If, after five days, the student or staff member tests negative, they may reenter school. If a family chooses not to be tested, then a 14-day quarantine period is required. Students or staff who test positive should remain at home for 10 days after onset of symptoms or positive test, and are fever free for 24 hours without medicine. Subject: Letter of Resignation for Track and Field
To: johnloney@r-pschools.com <johnloney@r-pschools.com>

Hi John,

I just sent you a text as well.

I have enjoyed coaching track and field at Rushford-Peterson Schools. It has been a wonderful opportunity working with the wonderful athletes and coaches. I feel very blessed to be a part of such an amazing program. Thank you for this opportunity.

If you can get my letter of resignation in for the Sept. 20th meeting, that would be great. I want there to be ample time to fill the position.

Sincerely,

Jenny Helgemoe, School Counselor

"Always Our Best"

Vision: Empowering all for lifelong learning

Mission: Creating an educational community where lifelong learning is valued, excellence is expected, and all are prepared for the future.

Joint Equity Statement - (See Attachment)

Deb Henton, Ed.D., Executive Director - - - Minnesota Association of School Administrators

The statement reminds people what education equity really means: Programs and policies that meet students where they are-academically, emotionally, and physically-and lift them up so every student has an excellent chance at academic success.

Fillmore County Public Health (FCPH) - Superintendent and Board Opportunity

In an effort to provide ongoing communication, support, and resources to area schools, Fillmore County Public Health (FCPH) will be offering a one-time educational event for superintendents and up to two school board members. This session is being offered at the request of some school board members. This educational event will be offered in a way to still abide by Minnesota open meeting laws. This opportunity will involve sharing of data, COVID-19 requirements, and best practices to help students maintain in-person learning. If you have questions you would like addressed, submit them to your local Superintendent who will share them with FCPH leadership by September 20, 2021. Questions requested after that time are not guaranteed to be discussed.

This event will be held on Thursday, September 23 from 1:30 to 2:30 PM. To join the meeting click on the following link

ESSER I, II, III - GEER I, II and CRF Funds (See Attachments)

I was asked by a Board member to share the total amount of Federal funding we have, or will, receive as part of COVID relief.

ONLINE LEARNING

The middle school and high school had 5 students who indicated that they might move to online learning for this school year. Of those five, we will have 4 attending in-person.

We do have one MS/HS student who opted for the state online program.

Students who may become ill or need to quarantine will work with classroom teachers for assignments and assistance.

We have three elementary students who opted for online learning.

Sources of Information

During our last few meetings we heard many statements of fact made by various participants. I know these folks all felt the information they were sharing was accurate and from reliable sources. The issue is that many of these statements ran contrary to those statements made by others.

As a Board, how do we know what information is factual?

I would like for us to briefly discuss this at our meeting.

Public school leaders pledge to support and expand education equity programs intended to make schools more safe, welcoming and effective for all students

ST. PAUL, Minn. Sept. 13, 2021 – The leaders of some of the most prominent groups in public education, representing school boards, superintendents, administrators, school business officials, principals, special education administrators, teachers and other educators from across the state, have issued a joint statement in support of increasing education equity, including in race and gender.

Nearly all Minnesotans agree every student deserves an education that encourages them to understand and value who they are and where they came from so they can reach their full potential, no matter their skin color, background, gender, or ZIP code.

Too often, we have fallen short of this goal, especially for our students of color, LGBTQ+ students, students living in poverty, and students with special physical or emotional needs. We are committed to reversing this trend with programs and policies that meet students where they are — academically, emotionally, and physically — and lift them up so every student has an excellent chance at academic success. For us, this is the definition of education equity.

We have seen progress but have no doubts that more needs to be done to make our schools safe, welcoming and effective for all students. If nothing else, demography demands we quicken our pace. More than a third of our students statewide are students of color and our state becomes more racially and culturally diverse every year.

Unfortunately, many communities throughout Minnesota are feeling the effects of a well-organized national campaign pushing an agenda that misrepresents the vital work of racial and gender equity in our schools and then mislabels it as “critical race theory.” This deceptive campaign pushes the idea that educational equity is a zero-sum proposition — that it is necessary for some students to lose opportunities to help other students succeed. Nothing could be further from the truth. Educational equity is giving all students a world-class education.

