R-P Preschool Readiness Recommendations

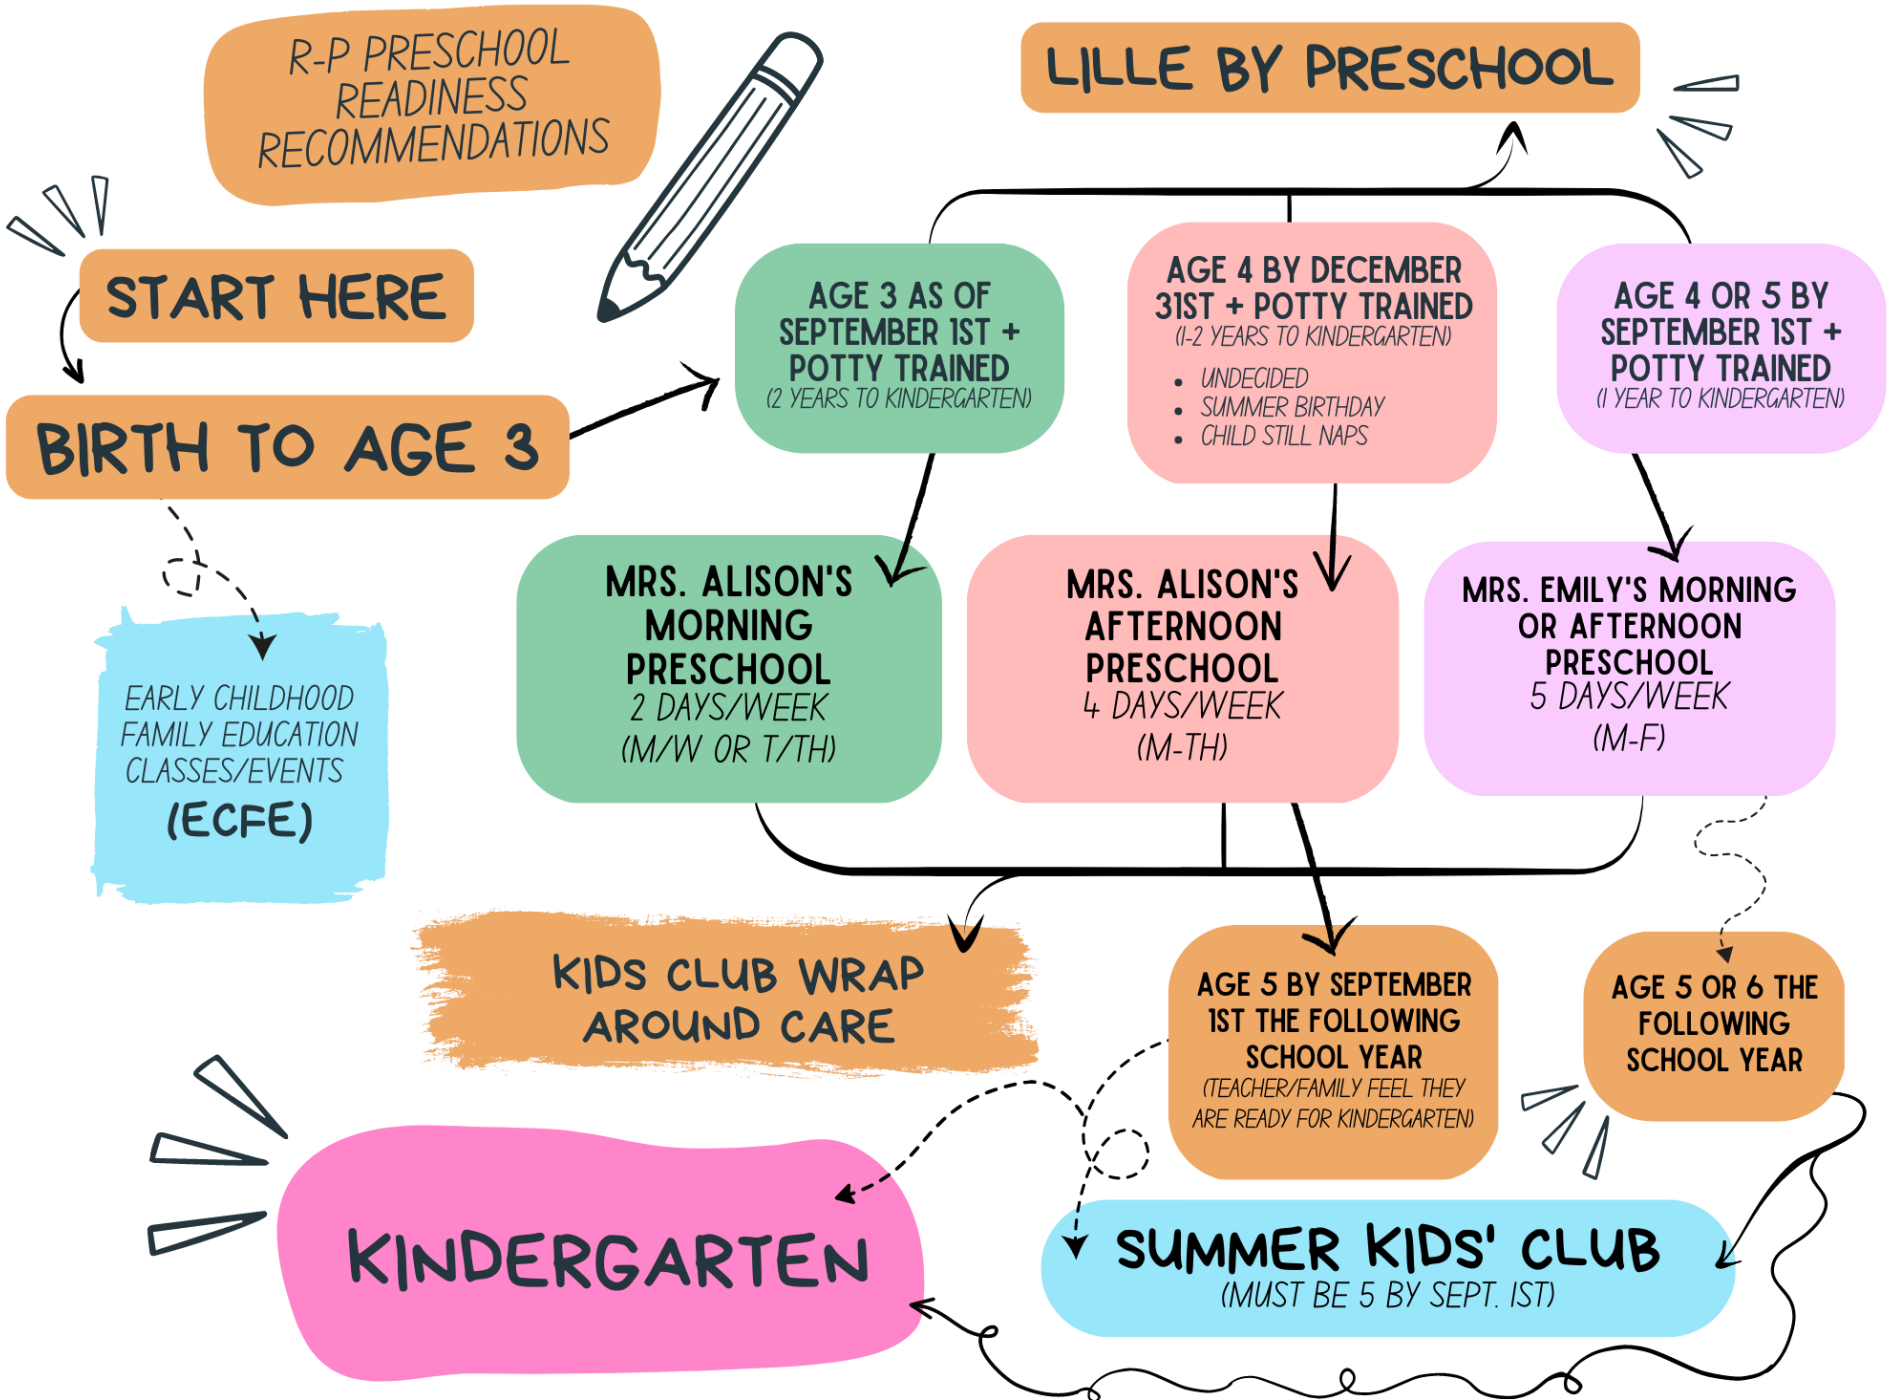

Check out the chart on the next page that will help families decide what is best for their children.

Early Childhood- Emily Johnson, Alison Kjos

April is Here! Preschoolers will learn about the life cycle of a frog and butterfly. We will participate in cleaning up the Earth and learn about recycling in anticipation for Earth day. At the end of the month we will learn about life on the farm and take a Field Trip to Johnson's Rolling Acres. (Mrs. Emily's family farm) We will thank them for another year of donating milk for all preschoolers to enjoy at snack time. Preschool sign up for the 2023-2024 is still going with new signups each week online! We are very excited! The Early Childhood team put together a flow chart for parents to look at to help them navigate their child's birth-to age 5 developmental levels of education.

