APPROVED THIS THE _____ DAY OF _____, _____

 PRESIDENT

 SECRETARY

To: JCSD School Board Members
From: Ryan Earley, Business Manager
Date: December 9, 2021
Subject: Emergency Purchase: Sewer Backup at East Central High

Please consider this request to approve the emergency purchase/repairs, per MS Section 31-7-13(k), of the sewage system at East Central High School.

During the afternoon of December 7th, the district lost power and Internet at the central office which disrupted the Internet across the district. With no access to Internet, there was no access to our financial software to generate a PO. David Besancon, Director of Facilities, spoke with me describing the situation and if it would be OK to move forward with the work without a PO. I authorized him to move forward with the repair as an emergency purchase and stated we would seek board ratification at the next board meeting.

Attached is a description of the attempt by maintenance to address the issue prior to engaging an outside contractor. Also attached is the quote/invoice provided by Air Masters.

Thank you for your consideration of this request.

Monday, Dec. 6th the 100 hall and all staff restrooms backed up at East Central high school. Maintenance tried to clean the line out with our sewer machine but could not reach the plug. We then had to make an emergency call to Air Masters Tuesday afternoon to bring their big sewer snake to clean the sewer line so we could have classes the following day.

Thank You,
Duane Jones

Re: Use of NIB to replace two SMMS Hot Water Heaters

Date: 12-13-2021

Ms. Harris noticed that there were issues with the hot water heaters at the St. Martin Middle School. She had Temco evaluate the two units and the suggestion is to replace both units. Both units are 2004 65 gallon natural gas hot water heaters. One unit is cracked and water is continuously being pushed out to the floor drain. It has been unplugged to prevent any further damage and is inoperable as of now. The other unit is in poor shape. Below are pictures of the two hot water units. We are requesting permission to use \$27,501 of NIB to cover the cost of replacing the units and disposing of the old units. Upon the recommendation of Mr. Jones and Temco, the suggestion is that both of these units should be replaced as soon as possible.

Note 1:

Duties for select supplemental positions will be included in the employee's yearly teaching contract. Employee performance in these positions will be evaluated under the terms and conditions of the teaching contract. All other employees, who fill supplemental positions, will be considered "At Will Employees". Positions included in teaching contracts will be: (1) Athletic Director; (2) High School Head Football Coach; (3) High School Offensive Coordinator; (4) High School Defensive Coordinator; (5) High School Band Director; (6)

High School Head Baseball Coach; (7) High School Head Softball Coach; (8) High School Head Boys Basketball Coach; (9) High School Head Girls Basketball Coach.

*Beginning with new employees hired for the 2016-2017 school year and after, all other employees not listed above understand that the coaching position may be contingent upon the employee's teaching position and the teaching position may be contingent upon the employee's coaching position. In the event that an employee is non-renewed, discharged, or released from either the coaching or teaching position, s/he may also be relieved from all positions in the district. If the employee elects to submit a resignation from either his/her teaching position or the new coaching position, the employee be released from both positions.

Note 2:

The Band Director shall be responsible for selecting/hiring Band Technical Assistants to target and improve specific skill sets as determined necessary by the Band Director. Individuals who fill these supplemental positions will be considered "At Will Employees." The number of Band Technical Assistants allocated for each attendance center will be based on the number of band members from the previous year in the following manner:

Number of Band Members	Band Technical Assistants Per Season
Up to 50	2
Up to 75	3
Up to 100	4
100+	5

For this policy the term "Band Member" includes both musicians and color guard members; "Season" is defined as Fall (marching/competition) and Spring (concert/indoor).

An Assistant Band Director at the middle school will be allocated for 150 or more students.

Any supplement that decreases as a result of this policy revision will be frozen at current rate as long as the current coach remains in that position.

EFFECTIVE - July 1, 2018

Athletic Director (AD)

Base Pay \$81,000 (up to 30 years of teaching experience).

Starting at Year 31, the AD will begin receiving the teacher step raise base on Policy GGBC appropriate to certification level. The AD will NOT receive the per diem playoff compensation. The AD will be eligible for district academic performance pay.

NOTE: Any current athletic director adversely effected by this change will be frozen at the higher salary.

Head Football Coach

Base Salary \$75,000 (up to 25 years of teaching experience).

Starting at year 26, the head football coach would begin receiving the teacher step raise based on Policy GGBC appropriate to his certification level.

Additionally, the head football coach will receive the per diem playoff performance compensation.

The head football coach of a 6A team will receive an extra \$1000 due to a longer regular season. The head football coach will be eligible for district academic performance pay.

NOTE: Any current head football coach adversely effected by this change will be frozen at the higher salary.

High School Band Director

The high school band director will receive 15 days per diem of the regular salary compensation. (Summer Programs, Band Camps, etc.).

