a policy that allows the public to speak under an item entitled "public input" as long as the form to request to address the board of education is completed and returned 5 days prior to the agenda being posted to the administration office. The public may address an issue that is not listed on the agenda. In such circumstances, the board and administration can listen to the comments, but cannot legally ask questions or discuss the topic as it is not listed on the posted agenda. Issues regarding school personnel may not be heard by the board of education. Thanks for understanding why the board does not speak or discuss issues that are not listed on the posted agenda.

Consent Agenda-All of the following items, which concern reports and items of a routine nature normally approved at a board meeting, will be approved by one vote unless any one board member desires to have a separate vote on any or all of these items.
