2. Certificates of deposit and share certificates as permitted by Government Code 2256.010.
3. Fully collateralized repurchase agreements permitted by Government Code 2256.011.
4. A securities lending program as permitted by Government Code 2256.0115.
5. Banker's acceptances as permitted by Government Code 2256.012.
6. Commercial paper as permitted by Government Code 2256.013.
7. No-load mutual funds, except for bond proceeds, and no-load money market mutual funds, as permitted by Government Code 2256.014.

9. Public funds investment pools as permitted by Government Code 2256.016.

Safety

The primary goal of the investment program is to ensure safety of principal, to maintain liquidity, and to maximize financial returns within current market conditions in accordance with this policy. Investments shall be made in a manner that ensures the preservation of capital in the overall portfolio, and offsets during a 12-month period any market price losses resulting from interest-rate fluctua-

**Investment
Management**

In accordance with Government Code 2256.005(b)(3), the quality and capability of investment management for District funds shall be in accordance with the standard of care, investment training, and other requirements set forth in Government Code Chapter 2256.

**Liquidity and
Maturity**

Any internally created pool fund group of the District shall have a maximum dollar weighted maturity of 180 days. The maximum allowable stated maturity of any other individual investment owned by the District shall not exceed one year from the time of purchase. The Board may specifically authorize a longer maturity for a given investment, within legal limits.

The District's investment portfolio shall have sufficient liquidity to meet anticipated cash flow requirements.

Diversity

The investment portfolio shall be diversified in terms of investment instruments, maturity scheduling, and financial institutions to reduce risk of loss resulting from overconcentration of assets in a specific class of investments, specific maturity, or specific issuer.

**Monitoring Market
Prices**

The investment officer shall monitor the investment portfolio and shall keep the Board informed of significant changes in the market value of the District's investment portfolio. Information sources may include financial/investment publications and electronic media, available software for tracking investments, depository banks, commercial or investment banks, financial advisers, and representatives/advisers of investment pools or money market funds. Monitoring shall be done at least quarterly, as required by law, and more often as economic conditions warrant by using appropriate reports, indices, or benchmarks for the type of investment.

**Monitoring Rating
Changes**

In accordance with Government Code 2256.005(b), the investment officer shall develop a procedure to monitor changes in investment ratings and to liquidate investments that do not maintain satisfactory ratings.

Funds/Strategies

Investments of the following fund categories shall be consistent with this policy and in accordance with the applicable strategy defined below. All strategies described below for the investment of a particular fund should be based on an understanding of the suitability of an investment to the financial requirements of the District and consider preservation and safety of principal, liquidity, marketability of an investment if the need arises to liquidate before maturity, diversification of the investment portfolio, and yield.

Testing

An employee may not use or threaten to use the refusal of a parent, guardian, or managing or possessory conservator to administer or consent to the administration of a psychotropic drug to a child, or to consent to any other psychiatric or psychological testing or treatment of the child, as the sole basis for making a report of neglect, unless the employee has cause to believe that the refusal:

1. Presents a substantial risk of death, disfigurement, or bodily injury to the child; or
2. Has resulted in an observable and material impairment to the growth, development, or functioning of the child.

Education Code 26.0091; Family Code 261.111(a) [See FFEB]

Unless waived in writing by the person making the report, the identity of an individual making a report under this chapter is confidential and may be disclosed only to a law enforcement officer for the purposes of a criminal investigation of the report, or as ordered by a court under Family Code 261.201. *Family Code 261.101(d)*

**Immunity from
Liability**

**SBEC Disciplinary
Action**

The State Board for Educator Certification (SBEC) may take any of the actions listed in 19 Administrative Code 249.15(a) (impositions, including revocation of a certificate and administrative penalties) based on satisfactory evidence that the person has failed to report or has hindered the reporting of child abuse pursuant to Family Code 261.001, or has failed to notify the SBEC, the commissioner of education, or the school superintendent or director under the circumstances and in the manner required by Education Code 21.006, 21.0062, 22.093, and 19 Administrative Code 249.14(d)–(f). *19 TAC 249.15(b)(4)*

Note: The following legal provisions address child abuse and neglect investigations generally. See GRA for additional legal provisions addressing notification requirements and right of access to students when DFPS investigates reports of abuse and neglect at school.

