Ninnekah Public Schools Policy AF

Adopted August 18th, 2022

Public Participation at Board Meetings: The purpose of a Board meeting is for the Board to conduct district's business and deliberate and act upon matters before the Board, unless the Board is specifically conducting a public hearing on a matter. The public is encouraged to attend and to observe meetings of the Board and to participate whenever a public hearing is being held. Members of the public shall not be recognized while the Board is conducting its official business.

Public participation time will be available at all regular meetings. Persons may complete the required form and request to address the Board during the Public Comment section of the agenda so long as such request is made more than twenty-four hours prior to the posting of the agenda. If the request to address the Board is approved, each person or group addressing the Board shall be allowed three (3) minutes to address the Board on matters/items which are listed on the agenda. Groups consisting of three (3) or more persons shall designate a spokesperson who shall speak for and represent the group. The Board President will recognize speakers, maintain proper order, and comply with time limits.

Persons addressing the board shall not be permitted to engage in defamatory conduct and shall not engage in disruptive behavior. The Board will not tolerate personal attacks on members of the Board, the administrative staff, or any employee.

Board Members and District Administrative Staff are not required to respond to questions or comments from the public since doing so could be in violation of the Oklahoma Open Meeting Act. The Board will not take any action on an item addressed by the public unless such item is properly posted on the agenda as an action item or is properly considered new business as defined by law.

Overview

Background

The Oklahoma Schools Insurance Group (OSIG) is a public entity of the State of Oklahoma, formed as an Interlocal Agreement in accordance with 74 O.S. 1004(f), for the purpose of joining together a group of Oklahoma public school districts. OSIG will allow member districts to more efficiently and more economically obtain and manage their insurance programs.

OSIG obtained approval to operate from the Oklahoma Attorney General on June 28, 2001. Effective July 1, 2002, OSIG began full operation by providing its member districts with broad insurance coverage through "A" rated insurance carriers and professional risk management services. Over the past 24 years, OSIG's membership has grown to 541 and the program insures more than \$32 Billion in school property across Oklahoma.

Structure

OSIG is a non-profit, member-owned, public entity program whose management is completely controlled by a Board of your peers.

"The mission of Oklahoma Schools Insurance Group (OSIG) is to provide quality, cost effective risk management products and services to member schools."

The group purchases insurance and reinsurance from "A"-rated carriers. OSIG's insurance providers are long-term partners and committed to OSIG and Oklahoma schools.

OSIG has contracted with Risk Program Administrators in Tulsa to administer the program. RPA is one of the largest insurance brokers in the world and manages programs similar to OSIG across the country.

It is important to know that the insurance coverage provided by OSIG was specifically tailored to meet the needs of Oklahoma schools. The coverage is what you need to protect your school's property, your students and patrons.

Losses are a part of life. Only OSIG has the collective strength and staying power to provide the protections you need. By remaining together as a group, OSIG will be able to continue to provide you with the quality, fair-priced **insurance and risk management** services you need to protect your school's assets, your board, your staff and, most importantly, your children.

Financial Strength

OSIG is financially strong and we have the funds (cash) we need to pay your claims. OSIG has returned more than \$9 million to our members over the years as distributions. Surplus at year ended 6/30/2025 was more than \$21 million and our assets were more than \$105 million.

We believe in complete transparency. We submit to an annual financial audit each year end and share our operating results with our members each year.

The financial condition of an insurance group should be of utmost importance to you when choosing an insurance partner for your district.

Statement of Net Assets	
As of 06/30/2025	
Cash	\$67,503,673
Other Assets	\$37,632,794
Total Assets	\$105,136,467
Total Liabilities	\$83,166,312
Total Net Assets/Surplus	\$21,970,155

We urge you to obtain and review audited financial statements from every insurance provider that may offer your school district a quote. Financial statements are required by law and can be obtained at ok.gov/oid. Click on Interlocals under the Quick Links section of the homepage. Your school's auditor can help in analyzing the statements.

