2. 26-27 Plan Year Insurance Committee Update - **ACTION ITEM**

28

The district insurance committee involving staff, district administration and Board members Joan Ensign and Mark Hetzel have been meeting during this school year to prepare for the 26-27 plan year.

The committee has reviewed district and peer plan structures, feedback from staff and committee members, district budget forecasts, and advice from USI, the district's benefit advisor.

Timeline of remaining activities:

April - Board reviews recommended plan / rate structure; Board vote

Mid April to Mid May - Employee communication / education

Mid April / May - Open Enrollment

The HR committee recommended on a 3-0 vote that the full board consider the recommended changes from the Insurance Committee of an increase to the employee dental contributions of 13%, changes to the health plan structure incorporating coinsurance in the HMO and copays in the HDHP and offering supplemental insurance options at employee cost.

Dental

The attached dental fund report shows that the intended spend down of the fund balance is proceeding as desired, with an anticipated ending balance of approximately \$200,000 on June 30, 2026. The ultimate goal balance is approximately \$100,000. USI's actuary services has forecasted an increased dental claims cost of nearly 26% from our last employee rate change in 22/23. Based on historical claims data, and the anticipated claims cost increase, an increased employee contribution of 13% will take the June 30, 2027 balance to the goal.

Health and Supplemental Insurances

Dean Health by Medica offered the district a plan renewal of 11.9%, the identified rate cap. After district administration advocacy in partnership with USI, a renewal option incorporating coinsurance in the HMO and copays in the HDHP was presented. The USI packet demonstrates the current plan, the cost at the 11.9% renewal, and the cost of the plan with the changes, also showing the monthly employee contributions for teachers, 11&12 month employees and administration for the two options. As a result of an increased district contribution of 5%, the resulting employee monthly contributions in the new option are a decrease from 25/26 employee monthly deductions. For the limited number of employees that

would experience increased out-of-pocket costs due to the changes, the Insurance Committee requested supplemental insurance options, which are detailed in the three, optional employee-cost plans from AFLAC.(also attached.)

The administration is also continuing to explore Employee Wellness Clinic offerings and investments to provide additional services to employees to further avoid medical expenses through the use of insurance and participation in outside medical care.

Benefits Guide

While no other benefit changes are being suggested, the draft 26/27 Benefits Guide is also attached to illustrate the scope of district offerings.

- 3. Discuss the proposed change of the social workers from an administrative support style contract to a teacher -style contract for the 2026-2027 school year. - **ACTION ITEM** 78

In response to social worker requests to review their contract structure, administration has been meeting with the social work team to explore the contract style offered to WCSD staff. WCSD is an outlier in our peer Dane County Districts in that we offer a two-year administrative support contract instead of a teacher-style contract with extended days.

The administration has proposed to the group a teacher-style contract with 12 extended days. The members of the group support the change as presented, with two exceptions, as does the administration.

The attached document shows the structural differences. With a 3-0 vote the HR Committee supported the change for the 26/27 contract year moving forward, while allowing the two dissenting members of the group to remain with their current administrative-style contract structure.

PUBLIC COMMENT PERIODS DURING BOARD MEETINGS

Policy 187

Waunakee Community School District

Page 1 of 3

While the public has the right to attend meetings of the Board of Education that have not been convened in a closed session, individuals or groups generally do not have a right to be included on a Board meeting agenda or a right to enter into the discussions or deliberations of the Board. However, without affecting the Board's discretion to authorize other forms of input or participation during Board meetings from persons who are not Board members, the Board expressly authorizes and directs limited public participation during duly-noticed public comment periods as follows:

1. The Superintendent and Board President shall ensure that the agenda and public notice of the Board's primary regular business meeting each month includes a period for public comment. During a public comment period noticed under this paragraph, interested persons may briefly address the Board on topics that are reasonably germane to some aspect of the District's policies, practices, programs, or operations, regardless of whether the speaker's topic is otherwise noticed as a specific subject matter of the meeting in question.
2. Subject to any more specific decision or directive of the Board, the Board President has discretion to include a period of public comment on the agenda and public notice of additional Board meetings. In exercising such discretion, the President may specify on the public notice of the meeting that speaker comments during the public comment period will be limited to topics that are sufficiently germane to the noticed subject matter of the meeting.

When a public comment period is expressly included on the public notice of a Board meeting and there is sufficient interest in addressing the Board, the period shall either include at least 10 individual speakers or extend for 30 actual minutes, whichever limitation permits the greater total number of speakers. However, the Board may extend the total duration of a noticed public comment period at any meeting by a majority vote.

The Superintendent, or his/her designee, will implement a viewpoint-neutral speaker registration process that establishes an order for speaking in the event that the interest in appearing before the Board at any meeting may exceed the time that is allocated for the public comment period. Each speaker, upon being recognized by the presiding officer, will state his/her name and identify his/her connection to the District (if any) and to any group they are representing in connection with their remarks.

Each speaker's presentation is normally limited to a maximum of 3 minutes. However, at a meeting the Board may vote to reduce the time limit to no shorter than 2 minutes per speaker in order to accommodate a greater total number of speakers. In addition, at the Board's discretion, a speaker's time may be briefly extended provided that, upon request, a similar extension shall be granted to other speakers at the same meeting. Any individual may speak only once during the public comment period at any meeting.

Speakers generally should not expect an immediate response or reaction to their comments from the Board. Further:

1. If, at applicable meetings, a speaker raises a topic during a public comment period that was not among the publicly-noticed subject matter of the meeting, the extent of any response to

PUBLIC COMMENT PERIODS DURING BOARD MEETINGS

Policy 187

Waunakee Community School District

the speaker and his/her remarks shall be limited in accordance with applicable law.

2. During a public comment period, Board members will not engage in a substantive discussion of or otherwise attempt to materially investigate or reach a Board resolution of either (a) complaints or grievances regarding the conduct of individual staff members or individual students; or (b) attempts to appeal staff or administrative decisions relating to individual District employees or students. A public comment period during a Board meeting is not the preferred or established means of processing such issues or bringing such matters to the Board's attention.
3. If time or other limitations preclude an interested person from addressing the Board at a specific meeting, the person may submit written information to the Board and/or attempt to utilize a public comment period at a future meeting.

Subject to an appeal to the Board that is made by a Board member, the presiding officer of the Board meeting shall have the authority to conduct and maintain proper order in connection with any authorized public comment period, including the authority to (1) recognize speakers; (2) enforce established time limits; (3) interject and request that speakers voluntarily redirect specific complaints, grievances, or attempted appeals to more appropriate District procedures; and (4) terminate the remarks of any individual who does not adhere to established rules and procedures for public participation, who speaks in a threatening or profane manner, whose comments are repetitive of that person's previous comments, or whose conduct is disruptive and impedes the Board's ability to conduct its business in an orderly and timely fashion.

Individuals who are permitted to address the Board during a meeting are responsible for the content of their comments. The forum represented by a public comment period does not exempt a speaker from any liability arising from his/her comments (e.g., for defamation or for any breach of legally-protected confidentiality).

This policy and any rules and/or procedures that may be adopted related to the administration of public comment periods under this policy are not intended to apply to the following:

1. A meeting or any portion of a meeting that constitutes a formal public hearing on a particular topic or issue.
2. Instances where the Board seeks or agrees, by majority vote, to accept input that is relevant to a noticed agenda item from a person who is not a Board member in order to (for example) resolve a formal or informal point of information that arises during the Board's discussion of an agenda item.
3. Meetings of any standing or ad hoc committee that may be established by the Board.

Dear Waunakee Community School District Staff:

As we recognize National Staff Appreciation Week 2026, the Board of Education extends its sincere gratitude to each member of the Waunakee Community School District. Our educators and student support staff, including teachers, administrators, paraeducators, counselors, social workers, psychologists, specialists, instructional coaches, interventionists, and co-curricular advisors and coaches, play a vital role in shaping the future of our students. Through your expertise and care, you foster learning environments that support academic growth while also building confidence, character, and a strong sense of belonging for every learner.

Our operational and support staff, including information technology, office personnel, administrative assistants, maintenance and custodial teams, food service professionals, bus drivers, and crossing guards, are essential to the daily operations of our district. Your work ensures that our schools remain safe, welcoming, and efficient places where students and staff can thrive.

As the Waunakee Community School District School Board, we celebrate and thank all of our staff for their commitment and contribution, visible and behind the scenes, to making meaningful and lasting impacts on our students.

Minutes of Human Resources Committee

The Board of Education Waunakee Community School District

A Human Resources Committee of the Board of Education of Waunakee Community School District was held Wednesday, March 18, 2026, beginning at 8:00 AM in the Waunakee Community School District, 905 Bethel Circle, Waunakee, WI 53597.

I. CALL TO ORDER

Chairperson Eaton called the meeting to order at 8:00am.

II. ROLL CALL

Present: Eaton, Ensign, Hetzel

Also present; Brown, Grabarski, Summers

III. APPROVE AGENDA

A motion was made by Ensign, second by Hetzel, to approve the agenda as posted. Motion carried 3-0.

IV. PUBLIC COMMENTS

There were no public comments for this meeting.

V. DISCUSS THE PLANNING PROCESS FOR 26.27 WAGE INCREASES

Grabarski presented and answered questions regarding the process.

The state has set the CPI for 2.63% for the 26/27 school year, starting on July 1, 2026.

Potential wage increase timeline:

March / April - Review draft wage increase plan by the HR Committee

April / May - Approve wage increases for Admin, Admin Support, Hourly Staff - Board action

Negotiation Dependent* - Approve wage increases for teachers. The WTA has informally expressed an interest in starting in April.

July - New wages take effect for staff

Per the Fall 2024 Operational Referendum, the community supported \$1 million in funds over the 25/26 and 26/27 school years to increase all hourly staff to the Dane County peer average hourly wages. Planning documents will be released in the future to demonstrate the associated actions for the 26/27 wage increases, including the referendum-based increases. Grabarski presented and answered questions regarding the planning process for the 26/27 wage increases.

VI. ADJOURN TO CLOSED SESSION (19.85 (1) (c) (e))

Negotiation Preparation with District Negotiations Team. Materials will be shared with the Committee at the meeting with potential costing examples for 26/27 contracts.

A motion was made by Ensign, seconded by Hetzel, to adjourn into closed session. Motion 3-0 carried at 8:05am.

VII. RETURN TO OPEN SESSION

A motion was made by Ensign, seconded by Hetzel, to return to open session. Motion

carried 3-0. 8:40am

VIII. 26-27 PLAN YEAR INSURANCE COMMITTEE UPDATE

Grabarski presented and answered questions regarding the insurance committee, the timeline, and the recommendations to the dental and health insurance for the 26-27 school year.

Timeline of remaining activities:

March 17- Insurance Committee created a recommendation for insurance plan and rate structure to work within district budget forecasts.

April - Board reviews recommended plan / rate structure; Board vote

Mid April to Early May - Employee communication / education / Open Enrollment

A motion was made by Hetzel, second by Ensign to approve the changes recommended by the insurance committee. A) Increase to employee dental contribution by 13% B) Support the identified changes to health plan structure to decrease employee premium contributions. C) Offer optional supplemental insurance plans to provide financial protection to employees to cover out of pocket costs such as deductibles, copays and coinsurance. Motion carried 3-0.

IX. DISCUSS THE PROPOSED CHANGE OF THE SOCIAL WORKERS FROM AN ADMINISTRATIVE SUPPORT-STYLE CONTRACT TO A TEACHER-STYLE CONTRACT FOR THE 26/27 SCHOOL YEAR.

Grabarski presented and answered questions regarding the social worker team request to review their contract structure. WCSO is an outlier in our peer Dane County Districts in that we offer a two-year administrative support contract instead of a teacher-style contract with extended days. The social work team is in favor of a teacher-style contract with 12 extended days and administration supports their request.

A motion was made by Ensign, second by Hetzel to change those social workers who are interested to move to a teacher-style contract as presented. Motion carried 3-0

X. ADJOURN

A motion was made by Ensign, second by Hetzel, to adjourn the meeting at 9:20am. Motion carried 3-0.

Who is Eligible?

Employees working 30+ hours per week are eligible to enroll in the benefits described in this guide. Family members (spouses, and dependent children to age 26) are eligible for medical, dental and vision coverage.

How to Enroll

Human Resources will provide you with benefit enrollment instructions. Once you elect your benefit options, your elections must remain in effect for the duration of the July 1, 2026 - June 30, 2027 plan year unless you have a qualifying event change in status.

