COVID Update: Dual Platform of Learning - F2F & Virtual

December 1, 2020

TEA Allowances - Effective November 5, 2020

If the District determines that the **student's attendance and/or academic performance** in **one or more classes** puts them at **significant risk of severe learning loss**, then the student will be **required to return to face-to-face learning**.

An LEA can identify students to be discontinued for remote instruction **if one or both** of the following are true in any class:

- Student has a class average of 70 or below (or the equivalent) in any one or more classes
- Student has 3 or more unexcused absences in a grading period

The “Why” Behind a Modification to the Dual Platform of Learning

Data: Qualitative (Review of Data Shared in November)

Teacher Lunch & Learn and Teacher Ambassadors Themes

- **Academic Progress of Virtual Students**
 - Remediation and Interventions: Insufficient support for the most vulnerable learners
 - Less F2F and direct interaction with a classroom teacher; lack of real-time observations
 - Struggle to self-regulate
 - Group cognition & social learning is less accessible
- **Social and Emotional Progress of Virtual Students**
 - Social interaction is less accessible
 - Peer relationship building is less accessible
- **Teaching both F2F & Virtual at the same time**
 - Feasibility of virtual only classes when F2F and Virtual are options for all students (continuity and relationship building as students switch back and forth between platforms)
 - Workload on teachers to plan for both - F2F instruction and instruction on Canvas/SeeSaw for virtual
 - Planning time required to ensure both platforms are rigorous

Emerging Themes

Strengths to Virtual Learning

- Option for health compromised students
- Students & Staff out on COVID protocol can still engage in class

Challenges to Virtual Learning

- Student progress (academically and social/emotionally)
- Student accountability (attending in Zoom and turning in work)
- Parent support
- Teaching both F2F and Virtual at same time

Recap of Options Shared in November

Current Practice: Dual Platform of Learning - F2F & Virtual Option for All

Challenges:

Strengths:

- **Choice** for all students and parents
- Allows students to **switch learning platforms** based on family choice
- Students can be a **virtual learner** *and* be able to **participate** in extracurricular and/or required F2F courses

- For virtual learners & those switching back and forth
 - **Academic progress**
 - **Social and emotional progress**
 - **Strain on teachers** to maintain **high expectations, rigor,** and maximize **instructional time**
 - Lack of **group cognition** and **social learning**
- **Increased failure rates** for virtual learners
- Missed **real-time, authentic** teachable moments if not “in zoom”
- Missed opportunity on real-time teacher **observations**
- **Exposure level increase** (contact levels likely) for virtual students attending school for specific courses/activities.
- **Additional MILE courses requiring F2F time** (Engineering, Cybersecurity, & Video Game)

Considered *Option A*: Current Dual Platform F2F & Virtual, but ALL virtual learners must meet grade & attendance requirements.

Strengths:

- **Students in danger of failing or not making progress** would be receiving F2F, direct instruction with **in-person accountability**
- **Increased instructional impact & engagement** on learners with maximized F2F time with teachers
- **Increased academic progress** for learners with **real-time, authentic** observations
- Increased **social and emotional** progress
- Smaller number on virtual platform during class period
- **Reduced demand** on teacher workload

Challenges:

- **Reduces option** to be a virtual learner for all.
- Teachers continue to have both learning platforms
- Could increase F2F numbers in **some** classrooms

DRAFT

Qualifications for Virtual Learning - Midlothian ISD

Under the direction of the [Texas Education Agency](#) and for reasons outside of COVID19 protocols, Midlothian ISD will allow currently enrolled students to participate in virtual learning as long as academic and attendance requirements are met as outlined below.

Attestation From: To be completed upon Board approval

In order for a student to be eligible for virtual learning in Midlothian ISD, the following criteria must be met:

- Grades PK-3rd: Student must be making expected progress at grade level
- Grades 4th-12th: Student must maintain at least a 70 average in all academic classes and
- Student must maintain less than 3 unexcused absences in a grading period

Students will be monitored for the above criteria. Any student who falls below a 70 average in one or more classes or has 3 unexcused absences in any class during a grading period will be contacted by the campus regarding the removal of virtual learning and transition to face-to-face learning.

If a parent disagrees with with remote learning cancellation, the parent may appeal this decision in one of two ways:

1. **Submitting a medical exemption** found at this [link](#). This exemption requires health care provider certification that the child or an individual in his/her household has a high-risk medical condition as defined by the Centers for Disease Control.
2. **Requesting a transition meeting**. If a parent requests a transition meeting (which can be held virtually), ***[Campus Principal]*** will contact the parent to schedule the transition meeting, including the student's teacher in the affected course . The meeting will occur no sooner than 3 days after the parent requests it, and the child may continue to learn remotely until the meeting has been held.

Considered *Option B*: Current Dual Platform F2F & Virtual, but All Virtual Learners are 100% Virtual (Those in Secondary Extracurricular & Required F2F Courses return to full-time F2F)

Strengths:

- **Secondary: Increased instructional impact & engagement** on learners with maximized F2F time with teachers
- **Secondary: Increased academic progress** for learners with **real-time, authentic** observations
- **Secondary: Increased social and emotional** progress
- **Secondary: Smaller number** on virtual platform during class period
- **Consistency:** if student is in one F2F course, then they are in all F2F courses
- **Consistency:** Virtual students, all virtual
- **Secondary: Reduced demand** on teacher workload

Challenges:

- **Reduces option** to be a virtual learner and still participate on campus in extracurricular and/or required F2F courses
- **Elementary:** Teachers continue to have both learning platforms
- **Secondary:** Could increase F2F numbers in **some** classrooms

Considered *Option C*: Modified Dual Platform of Learning - F2F for All & Virtual Option for ONLY Medically Qualifying Students

Strengths:

- **Increased instructional** impact & **engagement** on learners with maximized F2F time with teachers
- **Increased academic progress** for learners with **real-time, authentic** observations
- Increased **social and emotional** progress
- Virtual learning **reserved** for those under **COVID protocol, specific Special Ed or 504, or with verified, documented medical necessity** (self or same household)
- **Smaller number on virtual platform** during class period
- **Reduced demand** on teacher workload

Challenges:

- **Reduces choice** for families for **non-health** related reasons to choose virtual learning
- Virtual Learning requires **documentation** from parent(s)/guardian(s)
- Teachers continue to have both learning platforms (limited basis)
- Increases F2F numbers in classrooms
- **Lose student enrollment** if families choose to find a virtual program elsewhere or homeschool

Recommendations for Action

Recommendation for Action: Phased In Modification

- We continue to monitor the fluid situation of COVID 19 and due to the approaching holiday season, we **recommend for Phase 1 Option A** (*Current Dual Platform F2F & Virtual for any student, but All Virtual Learners would have to meet grade and attendance requirements to remain virtual*)
 - [Qualifications for Virtual Learning - Midlothian ISD](#)
 - [Attestation Form Submission Requirement](#)
- In the event local **COVID situation improves** with **guidance from the local health authority** and in **response to teacher needs and the academic and social emotional needs** of our students, we recommend **the addition of:**
 - **Phase 2: Option B** (*Current Dual Platform F2F & Virtual for any student, but **All Virtual Learners would be 100% Virtual**, bringing back those in participating in any F2F course or activity*)
 - All **secondary virtual learners** that **participate** in an **extracurricular** or **F2F required course** would be required to return to F2F learning in order to **continue** participation
 - **Phase 3: Option C** (*Modified Dual Platform of Learning - F2F for All & **Virtual Option for ONLY Medically Qualifying Students for self or member of same household***) - [form](#)