Important Plan Information

It is important to understand that OSIG is not an insurance company, but rather a non-profit, cooperative risk management program owned and directed by Oklahoma Schools. Its mission is to reduce insurance costs and stabilize rates by aggregating purchasing power **with an intense focus on controlling member losses**. When losses are controlled, OSIG's member schools retain the underwriting profit and investment income thereby increasing fund reserves for future years. OSIG purchases per occurrence and liability aggregate protection for its member schools. The per occurrence insurance protects member schools up to \$2,000,000,000 for property losses and \$2,000,000 for liability claims in **each and every occurrence subject to a \$10M annual aggregate limit**. The aggregate insurance protection is purchased in the unlikely event that sum total of all OSIG losses are significantly more than actuarially projected. Additional excess liability limits are available for members requiring higher limits.

This proposal is an outline of the coverages proposed by insurers based on the information provided by your school district. It does not include all the terms, coverages, exclusions, limitations and conditions of the actual contract language. Please refer to the plan document for the details.

Actuarial Review

An independent actuary has been retained by OSIG to make projections as to anticipated claims and losses the program should expect on an annual basis. The OSIG actuary has relied on the historical loss experience and exposures provided to OSIG by the member school districts to make projections of OSIG's expected losses. OSIG adequately funds to, or in excess of, the expected loss projections through member contributions (insurance cost) and our own surplus.

Membership contributions are used to buy insurance, pay administrative expenses and fund for members' claims. Similar successful programs throughout the country for schools and municipalities are protected using the same insurance structure as OSIG has deployed. As with any insurance mechanism, OSIG does not guarantee full funding in the event unimaginable losses would materialize that are many times greater than what is indicated by past history. The OSIG board is charged with developing a plan to address under funding in this unlikely event.

Procedure to Renew Coverage

Notify your agent of your acceptance of this insurance renewal proposal. Your agent will advise the OSIG administrative staff in writing that you wish to renew the insurance coverage.

The signed Resolution by the member's Board of Education should be returned to OSIG before June 30, 2026 in order to bind coverage effective 7/1/2026.

Philosophy Club Proposal

Philosophy Club will provide students with a safe, structured environment to explore major philosophical and religious ideas throughout history while developing **critical thinking**, **respectful dialogue**, and **analytical reasoning skills**.

The Philosophy Club will offer students a meaningful opportunity to engage with foundational ideas that have shaped civilizations, governments, ethics, and modern thought. **By teaching students how to think rather than what to think**, the club supports intellectual growth and civic readiness.

The club will focus on: Ethical reasoning, Civil discourse, Intellectual curiosity, the Nature of Reality, Exposure to diverse worldviews, Chronology of major Philosophical ideas from **ancient to medieval to enlightenment to modernity**, Constructive debate and dialogue.

The goal is not to promote any specific ideology, religion, or belief system, but to foster thoughtful discussion and intellectual growth.

Participation in a Philosophy Club supports academic goals by promoting: **1.**Critical thinking and argument analysis. (Logic & Reason) **2.**Reading comprehension of complex texts. (Excerpts from The Republic-Plato, Meditations-Marcus Aurelius and others.) **3.**Public speaking skills. (All members have the opportunity to ask questions, give opinions or insight or just attend and be part of the group. Speaking is not mandatory.) **4.**Logical reasoning. (Using the Socratic method and dissecting classic philosophical questions and problems.) **5.****Respectful engagement with diverse perspectives. (Disrespecting others and/or their views will not be tolerated. Trolling, teasing and any other negative attitudes displayed as well as acting or speaking in an immature or inappropriate manner can/will result in that student being removed from the club.)**

Structure of the Club

Meeting Frequency: No more than once a week, no less than once a month. How often we meet could change based on other obligations for students or myself, interest level by the group and any other unforeseen issues.

The Day: We would discuss and determine the best day for meetings during our 1st informal meeting. I want to accommodate as many students as possible without interfering with any other school sport or activity. **Length of Meetings:** Usually 2 hours or less for regular meetings and 3 hours or less for movies. **Format of Meetings:** Short introduction to a philosophical idea or thinker. Guided discussion using structured questions. Optional debate or small group breakout discussion. Students are encouraged to keep and bring a Philosophy Journal, with which they

can keep their thoughts and questions from throughout the week to share or discuss. **Movies: The Matrix and Inception are movies I have shown in Philosophy club at a previous school.**

Meetings will follow a chronological exploration of major philosophical traditions (Ancient Greece → Enlightenment → Modern thought), along with thematic discussions (free will, justice, morality, truth, meaning of life).