Mid-Plan Year Qualifying Events

Changes to benefits mid-year are usually not allowed unless a qualifying life event occurs. Examples include marriage, divorce, birth of a child, or Medicare eligibility. Contact HR and submit paperwork within 30 days of the event to make changes. Missing this deadline may delay changes until the next open enrollment period.

Annual Open Enrollment Effective July 1st

Open Enrollment happens each spring. You can keep or change health, dental or vision insurance coverage, switch plans or adjust benefit levels for changes effective July 1st. Examples: Family, single or waive status. Switch health plans (HMO, POS or HDHP). Flexible Spending Account (FSA), Family Reimbursement (FRA) and Aflac supplement plans open enrollment occurs too.

Coverage Effective Dates

New employee benefits begin on the first of the month following employment. Staff changing benefits or ending employment will receive coverage change or end date communication from a Benefit Specialist.

FRA HRA Frequently Asked Questions

When do I need to decide on signing up for the

FRA? During the annual Open Enrollment period or within 30 days of a new employee's start date.

When will the FRA benefit start for me? Effective July 1 for Open Enrollment. Effective the first of the month following employment for new employees.

Who is eligible? Any members that are enrolled on the WCSD medical plan prior to open enrollment that have access to and enroll in employer sponsored health coverage elsewhere. This could include you, your spouse and your dependent children. New Employees.

Can I enroll in the FRA plan and keep my WCSD single health plan? No. To be eligible for the FRA, the employee would need to have a tier change from single to waive health coverage.

Can I move to WCSD single health coverage, remove spouse and/or dependents off WCSD health and be eligible for the FRA? Yes. This is a tier change from family to single health coverage which qualifies you for FRA eligibility.

I currently waive health insurance. Am I eligible to enroll in FRA? No. To be eligible for FRA, you must currently have some level enrollment in WCSD health insurance and be making a coverage tier change.

I currently waive health insurance and have cash in lieu of health insurance (ABP). Am I eligible to cancel ABP and enroll in FRA? No. To be eligible for FRA, you must currently have some level of enrollment in WCSD health insurance and be making a coverage tier change. You can remain enrolled in ABP.

What expenses will the FRA reimburse? Any in-network deductible, copay or coinsurance and prescription drug expense on your other employer health plan (only). However, if your new health plan is a HDHP with an HSA, please read the next FAQ.

What do I need to know if I cancel WCSD health insurance and my new health insurance plan is a HDHP with an HSA? For those enrolling or re-enrolling in the FRA and enrolling or enrolled in another group health plan that's an HSA-Qualified High Deductible

Health Plan, the IRS has a required minimum deductible (IRS minimum HDHP HSA deductible threshold) for those plans before the FRA will start to reimburse claims. You must first pay out of pocket costs until you reach the IRS deductible threshold. You can use HSA dollars if you have them available. Submit receipts to show proof that you have met the IRS threshold, then your FRA benefit kicks in and you will be reimbursed for expenses thereafter. Am I required to use my HSA account dollars on my out-of-pocket costs before the FRA reimbursement benefit kicks in? For clarification, this only applies to employees enrolled in a HDHP with HSA. The employee, spouse, dependent is not required to use their HSA dollars. There is no requirement that someone uses HSA dollars for that amount.

How do I enroll? Complete the enrollment materials and submit that to HR. We will enroll you and any eligible dependents.

How does the per month payroll payment work? Let's say you make a tier change from family to single WCSD health insurance. In this example, WCSD will pay you \$100 per month, \$1,200 annually! Payment will be divided over all regular payrolls. This is taxable income.

Who administers this plan? WCSD's Plan Administrator is Employee Benefits Corporation (EBC). You will have access to EBC's online portal for claims reimbursements.

What actually is this FRA? WCSD has named this benefit a Family Reimbursement Account (FRA) which is actually a Health Reimbursement Account (HRA) with reimbursements limited only to out-of-pocket costs associated with your non-WCSD health plan.

How does the FRA reimburse me for out-of-pocket medical expenses? You will submit a claims reimbursement form to submit, along with proper documentation, to EBC. The reimbursement can be set up for automatic deposit to your bank account or you can be mailed a paper check. FRA enrollees will not receive a Benefits Card.

How insurance works

Sharing the cost of care

It's our goal to make it as easy as possible for you to understand your financial responsibilities.* Your policy may use a system of cost sharing that can include a copay, coinsurance, deductible, or any combination of the three.

Review our glossary of common terms at DeanCare.com/InsuranceTerms

1 Deductible
Each time you receive medical services, you'll pay the bill toward these services up to a certain amount. This amount is your deductible, which is what you must pay for covered health care services each year before we begin to pay.

2 Coinsurance†
Once you've paid the deductible amount, your insurance will then start splitting the cost of additional medical services with you. This is known as coinsurance, meaning you only pay a percentage or part of the total cost of services and we'll pay the rest.

Deductible and coinsurance limit
There is a dollar limit to the amount you'll pay toward your deductible and coinsurance.

3 Copays
A copay is a fixed dollar amount, which you pay at the time you receive medical services (for things like an office visit) and prescriptions. All your copays add up toward your maximum out-of-pocket total.

Maximum out-of-pocket
There's a dollar limit to all your cost sharing. You reach this amount by means of your deductible, plus your coinsurance, plus your copays. Once this limit is reached, you'll pay nothing on subsequent covered medical charges for the remainder of your policy year.

Premium
The amount you pay each month to access your health insurance.

HEALTH SAVINGS ACCOUNT (HSA)

[< back to Quick Link Guide](#)

An HSA is a tax-advantaged benefit that gives you the flexibility to choose whether you'd like to spend, save, or invest your HSA funds. An HSA can be an important tax-saving tool on your road to financial wellness.

Are you eligible to open a Health Savings Account (HSA)?

Not everyone who has a High Deductible Health Plan can open an HSA. Meet these requirements to open an HSA:

Enrolled in a High Deductible Health Plan (HDHP)

Not covered under another non-HDHP health plan

Not enrolled in Medicare or TRICARE or have not received Veterans Administration (VA) benefits within the past three months

Not claimed as a dependent on someone else's tax return

Not have a traditional health care flexible spending account (FSA), including you or a spouse currently enrolled in a FSA

Your HSA Bank Account WealthCare EBC's HSA Bank Partner

As per federal regulations, any time a new bank account is opened, verification of legal identity is required of the account holder (you). This is called the CIP (Customer Identification Process). The HR Benefits Team submits new HSA enrollment data to EBC.

The next step is EBC initiates the CIP Customer Identification Process which verifies your identity.

If WealthCare Saver Bank needs further information to confirm the verification process, they will contact you via email with instructions to take action.

Once you "pass" the CIP, you'll receive a [Welcome Kit](#).

Top Reasons to have an HSA

Tax Saving & Earned Interest —

- No federal income taxes on money put in
- Interest grows tax free
- No income taxes on withdrawals for eligible health expenses
- Unused money rolls over each year, tax-free

Portability — You own your account, so even if you change jobs, your HSA funds are yours to keep. (Employer-paid account fees cease upon termination of health plan.)

Safety Net — An HSA has no "use-it-or-lose-it" restrictions, so balances can be built up to use for major medical events.

Affordable Health Coverage — Use the HSA to cover 100% of out-of-pocket costs for routine medical expenses, such as office visits, lab tests, and prescription medications, both deductible and coinsurance.

Reduced Insurance Premiums — The cost of coverage under a qualified HDHP is typically lower than the other plan.

Long-Term Savings — Contributions to your HSA accumulate and roll over year-to-year with no limit, which allows the account to grow tax-deferred.

Retirement Bonus — After age 65, funds may be withdrawn for any reason with no penalties. (If used for non-medical purposes, withdrawals however, are subject to tax.)

Coverage for the "Extras" — HSA funds may be used to pay for services often not covered by a medical plan, including dental and vision expenses.

Money That Works for You — Balances over a certain amount may be invested. See your EBC WealthCare Saver Bank HSA rules.

How do I get reimbursed for my eligible expenses?

HSA funds can be used for health expenses like co-pays, prescriptions, deductibles, and more. See IRS Publication 502 for guidance on eligible expenses. Use your Benefits Card or submit claims online. Keep receipts in case of an audit. Spending on non-eligible expenses incurs a 20% penalty tax (if under 65) plus federal income taxes.

Changes can't be made during the year unless it's allowed by the IRS and submitted to HR on time. Unspent funds remaining at the end of the plan year will be forfeited per IRS rules.

Evidence-Based Integrated Care Plan

Yes

Yes

Good news! Your dental plan includes Delta Dental's Evidence-Based Integrated Care Plan (EBICP).

Delta Dental of Wisconsin's EBICP provides enhanced benefits for persons with diseases and medical conditions (see Conditions & Services panel) that have oral health implications. These benefits include increased frequency of cleanings and/or applications of topical fluoride. They address the unique oral health challenges faced by persons with these conditions, and can also play an important role in the management of an individual's medical condition.

CheckUp Plus

Yes

Delta's CheckUp Plus plan option allows enrollees to get diagnostic and preventative dental services without those costs getting applied to the individual annual maximum. Preventive care saves money over the long-term by reducing the need for more expensive services. CheckUp Plus lets you keep your annual maximum for things you need, not the things you deserve. The chart shows the impact of CheckUp Plus on an enrollees individual annual maximum compared to a traditional plan. Example assumes two routine check-ups covered at 100% and a \$2,000 annual maximum.

	CheckUp Plus	Traditional Dental Plan

Enrollee Pays	\$0	\$0
Maximum Remaining	\$2,000	\$1,700

Delta Dental encourages you to be informed about your dental care. Before scheduling appointments for extensive dental care, you may ask your dentist to send the treatment plan to Delta Dental. The plan will be reviewed by Delta Dental and you and your dentist will receive a **Predetermination of Benefits** that explains your out-of-pocket costs before scheduling the dental care to be completed.

What are Chamber Bucks?

Chamber WaunaBUCKS are gift certificates redeemable on merchandise or services to many businesses in the Waunakee and Westport area. Certificates are treated as cash, used as a check and are valid for five years from date of issue. The Chamber member business reserves the right to refund any difference in cost either as an in-store credit or cash back. WaunaBUCKS encourages local shopping, which, in turn, strengthens our economy and supports business growth.

General Health Assessment FAQs

Is the program mandatory? No, but is required to receive the incentivized wellness rate(s). We hope you participate to improve your health and well-being, but participation is completely voluntary.

How much does participation in the health assessment save me in monthly health insurance costs? See current year rates located on the [secure staff website](#) > Human Resources > Benefits.

If both my spouse and I are insured via the district health insurance plan but only one of us completes the wellness check, do I get the incentive? No. Since we've seen first hand the importance of our health assessment, we want to ensure that both our employee and their spouse experience the benefits. Your incentive percentage is based on what you and your spouse both complete. Example: If you both complete the wellness check but only one of you has scheduled an age/gender preventative screenings, your percent savings will be **0%**.

Who will be tracking my visit and/or where I stand on screenings? The district will receive a completion report monthly. This will only contain your name and "complete". No additional information will be shared with the district. For **health assessment status discrepancies** contact the clinic's confidential health assessment only email account: sewc@ssmhealth.com. Include the following in the Email Subject line: Waunakee, First & Last Name. Health Assessment Inquiry.

What are the age / gender screenings? The age/gender screenings could include a colonoscopy, mammogram, cervical cancer screening and blood work including hemoglobin A1C and lipid panel.

What if I've recently gone to my Primary Care Physician? While we are happy that you have visited your PCP, the visit that will take place with Gypsy, PA-C at the Waunakee Wellness Clinic will still be valuable and is a great opportunity to get know the added benefits of the clinic. As a result, to qualify for the increased district premium contribution, we are asking that you schedule a visit with Gypsy.

Optional Living Health Rewards. Do I need to participate in Living Healthy Rewards to receive the WCSD maximum employer % contribution toward my health premium? No. Dean Health Plan offers this separate program that allows you (and spouses on insurance) to earn up to \$150 in rewards (adult dependent children earn up to \$100). As a reminder, your WCSD Health Assessment preventative screenings done at the Waunakee Wellness Clinic qualify for Living Healthy Rewards points. Rewards come in the form of gift cards to your choice of many national retailers, restaurants and other popular merchants. Living Healthy Rewards run Calendar year so participation points must be redeemed each year by Dec. 31. Learn more at deancare.com/Wellness/health-and-wellness.

