BOARD OF EDUCATION ELECTION RESOLUTION

TO: Grady County Election Board

FROM: The Chickasha School District, Independent School District No. I-001 of Grady, County, Oklahoma

The Board of Education of the Chickasha School District has approved the following resolution calling for an election to be submitted to the voters of the district.

Date of the Election:

A Board of Education Primary Election shall be held on February 14, 2023, only if three or more candidates file for the Board of Education position scheduled to be on the ballot or for a Board of Education position appearing on the ballot as an unexpired term. A Board of Education General Election shall be held on April 4, 2023, under the following circumstances: if only two candidates file for a position scheduled to be on the ballot or for a position on the ballot for an unexpired term or if no candidate in the Board of Education Primary Election receives more than 50% of the votes cast. The polling places shall be open from 7:00 a.m. to 7:00 p.m.

Board Member Position on Ballot:

The voters shall elect a board member for board position No. 3, which has a 5 -year term of office.

Qualifications of Candidates for Office:

To be eligible to be a candidate for member of the board of education of a school district, a person must have resided in the district for at least six months preceding the first day of the filing period, and have been a registered voter registered with the county election board at an address located within the geographical boundaries of the district for six months preceding the first day of the filing period. In school districts that have been divided into election districts, a candidate must have resided in the district for six months preceding the first day of the filing period and have been a registered voter registered with the county election board at an address located within the geographical boundaries of the election district for six months preceding the first day of the filing period.

No person shall be eligible to be a candidate for or elected to be a member of the board of education of a school district unless the person has been awarded a high school diploma or certificate of high school equivalency.

A person who has been convicted of a misdemeanor involving embezzlement or a felony under the laws of this state or of the United States or who has entered a plea of guilty or nolo contendere to such misdemeanor involving embezzlement or felony or who has been convicted of a crime in another state which would have been a misdemeanor involving embezzlement or a felony under the laws of this state or has entered a plea of guilty or nolo contendere to such crime shall not be eligible to be a candidate for or be elected to any school board office for a period of fifteen years following completion of his sentence or during the pendency of an appeal of such conviction or plea.

No person shall be eligible to be a candidate for or serve on a board of education if he or she is currently employed by the school district governed by the board of education or is related within the second degree by affinity or consanguinity to any other member of the board of education or to any employee of the school district. The following are relatives within the second degree: A candidate's spouse, child, parent, grandchild, grandparent, brother, sister, spouse's child, spouse's grandchild, spouse's brother, spouse's sister, spouse's grandparent, grandchild's spouse, parent's spouse, and child's spouse. The prohibitions in this paragraph shall not apply if the board member candidate is related within the second degree of affinity or consanguinity to an individual employed as a substitute teacher by the school district or as a temporary substitute support employee if the school district has an Average Daily Membership of less than five thousand (5,000).

Candidates must affirm that upon being elected as a new member of the Board of Education, within fifteen (15) months of election, they will complete at least twelve (12) hours of instruction on education issues, including school finance, Oklahoma education laws, and ethics, duties and responsibilities of district board of education members. Three (3) of these twelve (12) credits must be earned as follows: one (1) credit in ethics, one (1) credit in open meeting act and open records act, and one (1) credit in school finance. Incumbents must affirm that they will complete six (6) hours of instruction within fifteen (15) months of election emphasizing changes in school law. SERVICE ANIMALS

District acknowledges its responsibility to permit students and/or adults with disabilities to be accompanied by a "service animal" in its facilities, vehicles, and programs and intends to comply with all state and federal laws, rules and regulations regarding the use of service animals by District employees and students with disabilities. Please note that this policy applies to those dogs who meet the requirements of a service animal only. It does not apply to emotional support animals or therapy animals, who are not permitted on District property or in District facilities.

Definition:

Service Animal: A "service animal" is defined as any dog that has been individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability.

1. Under the Americans with Disabilities Act ("ADA"), the service animal must be a dog. Other species of animals, whether wild or domestic, trained or untrained, do not qualify as service animals for the purposes of this definition.

2. The work or tasks of the animal must directly relate to the handler's disability. This includes, but is not limited to, guiding individuals with impaired vision, alerting individuals with impaired hearing to intruders or sounds, providing minimal protection or rescue work, pulling a wheelchair or fetching dropped items.

3. An "emotional support animal" and a "therapy animal" are both considered a pet and
do not qualify as a "service animal."

Employee: "Employee" is defined as a person who is employed by the District on a part or full-time basis, with or without compensation, and elected or appointed members of the District's Board.

Student: "Student" means a child who is currently enrolled at the District and includes the parents and/or guardians of a child who is (a) under the age of 18, or (b) otherwise unable to manage their own affairs.