Investigations

Reports to District

If DFPS initiates an investigation and determines that the abuse or neglect involves an employee of a public elementary or secondary school, and that the child is a student at the school, the department shall orally notify the superintendent of the district in which the employee is employed. *Family Code 261.105(d)*

On request, DFPS shall provide a copy of the completed report of its investigation to the board, the superintendent, and the school principal, unless the principal is alleged to have committed the abuse or neglect. The report shall be edited to protect the identity of the person who made the report. *Family Code 261.406(b)*

Interview of Student The investigating agency shall be permitted to interview the child at any reasonable time and place, including at the child's school. *Family Code 261.302(b)* [See GRA]

Interference with Investigation A person may not interfere with an investigation of a report of child abuse or neglect conducted by DFPS. *Family Code 261.303(a)*

Confidentiality A photograph, videotape, audiotape, or other audio or visual recording, depiction, or documentation of a child that is made by DFPS in the course of an inspection or investigation is confidential, is not subject to release under the Texas Public Information Act, and may be released only as required by state or federal law or rules adopted by the DFPS. *Human Resources Code 42.004*

Reporting Policy

A board shall adopt and annually review policies for reporting child abuse and neglect. The policies shall follow the requirements of Family Code Chapter 261. *19 TAC 61.1051(b)*

The policies must require every school employee, agent, or contractor who suspects a child's physical or mental health or welfare has been adversely affected by abuse or neglect to submit a written or oral report to at least one of the authorities listed above [see To Whom Reported, above] within 48 hours or less, as determined by the board, after learning of facts giving rise to the suspicion. *19 TAC 61.1051(b)(1)*

The policies must be consistent with the Family Code, Chapter 261, and 40 Administrative Code Chapter 700 (CPS) regarding investigations by DFPS, including regulations governing investigation of abuse by school personnel and volunteers. [See GRA]

The policies must require a report to DFPS if the alleged abuse or neglect involves a person responsible for the care, custody, or welfare of the child and must notify school personnel of the following:

1. Penalties under Penal Code 39.06 (misuse of official information), Family Code 261.109 (failure to report), and 19 Administrative Code Chapter 249 (actions against educator's certificate) for failure to submit a required report of child abuse or neglect;
2. Applicable prohibitions against interference with an investigation of a report of child abuse or neglect, including:
 - a. Family Code 261.302 and 261.303, prohibiting school officials from denying an investigator's request to interview a student at school; and

- b. Family Code 261.302, prohibiting school officials from requiring the presence of a parent or school administrator during an interview by an investigator.
3. Immunity provisions applicable to a person who reports child abuse or neglect or otherwise assists an investigation in good faith;
4. Confidentiality provisions relating to a report of suspected child abuse or neglect;
5. Any disciplinary action that may result from noncompliance with a district's reporting policy; and
6. The prohibition under Education Code 26.0091 [see Psychotropic Drugs and Psychological Testing, above].

19 TAC 61.1051(b)(2)

The policies may not require that school personnel report suspicions of child abuse or neglect to a school administrator before making a report to one of the agencies listed above.

The policies must:

1. Include the current toll-free number for DFPS;
2. Provide for cooperation with law enforcement child abuse investigations without the consent of the child's parent, if necessary, including investigations by DFPS; and
3. Include child abuse anti-victimization programs in elementary and secondary schools consisting of age-appropriate, research-based prevention designed to promote self-protection and prevent sexual abuse and trafficking.

19 TAC 61.1051(b)(5)–(b)(8)

Annual Distribution
and Staff
Development

The policies required by these provisions and adopted by the board shall be distributed to all personnel at the beginning of each school year. The policies shall be addressed in staff development programs at regular intervals determined by a board. *19 TAC 61.1051(c)* [See also DH and GRA]

[For training requirements under these provisions, see DMA.]

Required Poster

Using a format and language that is clear, simple, and understandable to students, each public school shall post, in English and in Spanish:

1. The current toll-free DFPS Abuse Hotline telephone number;
2. Instructions to call 911 for emergencies; and

3. Directions for accessing the DFPS [Texas Abuse Hotline website](#)¹ for more information on reporting abuse, neglect, and exploitation.

A district shall post the information specified above at each school campus in at least one high-traffic, highly and clearly visible public area that is readily accessible to and widely used by students. The information must be on a poster (11x17 inches or larger) in large print and placed at eye-level to the student for easy viewing. Additionally, the current toll-free Texas Department of Family and Protective Services Abuse Hotline telephone number should be in bold print.

To Whom It May Concern,

The property is abandoned for several years at this point, my goal is to start a Demolition process (\$8,000-\$10,000) and remove the old dwellings on the property, preparing the land for construction. See pictures below from 5/4/2022.

The old construction is in a dangerous condition and I was not able to inspect the inside of it, I will hire a company to remove it for me.

Based on google earth-Pro old aerial pictures the property is abandoned since the early 2000s.

I would like to ask for the opportunity to bring this property back.