SHORT-TERM DISABILITY

[< back to Quick Link Guide](#)

The first few months of a disability could be costly. Loss of income during this time may result in a financial hardship that could be difficult to recover. This Short-Term Disability Insurance plan works in coordination with your Long-Term Disability Insurance plan to cover you during the time period before your Long-Term benefits begin.

- If you suffer a disability, this plan would pay up to 66 2/3% of your annual salary divided by 52, depending upon your coverage choice, per week.
- Benefits are paid *in addition to* sick leave pay and Worker's Compensation.
- Benefits are tax-free if you pay for coverage with after-tax dollars. (If unsure, confirm with your employer.) Please see your tax adviser for further specific advice.
- Benefits for a covered illness or injury continue for 60 days, the date you are no longer disabled or until you are eligible to receive benefits under your Long-Term Disability Insurance plan, whichever comes first.
- Benefits start on the 1st day for a covered disability resulting from an accident and 4th day for a disability resulting from an illness.

[How the WRS Benefit Works:](#)

Contributions to Your WRS. The money to pay WRS benefits come from employee- and employer-required contributions and investment (interest) earnings.

Investment Choices. By default, your money is invested through the **CORE TRUST FUNDS** which offers pretty safe, secure investments. A second investment option is the **VARIABLE TRUST FUND**. Electing to participate in the Variable Fund, means ½ of contributions will be placed in more riskier investment options. Employee action to complete the Election to Participate in the [Variable Trust Fund form \(ET-2356\)](#) **IS REQUIRED ONLY IF** you want ½ of contributions to be placed in more riskier investment options.

Vesting. You may have to meet 1 of 2 vesting laws depending on when you first began WRS employment.

Retirement 403(b) & 457 Plans

Optional Retirement Plans

WCSD offers employees a simple, flexible way to supplement your retirement savings, directly from your paycheck. Both **403b** Plans and WI Deferred Compensation **457** Plans offer tax benefits and various investment options so you can work toward gaining added savings for your retirement years.

Staff are encouraged to consider enrolling in voluntary retirement plans because your WRS/ETF and retiree HRA plans will likely not provide 100% of your working wages in retirement.

Open up your account with an approved 403(b) vendor and / or WI Deferred Compensation and provide notice to Human Resources. Select a payroll deduction amount that you are financially comfortable with as all contributions made to either of these plans are 100% employee funded.

Employees can start, change or stop voluntary retirement payroll deduction amounts on any payroll.

MEANINGFUL NOTICE / PLAN SUMMARY INFORMATION

403(b) PLAN

The 403(b) Plan is a valuable retirement savings option. This notice provides a brief explanation of the provisions, policies and rules that govern the 403(b) Plan offered.

Plan administration services for the 403(b) plan are provided by U.S. OMNI & TSACG Compliance Services (OMNI/TSACG). Visit the OMNI/TSACG website (<https://www.tsacg.com>) for information about enrollment in the plan, investment product providers available, distributions, enrollment, exchanges or transfers, 403(b) loans, and rollovers.

ELIGIBILITY

Most employees are eligible to participate in the 403(b) plan immediately upon employment; however, private contractors, appointed/elected trustees and/or school board members are not eligible to participate in the 403(b) plan. Verify if your employer allows student workers to participate in the 403(b) plan. Eligible employees may make voluntary elective deferrals to the 403(b) plan and are fully vested in their contributions and earnings at all times.

EMPLOYEE CONTRIBUTIONS

Traditional 403(b)

Upon enrollment, participants designate a portion of their salary that they wish to contribute to their traditional 403(b) account up to their maximum annual contribution amount on a pre-tax basis, thus reducing the participant's taxable income. Contributions to the participant's 403(b) account are made from income paid through the employer's payroll system. Taxes on contributions and any earnings are deferred until the participant withdraws their funds.

Roth 403(b)

Contributions made to a Roth 403(b) account are after-tax deductions from your paycheck. Income taxes are not reduced by contributions you make to your account. All qualified distributions from Roth 403(b) accounts are tax-free. Any earnings on your deposits are not taxed as long as they remain in your account for five years from the date that your first Roth contribution was made. Distributions may be taken if you are 59½ (subject to plan document provisions) or at separation from service.

The Internal Revenue Service regulations limit the amount participants may contribute annually to tax-advantaged retirement plans and imposes substantial penalties for violating contribution limits. OMNI/TSACG monitors 403(b) plan contributions and notifies the employer in the event of an excess contribution.

THE BASIC CONTRIBUTION LIMIT FOR 2026 IS \$24,500.

Additional provisions allowed:

2026 AGE-BASED ADDITIONAL AMOUNT

Participants who are age 50 to 59 or 64 or older by 12/31/2026 qualify to make an additional contribution of up to \$8,000 to their 403(b) accounts. Participants aged 60, 61, 62, or 63 on 12/31/2026 can contribute an additional amount of up to \$11,250.

Note: Individuals whose prior-year social security wages were \$150,000 and above must contribute this amount to a Roth plan.

THE SERVICE-BASED CATCH UP AMOUNT

The special catch-up provision allows participants to make additional contributions of up to \$3,000 if, as of the preceding calendar year, the participant has completed 15 or more full years of employment with the current employer, not averaged over \$5,000 per year in annual contributions, and has not utilized catch-up contributions in excess of the aggregate of \$15,000. For a detailed explanation of this provision, please

ENROLLMENT

Employees who wish to enroll in the 403(b) plan must first select the provider and investment product best suited for their account. Upon establishment of the account with the selected provider, a "Salary Reduction Agreement" (SRA) form and any disclosure forms must be completed and submitted to OMNI/TSACG. This form authorizes the employer to withhold 403(b) contributions from the employee's pay and send those funds to the Investment Provider on their behalf. An SRA must be completed to start, stop or modify contributions to a 403(b) account. Unless otherwise notified by your employer, you may enroll and/or make changes to your current contributions anytime throughout the year.

The total annual amount of a participant's contributions must not exceed the Maximum Allowable Contribution (MAC) calculation.

For convenience, a MAC calculator is available at <https://www.tsacg.com>.

2026

INVESTMENT PROVIDER INFORMATION

A current list of authorized 403(b) Investment Providers and current employer forms are available on the employer's specific Web page at <https://www.tsacg.com>.

PLAN DISTRIBUTION TRANSACTIONS

Distribution transactions may include any of the following depending on the employer's Plan Document: loans, transfers, rollovers, exchanges, hardships, withdrawals or distributions. Participants may request these distributions by completing the necessary forms obtained from the provider and plan administrator as required. All completed forms should be submitted to the plan administrator for processing. Prior to taking a loan, participants should consult a tax advisor.

PLAN-TO-PLAN TRANSFERS

A plan-to-plan transfer is defined as the movement of a 403(b) account from a previous employer's plan and retaining the same account with the authorized investment provider under the new employer's plan.

ROLLOVERS

Participants may move funds from one qualified plan account, i.e. 403(b) account, 401(k) account or an IRA, to another qualified plan account at age 59½ or when separated from service. Rollovers do not create a taxable event.

DISTRIBUTIONS

Retirement plan distributions are restricted by IRS regulations. A participant may not take a distribution of 403(b) plan accumulations unless they have attained age 59½ or separated from service. In most cases, any withdrawals made from a 403(b) account are taxable in full as ordinary income.

EXCHANGES

Participants may exchange account accumulations from one 403(b) investment provider to another 403(b) investment provider that is authorized under the plan; however, there may be limitations affecting exchanges, and participants should be aware of any charges or penalties that may exist in individual investment contracts prior to exchange.

403(b) PLAN LOANS

Participants may be eligible to borrow their 403(b) plan accumulations depending on the provisions of their 403(b) account contract and provisions of the employer's plan. If loans are available, they are generally granted for a term of five years or less (general-purpose loans). Loans taken to purchase a principal residence can extend the term beyond five years depending on the provisions of their 403(b) account contract and provisions of the employer's plan. Details and terms of the loan are established by the provider. Participants must repay their loans through monthly payments as directed by the provider.

HARDSHIP WITHDRAWALS

Participants may be able to take a hardship withdrawal in the event of an immediate and heavy financial need. To be eligible for a hardship withdrawal according to IRS Safe Harbor regulations, you must certify and may be asked to provide evidence that the distribution is being taken for specific reasons. These eligibility requirements to receive a Hardship withdrawal are provided on the Hardship Withdrawal Disclosure form at <https://www.tsacg.com>.

EMPLOYEE INFORMATION STATEMENT

Participants in defined contribution plans are responsible for determining which, if any, investment vehicles best serve their retirement objectives. The 403(b) plan assets are invested solely in accordance with the participant's instructions. The participant should periodically review whether his/her objectives are being met, and if the objectives have changed, the participant should make the appropriate changes. Careful planning with a tax advisor or financial planner may help to ensure that the supplemental retirement savings plan meets the participant's objectives.

STATEMENT OF PHILOSOPHY

Co-curricular activities are an integral and valuable part of a student's high school experience, and Waunakee Community High School (WCHS) is committed to sponsoring a wide variety of such activities. Waunakee Community High School recognizes that participation in a co-curricular activity is a privilege offered to its students. While difficult to measure, the educational value of co-curricular participation is extensive. Students not only develop physical, mental, and social skills, but also positive values and attitudes that they will take with them into their adult life.

All organized activities in life – be they work, play, or school-related – place expectations upon participants. This handbook details these expectations as they pertain to all co-curricular participation at Waunakee Community High School. Participation in activities is a privilege earned, in part, by accepting and following the regulations contained in this co-curricular handbook.

The primary enforcement and responsibility of this code rests not only with the students, as they should be self-disciplined, but also with their parents/guardians. **This policy will be enforced all twelve months of the year.**

HANDBOOK PURPOSE

The purpose of this handbook is to acquaint students and parents of students in co-curricular programs at Waunakee Community High School with the regulations and procedures of the WIAA, Badger Conference, and the Waunakee Community School District. It is very important that both the student and parent/guardian read and understand this handbook before signing the student pledge and parent/guardian permission section of the handbook. **The signing of this handbook will take place on the online platform during athletic and activity registration.**

TITLE IX NOTICE

The Board of the Waunakee Community School District does not discriminate on the basis of sex in its education program or activity and is required by Title IX and its implementing regulations not to discriminate in such a manner. The requirement not to discriminate in its education program or activity extends to admission and employment. The District's Title IX Coordinator(s) is/are:

Director of Human Resources, Waunakee Community School District. 905 Bethel Circle, Waunakee, WI 53597

Brian Grabarski, 608.849.2000, ext. 8167 briangrabarski@waunakee.k12.wi.us

Director of Special Education, Waunakee Community School District. 905 Bethel Circle, Waunakee, WI 53597

Tiffany Loken, 608.849.2000, ext. 8268 tiffanyloken@waunakee.k12.wi.us

Any inquiries about the application of Title IX and its implementing regulations to the District may be referred to the Title IX Coordinator(s), the Assistant Secretary for the U.S. Department of Education's Office for Civil Rights, or both.

The Board has adopted a grievance process and procedures that provide for the prompt and equitable resolution of student and employee complaints alleging any action that is prohibited by Title IX and/or its implementing regulations. The grievance process and procedures are included in Policy 413/513 Nondiscrimination on the Basis of Sex in Education Programs or Activities, which is available at: <https://www.waunakee.k12.wi.us/board/policies>

The grievance process and procedures specifically address how to report or file a complaint of sex discrimination, how to report or file a formal complaint of Sexual Harassment, and how the District will respond.

DEFINITION - CO-CURRICULAR ACTIVITIES

Co-curricular activities at Waunakee Community High School are defined as those activities in which students serve, perform, or compete as representatives of Waunakee High School. All students who participate in the various categories of activities or any additions are required to abide by this co-curricular handbook.

GOALS OF PROGRAM

Mere participation in co-curricular programs does not guarantee the following goals will be achieved. Students must participate in a manner so as to make the activity a beneficial influence in their lives. What the participant realizes from the activity depends on the positive effort s/he puts into it.

- To teach attitudes of responsibility and cooperation and to help students realize that participation in co-curricular activities is a privilege with accompanying responsibilities.
- To provide activities for learning self-discipline, loyalty, team play, personal pride, pride in the organization, respect for the rights of others, and the will to be successful.
- To provide the opportunity and to encourage all students to participate in order to meet the healthy need for competition, which is a basic American tradition.
- To encourage all students who participate in co-curricular activities to reach new potential(s).
- To provide a “whole school” interest and activities for which all students may rally around to develop school spirit and commitment.
- To place the unit, team, class, squad, and school above personal desires.

