#4010 – Prohibition on Recommendations for Psychotropic Drugs

Shipman recommends repealing this policy and replacing with theirs for consistency.

#4040 – Minority Recruitment Plan

Shipman recommends repealing this policy and replacing with theirs for consistency. The Board should, however, ensure the plan is appropriately tailored to the district's needs and desires relative to minority staff recruitment.

#4112 – Hiring of Personnel

Shipman recommends comparison of current policy with Hiring of Certified Staff and Hiring of Non-Certified Staff policies. The current policy includes more specific requirements relative to the hiring of administrative staff, which the Board may wish to maintain.

#4112.8 – Nepotism - TABLED

Shipman recommends repealing this policy and replacing with theirs for consistency.

#4217 – Athletic Coaches

Shipman recommends repealing this policy and replacing with theirs for consistency.

#5120.2.1 – Head Injuries

(renumbering to Policy #4218R)

#1150 – Prohibition Against Nicotine and Cannabis Use - TABLED

Shipman has further reviewed this policy and made revisions related to smoking and added a reference to alcohol.

#5090.9 – Use of Private Technology Devices for Students

Students at the high school and middle school levels need to be on Chromebooks in order to be prepared for statewide and district assessments as well as to receive tech support. Assessments cannot be taken, or support received, on personal devices. Further, Shipman has reviewed this policy and suggested to repeal and replace for legal compliance and consistency.

#6030 – School Calendar - TABLED

Policy has not been revised since 2011 and needs to be reviewed for accuracy. Note, Shipman does not have a comparable policy.

- 4) demonstrate competence and proficiency in his or her role as an athletic coach of a particular sport.

For purposes of this policy, the term “**athletic coach**” means any person holding (and required to hold) a coaching permit issued by the Connecticut State Board of Education who is hired by the Madison Board of Education to act as a coach for a sport season.

This term “athletic coach” under this policy shall include only coaches who have direct responsibility for one or more teams (including assistant coaches who serve as coach to a team (*e.g.*, JV)), and the term shall not include other assistant coaches and volunteer coaches.

For purposes of this policy, the term “athletic director” means an individual responsible for administering the athletic program of a school or school district under the jurisdiction of the Board, and who is responsible for the supervision of athletic coaches.

I. Evaluations

Pursuant to state law, the Board requires that an athletic coach employed by the Board be evaluated on an annual basis by the athletic director or the coach’s immediate supervisor. An athletic coach shall be provided with a copy of any such evaluation. Other assistant and volunteer coaches may be evaluated as directed by the Superintendent of Schools or his/her designee.

35 **II. Employment of an Athletic Coach**

36
37 A. Athletic coaches serve at the discretion of the Superintendent, and their
38 employment in their specific coaching positions (e.g., basketball, golf) may be
39 non-renewed or terminated at any time, subject to the provisions set forth below
40 which apply to athletic coaches who have served in the same coaching position
41 for three or more consecutive school years; except as follows.

42
43 B. If the Superintendent ~~terminates or non-renews~~ or terminates the coaching
44 contract of an athletic coach who has served in the same coaching position for
45 three or more consecutive school years, the Superintendent shall inform such
46 coach of the decision within ninety (90) calendar days of the end of the athletic
47 season covered by the contract. In such cases, the athletic coach will have an
48 opportunity to appeal the decision of the Superintendent in accordance with the
49 procedures set forth below in Section III.

50
51 C. Notwithstanding any rights an athletic coach may have to a hearing, nothing
52 prohibits a Superintendent from terminating the employment contract of any
53 athletic coach at any time, including an athletic coach who has served in the same
54 coaching position for three or more consecutive school years:

- 55
56 1) for reasons of moral misconduct, insubordination, failure to
57 comply with the Board's policies, rules and regulations; or
58
59 2) because the sport has been canceled by the Board.

60
61 D. If a decision to terminate a coach's employment is made during the athletic
62 season, the Superintendent shall remove the coach from duty during the pendency
63 of any hearing conducted pursuant to this policy.