Procedures/Requirements:

The use of service animals by employees and students with disabilities is subject to the
following procedures and requirements:

A. The employee or student will submit a request for the use of a service animal to the District's Director of Special Services. The request will identify whether the service animal is required because of the person's disability, and, if so, identify and describe the manner in which the service animal will meet the individual's particular need(s).

B. Requests for the use of service animals on District property will, whenever possible, be made at least three weeks prior to the proposed use of the service animal.

C. As part of the District's consideration of a request for the use of a service animal, District may require certain documentation, including, but not limited to:

1. Certification of proper vaccinations verified by a veterinarian and licensing as required law [Okla. Admin. Code 310:599-3-9.1];
2. Documentation that the handler for the service animal is properly trained;
and
3. Documentation of adequate liability insurance.

D. District's review of a request for the use of a service animal may include consideration of a student's IEP or Section 504 records. The District may also require a meeting with and/or additional information from the employee or student requesting the use of a service animal.

E. The use of a service animal on District property may be subject to a plan that introduces the service animal to the school environment, any appropriate training for staff and students regarding interaction with the service animal and other activities or conditions deemed necessary by the District. The District's approval of the use of a service animal on District property is subject to periodic review, revision, or revocation by District administration.

F. Service animals will wear proper identification, including a current rabies tag, and ~~will~~ must always be on a leash or other form of restraint mechanism while on District property and/or at District activities or events. A service dog used by a person who is deaf or hard-of-hearing must wear an orange identifying collar. [7 O.S. § 19.1(C)].

G. G. It is the responsibility of the employee or student who uses a service animal pursuant to this policy to serve as the certified handler to provide proper handling of the service animal. **The handler must be in full control of the service**

animal at all times. The handler of the service animal must follow any applicable municipal ordinances regarding cleaning up after the service animal defecates. All service animals must be treated for, and kept free of, fleas and ticks. All service animals must be kept clean and groomed to avoid shedding and dander.

H. Service animals will be allowed in District vehicles only when:

1. It has been determined that the service animal is a necessary accommodation for the employee or student;
2. The inclusion of the service animal is documented as required on District transportation forms; and
3. The service animal is under the control of a properly trained handler at all times, including entering and exiting the vehicle.

I. The responsibility for the care and supervision of the service animal rests solely on the employee or student. District is not responsible for providing any staff member to walk the service animal or provide any other care or assistance to the animal. Issues related to the care and supervision of service animals will be addressed on a case-by-case basis in the discretion of the building administrator.

J. District retains discretion to exclude or remove a service animal from District property and transportation if:

1. The service animal is out of control and/or the service animal's handler does not effectively control the service animal's behavior;
2. The service animal is not housebroken or the service animal's presence or behavior fundamentally interferes in the functions of the District;
3. The service animal poses a direct threat to the health or safety of others that cannot be eliminated by reasonable modifications; or,
4. Permitting the service animal would fundamentally alter the nature of the service, program, or activity.

Liability: The employee or student will be responsible for any damage to District or personal property and any injuries to individuals caused by the service animal. Any costs incurred due to damage caused by the service animal will be the responsibility of the staff member or the parent/guardian of the student who uses the service animal on District property and/or at District functions.

Visitors: Any visitor requiring the accompaniment of a "service animal" for

purposes of this policy is welcome in all areas of District facilities and programs that are open to the public (except in situations determined to apply under item I. in the Procedures/Requirements section, above). To the extent possible and practicable, visitors are expected to comply with the provisions of this policy at all times while on District property and/or at school activities or events. By attending a school event or activity with an animal that the visitor identifies as a service animal and/or bringing an animal that the visitor identifies as a service animal onto District property, the visitor represents that his or her animal meets the legal definition of a service animal, is current on all vaccinations, is leashed or otherwise tethered at all times, and is under the visitor and/or handler's control at all times. Visitor assumes all liability for any damages and/or injuries caused by his or her animal. District reserves the right to remove the animal at any time pursuant to part J above.

Appeals and Grievances: Any person dissatisfied with a decision concerning a service animal can file a grievance, using District's Civil Rights Policy – Policy BI.

Special Provisions for Miniature Horses: Requests to permit a miniature horse to accompany an employee, student or visitor with a disability in school buildings, in classrooms, or at school functions, will be handled on a case-by-case basis, considering: (a) the type, size, and weight of the animal and whether the facility can accommodate its features; (b) whether the animal is sufficiently controlled by the handler; (c) whether the animal is housebroken; and, (d) whether the animal's presence in the facility compromises the legitimate safety requirements for safe operation.

