# Amherst Public Schools

The purpose of this plan is to provide a framework for how Amherst Public Schools will respond to the COVID-19 pandemic during the 2021-2022 school year. The framework is structured to allow the district to respond to changing public health circumstances. All health decisions will be based upon data in the Amherst Public School District and consultation with local health officials.

## Scenario Description Rationale:

Scenario	Description	Rationale
<b>A</b>	<b>School is in session All students and staff are in the classroom</b>	<ul style="list-style-type: none"> <li>In this scenario, the school has a plan to meet guidelines provided for the reopening of schools and local public health conditions warrant a return to school with appropriate safety precautions being made.</li> </ul>
<b>B</b>	<b>Altered School Calendar</b>	<ul style="list-style-type: none"> <li>In this scenario, the beginning/ending of school and/or vacation and/or PD days could be altered to meet instructional requirements as indicated in Rule 10.</li> </ul>
<b>C</b>	<b>School is in session (scenario A or B) with occasional short-term closures (2-5 days)</b>	<ul style="list-style-type: none"> <li>In this scenario, the district would anticipate providing educational continuity for students with occasional short-term closures that would be needed when a student or staff member, who has been on campus, tests positive for COVID-19. The purpose of the short-term closure (2-5 days) would be to contact trace, deep clean, and ensure the necessary exclusion of students and staff from campus for up to 14 days or as directed by public health officials.</li> </ul>
<b>D</b>	<b>Hybrid of in-person and remote learning instruction for social distancing purposes</b>	<p>This plan would be used in the event that we have directed health measures that require social distancing in classrooms or limiting the number of students in a classroom.</p> <p>Examples could include...</p> <ul style="list-style-type: none"> <li>Alternating days or half days</li> <li>Students remain in the classroom with teachers rotating to students.</li> <li>Assessments on campus during remote learning</li> <li>Serving Special Education and other select groups on campus.</li> <li>Students remain in the classroom to complete remote learning with support of a single teacher</li> </ul>
<b>E</b>	<b>Remote Learning</b>	<ul style="list-style-type: none"> <li>Necessary in the event of school building closure</li> </ul>

**IMPORTANT – TERMS AND CONDITIONS:**  
**This quotation shall be included by attachment with contract and is based on delivery June - September 2023 (quarterly adjustments may apply).** Allow 4 to 5 weeks for approval drawings upon receipt of contract, project manual and plans. Allow for field check and approval time, then 90 to 120 days lead time to delivery (or call to discuss fast track options, if needed). Site and gym are to be accessible for unload, staging materials in gym and beginning installation upon receipt of materials to avoid delays and added handling storage charges. **Multiple moves, extra handling and or storage are not included.** Up to 45 days prior to delivery, orders may be pulled from production and rescheduled to Interkal’s next available production date. Unless listed in the above scope “description” pricing does not include prevailing wage, union wages, any miscellaneous licensing, permits, or fees.

Terms (unless specified otherwise): Materials, Net 30 days. Labor, 90% monthly estimate, balance upon completion. 1.5% per month to be charged on past due amounts. Applicable taxes must be added.

Should you wish to have any of the above conditions altered or included with our bid, please call for revised quote. Thank you for the opportunity to be of service.
