## **Annotations**

- Nebraska's public meetings laws do not apply to school board deliberations pertaining solely to disputed adjudicative facts. *McQuinn v. Douglas Cty. Sch. Dist. No. 66*, 259 Neb. 720, 612 N.W.2d 198 (2000).
- The primary purpose of the public meetings law is to ensure that public policy is formulated at open meetings. *Marks v. Judicial Nominating Comm.*, 236 Neb. 429, 461 N.W.2d 551 (1990).
- The public meetings law is broadly interpreted and liberally construed to obtain the objective of openness in favor of the public, and provisions permitting closed sessions must be narrowly and strictly construed. *Grein v. Board of Education of Fremont*, 216 Neb. 158, 343 N.W.2d 718 (1984).
- Although a committee was a subcommittee of a natural resources district board, it was not subject to the Open Meetings Act because there was never a quorum of board members in attendance and the committee did not hold hearings, make policy, or take formal action on behalf of the board. *Koch v. Lower Loup NRD*, 27 Neb. App. 301, 931 N.W.2d 160 (2019).
- A county board of equalization is a public body whose meetings shall be open to the public. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).

## **84-1409. Terms, defined.**

For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders, and (iii) the Judicial Resources Commission or subcommittees or subgroups of the commission;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

## Annotations

- A township is a political subdivision, and as such, a township board is subject to the provisions of the public meetings laws. *Steenblock v. Elkhorn Township Bd.*, 245 Neb. 722, 515 N.W.2d 128 (1994).
- A county agricultural society is a public body to which the provisions of the Nebraska public meetings law are applicable. *Nixon v. Madison Co. Ag. Soc'y*, 217 Neb. 37, 348 N.W.2d 119 (1984).
- Failure by a public governing body, as defined under section 84-1409, R.R.S.1943, to take and record a roll call vote on an action, as required by section 84-1413(2), R.S.Supp.,1980, grants any citizen the right to sue for the purpose of having the action declared void. In this case such failure could not be later corrected by a nunc pro tunc order because there was no showing that a roll call vote on the disputed action was actually taken, and even if it was the record showed it was not recorded until over a year later. Sections 23-1301, R.R.S.1943, and 23-1302, R.R.S.1943, make it the duty of the county clerk to record proceedings of the board of county commissioners. *State ex rel. Schuler v. Dunbar*, 208 Neb. 69, 302 N.W.2d 674 (1981).
- Although a committee was a subcommittee of a natural resources district board, it was not subject to the Open Meetings Act because there was never a quorum of board members in attendance and the committee did not hold hearings, make policy, or take formal action on behalf of the board. *Koch v. Lower Loup NRD*, 27 Neb. App. 301, 931 N.W.2d 160 (2019).
- Although the Open Meetings Act does not define "subcommittee," a subcommittee is generally defined as a group within a committee to which the committee may refer business. *Koch v. Lower Loup NRD*, 27 Neb. App. 301, 931 N.W.2d 160 (2019).
- The Open Meetings Act does not require policymakers to remain ignorant of the issues they must decide until the moment the public is invited to comment on a proposed policy. By excluding nonquorum subgroups from the definition of a public body, the Legislature

has balanced the public's need to be heard on matters of public policy with a practical accommodation for a public body's need for information to conduct business. *Koch v. Lower Loup NRD*, 27 Neb. App. 301, 931 N.W.2d 160 (2019).

- As an administrative agency of the county, a county board of equalization is a public body. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).
- The electors of a township at their annual meeting are a public body under the Open Meetings Act. *State ex rel. Newman v. Columbus Township Bd.*, 15 Neb. App. 656, 735 N.W.2d 399 (2007).
- The meeting at issue in this case was a "meeting" within the parameters of subsection (2) of this section because it involved the discussion of public business, the formation of tentative policy, or the taking of any action of the public power district. *Hansmeyer v. Nebraska Pub. Power Dist.*, 6 Neb. App. 889, 578 N.W.2d 476 (1998).
- Informational sessions in which the governmental body hears reports are briefings. *Johnson v. Nebraska Environmental Control Council*, 2 Neb. App. 263, 509 N.W.2d 21 (1993).

**84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.**

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as:

(a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body;

(b) Discussion regarding deployment of security personnel or devices;

(c) Investigative proceedings regarding allegations of criminal misconduct;

(d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting;

(e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or

(f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length.

Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close

passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

- When notice is required, a notice of a special meeting of a city council posted in three public places at 10:00 p.m. on the day preceding the meeting is not reasonable advance publicized notice of a meeting as is required by this section. *Pokorny v. City of Schuyler*, 202 Neb. 334, 275 N.W.2d 281 (1979).
- Teacher waived right to object to lack of public notice in board of education employment hearing by voluntary participation in the hearing without objection. *Alexander v. School Dist. No. 17*, 197 Neb. 251, 248 N.W.2d 335 (1976).
- A county board of commissioners and a county board of equalization are not required to give separate notices when the notice states only the time and place that the boards meet and directs a citizen to where the agendas for each board can be found. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).
- A county board of equalization is a public body which is required to give advanced publicized notice of its meetings. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).
- Notice of recessed and reconvened meetings must be given in the same fashion as the original meeting. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).
- True notice of a meeting is not given by burying such in the minutes of a prior board proceeding. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).
- An agenda notice which merely stated "work order reports" was an inadequate notice under this section because it did not give interested persons knowledge that plans for a 345 kv transmission line through the district was going to be discussed and voted upon at the meeting. Inadequate agenda notice under this section meant there was a substantial violation of the public meeting laws; however, later actions by the board of directors cured the defects in notice, and such actions were in substantial compliance with the statute. *Hansmeyer v. Nebraska Pub. Power Dist.*, 6 Neb. App. 889, 578 N.W.2d 476 (1998).

#### **84-1412. Meetings of public body; rights of public; public body; powers and duties.**

(1) Subject to the Open Meetings Act, the public has the right to attend and the right to speak at meetings of public bodies, and all or any part of a meeting of a public body, except for closed sessions called pursuant to section 84-1410, may be videotaped, televised, photographed, broadcast, or recorded by any person in attendance by means of a tape recorder, a camera, video equipment, or any other means of pictorial or sonic reproduction or in writing. Except for closed sessions called pursuant to section 84-1410, a public body shall allow members of the public an opportunity to speak at each meeting.

(2) It shall not be a violation of subsection (1) of this section for any public body to make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, televising, photographing, broadcasting, or recording its meetings, including meetings held by virtual conferencing.

(3) No public body shall require members of the public to identify themselves as a condition for admission to the meeting nor shall such body require that the name of any member of the public be placed on the agenda prior to such meeting in order to speak about items on the agenda. The body shall require any member of the public desiring to address the body to identify himself or herself, including an address and the name of any organization represented by such person unless the address requirement is waived to protect the security of the individual.

(4) No public body shall, for the purpose of circumventing the Open Meetings Act, hold a meeting in a place known by the body to be too small to accommodate the anticipated audience.

(5) No public body shall be deemed in violation of this section if it holds its meeting in its traditional meeting place which is located in this state.

(6) No public body shall be deemed in violation of this section if it holds a meeting outside of this state if, but only if:

(a) A member entity of the public body is located outside of this state and the meeting is in that member's jurisdiction;

(b) All out-of-state locations identified in the notice are located within public buildings used by members of the entity or at a place which will accommodate the anticipated audience;

(c) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including making virtual conferencing available at an in-state location to members, the public, or the press, if requested twenty-four hours in advance;

(d) No more than twenty-five percent of the public body's meetings in a calendar year are held out-of-state;

(e) Out-of-state meetings are not used to circumvent any of the public government purposes established in the Open Meetings Act; and

(f) The public body publishes notice of the out-of-state meeting at least twenty-one days before the date of the meeting in a legal newspaper of statewide circulation.

(7) Each public body shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at a meeting.

(8) Public bodies shall make available at the meeting or the in-state location for virtual conferencing as required by subdivision (6)(c) of this section, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting, either in paper or electronic form. Public bodies shall make available at least one current copy of the Open Meetings Act posted in the meeting room at a location accessible to members of the public. At the beginning of the meeting, the public shall be informed about the location of the posted information.

## Annotations

- To preserve an objection that a public body failed to make documents available at a public meeting as required by subsection (8) of this section, a person who attends a public meeting must not only object to the violation, but must make that objection to the public body or to a member of the public body. *Stoetzel & Sons v. City of Hastings*, 265 Neb. 637, 658 N.W.2d 636 (2003).

### **84-1413. Meetings; minutes; roll call vote; secret ballot; when; agenda and minutes; required on website; when.**

(1) Each public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.

(2) Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by a public body which utilizes an electronic voting device which allows the yeas and nays of each member of such public body to be readily seen by the public.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written or kept as an electronic record and shall be available for inspection within ten working days or prior to the next convened meeting, whichever occurs earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing or keeping the minutes is absent due to a serious illness or emergency.

(6) Beginning July 31, 2022, the governing body of a natural resources district, the city council of a city of the metropolitan class, the city council of a city of the primary class, the city council of a city of the first class, the county board of a county with a population greater than twenty-five thousand inhabitants, and the school board of a school district shall make available on such entity's public website the agenda and minutes of any meeting of the governing body. The agenda shall be placed on the website at least twenty-four hours before the meeting of the governing body. Minutes shall be placed on the website at such time as the minutes are available for inspection as provided in subsection (5) of this section. This information shall be available on the public website for at least six months.

## Annotations

- Under prior law, if a person present at a meeting observes and fails to object to an alleged public meetings laws violation in the form of a failure to conduct rollcall votes before

taking actions on questions or motions pending, that person waives his or her right to object at a later date. *Hauser v. Nebraska Police Stds. Adv. Council*, 264 Neb. 944, 653 N.W.2d 240 (2002).

- Subsection (2) of this section does not require the record to state that the vote was by roll call, but requires only that the record show if and how each member voted. Neither does the statute set a time limit for recording the results of a vote, after which no corrections of the record can be made. If no intervening rights of third persons have arisen, a board of county commissioners has power to correct the record of the proceedings had at a previous meeting so as to make them speak the truth, particularly where the correction supplies some omitted fact or action and is done not to contradict or change the original record but to have the record show that a certain action was taken or thing done, which the original record fails to show. *State ex rel. Schuler v. Dunbar*, 214 Neb. 85, 333 N.W.2d 652 (1983).
- Failure by a public governing body, as defined under section 84-1409, R.R.S.1943, to take and record a roll call vote on an action, as required by section 84-1413(2), R.S.Supp.,1980, grants any citizen the right to sue for the purpose of having the action declared void. In this case such failure could not be later corrected by a nunc pro tunc order because there was no showing that a roll call vote on the disputed action was actually taken, and even if it was the record showed it was not recorded until over a year later. Sections 23-1301, R.R.S.1943, and 23-1302, R.R.S.1943, make it the duty of the county clerk to record proceedings of the board of county commissioners. *State ex rel. Schuler v. Dunbar*, 208 Neb. 69, 302 N.W.2d 674 (1981).
- There is no requirement that a public body make a record of where notice was published or posted. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).

**84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties.**

(1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within one hundred twenty days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

**REDEVELOPMENT CONTRACT**  
**(The Cottonwood Heights Redevelopment Project)**

This Redevelopment Contract (“**Redevelopment Contract**”) is made and entered into as of the 7th day of April, 2025, by and between the Community Development Agency of the City of Columbus, Nebraska (the “**Agency**”) and Cottonwood Heights, LLC, a Nebraska limited liability company (“**Redeveloper**”). The Agency and/or Redeveloper may be referred to hereinafter as the “**Party**” or collectively as the “**Parties**”.

**WITNESSETH:**

WHEREAS, in conformance with the Nebraska Community Development Law, sections 18-2101 et seq., of the Nebraska Revised Statutes (the “**Act**”), the Mayor and Council of the City of Columbus, Nebraska (the “**City**”) has adopted and approved a plan entitled “Redevelopment Plan for the Cottonwood Heights Redevelopment Project,” as may be amended and supplemented (the “**Plan**”), for the real estate described on Exhibit “A”, attached hereto and incorporated herein (the “**Project Site**”), which is located in the City, and which has previously been declared blighted and substandard or otherwise eligible for redevelopment by the Mayor and Council of the City; and

WHEREAS, the Agency has encouraged and induced Redeveloper to engage in certain development activities and construct improvements on or around the Project Site and Redeveloper is not willing to incur the substantial investment necessary for such redevelopment of the Project Site without the assistance of tax-increment financing (“**TIF**”) provided by the Agency to Redeveloper in this Redevelopment Contract; and

WHEREAS, pursuant to the Plan, Redeveloper is undertaking the phased construction of a mixed-use development consisting of commercial and mixed-density residential improvements, together with such public improvements associated therewith, within the Project Site, all as more particularly described in the Plan (collectively, said improvements are referred to in this Redevelopment Contract as the “**Redevelopment Project**”), all as more particularly described in the Plan and Exhibit “B”, attached hereto and incorporated herein; and

WHEREAS, the real property within the Project Site, other than easements for public utilities, is to be privately owned by Redeveloper; and

WHEREAS, the Agency proposes to authorize the issuance of a tax increment revenue bond (the “**Bond**”), to provide for eligible costs relating to the Redevelopment Project, as shall be more specifically described in a resolution to be adopted by the governing body of the Agency (the “**Resolution**”); and

WHEREAS, Redeveloper seeks the assistance of the Agency for the costs of the eligible improvements for the Redevelopment Project and therefore is willing to agree to the conditions herein set forth as an inducement to the Agency to issue the Bond as provided in the Resolution.

NOW, THEREFORE, for and in consideration of the premises and the mutual covenants herein contained, the Agency and Redeveloper do hereby agree, covenant and warrant as follows:

**Section 1. Representations, Warranties and Covenants of Redeveloper.**

Redeveloper hereby represents, covenants and warrants as follows:

- (a) Redeveloper is a limited liability company duly organized and existing under the laws of the State of Nebraska, is not in violation of any provisions of its articles of organization or operating agreement(s), is authorized to enter into and perform its obligations under this Redevelopment Contract and, to the best of the knowledge of Redeveloper, is not in violation of the laws of the State of Nebraska.
- (b) Throughout the term of this Redevelopment Contract, Redeveloper will reasonably endeavor to construct, operate and maintain the Redevelopment Project in accordance with the terms of this Redevelopment Contract and the Plan, or amendments thereof, and all applicable local, state and federal laws and regulations (including, without limitation, environmental, zoning, building code and public health laws and regulations). Throughout the term of this Redevelopment Contract and subject to the provisions of Section 21 of this Redevelopment Contract, in the event of any casualty damage to the Redevelopment Project, as and to the extent owned by Redeveloper, Redeveloper agrees to repair and reconstruct such damaged portion or portions of the Redevelopment Project so that such reconstructed real property has a taxable value at least equal to the value as most recently determined prior to the event or events of casualty loss. Redeveloper agrees to substantially effect such repair and reconstruction whether or not insurance proceeds are sufficient or available for such purposes.
- (c) Redeveloper shall endeavor in good faith to complete the Redevelopment Project on or before December 31, 2035.
- (d) Redeveloper has not received notices or communications from any local, state or federal official or body that the activities of Redeveloper respecting the Project Site or the construction of the Redevelopment Project thereon may be or will be in violation of any law or regulation.
- (e) Redeveloper will use its best efforts to obtain or to cause others to obtain, in a timely manner, all required permits, licenses and approvals and to meet, in a timely manner, all requirements of all applicable local, state and federal laws and regulations which must be obtained or met for the Redevelopment Project to be lawfully constructed, occupied or operated.
- (f) The execution and delivery of this Redevelopment Contract, the consummation of the transactions contemplated hereby and the fulfillment of or compliance with the terms and conditions of this Redevelopment Contract are not prevented or limited by and will not conflict with or result in a breach (i) of any provision of any

evidence of indebtedness, agreement or instrument of whatever nature to which Redeveloper is now a party or by which it is bound; or (ii) of any past, pending or threatened litigation, court order, or administrative proceeding, by which Redeveloper is or might become bound.

- (g) To the best of the knowledge of Redeveloper, Redeveloper is not aware of any hazardous waste or other significant environmental pollution condition or hazard existing on or within the Project Site.
- (h) Redeveloper acknowledges and agrees that neither the Agency nor the City shall be obligated to pay any costs related to the Redevelopment Project other than costs to be paid from available grant monies derived from ad valorem incremental real estate taxes generated from the Redevelopment Project (“**TIF Revenues**”), if any, and Redeveloper hereby undertakes and agrees to pay any and all such cost. All costs (both public and private) of the Redevelopment Project shall be paid in full and there are and shall be no construction liens unpaid against the Project Site or any of the improvements thereon. Redeveloper agrees to provide for the construction of both the Redevelopment Project public and private improvements located within the Project Site as described in the Plan or as described in this Redevelopment Contract, except to the extent that the Agency or the City shall agree otherwise by separate written agreement with Redeveloper.
- (i) Redeveloper agrees and covenants for itself, its successors and assigns that as long as the Bond is outstanding, it will not discriminate against any person or group of persons on account of race, sex, color, religion, national origin, ancestry, disability, marital status or receipt of public assistance in connection with the Redevelopment Project. Redeveloper, for itself and its successors and assigns, agrees that during the construction of the Redevelopment Project, Redeveloper will not discriminate against any employee or applicant for employment because of race, religion, sex, color, national origin, ancestry, disability, marital status or receipt of public assistance. Redeveloper will comply with all applicable federal, state and local laws related to the Redevelopment Project.
- (j) Redeveloper agrees that any contractor providing services related to the Redevelopment Project will utilize the federal immigration verification system, as defined in Section 4-114 of the Nebraska Revised Statutes, to determine the work eligibility status of new employees physically performing services on the Redevelopment Project.
- (k) Redeveloper owns or has contracted to purchase the Project Site, in fee simple and free from any liens, encumbrances, or restrictions which would prevent the performance of this Redevelopment Contract by Redeveloper.
- (l) Any general contractor chosen by Redeveloper or Redeveloper itself shall obtain and keep in force at all times until completion of construction, policies of insurance including coverage for contractors’ general liability and completed operations of at

least \$1,000,000 per occurrence and \$2,000,000 in the aggregate, and a penal bond as required by the Act and Section 11 of this Redevelopment Contract. The Agency, the City and Redeveloper shall be named as additional insureds on each such policy. Any contractor chosen by Redeveloper or Redeveloper itself, as an owner, shall be required to purchase and maintain property insurance upon the Redevelopment Project to the full insurable value thereof. This insurance shall insure against the perils of fire and extended coverage and shall include "All Risk" insurance for physical loss or damage. The contractor with respect to any specific contract or Redeveloper shall also carry insurance on all stored materials. Upon the request of the Agency or City, the contractor or Redeveloper, as the case may be, shall furnish the Agency and the City with a certificate of insurance evidencing policies as required above.

- (m) At all times during the term of this Redevelopment Contract, Redeveloper shall maintain policies insuring the improvements located within the Project Site in an amount equal to one-hundred percent (100%) of their full insurable value.
- (n) Redeveloper represents and warrants that the Redevelopment Project is not economically viable without the assistance of TIF and Redeveloper would not construct the Redevelopment Project without TIF.
- (o) With respect to the Redevelopment Project, Redeveloper has not pursued or received, and will not pursue or receive, tax incentives under the Nebraska Advantage Act or the ImagiNE Nebraska Act, or a refund of the City's local option sales tax revenue.
- (p) Redeveloper acknowledges and agrees that, as a condition of its entitlement to and receipt of TIF under this Redevelopment Contract, Redeveloper shall complete the Required Public Improvements, as defined and set forth under Exhibit "B".
- (q) Redeveloper acknowledges and agrees that, as a condition of its entitlement to and receipt of TIF under this Redevelopment Contract, Redeveloper shall facilitate the annexation of the Project Site into the jurisdictional boundaries of the City prior to the completion of any improvements on the Project Site.

**Section 2. Incorporation of Plan; Agency to Issue Bond.**

This Redevelopment Contract hereby incorporates the Plan by this reference. The Agency and Redeveloper anticipate that the Redevelopment Project and related construction will be undertaken and constructed in multiple phases as set forth under Exhibit "B"; with each phase consisting of multiple annual Subphases (defined below). The Parties anticipate that a total of one (1) bond will be issued for the Redevelopment Project (i.e., one bond for all phases). Each Subphase is anticipated to have a different "**effective date**" (as defined in the Act) for the division of excess ad valorem real property taxes ("**TIF Revenues**"), along with a new increment period. The increment period for each Subphase will end after the applicable 15-year period or when the Bond is paid in full, whichever occurs first.

Establishment of each Subphase shall be directly related to the construction of the private improvements completed each year. Commencing on June 1<sup>st</sup> of the first year in which the Redevelopment Project improvements are being completed, and annually on or before each June 1st thereafter, Redeveloper shall notify the Agency in writing of the lot(s) to be included in the "**Notice to Divide Taxes**" (as detailed under Section 18-2147 of the Act) for the respective Subphase in such year. The lot(s) identified by Redeveloper in a given year shall constitute a "**Subphase**" of the Redevelopment Project. The written notice shall include the legal description of the lot(s) in the Subphase, the effective date for the Subphase, the base year valuation for the lot(s), and such other provisions as may be deemed necessary by the Agency including usual and customary representations. The Agency shall file the Notice to Divide Taxes with the Platte County Assessor on or prior to August 1 of such year, establishing such year as the effective date for the lots identified in Redeveloper's timely and compliant notice. Notwithstanding the foregoing, any lots within the Project Site which have not been included as part of a prior Subphase as of January 1, 2036, shall be included within the Notice to Divide Taxes for the 2036 calendar year, irrespective of the progress of construction on such lots (i.e., no Subphase may have an Effective Date, and no further Notices to Divide Taxes will be filed in relation to the Redevelopment Project, after 2036).