PARTICIPANT RESPONSIBILITIES

Participation in co-curricular activities is a privilege. The opportunity to present oneself to the public, and represent one's family and school should not be taken lightly. This privilege is extended to all students who meet school requirements and are willing to assume the following responsibilities:

- Be a credit to yourself, your parents/guardians, your school, and community.
- Demonstrate high standards of social behavior.
- Demonstrate respect for, and acceptance of the rules of competition.
- Demonstrate respect for those in authority, including advisors, coaches, teachers, and officials.
- Display a strong spirit of cooperation.
- Use language that is socially acceptable and not offensive to others.
- Be considerate of all others you interact with.
- All members of co-curricular activities will be neatly dressed and well-groomed while representing Waunakee Community Middle School.
- Student-athletes have a responsibility to be role models to other students and younger Children.
- All members of co-curricular groups are expected to display high standards of social behavior, (IE: Lawful Behavior), outstanding sportsmanship and proper respect for those in authority in school and within the community as a participant or spectator.

DISCRIMINATION

No person (meaning K-12 student) may be denied the benefits of or be discriminated against in any curricular, extracurricular, pupil services, recreational, or other program or activity because of the person's sex, race, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional, or learning disability. Please see contact information above located under ADA Accommodations.

STATEMENT OF NON-DISCRIMINATION

The Waunakee Community School District is committed to a policy of non-discrimination on the basis of age, race, creed, color, handicap, marital status, sex, national origin, ancestry, arrest record, conviction record, membership in the national guard, state defense force or any reserve component of the military forces of the United States or this state or nonuse of lawful products off the employer's premises during non-working hours or any other factor provided for by state and federal laws and regulations. This policy will prevail in all matters concerning staff, students, the public, educational programs and services and individuals with whom the Board does business. In keeping with state and federal law, the Waunakee Community School District shall strive to remove any vestige of discrimination in employment, assignment and promotion of personnel; in educational opportunities and services offered students, in their assignment to schools and classes and in their discipline; in the location and use of facilities; and, in educational offerings and materials. WCSD has designated Lisa Jondle, Director of Student Services and Brian Grabarski, Director of Human Resources as Title IX Coordinators for the District. GENERAL PROGRAM INFORMATION

~~Co-Curricular Consent Form and Consent for Emergency Medical Treatment Form~~

Students and parents are required to read, sign, and submit the Co-Curricular Consent Form and the Consent for Emergency Medical Treatment Form prior to participating in co-curricular events. Prior to each season, both athletes and parents must be provided with the Wisconsin Fact Sheet on Concussions and sign the agreement form. These forms will be kept within the ~~Bound Infinite Campus~~ Athletic Registration servers. Athletic registration will be completed each season (fall, winter, spring) in order to have the most up-to-date concussion and health information for students.

JOINING OR RE-JOINING A TEAM

After tryouts and team rosters are submitted to the Athletic Office, students will not be allowed to join a team. Generally speaking, this is the first Friday of the sports season. Accommodations may be made for students who are new to the district or have moved to the district after sport season has started. Also, a student-athlete that does NOT finish a sports season “in good standing with the team” (see definition on page 24) must meet with the head coach prior to the start of the next season to receive permission to rejoin the team in the following season.

WIAA IN-SEASON NON-COMPETITION RULES

During their particular high school season Waunakee Student-Athletes are not allowed to compete in non-school sponsored competitions in that same sport (i.e.: Wrestler competing in a tournament that is not part of the high school’s schedule). ~~The athletic department and that sport’s head coach~~ ~~Waunakee Activities Department~~ will consider exemptions on a case-by-case basis for exceptional athletes. ~~WIAA exemptions allow for up to two (2) non-school competitions during that same sport season, but these competitions may not occur during the WIAA Tournament Series.~~

The ~~Athletic Activities~~ Department reserves the right to deny a request if nature or timing of the event would cause an undue burden on the high school team, such as but not limited to conflicting with conference events, playoffs, and/or granting the exemption would violate WIAA Bylaws regulating participation and competition.

EXPECTATIONS

Section 1 – School Behavior

Applies to ALL Categories (A, B, & C)

Student participants are expected to meet the expectation for school behavior described in the Waunakee **Community** High School Student Handbook and Board of Education Policies.

All students suspended out of school during a season of activity will be ineligible to participate in practices, performances, competitions, or activities during the period of suspension. In addition, if the student does not miss a game, performance, event or activity during the suspension the student will miss the next scheduled competition, performance, event or activity.

Out of school suspensions that end on Friday, the student will be eligible to play on Saturday. If the out of school suspension is carried over until Monday, the student will be ineligible to participate on Saturday.

Participants are urged to do their best in the classroom. Strive to get the highest grades possible and display a common service attitude in their conduct throughout the school and community.

Section 2 – Attendance (School, Practices, and Events)

Applies to ALL Categories (A, B, C)

When Waunakee Schools are closed due to inclement weather or other emergency, all co-curricular practices and contests are also canceled or postponed to a later date. Saturday events will be determined by the Principal, **Athletic Activities** Director and the Transportation Supervisor with input from the other school(s) involved.

All practice sessions will be made on time unless there is some valid reasonable excuse for missing. For unexcused absences disciplinary action will be administered by the coach/director. Students who need academic help after school WILL NOT be penalized if they contact the coach beforehand or present a pass from the instructor when arriving late to practice.

In order to practice or participate, a participant must be in attendance at school by 11:55 am and maintain attendance in all of their scheduled classes through the remainder of the school day at the high school. If a participant cannot be in school for reasons other than illness, the absence must be pre-planned and approved by the principal, athletic director, or assistant principal at least one day prior for the participant to practice or participate that day. We ask the cooperation of parents to see that students miss as little as possible.

Seniors with 18 year old sign-out privileges must be in attendance at school by 11:55 am to practice or participate in a game, match or meet.

There will be no practices held at the high school on Wednesdays after 6:30pm. Special practice needs shall be given consideration by the ~~Athletic Activities~~ Director and/or Superintendent.

No practice will be started or held without a qualified coach/director being present. No school facilities and/or equipment will be used by group members without a coach/director being present.

SKIPPING A CLASS, STUDY HALL OR SCHOOL DURING A SEASON OF ACTIVITY WILL CAUSE THE STUDENT/ATHLETE TO MISS THE NEXT SCHEDULED CO-CURRICULAR EVENT (ONE CONTEST) THAT HE/SHE WOULD PARTICIPATE IN.

Transportation

Each student must ride and return from practices, contests, performances, events with their team/group unless proper arrangements are made before leaving on the trip.

Such excuses can only be obtained by providing the following:

1. Completion of the WCSD Student Transportation Agreement must be completed during the registration process ~~on Infinite Campus~~. This allows a student to transport themselves to a **practice/contest**.
2. An online submission request to the coach/advisor using the Alternate Transportation Google Form should be submitted if the student is not traveling to/from a **contest** with the team. Preferable, at least one day in advance.
3. The parents must pick up the student in the presence of the coach/advisor.

Section 3 – Academic Eligibility Applies to Categories A & B

By WIAA Rule, a student-athlete must meet school and DPI requirements defining a full-time student and have received no more than one failing grade (including incompletes) in the most recent school issued grade reporting period.

Note: Some member schools adopt code and academic policies and other participation requirements which are more stringent than WIAA minimum requirements. In those instances the school requirements prevail and must be applied as written.

A student who is carrying six academic subjects may receive an “F” grade and will still be eligible if he/she has a “C” grade to compensate for the failure. However, if a student with six academic subjects receives two or more failures, he/she will be ruled ineligible for competition for the next nine-week grade reporting period.

- A student who is declared scholastically ineligible for co- curricular participation may regain probationary eligibility after a period of 15 school days and is doing passing work in all classes. Passing academic achievement will be determined by individual classroom teachers through reports filed with the high school athletic director the week prior to the student becoming eligible. A week of eligibility will be lost by the student/athlete if any of his/her teachers report failing grades. The student must have each of his/her teachers check and sign the form and the student must return the form to the athletic director’s office. The student may practice during the ineligibility period with the approval of his/her parents and coach/director.
- The student must have each of his/her teachers check and sign the form and the student must return the form to the activities director’s office.
- The student may practice during the ineligibility period. Eligibility will be determined by the FIRST and THIRD quarter 9 week progress reports. Semester grades will be used during the SECOND and FOURTH grading periods to determine eligibility.
- Summer school can be used to make-up eligibility.
- An Incomplete “I” is considered a failing mark until all work is completed and a grade is issued to replace the “I”.

Note: Incoming Freshman who received a failing grade during the fourth quarter are ineligible for the first three weeks of any fall co- curricular activity in 9th grade.

Section 4 – Conduct Code Applies to Category A

Physical Exam Requirement

A student may not participate in interscholastic athletics (practice or competition) until the school has a W.I.A.A. ~~Physical Form Examination or Alternate Year Permit Card~~ that attests to the student's physical fitness (as determined by a licensed physician). Forensics, One-Act, Musical, and the School Play participants are exempt from the physical requirement.

A physical examination taken April 1 and thereafter is valid for the following two school years; a physical examination taken before April 1 is only valid for the remainder of that school year and the following school year.

The student may get a W.I.A.A. Physical ~~Form Examination Permit card~~ from ~~a coach or the athletic activity~~ director's office.

Complete the physical exam and return the ~~form card~~ to the athletic office with all of the information properly filled in and signed by your parent or guardian.

ATHLETIC CODE REQUIREMENTS

A student may not participate (Practice or competition) until a signed co-curricular code is on file in the office every school year. ***NOTE: Once a code has been signed it is enforceable and valid until the student graduates.**

CONCUSSION AGREEMENT

Students & parents must, on an annual basis, receive the Wisconsin Fact Sheet on Concussions and sign the Parent & Athlete Agreement form.

AGE

A student shall be ineligible for interscholastic competition if he/she reaches his/her 19th birthday before August 1 of any given school year.

EARLY GRADUATION

Any student that graduates early is NOT eligible to participate in Category A activities that begin after the student has graduated. Students who graduate at the end of the 1st semester of a school year will be permitted to complete their season with the team, except when the rules of the governing body prohibit such participation. For example: Per WIAA regulations a student that graduates at the end of 1st semester is ineligible to participate in WIAA sponsored sports after the last bell of the last day of the 1st semester. (WIAA Rules of Eligibility Art V, Section 1, A8, A9)

WAUNAKEE COMMUNITY HIGH SCHOOL CODE OF CONDUCT

Top performances come from those individuals who prepare themselves mentally and physically to the best of their ability. It is reasonable to assume that each student should take care of his/her body in such a manner that would enhance peak performance at all times. It has been substantially documented medically that certain substances (i.e. Alcohol, tobacco, controlled substances, street drugs, and performance enhancing substances) can be detrimental to your health and performance. Abstinence from these substances along with proper rest, diet and the observance of good health practices can enhance the mental and physical performance of all individuals.

Adherence to this code of conduct is a matter of self-discipline and is the responsibility of the students and their parent(s)/guardian(s) on a **year-round (12 month) basis**. Students are required to follow this code while enrolled at Waunakee Community High School whether in-season or out-of-season. **It is the responsibility of all adults to report violations of the code of behavior. Since consequences are most effective when closely tied to actions, violations of the code of behavior are to be reported as soon as reasonably possible.**

Self-Reporting Clause

Students are encouraged to self-report in all situations. The intent of this is to encourage and reward student responsibility. Therefore, a student should self-report within 24 hours of a code violation to the Athletic Director, Associate Principal, or Student Services personnel. If a student or parent self-reports for a code violation the student will have their penalty reduced by 50%. The reduction in a student's suspension is only allowed once in a student's high school career. Once the school administration becomes aware of a violation through another source, there is no longer an option to self-report.

Honesty Clause

A student who is completely honest, forthcoming, and cooperative upon being questioned by an administrator or athletic director may reduce his or her suspension by one contest. According to WIAA policy a suspension must be a minimum of 1 contest. Honesty and integrity is expected on the part of extra-curricular participants at all times. It is expected that the participant will be truthful, forthcoming with information, not be deceitful, and be cooperative. If at any time while under investigation, it is found that a student lied, was deceitful, untruthful, or withheld information, a greater level of consequence may be assigned.