Memorandum of Understanding
Delta Community Action
Foster Grandparent Program

This Memorandum of Understanding (**MOU**) contains basic provisions, which will guide the working relationship between both parties. It is entered into by and between the **Delta Foster Grandparent Program**, sponsored by **Delta Community Action, Inc.** and the following agency and/or entity (the "**Station**"):

Station Name: Chickasha Public Schools

EIN: _____

Station Site Address: 900 W. Choctaw **City:** Chickasha

State: Ok **Zip:** 73018

Station email: _____ **Phone:** 405-222-6500

Delta FGP and the *Station* may be referred to herein as the "**Parties.**"

This MOU is effective from July 1, 2021 through June 30, 2023. This MOU may be amended in writing at any time with the concurrence of both parties and must be renegotiated at least every three (3) years.

Basic Provisions

Delta FGP Responsibilities

1. Recruit, interview, select, and enroll volunteers in the program. The volunteers will meet the criteria in the Foster Grandparent Program (FGP) Federal Regulations for enrollment in the program.
2. Unless otherwise specified herein, conduct and document a criminal history check for all FGP volunteers in accordance with the requirements established for a National Service Criminal History Check by the Corporation for National and Community Service.
3. Refer FGP volunteers to the Station. Permit and encourage the Volunteer Station to screen FGP volunteers pursuant to established criteria of Volunteer Station.
4. Arrange for pre-service physical examinations for new FGP volunteers assigned to the Volunteer Station.
5. Conduct pre-service orientation and ongoing in-service instruction for volunteers.
6. Instruct FGP volunteers in proper use of volunteer timesheets, reimbursement guidance, and the FGP procedures.
7. Provide an FGP volunteers orientation to the Station staff prior to placement of volunteers and at other times as needed.
8. Initiate publicity regarding FGP.

9. Furnish accident, liability, and excess automobile liability insurance for enrolled volunteers as required by FGP regulation. The insurance provided by the sponsor is secondary coverage and is not primary insurance.
10. Staff an Advisory Council to FGP. Along with the advisory council, arrange for appeals procedure to address problems arising between the volunteer, the Station and/or FGP.
11. Arrange for appropriate FGP recognition.
12. Coordinate with other volunteer and aging programs in the area to foster effective communication and avoid duplication.
13. Reimburse FGP volunteers for transportation costs between their home and volunteer station in accordance with FGP policies and availability of funds.

The Station's Responsibilities

1. In partnership with the project staff, the station staff will develop an assignment plan for each Foster Grandparent and for each child served. The sponsor's representative, and the volunteer must sign the written assignment plan that: identifies the children to be served; the role and activities of the volunteer; the expected outcomes for each child; and addresses the period of time each child should receive such services. Volunteer station staff, FGP project staff, and the volunteer will review the Foster Grandparent's assignment as well as the impact of the assignment on the child's development.
2. Assign children with designated special or exceptional needs to each volunteer.
3. Exclude Foster Grandparents as supervising adults when calculating state-mandated adult-to-child ratios.
4. Supervise Foster Grandparents at all times while they are performing as volunteers and not leave the Foster Grandparent alone with children.
5. Provide site specific and special training (i.e. confidentiality training) to the volunteers as needed.
6. Furnish volunteers with materials required for assignment.
7. Assure adequate health and safety provisions for volunteers.
8. Investigate and report any accidents and injuries involving FGP volunteers immediately to Delta FGP. All reports shall be submitted in writing.
9. **Reports:** The Station Representative shall:
   - Timesheets: Sign volunteers timesheet on or before the last day of the month verifying hours served (Insurance coverage is only effective with verified records of hours served.)
   - Progress Reports: Stations are requested to complete a short bi-annual survey provided by Delta FGP documenting the impacts of services provided by volunteers.
   - Volunteer Performance Evaluations: For each assigned volunteer, stations are required to complete an annual performance evaluation using the template provided by the sponsor.
   - In-Kind Documentation: Provide documentation of in-kind contribution(s) (meals, uniforms, mileage reimbursement, training expenses, physical exams) and verification to help FGP meet its local match of 10%.
11. Provide at least 1 meal for FGP volunteers each day and provide a regular accounting to Delta FGP of the value of meals provided. Since the value of these meals will be counted as part of the non-federal contribution to the CNCS grant, the Volunteer Station will ensure that the meals provided and reported to the FGP are not funded with other federal resources, unless those federal resources are authorized by federal law or regulation to be applied as part of the non-federal share of a federal grant.