In order to provide for payment of some of the TIF-eligible costs for the Redevelopment Project set forth in the Plan and this Redevelopment Contract, as described in Exhibit "C", attached hereto and incorporated herein (the "**Eligible Costs**"), the Agency shall proceed to issue the Bond on a form approved by the Agency, in the principal amount not to exceed Fourteen Million Four Hundred Sixty-Two Thousand Four Hundred & 00/100 Dollars (\$14,462,400.00), at a rate of interest not to exceed five percent (5.00%), pursuant to such terms and conditions as the Agency reasonably determines appropriate under the circumstances to be set forth in the Resolution.

The Bond shall constitute a limited obligation of the Agency payable exclusively from that portion of the TIF Revenues generated from the Redevelopment Project pursuant to section 18-2147 of the Act and collected for a period not to exceed fifteen (15) years from the effective date of each Subphase. Upon receipt, the Agency shall deposit the TIF Revenues in a special TIF fund, pursuant to the Resolution, and thereafter disburse said proceeds to the holder of the Bond to provide for reimbursement of all or a portion of the costs of the Eligible Costs, to the extent paid by Redeveloper. To qualify as Eligible Costs, Redeveloper must first certify such costs to the Agency via the provision of paid invoices or other evidence acceptable to the Agency, in the Agency's sole discretion. Redeveloper may, at its option, submit one or more partial Eligible Costs certifications prior to expenditure of all Eligible Costs providing certification of receipt of billings for work in progress.

The Agency shall have no obligation to apply TIF Revenues towards the principal of the Bond in excess of the aggregate sum of Eligible Costs certified to and accepted by the Agency, in the Agency's discretion. If Redeveloper fails to submit Eligible Cost in an amount equal to or greater than the principal amount on the Bond upon completion of the Redevelopment Project, the principal and interest amounts on the Bond shall be reduced to the amount of Eligible Costs received/approved by the Agency; and Redeveloper shall cooperate with respect to all actions reasonably necessary, in the Agency's discretion, to accomplish the same.

Provided there is no duplication of costs, the Agency acknowledges and agrees that the TIF Revenues derived from a particular Subphase may be applied towards the Eligible Costs incurred within a different Subphase, as all such Subphases and Eligible Costs are a part of the single Redevelopment Project.

Unless otherwise determined by the governing body of the Agency, the proceeds of the Bond shall be applied to the costs described above. The Bond shall be issued on the basis of interest which is includable in income for both federal and Nebraska State income taxes.

### **Section 3. Workforce Housing Project; Conditions Related Thereto.**

In accordance with the Plan, and pursuant to the Act and the “Workforce Housing Tax Increment Financing Plan” (the “**Incentive Plan**”) adopted by the City, this Redevelopment Contract specifically contemplates and authorizes the use of TIF for all: (i) owner-occupied single-family residential units/improvements constructed within the Project Site that are sold (as constructed and inclusive of the respective lot) for a purchase price no greater than the maximums set forth under section 18-2103(32)(c) of the Act, as may be adjusted from time to time; and (ii) all renter-occupied multi-family residential improvements within the Project Site that are constructed at a cost no greater than the maximums set forth under section 18-2103(32)(c) of the Act, as may be adjusted from time to time (as applicable, referred to herein as “**Workforce Housing TIF**”).

The maximum sales price of the owner-occupied single-family residences, in relation to eligibility for Workforce Housing TIF, shall be determined at the time of sale of each improved lot, and shall not be fixed as of the date of this Redevelopment Contract – such that any changes to the maximums under 18-2103(32)(c) shall apply to the subsequent sale of any unsold lots/residences which are part of the Redevelopment Project. Accordingly, so long as a lot/residence complies with the then-current maximums (at the time of the sale) set forth under 18-2103(32)(c) of the Act, the improvements associated therewith shall be considered “Workforce Housing” under the Act, and shall be eligible for treatment as such with respect to the City’s administration of TIF (i.e., such improvement shall constitute Eligible Costs).

The maximum cost to construct the renter-occupied multi-family residential units in relation to eligibility for Workforce Housing TIF shall be determined at the time of substantial completion of the unit(s), and shall not be fixed as of the date of this Redevelopment Contract – such that any changes to the maximums under 18-2103(32)(c) shall apply to the subsequently constructed units which are part of the Redevelopment Project. Accordingly, so long as a multi-family unit complies with the then-current maximums (at the time of substantial completion) set forth under 18-2103(32)(c) of the Act, the improvements associated therewith shall be considered “Workforce Housing” under the Act, and shall be eligible for treatment as such with respect to the City’s administration of TIF (i.e., such improvement shall constitute Eligible Costs).

If some, but not all, of the residential improvements constructed by Redeveloper meet the eligibility criteria for Workforce Housing TIF, only the qualifying improvements shall be eligible for Workforce Housing TIF. Any ineligible portion(s) or improvement(s) shall still qualify for

normal TIF, but the hard construction costs associated with such improvement(s) shall not be considered Eligible Costs.

To ensure compliance with the foregoing, upon Redeveloper's submission of any Eligible Cost Certification which includes costs associated with the hard construction costs for private improvements (i.e., the construction of the physical residence), such Eligible Cost Certification shall be supported and/or supplemented by sufficient documentation evidencing that the improvement(s) associated with such costs was sold or constructed, as the case may be, in an amount that does not exceed the maximums under 18-2103(32)(c) of the Act (at the time of the sale or substantial completion of construction, as applicable). Unless and until the Agency receives the same, such improvements will not be deemed as Eligible Costs.

**Section 4. Covenants With Respect to Taxation of Project Site.**

Redeveloper agrees with respect to the Redevelopment Project as follows:

- (a) Until the termination of this Redevelopment Contract (as described in Section 20 hereof), the Redevelopment Project shall be operated for the use substantially similar to that contemplated in the Plan and no sale or conveyance of such property shall be made to any person or entity for ownership or use which would cause the real property within the Project Site to be eligible for exemption from ad valorem taxes under section 77-202 R.R.S. Neb. 2009, as now existing or hereafter amended, or any successor provision thereto, and that it will not make application for any structure, or any portion thereof, to be taxed separately from the underlying land of any lot.
  
- (b) Redeveloper intends to create a taxable real property valuation for the Project Site of not less than \$95,222,824, following the construction of private improvements on all buildable lots within the Project Site (the "**Project Minimum Valuation**"). The Project Minimum Valuation shall be comprised of: (i) a taxable real property valuation for each lot consisting of (or to consist of) a single-family detached dwelling within the Project Site of not less than \$283,500 (the "**SFD Lot Minimum Valuation**"); (ii) a taxable real property valuation for each lot consisting of (or to consist of) a townhome dwelling within the Project Site of not less than \$292,500 (the "**Townhome Lot Minimum Valuation**"); (iii) a taxable real property valuation for each lot consisting of (or to consist of) a rowhome dwelling within the Project Site of not less than \$225,000 (the "**Rowhome Lot Minimum Valuation**"); (iv) a taxable real property valuation for each lot consisting of (or to consist of) multifamily apartments within the Project Site of not less than the aggregate total of \$106,000 per apartment unit located on the lot (the "**MF Lot Minimum Valuation**"); and (v) a taxable real property valuation for each lot consisting of (or to consist of) a commercial improvement within the Project Site of not less than the aggregate total of \$9.50 per square foot for the improvement(s) located on the lot (the "**Commercial Lot Minimum Valuation**"). Beginning on the date of this Redevelopment Contract, and continuing for as long as the Bond is outstanding, Redeveloper, its successors and assigns, including third-party

purchasers, shall not protest a real estate property valuation, as determined by the appropriate assessing and taxing officials of Platte County, Nebraska, for purposes of local ad valorem real estate taxes: (v) to an amount below the SFD Lot Minimum Valuation with respect to any lot that consists of (or will consist of) a single-family detached dwelling; (w) to an amount below the Townhome Lot Minimum Valuation with respect to any lot that consists of (or to consist of) a townhome dwelling; (x) to an amount below the Rowhome Lot Minimum Valuation with respect to any lot that consists of (or to consist of) a rowhome dwelling; (y) to an amount below the MF Lot Minimum Valuation with respect to any lot that consists of (or to consist of) multifamily apartments; or (z) to an amount below the Commercial Lot Minimum Valuation with respect to any lot that consists of (or to consist of) commercial improvements.

- (c) If Redeveloper has monetized the Bond by pledging it to its lender, Redeveloper shall solely be responsible for all payments due to such lender. If, during the period of this Redevelopment Contract and after the filing of a notice to divide, a portion of the Project Site is assessed at less than the Minimum Valuation, Redeveloper agrees to defer receipt of any shortfall in TIF revenues caused thereby. If Redeveloper is required to defer the receipt of any such shortfall amounts, Redeveloper shall be entitled to receive reimbursement of any such shortfall payment to the extent incremental ad valorem taxes later become available during the fifteen (15) year period prescribed by the Act (for each Subphase) in an amount in excess of the amount necessary to meet the current debt service payments. Redeveloper shall forgive any such shortfall amounts not reimbursed at the end of the fifteen (15) year period prescribed by the Act (for each Subphase).
- (d) Redeveloper, its successors and assigns, including subsequent purchasers of land within the Project Site, further agree as follows:
  - (i) to pay all local ad valorem real estate taxes for the Project Site as levied and assessed before the same become delinquent; and
  - (ii) not to seek any administrative review or judicial review of the applicability or validity of any tax statute relating to taxation of the Redevelopment Project or to raise such inapplicability or invalidity as a defense in any administrative or judicial proceedings; and
  - (iii) not to seek any tax deferral or tax abatement with respect to local ad valorem taxes, either as presently or prospectively authorized under any law of the State of Nebraska or federal law with respect to the Redevelopment Project; and
  - (iv) to pay or cause to be paid, when due and before any fine, penalty, interest or cost may be added thereto for the non-payment thereof, all water and sewer rates and charges, occupancy tax, special assessments and other governmental levies and charges, general and special, ordinary and

extraordinary, unforeseen as well as foreseen, of any kind and nature whatsoever, which are assessed, levied, confirmed, imposed or become payable with respect to the Redevelopment Project; provided, however, that any special assessments levied for water, sewer or paving improvements shall be permitted to be paid as the same fall delinquent and may bear interest from the date of levy or other appropriate date set by the levying body; and

- (v) to retain copies of all supporting documents (as defined under section 18-2119(4) of the Act) actually generated and received by Redeveloper in relation to the Redevelopment Project or Plan until the expiration of three years following the end of the last fiscal year in which ad valorem taxes were divided in relation to the Redevelopment Project.

**Section 5. Release and Indemnification.**

Redeveloper hereby releases from and covenants and agrees that the Agency and the City, together with their governing body, officers, agents, including their independent contractors, consultants and legal counsel, servants and employees thereof (hereinafter, for purpose of this Section 5, collectively the “**Indemnified Parties**”) shall not be liable for and agrees to indemnify and hold harmless the Indemnified Parties against any loss or damage to property or any injury to or death of any person occurring at or about or resulting from any defect arising from the Redevelopment Project or within the Project Site. Provided, however, such release shall not be deemed to include such liability actions as arise directly out of the willful misconduct of the Agency or the City.

Additionally, the Indemnified Parties shall not have any pecuniary obligation or monetary liability under this Redevelopment Contract. The obligation of the Indemnified Parties on the Bond or any indebtedness contemplated hereunder shall be limited solely to the TIF Revenues generated from the Redevelopment Project pledged as security for such indebtedness. Specifically, but without limitation, the Indemnified Parties shall not be liable to Redeveloper or any other third party for any costs, liabilities, actions, demands, or damages for failure of any representations, warranties or obligations hereunder.

**Section 6. Covenants to Run with the Land; Easement; Recording of Redevelopment Contract.**

Redeveloper and Agency agree and acknowledge that this Redevelopment Contract and the undertakings of Redeveloper and the Agency as herein provided for shall be considered as and constitute covenants running with the land binding upon Redeveloper and the Agency and their successors and assigns and upon each successive owner of the Project Site or any portion thereof. Redeveloper hereby acknowledges and agrees that by the terms of this Redevelopment Contract it is binding and obligating any and all of its interest in the Project Site, now or hereafter acquired, and hereby covenants and warrants for the benefit of the Agency and the registered owner of the

Bond that Redeveloper shall defend such interest in the Project Site against the claims and interests of any and all persons. Redeveloper and the Agency agree and acknowledge that a memorandum of this Redevelopment Contract, in substantially the same form attached hereto and incorporated herein as Exhibit "D", shall be recorded at the expense of Redeveloper against all real estate located in the Project Site and shall remain of record until the Bond has been paid in full or matured. The Agency shall have the authority to execute such memorandum(s) without additional public determinations or meetings. As and to the extent that this Redevelopment Contract does not have priority by order of recording over each and every mortgage or other instrument securing indebtedness of Redeveloper, unless otherwise waived by the Agency, Redeveloper hereby agrees to obtain the written agreement in recordable form from each mortgagee or other encumbrancer having any such priority, which written form acknowledges and agrees to the terms of this Redevelopment Contract. Redeveloper agrees to provide the Agency with a title report or other evidence as to the status of title to the Project Site after the recording of this Redevelopment Contract and before the issuance of the Bond. After the Bond has been paid in full, Redeveloper or any successor or assign of Redeveloper shall have the right to request in writing and the Agency shall, upon such request, execute and deliver an appropriate instrument evidencing the termination of this Redevelopment Contract and of the covenants and undertakings herein provided.

**Section 7. Default and Remedies upon Default.**

Redeveloper and Agency agree with respect to any defaults or failures of performance by Redeveloper or Agency as follows:

- (a) The following shall constitute “**Events of Default**” under the terms of this Redevelopment Contract:
  - (i) failure by Redeveloper or Agency to observe timely or perform timely any covenant, condition, obligation or agreement on its part to be observed or performed under this Redevelopment Contract;
  - (ii) any representation or warranty made herein by Redeveloper or Agency proves untrue in any respect reasonably deemed to be material by the Agency or Redeveloper;
  - (iii) an event of default or material breach by or attributable to Redeveloper or Agency relating to the Redevelopment Project or any portion thereof, including, without limitation, breach of the terms of any agreement or other instrument relating to the financing or construction thereof; or
  - (iv) Redeveloper makes an assignment for the benefit of creditors, files a petition in bankruptcy, is adjudicated insolvent or bankrupt or petitions for an order for relief, petitions or applies to any tribunal for the appointment of any receiver or any trustee or a debtor in possession of Redeveloper or any part of its property or commences any proceeding related to Redeveloper under any reorganization, arrangement, readjustment of debt, dissolution or liquidation act, code, law or statute of any jurisdiction,

whether now or hereafter in effect, or if there is commenced against Redeveloper any such proceedings and Redeveloper by any act indicates its consent or approval of or acquiescence in any such proceeding or the appointment of any receiver or any trustee or debtor in possession for Redeveloper or any part of its property or suffers any such receivership or trusteeship.

- (b) Whenever an Event of Default occurs, in addition to all other remedies available to the Agency or Redeveloper at law or in equity, the Agency or Redeveloper may: (1) suspend its performance under this Redevelopment Contract until receiving adequate assurances from Redeveloper or Agency that Redeveloper or Agency has cured the default and will continue performance under this Redevelopment Contract; and/or (2) take such action at law or in equity as the Agency or Redeveloper reasonably deem appropriate, including specific performance or injunction to enforce or compel performance of the provisions of this Redevelopment Contract; provided that the remedy of specific performance against Redeveloper shall not include or be construed to include the covenant to build or construct the Redevelopment Project.
- (c) In addition to the remedies under Section 7(b), the Agency shall have the following additional remedies upon an Event of Default by Redeveloper:
  - (i) If at any time during the term of this Redevelopment Contract an Event of Default by Redeveloper shall occur and remain continuing, the City or Agency shall have the right, but not the obligation, to cure such breach on behalf of Redeveloper with respect to the construction of the improvements characterized as Eligible Costs. If the City or Agency elects to cure a breach of Redeveloper, Redeveloper shall reimburse the City or Agency for the documented and reasonable costs of curing Redeveloper's breach within 30 days of demand from City or Agency given to Redeveloper. If Redeveloper's breach can be cured by the payment of Eligible Costs, the City or Agency may cure such defect and obtain reimbursement, with notice to Redeveloper, via a set off to the principal amount of the Bond equal to the Eligible Costs reasonably expended by the City or Agency. The Eligible Costs expended by the City or Agency must be certified by the City or Agency to the holder of the grant proceeds and all subsequent distributions of TIF Revenues shall be distributed to the City or Agency, as applicable, until such Eligible Costs expended by the City or Agency have been reimbursed in full. Interest shall accrue on the amount expended by the City or Agency at the rate provided in the Bond and such interest shall commence from the date that the Agency gives notice to Redeveloper of Redeveloper's Event of Default.
  - (ii) If at any time during the term of this Redevelopment Contract an Event of Default by Redeveloper shall occur and remain continuing, following written notice from the Agency to Redeveloper of such Event of Default,

the Agency may withhold any TIF Revenues received, and shall not be required to remit said TIF Revenues as debt service on the Bond unless and until Redeveloper cures the Event of Default.

- (iii) If at any time during the term of this Redevelopment Contract an Event of Default by Redeveloper shall occur and remain continuing and uncured for a period of more than sixty (60) days after written notice from the Agency to Redeveloper of such Event of Default, unless Redeveloper has commenced to cure the same and is diligently prosecuting the same to completion, the Agency may, upon further written notice to Redeveloper, terminate and void the Bond, in which case Redeveloper and/or the holder of the Bond, as applicable, shall have no further entitlement to receipt of the TIF Revenues.
- (d) No remedy herein conferred upon or reserved to the Agency or the registered owner of the Bond is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Redevelopment Contract or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient.
- (e) If any provision of this Redevelopment Contract is breached by a Party and thereafter waived by the other Party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.
- (f) Anything in this Section 7 to the contrary notwithstanding, none of the events described in subsection 7(a)(iv) above shall, on their own, constitute an Event of Default after the Redevelopment Project has been completed.

**Section 8. Status of Agency and City.**

Neither the Agency nor the City is or shall be regarded as the partner, joint venturer or other jointly acting party with Redeveloper for any purpose whatsoever and the undertakings and agreements on the part of the Agency herein provided for are undertaken solely pursuant to the provisions of sections 18-2101 to 18-2150 of the Act and for the limited governmental purposes of promoting and encouraging redevelopment of a blighted and substandard area. Redeveloper acknowledges that Redeveloper or its successors and assigns are and shall remain in control of the Redevelopment Project for all purposes provided that Redeveloper acknowledges and agrees that the City is and shall be the owner of and shall be in control of all public street, sewer and water improvements constituting a part of or serving the Redevelopment Project.

**Section 9. Manner of Sale of Bond.**

Redeveloper agrees either to purchase the Bond for the principal amount thereof or to find a purchaser for the Bond upon terms and conditions acceptable to the Agency. Neither the Agency nor the City under the terms of this Redevelopment Contract undertakes any responsibility with respects to the sale or placement of the Bond. Any such sale or placement of the Bond shall be by means of a private placement to a financial institution or other institutional buyer capable of evaluating the risks of investment in the Bond or to Redeveloper. Any such purchaser, including Redeveloper, shall provide to the Agency an investment letter setting forth the understanding as to purchase for investment and not for any further distribution, in form and substance approved by the Agency, in its sole discretion. The loan to be accomplished by this Section, and the obligation of the Agency to remit the TIF revenues for the Redevelopment Project as debt service on the Bond, may be accomplished by offset so that no bankable currency is exchanged between the Parties at closing of the Bond, notwithstanding other payments required hereunder. If the Agency so requests, Redeveloper shall, from time to time, furnish the Agency with satisfactory evidence as to the use and application of the TIF revenues.

**Section 10. Reimbursement of Agency and City Fees.**

Upon the full execution of this Redevelopment Contract, Redeveloper shall reimburse the Agency for its legal fees incurred in relation to the Redevelopment Project in the amount of \$15,000. Such reimbursement shall be payable directly to the Agency's special counsel, at the direction of the Agency. Additionally, prior to or contemporaneously with issuance of the Bond, Redeveloper shall reimburse the Agency in the amount of \$3,000 for its legal fees incurred in relation to issuance of the Bond. Such reimbursement shall be payable directly to the Agency's special counsel, at the direction of the Agency.

**Section 11. Indemnification and Penal Bond**

Redeveloper hereby agrees to indemnify and save the City and Agency harmless from any payment or liability to which the City or Agency may become subject for carrying out of any contract entered into by Redeveloper with respect to the Redevelopment Project. Redeveloper agrees to procure, through itself or its contractors, a bond (or bonds) for the payment of costs to the extent required under Section 18-2151 of the Act. The City and Agency shall be included as co-obligees on any such bond (or bonds). Prior to undertaking any construction upon public lands or within a public right-of-way, Redeveloper shall provide a copy of such bond (or bonds) to the Agency, evidencing that the same is in effect in accordance with the requirements of this Section.

**Section 12. Additional Parties Added as Redeveloper.**

The Parties specifically agree that additional parties or entities may be admitted to and included within the meaning of the term “Redeveloper” upon the mutual written consent of both Parties.

**Section 13. Redevelopment Contract Binding Upon Successors and Assigns.**

This Redevelopment Contract is made for the benefit of Redeveloper, the Agency and the registered owners from time to time of the Bond as third party beneficiaries. This Redevelopment Contract shall be binding upon the Agency and Redeveloper, and any successors or assigns thereof. Redeveloper may assign its interest in the Redevelopment Project only upon receipt of prior written consent from the Agency. The Agency and Redeveloper acknowledge and agree that, in the event Redeveloper assigns its rights and obligations under this Redevelopment Contract, in whole or in part, to any assignee, Redeveloper and the assignee shall both be bound by the terms of the Plan and this Redevelopment Contract (as and to the extent of any such assignment with respect to the Assignee). No assignment by Redeveloper to the Assignee shall be effective until a written instrument binding the Assignee under the terms of the Plan and this Redevelopment Contract (as and to the extent of such assignment), duly acknowledged and in recordable form, has been executed and delivered by the Assignee and recorded in the real estate records of Platte County, Nebraska, with respect to the Project Site.

**Section 14. Titles of Sections.**

Any titles of the several Sections of this Redevelopment Contract are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of the provisions hereof.

