement efforts. Additionally, we now send home differentiated communication for all of our families based upon the language(s) parents indicate when they register their children for school. We routinely send school and district communication in English, Spanish, Arabic, and French with limited Chin and Ewe support as well. Office and district staff use both automatic and paid translation and interpretation for communications, as well as the use of the district's messaging software to differentiate by language to support this. Principals have also been tasked with ensuring that an interpreter is present at all IEP meetings and that one is provided for all parent-teacher conferences for every family, unless they indicate that one is not needed. Finally, we will encourage as many of our BPAC members as possible to attend the annual Bilingual Parent Summit to become better educated about their rights and how the community can better work with our district to serve our students.

Parent and Family Engagement

ESEA Section 1116(a)(2)

Each Local Educational Agency (LEA) that receives Title I funds shall develop jointly with, agree on with, and distribute to parents and family members of participating children: a written parent and family engagement policy. The policy shall be incorporated into the LEAs Consolidated District Plan, establish the LEAs expectations and objectives for meaningful parent and family involvement, and describe how the LEA will

- (A) Involve parents and family members in jointly developing the LEA Consolidated District Plan, and the development of support and improvement plans.
 - (B) Provide the coordination, technical assistance, and other support necessary to assist and build the capacity of all participating schools within the LEA in planning and implementing effective parent and family involvement activities to improve student academic achievement and school performance, which may include meaningful consultation with employers, business leaders, and philanthropic organizations, or individuals with expertise in effectively engaging parents and family members in education.
 - (C) Coordinate and integrate parent and family engagement strategies with other relevant federal, state and local laws and programs.
 - (D) Conduct an annual meeting and evaluate the content and effectiveness of the policy in improving the academic quality of Title I schools, including identifying barriers to greater participation by families and the needs of parents and family members to assist with the learning of their children; and, strategies to support successful school and family interactions.
 - (E) Use the findings of the evaluation (D) to design evidence-based strategies for more effective (E) parental involvement, and to revise, if necessary the parent and family engagement policies.
 - (F) Involve parents in the activities of the Title I schools, which may include establishing a parent advisory board comprised of a sufficient number and representative group of parents or family members served by LEA to adequately represent the needs of the population served by such agency for the purposes of developing, revising, and reviewing the parent and family engagement policy.
- By checking this box, the applicant hereby certifies that they have read, understood, and will comply with the parent and family engagement policy requirements.

Preschool students are given an assessment at the end of the year that shows measures of kindergarten readiness. We use this data as well as using the fall 2025 KIDS survey as a measure of school readiness. These students will be tracked over the year using both KIDS assessment data, district assessments (checklists, report cards, common formative assessments), district required assessments such as the CORE Phonics Screener and STAR in early literacy and math at the beginning of the year.

The district coordinates services and supports the transition from the Early Childhood Program to elementary school through a structured, collaborative process focused on individual student needs. In the spring, elementary teams, including general education and special education teachers, conduct classroom observations within the Early Childhood program. Early childhood staff, including family educators and administrators, meet with kindergarten teams to share comprehensive data on each student's strengths and needs. This is documented through an Exit/Transition form covering language, academic readiness, social-emotional development, motor skills, and health. For students requiring specialized support, individual transition plans are formalized through IEP or 504 meetings to ensure all necessary accommodations are in place before the new school year begins.To support our English Learner (EL) population, the district utilizes the pre-IPT to assess listening and speaking proficiency at the preschool level. For kindergarten placement, EL teachers screen students identified via the Home Language Survey using the WIDA MODEL, with screenings scheduled for the summer and fall of 2025. Furthermore, the district has established an Early Childhood Committee composed of Pre-K and kindergarten teachers. This committee is specifically tasked with ensuring the transition between programs is as seamless and developmentally appropriate as possible, aligning instructional practices and expectations across grade levels to support continuous student growth.

Response from the approved prior year Consolidated District Plan.

For students that attend the EMSD #37 Early Childhood Program, there are several activities that take place in the spring to successfully transition children to elementary programming. Each elementary school in the district designates a team of educators (general education teacher, special education teacher, related service personnel, etc) to conduct observations in the classrooms of the Early Childhood program. Also in the spring, the early childhood team (consisting of Administrator, certified teachers, Family Educator) meets with kindergarten teachers and the building administrators from each elementary school to share information about the needs, strengths, and weaknesses of incoming kindergarten students. Early childhood staff complete an Early Childhood Exit/Transition to Kindergarten form on each student, with present levels of performance in the areas of language, academic readiness, social/emotional development, motor skills, and health. Early childhood staff also provide the receiving teams with information related to needed services, accommodations and supports that students transitioning to elementary programming will likely need. Individual meetings for children are held and transition plans are created either through IEPs or 504 plans. The pre-IPT is used to determine each potential EL preschool student's English language proficiency level, minimally in the domains of listening and speaking. Pre-ipt results may not be used to determine placement in the EL program for kindergarten. The EL teacher screens all preschool students who have been identified through the Home Language Survey as speaking or having another language spoken in the home with the WIDA MODEL to determine EL status and placement in the TBE/TPI programs. We will be doing screenings in the summer/fall of 2025.

ISBE Goals:

- Student Learning: Every child will make significant academic gains each year, increasing their knowledge, skills, and opportunities so they graduate equipped to pursue a successful future, with the state paying special attention to addressing historic inequities.
- Learning Conditions: All schools will receive the resources necessary to create safe, healthy, and welcoming learning environments, and will be equipped to meet the unique academic and social and emotional needs of each and every child.
- Elevating Educators: Illinois diverse student population will have educators who are prepared through multiple pathways and are supported in and celebrated for their efforts to provide each and every child an education that meets their needs.

District has research based curricula/highly effective curricula in all core subject matter. All grade levels follow the same school board approved scope and sequence, and identified essential standards. All district curriculum is aligned to Illinois State Learning Standards (including electives and Social-Emotional Learning). Over the past seven years, we have used the EQUIP rubric and other objective criteria to identify the highest quality core programs in the following areas: elementary music, elementary and middle school social studies (K-8), ELA (K-8), NGSS (K-8), and Math (K-8). We have also used EdReports to make sure that the programs/resources that we adopt in our district meet the heart of the rigorous academic standards. Beyond the core programs, we provide the following high-quality instructional programs for students: art, physical education/health, study skills, computer/literacy instruction, Project Lead the Way (STEAM), and band. We also have a large range of special education supports as well as a long-standing gifted program (grades 1-8). The district does support a "whole child" approach during the school day and also through after school programming. In the fall of 2021 in order to address gaps in the learning of foundational skills crucial to beginning reading acquisition, we invested in a high-quality, researched-proven phonics program in grades K-4 and will continue utilizing that program. All core subject matter has embedded English Language Development standards (WIDA), all EL services (TPI and TBE) are provided through the core curriculum either in self-contained classrooms (TBE) or through co-teaching (TPI). Professional development to support the implementation of the district instructional programs will include instructional specialists (coaches), EL professional development from the IRC, conferences/seminars, webinars, mentoring, and supports for Professional Learning Communities, book studies, and release time for collaboration within grades levels, across grade levels, and across the district to make sure all stakeholders (general education, special education, EL, paraprofessionals, and administrators) are all supporting an aligned system to ensure all students have the greatest access to a well-rounded instructional program to meet the needs of ALL students. We do have co-teaching in place at every building for both ELs and students with IEPs so that all students spend the maximum amount of time in the regular classroom. The development of these core programs are on-going. We have curriculum meetings on a bi-monthly basis to review what is working and what is not by looking at achievement data, and to review quarterly data of EL achievement compared to that of non-EL students to aid our investigation into ways to improve our services. As for implementation, we use professional development days, customized professional development from the Illinois Resource Center for EL needs, sending teachers/administrators to workshops and conferences. We also work with Reimagine Writing, WithPartners, and Solution Tree. All provide ongoing training to help teachers deliver the well-rounded instructional programs using high-yield, research based strategies. Solution Tree provides training for PLCs and MTSS systems. All coaches will help the teachers meet the needs of all students by providing support, resources, and coaching to improve instruction. The instructional specialists, along with other staff (teachers and administrators) also conduct instructional rounds that will not only examine the instructional practices but the team will also be examining the fidelity of the instructional programs. We will continue this work during the 2026-27 school year.

Achievement on all required Illinois state assessments is reviewed annually at individual buildings and at the district level: IAR, ACCESS, Illinois Science Assessment, DLM, and KIDS. We also use district assessments: STAR progress monitoring in math and reading, CORE Phonics Screeners, and Renaissance STAR Benchmarking (reading and math) are also collected three times a year for students in grades K-8. Since IAR is lagging data, we rely more heavily on local assessments, especially STAR. We also identify students who may be at-risk of failure due to social-emotional factors through a screening instrument (SAEBRS). In the fall of 2025, all students will again receive an SEL screener. We assess students three times a year using SAEBRS. This will allow us to identify students that may need SEL supports through the school year. At the end of each school year, we look at STAR data and identify students that are below the 10th percentile. We plan interventions for at-risk students to begin in the fall of the next year. At the end of the first round of STAR (beginning of October), we examine the data of the whole school: Universal Screener meetings. It is at this time when we check the progress of the students that were previously identified. If the students are not making academic gains, the intervention will be changed. If the at-risk students have exceeded the 10th percentile, they will

be monitored until the next round of STAR testing in January. In the fall (after STAR testing), we are also able to identify any new students that may need interventions. Students that fall below the 10th percentile on any STAR test receive more intensive interventions or receive multiple interventions. Between STAR testing windows, we meet every 6 weeks (Data Review meetings) to check on the progress of all students in interventions. These students are not only monitored through assessments that are embedded in each intervention program. This data allows us to examine if interventions are successful or if new interventions need to be put in place. The elementary math series has interventions built into the program. At weekly PLCs, teacher teams identify any students who have not mastered essential standards for the current unit of instruction. There will be time built into weekly schedules for teachers to team and reteach all students who have not mastered essential standards, comprising our Tier II interventions.