To be clear: Every student — white, Black, brown, or Indigenous — benefits from learning a deeper respect and understanding for their neighbors through an honest education in social studies, language arts, and all the other subjects taught in our schools.

As representatives of classroom educators, administrators, and school boards throughout Minnesota, we value students for who they are today and our organizations are committed to developing all of them into informed citizens, good neighbors and critical thinkers who can live in, and someday lead in, a multicultural, multiracial Minnesota. Our kids deserve nothing less.”

Summer Recreation and Enrichment: This summer ended with our last program of the preschool camps. Heather Grigg offered 2 camps this summer for our youngest learners and WOW was it fun! She had Art/Craft Preschool Camp and a Beach Week camp. Both were very well attended with the Beach week at 14 students!

School year offerings: We offered:

- Flag Football: 40 participated
- Youth Tackle: 30 participated
- Little Rockers: 12 participated - with more wanting to sign up!
- Junior Spikers: 19 participated
- A variety of Youth Dance classes such as Jazz and High Kick levels 1, 2, 3; Cheer, Hip Hop, Ballet, Solo and Duet classes. All are running except the Solo and Duet class. Performances will be the weekend of October 15/16.

Here is our [Fall Brochure](#) for a total listing of all our CE programs this fall.

Kids' Club Highlights:

- Average for Kids' Club: 26 per day in the summer. School year: we have 20 per day.
- We are limiting our enrollment for after school per day to 20-24 because of staffing issues. We need more staff in order to have more kids attend.
- We welcomed back Liz Jandt who worked with us last school year! She has been fun to have back with our Kids' Club program.

Project Kids:

- We have 21 students signed up for Project Kids. This is wonderful for our first year!
- Consistent staff are Alison Dvorak, Kristi Agrimson and Karen Culhane
- Our first week our numbers were lower which we anticipated. However they are slowly growing. When the numbers are low, the staff will assist with the Kindergarten classrooms or wherever is needed.
- Compliments: we have heard many compliments of this addition to our EC program! This is a wonderful program and service for our families and kids we serve. We are so excited this has been well received.

Lille By Preschool:

- Currently we have 70 enrolled:
 - 11: M/W class (3/4 year old class)
 - 12: T/Th class (3/4 year old class)
 - 16: M-TH morning class (4/5 year old class)
 - 14: M-Th Blended class
 - 17: M-Th afternoon class (4/5 year old class)
- The classes are going very well! Thank you to Emily Johnson/Barb Courier and Alison Kjos/Mary Gutknect.

Community Education Board Report
September 2021 Report

- Special thank you to Johnson Rolling Acres for their annual donation of \$1,620 for Milk! Our families and our program are so thankful for the donation!
- In the fall, we usually have the Rushford Fire Department visit our preschool classes and talk about fire safety.

EC Screening and ECFE:

- Our EC Screening was held on August 25 with 20 screened. It was a great day and coordinated very well by Heather Grigg, EC Coordinator.
- The [ECFE sessions and events](#) are planned for the 2021-2022 school year! Our first classes will begin on Thursday, September 16.

Fitness Center:

- Annual memberships: 27
- Monthly memberships (both community and college memberships): 28
- Police memberships: 5
- Senior memberships: 5
- Hallwalkers: We have quite a few hallwalkers. More in the winter time, but we do have many that like to walk during the hot days of summer.

CE Staffing Update: As you know by now, I gave my resignation to Mr. Thompson in August. I wanted to be sure to wrap up all our summer programs and begin the school year with everything I could for it all to be successful.

I would like to thank all the school board members of the past and present for all your support to all the programs Community Ed offered for our communities of Rushford, Rushford Village and Peterson. We touch so many lives and not only the students that attend our school but our residents of our communities also. I am very proud of all our work and am grateful to have worked with those that supported our programs. I couldn't have done it without Jill Rasmussen and Amanda Miller. They were crucial to the success of our programs. Anyway, thank you. I wish R-P Schools the very best and hope to see our programs continue!