The Athletic Director will determine all alleged conduct code violations. A penalty is not considered served if a student does not complete the season in good standing. A student may serve their penalty while injured as long as they finish the season in good standing. Removal from or quitting the team is not considered in good standing. The Athletic Director will use all available sources for evidence including social networks (i.e., internet) to determine a code violation. Anonymous letters will not be a source of evidence when considering a code of conduct violation. **If a code violation occurs during a WIAA tournament, the athlete will be disqualified from participation for the remainder of the total tournament series in that sport, per WIAA rules.**

During the period of the suspension for a first or second violation, the student is allowed to practice with the team or group, but they may not participate in a game, contest, or performance. However, the student must be with the team or group during the event and travel to the event. They may not participate or be in uniform.

Examples of code violations include but are not limited to:

- Substance Abuse
- Expulsions
- Suspensions
- Incarceration & Legal Sanction
- Conduct - Public & Online Representation

Student Code Violations include all of the following, but are not limited to:

- Any student using or possessing alcohol or tobacco or using, possessing, buying or selling illegal controlled substances (street drugs, and performance enhancing substances).
- Any student who provides, buys or sells either alcohol, non-alcohol “look alike” or malt beverages, and/or a controlled substance including “look alike” drugs, tobacco products. This will include any chemicals ingested to produce an altered state of mind (including but not limited to: Delta 8). This shall include e- cigarettes, vaporizers, juuls, or any other products containing or products used to deliver nicotine, tobacco, or other chemicals.
- Participating in hazing activities.
- Conduct themselves in a manner in and/or out of school, which brings discredit to themselves, the parents, and the school or to the team or athletic/activity group.
 - Examples of this may include, but are not limited to: Shoplifting, inappropriate use of social media, theft, lewd and/or explicit photographs or images, harassment, etc.

Substance Abuse

Any student using or possessing alcohol or tobacco or using, possessing, buying or selling illegal controlled substances (street drugs, and performance enhancing substances) shall be suspended from participation in co-curricular activities. Any student, unsupervised by their parent or legal guardian, present where alcohol and/or drugs are being served/consumed to underage individuals, that does not leave in a reasonable amount of time (10-15 minutes), will be subject to the penalties stated under Co-curricular Code violations.

*This rule is to be in effect and enforced for twelve months of the year.

First Violation

Restriction from co-curricular participation (competition) for a period of 33.3% of the participating student's co-curricular contests which the violating student would choose to participate in for one season (fall, winter or spring). If the student is not involved in any co-curricular activities at the time of the violation the penalty will apply to the next season of participation.

Note: WIAA regulations require a minimum penalty in the next WIAA sport if a student is not involved in a WIAA sport at the time of the violation. A student could not serve the entire penalty in a non-athletic activity or a non-WIAA sport/activity during one season and participate in a WIAA sport another season without a one game/event penalty being imposed in the next WIAA sport season.

If a student is found to be in violation of the co-curricular code and agrees to complete an AODA/Tobacco assessment and to follow the assessment recommendations, there shall be a 20% suspension for each co-curricular activity, the next season of participation. If a student fails to complete the assessment or follow the recommendations of the assessment then he/she shall serve the 33.3% suspension as outlined above.

Second Violation

Suspension from co-curricular participation (practice and competition) for one full calendar year from the date on which the penalty for the co-curricular code violation was implemented by administrative action.

If a student is found to have violated the co-curricular code a second time and agrees to complete an AODA/Tobacco assessment, and to follow through with the assessment recommendations, his/her period of suspension will be reduced to 33.3% of each co-curricular activity the student participates in for one calendar year from the date on which the penalty for the co-curricular code violation was implemented by administrative action. If a student fails to

complete the AODA/Tobacco assessment or fails to follow the recommendations of the assessment he/she will be suspended from co-curricular participation for one full calendar year from the date the penalty for violation of the co-curricular code is implemented by administrative action.

Third Violation

If a student is found to have violated the co-curricular code for a third time, the student will be indefinitely suspended from participation (practice and competition) in co-curricular activities for the duration of their high school career. However, after one full calendar year from the date the penalty for the co-curricular code violation was implemented by administrative action the student may appeal to the high school principal for reinstatement of their co-curricular eligibility. The request for reinstatement will be considered if the student can provide evidence that he/she followed the co-curricular code guidelines during the year they were suspended from co-curricular participation. The Principal will make the determination of reinstatement after a third violation.

A violation of the co-curricular code after reinstatement will result in permanent suspension of participation in co-curricular activities.

**Effective March 25th, 2016, the Wisconsin Sexual Assault Victim Amnesty Law is applied to Waunakee Co-curricular Code*

(NOTE: Nothing in this policy shall prohibit or limit the application of the District's or the WIAA regular student disciplinary rules and regulations to the student participants. The provisions of this policy are considered an addition to all other rules and regulations governing student conduct and discipline.)

LOOK-ALIKE SUBSTANCES, PRODUCTS & OTHER ITEMS

Any student who provides, buys or sells either alcohol, non-alcohol "look alike" or malt beverages, and/or a controlled substance including "look alike" drugs, tobacco products, will be subject to the sanctions stipulated in the violation sections of the co-curricular code. This will include any chemicals ingested to produce an altered state of mind (including but not limited to: Delta 8). This shall include e- cigarettes, vaporizers, juuls, or any other products containing or products used to deliver nicotine, tobacco, or other chemicals.

EXPULSIONS

Any student expelled by the school is ineligible to practice or compete in co-curricular activities during the period of expulsion.

SUSPENSION

Any student suspended in or out of school is ineligible to participate during the suspended time. All students suspended out of school during a season of activity will be ineligible to participate in practices, performances, competitions, or activities during the period of suspension. In addition, if the student does not miss a game, performance, event or activity during the suspension the student will miss the next scheduled competition, performance, event or activity.

INCARCERATION & LEGAL SANCTION

A student who is charged/cited for serious unlawful activities (felonies) will be suspended indefinitely until such time that the outcome of the case is decided. For the purposes of the Co-curricular handbook a student will be considered 'charged' when law enforcement has made their recommendation to the district/county attorney.

A student who is released from incarceration (under the Huber Law or through an electronic monitoring program or any other legally related program that releases a student from incarceration to attend school) may not participate in co-curricular activities.

When a student is released from his/her incarceration, he/she will not be eligible to participate in co-curricular activity for a full calendar year from the date of their conviction.

A student who is charged/sited for unlawful activities of a less serious nature (misdemeanors) will be, in each individual case, subject to the sanctions stipulated in the 1st violations section of the co-curricular code. (This excludes traffic violations). If a student participates in an educational program with a police liaison officer, the penalty will be reduced according to the 1st violation section of the co-curricular code.

Waunakee Community School District reserves the right to random drug test.

CONDUCT - PUBLIC AND ONLINE REPRESENTATION

The District reminds students that participation in sports/activities covered by this Code is a privilege, not a right. Consequently, the District reserves the right to require compliance with this Code and to expect appropriate behavior on the part of its student-athletes at all times. However, the District recognizes that student-athletes retain certain rights to speech and expression and, accordingly, will interpret and apply this rule so as not to interfere with conduct that is protected by law.

The same rules of appropriate, respectful behavior which apply to Waunakee High School Student-athletes, also applies to online environments such as Twitter, Facebook, YouTube, Instagram, message boards, and any other social media sites. WHS student-athletes are to conduct themselves in a manner that is representative of their pride and respect for themselves, their families, their school, and their community at all times, whether in person or online.

Unacceptable behavior includes, but is not limited to: indecent language, racism, sexism, homophobia, indecent pictures or videos, bullying, trash talking, and criticism of opponents, coaches, teammates, or game officials. Student-athletes who re-post inappropriate material originally written by others are subject to the same consequences as if they had posted it themselves. Student-athletes who fail to meet this expectation and who violate the code of conduct online are subject to the same consequences as if they did them in person.

DRUG TESTS

The Waunakee Community School District has a strong and long-standing commitment to discouraging and preventing the use of illegal drugs and alcohol among its student population. The School District recognizes that the problem of illegal drug and alcohol abuse presents a continuing challenge in its schools and a clear danger to the student population. Students, by virtue of their voluntary decision to pursue co/extracurricular opportunities, and because of their position as leaders and role models in the school community, have a heightened responsibility to be drug and alcohol free. Consistent with these principles and in accordance with the guidance of the United States Supreme Court, it is the policy of the Waunakee Board of Education to help “prevent students involved in co- curricular activities from using drugs, to protect their health and safety, and to provide drug users with assistance programs.” See *Verona School Dist.47 Jv Acton*, 115 S.Ct.2386 (1995). Accordingly, the board directs the District Administrator to implement and conduct a program of random drug testing of student “participants” meaning those involved in co/extracurricular activities.

Guidelines for random drug testing of student “participants” are set forth in administrative rule. More specific procedures, necessary to implement these Guidelines, may be developed by the District Administrator or designee. This Policy and Procedures shall be overseen and implemented by the District Administrator or designee.

Adopted: June 2000 Waunakee Community School District

Random Drug Test Definitions

Student Participant: Any student who is trying out for or participating in any school-sponsored co or extracurricular activity, as outlined in the student handbook.

Alcohol: Any liquor, wine, beer, or other drink containing alcohol.

Drugs: Phencyclidine (PCP), marijuana (THC), cocaine, methamphetamine, morphine, alcohol, nicotine, and anabolic steroids, except when taken pursuant to a legal prescription issued and any other substance determined by the United States Department of Transportation to be a controlled substance.

Positive Results: A test result which indicates the presence of illegal drugs or alcohol.

Administrative Failure: Is a failure to follow the drug testing procedures in an effort to deceive or pass the random drug test. This would include all/any attempts to provide a false sample, assist in providing a false sample, or in any other manner refuse to or not comply with the testing

procedures. An administrative failure will be treated the same as a failed drug test and the appropriate co-curricular penalties will be applied.

ADMINISTRATIVE FAILURE EXAMPLES

- A student who is present at school and has been selected for the random drug test but refuses to provide a sample.
- A student provides a false and/or diluted sample.
- A student requests/attempts to pass off someone else's urine as his/her own.
- A student attempts or provides a clean sample to a student that has not been selected for the random drug test.
-

*This list should not be construed to be a complete list and if events or circumstances indicate that a test has been falsified or that an attempt to falsify a test has occurred. School administration will apply co-curricular penalties in the same manner as a failed test.

CONSENT FORM

Students signing up for co/extracurricular activities shall be given a consent form, the execution of which by the student and, if the student is a minor, his/her parents/guardians, constitutes express permission and agreement that the student will submit to periodic random drug testing. Signing the consent form, and adherence to its conditions thereafter, shall be a condition of participation in the co/extracurricular activity.

RANDOM SELECTION OF STUDENTS FOR DRUG TESTING

Each student participant shall be assigned a number by the District Administrator or his or her designee.

Random draws will be done by the drug screen technician. Random selection of numbers will not occur on the same day each week. A designated number of participants will be determined at the beginning of each quarter.

NOTIFICATIONS OF STUDENTS COLLECTED

Students selected to be tested will be called to the office. If a student participant has not been tested by the end of the test day, the District Administrator or designee will determine if the participant is absent from school. If the absence is due to truancy, the student participant will be ineligible for participation, practice, or competition/performance until the next testing date and then will automatically be tested on that date. If the absence is excused, the student participant will remain eligible for participation, practice, and competition/performance but will automatically

be tested the next date. If a student participant has a second excused absence, he or she will then be declared ineligible until the next test date at which time the student participant will be tested. Ineligibility may be waived upon review by the building and/or district administrator.

TESTING PROCEDURES

A licensed medical facility selected by the District Administrator shall take every reasonable precaution to collect an unadulterated specimen during the collection process and will provide an accurate chain of custody for each and every specimen. Student participants submitting an adulterated specimen will be re-tested, at the expense of the student or his/her parents or legal guardians, in an observed setting.

TESTING NEGATIVE

The medical review officer will contact the District Administrator or designee within two (2) days of the testing date if results are negative. The parents or legal guardians of a student participant who tests negative will be notified by mail within three (3) days of the district's receipt of the information.

TESTING POSITIVE

The medical review officer will contact the District Administrator or designee within four (4) days of the testing date if the results are positive. The parents or legal guardians of a student participant who tests positive will be notified within twenty-four (24) hours of the district's receipt of the information. The student/athlete immediately becomes ineligible for participation in the student activity.

