**1. CALL TO ORDER**

L. Mara, Chair, called the meeting to order at 6:54. The roll was called and a quorum was present.

**2. NEW BUSINESS**

**2. A. Proposed Policy – 5221 Safe School Climate Plan**

B. Silvers reviewed the Safe School Climate Plan document with the committee. Changes were suggested. The committee wants the document to be a usable document from the parents' perspective. The plan needs to include certain items as the law prescribes. C. Leone emphasized that the school climate is owned by the school district. Accountability, to uphold the policy, is built into the policy on many levels.

Once the Board of Education approves the policy, it will be sent to the State of Connecticut in its final form. Changes suggested will be made by B. Silvers and distributed to the committee for final review before presenting the document to the Board of Education on February 14, 2012.

A motion was made by M. R. Walters and seconded by S. True that the Policy Committee members approve the 5221 - Safe School Climate Plan, as amended, and should be sent to the Board of Education Meeting on February 14, 2012 for approval. The motion passed unanimously.

**2. B. Discussion: Food Service Policy**

C. Leone asked the committee if there should be a policy for collection of unpaid balances owed to the Food Service. It was agreed that there should be a process in place to notify parents and collect any unpaid balances, but no policy should be established.

**2. C. Discussion: Adjustments to Facility Use Policy**

This item was deleted from the agenda.

**3. ADJOURNMENT**

At 7:32 p.m., a motion was made by M. R. Walters and seconded by S. True to adjourn. The motion passed unanimously.
