Notice: | Committee of the Whole meeting to be held on Monday, January 9, 2017 at 7:00 PM at the District Center, 517 Deerfield Rd., Deerfield, IL 60015

Committee of the Whole meetings are very important opportunities for the Board of Education to gain in-depth understanding about specific topics. COW are not action meetings; the Board does not vote. Board members will review information presented, ask questions, and discuss topics on the agenda. Discussion is among Board members and presenters. Community members are welcome at these meetings, and may comment and ask questions during the community participation period. Because of the purpose of COW meetings, there typically is one opportunity for community participation, rather than the two community participation periods in regular monthly Board meetings.