Individual students in need of educational assistance are identified by the district's MTSS process. We also help our teachers develop classroom Tier I and Tier II interventions so students do not have to be pulled from core instruction. During a school week, any student that is at-risk receives targeted instruction either within the classroom or they are pulled out of the classroom to receive more intensive support. There are two Title I aides placed at each elementary building and four Title I aides assigned to the middle school (5th - 8th grade). These aides are trained to provide reading and math interventions. The associate principal in each building will monitor the progress made in intensive interventions for our most at-risk students, along with leading out and overseeing both SEL and academic interventions. During the summer our elementary summer programming will have a "camp-like" structure. Wanting to continue to address both the SEL and academic affects of the pandemic, we will be offering academic interventions as well as SEL and physical education experiences to better address the whole child. At the middle school, the administrators and counselors have created two lists: students who are struggling with passing classes due to skill issues and students who are struggling to pass classes due to "will" issues. In addition to the academic offerings, we will also offer experiences with drama, music, community field trips to better address the needs of the whole child. The district will continue the Spring Forward Summer Camp, which will be another summer experience provided in cooperation with Spring Forward Learning Center, a local youth organization. In addition to academics this program will give a true camp experience complete with field trips, crafts, and other camp experiences. During the school year, grade level teams work in Professional Learning Communities. One of the core questions they must answer continuously is, "What do we do for the students who have not learned the standard(s)?" In the PLC, teachers work together to come up with strategies to help all students gain grade-level proficiency. They provide re-teaching opportunities, alternative modalities to meet students' learning needs, or share students to make sure that students needing additional help do not get left behind. Teams of educators outside of the grade levels will also be working to identify students who are not meeting the challenging State academic standards. If the PLCs are not successful in helping a student meet the standards, this team will be able to offer an objective look at what is happening. They will examine the data presented from the PLCs and help the teachers with other strategies/approaches that they may not have tried. These teams serve as a support for both the teacher and the students. This team will also track the student achievement to make sure all students are successful. During the regular school year, we identify students needing additional help by using the spring STAR data. All students that fall below the 10th percentile on STAR are screened in the fall. If students need reading supports, they are given differentiated support within the ELA core program and then are given additional time or times in the day to receive targeted interventions. Students that are identified at-risk are given a reading screener that will pinpoint areas of weakness: fluency, phonemic awareness, comprehension, or phonics. Our district will continue to increase our bilingual programming to expand beyond our historically offered K-4 Spanish TBE program. We will offer K-8 Spanish TBE, K-8 Arabic TBE, 5-8 French TBE, and 5-8 Ewe TBE. We are attempting to hire sufficient bilingual paraprofessionals so that one paraprofessional can be hired for every 2-3 bilingual grade level cohorts. These paraprofessionals will be used in conjunction with the bilingual teachers to provide native language intervention in Reading and Math as students show through the curriculum and (for Spanish) STAR'S native language test that they need further support.

We utilize co-teaching in all five buildings. This means that all students, including EL and special education students, will have access to all academic standards in the most inclusive environment possible. We also use professional

development from Solution Tree, WithPartners, and Reimagine Writing to identify high-yield, research-based strategies to raise the instructional rigor in all classrooms. The Marzano teacher instructional map is an extensive list of instructional strategies that span from conditions to learning (classroom management and building relationships with students) to high yield instructional strategies. We have continuous professional development spaced out through the year to support teachers. We start the learning off each summer with our new teaching staff. We spend an entire day digging into the instructional strategies that will help their students meet the rigorous Illinois Learning Standards. For all staff, we have continued professional development throughout each year. We provide professional development by bringing in trainers from Solution Tree, Reimagine Writing and other entities. Once the professional development is completed, the learning is supported through instructional rounds, administrative coaching, and teachers serving as instructional coaches for each other. All buildings utilize a mixture of PBIS and Conscious Discipline and there will be building based teams (counselor, instructional specialist, principal, psychologist or social worker) - covering both academic and social-emotional supports for students. Additionally, TBE Bilingual staff now receive training in native language literacy instructional techniques as well as, when available, native language literacy testing to support students who need more support. Our community supports (Robert Young, School Health Link, etc.) also improve the conditions for our schools. Additional programs and strategies to strengthen language programs in support of EL students in the form of a continuum of EL services from self-contained bilingual programs to students receiving support in the classroom as the EL and gen ed teacher co-teach lessons. Cooperative learning structures are used to provide opportunities for students to develop their speaking and listening skills as well as reading and writing. Academic vocabulary is explicitly taught in K-8 ELA programs. We plan to spend Title III funds to purchase literacy intervention materials in Spanish and Arabic to support supplemental instruction in those languages for students who need it. Additionally, we have secured from our elementary mathematics vendor a Spanish version of our English Math intervention materials so that we can provide Spanish language Math interventions to our elementary students who require it.

All buildings have high poverty (100%) and high EL (25%) populations. Therefore, there will be no disparities between buildings. We do track the turnover at one elementary, Wells Elementary. This has been historically one of the highest poverty, high minority, and high EL school in the district. The district will continue to support Wells' administrative team and provide professional development to Wells in the area of Professional Learning Communities.

There are full-time librarians in five schools. The district librarians work as a Professional Learning Community and they have identified essential standards for literacy, library skills, and technology/digital literacy skills. Beginning with the 2025-26 school year, the elementary began utilizing Keyboarding without Tears for both keyboarding instruction and digital literacy instruction. All students will have a set time to receive library/digital literacy instruction at least once a week. Each librarian works with classroom teachers to support the Illinois State Standards, especially ELA standards. All students at the middle school receive one semester of computer skills/digital literacy training. Librarians also maintain the book/material collections at each building. These collections provide reading material for students. Many of students do not have access to reading materials in the home. As the librarians work with classrooms and individual students, they work to instill the love of reading in every child. At the elementary, the librarians read books aloud to students to expose them to all genres. At all levels, librarians get to know students personally so they can help each child find books that interest them. The district librarians also work with the local library to promote reading opportunities outside the school day or during the summer months. All of these endeavors provide countless opportunities for students to become literate individuals. At the middle school, there is one librarian for over 1,200 students. The librarian will be targeting 6th grade and developing a unit with the ELA/Social Studies teachers where the librarian will be teaching research skills to all students. The librarians have identified essential standards for K-4 library education. They have also developed standard based scales (showing how students progress to meet the standard) for the essential standards. This data will be a part of the librarian PLCs and sharing with individual building leadership teams. We will continue to purchase a variety of children's literature that reflects the lived experiences and cultures of our student body annually for several years. As part of this initiative we will also be allocating additional funding to our school libraries to purchase texts that are reflective of our communities as well as other perspectives that lack representation.

The district identifies gifted and talented students through a three-pronged objective process including STAR scores, CoGAT 7 results, and teacher recommendations. To ensure equitable identification that reflects our district's diverse population, we utilize local norms and the CoGAT 7 assessment, which is designed for cultural sensitivity. While more affluent districts may require the 95th percentile, we cast a wider net by considering students starting at the 89th percentile. We consult with the Belin-Blank Center to refine these criteria, ensuring students from all racial, ethnic, and economic strata are represented. Additionally, the district utilizes the Iowa Acceleration Scale for subject or grade-level acceleration and maintains "watch lists" to monitor students who meet some, but not all, criteria. Significant program shifts are being implemented to align with "best practices" and our new district configuration. Beginning next year, gifted programming (TEC) will utilize a pull-out model for grades 2-5. To better align with developmental research, we are refining our identification window. While we will continue to serve currently identified students during the transition, formal TEC services will officially begin in 3rd grade effective 2027-2028. All 2nd-grade students will take the CoGAT for equitable screening to begin services in 3rd grade, and students will be re-evaluated in 5th grade to prepare for the transition to the middle school program. This shift ensures the program serves students requiring long-term specialized instruction rather than reflecting early academic exposure. Our mathematics trajectory is also being updated for greater sustainability. We are moving away from "telescoping" 5th and 6th-grade standards into a single year. Instead, we are adopting the Advanced Illustrative Curriculum in 6th and 7th grade, which compacts 6th, 7th, and 8th-grade standards into two years. This sequence provides a more manageable pace through complex material while ensuring all TEC students are fully prepared for Algebra I in 8th grade. Despite these structural changes, our core mission remains providing abstract, complex, and accelerated learning experiences for our most advanced learners.

Response from the prior year Consolidated District Plan.

District guidelines for the identification of gifted students have been established using objective criteria (STAR scores and CoGAT scores) and must be supported by a teacher recommendation. The CoGAT 7 assessment instrument was chosen because it was developed to be more culturally sensitive. We strive to identify students for the gifted program that reflects the diversity in our district and our gifted program is very diverse. We currently administer the CoGAT in grade 2. Gifted students are served in two ways: pull out programming and self-contained content area core subjects. At the elementary, students in the gifted program are served by an elementary gifted itinerant teacher that is shared between all four buildings. Gifted students are provided services one day a week in a pull-out model. At a grade level, all gifted students are clustered into one classroom. The teacher that is identified as the gifted cluster teacher is able to plan for differentiated instruction and assignments for this group of students. At the middle school, gifted students are in the following self-contained gifted classes: ELA, math, and science. At the fifth grade level, gifted students in the math courses are accelerated through the 5th grade math program and then complete the 6th grade math standards as well. This allows the gifted students to take Algebra I in 8th grade. When these students matriculate to the unit high school, they are then placed in the accelerated math track. The middle school has added another track for math: advanced math. Students who may not qualify for gifted programming may qualify to move through the curriculum at a faster pace. STAR scores and a team decision (last year's math teacher, administrator, and gifted coordinator) determine student placement in the advanced sections. Over the last five years, we have used the local norms on CoGAT to identify gifted students. We consulted with the Belin-Blank Center for the Gifted in Iowa City to assist in developing criteria to cast a wider net to include students from diverse racial, ethnic, and cultural populations, as well as all economic strata. Other more affluent district's nearby may look at students scoring in the 95th percentile of the standardized assessments. We begin to look at students starting at the 89th percentile and then gather additional support materials (teacher recommendations). We do allow parents to recommend students, but they still must meet the three-pronged process: STAR, CoGAT, and teacher recommendation. We do create "watch lists" at all grade levels. If students have only one or two of the needed criteria, we monitor them and check on STAR scores three times a year. If a CoGAT has not been administered within the last two years, our gifted teachers will administer the CoGAT to individual students if needed. We have currently added acceleration policies to our gifted programming. The district uses the Iowa Acceleration Scale (from the Belin and Blank Center at the University of Iowa) and the required assessments to identify students who may be eligible for subject or grade acceleration. We also have procedures in place for early entrance to kindergarten and first grade.

Title I Requirements:

Ensure that all children receive a high-quality education.

Close the achievement gap between children meeting the challenging State academic standards and those children who are not meeting such standards.

ISBE Goals:

- Student Learning: Every child will make significant academic gains each year, increasing their knowledge, skills, and opportunities so they graduate equipped to pursue a successful future, with the state paying special attention to addressing historic inequities.
- Learning Conditions: All schools will receive the resources necessary to create safe, healthy, and welcoming learning environments, and will be equipped to meet the unique academic and social and emotional needs of each and every child.
- Elevating Educators: Illinois diverse student population will have educators who are prepared through multiple pathways and are supported in and celebrated for their efforts to provide each and every child an education that meets their needs.

