Exceptions for Closed Meetings

A board may conduct a closed meeting for the purposes described in the following provisions.

Attorney Consultation

A board may conduct a private consultation with its attorney only when it seeks the attorney's advice about pending or contemplated litigation or a settlement offer or on a matter in which the duty of the attorney to the board under the Texas Disciplinary Rules of Professional Conduct of the State Bar of Texas clearly conflicts with the requirement for open meetings. *Gov't Code 551.071* [See BE for permissible methods of communication for attorney consultations]

Real Property

A board may conduct a closed meeting to deliberate the purchase, exchange, lease, or value of real property if deliberation in an open meeting would have a detrimental effect on the board's position in negotiations with a third person. *Gov't Code 551.072*

Prospective Gift

A board may conduct a closed meeting to deliberate a negotiated contract for a prospective gift or donation to a district if deliberation in an open meeting would have a detrimental effect on the board's position in negotiations with a third person. *Gov't Code 551.073*

Personnel Matters

A board is not required to conduct an open meeting to deliberate the appointment, employment, evaluation, reassignment, duties, discipline, or dismissal of a public officer or employee or to hear a complaint or charge against an officer or employee. However, a board may not conduct a closed meeting for these purposes if the officer or employee who is the subject of the deliberation or hearing requests a public hearing. *Gov't Code 551.074*

The closed meeting exception for personnel matters does not apply when a board discusses an independent contractor who is not a school employee, such as an engineering, architectural, or consultant firm, or when a board discusses a class or group of employees, not a particular employee. *Atty. Gen. Op. MW-129 (1980), Atty. Gen. Op. H-496 (1975)*

Note: For restrictions on attendance by student trustees at closed meetings, see AIC

Employee-Employee Complaints

A board is not required to conduct an open meeting to deliberate in a case in which a complaint or charge is brought against a district employee by another employee and the complaint or charge directly results in the need for a hearing. However, a board may not conduct a closed meeting for this purpose if the employee against whom the complaint or charge is brought makes a written request for an open hearing. *Gov't Code 551.082*

Student Discipline

A board is not required to conduct an open meeting to deliberate in a case involving discipline of a public-school child. However, a board may not conduct a closed meeting for this purpose if the child's parent or guardian makes a written request for an open hearing. *Gov't Code 551.082*

Personally Identifiable Student Information

A board is not required to conduct an open meeting to deliberate a matter regarding a student if personally identifiable information about the student will necessarily be revealed by the deliberation.

Directory information about a public-school student is considered to be personally identifiable information about the student for this purpose only if a parent or guardian of the student, or the student if the student has attained 18 years of age, has informed a district that the directory information should not be released without prior consent. [See FL]

This exception does not apply if an open meeting about the matter is requested in writing by a parent or guardian of the student or by the student if the student has attained 18 years of age.
