NOTICE OF PROPOSED AD VALOREM TAX EFFORT

Jackson County School District

The Jackson County School District will hold a public hearing on its proposed school district budget for fiscal year 2021-2022 on June 14, 2021 at 5:00 pm at the Board of Education Building, 4700 Colonel Vickrey Rd., Vancleave, MS. At this meeting, a proposed ad valorem tax effort will be considered.

The Jackson County School District is now operating with projected total budget revenue of \$93,697,218. Of that amount, (29.23% percent) or \$27,390,000 of such revenue is obtained through ad valorem taxes. For next fiscal year, the proposed budget has total projected revenue of \$103,571,614. Of that amount, (27.5% percent) or \$28,485,600 is proposed to be financed through a total ad valorem tax levy.

For the next fiscal year, the proposed increase in ad valorem tax effort by Jackson County School District may result in an increase in the ad valorem tax millage rate. Ad valorem taxes are paid on homes, automobile tags, business fixtures and equipment, and rental real property.

Any citizen of the Jackson County School District is invited to attend this public hearing on the proposed ad valorem tax effort, and will be allowed to speak for a reasonable amount of time and offer tangible evidence before any vote is taken. In the event, access to the building needs to be limited for health reasons, instructions will be posted on the district website on how citizens can participate in the public hearing.

FY21 and FY22 MAEP Full Funding Calculation Information

The FY2022 formula amount for [JACKSON COUNTY \(#3000\)](#) is calculated as follows:

Your ADA of **8,035.74** times a base student cost of **\$5,874.08** equals **\$47,202,580**. The at-risk funding amount is calculated by multiplying the base student cost times five percent, or **\$5,874.08** x .05 = **\$293.70**. This amount times the number of free lunch participants of **8,765** provides your at-risk funding component of **\$2,574,281**. Adding **\$47,202,580** to **\$2,574,281** equals **\$49,776,861**, which is the MAEP formula amount prior to the local contribution reduction. Your FY21 local contribution amount is **\$13,439,752**. Subtracting **\$13,439,752** from **\$49,776,861** equals **\$36,337,109**, which is your district's MAEP full funding amount prior to any increases for the Hold Harmless guarantee. If your district qualified for the Hold Harmless guarantee, then **\$0** is added. *(If the amount shows \$0 then your district does not qualify for the Hold Harmless guarantee).* To arrive at the final MAEP formula amount, add **\$36,337,109** plus **\$0** for a total full funding amount of **\$36,337,109**.

The FY2022 full funding amount for MAEP add-on programs for your district is **\$8,681,148**. The teacher units that were used to calculate the Special Education program, the Gifted Education program, and the Career and Technical Education program have been provided. The teacher units are provided by the program office, so any questions concerning those units should be directed to the appropriate office. The per pupil amount used to calculate the Alternative Education program has also been provided for your information.

Adding the base formula allocation of **\$36,337,109** to the add-on allocation of **\$8,681,148** equals **\$45,018,257**, which is the total FY2022 MAEP allocation for your district at full funding. The FY2022 MAEP allocation includes a funding adjustment to align your full funding with your FY20 ADA. The total FY2022 MAEP allocation of **\$45,018,257** plus the FY20 ADA Funding Adjustment of **\$2,525,560** equals **\$47,543,817**, the Final FY22 Total MAEP full funding. Once the Legislature provides funding, allocation information will be sent to the district.

Special Note: Charter school funding is specified by statute. This could mean that some of the components of this chart are not shown or are shown as zero. Please contact our office with any questions.

Turnitin® Feedback Studio (“Turnitin”), including its associated components, is a single-source product developed and sold by Turnitin, LLC, based in Oakland, CA. Our product is a unique service that is not offered by any other vendor or reseller in a similar format. The product may be procured only from Turnitin, LLC, at the address listed below. Turnitin is an item for which competition is precluded due to patent (SYSTEMS AND METHODS FOR FACILITATING ORIGINALITY ANALYSIS - USPTO 8,296,661).

The Turnitin service provides an academic integrity tool that allows institutions to easily determine if students are writing and submitting original work. Utilizing our unique technology, Turnitin searches the Internet, as well as our proprietary databases of papers and digital texts for sources of potential plagiarism. The service then generates a custom Similarity Report that highlights and provides links to any textual matches found on the Internet, in our database of previously submitted papers, and/or in the proprietary databases of subscription-based publication material from content aggregators with whom we have partnered.

To find potential plagiarism, Turnitin has developed its own search technology (in use for over 15 years). Turnitin’s proprietary crawler is different than many other solutions that rely on search engines such as Yahoo or Bing’s Search API but cannot scale because of cost or request limitations. Our crawler has been built from the start to be horizontally scalable, smart about recrawling, lean on storage, and flexible about what can be done with data. Some of the key features you can expect from our crawler:

- Broad, scalable, focused crawl of the web.
- Prioritized (re)crawl, and how often.
- Persistent, query-friendly store of the crawl frontier allowing for useful, rapid reporting.
- Smart crawling that will avoid junk (ex. crawler traps).
- Crawling non-HTML file types.
- Support for selectively crawling JavaScript-based sites.