1. Describe how the district will facilitate effective transitions for students from middle grades to high school and from high school to postsecondary education including, if applicable, through:* [1]

i. Coordination with institutions of higher education, employers, and other local partners;* and

ii. Increased student access to early college, high school or dual or concurrent enrollment opportunities, or career counseling to identify student interests and skills.*

In February of each year, the unit high school curriculum director meets with 8th grade teachers and counselors. There are suggested courses that students should take (based on STAR test scores), but parents can also give input and ask for additional considerations for placing students in courses. Although we are a PreK-8 district, we still work with community employers, higher institutions, and educational/professional organizations to prepare our students to be college and career ready. In our after school middle school program (Lights ON for Learning), we use a career exploratory program called XELLO. This helps students begin to look at what careers are available. Also at the middle school, students take field trips to colleges, local businesses, and businesses to start preparing them for beyond high school. We have had partnerships with the Hispanic and Black Engineers in our area. These organizations come to speak to students, participate in events, and donate money for our students to go on field trips to visit workplaces. We also have ties with the Women in Engineering Society. Since we are a K-8 district, we do not provide dual or concurrent enrollment at colleges or career counseling to students.

We currently offer STEAM (science, technology, engineering, art, and math) programs at every school. We recently added more "exploratory" classes at the middle school to increase the careers that students are exposed to throughout their time in middle school. Students have access to the following 9-week courses from PLTW: Infection Detection, Design and Modeling, Automation and Robotics, Flight and Space, Medical Detectives, Coding, and others. We know that STEM careers are what will be in demand in the future. This also allows students to have a project learning based approach where they have hands-on experiences with technology. All of the PLTW courses are aligned to NGSS and ISTE standards. At the elementary, we have four, self-contained elementary science teachers who provide STEAM instruction to all K-5 students two times in a 6 day cycle. This is a very big investment that will be paid out of local funds. We were concerned that elementary teachers either weren't making time to teach elementary science or the science materials were extremely old and not aligned to NGSS. The elementary science teachers will use the Project Lead the Way core programs that are aligned to NGSS and will help prepare students for PLTW in the middle school. This is the elementary version of the program we are implementing in the middle school. All of the elementary PLTW programs are also aligned to NGSS/ISTE standards. Other STEM programming includes two after school robotics clubs: First Lego League and First Lego League Jr. In the past we had three middle school robotics teams. All three of the teams advanced to the state level competition. We will continue to offer after school robotics for students in the 2026-27 SY. We do partner with Junior Achievement so that our students are learning about careers and connecting with community workers at the elementary level.

Program and Description

A. Title I, Part A - Improving Basic Programs

Professional development is one of the biggest components of Title I, Part A for EMSD 37. Without this professional development, we cannot meet the student achievement targets that we have set for the 2026-27 school year. We believe in differentiated, targeted, and highly researched professional development that will impact our students the most. First, we partner with Solution Tree because we believe comprehensive, standards-based, rigorous professional development will move the needle on achievement for all students. Solution Tree provides PD for teachers, aides, principals, and district leaders. They also provide professional development and support for PLCs and our MTSS systems to better address student needs. In the 2026-27 school year elementary students will have a focus on writing and that professional development will be provided by Reimagine Writing. In addition, the district has a partnership with WithPartners and the IRC to implement best practices with multilingual learners. Additional professional development will be provided for new curricula (PLTW, PBL, art, etc.), STEM, new teachers, assessment, literacy, co-teaching, technology integration, interventions, and gifted education will create a robust learning environment for all stakeholders.

B. Title I, Part A - School Improvement Part 1003

Professional development from 1003(a) will include training in co-teaching and best practices in inclusive classrooms. It will also include training on instructional practices for teaching students with dyslexia and other learning disabilities. During the 2026-27 school year, we will continue our work with how best to serve EL students and students with low language in collaboration with WithPartners and the IRC.

East Moline School District has strict anti-bullying and harassment policies. Each building tracks student data for either concern. There is a core SEL program PreK-8 that educates students on these topics and helps them understand when to report any bullying or harassment that they are aware of. Each building uses PBIS and a tracking program that will identify any cases of bullying. There is an SEL committee at each building that not only tracks the data but then creates an intervention plan if there are increased incidents of either. Tier 2 and Tier 3 interventions are also put in place for students who need support if they are engaging in bullying behavior. Each building has a building goal to reduce bullying IF this is indicated by building data. Since this is not widespread across the district, there is no district goal regarding bullying. Each month, the principals must report bullying and harassment data to the superintendent. The district does not use time out for students. Restraint is not considered an aversive behavioral intervention as it is used only to prevent a student from furthering harm to themselves or another in the event of a crisis. It is not utilized as punishment in any way, shape, or form. Given that restraint is utilized only to prevent further immediate harm when imminent danger is present and not to reduce or eliminate behavior, it is not considered an intervention. In the event a restraint is utilized, it is only done so by designated staff certified in Nonviolent Crisis Intervention. The district follows the state guidance regarding written notification to parents within 24 hours of the incident. If the restraint exceeds 15 minutes or if repeated episodes occur during any three hour time period, a certified staff person knowledgeable about the use of physical restraint evaluates the situation and records notes of that evaluation. When possible, the nurse will evaluate staff and students following a restraint. Data is submitted to the central office who reviews the information and incident and submits to the state within the required time frame. School administration and staff receive ongoing professional development focused on approaches that help students build coping skills to prevent crisis including Trauma Sensitive Schools, PBIS, Crisis Prevention, Conscious Discipline, Zones of Regulation, and Functional Behavioral Analyses along with building a positive school culture.

We have a homeless liaison that is in charge of all homeless services. We use Title I monies to help our homeless families with clothing, money for transportation, and for general school supplies. The liaison also works with all schools so that the schools can more accurately identify potential homeless families/students. We also display posters in prominent places in each building and in our district office that provide information about the rights of homeless families. The secretaries and office aides receive training since they are the first staff members that families meet when students come to school to register. Since we do not have a high percentage of homeless students, the homeless liaison reaches out to each family personally to verify status and identify supports the family needs. Our transportation department works with homeless families to provide free transportation to families even if they live outside the district boundaries. We also have support at registration so that families who may be homeless have immediate access to supports needed.

In the fall of 2025, all elementary schools received the designation of "commendable" from the state of Illinois. The one middle school, Glenview Middle School, received the designation of Comprehensive after having the "Targeted" designation since 2019. On examining the middle school student achievement data, it was found that special education students are not achieving in line with other student sub-groups. In addition, the building leadership team wanted to target the EL subgroup in their efforts as well. In consultation with the ISBE School Improvement consultant, Glenview will continue to focus on academic language and student engagement during the 2026-27 SY. In addition, the district has partnered with our local ROE to address math, literacy, and SEL needs across the district. Glenview's school improvement funds (1003a) will be utilized to accomplish the action items in our plan.

All six of the buildings in our district are identified as school-wide programs. The major goal for all school-wide programs is to ensure that all students, regardless of income or race, can achieve or exceed grade level standards in every subject area. This is done through high level, research based, high yield instructional strategies based on the Marzano teaching/learning map. Each teacher is given extensive training each year in identifying and utilizing the instructional strategies in his/her classroom. Throughout the year the district provides differentiated professional development for certified and classified staff to increase the instructional expertise for all. Providing instructional coaching at every building and instructional rounds provide constant support for staff throughout the school year. Another major goal is to begin every cycle of teaching starting with the standards. Standards-based planning is key to providing our

students the key to success. Teachers start with the standards and then craft lesson to show students explicit steps in order to meet the grade level standards. Over the past four years, we have invested countless hours of professional development and PLC time to create standards-based daily learning targets for all grade levels and all content areas. These are posted in every room and provide a visible, clear road map for both the teacher and the students to show what it takes to be proficient in standards. Beginning with the 2023-24 school year, we began reporting to parents using standards based reporting, which better aligns the instruction to reporting. The final goal is to create safe school environments where all students can thrive. Each school uses a data-driven MTSS system for both SEL/behavior and academics and provides the supports to both teachers and students to create a school environment that is free of violence, bullying, and disrespect. Just like academic standards, the behavioral standards are made clear to students and taught to them explicitly. Currently, we do not have any students that are living in local institutions or community day programs for neglected or delinquent children. To support our SEL efforts we are also including Conscious Discipline training to our MTSS framework and supports.

All six of the buildings in our district are identified as school-wide programs. The major goal for all school-wide programs is to ensure that all students, regardless of income or race, can achieve or exceed grade level standards in every subject area. This is done through high level, research based, high yield instructional strategies based on the Marzano teaching/learning map. Each teacher is given extensive training each year in identifying and utilizing the instructional strategies in his/her classroom. Throughout the year the district provides differentiated professional development for certified and and classified staff to increase the instructional expertise for all. Providing instructional coaching at every building and instructional rounds provide constant support for staff throughout the school year. Another major goal is to begin every cycle of teaching starting with the standards. Standards-based planning is key to providing our students the key to success. Teachers start with the standards and then craft lesson to show students explicit steps in order to meet the grade level standards. Over the past four years, we have invested countless hours of professional development and PLC time to create standards-based daily learning targets for all grade levels and all content areas. These are posted in every room and provide a visible, clear road map for both the teacher and the students to show what it takes to be proficient in standards. Beginning with the 2023-24 school year, we began reporting to parents using standards based reporting, which better aligns the instruction to reporting. The final goal is to create safe school environments where all students can thrive. Each school uses a data-driven MTSS system for both SEL/behavior and academics and provides the supports to both teachers and students to create a school environment that is free of violence, bullying, and disrespect. Just like academic standards, the behavioral standards are made clear to students and taught to them explicitly. Currently, we do not have any students that are living in local institutions or community day programs for neglected or delinquent children. To support our SEL efforts we are also including Conscious Discipline training to our MTSS framework and supports.

5. In schools operating a targeted assistance program, please describe the objective criteria the district has established to identify the target populations, AND how teachers and school leaders will include parents, administrators, paraprofessionals, and instructional support personnel in their identification of the target population.* (Section 1112(b)(9))

If IDEA funding was selected on the Needs Assessment and Programs page, this page is required. If the page is blank and the entity does plan to receive and use IDEA funds, return to the Needs Assessment and Programs page and select IDEA, save the page, and return to this page.

INSTRUCTIONS: Select the goal(s) below that align with the District responses provided in the required information below. A minimum of one ISBE or District Goal must be selected.