Other Provisions

1. **Separation from Volunteer Service:** The Station may request the removal of an FGP volunteer at any time. An FGP volunteer may withdraw from service at the Station or from the FGP at any time. The FGP staff, the Station staff, and volunteers are encouraged to communicate to resolve concerns or conflicts, or take remedial action, including, but not limited to, placement with another station.
2. **Religious/Political Activities:** The Station will not request or assign FGP volunteers to conduct or engage in religious, sectarian, or political activities.
3. **Displacement of Employees:** Ensure that FGP volunteers serve in a volunteer capacity. FGP volunteers will not displace nor replace paid or contracted employees, relieve staff of their routine duties or infringe upon the site supervisor's supervisory role with the children.
4. **Compensation:** Neither the station nor FGP will request or receive compensation from the beneficiaries of FGP volunteers. FGP volunteers will not receive a fee for service from beneficiaries.
5. **Accessibility and Reasonable Accommodation:** The Station will maintain the programs and activities to which FGP volunteers are assigned accessible to persons with disabilities (including mobility, hearing, vision, mental, and cognitive impairments or addictions and diseases) and/or limited English language proficiency and provide reasonable accommodation to allow persons with disabilities to participate in programs and activities.
6. **Prohibition of Discrimination:** The Station will not discriminate against FGP volunteers, service beneficiaries, or in the operation of its program on the basis of race, color, national origin including individuals with limited English proficiency, gender, age, religion, sexual orientation, disability, gender identity or expression, political affiliation, marital or parental status, or military service.
7. **Termination of MOU:** This MOU may be terminated at any time by either party by sending written notice of termination of the MOU to the other party. This MOU shall be reviewed at least every three (3) years by the Parties.
8. **Signatures.** By signing this MOU, the Station, through its authorized representative, self-certifies that it meets the requirements necessary to become a FGP Station.

MOU between Chickasha United Teaching Association and Chickasha Public Schools Board of Education.

ADMINISTRATIVE RECOMMENDATION:

Approval of MOU with CUTA

RATIONALE FOR RECOMMENDATION:

We have the need to add an Archery Assistant Coach and Robotics Assistant Coaches. These additions are for the safety of our students and coaches. In addition, we have assigned a McKinney-Vento Liaison at each site.

- The Robotics coach and team work more than 300 hours after school to build their robot within the specified time. This includes some all night work sessions.
- The Robotics coach is also the Elementary coach. He is in need of an assistant Elementary coach to help with supervision and planning.
- The Archery coach does not have an assistant coach. He has 3 teams and may have more than 20 students practicing at the same time. He is in need of an assistant coach.
- We have assigned a McKinney-Vento Liaison for each site. There person works to identify and serve students who meet the criteria of being homeless. The liaison monitors the progress and needs of these students and works with our District School Based Social Worker. This role requires additional time outside of the school day.

Financial Update to Board

To: Members of the Board of Education
From: Jennifer Stegman
Date: October 10, 2022

Expenditures:

Chickasha's General Fund expenditures for the last four fiscal years (FY) and through September of the current fiscal year are presented in Exhibits 1 and 2. Exhibit 1 outlines salary and benefit expenses by month for all Chickasha Public School employees. Exhibit 2 outlines General Fund total expenses (both salary and operational) by month. Beginning in FY21, May and September expenses are reflected in May and July and August payroll expenses are reflected in June for all ten-month employees.