Kindergarten- Krissy Kelly, Lacey Drinkall

Kindergarten has spent the past 5 weeks having fun with our "Battle of the Books." We started with a 16 book tournament. We read and voted daily until we had our winner. Mrs. Shepard and Dr. Bernard read our book finalists.... and the winner is Giggles, Giggles, Quack!"

1st- Becky Lind, Jessica Burt

The first graders have really loved the beautiful weather the past few days. We even did our place value math lesson outside! We will also be working on time and money in math the next few weeks. In language arts we are working on vowel teams, adjectives in grammar, and reading stories about spring. We are just starting our unit on wants vs. needs in Social Studies. We are looking forward to the warmer temperatures and excited about the rest of the school year!

2nd- Shannon Kopperud, Clay Olstad

We have been learning how to measure things with different measuring tools in math class. Science we have been learning about weather. Social studies we are in midst of timelines and creating one for our own town's history. We have been getting better at various reading skills and practicing our reading fluency skills. We had an awesome I Love to Read Month!

3rd- Hannah Pape/Cheryl Harvey, Jade Olstad

In third grade we are getting ready for our MCA tests at the end of the month. We have just finished a unit on area and perimeter in math and have been focusing on our reading comprehension skills. We also just finished talking about the solar system in science and will now be focusing on learning the states and their capitals.

4th- Jon Theuer, Meredith Johnson/Chris Hanson

Like the weather outside, things are starting to heat up here in fourth grade. We are finishing up our area and perimeter unit, which has gone really well. We've also been reviewing our skills we learned this year as we get ready for the MCA's.

In reading, we will be taking our MCA's this week. We just finished up our poetry unit and have been reviewing 4th grade skills getting ready for the test. We will be going on two field trips this year as well. We will be going to Farm Safety Day in the middle of May and going to Mystery Cave later on in May. This will coincide with our Cave Unit.

5th- Chris Drinkall, Emily Charlebois

5th grade is reviewing and preparing for the upcoming Math and Reading MCA tests. We are also looking forward to our annual trip to Eagle Bluff Environmental Learning Center which is May 3-5. Eagle Bluff provides the 5th grade with exceptional outdoor activities that enhance our Science curriculum and also allows us to go on their high ropes course!

K-2 Intervention- Margaret Marklowitz

K Reading and Math: Continuing to work on building base skills in phonemic awareness and decoding/blending. Math - numbers up to 50; addition and subtraction concepts.

1st Reading and Math: Fluency; blending/decoding and phonemic awareness skill building. Math - numbers up to 300; addition, subtraction of double digits

2nd Reading: Fluency & accuracy, blending/decoding, comprehension

-Extended day -- 4 nights' left

3-5 Intervention- Dave Lind

In 3-5 Intervention we have been re-teaching and practicing classroom concepts as well as MCA prep

Title- Mary Wolter

Title 1 classes work to support the classroom in building reading and math skills. Our focus is on re-teaching as well as pre teaching concepts to increase academic success.

PE- 2-5 – Teresa Brown

Second grade has been working on the game of Nitro ball. The benchmark we worked on was working respectfully in small group activities while sharing equipment and space. Serving the nitro ball was the students' skill tests.

Third grade students worked on Nitroball and the benchmark they worked on was working cooperatively and respectfully with small group activities and serving was their skill test. A new activity to the PE curriculum was an escape room. This is an adventure type game in which teams solve a series of puzzles, mazes, and riddles using clues, hints, and strategy to achieve specific goals. and perform a group activity to move from one station to another. This involves teamwork, cooperation and develops social skills such as communication, compromise, problem solving, conflict resolution, exchanging ideas and listening.

Fourth and 5th graders had a unit of Nitroball and the benchmark they worked on was applying offensive and defensive tactics in net games and the skill test was serving over the net. A new activity was also introduced by my student teacher, Mr. Vande Sande, to the 4th and 5th grade PE curriculum called Boccer ball. It is a combination of basketball and soccer. Some rules were modified to allow more success for the 4th and 5th graders. The benchmark worked on was; applying offensive and defensive tactics during net games.

PE- K-1- Nikki Schultz

K and 1 finished their nutrition and agility ladders unit. They learned about Go, Slow, and Whoa foods, along with the importance of eating the color of the rainbow. We finished with the fat attack tag, and they loved it!

We are starting our basketball unit and have only covered dribbling so far.

Special Education –Aspen Blum, Amber Meisch. Carissa George

The elementary special education department is working together with middle school and high school to plan caseloads and schedules for the 23-24 school year.

In collaboration with our Career Navigator MaryAnne Smith, we are having interested juniors participate in a day long job shadow next fall during the week of Oct 16-18. We have done a similar program in Senior Seminar, but are making more in depth and pushing down to junior year to help students see a career of interest for an entire day.

