The board has adopted a policy that allows the public to speak under an item entitled "public input" as long as the form to request to address the board of education is completed and returned 5 days prior to the agenda being posted to the administration office. The public may address an issue that is not listed on the agenda. In such circumstances, the board and administration can listen to the comments, but cannot legally ask questions or discuss the topic as it is not listed on the posted agenda. Issues regarding school personnel may not be heard by the board of education. Thanks for understanding why the board does not speak or discuss issues that are not listed on the posted agenda.