Turnitin’s patented and proprietary technology compares submitted papers to:

- A database of more than 70 billion current and archived web pages.
- A database of previously submitted student papers—more than 1.2 billion submissions (as of January 2021)
- A database of subscription-based electronically published content that covers mainstream to specialized sources on virtually every popular, business and professional topics including:
 - CrossRef, which includes more than 47,000 journals and over 74 million articles and documents from publishers including: Wiley-Blackwell, Elsevier, American Institute of Physics, IEEE, Cambridge University Press, Taylor and Francis, Springer Nature, Emerald, British Medical Journal and the New England Journal of Medicine.
 - 200,000 law reviews from U.S. law schools
 - Over 95% of the top 10,000 cited journals in the world (according to SCOPUS data)
 - A database of 70 billion+ pages of continuously-updated content from the publicly accessible Internet
 - Ever growing collection of ProQuest Dissertations and Theses
 - An archived copy of past web pages no longer available on the Internet.

Turnitin generates a Similarity Report that includes multiple views and features:

- Reports are available within minutes after submission (usually far less than two minutes).
- Direct-source comparisons of matched words to matched documents (highlighted with or without color coding) numbered and aligned side-by-side.
- Pattern-recognition matching of both word-for-word and paraphrased text.
- Ability to exclude matching material within quotes, within the bibliography, or any individual source.
- Ability to view all underlying matched words that have been obscured by overlapping matches

- Accepted submission formats that generate a Similarity Report include: Microsoft Word®, Microsoft PowerPoint®, WordPerfect®, OpenOffice, Rich Text Format (RTF), HTML, Text, Postscript, PDF, Hangul, Excel, and Google Docs. Turnitin Feedback Studio can accept any file type as an assignment submission.
- Option to refresh a Similarity Report to include matches to any updated content in the database.
- Automatic exclusion of submissions by the same author to the same assignment.
- Ability to translate content from non-English languages into English in order to compare to our English language database. Languages include Albanian, Arabic, Bulgarian, Chinese (simplified), Chinese (traditional), Croatian, Czech, Danish, Dutch, Estonian, Farsi, Finnish, French, German, Greek, Hausa, Hebrew, Hungarian, Indonesian, Italian, Japanese, Korean, Latvian, Lithuanian, Malay, Maltese, Norwegian Bokmal, Norwegian Nyorsk, Persian, Polish, Portuguese, Romanian, Russian, Serbian, Slovak, Slovenian, Somali, Spanish, Turkish, , Swahili, Swedish, Thai, Turkish, Ukrainian, and Urdu.

Turnitin algorithms can determine when students have deliberately manipulated text in order to bypass integrity checks. If we notice something strange, we flag it for review in the Flags insight panel. Integrity insights in the Flags panel include:

- Replaced Characters identify when a letter is replaced with a symbol or letter from another alphabet that looks like the letter it is replacing.
- Hidden Characters identify characters that are in the same color as the background (e.g., white font on a white background) or characters in very small font sizes that can't be seen with the naked eye.

The complete Turnitin solution also includes paperless online grading tools and PeerMark® online peer reviewing tools:

- Turnitin's online grading is a time-saving, paperless alternative to traditional pen and paper grading, making it easy for instructors to give students the valuable, time-sensitive feedback that is so essential for building quality writing skills. Key components include: pre-loaded and customizable marks and comments; voice comments; customizable and shareable rubrics; the ability to associate on-paper comments with rubric criterion, automatic checking of grammar, spelling, mechanics, usage and style using ETS® e-rater® technology.
- PeerMark online peer reviewing gives instructors the ability to create peer review assignments that students use to evaluate and learn from one another's work. Key components include: automatic paper distribution and the option to allow for anonymous reviews.

Turnitin is accessible via a web-based interface and is hosted in Turnitin's secure data centers.

Turnitin builds in-house integrations using LTI (Learning Tools Interoperability) in order to integrate into most standard course management or learning management systems (LMS) for an optimized experience using Turnitin solutions and an LMS. LMSs we integrate with include Blackboard, Moodle, Canvas, Brightspace (formerly "Desire2Learn"), Sakai, and more. These integrations make Turnitin seem like a natural extension of the web application an institution already has in place.

Annual subscription fees include unlimited access to free videos and documentation for educators and students to learn how to use Turnitin. MASTER REGISTRATION AGREEMENT

This **Master Registration Agreement** (“Agreement”) is made as of the date of last signature below (the “Effective Date”), by and between **TURNITIN, LLC**, a California limited liability company (“Turnitin”) and **JACKSON COUNTY SCHOOL DISTRICT** (“Institution” or “Jackson County School District”).

