The District hopes to gather input from District families, staff, and Village residents on the priorities driving the Shorewood School District budget process through a series of community input sessions. The District has also created a survey to help inform our budget priorities for the 2022-2023 school year. Please fill out the **District Budget Priorities Survey here**. The survey will accept responses through **February 25, 2022**.

Upcoming Community Budget Input Sessions

March 1 at 5 pm in the Atwater School Cafetorium

March 3 at 6 pm in the Shorewood High School Library Media Center

All scheduled sessions will be complemented by a separate budget input meeting with members of each school's staff.

We hope you will participate in one of these sessions.