**Section 15. Notices.**

Except as otherwise specified herein, all notices hereunder shall be in writing and shall be given to the relevant Party at its address set forth below, or such other address as such Party may hereafter specify by notice to the other given by United States mail or by other telecommunication device capable of creating a written record of such notice and its receipt. **Section 16. Severability.**

If any provision of this Redevelopment Contract shall be held or deemed to be or shall, in fact, be inoperative or unenforceable as applied in any particular case, for any reason, such circumstances shall not have the effect of rendering the provision in question inoperative and unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained, invalid, inoperative or unenforceable to any extent whatever. The invalidity of any one or more phrases, sentences, clauses, sections or paragraphs in this Redevelopment Contract shall not affect the remaining portions of this Redevelopment Contract or any part thereof.

**Section 17. Counterparts.**

This Redevelopment Contract may be executed in any number of counterparts, each of which shall constitute one and the same instrument.

**Section 18. Law Governing.**

The Parties agree that this Redevelopment Contract shall be governed and construed in accordance with the laws of Nebraska.

**Section 19. Time of the Essence.**

Time shall be of the essence of this Redevelopment Contract.

**Section 20. Termination.**

This Redevelopment Contract shall commence as of the date first above written and shall automatically terminate (if not otherwise terminated earlier pursuant to the terms of this

Redevelopment Contract) upon the earlier of maturity of the Bond or payment of all principal and interest owed toward the Bond.

**Section 21. Force Majeure Event.**

No Party shall be considered in breach of, or in default in its obligations with respect to any of the obligations under this Redevelopment Contract in the event that a delay in the performance of such obligations is caused by a Force Majeure Event. A “**Force Majeure Event**” means any failure or delay in performance by a Party that is proximately caused by unforeseeable causes beyond its control and without its fault or negligence, such as acts of God, wars or insurrections, pandemics, and epidemics, among others. In the event of the occurrence of any such delay due to a Force Majeure Event, the time or times for performance of the obligations of the delayed Party shall be extended for the period of Force Majeure Event, as determined by the mutual agreement of the Parties. Any Party claiming such excused delay as the result of a Force Majeure Event shall, within twenty (20) days after the beginning of any such Force Majeure Event, notify the other Party in writing of the cause or causes thereof, and request an extension for the period of the delay.

**Section 22. Effect of Redevelopment Contract.**

This Redevelopment Contract (including the Plan as incorporated by reference) constitutes the entire understanding by and between the Parties concerning the subject matter hereof, and supersedes and replaces all prior agreements. No other prior or contemporaneous representations, inducements, promises or agreements, oral or otherwise, between or among the Parties relating to the subject matter hereof and not embodied in this Redevelopment Contract shall be of any force and effect.

(The remainder of this page is intentionally left blank)

IN WITNESS WHEREOF, the Agency and Redeveloper have caused this Redevelopment Contract to be executed by their duly authorized representatives.

**Exhibit "B"**  
**Redevelopment Project Description and Conceptual Site Plans**

Redevelopment Project Description:

The Redevelopment Project consists of the phased construction of approximately 77 single-family homes, 38 townhomes, 58 rowhomes, 420 apartment units, and 8 commercial buildings, together with the public and private improvements ancillary thereto.

As part of the Redevelopment Project, Redeveloper shall be required to undertake all infrastructure and other public improvements necessary to support the private improvements constructed as part of the Redevelopment Project. Without limiting the generality of the foregoing, Redeveloper shall be required to comply with and/or undertake, as the case may be, the following as part of the Redevelopment Project (collectively, the **"Required Public Improvements"**):

- The only permitted connections to E 6th Avenue will be E 38th Street and "Street 8" (as denoted on the conceptual site plans in this Exhibit "B") – i.e., there shall be no connection to "Street 4" (as denoted on the conceptual site plans).
- Paving and reconstruction of adjacent portion of E 38th Street with a possible center island closer to E 6th Avenue (pursuant to 41-foot wide concrete urban arterial/collector parameters). Placement of center island closer to E 6th Avenue may result in "B Avenue" (as denoted on the conceptual site plans) being limited to "right in, right out" ingress and egress.
- Construction and paving of new 80-foot right-of-way along the southern boundary of the Project Site (denoted as "Street 8" on the conceptual site plans), pursuant to 41-foot wide urban arterial/collector parameters, with coordinated access to the south. Such improvements will necessitate reconstruction of the intersection with E 6th Avenue, inclusive of turn lane additions and/or widening.
- Construction and paving of new 80-foot right-of-way along the eastern boundary of the Project Site (denoted as "D Avenue" on the conceptual site plans), with a roundabout at the intersection of "Road 4" (as denoted on the conceptual site plans), all pursuant to 41-foot wide urban arterial/collector parameters (with greater widths required on the roundabout). Such improvements will require the approval of Columbus Public Schools (as the adjacent property owner).
- Construction and paving of 10-foot wide pedestrian paths within public easements along the adjacent portion of E 6th Avenue, the E 38th Street extension, and "Street 8" (as denoted on the conceptual site plans); as well as potential extensions along "Street 4" and "D Avenue" (as denoted on the conceptual site plans). All such improvements shall meet the trail construction requirements and parameters of the City.

- Any buildable areas within a “Floodplain AO Zone +2” designation will require dirt infill and compaction to a minimum of 3 feet above the established base flood elevation.
- Construction and extension of water and sewer systems to provide appropriate service to all lots within the Project Site, which shall include, without limitation:
  - Extension of the 12-inch water main along the west side of E 6th Avenue and the north side of E 38th Street.
  - Installation of 8-inch water main loops in the “D Avenue” and “Street 8” (as denoted on the conceptual site plans) rights-of-way.
  - Sanitary sewer connecting to the existing E 6th Avenue main must be bored underneath.
  - Incorporation of on-site (or jointly with the adjacent Columbus Public Schools’ property) storm sewer and post-construction storm water treatment.

The necessary infrastructure and public improvements for the Redevelopment Project are not limited to the above-stated items and Redeveloper must address any/all public infrastructure requirements or concerns that would otherwise be created by the Redevelopment Project. All streets and other public infrastructure constructed by Redeveloper (inclusive of those detailed above) will be subject to review and approval by the City's engineer or other designee of the City. Such review and approval shall be in the exclusive discretion and authority of the City. To the extent any of the plans or specifications for the Required Public Improvements which are finally-approved by the City conflict with the specifications provided in this Exhibit “B”, such plans and specifications which are finally-approved by the City shall supersede and control.

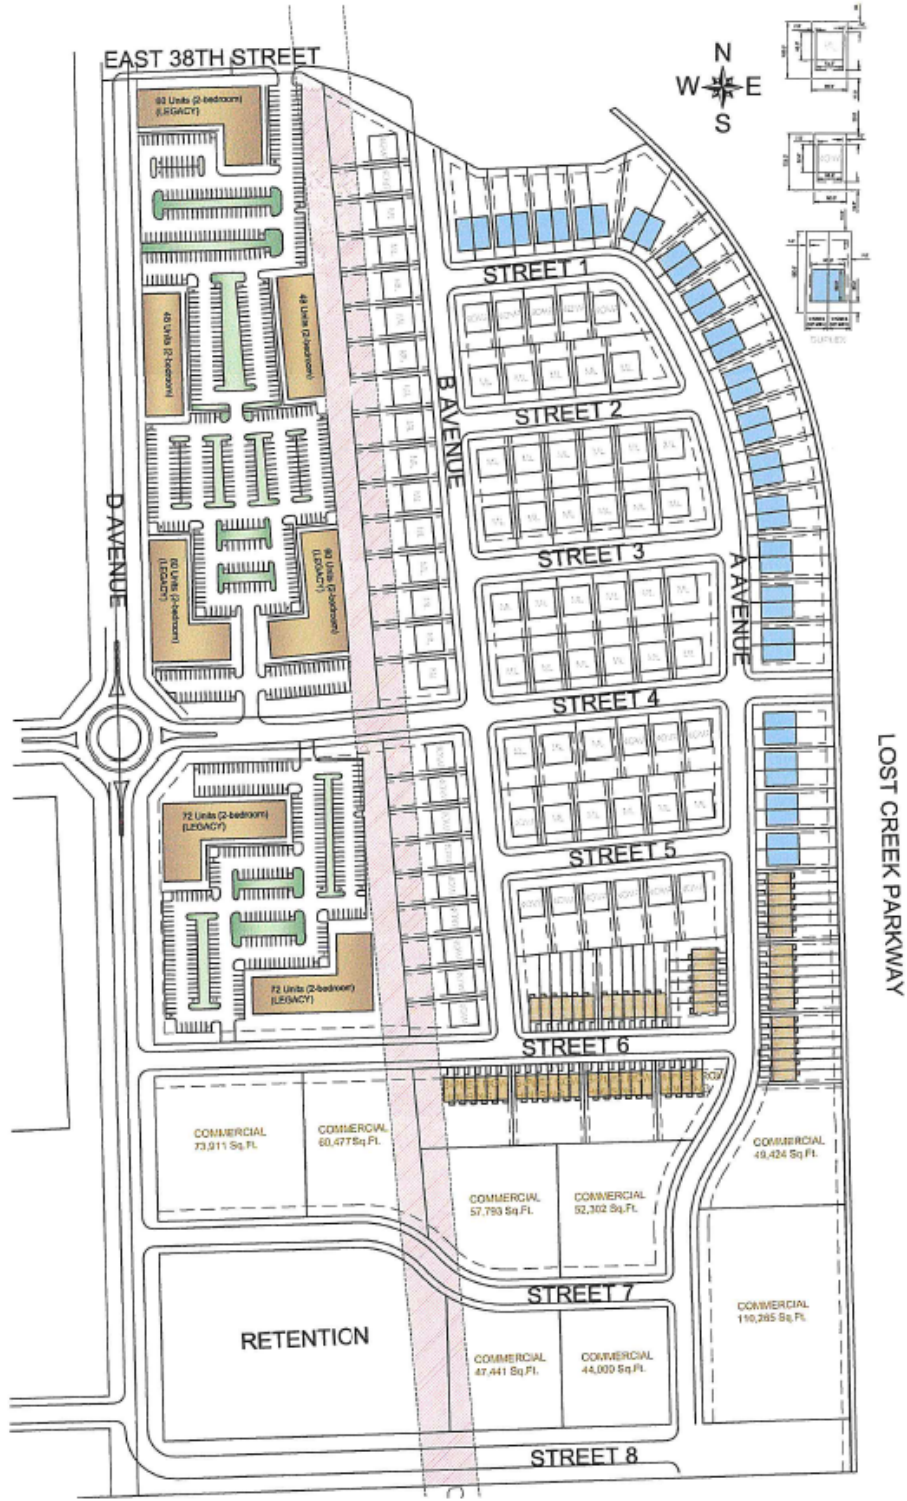

Anticipated Phasing of Redevelopment Project:

Redeveloper anticipates that the Redevelopment Project will occur in approximately four staggered phases as detailed below; provided that market demand and other extraneous factors may necessitate that Redeveloper completes one or more phases over additional or different periods of time. As detailed in the Redevelopment Contract, each phase is anticipated to occur in annual Subphases based upon the improvements constructed in a given year.

<b>Phase</b>	<b>Timing</b>	<b>Description</b>
1	Spring 2025 to Fall 2026	Initial stages will include infrastructure placement in the Northeast corner of the Site. Construction of single-family homes and townhomes will begin in fall or early winter of 2025. Redeveloper intends to begin placing single-family homes on foundations in fall or early winter of 2025 – with the intent to complete and sell 5 to 8 modular homes every 60 to 80 days. Additionally, Redeveloper intends to begin construction of townhomes in the northeast section of the Project Site during this phase.
2	Spring 2026 to Spring 2030	In spring of 2026, Redeveloper intends to commence construction of the apartment complexes in the northwest section of the Project Site. Redeveloper's construction partner anticipates that it will take 12 to 18 months to complete 7 separate apartment complexes on this section of the Project Site.
3	January 2027 to December 2027	Redeveloper intends to begin construction of approximately 58 rowhomes and an additional 28 single-family modular homes on the southeast/southcentral section of the Project Site.
4	January 2028 to Summer 2030	Redeveloper intends to complete infrastructure work on the south section of the Project Site, which will allow for the sale, and build-to-suit construction, of the commercial lots. Accordingly, it is anticipated that the construction of the commercial buildings will be undertaken by third-party developers to suit individual plans or needs.

The anticipated start dates and completion dates for the phases are preliminary and subject to change based upon market conditions, availability of materials, workforce availability and other extraneous factors. More or less phases spanning more or less time than the anticipated dates listed above may be necessary as a result of such extraneous conditions or factors. Notwithstanding, all phases shall be completed no later than December 31, 2035.

(c) that the City has had in effect its general plan for the development of the City from the time prior to the preparation of the Plan;

(d) that the Plan was submitted to the City Planning Commission of the City and approved and thereafter recommended by the Agency to the Mayor and City Council of the City, all in accordance with the Act;

(e) that on the 17th day of March, 2025, the Mayor and City Council of the City

held a public hearing on the Plan, for which notice was given by publication prior to such hearing in conformance with the Act, and, after such hearing, the Mayor and City Council approved and adopted the Plan via Resolution No. R25-41;

(f) that the Plan, among other things, calls for the construction of a mixed-use development consisting of commercial and mixed-density residential improvements, together with such public improvements associated therewith, within the Project Site (referred to herein as the "Project");

(g) that Cottonwood Heights, LLC, a Nebraska limited liability company (hereafter in this Resolution referred to as the "Redeveloper"), has undertaken or will undertake the redevelopment of the real estate constituting a portion of the Project Site by constructing the Project as described in the redevelopment contract between the Agency and Redeveloper, attached hereto and incorporated herein as Exhibit B, as may hereafter be amended or supplemented from time to time (the "Redevelopment Contract"), and the City and the Agency have previously communicated willingness to assist such redevelopment in order to encourage employment and economic development of the City as well as for the redevelopment of a blighted and substandard area of the City;

(h) that Redeveloper has incurred and is expected to incur costs in excess of \$68,508,164 relating to the Project pursuant to the Plan and the Redevelopment Contract, and intends to complete the Project prior to December 31, 2035;

(i) that the Agency, upon the written request of Redeveloper with respect to a certain "Subphase" (as defined in the Redevelopment Contract) of the Project, shall timely file a "Notice to Divide Tax" for such Subphase of the Project with the county assessor for Platte County, Nebraska, on or before the applicable deadline such year until all Subphases are complete or until calendar year 2036, whichever occurs first;

(j) that the Agency and the City have agreed to assist the Redeveloper with certain grants as set forth in the Redevelopment Contract and in consideration for undertaking the costs of the Project and for such purpose it is necessary for the Agency to authorize the issuance of its tax increment revenue bond in an amount not to exceed Fourteen Million Four Hundred Sixty-Two Thousand Four Hundred & 00/100 Dollars (\$14,462,400.00);

(k) that the Redevelopment Contract provides that the Agency and City will assist the Redeveloper via issuance of the tax increment revenue bond as provided for in this Resolution;

(l) that all ad valorem taxes received by the Agency's Treasurer related to the Project Site shall be allocated to the tax increment revenue bond pursuant to the terms

of this Resolution and said bond; and

(m) that all conditions, acts and things required by law to exist or to be done precedent to the authorizing of the Agency's tax increment revenue bond as provided for in this Resolution do exist and have been done as provided by the Act.

Section 2. A tax increment revenue bond in an amount not to exceed Fourteen Million Four Hundred Sixty-Two Thousand Four Hundred & 00/100 Dollars (\$14,462,400.00), is hereby ordered issued in accordance with Section 18-2125 of the Act, by the Agency and shall be designated as its "Tax Increment Revenue Bond of the Community Development Agency for City of Columbus, Nebraska (The Cottonwood Heights Redevelopment Project)" (hereinafter referred to as the "Bond"). The Bond shall be issued in the single denomination in an amount not to exceed \$14,462,400.00. The Bond shall be dated as of the date of its delivery. The Bond shall bear interest from the "effective date" (as defined in the Act) of the first Subphase of the Project until maturity (or earlier redemption) at the rate not to exceed five percent (5.00%) per annum. The principal of the Bond shall become due upon the earlier of the December 31 following the date that all excess ad valorem real estate taxes for the final Subphase of the Project have been divided and collected in conformance with Section 18-2147 of the Act, or December 31, 2051; provided that such principal amount shall be subject to mandatory redemption from "Available Funds" as described in Section 5 below on June 1 and December 1 of each year. All interest upon the Bond shall be payable on June 1 of the year following the effective date for the first Subphase of the Project, and semiannually thereafter on June 1 and December 1 of each year.

The Bond shall be issued in fully registered form. The Agency's Treasurer (the City Treasurer of the City of Columbus) is hereby designated as paying agent and registrar for the Bond (the "Agent"). The Agent shall serve in such capacities pursuant to the terms of this Resolution. The interest due on each interest payment date prior to maturity shall be payable to the registered owner of record as of the last business day of the calendar month immediately preceding the calendar month in which such interest payment date occurs (the "Record Date"), subject to the provisions of Section 4 hereof. Payments of interest due on the Bond, except for payments due on final maturity date, or other final payment, shall be made by the Agent by mailing or delivering a check or draft in the amount then due for interest on the Bond to the registered owner of the Bond, as of the Record Date for such interest payment date, to such owner's registered addresses as shown on the books of registration as required to be maintained in Section 3 hereof. Payments of principal and interest due at final maturity or other final payment shall be made by the Agent to the registered owner upon presentation and surrender of the Bond to the Agent at the Agency's offices at City Hall in the City of Columbus, Nebraska. The Agency and the Agent may treat the registered owner of the Bond as the absolute owner of the Bond for the purpose of making payments thereon and for all other purposes and neither the Agency nor the Agent shall be affected by any notice or knowledge to the contrary, whether the Bond or any installment of interest due thereon shall be overdue or not. All payments on account of interest or principal made to the registered owner of the Bond

in accordance with the terms of this Resolution shall be valid and effectual and shall be a discharge of the Agency and the Agent, in respect of the liability upon the Bond or claims for interest to the extent of the sum or sums so paid. Notwithstanding anything in this Resolution or the Redevelopment Contract to the contrary, the Agent shall not disburse any amounts toward payment on the Bond unless and until Redeveloper has provided the Agency with certifications of Eligible Costs (as defined in the Redevelopment Contract) pursuant to Section 2 of the Redevelopment Contract. If Redeveloper fails to submit certifications of Eligible Cost in an amount equal to or greater than the principal amount on the Bond upon completion of the Project, the principal and outstanding interest on the Bond shall be adjusted to reflect the aggregate total of the certified Eligible Costs.

Section 3. The Agent shall keep and maintain for the Agency books for the registration and transfer of the Bond at the Agency's offices at City Hall in Columbus, Nebraska. The name and registered address of the registered owner of the Bond shall at all times be recorded in such books. The Bond may be transferred pursuant to its provisions at the Agency's offices by surrender of such Bond for notation of transfer, accompanied by a written instrument of transfer, in form satisfactory to the Agent, duly executed by the registered owner in person or by such owner's duly authorized agent, and thereupon the Agent on behalf of the Agency will register such transfer upon its books and make notation thereof on the Bond and deliver the Bond at its office to the transferee owner (or send it by registered mail to the transferee owner thereof at such transferee owner's expense). Any transfers of the Bond shall be upon the basis of a private placement and each proposed transferee registered owner shall furnish the Agent with assurances in form satisfactory to the Agent that such Bond is being purchased for investment purposes only, without view to redistribution and upon the independent credit judgment and investigation of the proposed transferee. The Agency and the Agent shall not be required to transfer the Bond during any period from any Record Date until its immediately following interest payment date or to transfer the Bond when called for redemption, in whole or in part, for a period of 15 days next preceding any date fixed for redemption or partial redemption.

Section 4. In the event that payments of interest or for mandatory partial redemption due on the Bond on any interest payment date are not timely made, such interest or redemption price shall cease to be payable to the registered owner as of the Record Date for such interest payment date and shall be payable to the registered owner of the Bond as of a special date of record for payment of such defaulted interest or redemption price as shall be designated by the Agent whenever monies for the purpose of paying such defaulted interest or redemption price become available.

Section 5. At any time, the Agency shall have the option of prepaying in whole or in part principal of the Bond. Any such optional prepayment of principal shall be accompanied by an amount equal to all accrued but unpaid interest on the principal amount being prepaid. Notice of any optional redemption for the Bond shall be given at the direction of the Agency by the Agent by mail not less than 15 days prior to the date fixed for redemption, first class, postage prepaid, sent to the registered owner of the Bond at said owner's registered address. Notice of

call for redemption may be waived in writing by any registered owner. In the event of prepayment in whole the Bond shall be cancelled. The determination of the amount and timing of any optional redemption of the Bond shall be in the absolute discretion of the Agency. The Bond shall also be subject to mandatory partial redemption, without notice, on each interest payment date from all funds to be available in the Bond Fund (as hereinafter established and defined), including all amounts, if any, from investment earnings for such fund, rounded down to the nearest one hundred dollars, after payment of all accrued but unpaid interest on each interest payment date (which funds are referred to in this Resolution as "Available Funds"). Available Funds shall be applied to the prepayment of principal on each interest payment date and shall be remitted to the registered owner of the Bond with interest payments. The Agent shall mark the Agent's records with respect to each mandatory partial principal prepayment made from Available Funds and it shall not be necessary for the registered owner to present the Bond for notation of such prepayment. The records of the Agent shall govern as to any determination of the principal amount of the Bond outstanding at any time and the registered owner shall have the right to request information in writing from the Agent at any time as to the principal amount outstanding upon the Bond.

Section 6. The Bond shall be in substantially the following form:

**REDEVELOPMENT CONTRACT**  
**(The Cottonwood Heights Redevelopment Project)**

This Redevelopment Contract (“**Redevelopment Contract**”) is made and entered into as of the 7th day of April, 2025, by and between the Community Development Agency of the City of Columbus, Nebraska (the “**Agency**”) and Cottonwood Heights, LLC, a Nebraska limited liability company (“**Redeveloper**”). The Agency and/or Redeveloper may be referred to hereinafter as the “**Party**” or collectively as the “**Parties**”.