Anyone can come to Philosophy Club, but Philosophy Club isn't for **everyone**.

What this statement means is that this is not a closed or exclusive club in any way, shape or form: Anyone can come! However, for some students and/or parents, this type of open discourse in terms of certain beliefs can make some uncomfortable. It's not for everyone!

I respectfully request approval to establish the Philosophy Club at Ninnekah High School.

Thank you for your consideration- Zack Josey

**Memorandum of Understanding
Between
Grady County Sheriff's Office
And
Ninnekah Public Schools**

Purpose

Cooperation between school personnel and law enforcement is essential for maintaining a safe and effective learning environment for students and staff. Through collaboration, the Sheriff's Office and the District will strive to ensure a safe and secure school environment designed to maximize effective teaching and learning without fear of violence or intimidation. The purpose of this Memorandum of Understanding (MOU) is to outline the working relationship and shared responsibilities between the personnel of the Sheriff's Office and the District in support of this goal.

Description of General Duties Sheriff's Office:

The School Resource Officer (SRO) will work to protect the school environment and maintain an atmosphere where teachers feel safe to teach and students feel safe to learn. The SRO will work to maintain a school campus free of illegal drugs, alcohol, violence, weapons, and gang activity. The SRO will strive to provide a secure campus facility and coordinate safety efforts between the District and the Sheriff's Office. The SRO will make reasonable efforts to enforce traffic laws surrounding the school area before, during, or after school.

The Sheriff's Office is responsible for responding when a student is suspected of a criminal offense, as provided by State Statute. The SRO will work as a collaborative member of the school's administrative team and will assist in school disciplinary matters when warranted. The SRO shall not take any law enforcement action against any student for violations of school rules only. The SRO's decision to physically engage any student will be based on the totality of the circumstances and the threat the student(s) poses to themselves, other persons, or property.

The SRO will work within the school setting as an instructor of law-related material and mentor/resource for students, staff, parents, and the community. The SRO will attempt to break down barriers between law enforcement and youth by establishing better communication and understanding about the legal system. The SRO can instruct in the capacity of a "guest speaker," and the regular classroom teacher must be present during the SRO's presentation.

The SRO shall collaborate with community agencies that assist youth and their families, such as mental health clinics and drug/alcohol treatment centers. The SRO may make referrals to such agencies and act as a resource to the district's students, parents, faculty, and staff. The SRO shall also act as a liaison between law enforcement, schools, and the community.

The Sheriff's Office currently provides the agreed-upon number of SROs. Each SRO will be assigned additional duties to include, but not limited to, school safety programming and coverage for other schools in the County as needed. These assignments or numbers can be adjusted annually or as the Sheriff's Office requires. The Sheriff's Office will assign SROs to work in the schools from approximately one week before the start of the school year and approximately three days past the end of the school year.

During the portion of the year that a SRO is not at the school on a daily basis the Sheriff's Office will make daily patrol's, Monday through Friday, to schools throughout the county. SROs shall not be used as replacement employees for the District related absences or shortfalls of staff.

Description of General Duties the District:

The Sheriff's Office will provide one SRO for each regular School Board meeting at the request of the District. The SROs responsibilities during the meeting will be to represent our partnership, speak to student safety issues, and provide meeting security.

Students are considered to be under the authority of the District when they are on school property, on school buses, at school bus stops, and/or while participating in or attending school-sponsored activities conducted on or off school property. The District is responsible for supervising or detaining students for the enforcement of school disciplinary matters. It is the sole prerogative of school officials to impose disciplinary sanctions for infractions of school rules and policies. The SRO should work collaboratively to report any violations of school policy to school administrators. When a school official has a reasonable suspicion to believe a crime has been committed by a student while under the authority of the District; school officials should notify an SRO or, if an SRO is unavailable, contact an SRO Supervisor. In emergencies, school officials will notify the Sheriff's Office via the most expedient manner available, which may include calling 911.

All district employees have the responsibility to report to the principal, the SRO or other designated representative all incidents where the official has a reasonable suspicion that a violation of law occurred. Examples include, but are not limited to, threats or acts of violence: use, possession or distribution of any drug or alcoholic beverage: and possession of any weapon should these violations occur while the student is under the authority of the District. Each suspected incident is to be reported immediately to an appropriate school official as well as the

SRO. School officials may not enter into any agreement with a student and/or parent/guardian that includes an agreement not to notify law enforcement of a suspected violation of law.

