4. Discuss possible Joint School-Village Board informational session on *Affordable Housing as a Predictor of School Enrollment* – Teig Whaley-Smith, Executive Director [Community Development Alliance](#).  
The Baby Boomers were America’s largest population. What they decide to do with their family homes will have a significant impact on future school enrollment. If a community’s homes are occupied by a large number of empty nesters then school enrollment will drop unless that community has a strategy to produce homes that are accessible to young families. Teig Whaley-Smith from the Community Development Alliance will present on trends in Shorewood’s housing and how it may impact future enrollment in Shorewood schools.
5. Adjourn.