In the event of any inconsistency, ambiguity or conflict between the terms and conditions of the Master Registration Agreement (including the applicable Order (as defined below), and the terms and conditions of Exhibit B, Jackson County School District Standard Contract Addendum, the terms and conditions of the Master Registration Agreement (including the applicable Order) shall govern.

Note: This Agreement covers all Services (defined below) offered by Turnitin. Accordingly, based on the Services ordered by Institution, please be advised that not all of these provisions will apply to you, as customer. This Agreement is made in English. If there is any conflict in meaning between this Agreement and any translation, whether provided by Turnitin or by the Institution, the English version shall prevail.

1. OVERVIEW. Turnitin has developed and operates a variety of unique services that assist with institutions’ assessment with integrity, including some that allow educational institutions to check work for possible textual matches against Internet-available resources and Turnitin’s own proprietary database. Institution desires to protect and promote academic integrity and wishes to subscribe to certain of the services as tools to help in detecting and preventing plagiarism.

2. SERVICES LICENSE GRANT. As used in this Agreement, the term “Services” refers to those Turnitin services purchased by Institution from time-to-time pursuant to an Order (defined below). During the Term, as defined in section 11(a) below, and subject to Institution’s compliance with the terms and conditions of this Agreement, Turnitin hereby grants to Institution a non-transferable, non-assignable, non-sublicensable, revocable and non-exclusive license to permit its educators, administrators and other users employed by the Institution (“Instructors”) and students currently enrolled in the Institution (“Students”) to use the following Services solely for its own internal purposes and as contemplated under this Agreement. Nothing hereunder shall be considered as “goods” or “work product”.

- a. With respect to the Turnitin Feedback Studio, Turnitin Similarity, SimCheck and Turnitin Feedback Studio with Originality services and their components, this license shall extend to Instructors, but only for their use in classes offered through Institution.
- b. With respect to the iThenticate service, this license shall extend to Instructors, but only for faculty research (i.e., grant proposals, general research, and supplemental course materials) produced in connection with Institution. Institution shall be responsible for ensuring their Instructors comply with the terms of this Agreement.
- c. With respect to the Gradescope service, this license shall extend to the right to use, reproduce, distribute, publicly perform, and display the Gradescope service as set forth herein, and in the Order.

No other license is granted by implication, estoppel or otherwise. Institution shall be responsible for ensuring their Instructors and Students comply with the terms of this Agreement.

3. USE OF SERVICES – IN GENERAL. With respect to use of the Services, Turnitin shall not be responsible for internet and/or telecommunications connectivity needed to access the Services, and Institution shall, and shall ensure its Instructors and Students:

- a. use the Services for Institution’s internal purposes only;
- b. not reverse engineer, decompile, disassemble, modify or create works derivative of the Services;
- c. not assign, sublicense, rent, timeshare, loan, lease or otherwise transfer the Services, or directly or indirectly permit any third party to use or copy the Services. Institution will keep any passwords associated with the use of the Services in strict confidence, and will not share such passwords with any third party. Institution will be solely responsible for all use of the Services made with Institution’s passwords, if any;
- d. use the Services solely in accordance with Turnitin’s then current documentation;
- e. not remove any proprietary notices (e.g., copyright and trademark notices) from either the Services or any documentation, content, or reports provided by Turnitin;
- f. ensure its use of the Services complies with applicable local, state, and federal laws; and
- g. abide by the Turnitin Policies (Privacy Policy, Acceptable Use Policy, EULA, and the applicable Terms of Use) provided on the Turnitin website, incorporated herein by this reference, as may be revised by Turnitin from time-to-time. Any such revisions to the Policies will be posted on the Turnitin website. Turnitin will make commercially reasonable efforts to notify Institution in writing of any material revisions, and in the event that Institution does not agree to the revised policy, Institution may terminate this Agreement by giving thirty (30) days written notice, and Turnitin shall pay to Institution the pro-rated amount of any prepaid annual subscription fees, calculated from the date of such termination. Continued use of the Services shall constitute Institution’s acceptance of revisions to the Policies. In the event of a conflict between this Agreement and the Turnitin Policies, the terms of this Agreement shall prevail.
- h. not (i) use the Services to store or transmit infringing, libelous, or otherwise unlawful or tortious material, or to store or transmit material in violation of third-party privacy rights, nor (ii) use the Services to store or transmit malicious code, (iii) interfere with or disrupt the integrity or performance of the Services, or third-party data contained therein, or (iv) attempt to gain unauthorized access to the Services or its related systems or networks.