Exhibit 1: Payroll Expenses

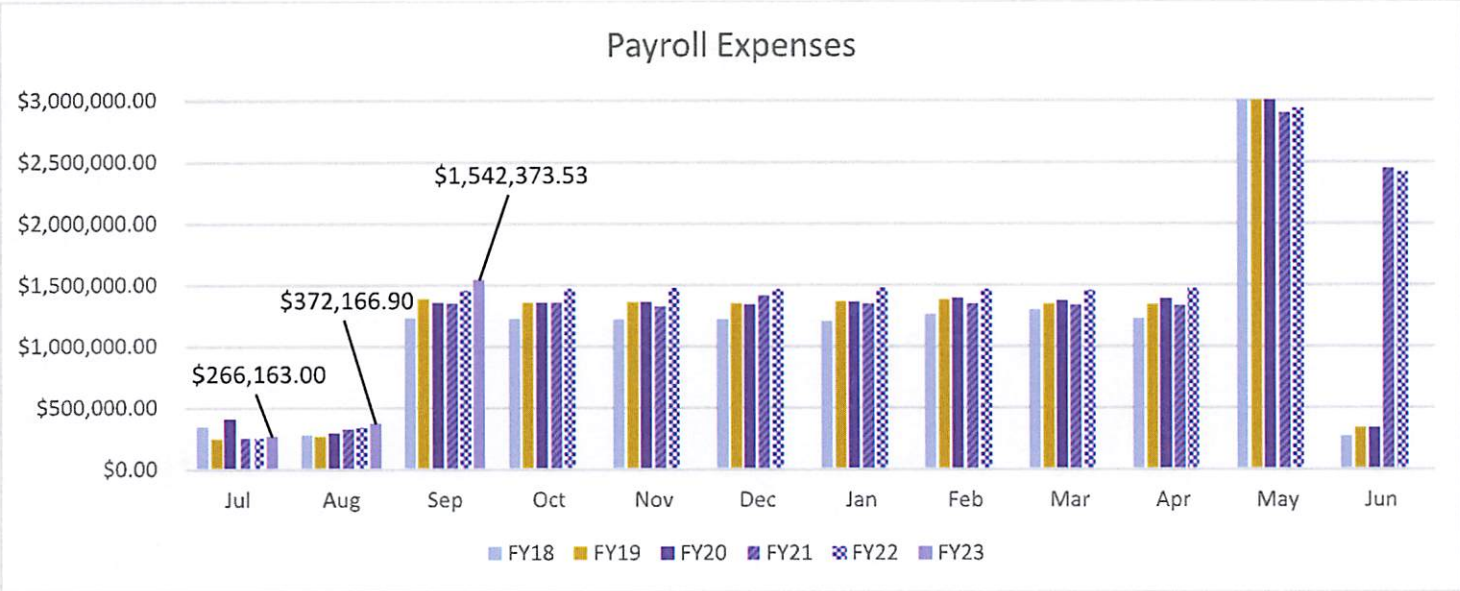

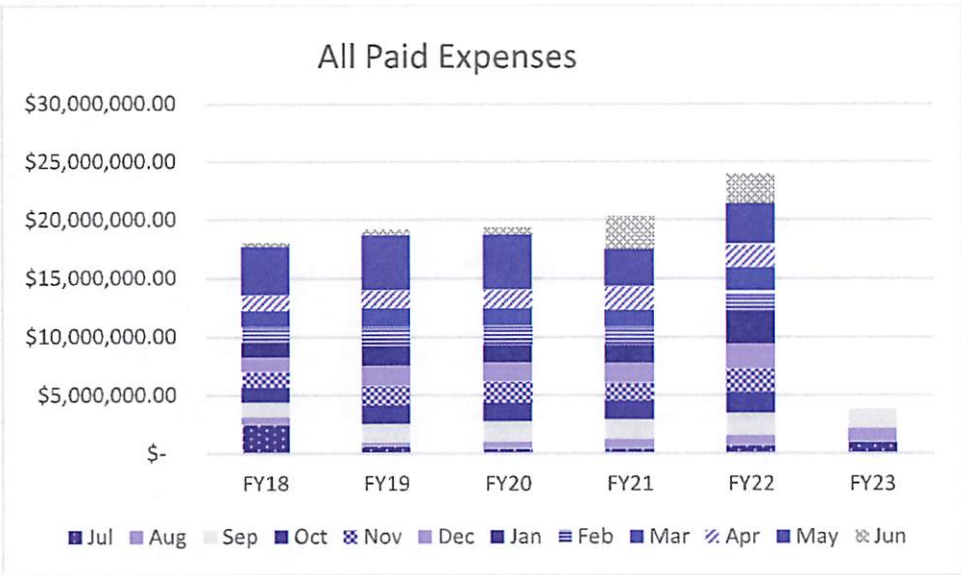

Exhibit 2: Total Expense

Revenues:

Exhibit 4 provides General Fund receipts by month for FY18, FY19, FY20, FY21 and through September of FY22. Receipts include funding from State, Local, and Federal Sources.