**WITNESSETH:**

WHEREAS, in conformance with the Nebraska Community Development Law, sections 18-2101 et seq., of the Nebraska Revised Statutes (the “**Act**”), the Mayor and Council of the City of Columbus, Nebraska (the “**City**”) has adopted and approved a plan entitled “Redevelopment Plan for the Cottonwood Heights Redevelopment Project,” as may be amended and supplemented (the “**Plan**”), for the real estate described on Exhibit “A”, attached hereto and incorporated herein (the “**Project Site**”), which is located in the City, and which has previously been declared blighted and substandard or otherwise eligible for redevelopment by the Mayor and Council of the City; and

WHEREAS, the Agency has encouraged and induced Redeveloper to engage in certain development activities and construct improvements on or around the Project Site and Redeveloper is not willing to incur the substantial investment necessary for such redevelopment of the Project Site without the assistance of tax-increment financing (“**TIF**”) provided by the Agency to Redeveloper in this Redevelopment Contract; and

WHEREAS, pursuant to the Plan, Redeveloper is undertaking the phased construction of a mixed-use development consisting of commercial and mixed-density residential improvements, together with such public improvements associated therewith, within the Project Site, all as more particularly described in the Plan (collectively, said improvements are referred to in this Redevelopment Contract as the “**Redevelopment Project**”), all as more particularly described in the Plan and Exhibit “B”, attached hereto and incorporated herein; and

WHEREAS, the real property within the Project Site, other than easements for public utilities, is to be privately owned by Redeveloper; and

WHEREAS, the Agency proposes to authorize the issuance of a tax increment revenue bond (the “**Bond**”), to provide for eligible costs relating to the Redevelopment Project, as shall be more specifically described in a resolution to be adopted by the governing body of the Agency (the “**Resolution**”); and

WHEREAS, Redeveloper seeks the assistance of the Agency for the costs of the eligible improvements for the Redevelopment Project and therefore is willing to agree to the conditions herein set forth as an inducement to the Agency to issue the Bond as provided in the Resolution.

NOW, THEREFORE, for and in consideration of the premises and the mutual covenants herein contained, the Agency and Redeveloper do hereby agree, covenant and warrant as follows:

**Section 1. Representations, Warranties and Covenants of Redeveloper.**

Redeveloper hereby represents, covenants and warrants as follows:

- (a) Redeveloper is a limited liability company duly organized and existing under the laws of the State of Nebraska, is not in violation of any provisions of its articles of organization or operating agreement(s), is authorized to enter into and perform its obligations under this Redevelopment Contract and, to the best of the knowledge of Redeveloper, is not in violation of the laws of the State of Nebraska.
- (b) Throughout the term of this Redevelopment Contract, Redeveloper will reasonably endeavor to construct, operate and maintain the Redevelopment Project in accordance with the terms of this Redevelopment Contract and the Plan, or amendments thereof, and all applicable local, state and federal laws and regulations (including, without limitation, environmental, zoning, building code and public health laws and regulations). Throughout the term of this Redevelopment Contract and subject to the provisions of Section 21 of this Redevelopment Contract, in the event of any casualty damage to the Redevelopment Project, as and to the extent owned by Redeveloper, Redeveloper agrees to repair and reconstruct such damaged portion or portions of the Redevelopment Project so that such reconstructed real property has a taxable value at least equal to the value as most recently determined prior to the event or events of casualty loss. Redeveloper agrees to substantially effect such repair and reconstruction whether or not insurance proceeds are sufficient or available for such purposes.
- (c) Redeveloper shall endeavor in good faith to complete the Redevelopment Project on or before December 31, 2035.
- (d) Redeveloper has not received notices or communications from any local, state or federal official or body that the activities of Redeveloper respecting the Project Site or the construction of the Redevelopment Project thereon may be or will be in violation of any law or regulation.
- (e) Redeveloper will use its best efforts to obtain or to cause others to obtain, in a timely manner, all required permits, licenses and approvals and to meet, in a timely manner, all requirements of all applicable local, state and federal laws and regulations which must be obtained or met for the Redevelopment Project to be lawfully constructed, occupied or operated.
- (f) The execution and delivery of this Redevelopment Contract, the consummation of the transactions contemplated hereby and the fulfillment of or compliance with the terms and conditions of this Redevelopment Contract are not prevented or limited by and will not conflict with or result in a breach (i) of any provision of any

evidence of indebtedness, agreement or instrument of whatever nature to which Redeveloper is now a party or by which it is bound; or (ii) of any past, pending or threatened litigation, court order, or administrative proceeding, by which Redeveloper is or might become bound.

- (g) To the best of the knowledge of Redeveloper, Redeveloper is not aware of any hazardous waste or other significant environmental pollution condition or hazard existing on or within the Project Site.
- (h) Redeveloper acknowledges and agrees that neither the Agency nor the City shall be obligated to pay any costs related to the Redevelopment Project other than costs to be paid from available grant monies derived from ad valorem incremental real estate taxes generated from the Redevelopment Project (“**TIF Revenues**”), if any, and Redeveloper hereby undertakes and agrees to pay any and all such cost. All costs (both public and private) of the Redevelopment Project shall be paid in full and there are and shall be no construction liens unpaid against the Project Site or any of the improvements thereon. Redeveloper agrees to provide for the construction of both the Redevelopment Project public and private improvements located within the Project Site as described in the Plan or as described in this Redevelopment Contract, except to the extent that the Agency or the City shall agree otherwise by separate written agreement with Redeveloper.
- (i) Redeveloper agrees and covenants for itself, its successors and assigns that as long as the Bond is outstanding, it will not discriminate against any person or group of persons on account of race, sex, color, religion, national origin, ancestry, disability, marital status or receipt of public assistance in connection with the Redevelopment Project. Redeveloper, for itself and its successors and assigns, agrees that during the construction of the Redevelopment Project, Redeveloper will not discriminate against any employee or applicant for employment because of race, religion, sex, color, national origin, ancestry, disability, marital status or receipt of public assistance. Redeveloper will comply with all applicable federal, state and local laws related to the Redevelopment Project.
- (j) Redeveloper agrees that any contractor providing services related to the Redevelopment Project will utilize the federal immigration verification system, as defined in Section 4-114 of the Nebraska Revised Statutes, to determine the work eligibility status of new employees physically performing services on the Redevelopment Project.
- (k) Redeveloper owns or has contracted to purchase the Project Site, in fee simple and free from any liens, encumbrances, or restrictions which would prevent the performance of this Redevelopment Contract by Redeveloper.
- (l) Any general contractor chosen by Redeveloper or Redeveloper itself shall obtain and keep in force at all times until completion of construction, policies of insurance including coverage for contractors’ general liability and completed operations of at

least \$1,000,000 per occurrence and \$2,000,000 in the aggregate, and a penal bond as required by the Act and Section 11 of this Redevelopment Contract. The Agency, the City and Redeveloper shall be named as additional insureds on each such policy. Any contractor chosen by Redeveloper or Redeveloper itself, as an owner, shall be required to purchase and maintain property insurance upon the Redevelopment Project to the full insurable value thereof. This insurance shall insure against the perils of fire and extended coverage and shall include "All Risk" insurance for physical loss or damage. The contractor with respect to any specific contract or Redeveloper shall also carry insurance on all stored materials. Upon the request of the Agency or City, the contractor or Redeveloper, as the case may be, shall furnish the Agency and the City with a certificate of insurance evidencing policies as required above.

- (m) At all times during the term of this Redevelopment Contract, Redeveloper shall maintain policies insuring the improvements located within the Project Site in an amount equal to one-hundred percent (100%) of their full insurable value.
- (n) Redeveloper represents and warrants that the Redevelopment Project is not economically viable without the assistance of TIF and Redeveloper would not construct the Redevelopment Project without TIF.
- (o) With respect to the Redevelopment Project, Redeveloper has not pursued or received, and will not pursue or receive, tax incentives under the Nebraska Advantage Act or the ImagiNE Nebraska Act, or a refund of the City's local option sales tax revenue.
- (p) Redeveloper acknowledges and agrees that, as a condition of its entitlement to and receipt of TIF under this Redevelopment Contract, Redeveloper shall complete the Required Public Improvements, as defined and set forth under Exhibit "B".
- (q) Redeveloper acknowledges and agrees that, as a condition of its entitlement to and receipt of TIF under this Redevelopment Contract, Redeveloper shall facilitate the annexation of the Project Site into the jurisdictional boundaries of the City prior to the completion of any improvements on the Project Site.

**Section 2. Incorporation of Plan; Agency to Issue Bond.**

This Redevelopment Contract hereby incorporates the Plan by this reference. The Agency and Redeveloper anticipate that the Redevelopment Project and related construction will be undertaken and constructed in multiple phases as set forth under Exhibit "B"; with each phase consisting of multiple annual Subphases (defined below). The Parties anticipate that a total of one (1) bond will be issued for the Redevelopment Project (i.e., one bond for all phases). Each Subphase is anticipated to have a different "**effective date**" (as defined in the Act) for the division of excess ad valorem real property taxes ("**TIF Revenues**"), along with a new increment period. The increment period for each Subphase will end after the applicable 15-year period or when the Bond is paid in full, whichever occurs first.

Establishment of each Subphase shall be directly related to the construction of the private improvements completed each year. Commencing on June 1<sup>st</sup> of the first year in which the Redevelopment Project improvements are being completed, and annually on or before each June 1st thereafter, Redeveloper shall notify the Agency in writing of the lot(s) to be included in the "**Notice to Divide Taxes**" (as detailed under Section 18-2147 of the Act) for the respective Subphase in such year. The lot(s) identified by Redeveloper in a given year shall constitute a "**Subphase**" of the Redevelopment Project. The written notice shall include the legal description of the lot(s) in the Subphase, the effective date for the Subphase, the base year valuation for the lot(s), and such other provisions as may be deemed necessary by the Agency including usual and customary representations. The Agency shall file the Notice to Divide Taxes with the Platte County Assessor on or prior to August 1 of such year, establishing such year as the effective date for the lots identified in Redeveloper's timely and compliant notice. Notwithstanding the foregoing, any lots within the Project Site which have not been included as part of a prior Subphase as of January 1, 2036, shall be included within the Notice to Divide Taxes for the 2036 calendar year, irrespective of the progress of construction on such lots (i.e., no Subphase may have an Effective Date, and no further Notices to Divide Taxes will be filed in relation to the Redevelopment Project, after 2036).

In order to provide for payment of some of the TIF-eligible costs for the Redevelopment Project set forth in the Plan and this Redevelopment Contract, as described in Exhibit "C", attached hereto and incorporated herein (the "**Eligible Costs**"), the Agency shall proceed to issue the Bond on a form approved by the Agency, in the principal amount not to exceed Fourteen Million Four Hundred Sixty-Two Thousand Four Hundred & 00/100 Dollars (\$14,462,400.00), at a rate of interest not to exceed five percent (5.00%), pursuant to such terms and conditions as the Agency reasonably determines appropriate under the circumstances to be set forth in the Resolution.

The Bond shall constitute a limited obligation of the Agency payable exclusively from that portion of the TIF Revenues generated from the Redevelopment Project pursuant to section 18-2147 of the Act and collected for a period not to exceed fifteen (15) years from the effective date of each Subphase. Upon receipt, the Agency shall deposit the TIF Revenues in a special TIF fund, pursuant to the Resolution, and thereafter disburse said proceeds to the holder of the Bond to provide for reimbursement of all or a portion of the costs of the Eligible Costs, to the extent paid by Redeveloper. To qualify as Eligible Costs, Redeveloper must first certify such costs to the Agency via the provision of paid invoices or other evidence acceptable to the Agency, in the Agency's sole discretion. Redeveloper may, at its option, submit one or more partial Eligible Costs certifications prior to expenditure of all Eligible Costs providing certification of receipt of billings for work in progress.

The Agency shall have no obligation to apply TIF Revenues towards the principal of the Bond in excess of the aggregate sum of Eligible Costs certified to and accepted by the Agency, in the Agency's discretion. If Redeveloper fails to submit Eligible Cost in an amount equal to or greater than the principal amount on the Bond upon completion of the Redevelopment Project, the principal and interest amounts on the Bond shall be reduced to the amount of Eligible Costs received/approved by the Agency; and Redeveloper shall cooperate with respect to all actions reasonably necessary, in the Agency's discretion, to accomplish the same.

Provided there is no duplication of costs, the Agency acknowledges and agrees that the TIF Revenues derived from a particular Subphase may be applied towards the Eligible Costs incurred within a different Subphase, as all such Subphases and Eligible Costs are a part of the single Redevelopment Project.

Unless otherwise determined by the governing body of the Agency, the proceeds of the Bond shall be applied to the costs described above. The Bond shall be issued on the basis of interest which is includable in income for both federal and Nebraska State income taxes.

### **Section 3. Workforce Housing Project; Conditions Related Thereto.**

In accordance with the Plan, and pursuant to the Act and the “Workforce Housing Tax Increment Financing Plan” (the “**Incentive Plan**”) adopted by the City, this Redevelopment Contract specifically contemplates and authorizes the use of TIF for all: (i) owner-occupied single-family residential units/improvements constructed within the Project Site that are sold (as constructed and inclusive of the respective lot) for a purchase price no greater than the maximums set forth under section 18-2103(32)(c) of the Act, as may be adjusted from time to time; and (ii) all renter-occupied multi-family residential improvements within the Project Site that are constructed at a cost no greater than the maximums set forth under section 18-2103(32)(c) of the Act, as may be adjusted from time to time (as applicable, referred to herein as “**Workforce Housing TIF**”).

The maximum sales price of the owner-occupied single-family residences, in relation to eligibility for Workforce Housing TIF, shall be determined at the time of sale of each improved lot, and shall not be fixed as of the date of this Redevelopment Contract – such that any changes to the maximums under 18-2103(32)(c) shall apply to the subsequent sale of any unsold lots/residences which are part of the Redevelopment Project. Accordingly, so long as a lot/residence complies with the then-current maximums (at the time of the sale) set forth under 18-2103(32)(c) of the Act, the improvements associated therewith shall be considered “Workforce Housing” under the Act, and shall be eligible for treatment as such with respect to the City’s administration of TIF (i.e., such improvement shall constitute Eligible Costs).

The maximum cost to construct the renter-occupied multi-family residential units in relation to eligibility for Workforce Housing TIF shall be determined at the time of substantial completion of the unit(s), and shall not be fixed as of the date of this Redevelopment Contract – such that any changes to the maximums under 18-2103(32)(c) shall apply to the subsequently constructed units which are part of the Redevelopment Project. Accordingly, so long as a multi-family unit complies with the then-current maximums (at the time of substantial completion) set forth under 18-2103(32)(c) of the Act, the improvements associated therewith shall be considered “Workforce Housing” under the Act, and shall be eligible for treatment as such with respect to the City’s administration of TIF (i.e., such improvement shall constitute Eligible Costs).

If some, but not all, of the residential improvements constructed by Redeveloper meet the eligibility criteria for Workforce Housing TIF, only the qualifying improvements shall be eligible for Workforce Housing TIF. Any ineligible portion(s) or improvement(s) shall still qualify for

normal TIF, but the hard construction costs associated with such improvement(s) shall not be considered Eligible Costs.

To ensure compliance with the foregoing, upon Redeveloper's submission of any Eligible Cost Certification which includes costs associated with the hard construction costs for private improvements (i.e., the construction of the physical residence), such Eligible Cost Certification shall be supported and/or supplemented by sufficient documentation evidencing that the improvement(s) associated with such costs was sold or constructed, as the case may be, in an amount that does not exceed the maximums under 18-2103(32)(c) of the Act (at the time of the sale or substantial completion of construction, as applicable). Unless and until the Agency receives the same, such improvements will not be deemed as Eligible Costs.

**Section 4. Covenants With Respect to Taxation of Project Site.**

Redeveloper agrees with respect to the Redevelopment Project as follows:

- (a) Until the termination of this Redevelopment Contract (as described in Section 20 hereof), the Redevelopment Project shall be operated for the use substantially similar to that contemplated in the Plan and no sale or conveyance of such property shall be made to any person or entity for ownership or use which would cause the real property within the Project Site to be eligible for exemption from ad valorem taxes under section 77-202 R.R.S. Neb. 2009, as now existing or hereafter amended, or any successor provision thereto, and that it will not make application for any structure, or any portion thereof, to be taxed separately from the underlying land of any lot.
  
- (b) Redeveloper intends to create a taxable real property valuation for the Project Site of not less than \$95,222,824, following the construction of private improvements on all buildable lots within the Project Site (the "**Project Minimum Valuation**"). The Project Minimum Valuation shall be comprised of: (i) a taxable real property valuation for each lot consisting of (or to consist of) a single-family detached dwelling within the Project Site of not less than \$283,500 (the "**SFD Lot Minimum Valuation**"); (ii) a taxable real property valuation for each lot consisting of (or to consist of) a townhome dwelling within the Project Site of not less than \$292,500 (the "**Townhome Lot Minimum Valuation**"); (iii) a taxable real property valuation for each lot consisting of (or to consist of) a rowhome dwelling within the Project Site of not less than \$225,000 (the "**Rowhome Lot Minimum Valuation**"); (iv) a taxable real property valuation for each lot consisting of (or to consist of) multifamily apartments within the Project Site of not less than the aggregate total of \$106,000 per apartment unit located on the lot (the "**MF Lot Minimum Valuation**"); and (v) a taxable real property valuation for each lot consisting of (or to consist of) a commercial improvement within the Project Site of not less than the aggregate total of \$9.50 per square foot for the improvement(s) located on the lot (the "**Commercial Lot Minimum Valuation**"). Beginning on the date of this Redevelopment Contract, and continuing for as long as the Bond is outstanding, Redeveloper, its successors and assigns, including third-party

purchasers, shall not protest a real estate property valuation, as determined by the appropriate assessing and taxing officials of Platte County, Nebraska, for purposes of local ad valorem real estate taxes: (v) to an amount below the SFD Lot Minimum Valuation with respect to any lot that consists of (or will consist of) a single-family detached dwelling; (w) to an amount below the Townhome Lot Minimum Valuation with respect to any lot that consists of (or to consist of) a townhome dwelling; (x) to an amount below the Rowhome Lot Minimum Valuation with respect to any lot that consists of (or to consist of) a rowhome dwelling; (y) to an amount below the MF Lot Minimum Valuation with respect to any lot that consists of (or to consist of) multifamily apartments; or (z) to an amount below the Commercial Lot Minimum Valuation with respect to any lot that consists of (or to consist of) commercial improvements.

- (c) If Redeveloper has monetized the Bond by pledging it to its lender, Redeveloper shall solely be responsible for all payments due to such lender. If, during the period of this Redevelopment Contract and after the filing of a notice to divide, a portion of the Project Site is assessed at less than the Minimum Valuation, Redeveloper agrees to defer receipt of any shortfall in TIF revenues caused thereby. If Redeveloper is required to defer the receipt of any such shortfall amounts, Redeveloper shall be entitled to receive reimbursement of any such shortfall payment to the extent incremental ad valorem taxes later become available during the fifteen (15) year period prescribed by the Act (for each Subphase) in an amount in excess of the amount necessary to meet the current debt service payments. Redeveloper shall forgive any such shortfall amounts not reimbursed at the end of the fifteen (15) year period prescribed by the Act (for each Subphase).
- (d) Redeveloper, its successors and assigns, including subsequent purchasers of land within the Project Site, further agree as follows:
  - (i) to pay all local ad valorem real estate taxes for the Project Site as levied and assessed before the same become delinquent; and
  - (ii) not to seek any administrative review or judicial review of the applicability or validity of any tax statute relating to taxation of the Redevelopment Project or to raise such inapplicability or invalidity as a defense in any administrative or judicial proceedings; and
  - (iii) not to seek any tax deferral or tax abatement with respect to local ad valorem taxes, either as presently or prospectively authorized under any law of the State of Nebraska or federal law with respect to the Redevelopment Project; and
  - (iv) to pay or cause to be paid, when due and before any fine, penalty, interest or cost may be added thereto for the non-payment thereof, all water and sewer rates and charges, occupancy tax, special assessments and other governmental levies and charges, general and special, ordinary and

extraordinary, unforeseen as well as foreseen, of any kind and nature whatsoever, which are assessed, levied, confirmed, imposed or become payable with respect to the Redevelopment Project; provided, however, that any special assessments levied for water, sewer or paving improvements shall be permitted to be paid as the same fall delinquent and may bear interest from the date of levy or other appropriate date set by the levying body; and

- (v) to retain copies of all supporting documents (as defined under section 18-2119(4) of the Act) actually generated and received by Redeveloper in relation to the Redevelopment Project or Plan until the expiration of three years following the end of the last fiscal year in which ad valorem taxes were divided in relation to the Redevelopment Project.

**Section 5. Release and Indemnification.**

Redeveloper hereby releases from and covenants and agrees that the Agency and the City, together with their governing body, officers, agents, including their independent contractors, consultants and legal counsel, servants and employees thereof (hereinafter, for purpose of this Section 5, collectively the “**Indemnified Parties**”) shall not be liable for and agrees to indemnify and hold harmless the Indemnified Parties against any loss or damage to property or any injury to or death of any person occurring at or about or resulting from any defect arising from the Redevelopment Project or within the Project Site. Provided, however, such release shall not be deemed to include such liability actions as arise directly out of the willful misconduct of the Agency or the City.

Additionally, the Indemnified Parties shall not have any pecuniary obligation or monetary liability under this Redevelopment Contract. The obligation of the Indemnified Parties on the Bond or any indebtedness contemplated hereunder shall be limited solely to the TIF Revenues generated from the Redevelopment Project pledged as security for such indebtedness. Specifically, but without limitation, the Indemnified Parties shall not be liable to Redeveloper or any other third party for any costs, liabilities, actions, demands, or damages for failure of any representations, warranties or obligations hereunder.