4. USE OF SERVICES - PER SERVICE

a. Use of the Turnitin Feedback Studio services or its components (including Originality Check), or Turnitin Similarity or SimCheck or Originality. With respect to use of the Turnitin Feedback Studio Service, Institution shall:

- i. not make statements to Students that Institution is using the Service in a given class when such class is not registered (Note: even within a particular class using the Service, for purposes of fairness and equal application, Turnitin strongly recommends requiring Student submission of all papers rather than submission by Instructors only of papers singled out by Instructor);
 - ii. consider Turnitin's strong recommendation that the course syllabus of each course making use of the Service carry a notice substantially similar to the effect of the following: "Students agree that by taking this course all required papers may be subject to submission for textual similarity review to Turnitin.com for the detection of plagiarism. All submitted papers will be included as source documents in the Turnitin.com reference database solely for the purpose of detecting plagiarism of such papers. Use of the Turnitin.com service is subject to the Usage Policy posted on the Turnitin.com site." If use of the Service is instituted after distribution of the syllabus, then Institution shall consider Turnitin's strong recommendation that equivalent written notice is provided by the Instructor to the Students; and,
 - iii. consider Turnitin's strong recommendation that students enrolling at Institution receive clear notice similar to paragraph 3(e) above in their student handbook or comparable communication at the time of enrollment.
- b. **Use of the iThenticate service.** With respect to use of the iThenticate Service, the license granted in this Agreement is restricted as follows:
- i. if the Institution becomes known as a service through which Students, researchers or other individuals can obtain papers or portions of papers for submission as their own original work (e.g., becomes or partners with a "paper or essay mill" -- a ghostwriting service that sells essays, papers, and other homework writing), the parties agree to meet and confer in good faith to address the issue. If the parties are unable to resolve the issue within thirty days, Turnitin may terminate this Agreement at its discretion without further obligation.
- c. **Use of the Gradescope service.** With respect to use of the Gradescope Service, Institution shall:
- i. grant Turnitin the irrevocable, perpetual, worldwide, sublicensable, transferrable, right to use institutional data submitted through Gradescope solely on an aggregated and anonymized basis ("Aggregated Data") and in compliance with applicable law.

5. SUSPENSION OF ACCESS. Turnitin may, in its sole discretion, suspend Institution's or any of its Instructors' or Students' access to the Services in order to (i) prevent damage to, or degradation of, the Services; (ii) comply with any law, regulation, court order, or other governmental request; (iii) otherwise protect Turnitin from potential legal liability; or (iv) address a breach of any policy or this Agreement. Turnitin shall use reasonable efforts to provide Institution with notice prior to or promptly following any suspension of the Services. Turnitin shall restore access to the Services as soon as the event giving rise to suspension has been resolved.

6. REPORTS AND SOURCE DATABASE. With respect to Services that include reports evaluating textual sources and the database of source documents ("Source Database"), Institution agrees:

- a. to maintain any Turnitin notices (including legal notices relating to Turnitin's proprietary rights (e.g., copyright and trademark notices) and disclaimer) on the reports;
- b. to exercise its independent professional judgment in, and to assume sole and exclusive responsibility for, determining the actual existence of plagiarism in a submitted paper under the acknowledgement and understanding that the reports are only tools for detecting textual similarities between compared works and do not determine conclusively the existence of plagiarism;
- c. that any disclosure of a report to any third party is at the Institution's own risk; and,
- d. that for papers stored in the Source Database, it instructs Turnitin to retain such papers for the purpose of using such papers as source material to detect unoriginal text in other papers in the future, including after the Term, unless Institution's Turnitin Administrator instructs Turnitin to delete such papers.

7. TURNITIN OBLIGATIONS. Turnitin agrees to:

- a. use reasonable efforts to protect the security of accounts, passwords and the Source Database;
- b. comply with the then current Policies posted on the Turnitin site, incorporated herein by reference;
- c. with respect to the Turnitin Feedback Studio, Turnitin Similarity, SimCheck and Turnitin Feedback Studio with Originality services and their components, enable Instructors to create Instructor accounts and, enable Students to create Student accounts in the Service; and,
- d. use reasonable efforts to make reports available online for a period of one hundred and eighty (180) days after the set archive date for a class, with subsequent access, as available, to be provided via request to www.turnitin.com/help.

8. OWNERSHIP.

- a. **Student ownership:** As between the parties, Students retain all copyright and ownership rights in their submitted papers, subject to Turnitin use rights provided in this Agreement.
- b. **Turnitin ownership:** Turnitin owns all rights in and to the Services including any and all copyrights, patent rights, trade secrets, trademarks, service marks, trade names and other statutory or common law intellectual property or other proprietary rights related to the Services. Turnitin also owns including reports and all materials created by the Services, including the format of reports, (excluding any Institution or student personal information as defined under applicable laws), and all intellectual property rights related thereto. With the exception of the limited license granted in Section 2, nothing contained herein shall be construed as granting Institution, Instructors, or Students any right, title, or interest in Turnitin's intellectual property or proprietary information. All rights in such items are expressly reserved to Turnitin.
- c. **FERPA.** Institution designates Turnitin a "school official" within the meaning of FERPA 34 CFR Section 99.31. Turnitin will remain under the direction of Institution with respect to the use and maintenance of personally identifiable information and education records, as those terms are defined in FERPA 34 CFR Section 99.3, and Turnitin may use personally identifiable information and education records only as set forth under the Agreement and in compliance with applicable law.