64
65 ~~If the athletic coach has served in the same coaching position for three or more~~
66 ~~consecutive school years, the following procedures shall apply. The Superintendent may~~
67 ~~non-renew the employment of any such athletic coach by providing written notification~~

68 ~~of that action within ninety (90) calendar days of the end of the season. The~~
69 ~~Superintendent may terminate the employment of any such athletic coach at any time for~~
70 ~~1) for reasons of moral misconduct, insubordination, failure to comply with the Board's~~
71 ~~policies, rules and regulations; or 2) because the sport has been canceled. If a decision to~~
72 ~~terminate a coach's employment is made during the athletic season, the Superintendent~~
73 ~~shall remove the coach from duty during the pendency of any hearing conducted pursuant~~
74 ~~to this policy.~~

75
76 **III. Hearing Procedures:**

77
78 An athletic coach who has served in the same coaching position for three or more
79 consecutive school years may appeal any such non-renewal or termination decision
80 (except if such decision was due to cancellation of the sport) to the Board ~~of~~
81 ~~Education~~ in accordance with the following procedures:

82
83 A. The athletic coach must file a written appeal with the Board within ten (10)
84 calendar days of the Superintendent's written notification of non-renewal or
85 termination. Such appeal shall set forth the basis on which the athletic coach
86 seeks review of that decision, and a copy of said appeal shall be sent to the
87 Superintendent. Failure to submit a timely written appeal shall constitute a
88 waiver of said appeal opportunity.

89
90 B. Within a reasonable period of time of its receipt of a written appeal of the
91 Superintendent's decision, the Board or a panel of the Board as designated by the
92 Chairperson shall conduct a hearing to consider such appeal. Reasonable notice
93 of the time and place for such hearing shall be issued to the athletic coach prior to
94 the commencement of the hearing.

95
96 C. At the hearing, the athletic coach shall have an opportunity to present facts and
97 evidence in support of renewal and/or reinstatement, and the Superintendent shall
98 have the opportunity (but shall not be obligated) to present facts and evidence in
99 support of the decision of non-renewal and/or termination. For good cause
100 shown, the athletic coach may call a limited number of witnesses to testify if there

101 is a clear need for witnesses to present factual information (rather than simply
102 expressing an opinion on the skill or competence of the athletic coach). In any
103 event, cumulative or redundant testimony shall not be allowed.

104
105 D. The decision of non-renewal or termination shall be affirmed unless the Board
106 determines that the decision is arbitrary and capricious. The coach shall bear the
107 burden of proof on this point.

108
109 E. Within a reasonable period of time following the hearing, the Board or designated
110 panel thereof shall determine whether the Superintendent acted in an arbitrary and
111 capricious manner in making his/her decision not to renew and/or to terminate,
112 and shall provide a written decision to the coach. The decision of the Board ~~or~~
113 ~~designated panel thereof~~ shall be final.

**Use of Private Technology Devices by Students
(formerly Electronic Communication Device)**

1
2
3
4
5
6 Students may possess privately-owned technological devices on school property and/or
7 during school-sponsored activities, in accordance with the mandates of this policy and
8 any applicable administrative regulations as may be developed by the Superintendent of
9 Schools.

10
11 **Definitions**

12
13 Board Technology Resources

14
15 For the purposes of this policy, “Board technology resources” refers to the Madison
16 Board of Education’s (the “Board’s”) computers and instructional technologies;
17 communications and data management systems; informational technologies and the
18 Internet; and any other technology resources owned and/or used by the school district and
19 accessible by students.

20
21 Privately-owned Technological Devices

22
23 For the purposes of this policy, “privately-owned technological devices” refers to
24 privately-owned desktop computers, wireless and/or portable electronic hand-held
25 equipment that can be used for word processing, wireless Internet access, image capture
26 and recording, sound recording, information transmitting and/or receiving, storing, etc.
27 These devices may include, but are not limited to, desktops, personal laptops,
28 Smartphones, network access devices, Kindles, Nooks, cellular telephones, radios,
29 personal audio players, I-Pads or other tablet computers, walkie-talkies, Blackberries,
30 personal data assistants, I-Phones, Androids and other electronic signaling devices.

