1. Call to Order

2. Agenda

2.1. Multi-Cultural Topics

This assessment is given to 11th or 12th grade students that are in Government.

2.2. Social Studies Standards

Review the Nebraska Standards and discuss.

2.3. SEM - Social Studies Curriculum

High School has mostly been updated. Mrs. Kappel is piloting something for Elementary.

2.4. Next Step

Teachers will review the standards and indicate when they are taught. Identify any gaps that our current curriculum may have, and how those gaps are covered. Potentially purchase new curriculum for social studies.