The high school band director will receive the per diem playoff performance compensation. The high school band director will be eligible for the district academic performance pay.

An Assistant Band Director at the middle school will be allocated for 150 or more students.

Coaches whose teams qualify for the playoffs will be compensated at a per diem rate of their supplement for the number of school/practice/game days they are in the playoffs. ***SEE CHART BELOW**

The per diem amount will be determined by dividing the total amount of the supplement by the number of official days in the regular season (including the first day of practice is allowed) as set forth by the Mississippi High School Activities Association.

PER DIEM SCALE

4A, 5A, Per Diem Football Playoffs

Round 1 x 1 x 6 days

Round 2 x 1.5 x 6 days

Round 3 x 2 x 6 days

Round 4 x 2.5 x 6 days

Round 5 x 3 x 6 days

6A, Per Diem Football Playoffs (6A only has 4 rounds in football and this makes it balance out in the end)

Round 1 x 1.25 x 6 days

Round 2 x 2 x 6 days

Round 3 x 3 x 6 days

Round 4 x 3.75 x 6 days

All other eligible sports based on Policy GGBB will receive the playoff per diem supplement using the following scale. The number of days will vary per sport based on the structure of that sport's playoff.

Round 1 x 1 x TBD days Round 2 x 1.5 x TBD days Round 3 x 2 x TBD days Round 4 x 2.5 x TBD days Round 5 x 3 x TBD days

All recommendations will be placed on the board meeting agenda with the supplement level noted with the recommendation. As vacancies occur, all positions will be recommended at a starting Level 3. Any lateral position moves will be at their current level.

Any administrator beginning at a Level 3 will remain at that Level for a period of 2 years. At the end of the contractual period ending June 30th of the second year, the administrator will move to Level 2, where he/she will remain for a period of two years. At the beginning of the administrator's fifth year, (July 1), he/she will move to Level 1 status. In order for experience to be credited, the administrator must be employed for a minimum of 11/12th of the contractual year. Experience for the superintendent will be credited as of January 1st.

If the Superintendent's annual salary, when calculated by using the formula specified in this policy is not the highest salary in the district, it shall be adjusted and will automatically be \$100 higher than the highest salary paid to any other administrator.

Previous experience as a principal will be credited as experience as a principal regardless of grade level. (The same concept applies to other administrative positions – ex. assistant principal to assistant principal).

If a person transfers from a principal to a director position, they will transfer at whatever level principal position they held. This is only applicable in district.

JUSTIFICATION FOR POSITION

The district has been cited for a over-suspension of African-American Males for 10-days or less. MDE has pulled 15% of the FY22 Budget to be assigned to the root cause analysis of this finding. These funds must be utilized as a general education

initiative in order to truly address student needs academically and behaviorally before attempting to place them in special education. The Special Education Department's investigation showed that the district does not have an adequate RTI/MTSS framework, processes, nor programming in place to address struggling learners and students with at-risk behaviors. A portion of the funds from CEIS will be utilized to hire four Behavior Facilitators that will serve as support to PBS, teachers, and administrators. The SPED department will also purchase RTI/MTSS programming for K-12 grades to track data, provide behavior and academic interventions for all students. Behavior Facilitators will serve as the additional support piece to help teachers and administrators facilitate interventions and produce greater academic and behavior outcomes for all students.

Justification for Update of Position:

The Special Education Case Manager has been a position in the district special education office designed to serve students in each attendance center. The job description has been tweaked to address the level of expertise needed to bring the district to the next level. We have Case Managers for Vancleave and East Central, but there has never been one to serve the St. Martin side of the district. As we already know, most of our special education needs are within the St. Martin attendance center. They are the largest attendance center of the three and have less support. In the past, LSC's from St. martin have attempted to facilitate the needs of the perspective schools. We are now at a point that it can no longer be done without a case manager. Logistics and caseloads effect the ability to send current Case managers from one end of the district to another. There are training needs, curriculum needs as it pertains to co-teaching, behavior support, IEP meetings, MDR meetings, as well as compliance concerns with MDES. This position would be paid for from IDEA funds.

ADVERTISEMENT FOR REVERSE AUCTION

Effective January 1, 2018, Mississippi Code Section 31-7-13 requires governmental entities to utilize reverse auctions as the primary method of receiving bids. The Jackson County School District Child Nutrition Department will use Central Bidding as the service provider for the reverse auction for the procurement of:

East Central Middle School Cafeteria Serving Line Project

ADVERTISEMENT

Notice is hereby given that the Jackson County School District will accept prequalification bids for the cafeteria serving line project at East Central Middle School. The bid documents and specifications may be obtained from Central Bidding at www.centralbidding.com or by contacting the Child Nutrition Director, Ashley Harris, at (228) 283-3940 ext. 1010.