31
32 **Use of Privately-Owned Technological Devices**

34 Privately-owned technological devices may not be used during instructional time, except
35 as specifically permitted by instructional staff or unless necessary for a student to access
36 the district’s digital learning platform or otherwise engage in remote learning.

37

38 On school property, at a school-sponsored activity, while in use for a remote learning
39 activity, or while being used to access or utilize Board technology resources, the use of
40 any such device for an improper purpose is prohibited. Improper purposes include, but
41 are not limited to:

42

- 43 • Sending any form of a harassing, threatening, or intimidating message, at any
44 time, to any person (such communications may also be a crime);
- 45
- 46 • Gaining or seeking to gain unauthorized access to Board technology resources;
- 47
- 48 • Damaging Board technology resources;
- 49
- 50 • Accessing or attempting to access any material that is obscene, obscene as to
51 minors, or contains pornography;
- 52
- 53 • Cyberbullying;
- 54
- 55 • Using such device to violate any school rule, including the unauthorized
56 recording (photographic, video, or audio) of another individual without the
57 permission of the individual or a school staff member; or
- 58
- 59 • Taking any action prohibited by any Federal or State law.

60

61 **Search of Privately-Owned Technological Devices**

62

63 A student’s privately-owned technological device may be searched if the device is on
64 Board property or in a student’s possession at a school-sponsored activity and if there are

65 reasonable grounds for suspecting that the search will turn up evidence that the student
66 has violated or is violating either the law or the rules of the school. Any such search shall
67 be reasonably related to the objectives of the search and not excessively intrusive in light
68 of the age and sex of the student and the nature of the infraction.

69

70 **Responsibility for Privately-owned Technological Devices**

71

72 Students are responsible for the safety and use of their privately-owned technological
73 devices. If a privately-owned technological device is stolen, lost, or damaged while the
74 device is on school property or during a school-sponsored activity, a report should be
75 made to the building principal, who will investigate the loss in a manner consistent with
76 procedures for stolen or damaged personal property. Students and parents should be
77 aware that the Board is not liable for any privately-owned technological device that is
78 stolen, lost, or damaged while at school or during a school-sponsored activity. For that
79 reason, students are advised not to share or loan their privately-owned technological
80 devices with other students.

81

82 **Disciplinary Action**

83

84 Misuse of the Board's technology resources and/or the use of privately-owned
85 technological devices to access or utilize the Board's technology resources in an
86 inappropriate manner or the use of such devices in any manner inconsistent with this
87 policy will not be tolerated and will result in disciplinary action. For students, a violation
88 of this policy may result in loss of access privileges, a prohibition on the use and/or
89 possession of privately-owned technological devices on school property or at school-
90 sponsored activities, and/or suspension or expulsion in accordance with the Board's
91 policies related to student discipline.

92

93

94 **Access to Board Technology Resources**

95

96 The Board may permit students, using their privately-owned technological devices, to
97 access the Board's computers and instructional technologies; communications and data

98 management systems; informational technologies and the Internet; and any other
99 technology resources used by the school district and accessible by students. Additionally,
100 it is the expectation of the Board that students who access these resources while using
101 privately-owned technology devices will act at all times appropriately in ways which are
102 fully in accord with applicable policies concerning technology use as well as all local,
103 state, and federal laws.

104

105 Through the publication and dissemination of this policy statement and others related to
106 use of the Board's computer systems, as well as other instructional means, the Board
107 educates students about the Board's expectations for technology users.

108

109 The Board technology resources shall only be used to access educational information and
110 to promote learning activities both at home and at school. Students are expected to act
111 at all times appropriately in ways which are fully in accord with applicable policies
112 concerning technology use as well as all local, state, and federal laws when using the
113 Board technology resources. Failure to do so will result in the consequences outlined
114 herein and in other applicable policies (including, but not limited to, the Safe School
115 Climate Plan, the Student Discipline Policy and the Use of Computers Policy).