**Section 6. Covenants to Run with the Land; Easement; Recording of Redevelopment Contract.**

Redeveloper and Agency agree and acknowledge that this Redevelopment Contract and the undertakings of Redeveloper and the Agency as herein provided for shall be considered as and constitute covenants running with the land binding upon Redeveloper and the Agency and their successors and assigns and upon each successive owner of the Project Site or any portion thereof. Redeveloper hereby acknowledges and agrees that by the terms of this Redevelopment Contract it is binding and obligating any and all of its interest in the Project Site, now or hereafter acquired, and hereby covenants and warrants for the benefit of the Agency and the registered owner of the

Bond that Redeveloper shall defend such interest in the Project Site against the claims and interests of any and all persons. Redeveloper and the Agency agree and acknowledge that a memorandum of this Redevelopment Contract, in substantially the same form attached hereto and incorporated herein as Exhibit "D", shall be recorded at the expense of Redeveloper against all real estate located in the Project Site and shall remain of record until the Bond has been paid in full or matured. The Agency shall have the authority to execute such memorandum(s) without additional public determinations or meetings. As and to the extent that this Redevelopment Contract does not have priority by order of recording over each and every mortgage or other instrument securing indebtedness of Redeveloper, unless otherwise waived by the Agency, Redeveloper hereby agrees to obtain the written agreement in recordable form from each mortgagee or other encumbrancer having any such priority, which written form acknowledges and agrees to the terms of this Redevelopment Contract. Redeveloper agrees to provide the Agency with a title report or other evidence as to the status of title to the Project Site after the recording of this Redevelopment Contract and before the issuance of the Bond. After the Bond has been paid in full, Redeveloper or any successor or assign of Redeveloper shall have the right to request in writing and the Agency shall, upon such request, execute and deliver an appropriate instrument evidencing the termination of this Redevelopment Contract and of the covenants and undertakings herein provided.

**Section 7. Default and Remedies upon Default.**

Redeveloper and Agency agree with respect to any defaults or failures of performance by Redeveloper or Agency as follows:

- (a) The following shall constitute “**Events of Default**” under the terms of this Redevelopment Contract:
  - (i) failure by Redeveloper or Agency to observe timely or perform timely any covenant, condition, obligation or agreement on its part to be observed or performed under this Redevelopment Contract;
  - (ii) any representation or warranty made herein by Redeveloper or Agency proves untrue in any respect reasonably deemed to be material by the Agency or Redeveloper;
  - (iii) an event of default or material breach by or attributable to Redeveloper or Agency relating to the Redevelopment Project or any portion thereof, including, without limitation, breach of the terms of any agreement or other instrument relating to the financing or construction thereof; or
  - (iv) Redeveloper makes an assignment for the benefit of creditors, files a petition in bankruptcy, is adjudicated insolvent or bankrupt or petitions for an order for relief, petitions or applies to any tribunal for the appointment of any receiver or any trustee or a debtor in possession of Redeveloper or any part of its property or commences any proceeding related to Redeveloper under any reorganization, arrangement, readjustment of debt, dissolution or liquidation act, code, law or statute of any jurisdiction,

whether now or hereafter in effect, or if there is commenced against Redeveloper any such proceedings and Redeveloper by any act indicates its consent or approval of or acquiescence in any such proceeding or the appointment of any receiver or any trustee or debtor in possession for Redeveloper or any part of its property or suffers any such receivership or trusteeship.

- (b) Whenever an Event of Default occurs, in addition to all other remedies available to the Agency or Redeveloper at law or in equity, the Agency or Redeveloper may: (1) suspend its performance under this Redevelopment Contract until receiving adequate assurances from Redeveloper or Agency that Redeveloper or Agency has cured the default and will continue performance under this Redevelopment Contract; and/or (2) take such action at law or in equity as the Agency or Redeveloper reasonably deem appropriate, including specific performance or injunction to enforce or compel performance of the provisions of this Redevelopment Contract; provided that the remedy of specific performance against Redeveloper shall not include or be construed to include the covenant to build or construct the Redevelopment Project.
- (c) In addition to the remedies under Section 7(b), the Agency shall have the following additional remedies upon an Event of Default by Redeveloper:
  - (i) If at any time during the term of this Redevelopment Contract an Event of Default by Redeveloper shall occur and remain continuing, the City or Agency shall have the right, but not the obligation, to cure such breach on behalf of Redeveloper with respect to the construction of the improvements characterized as Eligible Costs. If the City or Agency elects to cure a breach of Redeveloper, Redeveloper shall reimburse the City or Agency for the documented and reasonable costs of curing Redeveloper's breach within 30 days of demand from City or Agency given to Redeveloper. If Redeveloper's breach can be cured by the payment of Eligible Costs, the City or Agency may cure such defect and obtain reimbursement, with notice to Redeveloper, via a set off to the principal amount of the Bond equal to the Eligible Costs reasonably expended by the City or Agency. The Eligible Costs expended by the City or Agency must be certified by the City or Agency to the holder of the grant proceeds and all subsequent distributions of TIF Revenues shall be distributed to the City or Agency, as applicable, until such Eligible Costs expended by the City or Agency have been reimbursed in full. Interest shall accrue on the amount expended by the City or Agency at the rate provided in the Bond and such interest shall commence from the date that the Agency gives notice to Redeveloper of Redeveloper's Event of Default.
  - (ii) If at any time during the term of this Redevelopment Contract an Event of Default by Redeveloper shall occur and remain continuing, following written notice from the Agency to Redeveloper of such Event of Default,

the Agency may withhold any TIF Revenues received, and shall not be required to remit said TIF Revenues as debt service on the Bond unless and until Redeveloper cures the Event of Default.

- (iii) If at any time during the term of this Redevelopment Contract an Event of Default by Redeveloper shall occur and remain continuing and uncured for a period of more than sixty (60) days after written notice from the Agency to Redeveloper of such Event of Default, unless Redeveloper has commenced to cure the same and is diligently prosecuting the same to completion, the Agency may, upon further written notice to Redeveloper, terminate and void the Bond, in which case Redeveloper and/or the holder of the Bond, as applicable, shall have no further entitlement to receipt of the TIF Revenues.
- (d) No remedy herein conferred upon or reserved to the Agency or the registered owner of the Bond is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Redevelopment Contract or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient.
- (e) If any provision of this Redevelopment Contract is breached by a Party and thereafter waived by the other Party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.
- (f) Anything in this Section 7 to the contrary notwithstanding, none of the events described in subsection 7(a)(iv) above shall, on their own, constitute an Event of Default after the Redevelopment Project has been completed.

**Section 8. Status of Agency and City.**

Neither the Agency nor the City is or shall be regarded as the partner, joint venturer or other jointly acting party with Redeveloper for any purpose whatsoever and the undertakings and agreements on the part of the Agency herein provided for are undertaken solely pursuant to the provisions of sections 18-2101 to 18-2150 of the Act and for the limited governmental purposes of promoting and encouraging redevelopment of a blighted and substandard area. Redeveloper acknowledges that Redeveloper or its successors and assigns are and shall remain in control of the Redevelopment Project for all purposes provided that Redeveloper acknowledges and agrees that the City is and shall be the owner of and shall be in control of all public street, sewer and water improvements constituting a part of or serving the Redevelopment Project.

**Section 9. Manner of Sale of Bond.**

Redeveloper agrees either to purchase the Bond for the principal amount thereof or to find a purchaser for the Bond upon terms and conditions acceptable to the Agency. Neither the Agency nor the City under the terms of this Redevelopment Contract undertakes any responsibility with respects to the sale or placement of the Bond. Any such sale or placement of the Bond shall be by means of a private placement to a financial institution or other institutional buyer capable of evaluating the risks of investment in the Bond or to Redeveloper. Any such purchaser, including Redeveloper, shall provide to the Agency an investment letter setting forth the understanding as to purchase for investment and not for any further distribution, in form and substance approved by the Agency, in its sole discretion. The loan to be accomplished by this Section, and the obligation of the Agency to remit the TIF revenues for the Redevelopment Project as debt service on the Bond, may be accomplished by offset so that no bankable currency is exchanged between the Parties at closing of the Bond, notwithstanding other payments required hereunder. If the Agency so requests, Redeveloper shall, from time to time, furnish the Agency with satisfactory evidence as to the use and application of the TIF revenues.

**Section 10. Reimbursement of Agency and City Fees.**

Upon the full execution of this Redevelopment Contract, Redeveloper shall reimburse the Agency for its legal fees incurred in relation to the Redevelopment Project in the amount of \$15,000. Such reimbursement shall be payable directly to the Agency's special counsel, at the direction of the Agency. Additionally, prior to or contemporaneously with issuance of the Bond, Redeveloper shall reimburse the Agency in the amount of \$3,000 for its legal fees incurred in relation to issuance of the Bond. Such reimbursement shall be payable directly to the Agency's special counsel, at the direction of the Agency.

**Section 11. Indemnification and Penal Bond**

Redeveloper hereby agrees to indemnify and save the City and Agency harmless from any payment or liability to which the City or Agency may become subject for carrying out of any contract entered into by Redeveloper with respect to the Redevelopment Project. Redeveloper agrees to procure, through itself or its contractors, a bond (or bonds) for the payment of costs to the extent required under Section 18-2151 of the Act. The City and Agency shall be included as co-obligees on any such bond (or bonds). Prior to undertaking any construction upon public lands or within a public right-of-way, Redeveloper shall provide a copy of such bond (or bonds) to the Agency, evidencing that the same is in effect in accordance with the requirements of this Section.

**Section 12. Additional Parties Added as Redeveloper.**

The Parties specifically agree that additional parties or entities may be admitted to and included within the meaning of the term “Redeveloper” upon the mutual written consent of both Parties.

**Section 13. Redevelopment Contract Binding Upon Successors and Assigns.**

This Redevelopment Contract is made for the benefit of Redeveloper, the Agency and the registered owners from time to time of the Bond as third party beneficiaries. This Redevelopment Contract shall be binding upon the Agency and Redeveloper, and any successors or assigns thereof. Redeveloper may assign its interest in the Redevelopment Project only upon receipt of prior written consent from the Agency. The Agency and Redeveloper acknowledge and agree that, in the event Redeveloper assigns its rights and obligations under this Redevelopment Contract, in whole or in part, to any assignee, Redeveloper and the assignee shall both be bound by the terms of the Plan and this Redevelopment Contract (as and to the extent of any such assignment with respect to the Assignee). No assignment by Redeveloper to the Assignee shall be effective until a written instrument binding the Assignee under the terms of the Plan and this Redevelopment Contract (as and to the extent of such assignment), duly acknowledged and in recordable form, has been executed and delivered by the Assignee and recorded in the real estate records of Platte County, Nebraska, with respect to the Project Site.

**Section 14. Titles of Sections.**

Any titles of the several Sections of this Redevelopment Contract are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of the provisions hereof.

**Section 15. Notices.**

Except as otherwise specified herein, all notices hereunder shall be in writing and shall be given to the relevant Party at its address set forth below, or such other address as such Party may hereafter specify by notice to the other given by United States mail or by other telecommunication device capable of creating a written record of such notice and its receipt. If any provision of this Redevelopment Contract shall be held or deemed to be or shall, in fact, be inoperative or unenforceable as applied in any particular case, for any reason, such circumstances shall not have the effect of rendering the provision in question inoperative and unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained, invalid, inoperative or unenforceable to any extent whatever. **Section 21. Force Majeure Event.**

No Party shall be considered in breach of, or in default in its obligations with respect to any of the obligations under this Redevelopment Contract in the event that a delay in the performance of such obligations is caused by a Force Majeure Event. A “**Force Majeure Event**” means any failure or delay in performance by a Party that is proximately caused by unforeseeable causes beyond its control and without its fault or negligence, such as acts of God, wars or insurrections, pandemics, and epidemics, among others. In the event of the occurrence of any such delay due to a Force Majeure Event, the time or times for performance of the obligations of the delayed Party shall be extended for the period of Force Majeure Event, as determined by the mutual agreement of the Parties. Any Party claiming such excused delay as the result of a Force Majeure Event shall, within twenty (20) days after the beginning of any such Force Majeure Event, notify the other Party in writing of the cause or causes thereof, and request an extension for the period of the delay.

**Section 22. Effect of Redevelopment Contract.**

This Redevelopment Contract (including the Plan as incorporated by reference) constitutes the entire understanding by and between the Parties concerning the subject matter hereof, and supersedes and replaces all prior agreements. No other prior or contemporaneous representations, inducements, promises or agreements, oral or otherwise, between or among the Parties relating to the subject matter hereof and not embodied in this Redevelopment Contract shall be of any force and effect.

**Exhibit "B"**  
**Redevelopment Project Description and Conceptual Site Plans**

Redevelopment Project Description:

The Redevelopment Project consists of the phased construction of approximately 77 single-family homes, 38 townhomes, 58 rowhomes, 420 apartment units, and 8 commercial buildings, together with the public and private improvements ancillary thereto.

As part of the Redevelopment Project, Redeveloper shall be required to undertake all infrastructure and other public improvements necessary to support the private improvements constructed as part of the Redevelopment Project. Without limiting the generality of the foregoing, Redeveloper shall be required to comply with and/or undertake, as the case may be, the following as part of the Redevelopment Project (collectively, the **"Required Public Improvements"**):

- The only permitted connections to E 6th Avenue will be E 38th Street and "Street 8" (as denoted on the conceptual site plans in this Exhibit "B") – i.e., there shall be no connection to "Street 4" (as denoted on the conceptual site plans).
- Paving and reconstruction of adjacent portion of E 38th Street with a possible center island closer to E 6th Avenue (pursuant to 41-foot wide concrete urban arterial/collector parameters). Placement of center island closer to E 6th Avenue may result in "B Avenue" (as denoted on the conceptual site plans) being limited to "right in, right out" ingress and egress.
- Construction and paving of new 80-foot right-of-way along the southern boundary of the Project Site (denoted as "Street 8" on the conceptual site plans), pursuant to 41-foot wide urban arterial/collector parameters, with coordinated access to the south. Such improvements will necessitate reconstruction of the intersection with E 6th Avenue, inclusive of turn lane additions and/or widening.
- Construction and paving of new 80-foot right-of-way along the eastern boundary of the Project Site (denoted as "D Avenue" on the conceptual site plans), with a roundabout at the intersection of "Road 4" (as denoted on the conceptual site plans), all pursuant to 41-foot wide urban arterial/collector parameters (with greater widths required on the roundabout). Such improvements will require the approval of Columbus Public Schools (as the adjacent property owner).
- Construction and paving of 10-foot wide pedestrian paths within public easements along the adjacent portion of E 6th Avenue, the E 38th Street extension, and "Street 8" (as denoted on the conceptual site plans); as well as potential extensions along "Street 4" and "D Avenue" (as denoted on the conceptual site plans). All such improvements shall meet the trail construction requirements and parameters of the City.

- Any buildable areas within a “Floodplain AO Zone +2” designation will require dirt infill and compaction to a minimum of 3 feet above the established base flood elevation.
- Construction and extension of water and sewer systems to provide appropriate service to all lots within the Project Site, which shall include, without limitation:
  - Extension of the 12-inch water main along the west side of E 6th Avenue and the north side of E 38th Street.
  - Installation of 8-inch water main loops in the “D Avenue” and “Street 8” (as denoted on the conceptual site plans) rights-of-way.
  - Sanitary sewer connecting to the existing E 6th Avenue main must be bored underneath.
  - Incorporation of on-site (or jointly with the adjacent Columbus Public Schools’ property) storm sewer and post-construction storm water treatment.

The necessary infrastructure and public improvements for the Redevelopment Project are not limited to the above-stated items and Redeveloper must address any/all public infrastructure requirements or concerns that would otherwise be created by the Redevelopment Project. All streets and other public infrastructure constructed by Redeveloper (inclusive of those detailed above) will be subject to review and approval by the City's engineer or other designee of the City. Such review and approval shall be in the exclusive discretion and authority of the City. To the extent any of the plans or specifications for the Required Public Improvements which are finally-approved by the City conflict with the specifications provided in this Exhibit “B”, such plans and specifications which are finally-approved by the City shall supersede and control.

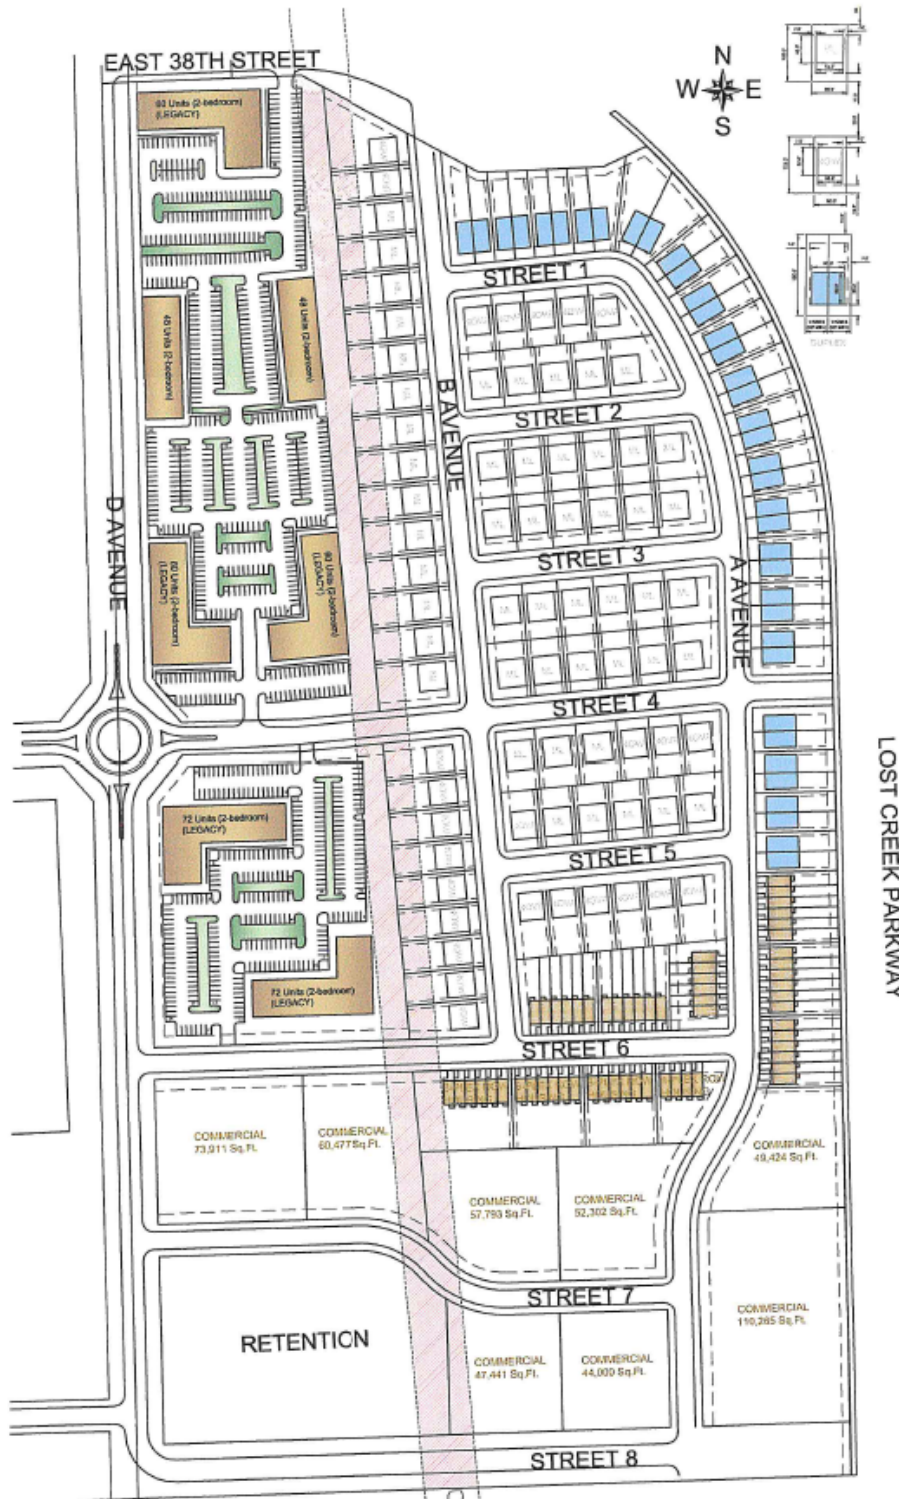

Anticipated Phasing of Redevelopment Project:

Redeveloper anticipates that the Redevelopment Project will occur in approximately four staggered phases as detailed below; provided that market demand and other extraneous factors may necessitate that Redeveloper completes one or more phases over additional or different periods of time. As detailed in the Redevelopment Contract, each phase is anticipated to occur in annual Subphases based upon the improvements constructed in a given year.

<b>Phase</b>	<b>Timing</b>	<b>Description</b>
1	Spring 2025 to Fall 2026	Initial stages will include infrastructure placement in the Northeast corner of the Site. Construction of single-family homes and townhomes will begin in fall or early winter of 2025. Redeveloper intends to begin placing single-family homes on foundations in fall or early winter of 2025 – with the intent to complete and sell 5 to 8 modular homes every 60 to 80 days. Additionally, Redeveloper intends to begin construction of townhomes in the northeast section of the Project Site during this phase.
2	Spring 2026 to Spring 2030	In spring of 2026, Redeveloper intends to commence construction of the apartment complexes in the northwest section of the Project Site. Redeveloper's construction partner anticipates that it will take 12 to 18 months to complete 7 separate apartment complexes on this section of the Project Site.
3	January 2027 to December 2027	Redeveloper intends to begin construction of approximately 58 rowhomes and an additional 28 single-family modular homes on the southeast/southcentral section of the Project Site.
4	January 2028 to Summer 2030	Redeveloper intends to complete infrastructure work on the south section of the Project Site, which will allow for the sale, and build-to-suit construction, of the commercial lots. Accordingly, it is anticipated that the construction of the commercial buildings will be undertaken by third-party developers to suit individual plans or needs.

The anticipated start dates and completion dates for the phases are preliminary and subject to change based upon market conditions, availability of materials, workforce availability and other extraneous factors. More or less phases spanning more or less time than the anticipated dates listed above may be necessary as a result of such extraneous conditions or factors. Notwithstanding, all phases shall be completed no later than December 31, 2035.