ISBE Goals:

- Student Learning: Every child will make significant academic gains each year, increasing their knowledge, skills, and opportunities so they graduate equipped to pursue a successful future, with the state paying special attention to addressing historic inequities.
- Learning Conditions: All schools will receive the resources necessary to create safe, healthy, and welcoming learning environments, and will be equipped to meet the unique academic and social and emotional needs of each and every child.
- Elevating Educators: Illinois diverse student population will have educators who are prepared through multiple pathways and are supported in and celebrated for their efforts to provide each and every child an education that meets their needs.

District Goal(s): Select the checkbox, then enter the District Goal(s) that align to the responses below in the text area.

1. How was the comprehensive needs assessment information used for planning grant activities? *This section should include the comprehensive needs identified that will be targeted by the activities and programs funded by IDEA.

The special education needs assessment documents the following areas of needed development: Continued support of district programs to maintain compliance on Indicator 5C. Funds will be used to support district programs for students with higher levels of need. The needs assessment also documents professional development needs in the areas of co-teaching and differentiation, behavior intervention planning, behavior support, and accommodations and supports in a general education setting. Focus areas are established by a special education leadership team and for the upcoming school year, we'll be working on aligned and best practices with IEP writing, individualized support, co-teaching and specially designed instruction, and supporting student's individual behavior needs.

Response from the approved prior year Consolidated District Plan.

The special education needs assessment documents the following areas: Rigorous special education instruction in the least restrictive environment, specifically providing services for students with IEPs in the general education classroom 80% or more of the school day, and decreasing the number of students served in separate placements. The needs assessment also documents professional development needs in the areas of IEP process and goal writing, inclusive practices, utilizing para support effectively, Autism, and behavior support. Each school building reviews their data to establish themes and areas of focus for the following school year. These themes include improving co-teaching instruction with more specially designed instruction, alignment with IEP writing across the building/district, Aligning evaluation information to goals and services, improvement of FBA /BIP procedures, reducing the reliance on paraprofessionals, and leading more student independence. These focus areas will take us into the next school year and align with the district's new strategic priorities.

2. Summarize the activities and programs to be funded within the grant application.*

Grant funds will support professional development in the identified needs of each area presented in the needs assessment. Professional development will be offered to administrators, staff, and paraprofessionals working with students with disabilities. Funds will be used to employ paraprofessionals to support the provision of FAPE in special and general education classrooms. This grant will also support replenishing and ordering new curriculum specific to the needs of students with disabilities. Evaluation materials and supplies will be purchased using grant funds for psychologists and related service providers. The grant will also support employment of secretarial services for the department. In addition to general program support, we will continue to grow our structured learning classroom and emotional disability classroom programs. Grant funds will be used for training, supplies, curriculum, and outside services to come in and support these program students.

Response from the approved prior year Consolidated District Plan.

District programs and structures are reviewed annually. We continue to increase our inclusive services, including building district programs to prevent the reliance on out of district placements. We will continue to grow our structured learning classrooms for students with high levels of need. We are on year 2 of redeveloping our success (emotional disability) classroom and adding partners to make our setting more therapeutic and trauma informed.

Response from the approved prior year Consolidated District Plan.

District programs and structures are reviewed annually. We continue to increase our inclusive services, including building district programs to prevent the reliance on out of district placements. We will continue to grow our structured learning classrooms. Our needs assessment also showed the need and interest for an intentional program designed for students with emotional disabilities at our elementary school. We will be working to build that as we also strengthen our middle school program to add more therapeutic supports.

4. How are funds being used to support district performance on the State Performance Plan Indicators? Please provide a brief narrative below for each indicator that's applicable. For a listing of State Performance Plan (SPP) Indicators, please click on the hyperlink below.

Preliminary reports indicate that we are not meeting in Indicator 5B. It has shifted from missing on 5C to finally meeting that indicator and keeping more students in district schools, but now we are higher than the target in our 03 settings. Funds will be used to provide paraprofessional support and training on inclusive service models to grow our knowledge and skills to include more students in less restrictive environments.

Overview

***Note: This plan section is not required for the Department of Juvenile Justice.**

PROGRAM:	Youth in Care Stability
PURPOSE:	To comply with ESSA requirements for educational stability for students who are Youth in Care.
REQUIRED FOR:	All Illinois school districts and state-authorized charter schools
RESOURCES:	ED and HHS Letter to Chief State School Officers and Child Welfare Directors on Implementing the Fostering Connections Act of May 30, 2014 US Department of Education (USDE) web page for Students in Foster Care The Fostering Connections to Success and Increasing Adoptions Act of 2008 (P.L. 110-351) Educational Stability Requirements (Effective October 7, 2008) Public Act 099-0781 (effective 8/12/2016) USDE Non-Regulatory Guidance: Ensuring Educational Stability for Children in Foster Care (June 23, 2016) Finance, Budgets & Funding Transportation Programs (scroll to Foster Care Transportation section) ESEA of 1965 as Amended, Section 6312(c)

BACKGROUND

Section 6312(5)(B) of ESEA of 1965 as Amended by ESSA requires that the local educational agency (LEA) collaborate with the state or local child welfare agency to develop and implement clear written procedures governing how transportation to maintain students who are Youth in Care in the school of origin when in their best interests will be provided, arranged, and funded for the duration of the time as Youth in Care.

DEFINITION AND REFERENCES

First Division vehicles are defined in the Illinois Vehicle Code as motor vehicles designed to carry no more than 10 persons total.

First Division vehicles can be used to transport 10 or fewer persons, including the driver, on regular routes for any and all school-sponsored activities, including curriculum-related trips. Examples of First Division vehicles include cars, station wagons, mini-vans (10 passengers or less which includes the driver), taxi cabs, medical carrier or medi-car, and Suburbans. The manufacturer sticker (Federal Certification Label) located on the inside of the drivers side door will stipulate MPV for Multi-Passenger Vehicle, MPPV (MultiPurpose Passenger Vehicle), or Passenger Car [49 CFR 571.3]

Transportation Programs:

<https://www.isbe.net/Pages/Funding-and-Disbursements-Transportation-Programs.aspx>

REQUIREMENTS

A. The following factors should be considered when developing the transportation procedures for a student that is Youth in Care/in foster care:

1. Safety
2. Duration of the need for services
3. The time/length of travel time for the student each day
4. Time of placement change
5. Type of transportation available (yellow school bus, taxi cab, First Division vehicle, etc.)
6. Traffic patterns
7. Flexibility in school schedule
8. Impact of extracurricular activities on transportation options.
9. Maturity and behavioral capacity of student

B. The following low-cost/no-cost options should be considered when developing the transportation procedures:

1. Pre-existing transportation route
2. New transportation route
3. Route-to-Route hand-offs
4. District-to-district boundary hand-offs
5. Eligibility of the student for transportation through other services such as, but not limited to, Individuals with Disabilities Education Act (IDEA)
6. Alternatives not directly provided by the district/school such as:
 - a. Contracted services - taxis, student transport companies, etc. - see note below
 - b. Public transportation such as city buses, rails, etc.
 - c. Carpools - see note below
 - d. School/District staff - see note below
 - e. Options presented by DCFS outside of those provided by the district/school, such as reimbursing the foster parents for transportation costs, or including transport in contracts with licensed child placing agencies or group homes

NOTE: A school bus driver permit is REQUIRED for these options! IMPORTANT: All drivers transporting students (other than parents or legal guardians transporting their own students) in First Division vehicles MUST possess a valid school bus driver permit per Section 6-104(d) of the Vehicle Code. THIS INCLUDES TAXI CAB DRIVERS.

REMINDER: A multifunction school activity bus (MFSAB) can NEVER be used to transport home-to-school or school-to-home [625 ILCS 5/1-148.3a-5]

C. The following funding options should be considered when developing the transportation procedures for a student that is Youth in Care/in foster care:

1. Title IV-E of the Social Security Act if the student is eligible
2. Title I of the ESEA of 1965 as Amended by ESSA (except that funds reserved for comparable services for homeless children and youth may NOT be used for transportation)
3. IDEA funds, if the student has an Individual Educational Program (IEP) that includes provisions for specialized transportation
4. State special education transportation funds, if the student has an IEP
5. Local funds

Contact Information

***Note: This page is not required for the Department of Juvenile Justice.**

As part of the Youth in Care Stability Plan development process, several stakeholders should be involved. These may include, but are not limited to:

- a. Local educational agency (LEA) point of contact for Youth in Care/Foster Care students (LEA-POC)
- b. LEA transportation director
- c. Child welfare agency point of contact
- d. LEA Department of Children and Family Services (DCFS) liaison as permitted by 105 ILCS 5/10-20.58, if applicable
- e. Title I director
- f. School social worker
- g. Guidance counselor
- h. Special education personnel

Provide contact information for all personnel included in the development of the plan. The LEA-POC and transportation director are required; others are optional and should be included as applicable.

Best Interest Determination as it relates to School Stability

***Note: This page is not required for the Department of Juvenile Justice.**

NOTE: FIELDS BELOW MAY BE PREPOPULATED WITH DATA. REVIEW ANY PREPOPULATED DATA, COPY AND REVISE AS NEEDED IN THE BOX ABOVE IT, AND SAVE THE PAGE.

1. Describe the process for determining the best interest of the affected student's placement if the student becomes a Youth in Care or changes residences while they are a Youth in Care. Include the positions of all district personnel and other stakeholders involved.*

Be sure to include the factors that should be considered in determining whether remaining in a child's school of origin is in their best interest, as it relates to ensuring school stability.

For your convenience, the prior year approved response is provided below. It may be copied and modified to address the Youth in Care Stability Plan needs.