The Jackson County School District will be utilizing a reverse auction process for the procurement of the project. A pre-site visit will be required for all bidders. Prequalification bids may be submitted until 5PM Friday, February 4, 2022 via the Central Bidding portal. After reviewing all prequalification bids for compliance with specifications, the Jackson County School District will invite all prequalified suppliers to participate in the reverse auction. Central Bidding will provide the prequalified suppliers instructions on the reverse auction bidding process.

The right to reject any/and all bids, waive informalities, extend the prequalification timeline, and to accept the lowest/best bid proposal is reserved by the Board of Trustees of the Jackson County School District.

* Mr. Baggett,

After our meeting at SMUE with Tyler,
I am confident our facilities will be
looked after with great care. This
league is a great service to our community,
and is beneficial to our basketball program.
Therefore, I recommend we approve and waive
all fees.

Mr. Baggett,

This is the same group that put this camp on for us in August. They took very good care of the facility and Coach Talley is with them the whole time. This greatly benefits our athletes and football program. Therefore I recommend we waive all fees.

OVERVIEW

Bailey's team of premiere instructional coaches, leadership coaches and project managers serve to ensure the strength and effectiveness of services delivered. Areas of focus will be customized to support school and district transformation goals. *All supports will be offered through a combination of face-to-face and virtual supports. Bailey has been providing extensive virtual supports to districts across Mississippi for several months, distinguishing itself as a leader in both face-to-face and virtual professional development and student support.* Bailey's teacher coaches customize support through individualized professional growth plans. Coaches work with teachers to build capacity and improve student outcomes.

SCOPE OF SERVICES

Coaches work with teachers to build capacity and produce positive results with a focus on the Professional Growth Standards for Teachers and the goal performance areas below.

- Curriculum Mapping and Alignment for College and Career-Ready Standards
- Data Driven Decision Making to Customize Instruction
- Customizing and Differentiating Instruction Scaffolded to the Rigor of the Standards
- New Induction Teacher Supports
- Lesson Planning, Preparing and Instructional Delivery
- Student Engagement and Motivation
- Content Engagement Practices
- Special Education and EL Learners Guidance and Coaching
- Formative and Summative Assessment
- Higher Order Questioning and Problem Solving
- 21st Century Technology Integration in the Classroom
- Extended Learning Time and Customized Learning for the Lowest 25% of Students

Service Delivery: Bailey's coaches will support special and general education teachers by serving/working as a resource provider, assessment and data coach, and curriculum and instructional specialist. Service delivery includes onsite (job-embedded) and virtual training, coaching, modeling, co-teaching, consultation, and technical assistance.

PROGRAM MANAGEMENT AND COMMUNICATION

All Bailey work is managed and evaluated by a Bailey Project Manager, with extensive support from the Bailey Leadership Team. Student and teacher performance data will be analyzed and evaluated to identify strengths as well as areas of concern. The Bailey team will work tirelessly to ensure that all services are provided with evidence-based fidelity. Services, including professional development, in-classroom coaching and modeling, co-teaching, student tutorials, data coaching and technical assistance are all provided with a focus on achieving district and school level transformation goals. Coaches will debrief with the principal or designees and submit a detailed work report for each day of services. Qualitative and quantitative program evaluation will be continuous throughout the project. Qualitative data will be gathered and shared weekly through e-mailed summary reports sent to appropriate leadership. Quantitative data will be gathered and organized from universal screening,

progress monitoring, and benchmark assessments as they are available. The project manager will regularly review student and teacher data to evaluate effectiveness and meet regularly with leadership to discuss overall strengths, concerns, recommendations, and next steps.

RESULTS

Bailey Education Group has a proven track record in professional development programs for school districts and individual school sites that is quantifiable. The table below details the work accomplished by BEG in over 300 schools in 2019. This data is further disaggregated below broken down by district, school, and grade levels.

QUALIFICATIONS

Bailey Education Group's (BEG) mission to improve the lives of all children is accomplished through data driven analysis, training, coaching, modeling, and continual monitoring and adjusting to ensure success. BEG recognizes and embraces the tenets of cultural proficiency, and our coaches are representative of the state's ethnic and cultural diversity. Because of their own professional and personal experiences, Bailey coaches are consistently successful working in diverse settings and advancing the core tenets of cultural proficiency.

Bailey Education Group, LLC, located at 201 Park Court, Ridgeland, MS 39157, was founded in October 2007 by Gary Bailey, AIA. Gary's business experience in school improvement is without peer in Mississippi, having founded and operated other successful education companies. Today with over 20 years' experience in the industry, he serves as president and owner

Vice President of Operations, Pat Ross, joined Bailey Education Group in 2016, after serving for more than 20 years as a public educator at all levels. Pat currently oversees all operations for the BEG and is specifically focused on providing leadership development academies, retreats, and one-on-one coaching sessions with school leaders in Mississippi.