RE-TESTING

The student participant will have an opportunity within twenty-four (24) hours of the notification of the first positive test results to have the specimen re-tested in the certified facility of the family's choice and at its expense. The District Administrator or his or her designee may consult with medical professionals to evaluate the results of the re-test, taking into consideration any evidence offered by the student. Should the re-test confirm a positive result, and there is not a satisfactory explanation for the positive results, all conditions set forth in Section VIII and XI will apply.

CONSEQUENCES

In the event of a positive test...

First Violation

Restriction from co-curricular participation (competition/performance) for a period of 33.3% of the participating student's co-curricular competitions/performances which the violating student would choose to participate in for one season (fall, winter or spring). If the student is not involved in any co-curricular activities at the time of the violation the penalty will apply to the next season of participation. Note: WIAA regulations require a minimum penalty in the next sport if a student is not involved in a sport at the time of the violation. A student could not serve a penalty in a non-athletic event in the fall and participate in a winter athletic activity without the penalty being imposed in that winter sport.

If a student is found to be in violation of the co-curricular code and agrees to complete an AODA/Tobacco assessment and to follow the assessment recommendations, there shall be a 20% suspension for each co-curricular activity, the next season of participation. If a student fails to complete the assessment or follow the recommendations of the assessment then he/she shall serve the 33.3% suspension as outlined above.

A second confirmed positive test will result in...

Second Violation

Suspension from co-curricular participation (practice and competition) for one full calendar year from the date on which the penalty for the co-curricular code violation was implemented by administrative action.

If a student is found to have violated the co-curricular code a second time and agrees to complete an AODA/Tobacco assessment and to follow through with the assessment recommendations his/her period of suspension will be reduced to 33.3% of each co-curricular activity the student participates in for one calendar year from the date on which the penalty for the co-curricular code violation was implemented by administrative action. If a student fails to complete the AODA/Tobacco assessment or fails to follow the recommendations of the assessment he/she will be suspended from co-curricular participation for one full calendar year from the date the penalty for violation of the co-curricular code is implemented by administrative action.

A third confirmed positive test will result in...

Third Violation

If a student is found to have violated the co-curricular code for a third time, the student will be indefinitely suspended from participation (practice and competition) in co-curricular activities for the duration of their high school career.

(NOTE: Nothing in this policy shall prohibit or limit the application of the District's or the WIAA regular student disciplinary rules and regulations to the student participants. The provisions of this policy are considered an addition to all other rules and regulations governing student conduct and discipline.)

REGAINING ELIGIBILITY

After the conclusion of the period of exclusion from participation in the co/extracurricular activity the student participant will again be eligible to participate. The results of any test administered under the terms of this policy shall be kept confidential and disclosed only to the student, his or her parents or legal guardians, and school officials designated by the District Administrator. The results of the testing shall not be used as a basis for any disciplinary action other than disqualification as provided for in this policy, the District's or the WIAA rules and regulations. The test results will not be part of the student's permanent record but will be kept in a secure file in the Activities Director's Office.

***Effective March 25th, 2016, the Wisconsin Sexual Assault Victim Amnesty Law is applied to Waunakee Co-curricular Code

APPEAL PROCEDURE FOR CODE VIOLATIONS

If a student and/or parent(s) or guardian(s) wishes to appeal a decision regarding a Co-Curricular code violation sanction, the following appeal procedure must be followed. Appeals must be based upon two criteria:

1. The alleged code violation should not have been considered a code violation, and/or the athletic director was incorrect in finding that the student violated the code.
2. After a ruling resulting in a suspension from co-curricular eligibility, the student and/or his/her parent(s) or guardian(s) may formally appeal the decision by submitting an [appeal request form](#) for a hearing with the principal and stating the reasons why they believe a hearing is warranted. This request must be received by the Athletic Director/Administrator within seven school days of the date on the suspension letter.
3. If the student/guardian are dissatisfied with the findings of the hearing, a review by the Superintendent may be requested. The Principal or the Athletic Director must receive such a request within seven days after receipt of the written reply informing the student and guardians of the results of the hearing.

~~3. After the appeal has been received, a hearing date will be set by the Athletic Director/Administrator within seven calendar days of receipt of the appeal letter. First violations may be appealed to the principal with their decision final.~~

¶

~~4. Appeals of second and third violations will be heard by the Principal's Council. Present at the hearing with the council will be the student and his/her parent(s) or guardian(s).~~

¶

~~• The student will be provided with an opportunity to testify and present other evidence on his/her behalf.~~

¶

~~• The Principal's Council members will have an opportunity to question the student before the student and parents/guardians leave the meeting. The council will penalties may not be modified or reduced upon appeal.~~

¶

~~• The decision will be put in writing and mailed to the appealing party (ies) within five school days after the closing of the hearing. The student will remain on suspension during the appeal process.~~

¶

~~The Principal's Council will be selected by the Principal as follows:~~

¶

- ~~Chairperson: Principal or designee (votes only to break a tie)~~¶¶
- ¶¶
- ~~Athletic Director (non-voting)~~¶¶
- ¶¶
- ~~One Guidance Counselor or faculty member~~¶¶
- ¶¶
- ~~Two persons representing advisors/coaches/director (If the student involved is part of the group controlled by the above council member, an alternate will be selected by the Principal)~~¶¶
- ¶¶
- ~~One Student Council member (The President or a designee — must be a junior or senior)~~¶¶
- ¶¶
- ~~Two student representatives involved in co-curricular activities.~~¶¶
- ¶¶
- ~~One parent representative.~~¶¶
- ¶¶
- ~~Three parents will be appointed to serve in this capacity at the beginning of the school year. One parent will be chosen to serve on the Principal's Council when an appeal is heard.~~¶¶

¶¶

~~The purpose of the Principal's Council is to hear and consider all appeals by a suspended participant. Members of the council shall be appointed by the Principal or designee at the beginning of the school year and will serve on the council for one school year. The Principal or designee will appoint alternates for members unable to attend or serve. The council can act when a majority of its members are present.~~¶¶

¶¶

~~If the student and his/her parent(s) or guardian(s) are not satisfied with the council's decision, a second hearing may be requested before the district Superintendent. The Superintendent must receive, in writing, a request for such a hearing within seven calendar days of the date the decision by the council was mailed. The procedures outlined in #3 above, including items (A) through (C) will be applicable relating to the second hearing. This appeal will be heard by two district office administrators appointed by the Superintendent and the Superintendent.~~

This appeal procedure shall be the sole and exclusive means for appealing co-curricular eligibility decisions. (Within the School District). For any appeal, the power of the appeal is to uphold or reverse the decision regarding if a code violation occurred. Penalties for code violations as outlined in the code of conduct cannot be modified or reduced as a result of an appeal.

REQUIREMENTS FOR A VARSITY LETTER

The head coach of each sport determines the requirements for an athletic letter. Requirements are based on a student athlete's value to the team, honors won, time played, and performance, loyalty to the team, dedication and commitment to the goals of the co-curricular program. The student must be in good standing at the end of the season.

Criteria for lettering for music and forensics will be established by the advisors and reviewed with the participants at the start of their activities.

“IN GOOD STANDING AT THE END OF THE SEASON”:

For purposes of the co-curricular code, awarding letters, etc...: The athlete is eligible to participate in the final regular season contest (team or individual) and retains his/her eligibility throughout the state tournament series as long as the team or any team member continues in the series.

LETTER OF INTENT AND SIGNING DAY

The Athletic Department will sponsor signing days for Category A student-athletes that are committing to participate in college athletics. Waunakee's signing ceremonies will be held on the dates that previously were identified by the National Letter of Intent Program and will occur three times per school year. ~~Waunakee's~~ Student-athletes that do not participate on ~~the~~ WCHS sponsored Category A team their senior year ~~that they are signing for~~ will NOT be allowed to participate in the Athletic Department signing ceremony or use school facilities for their signing ceremony.

SPORTSMANSHIP

The Waunakee Community School District believes emphasizing good sportsmanship is one of the most important missions of education for both students and adults. The school district realizes that many people have not had good sportsmanship explained to them. Hopefully the following guidelines will help everyone better understand their responsibilities at any school contest.

The necessity to be well informed is essential. Know the rules and stay apprised of rule changes. If you are uninformed, refrain from expressing your opinions to or about coaches and officials.

Recognize and appreciate skilled performances regardless of officiating. This not only represents good sportsmanship, but reflects a true awareness of the game by recognizing and acknowledging quality.

Opponents are guests and should be treated cordially, provided with the best accommodations possible and with accorded tolerance at all times. Be a positive representative for your community, school, team and family. This fundamental is the Golden Rule in action.

The officials of any contest are impartial arbitrators who are trained and perform to the best of their abilities. They should be shown respect at all times. Mistakes by all those involved in the contest are a part of that contest. We should not rationalize our own poor or unsuccessful performance or behavior by placing responsibility on an official. The rule of Good Sportsmanship is to accept and abide by the decision made. This value is critical for students to learn for later application in life.

The prerequisite to Good Sportsmanship requires one to understand his/her own prejudices that may become a factor in his/her behavior. The true value of interscholastic competition relies upon everyone exhibiting behavior, which is representative of a sound value base. A proper perspective must be maintained if the educational values are to be realized. Your behavior influences others whether you are aware of it or not.

Never allow your ego to interfere with good judgment and your responsibility as an adult or a school representative. Regardless of whether you are an adult, student, player, coach, or official, this value is paramount since it suggests that you care about yourself and how others perceive.

COACH/PARENT COMMUNICATION

COACH TO PARENT

Waunakee coaches should maintain an open line of communication with all parents. Parents should expect coaches to articulate expectations the coach shall have for their child. Times and locations of practices should be given. Requirements for special equipment, shoes, etc. should be explained. Coaches should spell out any policies and procedures athletes are expected to follow during the season beyond those held by the athletic department or school. This especially should include their policy for dealing with missed practices or contests (excused or unexcused), tardiness to practices, and tolerated family obligations.

Coaches should make parents aware of off-season expectations and opportunities.

COACH TO ATHLETE

Athletes should be able to talk with or discuss team issues or personal issues with their coach. Coaches should be open to communicate with athletes about playing time, role on team, or conduct of the team. Coaches should be sure athletes understand team rules and policies and consequences for not following the rules or policies.

Athletes should expect their coaches to be a role model for good sportsmanship, personal conduct, and use of language. Coaches should conduct organized and safe practices.

PARENT TO COACH

Parents should keep coaches abreast of conflicts that may arise during the season concerning missed practices due to illness, injury, family obligations, or any other reason an athlete might not be at a practice or competition. This should be done before practice. Parents should encourage their son/daughter to communicate these things with their coach and continue communications with coaches throughout the school year, not just during the season.

Acceptable parent to coach communication:

- Concerns about athlete's general welfare.
- Concerns about treatment of athlete.
- Request for ideas on how to help the athlete improve skills or performance.
- Concerns about athlete's behavior.

Unacceptable parent to coach communications:

- Discussions with a coach immediately after a contest or practice. Parents should wait 24 hours before contacting the coach.
- Athlete's playing time.

- Team strategy.
- Play calling.
- Other athletes on the team.
- Player/roster spots or positions.

Any unacceptable communication made the same night after a game will not be responded to by the coach or athletic director.

ADDRESSING CONCERNS

If you have a concern with a coach, the following procedure should be followed to address the concern:

1. Have your child schedule a time to sit down and talk to the coach face to face.
2. Schedule a face to face meeting with your child and the coach. If a coach is not available or does not return calls or emails, contact the Athletic Director.
3. Schedule a meeting with the Athletic Director, coach, child and parent. This meeting shall be facilitated by the Athletic Director where both sides shall be allowed to present their side.
4. Schedule meeting with the building principal, Athletic Director, coach, child and parent. The decision of the building principal as a result of this meeting is final.

All students who participate in the various categories of activities or any additions are required to abide by this co-curricular handbook.

GOALS OF PROGRAM

Mere participation in co-curricular programs does not guarantee the following goals will be achieved. Students must participate in a manner so as to make the activity a beneficial influence in their lives. - To encourage all students who participate in co-curricular activities to reach new potential(s).
- To provide a “whole school” interest and activities for which all students may rally around to develop school spirit and commitment.
- To place the unit, team, class, squad, and school above personal desires.