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

Upon notification of foster placement, school staff including the counselor and principal, will notify the special education department within 24 hours. Building principal, school counselor, state child worker, Associate Superintendent of Student Services, and foster family will determine via conference the supports necessary for the child to remain in the school of origin. The purpose of the team is to determine how to best support the child's attendance in the school of origin. The Associate Superintendent of Student Services will contact transportation department while school counselor will act as the liaison for any school based needs, communication or consultation needed from other agencies or surrounding districts. For students enrolled in general education programs, the district has determined the factors that will be considered from the highest priority down: 1) What school will provide the student the most stability? This will be a shared decision between the foster parent, DCFS (if necessary), and director of special services. (note: we are keeping the team small so that the best decision for the child can be made quickly). 2) If the child requires transportation, how long will the child be on the bus if they remain at the school of origin? Depending on the age of the child, the transportation director and director of special services will look over the routes. If the bus ride is longer than 30 minutes, the discussion will go back to the foster parent, associate superintendent, and DCFS. If a child is deemed to be able to handle this ride, the school of origin will still be the first priority. Any bus ride over 40 minutes will not be considered in the best interest of any child. We are a PreK - 8 district. The district position is that this is not in the best interest of any child in the PreK-4 buildings and it is also not appropriate for a middle school child due to the extremely early pick up time. Middle school students struggle with the 7:55 start time due to adolescent body clocks and picking a child up any earlier than necessary is an adverse condition. Special circumstances may be considered on a child to child basis. The director of special services, DCFS, and the foster parent will meet if this is a point of contention.; 3) The last thing that will be considered is the convenience for the foster parent. There may be circumstances where a child's day care is in the school (before and after YMCA program) or nearby. As long as there is no complications with pick up/drop off times and the child does not need transportation or the transportation is a bus ride less than 40 minutes, this request can be granted. At the one month mark, the director of special services will contact the foster parent and the principal of the school to check on the child. If all things are going well, including regular attendance that is not impacted by transportation, the child will remain at the school until any updates are shared by DCFS and the foster parent. The director of special services will be the point of contact for both DCFS and foster parent for the length that the child is enrolled in the district. This list of factors is not exhaustive and all other pertinent information will be shared and considered by the district. While this decision is being made, the child will remain in their current school if at all possible. The School of Origin (SOO) is responsible for the transportation while all disputes are being resolved. The district's ultimate goal is to have all placements determined within 48 hours. If the Associate Superintendent of Student Services is unavailable, the associate superintendent of student achievement or the superintendent will take the lead on all foster care meetings and decisions.

and private funds will be utilized to ensure continued transportation services for the student in foster care.

Response from the approved prior year Consolidated District Plan.

The original plan as discussed at the first foster conference will be utilized in the event of a dispute. The School of Origin (SOO) will be responsible for the transportation while all disputes are being resolved. Special education personnel will coordinate with the Transportation Director, director of special education, and business office to communicate foster transportation needs. Sources of funding including Title 1, McKinney Vento, IDEA and other public and private funds will be utilized to ensure continued transportation services for the student in foster care.

6. Describe how the district/school will ensure that all school personnel are aware of the transportation plan process and can initiate the process if they become aware of a student who is eligible for such services.*

For your convenience, the prior year approved response is provided below. It may be copied and modified to address the Youth in Care Stability Plan needs.

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above,' or N/A as this may delay the submission or approval of your plan.

District staff will be provided information regarding the Youth in Care plan and considerations at the start of the school year along with other annual trainings to ensure systemic implementation.

- By checking this box, the applicant hereby certifies that he or she has read, understood, and will comply with the assurances listed below, as applicable to the planning requirements of all included programs as applicable.

Provide the date on which the District Board approved the Consolidated District Plan.

Each district plan shall provide assurances that the district will, as applicable based on grant award(s):

1. Ensure that migratory children and formerly migratory children who are eligible to receive services under this part are selected to receive such services on the same basis as other children who are selected to receive services under this part;
2. Provide services to eligible children attending private elementary schools and secondary schools in accordance with section 1117, and timely and meaningful consultation with private school officials regarding such services;
3. Participate, if selected, in the National Assessment of Educational Progress in reading and mathematics in grades 4 and 8 carried out under section 303(b)(3) of the National Assessment of Educational Progress Authorization Act (20 U.S.C. 9622(b)(3));
4. Coordinate and integrate services provided under this part with other educational services at the district or individual school level, such as services for English learners, children with disabilities, migratory children, American Indian, Alaska Native, and Native Hawaiian children, and homeless children and youths, in order to increase program effectiveness, eliminate duplication, and reduce fragmentation of the instructional program;
5. Collaborate with the State or local child welfare agency to
 - A. Designate a point of contact if the corresponding child welfare agency notifies the local educational agency, in writing, that the agency has designated an employee to serve as a point of contact for the local educational agency and
 - B. By not later than 1 year after the date of enactment of the Every Student Succeeds Act, develop and implement clear written procedures governing how transportation to maintain children in foster care in their school of origin when in their best interest will be provided, arranged, and funded for the duration of the time in foster care, which procedures shall
 - i. Ensure that children in foster care needing transportation to the school of origin will promptly receive transportation in a cost-effective manner and in accordance with section 475(4)(A) of the Social Security Act (42 U.S.C. 675(4)(A))
 - ii. Ensure that, if there are additional costs incurred in providing transportation to maintain children in foster care in their schools of origin, the local educational agency will provide transportation to the school of origin if
 - a. The local child welfare agency agrees to reimburse the local educational agency for the cost of such transportation;
 - b. The local educational agency agrees to pay for the cost of such transportation; or
 - c. the local educational agency and the local child welfare agency agree to share the cost of such transportation; and
6. Ensure that all teachers and paraprofessionals working in a program supported with funds under this part meet applicable State certification and licensure requirements, including any requirements for certification obtained through alternative routes to certification; and
7. In the case of a local educational agency that chooses to use funds under this part to provide early childhood education services to low-income children below the age of compulsory school attendance, ensure that such services comply with the performance standards established under section 641A(a) of the Head Start Act (42 U.S.C. 9836a(a)).
8. Each LEA that is included in the eligible entity is complying with Section 1112(e) prior to, and throughout, each school year as of the date of application;
9. The eligible entity is not in violation of any State law, including State constitutional law, regarding the education of English learners, consistent with sections 3125 and 3126;
10. The eligible entity consulted with teachers, researchers, school administrators, community members, public or private entities, and institutions of higher education, in developing and implementing such plan; and
11. The eligible entity will, if applicable, coordinate activities and share relevant data under the plan with local Head Start and Early Head Start agencies, including migrant and seasonal Head Start agencies, and other early childhood education providers.
12. Teacher English Fluency - each eligible entity receiving a subgrant under section 3114 shall include in its plan a certification that all teachers in any language instruction educational program for English learners that is, or will be, funded under this part are fluent in English and any other language used for instruction, including having written and oral communications skills.
13. In the case of a school district serving at least one English learner, and in accordance with Article 14C of the Illinois School Code, assurance is provided that at least 60% of the district's state funds attributable to ELs will be used for the instructional costs of programs and services authorized under this article.
14. In the case of a school district offering Transitional Bilingual Education programs, assurance is provided that the parent advisory committee was afforded the opportunity effectively to express its views in order to ensure that the EL programs are planned, operated, and evaluated with the involvement of, and in consultation with, parents of children served by the programs.
15. The district further assures that no policy of the LEA prevents, or otherwise denies participation in constitutionally protected prayer in public elementary schools and secondary schools as set forth in the Guidance on Constitutionally Protected Prayer and Religious Expression in Public Elementary and Secondary Schools on the U.S. Department of Education website.

v.02.17.2026

- By checking this box, the applicant/award recipient (hereinafter the term applicant includes award recipient as the context requires) hereby certifies and assures the Illinois State Board of Education that:

1. The applicant has the necessary legal authority to apply for and to receive the proposed award. The filing of this application has been authorized by the governing body of the applicant, and the undersigned representative has been duly authorized to file this application for and on behalf of said applicant, and otherwise to act as the authorized representative of the applicant in connection with this application and any award in relation thereto.

The undersigned representative affirms, under penalties of perjury, that he or she is authorized to execute these Certifications and Assurances, and Standard Terms of the Grant on behalf of the applicant. Further, the applicant certifies under oath that all information in the grant agreement is true and correct to the best of his or her knowledge, information, and belief, that grant funds shall be used only for the purposes described in this agreement, and that the award of this grant is conditioned upon this certification.

DEFINITIONS

Applicant means an individual, entity, or entities for which grant funds may be available and who has made application to the Illinois State Board of Education for an award of such grant funds.

Grant means the award of funds, which are to be expended in accordance with the Grant Agreement for a particular project. The terms grant, award, program, and project may be used interchangeably.

Grantee means the person, entity, or entities that are to receive or have received grant funds through an award from the Illinois State Board of Education. The terms grantee and award recipient may be used interchangeably.

Project means the activities to be performed for which grant funds are being sought by the applicant. The terms project and program may be used interchangeably.

The capitalized word Term means the period of time from the project beginning date through the project ending date.

Termination means the ending of a grant, whether in whole or in part, at any time prior to the end of the grant Term, as stated in the Grant Agreement.

LAWS AND REGULATIONS REGARDING FEDERAL AND STATE AWARDS

The applicant acknowledges and agrees that this grant is subject to the provisions of:

2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards

<https://www.ecfr.gov/current/title-2/subtitle-A/chapter-II/part-200?toc=1>

Illinois Grant Accountability and Transparency Act (GATA), 30 ILCS 708/1 et seq.

<https://www.ilga.gov/Legislation/ILCS/Articles?ActID=35598&ChapterID=7>

Administrative Rules for GATA, 44 Ill. Admin. Code Part 7000

<https://ilga.gov/agencies/JCAR/Sections?PartID=04407000>

NO BINDING OBLIGATION

2. The applicant acknowledges and agrees that the selection of its proposal for funding, or approval to fund an application, shall not be deemed to be a binding obligation of the Illinois State Board of Education until such time as a final Grant Agreement is entered into between the applicant and the Illinois State Board of Education. Prior to the execution of a final Grant Agreement, the Illinois State Board of Education may withdraw its award of funding to the applicant at any time, for any reason.
3. Payment under this grant is subject to passage of a sufficient appropriation by the Illinois General Assembly or sufficient appropriation by the U.S. Congress for federal programs. Obligations of the Illinois State Board of Education will cease immediately without further obligation should the agency fail to receive sufficient state, federal, or other funds for this program.
4. Funding in the subsequent years beyond the Term of the grant will be contingent upon compliance with federal and state law, regulations, administrative rules, terms and conditions of the award, passage of sufficient appropriations for the program, and satisfactory performance in the preceding grant period. Renewal decisions are at the sole discretion of the Illinois State Board of Education, and the receipt of an award in a current or previous Term does not create any right to or expectation of renewal in a subsequent Term.

PROJECT

5. The project proposed in the application, and as negotiated and finalized by the parties in the Grant Agreement, is hereinafter referred to as the project. In planning the project there has been, and in establishing and carrying out the project there will be (to the extent applicable to the project), participation of persons broadly representative of the cultural and educational resources of the area to be served, including persons representative of the interests of potential beneficiaries.
6. Applicants may be asked to clarify certain aspects of their proposals/applications or proposed amendments prior to final agreement on the terms of the project or amendment.
7. The project will be administered by or under the supervision of the applicant and in accordance with the laws and regulations applicable to the grant. The applicant will be responsible for and obtain all necessary permits, licenses, or consent forms as may be required to implement the project.