For purposes of the District Policy/Regulation on video surveillance, the SRO has been designated as a school official having access to the camera equipment and operations system. The District shall provide the SROs with a secure private office, a locking file cabinet, a computer capable of running applications owned by the Sheriff's Office, a desk, chairs, and a telephone. The office or office door, if possible, should have a window which allows a view into the SRO's office from the interior of the school building.

Information Sharing

The District understands the confidentiality issues surrounding law enforcement and the Sheriff's Office understands the confidentiality issues involving public schools. As such, the parties mutually agree that their employees will not solicit any information, either verbally or in writing, which would place either the District or Sheriff's Office in violation of any law, policy, and/or procedure of either party.

The parties mutually agree to share information as it pertains to the safety, security, and well-being of students, staff and the school campus as allowed by law and in compliance with all Sheriff's Office and District policies and procedures. As a member of the school's administrative teams, the SROs will be provided access to the directory information contained in the District's student management software.

Supervision Responsibility and Chain of Command for the SRO

The District and its employees understand and agree that all SROs assigned to schools are employed by and under the control of the Sheriff's Office. The Sheriff's Office will determine the work schedule for the SROs. The SRO cannot act in any manner that will be in conflict with any Sheriff's Office policy and procedure or State or Federal laws. The SROs are accountable for their actions to the Sheriff.

The Sheriff's Office will supervise the SRO with input from the District. The District agrees to follow and inform their employees to follow the chain of command established by the Sheriff's Office when dealing with their SROs. The chain of command, in order of contact is as follows:

1. SRO Lieutenant
2. SRO Captain
3. Under Sheriff

4. Sheriff

The Sheriff's Office will provide the District with the names and contact numbers of the above-mentioned individuals.

The Sheriff's Office may remove any SRO from any school for Sheriff's Office purposes, including but not limited to, training, necessary manpower needs, vacation, sick leave, court, meetings, and emergency situations. The Sheriff's Office will work to minimize the absences of the SROs from their assigned school(s). The SRO will provide advanced notice to the affected school(s) and District administration when such removal/absence is required. During absences the Sheriff's Office will attempt to replace the absent SRO with another SRO from the SRO Division if available.

Authority Regarding Enforcement of Applicable Laws and Procedures by the SRO

It is understood that the SROs main responsibility is that of a law enforcement officer first and that the SRO will enforce any State laws as they deem necessary and/or are required. When investigating a crime, Sheriff's Office personnel may interview students on school grounds while school is in session after notifying a school administrator or designee and making arrangements before interviewing a student. The SRO or school administration/designee shall notify the parents/guardian ahead of the time the interview is to take place and shall invite the parents/guardians to be present. School Administration/designee may be present during the interview only if requested to be present by the student or the parents/guardian. School Administration/designee will call the student to the office or other area where the interview is to take place. If the student is 18 years of age, the student may waive notification of their parent/guardian for a law enforcement interview. Not all interviews can or will be conducted in a school setting. The sole discretion of where an interview will take place is at the discretion of the Sheriff's Office.

Emergency cases in which the health, safety, or welfare of a student or property is at stake may require immediate action by the Sheriff's Office or SRO and not allow for prior permission of the school's Principal. It is the obligation of the Sheriff's Office to notify school administration as soon as possible in such cases. Notification of parents/guardians is not required when the Sheriff's Office is investigating child abuse cases. School Administration or designee may be present during an interview for suspected child abuse only when requested by the student.

The SRO may speak with a student without permission from the parent/guardian or principal when that student seeks out the SRO to explain a situation that the student wishes to

make known to the SRO. If, in the opinion of the SRO, the information the student provided requires parental involvement, the SRO will advise the principal and notify the parent.

Juvenile Justice

In order to provide the students of the District with services that are appropriate to their circumstances, the Sheriff's Office will adhere to the principles established by current best practices in juvenile justice. The District and the SROs will work together to ensure the maintenance of a safe and effective learning environment while keeping students in school. The SRO will use his/her discretion based on the totality of the circumstances and the threat to the school when removing a student from the school. The District may take whatever action is warranted under its progressive discipline plan and should not base the District's decision solely on whether the Sheriff's Office pursued any criminal charge.

