Comprehensive Needs Assessment

Demographics

Demographics Summary

Buckholts ISD is a small rural school district tucked into central Texas. The western boundaries reach to the Milam county line, while the eastern boundaries join up with Cameron ISD. District boundaries encompass over 50 square miles of land. A rich history of agriculture continues to thrive with significant infrastructure in livestock production, poultry production, and crop production. Many families of Buckholts ISD choose to commute into either Cameron, TX or the Temple, TX area for employment opportunities.

BISD enrollment decreased for the 204-2-25 school year. BISD had 112 students enrolled in Pre-K through the 12th grade of which 45.5% are female and 54.5% are male. Buckholts continues to attract students and families with our teacher-student ratio leading to small class sizes and ample opportunity for small group instruction. According to the United States Census Bureau, Buckholts continues to experience a population decline.

Based on the fall 2024-2025 PEIMS snapshot report, BISD student ethnic make-up consists of the following:

African American- 2.7%

Hispanic-63.4%

White-33.9%

Two or More Races 0%

Special Education 17%

Emergent Bilingual 17.9%

Buckholts ISD Economically Disadvantaged student population decreased from 90.1% to 81.3%.

Buckholts ISD Special Education rate is 17% as compared to the state average of 15.3%

The mobility rate reported in the 2021-2022 TAPR for the district was 27.8%. This is a 9.9% increase from the previous year. The mobility rate decreased to 21.4%.

The staff of BISD are committed to student achievement. BISD employs 21.5 staff members including professional and certificated teaching staff. In 2024-2025, minority staff members made up 17.5% of the staff population, a 7% increase, while instructional staff were predominantly white (89%).

Buckholts ISD had a certified staff retention rate decreased.

In 2024, Buckholts ISD had a 100% graduation rate with 80% of graduates meet CCMR requirements, by IBC.

Demographics Strengths

Buckholts continues to have a low student-teacher ratio of 6.6. The Buckholts students are offered full day Pre-K. Buckholts continues to see an increase in post-secondary readiness indicators such as dual credit and TSI participation. The mobility rate reported in the 2021-2022 TAPR for the district was 27.8%. This is a 9.9% increase from the previous year. The mobility rate decreased to 21.4%. In 2024-2025, minority staff members made up 17.5% of the staff population, which is a 7% increase.

Problem Statements Identifying Demographics Needs

Problem Statement 1: Current faculty are not adequately equipped to meet the needs of a diverse populations, specifically SPED, Emergent Bilingual, At-Risk, and Economically Disadvantaged.

Root Cause: There is no substantial, long-standing system for recruiting, retaining, supporting, and developing teachers.

Overall (All Subjects)	Approaches	64%	54%	↓ 10 pts
	Meets	30%	23%	↓ 7 pts
	Masters	3%	9%	↑ 6 pts

Student Learning Strengths

Buckholts students have grown at all performance levels in social studies on STAAR. The masters level grew 6pts in science. Buckholts has maintained a strong performance in College and Career Readiness standards, including industry-based certifications and dual credit courses.

Problem Statements Identifying Student Learning Needs

Problem Statement 1: District data reflects that students are not performing on grade-level.

Root Cause: Teachers are in their first year of utilizing their HQIM with fidelity, which provides access for students to work at the required level of rigor.

District Processes & Programs

District Processes & Programs Summary

Processes and Programs 2024-2025

The Flex Monday Schedule allows for professional development 1.5 days per month.
Bi-Weekly bulletins are sent out weekly to communication events.
All students 6th-12th have Chromebooks
Career & Technology Education
Special Education/504 Services
IXL Digital Curriculum
Dual Credit Participation (Temple College)
Athletics/FFA
Rotary participation

District Processes & Programs Strengths

Students receive intervention services and academic support. Students receive special education services. Consistent post-secondary preparation with dual credit, industry-based certifications, and TSI testing.

Problem Statements Identifying District Processes & Programs Needs

Problem Statement 1: The district needs to establish strong systems and processes for improving academics, behavior, and culture.

Root Cause: Strong systems, processes, and plans were not established or were not maintained due to changes in leadership, poor distribution of leadership responsibilities or a lack of leadership development.

Perceptions

Perceptions Summary

There was a decline in staff retention. Staff perceives that the discipline system punishes misbehavior rather than promotes positive behavior. Staff perceives that they are not recognized for their contributions. They also perceive that they do not have the materials and resources to meet their students' needs. The staff does not perceive that there are adequate support services on campus (e.g., counselors, interventionists, aides).

Perceptions Strengths

Instruction is differentiated to meet the diverse learning needs of students. The campus has clear academic expectations for all students. Staff feels emotionally safe on the campus.

Problem Statements Identifying Perceptions Needs

Problem Statement 1: The relationships among staff, students, and the community are disconnected.

Root Cause: Communication, inclusiveness, and trust are limited.