9. ORDER; PRICING AND PAYMENT. Institution may order the Service under the terms and conditions of this Agreement via the following methods: 1) an Institution-issued Purchase Order; 2) an Institution-executed quote; 3) a fully executed Turnitin Service Pricing Agreement ("SPA"); 4) a properly completed and fully executed Turnitin Registration Agreement that includes substantially the same information as a SPA (each, the "Order"). All Orders are deemed to include the terms and conditions of this Agreement, and all pre-printed clauses on Institution's Purchase Order are deemed deleted. All Orders are valid upon acceptance by Turnitin; Turnitin's acceptance and performance are expressly conditioned on the terms and conditions of this Agreement. Pricing shall be per the applicable Order, and shall also include the maximum usage of the Service permitted to Institution and Institution agrees not to exceed such usage without purchasing additional Services. Unless prescribed otherwise within an accepted Order, all payments are due net thirty (30) days from the date of invoice. Payments are deemed late thereafter and shall accrue interest at the lesser of 1.5% per month or the maximum rate and net period allowable by Mississippi state law.

10. SUPPORT. Turnitin shall provide reasonable email and phone support to Institution via Institution's sole appointed primary account administrator during Turnitin's normal support hours.

11. TERM AND TERMINATION.

- a. **Term.** The term ("Term") of the Services under this Agreement shall be defined in the applicable Order. Thereafter, the Agreement may be renewed on the mutual agreement of the parties for additional renewal Terms. Prior to expiration of a pending Term, Institution's Administrator will be presented with reminders when logging onto the Services regarding the need for renewal. The pricing for such renewal, and any new terms and conditions applicable to the renewal Term will be subject to the mutual agreement of the parties.
- b. **Termination for Breach.** In the event of a material breach of this Agreement, the non-breaching party may provide the other party written notice of such breach and such other party shall have a period of thirty (30) days in which to cure the breach, except in the case of a payment breach, in which case the cure period shall be five (5) business days. In the event the breaching party fails to cure the breach within the cure period, in addition to whatever other remedies may be available at law or equity, the non-breaching party shall have the right to terminate this Agreement upon providing the other party written notice of termination.
- c. **Effects of Termination; No Refunds.** Except as provided under Section 3 (g); Section 12 Availability; or Section 18 Accessibility, in no termination event shall Institution be owed a refund of prepaid Fees.
- d. **Survival.** Sections 5(a)(i), 5(d)(iv), 6, 7(d) and (e), 8, 11-13, 14(b)-(e), 15, and 16 shall survive any expiration or termination of this Agreement, regardless of the reason for such termination, and shall continue in full force and effect thereafter.

12. AVAILABILITY. Turnitin shall use commercially reasonable efforts to make the Services available for access over the Internet at least 99% of the time during each month of the Term, except for scheduled maintenance and repairs, failures related to Institution's systems and Internet access, and any interruption in the Services due to causes beyond the control of Turnitin or that are not reasonably foreseeable by Turnitin, including, without limitation: loss or theft of data; interruption or failure of telecommunication or digital transmission links; Internet slow-downs or failure; failures or default of third party software, vendors, or products; and communications, network/internet connection, or utility interruption or failure. In the event Turnitin fails to achieve the foregoing availability requirement, Turnitin shall use commercially reasonable efforts to correct such loss or interruption as quickly as practicable. In the event Turnitin fails to achieve the foregoing availability requirement for three (3) consecutive months during the Term, then Institution may terminate this Agreement with thirty (30) days' written notice to Turnitin, and Institution shall be owed a refund of prepaid fees, prorated to the date of such termination.

13. CONFIDENTIALITY. To the extent Institution submits confidential information to the Service(s) ("Institution Confidential Information"), Turnitin may not use the Institution Confidential Information other than as permitted by license grant to perform the Services. Further, Turnitin agrees not to disclose the Institution Confidential Information to any other party except as necessary to provide the Services.