116

117 Students must abide by the procedures outlined in this policy and all policies and
118 applicable regulations outlined in the Board's computer use and other applicable policies.
119 Students will be given specific information for log-on and access procedures for using
120 school accounts. No user may deviate from these log-on/access procedures. **Students**
121 **are advised that the Board's network administrators have the capability to identify**
122 **users and to monitor all privately-owned technological devices while they are logged**
123 **on to the network.** Students must understand that the Board has reserved the right to
124 conduct monitoring of Board technology resources and can do so *despite* the assignment
125 to individual users of passwords for system security. Any password systems implemented
126 by the Board are designed solely to provide system security from unauthorized users, not
127 to provide privacy to the individual system user. The system's security aspects, message
128 delete function and personal passwords can be bypassed for monitoring purposes.

129 Therefore, students should be aware that they should not have any expectation of personal
130 privacy in the use of privately-owned technological devices to access Board technology
131 resources. This provision applies to any and all uses of the Board’s technology resources
132 and any privately-owned technological devices that access the same.

133

134 **Harm to Board Technology Resources**

135

136 Any act by a student using a privately-owned technological device that harms the Board
137 technology resources or otherwise interferes with or compromises the integrity of Board
138 technology resources will be considered vandalism and will be subject to discipline
139 and/or appropriate criminal or civil action.

140

141 **Closed Forum**

142

143 This policy shall not be construed to establish a public forum or a limited open forum.

2 **Concussion Management & Training**
3 **For Athletic Coaches**
4 **(formerly #5120.2.1. – Head Injuries)**

5
6 For purposes of these administrative regulations concerning training regarding
7 concussions and head injuries, the term “**coach**” means any person who holds or is issued
8 a coaching permit by the Connecticut State Department of Education and who is hired by
9 the Madison Board of Education (the “Board”) to coach intramural or interscholastic
10 athletics.

11
12 Mandatory Training Concerning Concussions

- 13
- 14 1. Any coach of intramural or interscholastic athletics, who holds or is issued a coaching
15 permit, must, before commencing his/her coaching assignment for the season,
16 complete an initial training course concerning concussions, which are a type of brain
17 injury. This training course must be approved by the State Department of Education.
18
 - 19 2. Coaches must provide proof of initial course completion to the Athletic Director or
20 his/her designee prior to commencing their coaching assignments for the season in
21 which they coach.
22
 - 23 3. One year after receiving an initial training, and every year thereafter, coaches must
24 review current and relevant information regarding concussions prior to commencing
25 their coaching assignments for the season. This current and relevant information shall
26 be that approved by the State Department of Education. Coaches need not review this
27 information in the year they are required to take a refresher course, as discussed
28 below.
29
 - 30 4. Coaches must complete a refresher course concerning concussions and head injuries
31 not later than five (5) years after receiving their initial training course, and once every
32 five (5) years thereafter. Coaches must provide proof of refresher course completion

33 to the Athletic Director or his/her designee prior to commencing their coaching
34 assignments for the season in which they coach.

- 35
- 36 5. The Board shall consider a coach as having successfully completed the initial training
37 course regarding concussions and head injuries if such coach completes a course that
38 is offered by the governing authority for intramural and interscholastic athletics and is
39 substantially similar, as determined by the Department of Education, to the training
40 course required by subsection 1 of these administrative regulations, provided such
41 substantially similar course is completed on or after January 1, 2010, but prior to the
42 date the State Board of Education approves the training course discussed in
43 subsection 1 of these administrative regulations.

44

45 Concussion Management

- 46
- 47 1. Any coach of any intramural or interscholastic athletics shall immediately remove a
48 student athlete from participating in any intramural or interscholastic athletic activity
49 who:
- 50
- 51 a. is observed to exhibit signs, symptoms or behaviors consistent with a concussion
52 following an observed or suspected blow to the head or body; or
- 53
- 54 b. is diagnosed with a concussion, regardless of when such concussion may have
55 occurred.
- 56
- 57 2. Upon removal from participation, a school principal, teacher, licensed athletic trainer,
58 licensed physical or occupational therapist employed by a school district, or coach
59 shall notify the student athlete's parent or legal guardian that the student athlete has
60 exhibited such signs, symptoms or behaviors consistent with a concussion or has been
61 diagnosed with a concussion. Such principal, teacher, licensed athletic trainer,
62 licensed physical or occupational therapist employed by a school district, or coach
63 shall provide such notification not later than twenty-four (24) hours after such

64 removal and shall make a reasonable effort to provide such notification immediately
65 after such removal.