**MEMORANDUM OF REDEVELOPMENT CONTRACT**

This Memorandum of Redevelopment Contract (“Memorandum”) is made this \_\_\_ day of \_\_\_\_\_, 20\_\_\_, by and between the Community Development Agency of the City of Columbus, Nebraska (“Agency”) and Cottonwood Heights, LLC, a Nebraska limited liability company (“Redeveloper”).

1. **Redevelopment Contract.** Agency and Redeveloper have entered into that certain Redevelopment Contract dated as of \_\_\_\_\_, 2025 ("Redevelopment Contract"), describing the public and private improvements being made by the Redeveloper in the Project Site, including the real property owned by Redeveloper and legally described as:

A tract of land located in the East 1/2 of the Northwest 1/4 of Section 16, T17N, R1E of the 6th P.M., Platte County, Nebraska, more particularly described as follows:

Beginning at the Southeast corner of the Northwest 1/4 of Section 16, T17N, R1E of the 6th P.M., Platte County, Nebraska; thence S 88°07'17" W on an assumed bearing on the South line of the East 1/2 of said Northwest 1/4, 1328.66 feet to the Southwest corner of said East 1/2; thence N 01°44'47" W on the West line of said East 1/2, 2663.74 feet to the Northwest corner of said East 1/2; thence N 87°39'15" E on the North line of said East 1/2, 239.85 feet to a point on the Lost Creek Parkway Right-of-Way line; thence S 02°03'00" E on said Right-of-Way line, 33.13 feet; thence N 87°38'17" E on said Right-of-Way line, 128.52 feet; thence S 61°45'18" E on said Right-of-Way line, 379.55 feet; thence N 87°39'39" E on said Right-of-Way line, 231.82 feet; thence N 64°23'46" E on said Right-of-Way line, 87.92 feet to a point of curvature; thence Southeasterly on a 1100.38 foot radius curve to the right on said Right-of-Way line, 862.36 feet of which said curve has a chord bearing of S 24°09'02" E, 840.46 feet to a point on the East line of said East 1/2; thence S 01°42'29" E on said East line, 1702.65 feet to the Point of Beginning, containing 75.60 acres, more or less.

Notwithstanding the above legal description, Redeveloper intends to replat the Project Site as part of the Redevelopment Project. The legal description(s) for the Project Site derived from any such replat approved by the City of Columbus, Nebraska, shall supersede the legal description provided above.

2. **Tax Increment Financing.** The Redevelopment Contract provides for the capture of the tax-increment financing ("TIF") revenues by the Agency of the improvements to be made by the Redeveloper for a period not to exceed fifteen (15) years after the effective date (as defined in the Nebraska Community Development Law) of each Subphase of the Redevelopment Project. The TIF revenues so captured by the Agency shall be used to reimburse Redeveloper for construction of the Eligible Costs described in the Redevelopment Contract via debt service payments on a TIF Bond issued by the Agency.

3. **Redevelopment Project Valuation.** The Redevelopment Contract establishes that Redeveloper intends to create a taxable real property valuation for the Project Site of not less than \$95,222,824, following the construction of private improvements on all buildable lots within the Project Site (the "**Project Minimum Valuation**"). (m) that all conditions, acts and things required by law to exist or to be done

precedent to the authorizing of the Agency's tax increment revenue bond as provided for in this Resolution do exist and have been done as provided by the Act.

Section 2. A tax increment revenue bond in an amount not to exceed Three Million Three Hundred-Fifty Thousand & 00/100 Dollars (\$3,350,000.00) is hereby ordered issued in accordance with Section 18-2125 of the Act, by the Agency and shall be designated as its "Tax Increment Revenue Bond of the Community Development Agency for City of Columbus, Nebraska (Vitality Village Redevelopment Project – Vitality Apartments Bond)" (hereinafter referred to as the "Bond"). The Bond shall be issued in the single denomination in an amount not to exceed \$3,350,000.00. The Bond shall be dated as of the date of its delivery ("Dated Date"). The Bond shall bear interest from January 1 of the "Effective Date" (as defined in the Act) for the parcel(s) comprising the Apartment Project, until maturity (or earlier redemption) at the rate of six and one-half percent (6.50%) per annum. The principal of the Bond shall become due upon the December 31 following the date that all excess ad valorem real estate taxes for the final phase of the Master Project have been divided and collected in conformance with Section 18-2147 of the Act; provided that such principal amount shall be subject to mandatory redemption from "Available Funds" as described in Section 5 below on June 1 and December 1 of each year. All interest upon the Bond shall be payable on June 1 of the year following the Effective Date for the first phase of the Master Project, and semiannually thereafter on June 1 and December 1 of each year.

The Bond shall be issued in fully registered form. The Agency's Treasurer (the City Treasurer of the City of Columbus) is hereby designated as paying agent and registrar for the Bond (the "Agent"). The Agent shall serve in such capacities pursuant to the terms of this Resolution. The interest due on each interest payment date prior to maturity shall be payable to the registered owner of record as of the last business day of the calendar month immediately preceding the calendar month in which such interest payment date occurs (the "Record Date"), subject to the provisions of Section 4 hereof. Payments of interest due on the Bond, except for payments due on final maturity date, or other final payment, shall be made by the Agent by mailing or delivering a check or draft in the amount then due for interest on the Bond to the registered owner of the Bond, as of the Record Date for such interest payment date, to such owner's registered addresses as shown on the books of registration as required to be maintained in Section 3 hereof. Payments of principal and interest due at final maturity or other final payment shall be made by the Agent to the registered owner upon presentation and surrender of the Bond to the Agent at the Agency's offices at City Hall in the City of Columbus, Nebraska. The Agency and the Agent may treat the registered owner of the Bond as the absolute owner of the Bond for the purpose of making payments thereon and for all other purposes and neither the Agency nor the Agent shall be affected by any notice or knowledge to the contrary, whether the Bond or any installment of interest due thereon shall be overdue or not. All payments on account of interest or principal made to the registered owner of the Bond in accordance with the terms of this Resolution shall be valid and effectual and shall be a discharge of the Agency and the Agent, in respect of the liability upon the Bond or claims for interest to the extent of the sum or sums so paid. Notwithstanding anything in this Resolution

or the Redevelopment Contract to the contrary, the Agent shall not disburse any amounts toward payment on the Bond unless and until Redeveloper has provided the Agency with Eligible Cost Certifications (as defined in the Redevelopment Contract) pursuant to Section 3 of the Redevelopment Contract. If Redeveloper fails to submit Eligible Cost Certifications in an amount equal to or greater than the principal amount on the Bond upon completion of the Apartment Project, the principal and outstanding interest on the Bond shall be adjusted to reflect the aggregate total of the Eligible Cost Certifications.

Section 3. The Agent shall keep and maintain for the Agency books for the registration and transfer of the Bond at the Agency's offices at City Hall in Columbus, Nebraska. The name and registered address of the registered owner of the Bond shall at all times be recorded in such books. The Bond may be transferred pursuant to its provisions at the Agency's offices by surrender of such Bond for notation of transfer, accompanied by a written instrument of transfer, in form satisfactory to the Agent, duly executed by the registered owner in person or by such owner's duly authorized agent, and thereupon the Agent on behalf of the Agency will register such transfer upon its books and make notation thereof on the Bond and deliver the Bond at its office to the transferee owner (or send it by registered mail to the transferee owner thereof at such transferee owner's expense). Any transfers of the Bond shall be upon the basis of a private placement and each proposed transferee registered owner shall furnish the Agent with assurances in form satisfactory to the Agent that such Bond is being purchased for investment purposes only, without view to redistribution and upon the independent credit judgment and investigation of the proposed transferee. The Agency and the Agent shall not be required to transfer the Bond during any period from any Record Date until its immediately following interest payment date or to transfer the Bond when called for redemption, in whole or in part, for a period of 15 days next preceding any date fixed for redemption or partial redemption.

Section 4. In the event that payments of interest or for mandatory partial redemption due on the Bond on any interest payment date are not timely made, such interest or redemption price shall cease to be payable to the registered owner as of the Record Date for such interest payment date and shall be payable to the registered owner of the Bond as of a special date of record for payment of such defaulted interest or redemption price as shall be designated by the Agent whenever monies for the purpose of paying such defaulted interest or redemption price become available.

Section 5. At any time, the Agency shall have the option of prepaying in whole or in part principal of the Bond. Any such optional prepayment of principal shall be accompanied by an amount equal to all accrued but unpaid interest on the principal amount being prepaid. Notice of any optional redemption for the Bond shall be given at the direction of the Agency by the Agent by mail not less than 15 days prior to the date fixed for redemption, first class, postage prepaid, sent to the registered owner of the Bond at said owner's registered address. Notice of call for redemption may be waived in writing by any registered owner. In the event of prepayment in whole the Bond shall be cancelled. The determination of the amount and timing of any optional redemption of the Bond shall be in the absolute discretion of the Agency. The Bond

shall also be subject to mandatory partial redemption, without notice, on each interest payment date from all funds to be available in the Bond Fund (as hereinafter established and defined), including all amounts, if any, from investment earnings for such fund, rounded down to the nearest one hundred dollars, after payment of all accrued but unpaid interest on each interest payment date (which funds are referred to in this Resolution as "Available Funds"). Available Funds shall be applied to the prepayment of principal on each interest payment date and shall be remitted to the registered owner of the Bond with interest payments. The Agent shall mark the Agent's records with respect to each mandatory partial principal prepayment made from Available Funds and it shall not be necessary for the registered owner to present the Bond for notation of such prepayment. The records of the Agent shall govern as to any determination of the principal amount of the Bond outstanding at any time and the registered owner shall have the right to request information in writing from the Agent at any time as to the principal amount outstanding upon the Bond.

Section 6. The Bond shall be in substantially the following form:

WHEREAS, the Plan contemplates the construction of a mixed-density residential subdivision within the Redevelopment Area (referred to herein as the “**Redevelopment Project**”); and

WHEREAS, Redeveloper, pursuant to the Plan, intends to construct the multifamily portion of the Redevelopment Project within the Redevelopment Area, as depicted on the site plan attached hereto and incorporated herein as Exhibit C, all as more particularly described in the Plan (collectively, said improvements are referred to in this Redevelopment Contract as the “**Multifamily Project**”); and

WHEREAS, the Multifamily Project will occur on a portion of the Redevelopment Area, as set forth under Exhibit B, attached hereto and incorporated herein (the “**Project Site**”); and

WHEREAS, the City is undertaking certain public infrastructure and other public improvements within the Redevelopment Area as part of the Redevelopment Project (the “**City Improvements**”); and

WHEREAS, the real property within the Project Site, other than easements for public utilities and/or public rights-of-way, is or shall be privately owned by Redeveloper; and

WHEREAS, the Agency proposes to authorize issuance of its tax increment revenue bond, to provide for eligible costs relating to the Multifamily Project (the “**Redeveloper Bond**”), as shall be more particularly described in the resolution of the Agency authorizing issuance of the Redeveloper Bond (the “**Bond Resolution**”); and

WHEREAS, the Agency has separately authorized, or will authorize, issuance of its tax increment revenue bond to the City, to provide for eligible costs relating to the City Improvements (the “**City Bond**”); and

WHEREAS, the incremental ad valorem real estate taxes derived from the Redevelopment Project (the “**TIF Revenues**”) shall be pledged towards the payment of the Redeveloper Bond and City Bond, pursuant to, and in accordance with, the terms of this Redevelopment Contract; and

WHEREAS, Redeveloper seeks the assistance of the Agency for the costs of the eligible improvements for the Multifamily Project and is therefore willing to agree to the conditions herein set forth as an inducement to the Agency to issue the Redeveloper Bond as provided in the Bond Resolution.

NOW, THEREFORE, for and in consideration of the premises and the mutual covenants herein contained, the Agency, City, and Redeveloper do hereby agree, covenant, and warrant as follows:

**Section 1. Representations, Warranties, and Covenants of Redeveloper.**

Redeveloper hereby represents, covenants, and warrants as follows:

- (a) Redeveloper is a Nebraska limited liability company duly organized and existing under the laws of the State of Nebraska, is not in violation of any provisions of its certificate of organization or operating agreement(s), is authorized to enter into and perform its obligations under this Redevelopment Contract and, to the best of the knowledge of Redeveloper, is not in violation of the laws of the State of Nebraska.
- (b) Throughout the term of this Redevelopment Contract, Redeveloper will reasonably endeavor to construct, operate and maintain the Multifamily Project in accordance with the terms of this Redevelopment Contract and the Plan, or amendments thereof, the CCREs and Affordability Covenants (each defined below, and all applicable local, state and federal laws and regulations (including, without limitation, environmental, zoning, building code and public health laws and regulations).
- (c) Throughout the term of this Redevelopment Contract and subject to the provisions of Section 21 of this Redevelopment Contract, in the event of any casualty damage to the Multifamily Project, Redeveloper or its successors and assigns

agrees to repair and reconstruct such damaged portion or portions of the Multifamily Project so that such reconstructed real property has a taxable value at least equal to the value as most recently determined prior to the event or events of casualty loss. Redeveloper agrees to substantially effect such repair and reconstruction whether or not insurance proceeds are sufficient or available for such purposes.

- (d) Redeveloper or its assignee shall complete the Multifamily Project on or before December 31, 2026, at an estimated cost of \$36,124,400.
- (e) Redeveloper has not received, nor is it aware of, notices or communications from any local, state or federal official or body that the activities of Redeveloper respecting the Project Site or the construction of the Multifamily Project thereon may be or will be in violation of any law or regulation.
- (f) Redeveloper will use its best efforts to obtain or to cause others to obtain, in a timely manner, all required permits, licenses and approvals and to meet, in a timely manner, all requirements of all applicable local, state and federal laws and regulations which must be obtained or met for the Multifamily Project to be lawfully constructed, occupied or operated.
- (g) The execution and delivery of this Redevelopment Contract, the consummation of the transactions contemplated hereby and the fulfillment of or compliance with the terms and conditions of this Redevelopment Contract are not prevented or limited by and will not conflict with or result in a breach (i) of any provision of any evidence of indebtedness, agreement or instrument of whatever nature to which Redeveloper is now a party or by which it is bound; or (ii) of any past, pending or threatened litigation, court order, or administrative proceeding, by which Redeveloper is or might become bound.
- (h) To the best of the knowledge of Redeveloper, Redeveloper is not aware of any hazardous waste or other significant environmental pollution condition or hazard existing on or within the Project Site.
- (i) Redeveloper acknowledges and agrees that neither the Agency nor the City shall be obligated to pay any costs related to the Multifamily Project other than costs to be paid from available TIF Revenues, if any, and Redeveloper hereby undertakes and agrees to pay any and all such costs. All costs of the Multifamily Project shall be paid in full and there are and shall be no construction liens unpaid against the Project Site or any of the improvements thereon.
- (j) Redeveloper agrees and covenants for itself, its successors and assigns that while this Redevelopment Contract is in effect, it will not discriminate against any person or group of persons on account of race, sex, color, religion, national origin, ancestry, disability, marital status or receipt of public assistance in connection with the Multifamily Project. Redeveloper, for itself and its successors and

assigns, agrees that during the construction of the Multifamily Project, Redeveloper will not discriminate against any employee or applicant for employment because of race, religion, sex, color, national origin, ancestry, disability, marital status or receipt of public assistance. Redeveloper will comply with all applicable federal, state and local laws related to the Multifamily Project.

- (k) Redeveloper agrees that any contractor providing services related to the Multifamily Project will utilize the federal immigration verification system, as defined in Section 4-114 of the Nebraska Revised Statutes, as amended or transferred, to determine the work eligibility status of new employees physically performing services on the Multifamily Project.
- (l) Prior to commencement of construction of the Multifamily Project, Redeveloper will own all real property within the Project Site, in fee simple and free from any liens, encumbrances, or restrictions which would prevent the performance of this Redevelopment Contract by Redeveloper.
- (m) Any general contractor chosen by Redeveloper or Redeveloper itself shall obtain and keep in force at all times until completion of construction, policies of insurance including coverage for contractors' general liability and completed operations of at least \$1,000,000 per occurrence and \$2,000,000 in the aggregate, and a penal bond as required by the Act and Section 11 of this Redevelopment Contract, if applicable. The Agency, the City and Redeveloper shall be named as additional insureds on such policies. Any contractor chosen by Redeveloper or Redeveloper itself, as an owner, shall be required to purchase and maintain property insurance upon the Multifamily Project to the full insurable value thereof. This insurance shall insure against the perils of fire and extended coverage and shall include "All Risk" insurance for physical loss or damage. The contractor or Redeveloper, as the case may be, with respect to any specific contract, shall also carry insurance on all stored materials. Upon request of the Agency or City, the contractor or Redeveloper, as the case may be, shall furnish the Agency and the City with a certificate of insurance evidencing policies as required above. Such certificates shall state that the insurance companies shall give the Agency and the City prior written notice in the event of cancellation of or material change in any of the policies.
- (n) At all times during the term of this Redevelopment Contract, Redeveloper shall maintain policies insuring the improvements located within the Project Site in an amount equal to one-hundred percent (100%) of their full insurable value.
- (o) With respect to the Multifamily Project, Redeveloper has not pursued or received, and will not pursue or receive, tax incentives under the Nebraska Advantage Act or the ImagiNE Nebraska Act, or a refund of the City's local option sales tax revenue.

- (p) Redeveloper represents and warrants that the Multifamily Project would not be financially feasible without the use of TIF, and therefore would not occur but-for the grant of TIF provided hereunder.
- (q) Subject to the approval rights contained herein, Redeveloper acknowledges and consents to the Agency filing those certain covenants, conditions, restrictions, and easements related to the construction, use and ownership of the residential subdivision comprising the Redevelopment Project, inclusive of the Multifamily Project and Project Site (referred to herein as the “**CCREs**”). Redeveloper further acknowledges and consents to the Agency filing those certain affordability covenants and restrictions governing the amount of rent which may be charged and/or the sale prices for the residential units constructed as part of the Redevelopment Project, inclusive of the Multifamily Project and Project Site (referred to herein as the “**Affordability Covenants**”). In accordance therewith, Redeveloper agrees to strictly comply with the CCREs and Affordability Covenants with respect to the Multifamily Project and/or Project Site. Redeveloper acknowledges and agrees that any action by the City or the Agency under this Redevelopment Contract shall not be deemed to be an approval, warranty, or other certification by the City or the Agency as to Redeveloper’s compliance under the CCREs or Affordability Covenants. The rights and obligations of the Parties under this Redevelopment Contract are conditioned upon Redeveloper’s review and approval of the CCREs and Affordability Covenants prior to said documents being filed against the Project Site. In the event the CCREs and Affordability Covenants are not acceptable to Redeveloper for Redeveloper’s intended use and operation of the Project Site, Redeveloper may terminate this Redevelopment Contract via written notice to the Agency and this Redevelopment Contract shall be void ab initio. Redeveloper acknowledges and agrees that if the Agency files the CCREs and Affordability Covenants against the Project Site, and Redeveloper subsequently closes on the purchase and sale of the Project Site, such act shall be deemed as an acceptance and approval of the CCREs and Affordability Covenants by Redeveloper.
- (r) Redeveloper acknowledges and agrees that vehicular ingress and egress to/from the Project Site shall be limited to two (2) driveway access points from 8th Street, at locations approved by the City, provided that the City may, in its discretion, approve an additional access point in the rear of the Project Site to connect with future development.
- (s) As part of the Multifamily Project, Redeveloper shall construct and maintain post-construction stormwater treatment and detention facility, with overflow discharge piping to the 8th Street storm sewer system, subject to the City’s oversight and approval.
- (t) Prior to commencement of construction of the Redevelopment Project, in addition to any other plan approval requirements under the CCREs, Redeveloper shall submit a landscaping plan for the entire Project Site to the City. Such landscaping

plan shall be subject to the City's review and approval, not to be unreasonably withheld.

- (u) As part of the Multifamily Project, Redeveloper shall construct two (2) sidewalk connections to the 8th Street trail being constructed by the City as part of the City Improvements for the Redevelopment Project.
- (v) Any exterior lighting within the Project Site shall be designed and constructed to be directed downward and pointed towards the interior of the Project Site, as to eliminate light pollution to neighboring properties.

**Section 2. City Improvements; City Bond; Development Outside of Project Site; Conveyance of Project Site to Redeveloper.**

For the benefit of the Redevelopment Area, the City will construct the City Improvements, as shown and/or described in the Plan. Among other sources, the City will finance the City Improvements via the Agency's issuance of the City Bond. The principal amount of the City Bond shall equal the difference between the amount of TIF authorized under the Plan, as may be amended, and the principal amount of the Redeveloper Bond, as set forth under Section 3, below. The interest rate for the City Bond shall be determined by the Agency, in its reasonable discretion. Debt service payments on the City Bond shall be funded from the TIF Revenues in accordance with the priority of payment set forth in Section 3 of this Redevelopment Contract. The City Bond and Redeveloper Bond are collectively referred to herein as the "**Bonds**".

As detailed above, the City Improvements will benefit the entire Redevelopment Area, inclusive of, but not limited to, the Project Site. The City and Agency anticipate that the Redevelopment Project will result in the development and redevelopment of the other parcels within the Redevelopment Area outside of the Project Site (such parcels being referred to herein as the "**Future Development Sites**"). In accordance with the Plan, the prospective development of the Future Development Sites constitutes additional phases of the Redevelopment Project, from which the TIF Revenues will be allocated as debt service on both the City Bond and Redeveloper Bond (in addition to the TIF Revenues derived from the Multifamily Project). Notwithstanding the foregoing, the Parties shall not have any obligations or liabilities to one another with respect to the Future Development Sites and/or the prospective development thereon, other than their respective obligations provided hereunder. Additionally, this Redevelopment Contract shall not confer any rights or remedies upon any person or entity, including but not limited to the owner(s) or future owner(s) of the Future Development Sites, other than the Parties hereto and their respective successors and permitted assigns.