14. WARRANTY AND DISCLAIMER; LIMITATION OF LIABILITY AND LIABILITY CAP.

- a. **Warranty.** Turnitin warrants that to the best of its knowledge, the Service (excluding any Institution, Instructor, Student, or other third-party content) does not infringe the intellectual property rights of any third party. During the Term, Turnitin warrants that it shall use reasonable efforts to provide the Service and support as set forth herein and as described on Turnitin's site and published documentation. Notwithstanding the foregoing, Institution acknowledges that the Services are limited in scope by a finite database of material with which to compare a submitted work, a search process that might not have indexed the material that was used to create the submitted work, and non-access to certain proprietary databases of written work. Institution also acknowledges that reports indicate the possibility of textual matches only and that the actual determination of plagiarism is a matter subject to the professional judgment of Institution acting alone.
- b. **Warranty Disclaimer.** EXCEPT AS SET FORTH IN SECTION 14 (a) ABOVE, THE SERVICES (INCLUDING THE REPORTS) ARE PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS. TURNITIN SPECIFICALLY DISCLAIMS ALL WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING BUT NOT LIMITED TO ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, QUIET ENJOYMENT, QUALITY OF INFORMATION, NON-INFRINGEMENT AND TITLE. NO WARRANTY IS MADE THAT THE SERVICE WILL BE TIMELY, SECURE OR ERROR-FREE. IN JURISDICTIONS NOT ALLOWING THE LIMITATION OR EXCLUSION OF CERTAIN WARRANTIES, TURNITIN'S WARRANTY SHALL BE LIMITED TO THE GREATEST EXTENT PERMITTED BY MISSISSIPPI STATE LAW.

THE SERVICES ARE ACCESSED AND USED OVER THE INTERNET. INSTITUTION ACKNOWLEDGES AND AGREES THAT TURNITIN DOES NOT OPERATE OR CONTROL THE INTERNET AND THAT: (I) VIRUSES, WORMS, TROJAN HORSES, OR OTHER UNDESIRABLE DATA OR SOFTWARE; OR (II) UNAUTHORIZED USERS (e.g., HACKERS) MAY ATTEMPT TO OBTAIN ACCESS TO AND DAMAGE INSTITUTION'S DATA, COMPUTERS, OR NETWORKS. TURNITIN

SHALL NOT BE RESPONSIBLE FOR SUCH ACTIVITIES.

- c. **Limitation of Liability.** EXCEPT FOR TURNITIN'S WILLFUL MISCONDUCT AND GROSS NEGLIGENCE, OR IN CASE OF BREACH OF SECTION 13, OR TURNITIN'S OBLIGATION TO INDEMNIFY INSTITUTION UNDER SECTION 15(b) HEREUNDER, AND REGARDLESS OF THE TYPE OF CLAIM OR THE NATURE OF THE CAUSE OF ACTION, TO THE EXTENT ALLOWED BY MISSISSIPPI STATE LAW, INSTITUTION AGREES THAT IN NO EVENT WILL TURNITIN OR ITS AFFILIATES, OFFICERS, EMPLOYEES, AGENTS OR LICENSORS, BE LIABLE FOR: (I) ANY DECISION MADE OR ACTION TAKEN OR NOT TAKEN IN RELIANCE UPON THE INFORMATION PROVIDED THROUGH THE SERVICES; (II) FOR ANY LIABILITY ARISING FROM INSTITUTION'S DISCLOSURE OF A REPORT TO ANY THIRD PARTY, OR (III) FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY OR PUNITIVE DAMAGES, INCLUDING BUT NOT LIMITED TO LOSS OF REVENUES OR LOSS OF PROFITS, EVEN IF TURNITIN HAS BEEN ADVISED AS TO THE POSSIBILITY OF SUCH DAMAGES.
- d. **Liability Cap.** EXCEPT FOR TURNITIN'S WILLFUL MISCONDUCT AND GROSS NEGLIGENCE, OR IN CASE OF BREACH OF SECTION 13, OR TURNITIN'S OBLIGATION TO INDEMNIFY INSTITUTION UNDER SECTION 15(b) HEREUNDER, AND TO THE EXTENT ALLOWED BY MISSISSIPPI STATE LAW, TURNITIN AND ITS AFFILIATES, OFFICERS, EMPLOYEES, AGENTS OR LICENSORS' TOTAL CUMULATIVE LIABILITY ARISING UNDER OR RELATED TO THIS AGREEMENT AND THE SERVICES, WHETHER IN CONTRACT, TORT OR OTHERWISE, WILL NOT EXCEED THE GREATER OF THE AMOUNTS PAID TO TURNITIN BY INSTITUTION UNDER THIS AGREEMENT DURING THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO THE LIABILITY, OR \$25,000. SOME JURISDICTIONS DO NOT ALLOW THE LIMITATION OR EXCLUSION OF LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES; IN THOSE JURISDICTIONS TURNITIN'S LIABILITY UNDER THIS AGREEMENT SHALL BE LIMITED TO THE GREATEST EXTENT PERMITTED BY LAW. THE LIMITATION OF LIABILITY AND LIABILITY CAP SHALL APPLY EVEN IF THE EXPRESS WARRANTIES SET FORTH ABOVE FAIL THEIR ESSENTIAL PURPOSE.
- e. **Third-Party Products.** In connection with the Service, Turnitin may make available to User or Institution or may separately license certain third-party products (collectively, the "Third-Party Products"). Except as otherwise provided in the third-party licensor's license agreement, if any, accompanying the Third-Party Products, Institution shall have a limited, non-transferable (except to a successor entity), non-exclusive license to use the Third-Party Products solely in connection with the Services. EXCEPT AS OTHERWISE PROVIDED IN THE THIRD-PARTY LICENSOR'S LICENSE AGREEMENT, IF ANY, ACCOMPANYING THE THIRD-PARTY PRODUCTS, THE THIRD-PARTY PRODUCTS ARE PROVIDED "AS-IS," WITHOUT WARRANTIES OF ANY KIND AND TURNITIN AND THE THIRD-PARTY LICENSOR DISCLAIM ALL WARRANTIES WITH RESPECT TO THE THIRD-PARTY PRODUCTS, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF NON-INFRINGEMENT, TITLE, MERCHANTABILITY, AND FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT WILL TURNITIN OR ANY THIRD-PARTY LICENSOR BE LIABLE TO INSTITUTION, THE INSTRUCTORS, STUDENTS, OR ANY THIRD-PARTY FOR ANY DIRECT, INDIRECT, PUNITIVE, EXEMPLARY, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE THIRD-PARTY PRODUCTS, EVEN IF THEY HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR LOSSES.