66

67 3. The coach shall not permit such student athlete to participate in any supervised team
68 activities involving physical exertion, including, but not limited to, practices, games
69 or competitions, until such student athlete receives written clearance to participate in
70 such supervised team activities involving physical exertion from a licensed health
71 care professional trained in the evaluation and management of concussions.

72

73 4. Following receipt of clearance, the coach shall not permit such student athlete to
74 participate in any full, unrestricted supervised team activities without limitations on
75 contact or physical exertion, including, but not limited to, practices, games or
76 competitions, until such student athlete:

77

78 a. no longer exhibits signs, symptoms or behaviors consistent with a concussion at
79 rest or with exertion; and

80

81 b. receives written clearance to participate in such full, unrestricted supervised team
82 activities from a licensed health care professional trained in the evaluation and
83 management of concussions.

84

85 5. The Board shall prohibit a student athlete from participating in any intramural or
86 interscholastic athletic activity unless the student athlete, and a parent or guardian of
87 such athlete, [receives training regarding the concussion education plan developed or](#)
88 [approved by the State Board of Education by:](#)

106 occupational therapist employed by a school district, or coach who informs a student
107 athlete’s parent or guardian of the possible occurrence of a concussion shall also
108 report such incident to the nurse supervisor or designee.

109

110 2. The nurse supervisor, or designee, shall follow-up on the incident with the student
111 and/or the student’s parent or guardian and maintain a record of all incidents of
112 diagnosed concussions. Such record shall include, if known:

Chapter 166, Section 10-149b: *Concussions: Training courses for coaches. Education plan. Informed consent form. Development or approval by State Board of Education. What is a Concussion?

National Athletic Trainers Association (NATA) - *A concussion is a “trauma induced alteration in mental status that may or may not involve loss of consciousness.”*

Centers for Disease Control and Prevention (CDC) - *“A concussion is a type of traumatic brain injury, or TBI, caused by a bump, blow, or jolt to the head or by a hit to the body that causes the head and brain to move rapidly back and forth. This sudden movement can cause the brain to bounce around or twist in the skull, stretching and damaging the brain cells and creating chemical changes in the brain.”* -CDC, Heads Up: Concussion.

Section 1. Concussion Education Plan Summary

The Concussion Education Plan and Guidelines for Connecticut Schools was approved by the Connecticut State Board of Education in January 2015. Below is an outline of the requirements of the Plan. The complete document is accessible on the CSDE Web site:

<https://portal.ct.gov/SDE/Publications/Concussion-Education-Plan-and-Guidelines-for-Connecticut-Schools>

State law requires that each local and regional board of education must approve and then implement a concussion education plan by using written materials, online training or videos, or in-person training that addresses, at a minimum, the following:

1. The recognition of signs or symptoms of a concussion.
2. The means of obtaining proper medical treatment for a person suspected of sustaining a concussion.
3. The nature and risks of concussions, including the danger of continuing to engage in athletic activity after sustaining a concussion.
4. The proper procedures for allowing a student-athlete who has sustained a concussion to return to athletic activity.
5. Current best practices in the prevention and treatment of a concussion.

Section 2. Signs and Symptoms of a Concussion: Overview

A concussion should be suspected if any one or more of the following signs or symptoms are present, or if the coach/evaluator is unsure, following an impact or suspected impact as described in the CDC definition above.

Signs of a concussion may include (i.e. what the athlete displays/looks like to an observer):

- Confusion/disorientation/irritability
- Trouble resting/getting comfortable
- Lack of concentration
- Slow response/drowsiness
- Incoherent/slurred speech
- Acts silly, combative or aggressive
- Repeatedly asks the same questions
- Dazed appearance
- Restless/irritable
- Constant attempts to return to play

- Slow/clumsy movements
- Loss of consciousness
- Amnesia/memory problems
- Constant motion
- Disproportionate/inappropriate reactions
- Balance problems

191 **Symptoms of a concussion may include (i.e. what the athlete reports)**

- Headache or dizziness
- Nausea or vomiting
- Blurred or double vision
- Oversensitivity to sound/light/touch
- Ringing in ears
- Feeling foggy or groggy

192 State law requires that a coach MUST immediately remove a student-athlete from participating in any
193 intramural or interscholastic athletic activity who: a) is observed to exhibit signs, symptoms or
194 behaviors consistent with a concussion following a suspected blow to the head or body, or b) is
195 diagnosed with a concussion, regardless of when such concussion or head injury may have occurred.