PARTICIPANT RESPONSIBILITIES

Participation in co-curricular activities is a privilege. The opportunity to present oneself to the public, and represent one's family and school should not be taken lightly. EXPECTATIONS

Section 1 – School Behavior

Applies to ALL Categories (A, B, & C)

Student participants are expected to meet the expectations for school behavior described in the student handbook and Board of Education Policies.

- Students suspended out of school during a season or activity will be ineligible to participate in practices, performances, competitions, or activities during the period of Suspension.
- Participants are encouraged to do their best in the classroom, strive to get the highest grades possible, and display a service attitude in their conduct throughout the school and community.
- If a student misbehaves in a class or general school area, the student will make up time at the teachers or principal's convenience (this may be before the school day, during noon, or after school) before they may participate in co-curricular activities. Students failing to make this time up for a staff person will be considered for suspension from co-curricular activities.
- Students removed from a class or general school area for inappropriate behavior the day of an after school event may not be allowed to attend the event depending on the severity of the situation. A student may be denied involvement for serious inappropriate behavior at any time prior to an activity.
- Any student dropped from a co-curricular activity for disciplinary reasons, is ineligible for any sport/activity during the current season, or may be ineligible for the entire school year.
- Any student, who wishes to quit a school activity before the end of the activity season, should, out of courtesy, notify the advisor/coach.

BEHAVIOR AT SCHOOL EVENTS

Attending co-curricular events at the middle or high school is a privilege. Community members, parents/guardians, and students attend co-curricular events for fun and entertainment. Audience members need to be respectful of each other and of the event participants. Abiding by the following rules will help to ensure everyone has a safe, enjoyable time at the event. Appropriate behavior is expected for students and parents in the Waunakee Community Middle School and

High School, and at all locations, our students travel to visit. We expect our middle-level students to set the standard for other grade levels and for visitors by following these guidelines:

- Follow student rules for appropriate behavior.
- Follow all instructions for behavior that are posted or given.
- Be courteous and kind.
- Respect performers and other audience members.
- Respect the property where the event is held.
- Have your picture identification card with you and present it when asked.
- Arrive at the event on time (if you arrive late, do not disrupt when entering).
- If doors are closed to the event, wait until they are opened to enter, or wait until a break in the activities (Intermission, between musical performances).
- Go to your seat when you enter and remain in that seat until intermission.
- Sit only in the area designated for you (e.g., in MS area at HS football games).
- If you are a participant, you will be seated with your group/team prior to your activity. If you remain after your performance has concluded, you will be seated with your group/team.
- Do not leave the activity or event during the action (restroom breaks should be taken before entering or during intermission).
- Never go onto the performing area if you are an audience member (basketball court, stage, orchestra pit, etc.).
- When you leave, do not go into any other areas of the building. Exit directly after the activity/event ends.
- Do not bring food or drinks into the event (unless food is being served as part of the performance).
- Food or drinks should be consumed in the designated areas. If you are a participant in the event, your advisor/coach should accompany you to the designated area. Dispose of all trash in the appropriate places.
- Support the performers in an appropriate way (clapping at concerts at appropriate times, cheering for good athletic performances).
- Do NOT make inappropriate comments or gestures to/about participants or spectators.
- Leave immediately if you are told to do so.
- Respect the supervisors and follow their directions.
- Do not be under the influence, consume or possess tobacco products, alcohol, controlled substances, or substances used to alter an individual's state of mind at school or school events.

GENERAL PUBLIC CONDUCT, SOCIAL MEDIA AND ONLINE REPRESENTATION

The District reminds students that participation in sports/activities covered by this Code is a privilege, not a right. Consequently, the district reserves the right to require compliance with this Code and to expect appropriate behavior on the part of its student-athletes at all times. However, the district recognizes that student-athletes retain certain rights to speech and

expression and, accordingly, will interpret and apply this rule so as not to interfere with conduct that is protected by law.

The same rules of appropriate, respectful behavior which apply to Waunakee Middle School Student-athletes, also apply in online environments such as Twitter, Facebook, YouTube, Instagram, message boards, and any other social media sites. WMS student-athletes are to conduct themselves in a manner that is representative of their pride and respect for themselves, their families, their school, and their community at all times, whether in person or online. Unacceptable behavior includes, but is not limited to: indecent language, racism, sexism, homophobia, indecent pictures or videos, bullying, trash talking, and criticism of opponents, coaches, teammates, or game officials. Student-athletes who re-post inappropriate material originally written by others are subject to the same consequences as if they had posted it themselves. Student-athletes who fail to meet this expectation and who violate the code of conduct in-person or online are subject to the same consequences within the co-curricular handbook and/or the student handbook.

CONSEQUENCES FOR GENERAL PUBLIC CONDUCT AT SCHOOL EVENTS

First Violation:

The student will meet with the appropriate MS/IS Staff: Administration, Counselor, SRO, or another staff member. At that meeting the MS/IS Staff member will inform the student of the consequences for the violation. The range of consequences may include but are not limited to: writing a report, service hours, required meeting with ATODA Prevention Coordinator, and/or suspension from the activity. Before returning to the activity the student, parent or guardian, coach/advisor, & administrator will meet to discuss expectations for the student.

Second Violation:

A student in a Category B or C Activity that receives a 2nd violation will be suspended from that B or C activities until the following school year. Students in a Category A activity will be suspended for a minimum of 1 event. *Students participating in Category A activities found in possession or under the influence of tobacco, alcohol, controlled substances, or substances that cause an altered state will be subject to Section 4 of the Co-curricular Handbook.

EQUIPMENT

Each student is responsible for the proper care of all issued equipment, and for the school and community facilities where they practice/perform. The students and their parents/guardians will be held financially responsible for any lost, misplaced, or damaged items and for supplies or property that has been maliciously damaged.

LOSS OR DAMAGE TO PROPERTY

The District assumes no responsibility for such loss or damage, but will assist students and parents/guardians in recovering lost or damaged property, or the cost of replacement.

RISK AND INJURIES

With the increased demands of co-curricular activities comes an increased risk of injury. Parents are advised of the possibility that a child may suffer severe injury, including permanent paralysis or even death, as a result of participating in co-curricular activities.

INJURIES

1. All injuries must be reported to the advisor/coach/supervisor immediately.
2. Should an injury be discovered after the student has returned home, the advisor/coach/supervisor should be contacted as soon as possible.
3. Parents/guardians are encouraged to report any special medical problems or medical history to the school office and on the CONSENT TO TREATMENT form.

Middle school athletes have limited access to the athletic trainer stationed at the high school.

PARENTS/GUARDIANS - CODE OF ETHICS

I hereby pledge to provide positive support, care, and encouragement for my child participating in co-curricular activities by following this Parents' Code of Ethics:

- I will encourage good sportsmanship by demonstrating positive support for all participants, advisors, directors, coaches and officials at every event.
- I will place the emotional and physical well-being of my child ahead of my personal desire to win.
- I will insist that my child participate in a safe and healthy environment.
- I will require that my child's advisor, director, or coach be trained in the responsibilities of directing a middle level co-curricular activity.
- I will support advisors, directors, coaches, and officials working with my child, in order to encourage a positive and enjoyable experience for all.
- I will demand an environment for my child that is free from drugs, tobacco, and alcohol and will refrain from their use at all co-curricular activities.
- I will remember that the activity is for youth—not adults.
- I will do my very best to make co-curricular activities fun for my child.
- I will ask my child to treat other participants, advisors, directors, coaches, audience members, and officials with respect regardless of race, sex, creed or ability.
- I will help my child enjoy the middle level co-curricular experience by doing whatever I can, such as being a respectful supporter.

PARENTS/GUARDIANS - SUPPORT

TIPS FOR PARENTS, GUARDIANS AND SUPPORTERS OF STUDENT EVENTS

(From the National Alliance for Youth Sports)

- Remember that the performing arena (field, court, and stage) where practices and performances take place like your child's classroom – RESPECT the classroom.
- Make only positive, encouraging comments to the participants and advisors, coaches, Directors.
- Support participants from all schools.
- Remember that making mistakes is part of the learning process – don't criticize mistakes.
- Discuss concerns with the adult in charge, at quiet time, in a quiet place away from the participants, and in particular, away from your child.
- RESPECT the adults in charge (advisors, directors, coaches, officials, judges, referees, etc.).
- Demonstrate interest in your child's chosen activity.
- Learn the expectations and rules related to the activity.
- Focus on FUN and PARTICIPATION, rather than on winning and losing.
- Always ask your child if s/he had FUN! Ask specifically what was fun and what wasn't.
- Always ask your child what s/he learned – about her/his own performance – during the activity.
- CONTROL your emotions. Set a GREAT EXAMPLE for others, particularly your child.
- BE PROUD OF YOUR CHILD AND ALL OF THE STUDENTS INVOLVED!

SPORTSMANSHIP

The Waunakee Community School District believes emphasizing good sportsmanship is one of the most important missions of education for both students and adults. The school district realizes that many people have not had good sportsmanship explained to them. Hopefully the following guidelines will help everyone better understand their responsibilities at any school contest.

The necessity to be well informed is essential. Know the rules and stay apprised of rule changes. If you are uninformed, refrain from expressing your opinions to or about coaches and officials.

Recognize and appreciate skilled performances regardless of officiating. This not only represents good sportsmanship, but reflects a true awareness of the game by recognizing and acknowledging quality.

Opponents are guests and should be treated cordially, provided with the best accommodations possible and with accorded tolerance at all times. Be a positive representative for your community, school, team and family. This fundamental is the Golden Rule in action.

The officials of any contest are impartial arbitrators who are trained and perform to the best of their abilities. They should be shown respect at all times. Mistakes by all those involved in the contest are a part of that contest. We should not rationalize our own poor or unsuccessful performance or behavior by placing responsibility on an official. The rule of Good Sportsmanship is to accept and abide by the decision made. This value is critical for students to learn for later application in life.

The prerequisite to Good Sportsmanship requires one to understand his/her own prejudices that may become a factor in his/her behavior. The true value of interscholastic competition relies upon everyone exhibiting behavior, which is representative of a sound value base. A proper perspective must be maintained if the educational values are to be realized. Your behavior influences others whether you are aware of it or not.

Never allow your ego to interfere with good judgment and your responsibility as an adult or a school representative. Regardless of whether you are an adult, student, player, coach, or official, this value is paramount since it suggests that you care about yourself and how others perceive.

COACH STATEMENTS

WAUNAKEE COACHES' STATEMENT ON OUT OF SEASON CLINICS & COMPETITIONS

A student/athlete's academic performance is our primary concern. We encourage our student/athletes to perform at their highest academic level possible and to be excellent citizens. We encourage our student/athletes to be involved in more than one school sponsored co-curricular program.

We highly discourage a student/athlete's involvement in out of school athletic clubs or organizations while involved in school sports programs. The WIAA has rules limiting the participation of athletes on two teams during the same sport during the school season. A student/athlete is exposed to enough competition and stress in school programs without adding out of school practices and/or competitions which would take away study time and normal eating and sleeping times which are a necessity for competing at the interscholastic level.

Coaches are in agreement that a strength development, flexibility, endurance and agility program is essential for all of our student/athletes and should be available as a year-round program. All students/athletes can benefit from this program and need to feel comfortable and welcome regardless of gender, skill, and ability. WIAA rules allow contact with players during the summer period, provided the program is not limited to students on the basis of a school affiliation, athletic experience, team status, is not required, and is concluded by July 31st. No contact is permitted from July 1 through July 6, per WIAA rules.

We need to consistently support all programs, as we are all Waunakee.

ELIGIBILITY

Academic Eligibility for all Co-Curricular Participants

Incoming freshmen who received a failing grade during the fourth quarter of 8th grade are ineligible for the first three weeks of any fall co-curricular activity.

A student who is carrying six academic subjects may receive an “F” grade and will still be eligible if he/she has a “C” grade to compensate for the failure. However, if a student with six academic subjects receive two or more failures, he/she will be ruled ineligible for competition for the next nine-week grade reporting period.

A student who is declared scholastically ineligible for co-curricular participation may regain probationary eligibility after a period of 15 school days and is doing passing work in all classes. Passing academic achievement will be determined by individual classroom teachers through reports filed with the high school athletic director. The student must have each of his/ her teachers check and sign the form and the student must return the form to the athletic director’s office.

