MEMORANDUM

TO: Jackson County Board of Education

FROM: Mr. David Baggett, Superintendent

DATE: September 13, 2024

RE: Hurricane Francine/Weather Days

I hereby request the Jackson County School Board approve, per school board policy GDRHB-2, administrative leave, with pay, to all employees for the emergency closure on September 11-12, 2024, as a result of severe weather advisory. Governor Tate Reeves declared a state of emergency and I felt it was in the best interest of our school district to close all our campuses.

Additionally, in light of the governor declaring a state of emergency, I hereby request a waiver of the 180 school days required for our students, for the school closure during this time.

STATE OF MISSISSIPPI

Office of the Governor

PROCLAMATION

WHEREAS, the State of Mississippi has been impacted by Tropical Storm/Hurricane Francine beginning on September 9, 2024, and continuing, and thus state assistance will be necessary to support local government response and recovery efforts; and

WHEREAS, Tropical Storm/Hurricane Francine may cause mass power outages, damage to homes, businesses, and public property, and threaten the safety of the citizens and property throughout the State of Mississippi; and

WHEREAS, in consideration of the health and safety of the residents and the protection of their property within the affected areas, and in the public interest, all steps should be taken to protect people and property.

NOW, THEREFORE, I, Tate Reeves, Governor of the State of Mississippi, pursuant to the authority vested in me under the Mississippi Constitution and Miss. Code Ann. § 33-15-11(b)(17), and in the public interest and for the general welfare, do hereby proclaim a State of Emergency to exist in the areas of the State of Mississippi affected by, or areas that may be affected by, Tropical Storm/Hurricane Francine. The provisions of this proclamation shall exist and remain in effect until such time as this threat to public safety shall cease to exist as prescribed in Section 33-15-11(b)(17).

FURTHER, all agencies of the State of Mississippi shall discharge their emergency responsibilities as deemed necessary as set forth in the State of Mississippi's Comprehensive Emergency Management Plan.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Mississippi to be affixed.

EXECUTIVE ORDER NO. 1582

WHEREAS, on September 10, 2024, pursuant to the Constitution of the State of Mississippi and Miss. Code Ann. § 33-15-11(b)(17), I issued a Proclamation declaring that a State of Emergency exists in the State of Mississippi due to the impact of Tropical Storm/Hurricane Francine beginning on September 9, 2024, and continuing; and

WHEREAS, 49 C.F.R § 390.23 authorizes a state governor, following the declaration of a State of Emergency, to waive certain provisions of Parts 390 through 399 of Title 49, Federal Motor Safety Regulations, including relief from Title 49, Part 395.3 and 395.5 of the Federal Motor Carrier Safety Regulations for motor carriers providing direct assistance to disaster relief efforts incident to the immediate restoration of essential services or providing essential supplies in the State of Mississippi. This includes, but is not limited to power grid repairs, storm debris removal and the delivery of groceries, fuel, propane, and other essential products. The waiver for such an event shall terminate at the earliest of (1) the conclusion of the motor carrier's or driver's direct assistance in providing emergency relief; (2) fourteen (14) days from the date of the initial declaration of emergency; (3) the issuance of a proclamation terminating this state of emergency, or (4) any other time dictated by the FMCSA's Regulations.

Code Ann. § 33-15-1 *et seq.*, 49 C.F.R. Section 390.23, and in the public interest and for the general welfare, do hereby exempt any motor carrier or driver operating a commercial motor vehicle utilized for the provision of direct assistance incident to the immediate restoration of essential services or providing essential supplies from Title 49, Parts 395.3 and 395.5 of the Federal Motor Carrier Safety Regulations. Motor carriers that have an out of service order may not take advantage of the relief from regulations that this Order provides under 49 C.F.R. Section 390.23. Further, no motor carrier operating under the terms of this Order shall require or allow an ill or fatigued driver to operate a motor vehicle. This Executive Order shall be effective from the date of the declaration of this State of Emergency on September 10, 2024, and shall terminate at the earliest of (1) the conclusion of the motor carrier's or driver's direct assistance in providing emergency relief; (2) fourteen (14) days from the date of the initial declaration of emergency; (3) the issuance of a proclamation terminating this state of emergency, or (4) any other time dictated by the FMCSA's Regulations.