196 **Upon removal of the athlete, a qualified school employee must notify the parent or legal**
197 **guardian within 24 hours that the student athlete has exhibited signs and symptoms of a**
198 **concussion.**

199

200 **Student and Parent Informed Consent Form - Page 2 of 2**

201

202 **Section 3. Return to Play (RTP) Protocol Overview**

203 Currently, it is impossible to accurately predict how long an individual’s concussion will last. There
204 must be full recovery before a student-athlete is allowed to resume participating in athletic activity.

205 Connecticut law now requires that no athlete may resume participation until she/he has received
206 written medical clearance from a licensed health care professional (physician, physician assistant,
207 advanced practice registered nurse (APRN), athletic trainer) trained in the evaluation and management
208 of concussions.

209 ***Concussion Management Requirements:***

- 210 1. No athlete shall return to participation in the athletic activity on the same day of a concussion.
- 211 2. If there is any loss of consciousness, vomiting or seizures, the athlete **MUST** be transported
212 immediately to the hospital.
- 213 3. Close observation of an athlete **MUST** continue following a concussion. The athlete should be
214 monitored following the injury to ensure that there is no worsening/escalation of symptoms.
- 215 4. Any athlete with signs or symptoms related to a concussion **MUST** be evaluated by a licensed
216 health care professional (physician, physician assistant, advanced practice registered nurse
217 (APRN), athletic trainer) trained in the evaluation and management of concussions.
- 218 5. The athlete **MUST** obtain an initial written clearance from one of the license health care
219 professionals identified above directing her/him into a well-defined RTP stepped protocol similar
220 to the one outlined below. If at any time signs or symptoms return during the RTP progression,
221 the athlete should cease activity.
- 222 6. After the RTP protocol has been successfully administered (no longer exhibits any signs or
223 symptoms or behaviors consistent with concussions), final written medical clearance is required
224 by one of the licensed health care professionals identified above for the athlete to fully return to
225 unrestricted participation in practices and competitions.

226 ***Medical Clearance RTP protocol (at least one full day between steps recommended)***

Rehabilitation stage	Functional exercise at each stage of rehabilitation	Objective of each stage
1. No activity	Complete physical and cognitive rest until asymptomatic; School activities may need to be modified	Recovery
2. Light aerobic exercise	Walking, swimming or stationary cycling maintaining intensity at less than 70% of maximal exertion; no resistance training	Increase heart rate

**#5120.2.1
Head Injuries**

The Board of Education recognizes that concussions and head injuries are commonly reported injuries of children and adolescents who participate in sports and other recreational activities. The Board acknowledges the risk of catastrophic injuries or deaths are significant when a concussion or head injury is not properly evaluated and managed.

Commencing July 1, 2010, and each school year thereafter, any coach of intramural or interscholastic athletics employed by the District shall complete an initial training course, approved by the State Board of Education, regarding concussions which are a type of brain injury prior to commencing the coaching assignment for the season. Such training course shall include, but not be limited to (1) the recognition of the signs and symptoms of a concussion; (2) the means of obtaining proper medical treatment for a person suspected of having a concussion; (3) the nature and risk of concussions, including the danger of continuing to engage in athletic activity after sustaining a concussion; and (4) the proper method of allowing a student athlete who has sustained a concussion to return to athletic activity.

Each school year any coach who has completed the initial training course regarding concussions shall annually review current and relevant information, developed or approved by the State Board of Education, regarding concussions prior to the start of the coaching assignment. This annual review is not required in any year the coach is required to complete a refresher course. Beginning July 1, 2015, and each school year thereafter, a coach must complete an approved refresher course not later than five years after the initial training course in order to maintain his/her coaching permit and to coach in the District.

