Item VI. Superintendent's Reports

A. Cafeteria Profit and Loss through June 2011

Dr. Fishman presented the cafeteria profit and loss report through June 2011, as prepared by Mrs. Mary Folker, Food Service Coordinator, and reviewed by Mrs. Susan Linder, Director of Building Services, and Mrs. Meg Devlin, Business Manager. She said that it shows an end-of-year loss of \$39,322. She asked Board members to look at the chart provided by Mrs. Linder, which detailed that the program brought in \$7,000 more than last year. However, the increased cost of food, supplies, payroll, repairs and insurance off-set the increase.

Dr. Fishman said that there are funds in the food service budget to cover the loss this year. She said that for next year, raising the cost of lunch and breakfast by ten (10) cents, as the Board of Education voted to do at the June 20, 2011, Board meeting, is one way to address the loss, as well as the recent elimination of a part-time cafeteria position. She said that Mrs. Linder is also currently evaluating staffing based on program needs to determine if any further cuts could be made at this time.

Dr. Fishman stated that the district will have to look at a new way to deal with the food service program moving forward. She said that recommendations will be brought to the Board during the 2011 – 2012 school year.

B. Head Start Report

Dr. Fishman presented the Head Start grant report through June 30, 2011, as prepared by Mrs. Meg Devlin, Business Manager. She reported that through June 30, 2011, the district had expended the entire Basic Head Start grant of \$51,129. This grant period ran from February 1, 2011, through June 30, 2011.

Dr. Fishman reported that the Early Head Start grant runs from September 30, 2010, through September 29, 2011. She said that through June 30, 2011, Mrs. Devlin reported that \$52,070 of the total grant of \$68,500 has been expended. She said that the district is on target to expend the entire grant before the end of the grant period.

Item VII. Public Forum