Desired Outcomes

The goals and objectives of this partnership between the Sheriff's Office and the District are to maintain and enhance a close working relationship with shared responsibilities. Through collaboration, these entities will attempt to ensure a safe, secure, drug and violence free school environment designed to maximize effective teaching and learning, without fear of violence or intimidation. These objectives will be met with consideration given to the interest of protecting the community while protecting the rights of the individuals, and establishing a professional partnership between the District and the Sheriff's Office.

Meetings between school officials and the Sheriff's Office will be held as needed or upon request by either party to ensure the effectiveness of this agreement.

Terms and Conditions

1. This MOU is entered in this _____ day of _____, 2026, by and between the School District and the Sheriff's Office
2. This MOU shall become effective upon the date first written above and shall remain in effect for a period of 2 years unless sooner terminated by either party.
3. This MOU may be terminated by either party with 30 days prior notice.

4. This MOU may not be modified or amended except in writing, which writing shall be expressly identified as part of the MOU and which shall be signed by the parties hereto.
5. In the event that any court of competent jurisdiction shall hold any provision of this MOU unenforceable or invalid, such holding shall not invalidate or render unenforceable any other provision hereof.
6. All other prior discussions, communications and representations concerning the subject matter of this MOU are superseded by the terms of this MOU, and except as specifically provided for herein, this MOU constitutes the entire agreement with respect to the subject matter hereof.

IN WITNESS WHEREOF, THE PARTIES HAVE CAUSED THIS AGREEMENT TO BE SIGNED BY THEIR DULY AUTHORIZED OFFICERS.

Dear Ms. Jones:

Thank you for partnering with CFEL through our Basic Legal Services Program (BLSP) during the 2025–26 school year. We value the opportunity to support your district as public schools navigate increasingly complex legal and operational challenges. As CFEL celebrates 40 years representing Oklahoma's public schools, our commitment remains the same: practical, timely guidance that helps administrators and boards make informed decisions, reduce risk, and keep the focus on students.

This past year, we continued to expand and strengthen our team. We welcomed Senior Associate Tyler Hopkins and wish Jeffrey Scott the best as he transitions to another firm. Our goal is to provide advice grounded in the ever-changing realities district face. To that end, our attorneys spoke at numerous conferences across Oklahoma, providing school-focused guidance on superintendent contracts, special education best practices, Title IX compliance and professional boundaries, employment matters, and collective bargaining.

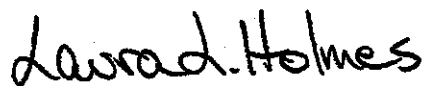

We are honored that our work on behalf of school clients continues to be recognized. BEST LAW FIRMS again named CFEL a TIER 1 firm for Education Law in Oklahoma, while BEST LAWYERS and 405 MAGAZINE again recognized Laura Holmes—who just celebrated 30 years with the firm—for the experience and expertise she continues to provide to BLSP participants.

BLSP is designed to deliver predictable value and fast access to legal counsel at a cost befitting the budgets of public school district clients, and the annual program fee will remain **\$1,000.00** for the coming year. In return, participants receive a **\$75.00 monthly credit plus discounted hourly rates** for attorney time and travel time at one-half the regular rate—making it easier to call early, address issues before they escalate, and manage legal expenditures. However, due to the rising cost of delivering high-quality legal services (including staffing, training, research tools, and technology that supports responsiveness and consistency), BLSP discounted hourly rates will increase by **\$35.00 or \$25.00 per hour** beginning with the 2026–27 contract. Even with this increase, our rates remain competitive for attorneys with comparable experience, and the BLSP continues to provide a meaningful discount over and above our standard below-market hourly rates.

Ms. Regina Jones, Superintendent
May 26, 2026

Enclosed is the BLSP contract for the 2026–27 school year and an invoice for the program fee. If the contract meets with your approval, please submit it to your Board for consideration. After Board approval, please return the signed contract along with the **\$1,000.00** BLSP fee. If you would like to discuss how districts use BLSP most effectively, or if you have any questions about the contract or updated rates, please contact me or Andy Fugitt. We appreciate the opportunity to continue serving your district.

Respectfully,