No report – the committee has not met. Next meeting is June 7, 5:30 p.m. in the Hand Library.

8.2. Facilities Committee

Members: Emily Rosenthal, Chair, Steven Pynn, Galen Cawley

No report – the committee has not met. Next meeting June 7 at 4:30 p.m. in the Hand Library.

8.3. Finance Committee

Members: Galen Cawley, Chair, Diane Infantine-Vyce, Emily Rosenthal

The Finance Committee met this evening and discussed the results of the budget referendum, year-end funds, end of year line item transfers and funds to be returned to the town. Mr. Cawley expressed his gratitude to the voters, the PTO's, the administration and volunteers who helped with the successful passing of the budget referendum for both the town and the district. It was noted that in the future, schools will remain open on voting day.

Stacy Nobitz provided an update to the end of year funds and line item transfers and Mr. Cawley summarized the handout provided, which will be brought to a vote at the June 7 Board of Education meeting. Mr. Cawley commended Mrs. Nobitz for a conservative budget, budgeting accuracy and for helping to narrow the gap between the projected and actual budget, as well as the administration managing a positive balance. A discussion ensued regarding the rationale for returning unused funds at the end of every fiscal year to the town, with a 7-year average of \$300,000, which represents ½ of 1% of the district budget. Of particular note is the district health care costs are self-funded and the fact the district does not depend on the State's Educational Cost Sharing revenue of approximately \$400,000 (which goes to the Town). Additionally, we have built a special education reserve fund of approximately \$350,000 which is never used to offset the budget and is solely intended for emergency use.

8.4. Personnel Committee

Members: Maureen Lewis, Chair; Catherine Miller, Mary Ann Connelly

Maureen Lewis reported MAESS negotiations are ongoing.

8.5. Policy Committee

Members: Diane Infantine-Vyce, Chair; Maureen Lewis, Jen Gordon

The committee met this evening. Dr. Infantine-Vyce reported that not all policies on the agenda will be moved forward as further review and discussion is necessary and due to the lack of time to review during the meeting. Policies which were reviewed will go to the June 7 Board of Education meeting for a first reading and those not reviewed will return to the next Policy Committee meeting scheduled for June 21.

8.6. LEARN Liaison

Mary Ann Connelly

LEARN met last Thursday and reviewed their budget, discussed new hires in the magnet schools and spoke to changes in the food services policies. Additionally, new officers were presented.

June 23, 2023 - July 1, 2023

Dear Families and Potential Student-Travelers,

We have completed the organization and approval for a trip to Spain for **June, 2023** (8 days total). All DHHS students are eligible to participate (current grade 9, 10, 11 students), but some ability to communicate in Spanish is recommended (suggested completion of Spanish 3 or equivalent). This is a cultural learning trip in which students will travel to five different cities in Spain, partaking in cultural events, sampling traditional cuisine, and enjoying the breathtaking landscapes that Spain has to offer.

The sign-up will be capped at **24** student-travelers (a wait list will begin after the cap is reached). This tour is for students only, not for parents.

To enroll or for more trip information including an itinerary, there are 2 options:

1. explorica.com/Butcher-4152
2. By phone at 1-888-310-7121

Please know that while the trip combines international education with travel adventure, there are strict behavioral expectations that accompany enrollment, following our District's conduct policy. Student-travelers run the risk of being sent home from the trip, at the additional cost to their families, if behavioral guidelines are not maintained throughout the entirety of the trip. For example, although drinking expectations are different in Spain, students are required to follow our drug-use policy while abroad. Any consumption of alcohol or other drugs will result in students being sent home with a further possibility of discipline.

The trip will be run through the *Explorica* Tour Company. This company has been used in the past for other successful trips such as Greece and Spain led by other teachers in our World Language and Social Studies departments. Spain is a beautiful country and having the opportunity to be immersed in the language and country will be a treasured experience. I hope that you will consider allowing your child to take part in this wonderful opportunity.

