BB 9323 MEETING CONDUCT

The School Board desires to conduct its meetings effectively and efficiently. All Board meetings shall begin on time and shall be guided by an agenda prepared and delivered in advance to all Board members and other designated persons.

Parliamentary Procedure

Board meetings shall be conducted by the president in a manner consistent with adopted Board bylaws and generally accepted parliamentary procedures.

Quorum

A majority of the number of filled positions on the Board constitutes a quorum.

Unless otherwise provided by law, affirmative votes by a majority of the Board's membership are required to approve any action under consideration, regardless of the number of members present.

Abstentions

The Board recognizes that when no conflict of interest requires abstention, its members have a duty to vote on issues before them. When a member abstains because of a conflict of interest or for any other reason, their abstention shall be considered to concur with the action taken by the majority of those who vote, whether affirmatively or negatively.

(cf. 9270 - Conflict of Interest)

Public Participation

Note: [A.S. 29.20.020](#) requires the board provide reasonable opportunity for the public to be heard at board meetings.

Because the Board has a responsibility to conduct district business in an orderly and efficient way, the following procedures shall regulate public presentations to the Board.

1. The Board shall give members of the public an opportunity to address the Board during the Board's consideration of the consent agenda and each action item considered by the board.
2. At a time designated on the agenda, members of the public also may bring before the Board matters that are not listed on the agenda of a regular meeting. The Board may refer such a matter to the Superintendent or designee or take it under

advisement. The matter may be placed on the agenda of a subsequent meeting for action or discussion by the Board.

3. A person wishing to be heard by the Board shall first be recognized by the board president. They shall state their name and proceed to comment for up to three minutes. The total time allowed for Persons to be Heard, or any other public comment period, shall not exceed 45 minutes without board consent. With Board consent, the president may modify the time allowed for public comment/presentation or may rule on the appropriateness of a topic. If the topic would be more suitably addressed at a later time, the president may indicate the time and place when it should be presented.
4. No oral presentation shall include charges or complaints against any employee of the district, including the Superintendent, regardless of whether or not the employee is identified by name or by another reference which tends to identify. Charges or complaints against employees must be submitted to the Board under the provisions of Board policy and administrative regulations related to such complaints.

(cf. 1312.1 - Complaints Concerning School Personnel)

(cf. 9312 - Executive Sessions)

6. No disturbance or willful interruption of any Board meeting shall be permitted. Persistence, by an individual or group, shall be grounds for the chair to terminate the privilege of addressing the meeting. The Board may remove disruptive individuals and order the room cleared if necessary.

AR 4161/4261/4361 All Personnel - EMERGENCY COVID-19 SICK AND FAMILY LEAVE

Note: The following AR implements the federal Families First Coronavirus Response Act, which is in effect from April 1, 2020 through December 31, 2020, unless extended by Congress.

As a result of the COVID-19 pandemic, employees may have additional rights to sick leave and family leave under the provisions of the Family First Coronavirus Response Act (FFCRA). This AR shall be interpreted consistent with FFCRA.

Sick Leave for COVID-19 Qualifying Reasons

Employees are entitled to additional paid sick leave if the employee is unable to work (including an agreed upon telework plan) due to a need for leave because the employee:

- . is subject to a Federal, State, or local quarantine or isolation order related to COVID-19;
- . has been advised by a health care provider to self-quarantine due to COVID-19 concerns;
- . is experiencing COVID-19 symptoms and is seeking a medical diagnosis;
- . is caring for an individual subject to an order described in (1) above, or self-quarantine as described in (2) above;
- . is caring for a child whose school or place of care is closed (or childcare provider is unavailable) for reasons related to COVID-19; or
- . is experiencing any other substantially similar condition as may be specified by the United States Department of Health and Human Services.

Duration of COVID-19 Sick Leave

A full-time employee is eligible for up to 80 hours of COVID-19 sick leave. A part-time employee is eligible for the number of hours of leave that the employee works on average over a two-week period.

Calculation of Sick Leave Rate of Pay

For leave reasons (1), (2), or (3), above: employees taking leave shall be paid at their regular rate of pay, up to \$511 per day and \$5,110 in the aggregate (over a 2-week period).

For leave reasons (4), (5), or (6), above: employees taking leave shall be paid at 2/3 their regular rate, up to \$200 per day and \$2,000 in the aggregate (over a 2-week period).

Procedure for Requesting Leave

Employees must notify their supervisor of the need and specific reason for leave under this policy. Employees should make the request for leave as soon as practically possible. Verbal notice will be accepted until written notice can be provided. Employees are required to provide documentation to confirm the type of COVID-19 leave for which they are eligible.

Interaction with Other Paid Leave

The employee may use COVID-19 paid sick leave under this policy before using any other accrued sick leave, family leave, annual leave, or other available leave. COVID-19 sick leave does not carry over to 2021. COVID-19 sick leave cannot be cashed out.

All other policies and procedures for use of sick leave remain applicable, except as specifically modified by this AR and the federal Families First Coronavirus Response Act.

(cf. 4161.1 - Sick Leave)

(cf. 4161.2 - Personal Leaves)

Family and Medical Leave Act Expansion to Care for Children due to Covid-19

The qualifying reasons for taking family and medical leave ("FMLA Leave") have been expanded to provide leave for employees unable to work because they must care for a child whose school or place of childcare is closed (or childcare provider is unavailable) for reasons related to COVID-19. This is a new qualifying reason for taking leave under the Family and Medical Leave Act. It is not an expansion of the total amount of leave availability under FMLA. Employees must have been employed for at least 30 days to be eligible for expanded FMLA leave.

(cf. 4161.4/4261.1/4361.4 - Family and Medical Leave)

Duration of Expanded Childcare FMLA Leave

Full-time employees are eligible for up to 12 weeks of leave at 40 hours a week, assuming the employees have FMLA Leave available. Part-time employees are eligible for leave for the number of hours they are normally scheduled to work over that period, again assuming leave is available. Employees are only entitled to 12 weeks of annual FMLA leave, regardless of the reason.

Rate of Pay for Expanded Childcare FMLA Leave

The first ten days of expanded childcare FMLA leave is unpaid. However, employees may take the COVID-19 paid sick leave during this time or substitute any accrued paid leave.

Note: The above provisions for paid leave under FMLA are only applicable when leave is taken because the employee must care for a child whose school or place of care is closed due to COVID-19 related reasons. FMLA has not been expanded to provide for paid leave for other qualifying reasons, such as personal illness of the employee or family member.

After the first ten days of expanded childcare FMLA leave, employees taking leave shall be paid at 2/3 their regular rate, up to \$200 per day and \$12,000 in the aggregate (over a 12-week period—two weeks of paid sick leave followed by up to 10 weeks of paid expanded family and medical leave under the Family and Medical Leave Act).

Procedure for Requesting Leave

Employees must follow the existing procedures for taking and requesting family and medical leave. Employees are required to provide documentation to confirm eligibility for expanded childcare FMLA leave.