FUNDING

8. All funds provided will be used solely for the purposes stated in the approved proposal/application, as finalized in the Grant Agreement, in accordance with applicable federal and state statutes, regulations, administrative rules, and terms and conditions of the grant.
9. The applicant may not count tuition and fees collected from students towards meeting matching, cost sharing, or maintenance of effort requirements of a program, pursuant to 34 CFR 76.534.
10. The applicant will maintain records for three years following competition of the activities for which the applicant uses the federal or state funding, pursuant to 2 CFR 200.334.
11. If real property or structures are provided or improved with the aid of federal financial assistance, the applicant will comply with applicable statutes, regulations, and the project application in the use, encumbrance, transfer, or sale of such property or structure. If personal property is so provided, the applicant will comply with applicable statutes, regulations, and the project application in the use, encumbrance, transfer, disposal, and sale of such.
12. The applicant will have effective financial management systems which conform to the standards present in 2 CFR 200.302, which includes, but is not limited to, the ability to report financial data verifying compliance with program regulations and maintaining effective internal control over the operations of the approved grant.
13. The applicant will conform all activities conducted under the approved grant to the provisions contained within 2 CFR Part 200
14. All expenditures claimed in relation to a grant are subject to applicable federal and state laws, regulations, and administrative rules. Expenditures claimed in relation to an award are subject to cost allowability standards, as defined by the grant program and 2 CFR Part 200, and other applicable federal and state laws, regulations, and administrative rules. Failure to adhere to these requirements will lead to disallowed expenditures for which funds must be returned.
15. Adequacy tier designation under Evidence-Based Funding will be utilized by ISBE at its discretion pursuant to applicable law and agency policy (105 ILCS 5/18-8.15).

INVOLUNTARY TERMINATION

16. The applicant will accept funds in accordance with applicable federal and state statutes, regulations, administrative rules, and terms and conditions of the award, and administer the programs in compliance with all provisions of such statutes, regulations, administrative rules, terms and conditions of the award, and amendments thereto.
17. Failure of applicant to comply with state and federal statutes, regulations, administrative rules, or the terms and conditions of the award may result in conditions placed on grantee, including, but not limited to, involuntary termination of a

grant at the discretion of the Illinois State Board of Education, in whole or in part, in accordance with federal and state law and regulations.

GENERAL CERTIFICATIONS AND ASSURANCES

18. The applicant will obey all applicable state and federal laws, regulations, and executive orders, including without limitation: those regarding the confidentiality of student records, such as the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. 1232g) and the Illinois School Student Records Act (ISSRA) (105 ILCS 10/1 et seq.); those prohibiting discrimination on the basis of race, color, national origin, sex, age, or handicap, such as Title IX of the Amendments of 1972 (20 U.S.C. 1681 et seq.) and 34 CFR part 106, the Illinois Human Rights Act (775 ILCS 5/1-101 et seq.), the Individuals with Disabilities Education Act (20 U.S.C. 1400 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and 34 CFR part 104, the Age Discrimination in Employment Act of 1967 (29 U.S.C. 621 et seq.), the Age Discrimination Act (42 U.S.C. 6101 et seq.) and 34 CFR part 110, Titles VI and VII of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq., 2000e et seq.) and 34 CFR part 100, the Public Works Employment Discrimination Act (775 ILCS 10/0.01 et seq.), and the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.); and the Illinois School Code (105 ILCS 5/1-1 et seq.). Further, no award recipient shall deny access to the program funded under the grant to students who lack documentation of their immigration status or legal presence in the United States (Plyler v. Doe, 457 U.S. 202, 102 S.Ct. 2382 (1982)).
19. The applicant certifies it has informed the State Superintendent of Education in writing if any employee of the applicant/grantee was formerly employed by the Illinois State Board of Education and has received an early retirement incentive under 40 ILCS 5/14-108.3 or 40 ILCS 5/16-133.3 (Illinois Pension Code). The applicant acknowledges and agrees that if such early retirement incentive was received, the Grant Agreement is not valid unless the official executing the agreement has made the appropriate filing with the Auditor General prior to execution.
20. The applicant shall notify the State Superintendent of Education if the applicant solicits or intends to solicit for employment any of the Illinois State Board of Educations employees during any part of the application process or during the Term of the Grant Agreement.
21. The applicant is not barred from entering into this contract by Sections 33E-3 and 33E-4 of the Criminal Code of 1961 (720 ILCS 5/33E-3, 33E-4). Sections 33E-3 and 33E-4 prohibit the receipt of a state contract by a contractor who has been convicted of bid-rigging or bid-rotating.
22. If the applicant is an individual, the applicant is not in default on an educational loan as provided in 5 ILCS 385/3.
23. The applicant certifies it does not pay dues or fees on behalf of its employees or agents or subsidize or otherwise reimburse them for payment of their dues or fees to any club which unlawfully discriminates (775 ILCS 25/1).
24. The applicant certifies that it is (a) current as to the filing and payment of any applicable federal, state, and/or local taxes; and (b) not delinquent in its payment of moneys owed to any federal, state, or local unit of government.
25. Any applicant not subject to Section 10-21.9 of the School Code certifies that a fingerprint-based criminal history records check through the Illinois State Police and a check of the Statewide Sex Offender Database will be performed for all its employees, b) volunteers, and c) all employees of persons or firms holding contracts with the applicant/grantee, who have direct contact with children receiving services under the grant; and such applicant shall not a) employ individuals, b) allow individuals to volunteer, or c) enter into a contract with a person or firm who employs individuals, who will have direct contact with children receiving services under the grant who have been convicted of any offense identified in subsection (c) of Section 10-21.9 of the School Code (105 ILCS 5/10-21.9(c)) or have been found to be the perpetrator of sexual or physical abuse of any minor under 18 years of age pursuant to proceedings under Article II of the Juvenile Court Act of 1987 (705 ILCS 405/2-1 et seq.).
26. The applicant hereby assures that when purchasing core instructional print materials published after July 19, 2006, the applicant/grantee will ensure that all such purchases are made from publishers who comply with the requirements of 105 ILCS 5/28-21, which instructs the publisher to send (at no additional cost) to the National Instructional Materials Access Center (NIMAC) electronic files containing the contents of the print instructional materials using the National Instructional Materials Accessibility Standard (NIMAS), on or before delivery of the print instructional materials. This does not preclude a grantee school district from purchasing or obtaining accessible materials directly from the publisher.
27. The applicant certifies that notwithstanding any other provision of the application, proposal, or Grant Agreement, grant funds shall not be used and will not be used to provide religious instruction, conduct worship services, or engage in any form of proselytization.

JOINT APPLICATIONS - ADMINISTRATIVE AND/OR FISCAL AGENT

28. Applicants/grantees participating in a joint application hereby certify that they are individually and jointly responsible to the Illinois State Board of Education and to the administrative and fiscal agent under the grant. An applicant/grantee that is a party to the joint application and is a legal entity, or a Regional Office of Education, may serve as the administrative and/or fiscal agent under the grant.
29. The entity acting as the fiscal agent certifies that it is responsible to the applicant/grantee or, in the case of a joint application, to each applicant/grantee that is a party to the application; it is the agent designated and responsible for reports and for receiving and administering funds; and it will:
 - a) Obtain fully executed Grant Application Certifications and Assurances forms from each entity or individual participating in the grant and return the forms to ISBE prior to award of the grant;
 - b) Maintain separate accounts and ledgers for the project;
 - c) Provide a proper accounting of all revenue from the Illinois State Board of Education for the project;
 - d) Properly post all expenditures made on behalf of the project;
 - e) Be responsible for the accountability, documentation, and cash management of the project; the approval and payment of all expenses, obligations, and contracts; and hiring of personnel on behalf of the project in accordance with the Grant Agreement;
 - f) Disburse all funds to joint applicants/grantees based on information (payment schedules) from joint applicants/grantees showing anticipated cash needs in each month of operation (The composite payment schedule submitted to ISBE should reflect monthly cash needs for the fiscal agent and the joint applicants/grantees.);
 - g) Require joint applicants/grantees to report expenditures to the fiscal agent based on actual expenditures/obligation data and documentation. Reports submitted to the Illinois State Board of Education should reflect actual expenditure/obligations for the fiscal agent and the data obtained from the joint applicants/grantees on actual expenditures/obligations that occur within project beginning and ending dates;
 - h) Be accountable for interest income earned on excess cash on hand by all parties to the grant and return applicable interest earned on advances to the Illinois State Board of Education;
 - i) Make financial records available to outside auditors and Illinois State Board of Education personnel, as requested by the Illinois State Board of Education; and
 - j) Have a recovery process in place with all joint applicants/grantees for collection of any funds to be returned to the Illinois State Board of Education.

DRUG-FREE WORKPLACE CERTIFICATION

30. This certification is required by the Drug-Free Workplace Act (30 ILCS 580/1). The Drug-Free Workplace Act, effective January 1, 1992, requires that no grantee or contractor shall receive a grant or be considered for the purposes of being awarded a contract for the procurement of any property or services from the state unless that grantee or contractor has certified to the state that the grantee or contractor will provide a drug-free workplace. False certification or violation of the certification may result in sanctions including, but not limited to, suspension of contract or grant payments, termination of the contract or grant, and debarment of contracting or grant opportunities with the state of Illinois for at least one (1) year but not more than five (5) years.

For the purpose of this certification, applicant, grantee, or contractor means a corporation, partnership, or other entity with twenty-five (25) or more employees at the time of issuing the grant, or a department, division, or other unit thereof, directly responsible for the specific performance under a contract or grant of \$5,000 or more from the state

The applicant certifies and agrees that it will provide a drug-free workplace by:

- a) Publishing a statement:
 - i) Notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance, including cannabis, is prohibited in the grantees or contractors workplace.