The student may practice during the ineligibility period. Eligibility will be determined by the FIRST and THIRD quarter 9 week progress reports. Semester grades will be used during the SECOND and FOURTH grading periods to determine eligibility. Summer school can be used to make-up eligibility. An Incomplete “I” is considered a failing mark until all work is completed and a grade is issued to replace the “I”.

 - vi. The head coach or a designated coach is responsible to check locker rooms before we leave a visiting school. Do not allow our athletes to leave a mess or personal property. The condition we leave a locker room in will be equal to, or better than how we found it. It's called Warrior Pride.
 - vii. SPORTSMANSHIP IS ESSENTIAL TO THE PRIDE OF OUR TOTAL ATHLETIC PROGRAM. The head coach is responsible for coach and player conduct. Coaches and players must display good sportsmanship

as a participant or as a spectator. Stress this every chance you get. It will rub off. Take every opportunity to reinforce this.

HOME CONTESTS

- A. Arrange with the athletic director for someone to greet the opposing team and officials for your own non-conference invites and/or tournaments. See to it that they get into the proper locker rooms and have everything they need. This is not necessary for any WIAA Tournament Series contests or Badger Conference contests.
- B. For all home varsity contests that require the result to be posted to the WIAA website, the athletic director should be emailed or texted the final score of that night's contest. This includes any multiteam invites.

MEDIA

The head coach of each level is responsible for meeting/talking to the Waunakee Tribune Sports Editor. (tribsports@hgnews.com). The weekly deadline is on Tuesday at 10:00 AM.

ATHLETIC POLICIES

- A. The head coach is in charge of the entire program, including the middle school program.
- B. Winning is not the most important phase of coaching at Waunakee. Athletes should be prepared to win but we are more concerned that students learn about life through athletics and to become good people and citizens. We expect Waunakee athletes to have respect for school, coaches, opponents, team members and themselves. Coaches must show respect for athletes, fellow coaches, officials and themselves.
- C. Profanity is not to be used by athletes or coaches at any time.
- D. If a coach is aware of an athlete that has broken co-curricular code rules, the Athletic Director and Principal must be notified as soon as possible.
- E. Call Coaches and all fellow teachers by their title "Coach" or Mr., Miss, Mrs., or Ms.
- F. Do not air any petty grievances where students or others can overhear you. Talk to the person who can do something about your problem.
- G. Dress-up on days of interscholastic contests by squad members will be up to the discretion of the head coach.
- H. Managers are not to be allowed in the coaches' office. Do not allow any student or athlete to hang around the coaches' office.
- I. No athlete should be allowed in the training room unless a coach or the trainer is present.
- J. The training room is to remain locked unless a coach or trainer is present.
- K. The weight room is off limits for all unless a qualified instructor or coach is present.
- L. In the Badger Conference, visiting teams must supply their own towels. It is important that non-conference teams be made aware of this rule. It is the responsibility of the head coach to ensure all towels taken on any trip are returned.
- M. In the past, some coaches have attended or held team parties at their home or at a player's home. This practice is not permitted by the school and/or athletic department. Coaches' liability is too great in these situations.

- N. Our athletes need and deserve recognition for their efforts. The Waunakee Tribune does employ a full-time sports reporter so each coach is responsible for supplying the newspaper with contest information.
- O. Some athletes have special medical problems and/or medical history. You will receive a copy of the Confidential Medical list from the school nurse. Please review it carefully and make a point with the athletes that you and our trainer need to be made aware of this.
- P. An athlete cannot attend a specialized game, clinic or school unless the program is approved by WIAA Rules. Expenses of any clinic, camp, etc. must be paid by the athletes' family or he/she will be declared ineligible.
- Q. A coach cannot provide transportation for an athlete to any camp, clinic, workshop, etc.
- R. An athlete may participate in only one sport per season.
- S. All summer camp/clinics held here must be discussed with the Athletic Director
- T. SUMMER CAMPS AND CLINICS - Youth camps (8th grade and below) can be run through the school by setting up an activity account through the Athletic Department or your Booster Club. If you do not handle your youth camp through the Athletic Department or Booster Club, you will need to rent the facilities and purchase your own insurance program. High School aged camps can be run through the school. Those camps need to be concluded by July 31st and must comply with contact rules.

Also, resale items should be handled through the school store or booster clubs. Do Not Handle Directly).
- B. Penalties
 - a. Fine of not more than \$200.00 per offense
 - b. Conduct violating #118.12 may also violate #946.13 (Misconduct in Public Office)

ATHLETIC BOOSTER CLUB ORGANIZATIONS

Parent and community support of the Waunakee School District's athletic programs are essential to the success of those programs for the benefit of our student athletes. This support is often provided through the organization of athletic booster clubs. While these organizations can provide much needed support, such support must not compromise the integrity of the School District and its athletic programs. Therefore, coaches must be aware of, and strictly adhere to, the various state laws, WIAA regulations, and District policies governing the relationship between booster clubs and school districts. This section is intended to provide coaches with an overview of their responsibilities in this regard. However, should coaches have questions regarding issues not addressed in this section, those questions should be raised with the District's Athletic Director or other appropriate member of the District's administration.

Coaches shall determine how booster clubs shall best support their athletic program and booster clubs shall not provide support in any form without first consulting with the coach. If a coach becomes aware of an unauthorized activity, form of support, or violation of these rules by any booster club or individual, the coach shall immediately report such to the District's Athletic Director, or other appropriate District Administrator.

Please review the booster club handbook on the district website for complete guidelines related to booster clubs and WCSD.

EMERGENCY PROCEDURES

- A. Set up a plan for an emergency procedure from your area.
- B. Be sure to review plans prior to the start of each season with your assistants, Athletic Trainer, and Team.
- C. Always have a first aid kit and ice on hand near your area.
- D. Know where the nearest AED is located.
- E. Be sure your staff is aware of all emergency procedures.
- F. Be familiar with the After School Event Emergency Plan and any WIAA weather-related policies.

LIGHTNING SAFETY GUIDELINES

The safety of student-athletes, staff, and spectators is our top priority. These guidelines align with NFHS, NCAA, and WIAA Lightning Safety Guidelines to ensure a proactive approach to severe weather risks.

WEATHER MONITORING

- Assign staff to continuously monitor local weather conditions using weather apps, NOAA alerts, and local weather stations before and during practices and contests.
- For home events, coaches and staff are encouraged to sign up for Dane County Emergency Management's emergency alert system. This service provides real-time notifications via text and email about severe weather watches and warnings issued by the National Weather Service, as well as other public safety emergencies. Register at: <https://em.countyofdane.com/emergency-alerts>.

EVACUATION PLAN

- Identify designated safe areas such as schools, gymnasiums, and libraries—substantial buildings with plumbing and wiring.
- Alternate safe locations include fully enclosed metal vehicles or school buses (convertibles or soft-top vehicles are not acceptable).
- Determine the time required to evacuate everyone safely.

CRITERIA FOR SUSPENSION AND RESUMPTION OF PLAY

- Suspend play immediately when thunder is heard or lightning is seen. Seek shelter in a designated safe area.
- **Use the 30-Minute Rule:** Wait at least 30 minutes after the last thunder is heard or lightning is seen before resuming play.
- Each subsequent thunder or lightning occurrence resets the 30-minute clock.
- When available, use lightning detection devices or mobile apps to assist in decision-making. Suspend play if lightning is detected within 10 miles.
- However, hearing thunder or seeing lightning takes precedence over detection tools.

- NCAA Clarification: At night or under certain atmospheric conditions, distant lightning may be visible without thunder. If no thunder is heard and flashes are low on the horizon, it may not pose a threat. Independent verification from detection devices can help confirm safety.

ANNUAL POLICY REVIEW AND TRAINING

- All administrators, coaches, and game personnel must review this procedure annually.
- Train all staff on evacuation procedures and proper response protocols.

INFORMING STUDENT-ATHLETES AND PARENTS

- Inform all student-athletes and parents of the lightning policy at the beginning of each season.

- B. The head coach is reminded that freight cost comes out of his/her budget also. Invoices should arrive shortly after orders are received. They must be checked for accuracy. If the invoice is accurate, sign and date it and turn it into the Athletic Director. If you do not turn in the signed invoice, the order will not be paid. You will become responsible for it.
- C. Items purchased without a purchase order and/or prior approval by the Athletic Director may be the financial responsibility of the coach making the purchase.

Dear Families and Community Members:

We have so much to celebrate in the Wauke Community School District. Our district has **exceeded** or **significantly exceeded expectations** every year since Wisconsin began creating report cards in 2012, helping us become a destination district for families and businesses looking to relocate to the Dane County area.

To keep this momentum going, we need your input as we plan for the future.

- Wauke voters approved a referendum in 2024 to support the retention of our high-quality staff. This funding expires on June 30, 2027.
- Sections of the high school are aging, worn, and are not designed to support modern learning spaces.

The District developed options to address these challenges, but **before we proceed, we want to hear your opinion**. To keep all feedback confidential, survey responses are collected by School Perceptions, an independent education research firm.

TWO WAYS TO TAKE THIS SURVEY

Online: (saves postage expense)
Go to: www.SPFeedback.com
Enter your code: 

Paper: Return to any school office or mail it to School Perceptions, PO Box 607, Slinger, WI 53086.

Our students are amazing people whose talents shine every year in the classroom, on the stage, and in the vast arena of co-curricular opportunities. We would not be where we are without dedicated staff, engaged families, and a supportive community.

Current Challenges

- Property tax increases as a result of no increase in state equalization aid or school property tax levy credits in the 2025-27 state budget

Upcoming Initiatives and Next Steps

- Review results of community survey for November 2026 referendum
- May-July initial drafts of 2026-27 budget
- Middle School Inflation Reduction Act submission
- Closeout of \$175 million November 2022 referendum funds

Waunakee Community High School Field Trip Request

TO: Dr. Monica Kelsey-Brown

FROM: Brian Borowski

DATE: March 26, 2026

RE: Physics Lab Trip to Great America
Ms. Tammy Rademacher, HS Science Instructor
Mr. Andrew Nelson, HS Science Instructor

Ms. Rademacher and Mr. Nelson are again seeking permission to take students from the Physics classes at Waunakee Community High School to Great America Amusement Park in Gurnee, IL, for Physics Day. This year, the Physics Day will be held on **Friday, May 15, 2026**. The purpose of Physics Day is to provide students with an opportunity to conduct experiments developed by physic teachers and engineers that help the students learn about physics by experiencing physics in action. Attached is the request from Ms. Rademacher and Mr. Nelson which provides a general overview of what students who participate in Physics Day will be involved in if this request is approved.

I am respectfully requesting that you review the request from Ms. Rademacher and Mr. Nelson and support this field trip. In previous years, Physics Day field trips to Great America have proven to be very educational for the students that have participated. In addition, the students represented themselves, Waunakee High School, and the Waunakee School district in a positive manner. Therefore, I approve their request to repeat this trip and would ask that you do so as well.

The cost of this trip is approximately \$85.00 per student that includes admission to Great American and bus services. Students needing financial assistance to participate in the trip will be accommodated.

Thank you.

TO: MR. BOROWSKI

FROM: DREW NELSON & TAMMY RADEMACHER

DATE: March 23, 2026

RE: PHYSICS LAB TRIP TO GREAT AMERICA

We would like our students to have the opportunity to go to Great America for Physics Day on Friday, May 15, 2026. We would leave Waunakee High School at 8:00 a.m. and return to Waunakee by approximately 6:30 p.m.

In previous years over 24,000 students had the opportunity to "experience physics" at Great America. As you realize, physics is used everywhere, but, at Great America physics teachers and engineers have developed numerous practical experiments for the students to conduct. The students meet with engineers and experience behind-the-scenes activities that no one else can experience. Our students take lab materials along to conduct experiments on that day--on no other day will the park allow this to be done. Students get very excited about this opportunity. This is physics in action and is a highly motivated activity that ties together many of the areas of their physics learning.

The total cost to students is approximately \$85 depending on the number of students who attend. The price includes the tickets to get into Great America and the per student portion to rent a bus to get there. If some of the students elect NOT to go for various reasons, then they stay in school and watch a video on the "Physics of Roller Coasters" plus complete some activities at a playground area with a swings, merry-go-round, etc.

This is an EXTREMELY EDUCATIONAL EXPERIENCE for our students, not just a fun day for them. There are numerous experiments that students must do while there, other activities on the bus going & coming back, and there are write-ups to be done when students get back to Waunakee High School. If you have any questions please do not hesitate to contact us.