Exhibit 4: Receipts by Month

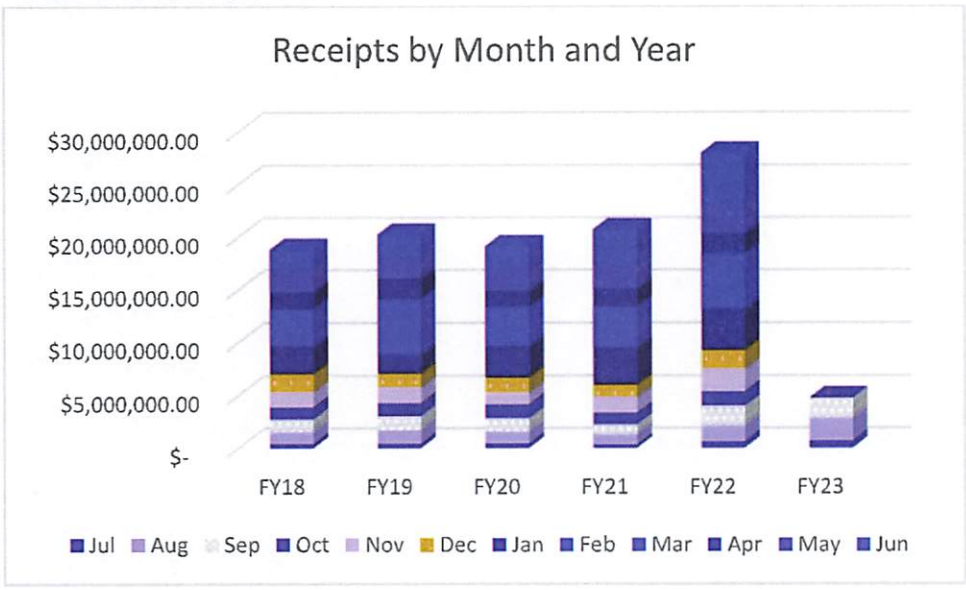

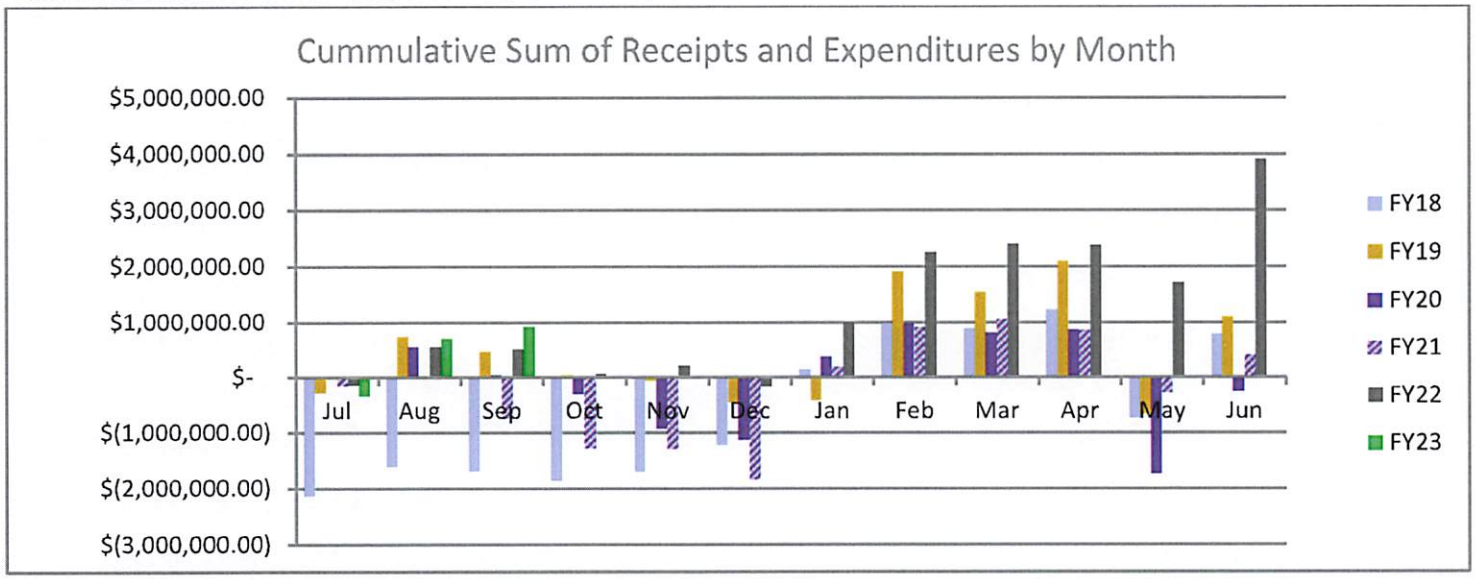

Exhibit 5 outlines General Fund revenues and expenses by month for FY18, FY19, FY20, FY21 and through September of FY22. The values represent the cumulative sum of revenues and expenses by month. The values represent revenue and expenses collected in the designated year and do not include fund balances brought forward from prior years. The information provides cash flow trends and can help guide the district to project the necessary cash fund balances.

Exhibit 5: Cumulative Sum of Receipts and Expenditures by Month

Expenses for utilities have increased significantly this year. For example, our electricity which has been trending down for the last five years, has increased by approximately 70% in the first quarter of the school year compared to the first quarter of FY22. The district is seeing similar increases for water and gas expenses. Exhibit 6 outlines the past trends for electricity costs across the district. These trends show decreasing costs for electricity as we expected with the replacement of LED lighting. Exhibit 7 represents the costs of electricity for the first quarter of our school year compared to the costs of the first quarter from last year. The costs have increased by over $73,000 just in the first quarter.