- ii) Specifying the actions that will be taken against employees for violations of such prohibition.
 - iii) Notifying the employee that, as a condition of employment on such contract or grant, the employee will:
 - 1) Abide by the terms of the statement; and
 - 2) Notify the employer of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) calendar days after such conviction.
 - b) Establishing a drug-free awareness program to inform employees about:
 - i) The dangers of drug abuse in the workplace;
 - ii) The grantees or contractors policy of maintaining a drug-free workplace;
 - iii) Any available drug counseling, rehabilitation, and employee assistance programs; and
 - iv) The penalties that may be imposed upon an employee for drug violations.
 - c) Providing a copy of the statement required by subsection (a) to each employee engaged in the performance of the contract or grant and posting the statement in a prominent place in the workplace.
 - d) Notifying the contracting or granting agency within ten (10) calendar days after receiving notice under part (B) of paragraph (3) of subsection (a) above from an employee or otherwise receiving actual notice of such conviction.
 - e) Imposing a sanction on, or requiring the satisfactory participation in a drug abuse assistance or rehabilitation program by, any employee who is so convicted, as required by section 5 of the Drug-Free Workplace Act.
 - f) Assisting employees in selecting a course of action in the event drug counseling, treatment, and rehabilitation are required and indicating that a trained referral team is in place.
 - g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of the Drug-Free Workplace Act.
31. The applicant represents and warrants that all of the certifications and assurances set forth herein, in the application, all attachments, and the Grant Agreement are and shall remain true and correct through the Term of the grant. During the Term of the grant, the award recipient shall provide the Illinois State Board of Education with notice of any change in circumstances affecting the certifications and assurances within ten (10) calendar days of the change. Failure to maintain all certifications and assurances or provide the required notice will result in the Illinois State Board of Education withholding future project funding until the award recipient provides documentation evidencing that the award recipient has returned to compliance with this provision, as determined by the Illinois State Board of Education.

**Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion
Lower Tier Covered Transactions**

Instructions

This certification is required by the regulations implementing Executive Orders 12549 and 12689, Debarment and Suspension, 2 CFR part 3485, including Subpart C Responsibilities of Participants Regarding Transactions (also see federal guidance at 2 CFR part 180). Copies of the regulations may be obtained by contacting the Illinois State Board of Education.

Before completing this certification, read instructions below.

CERTIFICATION

By checking this box, the prospective lower tier participant certifies that:

1. Neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency;
2. It will provide immediate written notice to whom this Certification is submitted if at any time the prospective lower tier participant learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances;
3. It shall not knowingly enter any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated;
4. It will include the clause titled Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion--Lower Tier Covered Transactions, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions; and
5. The certifications herein are a material representation of fact upon which reliance was placed when this transaction was entered into.

Instructions for Certification

1. By checking the box above and saving this page, the prospective lower tier participant is providing the certifications set out herein.
2. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue all available remedies, including suspension and/or debarment.
3. Except for transactions authorized under paragraph 3 above, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue all available remedies, including suspension and/or debarment.
4. The terms covered transaction, debarred, 'suspended,' 'ineligible,' 'lower tier covered transaction,' 'participant,' 'person,' 'primary covered transaction,' 'principal,' 'proposal,' and 'voluntarily excluded,' as used herein, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549 and Executive Order 12689. You may contact the person to which this Certification is submitted for assistance in obtaining a copy of those regulations.
5. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the GSA Government-Wide System for Award Management Exclusions (SAM Exclusions) at: www.sam.gov
6. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required herein. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

v.02.17.2026

Certification Regarding Lobbying

Instructions

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

By checking this box, the applicant hereby certifies, to the best of his or her knowledge and belief, that:

- (1) No federal appropriated funds have been paid or will be paid, by or on behalf of the contractor/grantee, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
- (2) If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the contractor/grantee shall complete and submit [ISBE 85-37](#)"Disclosure of Lobbying Activities," in accordance with its instructions.
- (3) The applicant shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Instructions

By checking this box, the applicant/award recipient (hereinafter the term applicant includes award recipient as the context requires), hereby certifies and assures the Illinois State Board of Education that:

1. The applicant has the necessary legal authority to apply for and to receive the proposed award. The filing of this application has been authorized by the governing body of the applicant, and the undersigned representative has been duly authorized to file this application for and in behalf of said applicant, and otherwise to act as the authorized representative of the applicant in connection with this application and any award in relation thereto.

DEFINITIONS

"APPLICANT" means an individual, entity, or entities for which grant funds may be available and has made application to the Illinois State Board of Education for an award of such grant funds.

"LEA" means the local educational agency.

"AWARD RECIPIENT" means the person, entity, or entities that are to receive or have received grant funds through an award from the Illinois State Board of Education. The terms "grantee" and "award recipient" may be used interchangeably. "GRANT" means the award of funds, which are to be expended in accordance with the Grant Agreement for a particular project, in accordance with applicable federal and state statutes, regulations, administrative rules, and terms and conditions of the award. The terms "grant," "award," and "project" may be used interchangeably.

"PROGRAM" means any applicable program under which federal funds are made available to the applicant.

"PROJECT" means the activities to be performed for which grant funds are being sought by the applicant.

"SECRETARY" means the Secretary of Education.

PROJECT

2. The LEA will administer each Program in accordance with all applicable statutes, regulations, program plans, and applications;
3. The control of funds provided to the LEA under each Program and title to property acquired with those funds, will be in a public agency and that a public agency will administer those funds and property;
4. The LEA will use fiscal control and fund accounting procedures that will ensure proper disbursement of, and accounting for, federal funds paid to that agency under each Program, in accordance with 2 CFR 200.302 and 2 CFR 200.303 and the Illinois State Board of Education's State and Federal Grant Administration Policy, Fiscal Requirements, and Procedures manual, maintained on the Illinois State Board of Education's Internet website. The LEA's administration and expenditure of Program funds shall be in accordance with all applicable requirements of the Education Department General Administrative Regulations (EDGAR), 2 CFR 200, and other applicable federal state statutes, regulations, and administrative rules.
5. The LEA will make reports to ISBE and to the Secretary as may reasonably be necessary to enable ISBE and the Secretary to perform their duties and meet federal reporting requirements, and the LEA will maintain such records, including the records required under 20 U.S.C. 1232f, and provide access to those records, as ISBE or the Secretary deem necessary to perform their duties;
6. The LEA will provide reasonable opportunities for the participation by teachers, parents, and other interested agencies, organizations, and individuals in the planning for and operation of each Program;
7. An application, evaluation, periodic program plan, or report relating to each Program will be made readily available to parents and other members of the general public;
8. In the case of any Program project involving construction: (A) the project will comply with state requirements for the construction of school facilities; and (B) in developing plans for construction, due consideration will be given to excellence of architecture and design and to compliance with standards prescribed by the Secretary under 29 U.S.C. 794 in order to ensure that facilities constructed with the use of federal funds are accessible to and usable by individuals with disabilities;
9. The LEA has adopted effective procedures for acquiring and disseminating to teachers and administrators participating in each Program significant information from educational research, demonstrations, and similar projects, and for adopting, where appropriate, promising educational practices developed through such projects; and
10. None of the funds expended under any applicable Program will be used to acquire equipment (including computer software) in any instance in which such acquisition results in a direct financial benefit to any organization representing the interests of the purchasing entity or its employees or an affiliate of such an organization.

Instructions

GRANT AGREEMENT: The submissions made to the Illinois State Board of Education by the applicant and the terms and conditions described in each tab of this application shall constitute the grant agreement between the applicant and the Illinois State Board of Education for the use of the funds described in the Budget Detail tab. This grant agreement shall be deemed to be entered into when the application has been approved by the Illinois State Board of Education. This grant agreement constitutes the entirety of the agreement between the parties and supersedes any other agreement or communication, whether written or oral, relating to the award of the grant funds. The person submitting this application on behalf of the applicant certifies and assures the Illinois State Board of Education that he or she has been duly authorized to file this application for and on behalf of the applicant, is the authorized representative of the applicant in connection with this grant agreement, and that he or she is authorized to execute these Certifications and Assurances, and Standard Terms of the Grant on behalf of the applicant. Further, the person submitting this application on behalf of the applicant certifies under oath that all information in the grant agreement is true and correct to the best of his or her knowledge, information and belief, that grant funds shall be used only for the purposes described in this agreement, and that the award of this grant is conditioned upon this certification. This grant agreement may not be amended or modified except as by receiving approval for an amendment through the IWAS application process or otherwise by the approval of the Illinois State Board of Education. By hitting Submit on the Submit page, this grant agreement shall be deemed to be executed on behalf of the applicant.

The authorized representative of the applicant who will affix his or her signature below certifies that he or she has read, understood, and will comply with all of the provisions of the following certifications, and assurances.

The person approving these Grant Application Certifications and Assurances hereby certifies and assures the Illinois State Board of Education that the person submitting the final application on behalf of the applicant (and thereby executing the grant agreement with the Illinois State Board of Education) has the necessary legal authority to do so.

The person approving this application certifies (1) to the statements contained in the list of certifications, and (2) that the statements herein are true, complete, and accurate to the best of his/her knowledge. He/she also provided the required assurances and agrees to comply with any resulting terms if an award is accepted. He/she is aware that any false, fictitious, or fraudulent statements or claims may subject him/her to criminal, civil, or administrative penalties, in accordance with applicable federal and state law, including, but not limited to, 18 U.S.C. 101, the federal False Claims Act (31 U.S.C. 3729 et seq.), and the Illinois False Claims Act (740 ILCS 175/). The list of certifications and assurances is included below and/or incorporated into the Uniform Grant Agreement contained herein.

NOTE: These boxes will be automatically filled in as each of the separate certifications/assurances are read and completed.

**CERTIFICATION REGARDING DEBARMENT,
SUSPENSION, INELIGIBILITY, AND VOLUNTARY
EXCLUSION LOWER TIER COVERED TRANSACTIONS**

NUTRITION DEPARTMENT

This certification is required by the regulations implementing Executive Orders 12549 and 12689, Debarment and Suspension, 2 CFR part 3485, including Subpart C Responsibilities of Participants Regarding Transactions (also see federal guidance at 2 CFR part 180).

Child Nutrition Program Operators are required to ensure that all sub-contractors and sub-grantees are neither excluded nor disqualified under the suspension and debarment rules found at 2 CFR 200.212 by doing any **one** of the following:

- Checking the Excluded Parties List found at the System for Award Management (SAM) www.SAM.gov.
- Collecting a certification that the entity is neither excluded nor disqualified. Since a federal certification form is no longer available, the grantee or sub-grantee electing this method must devise its own.
- Including a clause to this effect in the sub-grant agreement and in any procurement, contract expected to equal or exceed \$25,000, awarded by the grantee or a sub-grantee under its grant or sub-grant.
- Sub-grantee and contractors must obtain a Unique Entity ID. All Federal Government awards are required to have a Unique Entity ID. To obtain a Unique Entity ID, visit www.SAM.gov to register. There is no charge for a Unique Entity ID. The Unique Entity ID serves as a means of tracking and identifying applications for Federal assistance and is required on all applications for Federal assistance.

BEFORE COMPLETING CERTIFICATION, READ INSTRUCTIONS BELOW.

CERTIFICATION

The prospective lower tier participant certifies, by submission of this Certification, that:

1. Neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.
2. It will provide immediate written notice to whom this Certification is submitted if at any time the prospective lower tier participant learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
3. It shall not knowingly enter any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
4. It will include the clause titled *Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion— Lower Tier Covered Transactions*, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
5. The certifications herein are a material representation of fact upon which reliance was placed when this transaction was entered into.
6. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this Certification.