Mr. George and the following students will be representing R-P at Rochester Century on Saturday, April 22 as part of a regional honor band.

- Emily Sprague
- Caitlin Bauer
- Archer Heiden
- Tanner Thesing

Kid's Club Highlights

April 2023

- I have reached out to the city of Rushford about scheduling pool days for M/W/Th again this year.
- We will likely only do a couple of “Kids Bowl Free” days at the bowling alley.
- Rates/wages for summer will be finalized and enrollment will open for current families in the next week. I will open registration to the public a week later.
- Beth Nelson has scheduled activities through the Rushford Public Library for Wednesdays in June. Kids' Club plans to attend.
- I have hired Kaia Bellock-Drinkall and extended offers to Megan Rislove and Alexa Smith all as high school helpers.

April 2023 ECFE/EC Screening Update

ECFE: We are at the end of ECFE Session 4! We continue to average 8-11 kiddos on Thursday nights with 14-20 on Friday mornings! This includes 9-11 that come over on Fridays with Kids Club. Session 5 starts on April 20th & 21st. *Heather Grigg is the teacher.*

***NEW* Learn & Play Class:** This class is offered 1 time each session from 4-5:15 PM. The class is the same as all other ECFE classes that meet on a regular basis. We are having a great year! *Heather Grigg is the teacher.*

Our Session 4 special visitor: For Session 4 we enjoyed a wonderful visit from Rushford Dental! We learned all about how to keep our teeth healthy. We love when they visit us at ECFE.

Session 4 special event: Our Special Event this session will be our Spring Make & Take Event that is scheduled for April 19th. We will have fun painting mini pots and planting a flower to take home!

Early Childhood Screening:

Our Spring Early Childhood Screening took place on Friday, March 24th. We had 21 kiddos screened that day. The day went great! We have set Nov. 17th, 2023 & April 12th, 2024 for next school years Fall and Spring Screenings. *EC Screening is led by Heather Grigg.*

ECFE Go: ECFE Go continues to be wonderful! I have added a 3rd daycare for visits! I am now visiting daycares on Tuesdays instead of Mondays. I will be able to visit with more kiddos with this change. Each daycare averages 4-8 children. Heather Grigg; ECFE Coordinator and Teacher, visits childcare providers homes to offer storytime and an activity for them to enjoy.

ECFE Summer Camps: Summer camps are all set for this June! Preschool Art camp will run June 12th-15th and Preschool Beach Week is set for June 26th-29th. Camps are led by Heather Grigg.

Play Date in the Park: Our dates are set for Summer! We have June 21st at Creekside park as our first Summer play date and story in the park. July 12th at R-P Preschool playground and August 23rd at Brooklyn Park are the other play dates set for the Summer.

April Board Report

Activities:

- We are in full swing with spring activities:
 - Knowledge Bowl is at State 4/13-4/14 and FFA's State Convention is 4/23-4/25. Best of luck to everyone!!
 - Softball is 1-2, Baseball is 2-1, Track hosted a home varsity meet on 4/10 and they have 2 remaining home meets: Varsity 4/25 and Jr. High 4/27.

Facilities Projects:

- Softball/Youth Baseball Concession Stand/Bathrooms projects have been stalled because of some permit issues. The STS and the plans that were submitted were rejected by the state. They are assuring me that they will get things in order so we can proceed with this project.
 - UPDATE: Plumbing is completed and cement will be laid on 4/14, then we are in the home stretch.

Community Ed.:

- Summer Program Flyer went out on 4/11. Big thank-you to Holly for all of her hard work!!
 - I've gotten some emails and calls from community members wanting more offerings. Earlier this year I reached out to individual businesses in Winona about: Tae Kwon Do, Karate, self-defense and other MMA classes. The businesses I heard back from weren't able to run classes here at RP because of not having enough staff or they just didn't want to come to Rushford.

- We are always taking suggestions on class offerings as well as community members that would like to run/teach a class.

THANK-YOU:

-Mr. Timm and Luke Rye set up with the Monticello High School Golf Team to play a round of golf at Ferndale on 4/11/23, as everyone north of St. Cloud still has snow! Here is the email from Monticello's Golf Coach:

Ferndale Golf Course,

We wanted to thank you very much for your hospitality you extended to our Golf Team's. Jack was extremely hospitable and made us all feel very welcome. You certainly have a gem of a course there in Rushford. I personally will be sure to come back in the fall with the leaves turning. Please also extend a gracious thank you to the ladies Tuesday league that fed some of us. That was a surprise for us all and very much appreciated. Thank you again for your hospitality, and making us all feel so welcomed. Anyone going to south east South East Mn, we will be recommending Ferndale!!! Thanks for a great "early" spring treat for our golfers to get to play on real grass outdoors.