15. INDEMNIFICATION.

- a. **Indemnification by Institution.** TO THE EXTENT ALLOWED BY MISSISSIPPI STATE LAW, Institution shall indemnify, defend and hold harmless Turnitin, and its affiliates, officers, directors, employees, agents, and licensors ("Indemnified Parties") from any and all losses, judgments, deficiencies, damages, liabilities, costs, and expenses (including but not limited to reasonable attorneys' fees and all related costs and expenses) ("Losses") incurred by Turnitin's Indemnified Parties as a result of any claim, lawsuit, demand, cause of action, or proceeding brought by a third party relating to or arising from: (a) Institution's, an Instructor or Student's breach of its restrictions or obligations under this Agreement; or, (b) Institution's decision not to follow Turnitin's strong recommendations set forth in Section 4(a)(i), (ii), and (iii). To qualify for the foregoing indemnity obligation, the Turnitin Indemnified Parties must: (i) give Institution prompt written notice of any claim; and (ii) allow Institution to control, and fully cooperate with Institution in, the defense and all related negotiations.
- b. **Indemnification by Turnitin.** TO THE EXTENT ALLOWED BY MISSISSIPPI STATE LAW, Turnitin shall indemnify, defend, and hold harmless Institution and its Indemnified Parties from Losses incurred by Institution's Indemnified Parties as a result of any claim lawsuit, demand, cause of action, or proceeding brought by a third party that (i) Institution's licensed use of the Service, as permitted hereunder, infringes the U.S. patent or copyrights of that third party, or; (ii) Turnitin has violated any state or federal privacy law relating to information provided by Institution hereunder. To qualify for such defense and payment, Institution must: (i) give Turnitin prompt written notice of a claim; and (ii) allow Turnitin to control, and fully cooperate with Turnitin in, the defense and all related negotiations. Turnitin shall have no obligation to indemnify Institution under this Section to the extent the infringement claim arises from (i) any content or other intellectual property provided by Institution or any other third party, including third party content contained in the Source Database; (ii) Institution's failure to use the Services in accordance with this Agreement; or (iii) any matter for which Institution is obligated to indemnify Turnitin hereunder.

16. GOVERNING LAW AND DISPUTE RESOLUTION. This Agreement shall be governed by the laws of the United States of America and the State of Mississippi ("Applicable State") excluding its conflict of laws rules. The parties hereby consent to the exclusive personal jurisdiction of and venue in the federal or state courts of the State of Mississippi located in Jackson County, Mississippi. To the extent Institution is a political subdivision of the Applicable State set forth above, Institution acknowledges that it is entering this Agreement, including the provisions thereof, only to the extent authorized by that Applicable State law, including the opinions of the Applicable State's Attorney General. Any provision of this Agreement that is not authorized by or is inconsistent with Applicable State law, including the opinions of the state's Attorney General, is invalid.

17. INSURANCE. Turnitin represents that its current Commercial General Liability and Cyber Liability insurance limits are as presented in any Certificates of Insurance (evidence of coverage only) (“Turnitin COIs”) provided, and that the limits therein shall not materially decrease during the Term. During the Term and on written request from Institution, Turnitin will provide Institution with the then-current Turnitin COIs.

18. ACCESSIBILITY. Services provided to Institution are in substantial conformance with Web Content Accessibility Guidelines 2.0, Level AA. Areas of non-conformance, and Voluntary Product Accessibility Templates, are available on the Turnitin website. In the event of a complaint over the accessibility of its Services by a Student user of the Services, Turnitin shall use commercially reasonable efforts to resolve such complaint at no additional cost to Institution. If Turnitin is unable to provide such resolution, Institution's sole remedy and Turnitin's sole liability shall be for Institution to terminate this Agreement by thirty (30) days' written notice to Turnitin, in which case Institution shall be owed a refund of prepaid Fees, prorated to the date of such termination.