Hank Bounds, PhD, serves as Vice President of Strategy and Business Development. Hank brings a wealth of district, state, and national experience to BEG having served as a principal, local superintendent, State Superintendent of Education, Commissioner of the Mississippi Institutions of Higher Education, and President of the University of Nebraska.

Over the past decade, we have partnered with school districts to improve the lives of all children and we have successfully improved children's lives, and our partners have enjoyed the results.

PROFESSIONAL SERVICES AND SUPPORT

Bailey Education Group, LLC, is an educational support company whose mission is to partner with all schools to improve the lives of all children. We achieve our mission and produce positive results with our customized professional development and on-site consultation, and a service delivery engineered to build capacity and ensure evidence of change.

In preparing this proposal, our team has communicated with school leadership; reviewed the historical demographic and student data of each school; and determined what our current processes support, as well as those that will require new customization. It is through this analysis that we have established a solid understanding of the proposed scope of work.

Bailey's coaches will support district goals and expectations by serving/working as classroom supporters, resource providers, assessment and data coaches, and curriculum and instructional specialists.

EVIDENCED BASED

Long recognized as Mississippi's Premier Education Service Provider, Bailey Education Group is pleased to provide this rationale **Evidence Based** for our professional development and coaching services by demonstrating a statistically significant effect on student outcomes, as well as a strong alignment to what works best in professional development.

Under ESSA, Mississippi schools have been given the flexibility to choose school improvement interventions that: 1) provide a compelling and sufficient evidence-base for their impact on student outcomes; 2) meet the needs of the school, based on a thoughtful and thorough needs assessment; and 3) define a method for follow-up to track and monitor successful implementation.

A statically significant effect means that the change was not due to chance. Effect sizes expressed in standard deviations are used to measure the effect, with Cohen's d (1988) being the most widely used. When using Cohen's d for considering effects, $d = .2$ is small, $d = .5$ is medium, and $d = .8$ is considered large. Although ESSA has not set minimal standards for this measure, the What Works Clearinghouse (WWC) recognizes .25 and higher as statistically significant.

Bailey's work is validated by the work of Timperley, Wilson, Barrar, and Fung (2007) who found 72 studies that assessed the effects of professional development on student outcomes. Based on their meta-analysis of these studies, the overall effect on student outcomes was $d = .66$, validating that professional development has a medium to large effect on student outcomes and is significantly higher than the minimal standards of the WWC's ($d = .25$). Timperley and his colleagues used effect sizes to identify what works best in professional development as well. Bailey Education's model has a high correlation to the six themes identified in their work.

Theme 1: Learning opportunities occurred over an extended period. Bailey's service model is continuous and includes data driven analysis, training, coaching, modeling, and monitoring and adjustments. Bailey's service delivery is aligned to the seven key focus areas established by Learning Forward in their Professional Learning Standards: Learning Communities, Leadership, Resources, Data, Learning Designs, Implementation and Outcomes.

Theme 2: Involvement of experts was more related to success than in-school initiatives. Bailey's trainers and coaches are experts in their field of work and must have a record of improving student outcomes with professional learning. Baily trainers and coaches are supported by a Leadership Team and Project Managers who engage them in continuous learning to ensure they are updated and prepared to deliver what works best in professional development.

Theme 3: Teacher engagement during the learning process. Bailey's model is job embedded and engages teaching staff throughout the process; data driven analysis, training, coaching, modeling, and monitoring and adjustments.

Theme 4: Effects of student outcomes were a function of professional learning. Bailey trainers and coaches rely heavily on identified teacher needs and the impact of professional development on student outcomes. Available data sources are continually used to monitor the effectiveness of professional development based on student outcomes.

Theme 5: Professional learning communities and teachers communicating with teachers. Bailey’s work is anchored to the seven key focus areas recognized in Learning Forward’s Professional Learning Standards, one of which is Professional Learning Communities (PLC). Bailey’s service model serves as a guide for the establishment and engagement in PLC’s. Bailey’s fee waived resources made available through Drop Box enhance and encourage teachers to communicate with other teachers using the customized resources and tool kits.

Theme 6: School leadership supports professional learning. Leadership is one of the seven key focus areas recognized by Learning Forward and as such is critical to professional learning through professional development. Bailey coaches work closely with school leadership to: 1) develop a plan customized to school and teacher needs; 2) engage school leadership in the learning process with teachers; and 3) follow-up to monitor and track the effectiveness of implementation and its impact on student outcomes.

COST

Bailey Education Group will provide services at a daily rate of \$1,450 per day per coach. This rate is all inclusive of costs. Materials and instructional deliverables provided to the district during the duration of the project will be provided via electronic copies to the district.