Milk Escalator / De-Escalator Pricing Clause

The pricing quoted is based on the current month's (APRIL 2026) Federal Milk Marketing Order for Class I Skim and Class I Butterfat. This pricing is subject to change as the cost of raw milk changes each month according to the USDA Federal Milk Market Price Announcements and changes in over order premium charges.

The cost of milk fluctuates up and down each month based on the cost changes in raw milk. Changes are based on CMPC announced class 1 Skim and Class 1 announced butterfat. Calculations to four decimal places.

- $\frac{1}{2}$ pint whole = $\left(\left[\frac{\text{Skim change} * 8.3205}{100}\right] + \left[\frac{\text{Butterfat change} * 0.2795}{16}\right]\right)$
- $\frac{1}{2}$ pint 2% = $\left(\left[\frac{\text{Skim change} * 8.4476}{100}\right] + \left[\frac{\text{Butterfat change} * 0.1724}{16}\right]\right)$
- $\frac{1}{2}$ pint 1% = $\left(\left[\frac{\text{Skim change} * 8.5338}{100}\right] + \left[\frac{\text{Butterfat change} * 0.0862}{16}\right]\right)$
- $\frac{1}{2}$ pint Skim = $\left(\left[\frac{\text{Skim change} * 8.61274}{100}\right] + \left[\frac{\text{Butterfat change} * 0.01726}{16}\right]\right)$

Prices will also be adjusted up or down based on cost changes in packaging, ingredients, labor, fuel, juice concentrate, re-sale products, and any other manufacturing and distribution related expenses. Supporting documentation will be supplied upon request.

FORCE MAJEURE

If either party's failure to comply with any obligation arising under this Agreement results from acts of God, governmental Laws, rules, regulations or order, strikes or other labor trouble, shortage of or inability to obtain raw materials, fuels power or transportation, or any other case beyond the reasonable control of the affected party (any of the foregoing, collectively "Force Majeure", such failure shall not be a breach of this Agreement or create any liability for damages.

All price changes will become effective on the 1st day of the month following the price announcement.

Thank you for the opportunity to bid on your business.

Sincerely,

Stacy R. Wand

ckave@emsd37.org

Dear Mr. Kave:

We respectfully submit the following quotations on dairy products intended for use by the East Moline School District #37 and Silvis School District #34 for the 2026-2027 school year. As requested, this bid is based on April 2026 Milk Market Order. Please ensure all bidders are using the same month for consistency.

½ pint Skim Milk	-	.3370
½ pint 1% Milk	-	.3499
½ pint 2% Milk	-	.3658
½ pint Whole Milk	-	.3849
½ pint Skim Chocolate Milk	-	.3930
½ pint 1% Chocolate Milk	-	.4139
½ pint 2% Chocolate Milk	-	.5168
½ pint Whole Chocolate Milk	-	N/A
½ pint Strawberry Milk	-	N/A
½ pint Lactose Free Milk	-	N/A
½ pint 100% Orange Juice	-	.64
4 oz. - 100% Orange Juice	-	.34

Prices quoted are subject to the attached escalator clause.

We furnish and maintain all necessary milk coolers. Please note that when a school system owns their own coolers .0100 / ½ pint can be deducted.

Delivery schedule will be as mutually agreed upon.

We agree to extend this bid for an additional 3 years beyond the 2026-27 school year. Pricing for each subsequent year will be determined at the end of the prior year and will be mutually agreed upon by both parties.

Sincerely,

ESCALATOR CLAUSE

FLUID MILK PRODUCTS:

The prices in this bid are based on the Class I price (at 3.5% butterfat) plus premiums. The Class I price is established under the terms of the Central Federal Milk Market Order #32. The price established for the month of April 2026 is \$24.08 per 100 lbs. The components of this price include: Class I Skim Price - \$12.00/cwt.; Class I Butterfat Price - \$2.0221/lb; Location Adjustment - \$2.70/cwt.; Premiums - \$2.72/cwt.

The formula for price adjustments of fluid milk delivered in half-pint and all other size containers is as follows:

- a. Compute the difference per hundredweight for Class I milk between the price for the month in question and the price for the base month indicated above (or the most recent month in which prices were adjusted) based on the factors relating to the actual cost of each product. Actual cost for each product is determined as follows:
(Skim factor) * (Skim price) + (Butterfat factor) * (Butterfat price) + Location adjustment + Premiums. Skim factors/Butterfat factors are as follows: Whole milk - .9665/3.35; 2% milk - .9800/2.00; 1% milk - .9900/1.00; Skim milk - .9995/.05.
- b. Multiply this difference per hundredweight by .086 (8.6 / 100 – 8.6 lbs. to each gallon of milk) to calculate the difference in price per gallon.
- c. One-sixteenth of this difference is the amount of change in price for each one-half pint container of milk. All other size containers will be proportional.
- d. If the price for Class I milk is higher during the month in question than in the base month, the sum will be added to the previous price charged by the vendor. If the price for Class I milk is lower during the month in question than in the base month, the sum will be deducted from the previous price charged by the vendor.

ALL PRODUCTS:

Prices bid on all products are subject to change based on price changes from our suppliers including but not limited to fuel, packaging, tariffs and ingredients. Supporting documentation is available upon request.

MEMORANDUM OF UNDERSTANDING

RE: BLOOMBOARD TEACHER RESIDENCY PROGRAM, ENDORSEMENT PROGRAM, PAID STUDENT TEACHING, and TUITION REIMBURSEMENT

This Memorandum of Understanding is entered into between the Board of Education of the East Moline School District No. 37, Rock Island County, Illinois (“District” or “Board”) and the East Moline Education Association, IEA-NEA (“Association”) (collectively the “Parties”). The Board and the Association previously entered into a collective bargaining agreement for July 1, 2022, through June 30, 2028 (the “Current Agreement”) and a Memorandum of Understanding regarding Paid Student Teaching for Instructional Aides (the “Current Student Teaching MOU”) on September 23, 2024. The Parties hereby agree to supplement the Current Agreement as follows for the life of the agreement:

BLOOMBOARD TEACHER RESIDENCY PROGRAM

PROGRAM ADMINISTRATION

The district will provide the opportunity for instructional aides to apply for participation in a Teacher Residency Program administered by Bloomboard, Inc. The district will provide the necessary elementary/special education classroom assignments, class authority, protected "Time in Residence" for coursework, and assignment of a mentor/cooperating teacher.

FINANCIAL COMMITMENT

The District shall pay all Program tuition and fees directly to the provider/institution via pre-paid credits, with the exception of a \$4,100 annual candidate contribution. Bloomboard, Inc. will work with candidates to apply for federal PELL grants toward the candidate contribution, and the candidate will be responsible for remaining costs.

Participants in the teacher residency program will not be eligible for additional tuition reimbursement as outlined in the 2022-2028 EMEA contract.

PAID STUDENT TEACHING FOR PROGRAM PARTICIPANTS

Instructional aides accepted into and participating in the Bloomboard Teacher Residency Program will be eligible for the benefits of paid student teaching as outlined in the Current Student Teaching MOU.

COMPENSATION FOR MENTOR TEACHERS

Licensed staff serving as mentor teachers in the Bloomboard Teacher Residency Program will receive a stipend equal to the amount paid to new teacher mentors in the district.

BLOOMBOARD TEACHING AREA ENDORSEMENT PROGRAM

The district will provide the opportunity for licensed staff to participate in a program to obtain endorsements in either special education or English as a Second Language, administered by Bloomboard, Inc. The district will pay the full tuition amount via pre-paid credits, under the same conditions as the Current Agreement provision for tuition reimbursement

Additionally, the district will provide reimbursement to employees for any test and licensure fees associated with obtaining the endorsement in a “hard to fill” area.

Participants in the Bloomboard endorsement courses will not be eligible for additional tuition reimbursement for the courses paid for by the district.

Participants who choose to continue the Bloomboard program to complete a Masters degree in a hard to fill area will be eligible for tuition reimbursement for the additional courses.

LIMITS ON FINANCIAL COMMITMENT

The District currently has an agreement with Bloomboard, Inc. with a balance of \$237,720.00 in pre-paid credits. The district will continue to pay the financial commitments outlined above until the exhaustion of these credits.

ELIGIBILITY FOR PAID STUDENT TEACHING

For any Instructional Aide who has not yet informed the District of their intent to participate in paid student teaching by the conclusion of the 2025-2026 school year, approval for the Paid Student Teaching benefit shall be strictly limited to those participating in the following pathways:

1. The Western Illinois University (WIU) Paraprofessional-to-Teacher pathway.
2. The BloomBoard Teacher Residency program.

DEFINITION OF “TUITION”

For purposes of tuition reimbursement under the Current agreement, tuition is defined as any payment made by the employee to the institution for tuition. Tuition will not include credits toward tuition covered by grants, scholarships or loans.

Re: Updated Memorandum of Understanding: BloomBoard Teacher Residency and Endorsement Programs

This memo serves as an executive summary of the proposed Memorandum of Understanding (MOU) between the Board and the East Moline Education Association (EMEA) regarding our partnership with BloomBoard, presented for consideration at the May 18, 2026 Board of Education meeting. The primary intent of this MOU is to ensure that new BloomBoard opportunities are fully aligned and integrated with our existing student teaching and tuition reimbursement frameworks.

Alignment with Paid Student Teaching

The updated MOU establishes that instructional aides accepted into the BloomBoard Teacher Residency Program will access the same benefits provided under our original Paid Student Teaching for Instructional Aides MOU.

Clarification of Tuition Reimbursement

To ensure fiscal responsibility and prevent "double-dipping," the updated MOU clarifies eligibility for tuition benefits:

- **Exclusion from Standard Reimbursement:** Employees participating in BloomBoard programs will not be eligible for additional tuition reimbursement for those same courses under the standard 2022-2028 collective bargaining agreement.
- **Targeted Endorsements:** The district will use pre-paid credits to cover tuition for licensed staff pursuing endorsements in "hard to fill" areas (Special Education or ESL).
- **Master's Degree Pathway:** Should an employee choose to continue beyond the endorsement to a Master's degree in a hard-to-fill area, they remain eligible for standard tuition reimbursement for those additional credits.

Pathways and Future Planning

Starting with the conclusion of the 2025-2026 school year, approval for paid student teaching will be strictly limited to participants in two specific pathways: the BloomBoard Teacher Residency or the Western Illinois University (WIU) Paraprofessional-to-Teacher program.