Following the full execution of this Redevelopment Contract, Redeveloper and the Agency shall enter into a mutually-agreeable purchase and sale contract for the Project Site. In accordance therewith, the rights and obligations of the Parties under this Redevelopment

Contract are conditioned upon Redeveloper and Agency closing on the sale of the Project Site to Redeveloper. In the event the purchase and sale contract for the Project Site between Redeveloper and Agency is terminated prior to such closing, this Redevelopment Contract shall be void ab initio.

**Section 3. Incorporation of Plan; Redeveloper Bond; Priority.**

This Redevelopment Contract hereby incorporates the Plan by this reference. In order to provide for payment of some of the eligible improvements for the Multifamily Project set forth in the Plan and this Redevelopment Contract, as described in Exhibit D, attached hereto and incorporated herein (the "**Eligible Costs**"), the Agency shall proceed to issue the Redeveloper Bond on a form provided by the Agency and set forth in the Bond Resolution, in the principal amount not to exceed \$3,350,000, at an interest rate not to exceed 6.50%. In consideration of Redeveloper undertaking the Multifamily Project, the Agency shall issue the Redeveloper Bond to Redeveloper no earlier than thirty (30) days following the Agency's adoption of the Bond Resolution. At closing of the Redeveloper Bond, the loan to be accomplished by this Section and the obligation of the Agency to use the TIF Revenues for redevelopment purposes under this Redevelopment Contract may be accomplished by offset so that the Redeveloper retains the TIF Revenues and no bankable currency is exchanged at closing of the Redeveloper Bond, except as otherwise provided herein. The Redeveloper Bond shall be issued on the basis of interest which is includable in income for both federal and Nebraska State income taxes.

The "**Effective Date**" (as defined in the Act) for the division of TIF Revenues with respect to the Redevelopment Project, or portion thereof, shall be January 1 of the year in which a "Notice to Divide Tax for Community Redevelopment Project" (the "**Notice to Divide**") is filed with the offices of the Platte County Treasurer and Assessor, pursuant to Section 18-2147 of the Act, with respect to the Redevelopment Area, or portion thereof. The "redevelopment project valuation" (as defined in the Act) shall be the assessed value attributable to the Redevelopment Area, or applicable portion thereof, on January 1 of the year prior to the Effective Date. Redeveloper shall provide written notice to the Agency requesting filing of the Notice to Divide prior to July 1 of the calendar year in which Redeveloper wishes to establish the Effective Date for the Project Site. Upon receipt of said timely notice, and in conformance with Section 18-2147 of the Act, the Agency shall file the Notice to Divide for the Project Site on or before August 1 of such year. If Redeveloper fails to timely request filing of the Notice to Divide in accordance with this paragraph, neither the Agency nor City shall be liable for any damages stemming therefrom, including but not limited to, any loss, or potential loss, in TIF Revenues related to the failure to establish the Effective Date in the year desired. With respect to the Future Development Sites, the Agency shall determine, in its sole and exclusive discretion, the timing for filing of the Notice(s) to Divide. As between the Project Site and the Future Development Sites, it is anticipated that the various parcels within the Redevelopment Area may be subject to different Notices to Divide, and thereby have different Effective Dates. The parcel or collection of parcels included within the same Notice to Divide is referred to herein as a "**Phase**".

The Bonds shall constitute a limited obligation of the Agency payable exclusively from the TIF Revenues generated from the Redevelopment Project pursuant to Section 18-2147 of the

Act and collected for a period not to exceed fifteen (15) tax years from the Effective Date of each Phase. Prior to receipt of any TIF Revenues, the Agency shall create a special fund established solely to make payments on the Bonds. Upon receipt of the TIF Revenues, the Agency shall first deposit the TIF Revenues into the special fund, and shall disburse said funds to the holders of the Bonds (but only from available TIF Revenues), at the times provided in the Bonds, in accordance with the following priority:

- (a) Fifty percent (50%) of annual TIF Revenues derived from the Redevelopment Project on the entire Redevelopment Area shall be disbursed and allocated towards debt service on the Redeveloper Bond.
- (b) Fifty percent (50%) of annual TIF Revenues derived from the Redevelopment Project on the entire Redevelopment Area shall be disbursed and allocated towards debt service on the City Bond.
- (c) Following the full payment of all principal and interest on either the Redeveloper Bond or City Bond, one hundred percent (100%) of the TIF Revenues derived from the Redevelopment Project on the entire Redevelopment Area shall be disbursed and allocated towards debt service on the portion of the Bonds that remains outstanding, until full payment or final maturity thereof, whichever occurs first.

The principal amount paid on the Redeveloper Bond and City Bond, as applicable, shall not exceed the aggregate amount of Eligible Costs incurred by Redeveloper and City, respectively, as evidenced by paid invoices or other materials tendered to the Agency ("**Eligible Costs Certifications**"). Each such reimbursement hereunder shall be and constitute a grant to Redeveloper or City, as applicable, made under the terms of this Redevelopment Contract and the Act. Redeveloper and City may submit one or more partial Eligible Costs Certifications prior to expenditure of all Eligible Costs providing certification of receipt of billings for work in progress. All Eligible Costs Certifications shall be subject to review and approval by the Agency prior to the funding of such Eligible Costs. If Redeveloper fails to submit Eligible Cost Certifications in an amount equal to or greater than the principal amount on the Redeveloper Bond upon completion of the Multifamily Project, the principal and interest amounts on the Redeveloper Bond shall be reduced to the amount of Eligible Costs Certifications received/approved by the Agency; and Redeveloper shall cooperate with respect to all actions reasonably necessary, in the Agency's discretion, to accomplish the same.

**Section 4. Workforce Housing Project; Conditions Related Thereto.**

As set forth in the Plan, and pursuant to the Act and the workforce housing incentive plan adopted by the City in accordance therewith (the "**Incentive Plan**"), this Redevelopment Contract specifically contemplates and authorizes the use of TIF for the residential improvements constructed as part of the Multifamily Project that meet the criteria set forth under Section 18-2103(32)(c) of the Act, as may be adjusted from time to time (referred to herein as "**Workforce Housing TIF**").

So long as the residential units constructed as part of the Multifamily Project comply with the criteria set forth under 18-2103(32)(c) of the Act, such improvements shall be considered “Workforce Housing” under the Act, and shall be eligible for treatment as such with respect to the City’s administration of TIF (i.e., such improvement shall constitute Eligible Costs).

If some, but not all, of the residential units constructed by Redeveloper meet the eligibility criteria for Workforce Housing TIF, only the qualifying units shall be eligible for Workforce Housing TIF. Any ineligible portion(s) or unit(s) shall still qualify for normal TIF, but the hard construction costs of the private improvements associated with such ineligible unit(s) shall not be considered Eligible Costs.

To ensure compliance with the foregoing, upon Redeveloper’s submission of any Eligible Cost Certification which includes costs associated with the hard construction costs for private improvements (i.e., the construction of the physical apartment building(s) and units therein), such Eligible Cost Certification shall be supported and/or supplemented by sufficient documentation evidencing that the residential units associated therewith met the criteria under 18-2103(32)(c) of the Act. Unless and until the Agency receives the same, such improvements will not be deemed as Eligible Costs.

**Section 5. Covenants With Respect to Taxation of Project Site.**

Redeveloper agrees with respect to the Multifamily Project as follows:

- (a) Until the termination of this Redevelopment Contract, the Multifamily Project shall be operated for the use substantially similar to that contemplated in the Plan and this Redevelopment Contract, and no sale or conveyance of the Project Site (inclusive of the improvements thereon), or a portion thereof, shall be made to any person or entity for ownership or use which would cause the real property within the Project Site to be eligible for exemption from ad valorem taxes under Section 77-202 of the Nebraska Revised Statutes, as now existing or hereafter amended, or any successor provision thereto, and that it will not make application for any structure, or any portion thereof, to be taxed separately from the underlying land of any lot.
- (b) Redeveloper intends to create a taxable real property valuation of not less than \$26,400,000 within the Project Site (the “**Minimum Valuation**”) no later than January 1, 2027. From and after the effective date of this Redevelopment Contract, and so long as the Redeveloper Bond remains outstanding and unpaid, Redeveloper, together with its successors and assigns, including subsequent purchasers of land within the Project Site, shall not protest any taxable valuation assessed for the Project Site, as determined by the appropriate assessing and taxing officials of Platte County, Nebraska, for purposes of local ad valorem real estate taxes, to an amount below the Minimum Valuation.
- (c) If, during the period of this Redevelopment Contract, Redeveloper’s 50% allocation of the TIF Revenues from the Redevelopment Project on the entire

Redevelopment Area are not sufficient to provide debt service on the Redeveloper Bond: (1) if Redeveloper has monetized the Redeveloper Bond by pledging it to its lender, Redeveloper shall solely be responsible for all payments due to such lender; and (2) in the event of a shortfall of TIF Revenues available as debt service on the Redeveloper Bond, Redeveloper agrees to defer receipt of any such shortfall. If Redeveloper defers the receipt of any such shortfall amounts as required hereunder, Redeveloper shall, subject to the payment priorities set forth under Section 3, be entitled to receive reimbursement of any such shortfall payment to the extent TIF Revenues later become available during the division period prescribed by the Act in an amount in excess of the amount necessary to meet the current debt service payments. Redeveloper shall and hereby does unconditionally forgive any such shortfall amounts remaining unpaid on the Redeveloper Bond at the end of the period for the division of ad valorem real estate taxes prescribed by the Act. Redeveloper shall have no obligations with respect to any shortfall on the City Bond.

- (d) Redeveloper, its successors and assigns, including subsequent purchasers of land within the Project Site, further agree as follows:
- (i) to pay all local ad valorem real estate taxes for the Project Site as levied and assessed before the same become delinquent; and
  - (ii) not to seek any administrative review or judicial review of the applicability or validity of any tax statute relating to taxation of the Project Site or to raise such inapplicability or invalidity as a defense in any administrative or judicial proceedings; and
  - (iii) not to seek any tax deferral or tax abatement with respect to local ad valorem taxes, either as presently or prospectively authorized under any law of the State of Nebraska or federal law with respect to the Project Site; and
  - (iv) to pay or cause to be paid, when due and before any fine, penalty, interest or cost may be added thereto for the non-payment thereof, all water and sewer rates and charges, occupancy tax, special assessments and other governmental levies and charges, general and special, ordinary and extraordinary, unforeseen as well as foreseen, of any kind and nature whatsoever, which are assessed, levied, confirmed, imposed or become payable with respect to the Project Site or Multifamily Project; provided, however, that any special assessments levied for water, sewer or paving improvements shall be permitted to be paid as the same fall delinquent and may bear interest from the date of levy or other appropriate date set by the levying body; and
  - (v) to retain copies of all supporting documents (as defined under Section 18-2119(4) of the Act) generated and received by Redeveloper in relation to

the Multifamily Project or Plan until the expiration of three years following the end of the last fiscal year in which TIF are divided in relation to the Redevelopment Project. This Section 5(d)(v) shall survive the expiration or termination of this Redevelopment Contract.

**Section 6. Release and Indemnification.**

Redeveloper hereby releases from and covenants and agrees that the Agency and the City, together with their governing body, officers, agents, including their independent contractors, consultants and legal counsel, servants and employees thereof (hereinafter, for purpose of this Section 6, collectively, the “**Indemnified Parties**”), shall not be liable for and agrees to indemnify and hold harmless the Indemnified Parties against any loss or damage to property or any injury to or death of any person occurring at or about or resulting from any defect arising from the Multifamily Project or within the Project Site. Provided, however, such release shall not be deemed to include such liability actions arising directly out of the willful misconduct of the Agency or the City.

Additionally, the Indemnified Parties shall not have any pecuniary obligation or monetary liability under this Redevelopment Contract with respect to the Multifamily Project or Project Site. The obligation of the Indemnified Parties on the Bonds or any indebtedness contemplated hereunder shall be limited solely to the TIF Revenues generated by the Redevelopment Project pledged as security for such indebtedness. Specifically, but without limitation, the Indemnified Parties shall not be liable to Redeveloper or any other third party for any costs, liabilities, actions, demands, or damages for failure of any representations, warranties or obligations hereunder.

**Section 7. Covenants to Run with the Land; Easement; Recording of Redevelopment Contract.**

Redeveloper and Agency agree and acknowledge that this Redevelopment Contract and the undertakings of Redeveloper and the Agency as herein provided for shall be considered as and constitute covenants running with the land binding upon Redeveloper and the Agency and their successors and assigns and upon each successive owner of the Project Site or any portion thereof. Redeveloper hereby acknowledges and agrees that by the terms of this Redevelopment Contract it is binding and obligating any and all of its interest in the Project Site, now or hereafter acquired, and hereby covenants and warrants for the benefit of the Agency and the registered owner of the Redeveloper Bond that Redeveloper shall defend such interest in the Project Site against the claims and interests of any and all persons. Redeveloper shall record a memorandum of this Redevelopment Contract, in a form approved by the Agency, against all real estate located in the Project Site and such document shall remain of record until termination of this Redevelopment Contract. The Agency and City shall have the authority to execute the memorandum without additional public determinations or meetings. As and to the extent that this Redevelopment Contract does not have priority by order of recording over each and every mortgage or other instrument securing indebtedness of Redeveloper, Redeveloper hereby agrees to obtain the written agreement in recordable form from each mortgagee or other encumbrancer having any such priority, which written form acknowledges and agrees to the terms of this

Redevelopment Contract, unless waived in writing by the Agency. Redeveloper agrees to provide the Agency with a title report or other evidence as to the status of title to the Project Site after the recording of the memorandum of this Redevelopment Contract. After the Redeveloper Bond has been paid in full, Redeveloper or any successor or assign of Redeveloper shall have the right to request in writing and the Agency shall, upon such request, execute and deliver an appropriate instrument evidencing the termination of this Redevelopment Contract and of the covenants and undertakings herein provided. The Agency shall have the right, from time to time in its sole and reasonable discretion, to release specific parcels or lots located within the Redevelopment Area, other than the Project Site, from any or all of the specific provisions of this Redevelopment Contract.

**Section 8. Default and Remedies upon Default.**

Redeveloper and Agency agree with respect to any defaults or failures of performance by Redeveloper or Agency as follows:

- (a) The following shall constitute “Events of Default” under the terms of this Redevelopment Contract:
  - (i) failure by Redeveloper or Agency to observe timely or perform timely any covenant, condition, obligation or agreement on its part to be observed or performed under this Redevelopment Contract;
  - (ii) any representation or warranty made herein by Redeveloper or Agency proves untrue in any respect reasonably deemed to be material by the other Party;
  - (iii) an event of default or material breach by or attributable to Redeveloper relating to the Multifamily Project or any portion thereof, including, without limitation, breach of the terms of any agreement or other instrument relating to the financing or construction thereof; or
  - (iv) Redeveloper makes an assignment for the benefit of creditors, files a petition in bankruptcy, is adjudicated insolvent or bankrupt or petitions for an order for relief, petitions or applies to any tribunal for the appointment of any receiver or any trustee or a debtor in possession of Redeveloper or any part of its property or commences any proceeding related to Redeveloper under any reorganization, arrangement, readjustment of debt, dissolution or liquidation act, code, law or statute of any jurisdiction, whether now or hereafter in effect, or if there is commenced against Redeveloper any such proceedings and Redeveloper by any act indicates its consent or approval of or acquiescence in any such proceeding or the appointment of any receiver or any trustee or debtor in possession for Redeveloper or any part of its property or suffers any such receivership or trusteeship.

- (v) an event of default or material breach by or attributable to Redeveloper, or in relation to the Multifamily Project and/or Project Site, under the CCREs or Affordability Covenants.
- (b) Whenever an Event of Default occurs, and is not cured within thirty (30) days after written notice from a non-defaulting Party, in addition to all other remedies available to the Agency or Redeveloper at law or in equity, the Agency or Redeveloper may: (1) suspend its performance under this Redevelopment Contract until receiving adequate assurances from Redeveloper or Agency that Redeveloper or Agency has cured the default and will continue performance under this Redevelopment Contract; and/or (2) take such action at law or in equity as the Agency or Redeveloper reasonably deem appropriate, including specific performance or injunction to enforce or compel performance of the provisions of this Redevelopment Contract; provided that the remedy of specific performance against Redeveloper shall not include or be construed to include the covenant to build or construct the Multifamily Project.
- (c) In addition to the remedies under Section 8(b), the Agency shall have the following additional remedies upon an Event of Default by Redeveloper:
  - (i) If at any time during the term of this Redevelopment Contract an Event of Default by Redeveloper shall occur and remain continuing, the City or Agency shall have the right, but not the obligation, to cure such breach on behalf of Redeveloper with respect to the construction of the improvements characterized as Eligible Costs. If the City or Agency elects to cure a breach of Redeveloper, Redeveloper shall reimburse the City or Agency for the documented and reasonable costs of curing Redeveloper's breach within 30 days of demand from City or Agency given to Redeveloper. If Redeveloper's breach can be cured by the payment of Eligible Costs, the City or Agency may cure such defect and obtain reimbursement, with notice to Redeveloper, via a set off to the principal amount of the Redeveloper Bond equal to the Eligible Costs reasonably expended by the City or Agency. The Eligible Costs expended by the City or Agency must be certified by the City or Agency to the holder of the grant proceeds and all subsequent distributions of TIF Revenues shall be distributed to the City or Agency, as applicable, until such Eligible Costs expended by the City or Agency have been reimbursed in full. Interest shall accrue on the amount expended by the City or Agency at the rate provided in the Redeveloper Bond and such interest shall commence from the date that the Agency gives notice to Redeveloper of Redeveloper's Event of Default.
  - (ii) If at any time during the term of this Redevelopment Contract an Event of Default by Redeveloper shall occur and remain continuing, following written notice from the Agency to Redeveloper of such Event of Default, the Agency may withhold any TIF Revenues received, and shall not be

required to remit said TIF Revenues as debt service on the Redeveloper Bond unless and until Redeveloper cures the Event of Default.

- (iii) If at any time during the term of this Redevelopment Contract an Event of Default by Redeveloper shall occur and remain continuing and uncured for a period of more than sixty (60) days after written notice from the Agency to Redeveloper of such Event of Default, unless Redeveloper has commenced to cure the same and is diligently prosecuting the same to completion, the Agency may, upon further written notice to Redeveloper, terminate and void the Redeveloper Bond, in which case Redeveloper shall reimburse the Agency in amount equal to all TIF Revenues previously paid towards the Redeveloper Bond, within thirty (30) days' of the Agency's written notice.
- (d) No remedy herein conferred upon or reserved to the Agency or the registered owner of the Redeveloper Bond is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Redevelopment Contract or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient.
- (e) If any provision of this Redevelopment Contract is breached by a Party and thereafter waived by the other Party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.
- (f) Anything in this Section 8 to the contrary notwithstanding, none of the events described in subsection 8(a)(iv) above shall, on their own, constitute an Event of Default after the Multifamily Project has been completed.

**Section 9. Status of Agency and City.**

Neither the Agency nor the City is or shall be regarded as the partner, joint venturer or other jointly acting party with Redeveloper for any purpose whatsoever and the undertakings and agreements on the part of the Agency herein provided for are undertaken solely pursuant to the provisions of Sections 18-2101 to 18-2150 of the Act and for the limited governmental purposes of promoting and encouraging redevelopment of a blighted and substandard area. Redeveloper acknowledges that Redeveloper or its successors and assigns are and shall remain in control of the Multifamily Project for all purposes provided that Redeveloper acknowledges and agrees that the City is and shall be the owner of and shall be in control of all public street, sewer and water improvements constituting a part of or serving the Multifamily Project.

**Section 10. Manner of Sale of Bond; Payment of Agency's Legal Fees.**

Redeveloper agrees either to purchase the Redeveloper Bond for the principal amount thereof or to find a purchaser for the Redeveloper Bond upon terms and conditions acceptable to the Agency. The loan to be accomplished by this Section, and the obligation of the Agency to remit the TIF Revenues for the Redevelopment Project as debt service on the Redeveloper Bond, may be accomplished by offset in consideration of Redeveloper's warranties and obligations hereunder, so that Redeveloper retains the TIF Revenues and no bankable currency is exchanged between the Parties at closing of the Redeveloper Bond, except as otherwise required hereunder. If the Agency so requests, Redeveloper shall, from time to time, furnish the Agency with satisfactory evidence as to the use and application of the TIF Revenues.

Upon full execution and effectiveness of this Redevelopment Contract, Redeveloper shall reimburse the Agency for its legal fees incurred in relation to the Multifamily Project in the amount of \$12,000. Prior to or contemporaneously with issuance of the Redeveloper Bond, Redeveloper shall reimburse the Agency for its legal fees incurred in relation to the issuance of the Redeveloper Bond in the additional amount of \$3,000. Such reimbursements shall be payable directly to the Agency or Agency's special counsel, at the direction of the Agency.

**Section 11. Indemnification and Penal Bond**

Redeveloper hereby agrees to indemnify and save the City and Agency harmless from any payment or liability to which the City or Agency may become subject for carrying out of any contract entered into by Redeveloper with respect to the Multifamily Project. Redeveloper agrees to procure, through itself or its contractors, a bond (or bonds) for the payment of costs to the extent required under Section 18-2151 of the Act. The City and Agency shall be included as co-obligees on any such bond (or bonds). Prior to undertaking any construction upon public lands or within a public right-of-way, as applicable, Redeveloper shall provide a copy of such bond (or bonds) to the Agency, evidencing that the same is in effect in accordance with the requirements of this Section.

**Section 12. Additional Parties Added as Redeveloper.**

The Parties specifically agree that additional parties or entities may be admitted to and included within the meaning of the term "Redeveloper" upon the mutual written consent of both Parties.