Exhibit 6 Electricity trends for the past 5 years

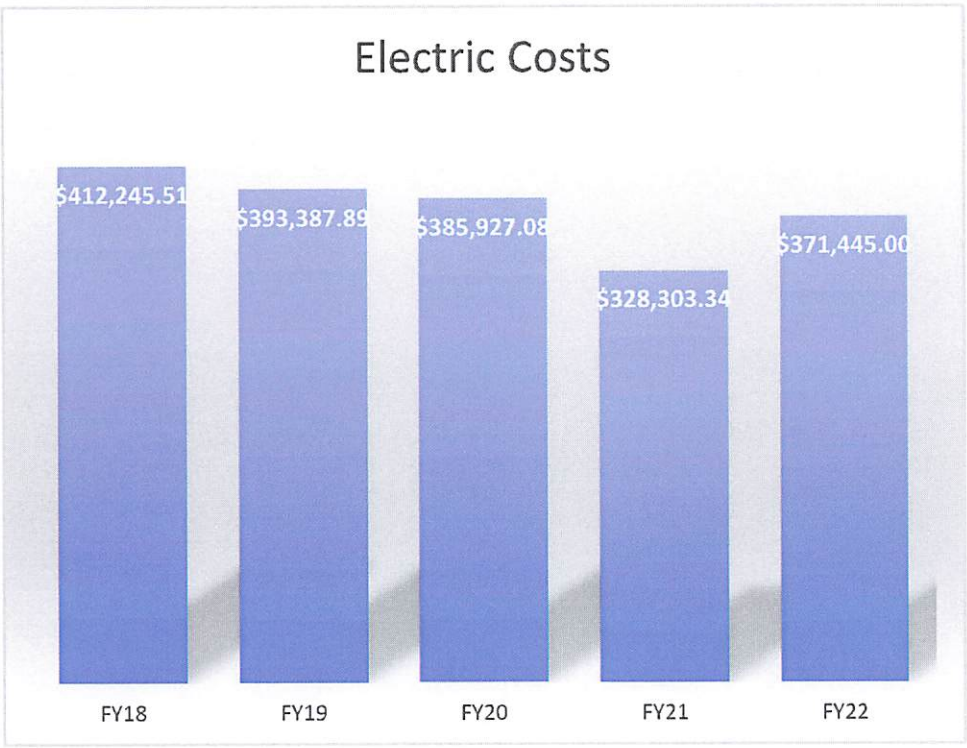

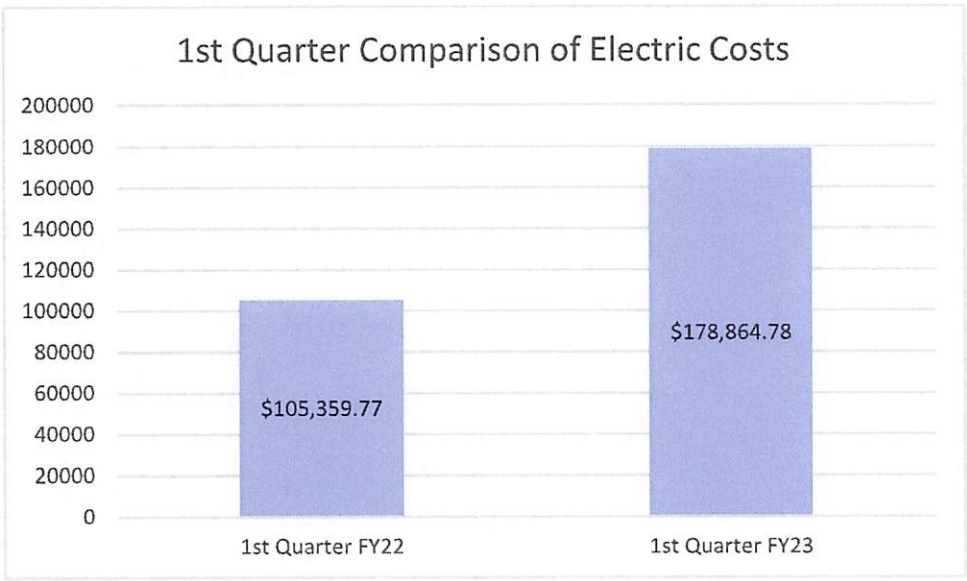

Exhibit 7: Comparison of 1st quarter electricity cost FY22 and FY23.

RE: ALC Overnight Travel Request

The ALC Director and Instructors are requesting permission to stay overnight for the Oklahoma Literacy Coalition's Adult Education & Literacy Conference on Oct. 24-25. The conference will have sessions that specifically pertain to adult basic education and literacy instructional practices. Our staff of four live in three different towns (Chickasha, Minco & Purcell) in Oklahoma. This will be a good opportunity to spend some time in professional development together as well as building and reinforcing relationships with each other after hours. Funds to pay for lodging, registration and meals is provided by CareerTech's Lifelong Learning Section per our MOU for professional development.

KEYNOTES

Kasey Bell 2022 Day 1 Keynote Speaker

Kasey Bell is a former middle school teacher turned award-winning digital learning coach, international speaker, author,

blogger, and podcaster with a Texas-sized passion for technology and learning.