1st grade has had a wonderful start to the school year! Students are very excited and eager to learn! We've reviewed our classroom rules and expectations, learned about bus safety, and read some awesome back to school books. We have also been practicing writing our letters and sentences. We even got to write a journal about our family. In math, we practiced writing our numbers and are starting addition this week! We are going to have a great school year!

The school year is off to a great start in second grade! We are learning about place values and different ways to name numbers in math. In reading this week, our story is teaching us about how astronauts live and work in space. Science class is all about animals, and we are learning about mammals, insects, birds, fish, amphibians, and reptiles. We LOVE animals! We're also learning about phonics patterns, all about sentences, and safety rules for home and play. We are very busy, and the days are flying by!

Third grade has been off to a great start. We have spent the first few weeks getting back into the routine of things, working on classroom procedures, and learning about one another. Academically, we have started working on rounding, sentence structure, scientific tools, and reading different stories!

For grades K-2 we are working with bean bags. We are working on improving our eye hand coordination by tossing and catching in various ways and using various body parts to toss and catch.

We are working on using an underhand toss to a partner or target.

3rd grade is working on eye hand coordination using footballs. We are introducing what offense and defense means and some patterns to run as a receiver. We are practicing throwing to a person who is moving and how to catch a football while moving. We are working on two benchmarks (1) throwing overhand within a task that requires force for distance, demonstrating 3 of the 5 critical elements and (2) throw overhand with accuracy to a stationary target.

PE- 4th-5th- Nikki Schultz

We started out the year with a fun 52 card pick-up game and a couple of days of kickball. The students really enjoyed the 52 card pick-up. They had to act some things out, do exercises, challenges, find things, etc. Our first unit will be football.

Mr. Timm
Respect – Integrity – Excellence

GOAL 1: Personalize learning for all students in pursuit of their academic excellence.	The high school staff in collaboration with our MaryAnne Smith, our career navigator, are implementing a communication skills curriculum for our students. We are using an online program called “Emerge”. Our students are doing 2-3 “badges” per year during study hall time. Some examples include: phone etiquette, email etiquette, resume/cover letter, networking and social media networking.																		
GOAL 2: Develop well-rounded students in the areas of character, community & academics.	The school year is off to a great start. I would like to thank the staff and students for “Being Good Human Beings” and showing Trojan Pride. It is great to see the building full of people and even better to watch the interactions amongst staff and students in the pursuit of learning and making everyone a better person.																		
GOAL 4: Promote and provide positive school and community culture that engages all stakeholders.	Our Middle School and High School Student councils along with our Culture Club are planning many fulfilled Homecoming activities. In addition to the events listed below other planned events include dress up days, door decorating, painting driveways/lawns with Trojan Heads, painting downtown business window with School Spirit, coin wars to raise money for local food self, medallion hunt and the MS/HS Friday morning breakout sessions. <table border="0" style="width: 100%;"> <tr> <td style="width: 50%;">Monday, September 27</td><td>Coronation of King and Queen</td></tr> <tr> <td>Tuesday, September 28</td><td>Pre-School-12 Pepfest</td></tr> <tr> <td></td><td>Volleyball v. Track/Football Game Field- A brand new Flag Pole with a light should be installed next week. Thank-You to the Legion and other area businesses for their generous donations to make this happen.

New Rushford-Peterson Sign- We are replacing the current Rushford-Peterson Trojans sign on the pressbox of the Track/Football Field next week. The current sign is starting to rot and accumulate mold. Thank-You to Brooke Mlsna and Lisa Timm (Fastenal employees) for their help and design expertise. Also Thank-You to Norm's Electric and Mi Energy for their assistance with installing the new sign.

School Branding- Before the start of the winter seasons, we hope to have some new RP branding decals and designs installed in the High School Gym, Commons, and Entrance. Again, Thank-You to Brooke Mlsna and Lisa Timm (Fastenal employees) for their help and design expertise.

Just a reminder of the RP Twitter Account: @RPTrojansJLoney if you want to keep track of RP activities..

GO TROJANS!