19. OTHER PROVISIONS. This Agreement together with the Order and Policies constitute the entire agreement and understanding between the parties with respect to the subject matter hereof and supersedes and replaces any and all prior or contemporaneous written or oral agreements. Except as provided herein, all amendments or modifications to this Agreement must be agreed by an authorized signatory of each party. A party's failure to insist upon or enforce strict performance of any provision of this Agreement shall not be construed as a waiver of any provision or right. If any provision of this Agreement is held to be invalid or unenforceable, such determination shall not affect the balance of the Agreement, which shall remain in full force and effect and the offending provision shall be modified to the minimum extent required to render the provision enforceable. Institution may not assign or transfer this Agreement. Turnitin may assign this Agreement in the event of acquisition, merger, corporate reorganization or similar change of control event. Turnitin may use and reference Institution's name as a subscriber to the Services in connection with truthful advertising or promotion of the Service. There are no third-party beneficiaries of this Agreement.

RE: Move to MSBA O-Policy Format

DATE: April 27, 2021

In an attempt to revive the transition of the school districts policies into the MSBA O-Policy format and platform, I would like to request permission to place a resolution on the board agenda to make the MSBA O-Policy website available for public view. All of the districts existing policies have been moved onto the O-Policy platform, the final step in this transition is to make it accessible. A couple of key notes regarding this transition:

- 149 out of 151 school districts in the State currently use O-Policy.
- The O-Policy platform is more than just a website, it serves as a clearinghouse of MSBA sample policies, and policies that have been adopted by other MS school districts allowing JCSD access to all of these resources on one website.
- O-Policy allows for online editing so that employees and board members (who have appropriate access) can see which policies are being updated, under review, pending board approval, or are board approved.
- Per MSBA, no board action is required to transfer the policies to O-Policy because we are not amending, editing, or changing the policies.
- The language of the policies is NOT changing, only the “look” of the website where they are accessed (see attachments).
- This does not obligate JCSD to adopt any MSBA policies (see red text of MSBA Sample Policy attached).
- All of the existing JCSD policies will be on the MSBA platform except those policies that were found to be in duplicate.

If you have any questions please feel free to contact me.

Matt Walters, Athletic Director

Vanceleave, MS 39565
PH:228-238-3700/ FAX: 228-826-2080

Dr. Strycker and Jackson County School Board of Education,

On behalf of my fellow Jackson County School District Athletic Directors and the Assistant Superintendents of the East Central, St. Martin, and Vanceleave Attendance Centers, I would like to recommend the addition of the following supplements at each Attendance Center:

- Middle School Dance Sponsor (\$1,500): St. Martin Middle School currently fields a Middle School Dance Team.
- eSports Sponsor (\$2,000): St. Martin High School and Vanceleave High School currently field an eSports Team.
- Bass Fishing Sponsor (\$2,000): East Central High School, St. Martin High School, and Vanceleave High School currently field a Bass Fishing Team.
- Wrestling Coach (\$2,000 to start and \$4,000 once a State Championship begins): East Central has not determined at this time if they will begin a program, but St. Martin High School and Vanceleave High School will be fielding a Wrestling Team in the 2021-2022 School Year.

Each of the aforementioned programs represents a Mississippi High School Activities Association activity. In the case of Middle School Dance, eSports, and Bass Fishing, there are currently 6 employees in the Jackson County School District who are volunteering their time to provide participation opportunities for students in our district. We feel that the fact that these are sanctioned activities led by school employees justifies adding these supplements to Policy GGBB.

Wrestling is a sanctioned sport by the MHSAA. Currently, there is no state championship for wrestling. Ocean Springs is the only school on the Mississippi Gulf Coast participating in wrestling. They have to travel to Alabama and Florida to participate. Recently, we were approached by an organization that is making a push to grow wrestling in the State of Mississippi. Jackson County has been a target to start the growth with Pascagoula, Gautier, St. Martin, and Vanceleave agreeing to start programs. East Central is set to meet with the group to discuss their interest as well. When this sport gets off the ground and state championships are added, it would rank as a Tier II sport along the lines of Volleyball and Soccer who have \$4,000 head coaching supplements.

We would like to thank you for your time and consideration of our recommendation and anxiously await your decision.

Sincerely,

A handwritten signature in black ink that reads "Matt Walters". The signature is written in a cursive, flowing style.

Jackson County School Board:

The Mississippi Forestry Commission makes the following recommendation:

Due to unforeseen meteorological issues, portions of the stands to be harvested have remained wet throughout the duration of the timber harvest contract. Due to the ample amount of rain this year, Timberline Trucking has requested an extension to the original timber sale contract, so the roadwork may be completed, in accordance with Mississippi's Best Management Practices. The contract extension will end October 29, 2021