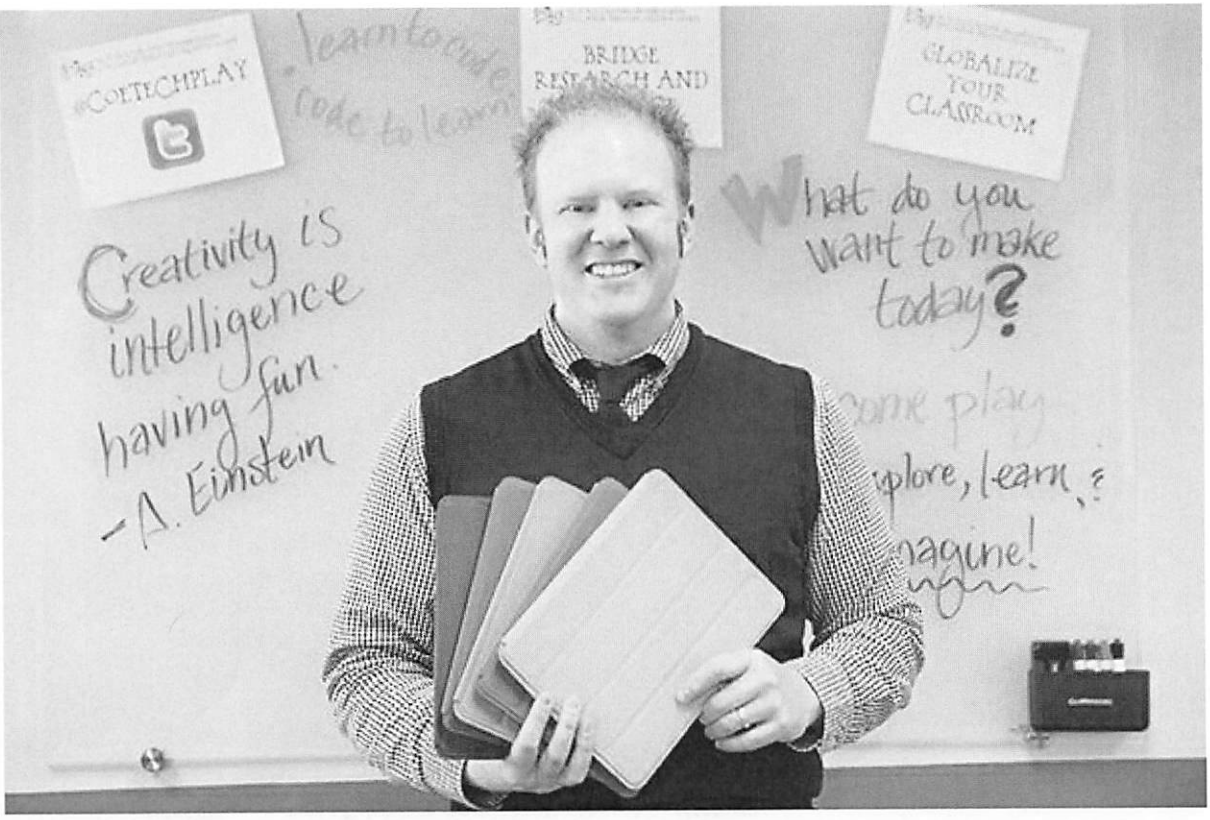

She is part sparkling smile, part witty personality and a whole heap of passion as big as a Texas--go big or go home, y'all! She is a disruptor of the boring. An engaging, innovative, from the heart sharer who inspires educators while transforming their teaching with original, timely, and use-tomorrow ideas for student choice, differentiation, and technology integration.

Through teacher empowering publications and award-winning educational resources at ShakeUpLearning.com, learner-driven workshops and presentations, and hosting two weekly podcasts, Kasey proves why we should never settle for the boring when it comes to bringing out the very best in our students, and we should always strive to Shake Up Learning!

The award-winning Shake Up Learning website provides teachers with practical resources for using technology in the K12 classroom, including using Google Classroom, Google for Education, and other Google tools and many additional blended

learning resources. We provide free technology tips and tricks, free downloads and templates, in-depth online courses, books, lesson plans, lesson ideas, cheat sheets, blog publications, and podcasts. More Info.

Toby Brown, Ph.D. 2022 Day 2 Keynote Speaker

Toby Brown holds three degrees from Oklahoma State University: a Bachelor's degree in American History and a Master's degree in Soviet History. During and after his Master's program, Toby worked for a NASA Education contractor and the College of Education at OSU.

He began teaching an Educational Technology course for preservice teachers at OSU in 2010 and completed his doctorate in Educational Technology at Oklahoma State in 2015. He wrote

his dissertation about teacher professional development at Edcamps.

He taught technology courses at Stillwater High School for seven years and now teaches undergraduate & graduate classes in Learning Design & Technology at OSU as a visiting assistant professor. He has presented original research at state, regional, national, and international conferences; his current research interests are cognitive & educational neuroscience, the mental health of teachers & students, and student choice in learning.

Toby has been training educators to use technology since 1997; he enjoys traveling, woodworking, cheesy sci-fi films, weird music, and reading at Aspen Coffee in Stillwater.