**Section 13. Redevelopment Contract Binding Upon Successors and Assigns.**

This Redevelopment Contract is made for the benefit of Redeveloper, the Agency, the City and the registered owners from time to time of the Bonds as third party beneficiaries. This Redevelopment Contract shall be binding upon the Agency, City and Redeveloper, and any successors or assigns thereof. Redeveloper may assign its interests under this Redevelopment Contract, in whole or in part, and/or convey the Project Site, or a portion thereof, to an unrelated third party, upon the prior written approval of the Agency and City, not to be unreasonably withheld. The Agency, City and Redeveloper acknowledge and agree that, in the event

Redeveloper assigns its rights and obligations under this Redevelopment Contract, in whole or in part, to any assignee, Redeveloper and the assignee shall both be bound by the terms of the Plan and this Redevelopment Contract (as and to the extent of any such assignment with respect to the assignee). No assignment by Redeveloper to the assignee shall be effective until a written instrument binding the assignee under the terms of the Plan and this Redevelopment Contract (as and to the extent of such assignment), duly acknowledged and in recordable form, has been executed and delivered by the assignee and recorded in the real estate records of Platte County, Nebraska, with respect to the Project Site.

**Section 14. Titles of Sections.**

Any titles of the several Sections of this Redevelopment Contract are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of the provisions hereof.

**Section 15. Notices.**

Except as otherwise specified herein, all notices hereunder shall be in writing and shall be given to the relevant Party at its address set forth below, or such other address as such Party may hereafter specify by notice to the other given by United States mail or by other telecommunication device capable of creating a written record of such notice and its receipt. **Section 16. Severability.**

If any provision of this Redevelopment Contract shall be held or deemed to be or shall, in fact, be inoperative or unenforceable as applied in any particular case, for any reason, such circumstances shall not have the effect of rendering the provision in question inoperative and unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained, invalid, inoperative or unenforceable to any extent whatever. **Section 20. Termination.**

This Redevelopment Contract shall commence as of the date first above written and shall terminate upon the earlier of the date on which TIF Revenues for the Redevelopment Project may no longer be divided under Section 18-2147 of the Act, or payment of all principal and interest owed toward the Bonds.

**Section 21. Force Majeure Event.**

No Party shall be considered in breach of, or in default in its obligations with respect to any of the obligations under this Redevelopment Contract in the event that a delay in the performance of such obligations is caused by a Force Majeure Event. A “**Force Majeure Event**” means any failure or delay in performance by a Party that is proximately caused by

unforeseeable causes beyond its control and without its fault or negligence, such as acts of God, wars or insurrections, pandemics, and epidemics, among others. In the event of the occurrence of any such delay due to a Force Majeure Event, the time or times for performance of the obligations of the delayed Party shall be extended for the period of Force Majeure Event, as determined by the mutual agreement of the Parties. Any Party claiming such excused delay as the result of a Force Majeure Event shall, within twenty (20) days after the beginning of any such Force Majeure Event, notify the other Party in writing of the cause or causes thereof, and request an extension for the period of the delay.

**Section 22. Effect of Redevelopment Contract.**

This Redevelopment Contract (including the Plan as incorporated by reference) constitutes the entire understanding by and between the Parties concerning the subject matter hereof, and supersedes and replaces all prior agreements. No other prior or contemporaneous representations, inducements, promises or agreements, oral or otherwise, between or among the Parties relating to the subject matter hereof and not embodied in this Redevelopment Contract shall be of any force and effect.

## LOT PURCHASE AGREEMENT

(Vitality Village Subdivision)

THIS LOT PURCHASE AGREEMENT (this "**Agreement**") is made and entered into effective as of this \_\_\_\_ day of \_\_\_\_\_, 2025 (the "**Effective Date**"), by and between the **Community Development Agency of the City of Columbus, Nebraska** ("**Seller**"), and **Progressive Property Inspections, LLC**, a Nebraska limited liability company ("**Buyer**"). Seller and Buyer are each a "**Party**" and collectively the "**Parties**" hereto.

### RECITALS

A. Seller is the owner of a certain tract or tracts of real estate located in the City of Columbus, Platte County, Nebraska, generally depicted on the plat attached hereto and incorporated herein as **Exhibit A** (the "**Plat**"), with such tracts comprising a subdivision commonly known as Vitality Village Subdivision (the "**Subdivision**")

B. Seller wishes to sell and Buyer wishes to purchase certain lot(s) within the Subdivision, as depicted and described on **Exhibit B**, attached hereto and incorporated herein (the "**Property**"), subject to the terms and conditions of this Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. **Property.** Subject to the terms and conditions hereof, Seller agrees to sell and Buyer agrees to purchase the Property, together with all improvements and fixtures thereon, and all privileges, easements and appurtenances pertaining thereto including all right, title and interest in, adjacent streets, alleys, or rights-of-way.

2. **Purchase Price and Allocation.** Buyer shall pay to Seller for the purchase of the Property the sum of One Hundred Seventy-Four Thousand Four Hundred-Twenty & 00/100 Dollars (\$174,420.00) (the "**Purchase Price**"). The Purchase Price shall be paid to Escrow Agent (defined below), for the benefit of Seller, by cash, certified or cashier's check or by wire transfer, as follows:

(a) Within three (3) business days following the Effective Date of this Agreement, the sum of Eight Thousand Seven Hundred-Twenty-One & 00/100 Dollars (\$8,721.00) (the "**Earnest Deposit**");

(b) At the closing of the purchase contemplated by this Agreement (the "**Closing**"), the balance of the Purchase Price, after credit of the Earnest Deposit and such other proration, adjustments, and costs, as described in this Agreement; and

(c) The Earnest Deposit shall be held by Escrow Agent in an interest-bearing account until Closing. At Closing, Escrow Agent shall apply the Earnest Deposit and all interest

earned thereon to the Purchase Price. If Closing does not occur, interest shall be paid to the Party entitled to receive the Earnest Deposit according to the terms of this Agreement.

For purposes of this Agreement, the Parties designate Omni Title, c/o Angela Miller, 2654 33rd Ave, Columbus, NE 68601, as the title company and escrow agent for this transaction (collectively, the "**Escrow Agent**").

3. **Approval of Improvement Plans; Contingency and Diligence Period.** The Parties acknowledge and agree that the purchase and sale of the Property is contingent upon Seller's approval, as "Declarant" under the CCREs (defined below), within forty (40) days of the Effective Date (such time period being referred to hereafter as the "**Contingency and Diligence Period**"), of Buyer's plans and specifications for Buyer's proposed improvements on the Property, in accordance with the terms of the CCREs (the "**Improvement Plans**"). Buyer shall submit its Improvement Plans to Seller no later than twenty-five (25) days after the Effective Date. Upon Seller's timely submission of the Improvement Plans, Seller shall provide Buyer with notice of its acceptance or rejection of the Improvement Plans, as applicable and in Seller's sole discretion, prior to expiration of the Contingency and Diligence Period. If Seller rejects the Improvement Plans submitted by Buyer, then: (i) Buyer may terminate this Agreement by written notice to Seller and Escrow Agent, and the Earnest Deposit shall be refunded to Buyer; or (ii) the Parties may mutually agree, in writing, to extend the Contingency and Diligence Period to provide for Buyer's resubmittal of updated Improvement Plans. If Seller approves the Improvement Plans prior to the expiration of the Contingency and Diligence Period, Buyer may, in its discretion via written notice to Seller, elect to waive the remaining portion of the Contingency and Diligence Period, in which case the Contingency and Diligence Period shall be deemed expired as of the date Buyer tenders such written election to Seller, and the Parties shall proceed to Closing in accordance with Section 4, below.

4. **Closing.** The Closing shall take place at the office of Escrow Agent, or such other place as mutually agreed upon by the Parties, five (5) days after the expiration of the Contingency and Diligence Period (the "**Closing Date**"), or sooner, in the event the Parties mutually agree. Notwithstanding anything herein to the Contrary, the Parties may, at any time via mutual written agreement, agree to terminate the Contingency and Diligence Period early and proceed to Closing.

(a) At the Closing, Seller shall:

(i) Deliver to Escrow Agent a duly executed and acknowledged special warranty deed ("**Deed**"), conveying marketable title in fee simple to the Property, free and clear of all liens and encumbrances, but subject to Permitted Exceptions;

(ii) Deliver to Escrow Agent a non-foreign person affidavit; and

(iii) Deliver to Escrow Agent all other Seller documents reasonably necessary to close this transaction in accordance with its terms and conditions and such other documents as are reasonably required by the Escrow Agent to be furnished by Seller, in form and content acceptable to Seller.

(b) At the Closing, Buyer shall:

(i) Pay the Purchase Price after crediting Closing adjustments, as may be provided for herein; and

(ii) Deliver to Escrow Agent all other Buyer documents reasonably necessary to close this transaction in accordance with its terms and conditions and such other documents as are reasonably required by the Escrow Agent to be furnished by Buyer, in form and content acceptable to Escrow Agent and Seller.

5. **Brokers' Fees.** Seller and Buyer each represent and warrant to one another that it has not engaged a real estate broker, and no broker fees or commissions are payable with respect to the transaction contemplated under this Agreement. Each Party hereby indemnifies and agrees to hold the other harmless from and against any liability for broker fees or commissions resulting from the transaction contemplated under this Agreement and arising by, through or under the indemnifying Party. The indemnities in this Section shall survive the Closing.

6. **Possession.** Seller shall deliver possession of the Property to Buyer upon the conclusion of the Closing.

7. **Expenses; Prorations.**

(a) **Seller's Expenses.** Seller shall pay all costs of preparation of the Deed, all of Seller's attorneys' fees, and all other expenses stipulated to be paid by Seller under other provisions of this Agreement;

(b) **Buyer's Expenses.** Buyer shall pay all documentary stamp taxes, the full cost of the owner's policy for title insurance (the "**Title Insurance Policy**"), all costs of any endorsements to the Title Insurance Policy, all costs of any escrow or Closing fees, all costs of recording the Deed, all costs of surveying, feasibility inspections, or environmental assessments, all of Buyer's attorneys' fees, and all other expenses stipulated to be paid by Buyer under other provisions of this Agreement;

(c) **Real Estate Taxes and Special Assessments.** General real estate taxes that become delinquent in the year Closing occurs shall be treated as current taxes and shall be prorated as of the Closing Date. Seller shall pay or cause to be paid all special assessments against the Property for public improvements levied prior to the Closing Date. Buyer assumes the obligation to pay all special assessments against the Property for public improvements levied on or after the Closing Date

8. **Due Diligence and Conditions to Buyer's Obligation to Close.** Buyer's obligation to purchase the Property is subject to Buyer's reasonable satisfaction or waiver of the following conditions prior to expiration of the Contingency and Diligence Period:

(a) Survey. During the Contingency and Diligence Period, Buyer may cause an ALTA/NSPS land title survey of the Property (the "**Survey**") to be prepared by a registered surveyor, at Buyer's cost.

(b) Title. Buyer shall order from Escrow Agent, within ten (10) days after the Effective Date, a commitment for the Title Insurance Policy to Buyer in the amount of the Purchase Price (the "**Title Commitment**"). In the event the Title Commitment or Survey shows any defect(s) not reasonably acceptable to Buyer, Buyer shall have until the twenty-fifth (25th) day after the Effective Date to object to such defect(s) in writing to Seller (the "**Title and Survey Objections**"). If Buyer makes such Title and Survey Objections in a timely manner, Seller, in Seller's sole discretion, may elect to cure such Title and Survey Objections or do nothing. If Seller fails to respond within ten (10) days of Seller's receipt of the Title and Survey Objections, then Seller shall be deemed to have elected not to cure such Title and Survey Objections. Based on Seller's response, or deemed response to the Title and Survey Objections, Buyer may elect within five (5) days thereafter to either: (i) waive such Title and Survey Objections and proceed to Closing; or (ii) terminate this Agreement by written notice to Seller and Escrow Agent, and the Earnest Deposit shall be refunded to Buyer. Any matters in the Title Commitment and Survey, except those that Seller agreed in writing to cure, shall be deemed "**Permitted Exceptions**" for purposes of this Agreement. Buyer's failure to terminate this Agreement as provided in this Section shall be deemed an election by Buyer to waive such Title and Survey Objections and proceed to Closing. Notwithstanding the foregoing or any other provision of this Agreement to the contrary, Buyer acknowledges and accepts that Seller recorded those certain: (i) covenants, conditions, restrictions, and easements upon the Subdivision, recorded at Book 258, Page 477, on November 5, 2024, in the land records of Platte County, Nebraska (the "**CCREs**"), and (ii) affordability covenants upon the Subdivision, recorded at Book 258, Page 509, on November 5, 2024, in the land records of Platte County, Nebraska (the "**Affordability Covenants**"). In accordance therewith, Buyer acknowledges it has been provided the opportunity to review the CCREs and Affordability Covenants prior to entering into this Agreement; and agrees that the CCREs and Affordability Covenants shall constitute Permitted Exceptions, and Buyer shall not be permitted to object the same as part of its Title and Survey Objections under this Section 8.

(c) Feasibility. Buyer shall have until the expiration of the Contingency and Diligence Period to conduct, at Buyer's cost, any and all environmental, physical, engineering, zoning and feasibility studies, and tests (collectively, "**Inspections**") with respect to the Property, to determine whether or not the condition of the Property is reasonably acceptable to Buyer. With twenty-four (24) hours' prior notice to Seller in each instance, Buyer and its representatives may enter onto the Property at reasonable times to make such Inspections. All Inspections shall be at the sole expense and risk of Buyer and shall not interfere with Seller's, or its tenants', if any, use and operation on the Property. Buyer shall indemnify Seller and hold Seller harmless from and against any and all costs, claims or expenses arising out of the failure of Buyer and its representatives to promptly pay for the costs and expenses of the Inspections, or any injury or damage to persons or property during or as a result of the Inspections. Buyer shall promptly repair any and all damage caused as a result of the Inspections. If in Buyer's reasonable judgment, such surveys, studies, samples, inspections, investigations, appraisals or other tests are inadequate, indicate that the Property is unsuitable for Buyer's use, or cannot be purchased by

Buyer, then Buyer may terminate this Agreement by written notice to Seller prior to the expiration of the Contingency and Diligence Period. Buyer's failure to terminate this Agreement as provided in this Section shall be deemed an election by Buyer to waive this contingency and proceed to Closing.

9. **Default.** Unless otherwise provided in this Agreement, if Seller fails to materially comply with any obligation or duty set forth herein, and fails to cure the same within fifteen (15) days of written notice from Buyer to Seller, then Buyer may terminate this Agreement and the Earnest Deposit shall be returned to Buyer. Return of the Earnest Deposit shall be Buyer's sole and exclusive remedy. In the event Buyer fails to comply with any obligation or duty set forth in this Agreement, then Seller may pursue any remedy available to Seller at law or in equity, including, without limitation, specific performance of this Agreement, or, Seller may terminate this Agreement and retain the Earnest Deposit as liquidated damages.

10. **Representations of Buyer.** Buyer hereby represents to Seller as of the Effective Date, to be recertified at Closing:

(a) Buyer is duly authorized to execute and perform this Agreement, and such execution and performance will not violate any law, rule, judgment, regulation, order, writ, injunction or decree of any court or governmental or quasi-governmental entity with jurisdiction over the Buyer, which would prevent Buyer from performing its obligations pursuant to this Agreement;

(b) No petition in bankruptcy (voluntary or otherwise), assignment for the benefit of creditors, or other action under federal or state bankruptcy laws is pending against or contemplated by Buyer;

(c) Buyer shall use and develop the Property in accordance with the CCREs, Affordability Covenants, and the approved Improvement Plans;

(d) Buyer shall not take, or fail to take, any action that would have the effect of violating any of the representations, warranties, covenants, and agreements of Buyer contained in this Agreement;

(e) Buyer will submit its Improvement Plans to Seller within twenty-five (25) days of the Effective Date; and

(f) Buyer shall execute and deliver such documents as are necessary to effectuate any of the agreements or obligations of Buyer hereunder.

If any representation above is found by Seller to become untrue and is not remedied by Buyer prior to the Closing Date, Seller may: (i) terminate this Agreement, in which event neither Party shall have any further rights or obligations pursuant to this Agreement, and Seller shall retain the Earnest Deposit as

liquidated damages; or (ii) waive its objections and proceed to Closing. The representations in this Section shall survive Closing.

11. **Representations of Seller.** To the best of Seller's actual knowledge, Seller hereby represents to Buyer as follows:

(a) There are no parties in possession of the Property, or any part thereof, as lessees, sublessees, or trespassers;

(b) There is no pending or threatened condemnation affecting the Property, or any part thereof;

(c) Seller is duly formed and is authorized and empowered to execute this Agreement and to sell the Property;

(d) There are and will be no unrecorded liens or Uniform Commercial Code liens created by Seller against any of the Property which will not be satisfied out of the Purchase Price or from other funds of Seller at or prior to Closing;

(e) Seller shall not further encumber the title to the Property without the prior written consent of Buyer;

(f) There are no service contracts or other contracts that will affect the Property after Closing;

(g) Neither Seller nor any of its affiliates, nor any of their respective partners, members, shareholders or other equity owners, and none of their respective employees, officers, directors, representatives or agents is, nor will they become, a person or entity with whom United States persons or entities are restricted from doing business under regulations of the Office of Foreign Asset Control ("OFAC") of the Department of the Treasury (including those named on OFAC's Specially Designated and Blocked Persons List) or under any statute, executive order (including, without limitation, the September 24, 2001, Executive Order Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism), or other governmental action, and is not and will not engage in any dealings or transactions or be otherwise associated with such persons or entities;

(h) Seller shall not take, or fail to take, any action that would have the effect of violating any of the representations, warranties, covenants, and agreements of Seller contained in this Agreement; and

(i) Seller shall execute such documents as are necessary to effectuate any of the agreements or obligations of Seller hereunder.

If any representation above is found by Buyer, prior to Closing, to become materially untrue and is not remedied by Seller prior to Closing, Buyer may: (i) terminate this Agreement, in which event neither Party shall have any further rights or obligations pursuant to this Agreement, other than those that

specifically survive termination, and the Earnest Deposit shall be returned to Buyer, or (ii) waive its objections and proceed to Closing.

12. **As Is, Where Is.** THE PROPERTY IS BEING SOLD IN “AS IS, WHERE IS” CONDITION AND “WITH ALL FAULTS” AS OF THE DATE OF THIS AGREEMENT AND OF CLOSING. NO REPRESENTATIONS OR WARRANTIES HAVE BEEN MADE OR ARE MADE AND NO RESPONSIBILITY HAS BEEN OR IS ASSUMED BY SELLER OR BY ANY PARTNER, MEMBER, OFFICER, PERSON, FIRM, AGENT, ATTORNEY OR REPRESENTATIVE ACTING OR PURPORTING TO ACT ON BEHALF OF SELLER AS TO (I) THE CONDITION OR STATE OF REPAIR OF THE PROPERTY; (II) THE COMPLIANCE OR NON-COMPLIANCE OF THE PROPERTY WITH ANY APPLICABLE LAWS, REGULATIONS OR ORDINANCES (INCLUDING, WITHOUT LIMITATION, ANY APPLICABLE ZONING, BUILDING OR DEVELOPMENT CODES); (III) THE VALUE, EXPENSE OF OPERATION, OR INCOME POTENTIAL OF THE PROPERTY; (IV) ANY OTHER FACT OR CONDITION WHICH HAS OR MIGHT AFFECT THE PROPERTY OR THE CONDITION, STATE OF REPAIR, COMPLIANCE, VALUE, EXPENSE OF OPERATION OR INCOME POTENTIAL OF THE PROPERTY OR ANY PORTION THEREOF, INCLUDING WITHOUT LIMITATION ITS MERCHANTABILITY OR ITS FITNESS FOR ANY PARTICULAR PURPOSE; OR (V) WHETHER THE PROPERTY CONTAINS ASBESTOS OR HARMFUL OR TOXIC SUBSTANCES OR PERTAINING TO THE EXTENT, LOCATION OR NATURE OF SAME. THE PARTIES AGREE THAT ALL UNDERSTANDINGS AND AGREEMENTS MADE BETWEEN THEM OR THEIR RESPECTIVE AGENTS OR REPRESENTATIVES ARE MERGED INTO THIS AGREEMENT, WHICH ALONE FULLY AND COMPLETELY EXPRESSES THEIR AGREEMENT, AND THIS AGREEMENT HAS BEEN ENTERED INTO WITH THE PARTIES SATISFIED WITH THE OPPORTUNITY AFFORDED FOR FULL INVESTIGATION, NEITHER PARTY RELYING UPON ANY STATEMENT OR REPRESENTATION BY THE OTHER UNLESS SUCH STATEMENT OR REPRESENTATION IS SPECIFICALLY EMBODIED IN THIS AGREEMENT. THE AGREEMENTS IN THIS SECTION SHALL SURVIVE CLOSING.

13. **Condemnation.** If prior to Closing, condemnation proceedings are commenced against all or a portion of the Property, which materially and adversely affect access thereto in Buyer's sole judgment, Buyer, at Buyer's option, may terminate this Agreement by written notice to Seller within five (5) days after Buyer is advised of the commencement of condemnation proceedings in which event neither party shall have any further rights or obligations pursuant to this Agreement except those obligations that are specifically to survive termination. If this Agreement is so terminated, the Earnest Deposit shall be refunded to Buyer. If not so terminated, Buyer shall close this Agreement without adjustment to the Purchase Price and Buyer shall have the right to appear in and defend such condemnation proceedings, whether occurring or completed prior to or after Closing, and any award in condemnation relating to the Property shall become the Property of Buyer. Any condemnation award or payment in lieu of such condemnation proceedings made to Seller prior to Closing shall reduce the Purchase Price by the amount of such award. Seller shall not accept any payment or award in lieu of condemnation proceedings without Buyer's prior written consent.

14. **Casualty Loss.** Risk of loss by damage or destruction to the Property prior to the Closing shall be borne by Seller. In the event of material loss to the Property prior to closing, Buyer shall

have the option to terminate this Agreement and receive a refund of the Earnest Deposit or to proceed with Closing.

15. **Confidentiality.** Seller and Buyer agree that this Agreement and all property condition reports, environmental reports and financial information regarding the Subdivision and Property are confidential and, prior to Closing, shall not be disclosed to any person other than Buyer's lenders, equity partners, accountants, legal counsel, representatives and other consultants of Buyer, on a need-to-know basis, who agree to maintain the confidentiality of such information. Buyer agrees not to use or allow to be used any such information for any purpose other than to determine whether to proceed with the contemplated purchase, or if same is consummated, in connection with the operation of the Property post-Closing.