In order to be eligible to participate in this excursion, your child **must** attend one informational meeting in person to enroll. The meetings will take place in room 240, Miss Butcher's classroom. There will be one on Monday, May 9th, and another on Wednesday, May 11th. Lastly, there will be an informational meeting on Wednesday, May 11th at 6:30pm for parents and students **via zoom**.

AMENDMENT NUMBER SIX

THIS AMENDMENT NUMBER SIX, effective July 1, 2022, is between the **Madison Board Of Education ("SFA")** and **Compass Group USA, Inc. by and through its Chartwells Division ("FSMC")**.

WHEREAS, the SFA and FSMC are parties to a certain agreement, dated July 1, 2016, and as amended by Amendment Number One effective July 1, 2017, by Amendment Number Two effective July 1, 2018, by Amendment Number Three effective July 1, 2019, by Amendment Number Four effective July 1, 2020, and Amendment Number Five effective July 1, 2021 (collectively, the "Agreement") whereby Chartwells manages the SFA's food service operation and facilities; and

WHEREAS, the parties now desire to amend the aforesaid Agreement;

NOW, THEREFORE, in consideration of the promises herein contained and for other good and valuable consideration, the parties hereto agree as follows:

1. Section 1.3 is hereby amended to add the following: The parties hereby agree to renew and extend the term of this Agreement through June 30, 2023.
2. The first sentence of Section 6.1(D) is hereby deleted and replaced with the following: "FSMC's administrative fee shall be \$9,001.93 per month for ten (10) months from September to June. All services provided by the FSMC in accordance with this fee shall remain unchanged."
3. Section 6.3 is hereby deleted and replaced with the following:

Guaranteed Subsidy. The FSMC guarantees that the bottom line of the operational financial report (exclusive of the cost of equipment repairs, maintenance, replacements, and smallwares) for the 2022-2023 school year will reflect a loss no greater than \$60,000.00. If the actual bottom line (exclusive of the cost of equipment repairs, maintenance, replacements, and smallwares) is greater than this amount, the FSMC will reduce its fee by the difference between the actual and the guaranteed amount, but in no event shall the reimbursement obligation exceed Chartwells' combined Management and Administrative Fees. The Guaranteed Subsidy and the FSMC's reimbursement obligation are based on the following conditions and assumptions. The Guaranteed Subsidy to the SFA shall be reduced to account for increased cost or loss of revenue by FSMC if the following conditions does not remain in effect during the entire school year:

CONDITIONS:

- Student enrollment shall be not less than 2,100 including kindergarten and annual serving days for such students of at least: 175 Elementary School days, 175 Middle School days, and 170 High School
- No changes in legislation or regulation (e.g., minimum wages, fringe and benefits, taxes, unionization, etc.) that would impact cost of FSMC to provide the services.
- No strikes, work stoppages or school closings, and all make-up days due to inclement weather shall have at least equal sales revenue as a normal day of operation.
- Service hours, service requirements, type and number of facilities selling food and/or beverages on SFA premises remain constant throughout the school year. SFA shall limit the expansion of competitive food sales.

- Any capital commitments are utilized as proposed.
 - The agreed selling prices of base meals will be \$3.75 for elementary schools (grades K-3), \$4.00 for lower middle (grades 4&5), \$4.00 for upper middle school (grades 6-8), \$4.00 for high school (grades 9-12).
 - Other Meal and a la carte offerings shall be sold at prices controlled by the SFA
 - The total labor costs for hourly employees of the SFA will not exceed \$475,000 including but not limited to hourly wages, stipends for longevity, cashiering, qualified food handler, and manager, as well as substitute hours, and payroll taxes.
 - The SFA will make every effort to prioritize Chartwells as their primary catering provider.
4. Confirmation and Integration. Except as expressly amended by this Amendment, the parties hereby confirm and ratify the Agreement in its entirety. The Agreement, as amended hereby, constitutes the entire agreement between the parties and their predecessors pertaining to the subject matter of the Agreement, as so amended, and supersedes all prior and contemporaneous agreements and understandings of the parties and their predecessors in connection therewith.
5. Counterparts. This Amendment may be executed in any number of counterparts, each of which shall constitute an original and all of which together shall constitute but one and the same original document.
