

Alsea School Board Meeting
Monday, January 12, 2026
6:00 PM
Staff Room
301 S 3rd St
Alsea, OR 97324

Alsea School District 7J
301 South 3rd Street
Alsea, OR 97324
541.487.4305

1. **Call to Order**
 - a. Flag Salute
 - b. Approval of Agenda
2. **Consent Agenda**
 - a. Approval of Minutes
 - i. December 8, 2025

Board Members Present: Risteen Follett, Jamie Olsen, Russ Ceperich, George Laiblin, Soren Rounds

Board Members Absent: None

Staff and Patrons Present: Stacy Knudson, Stephanie Lewis, Lora Nickle, Jackie Olsen

Present Online: Staff and Community attended online

1. **Call to Order – 6:02 PM**

a. Flag Salute

b. Approval of Agenda

The agenda was approved as presented.

2. **Consent Agenda**

a. Approval of Minutes

i. October 13, 2025 - *revised*

ii. November 10, 2025

b. Month End Reconciliation & Financial Board Report

Soren Rounds motioned to approve the Consent Agenda as presented. Jamie Olsen seconded the motion. Motion carried 5-0

3. **Patron Comments:** None

4. **Reports**

a. Superintendent / K-12 Principal Reports

i. Enrollment Reports

ii. Regular Attenders

iii. Athletics and Activities

Stacy Knudson presented her reports to the Board. The documents is available online.

b. K-5 LaHO Principal Report

Heather Shunk was not available to present her report. The document is available online.

c. Business Manager Report

Jackie Olsen presented the financial report to the Board. The document is available online.

d. Safety Committee Report

Lora Nickle presented her report to the Board. The document is available online. The Board asked clarifying questions.

5. **New Business**

a. 2025-27 Integrated Guidance / SIA Grant Agreement

Stacy Knudson presented the Grant Agreement to the Board. She stated that the Grant Application was presented at the October Board meeting. New this year, Board approval for the Grant Agreement is required. She reminded the Board of the Targeted areas that we plan to improve. These areas are; 4 year and 5 year Graduation Rate, 3rd Grade Reading, Regular Attenders, 9th Grade on Track and iReady scores. The Board asked clarifying questions. Jamie Olsen motioned to accept the SIA/Integrated Guidance Grant Agreement as presented. Russ Ceperich seconded the motion. Motion carried 5-0

b. Tuition Reimbursement

Stacy Knudson requested reimbursement for the classes she is taking to complete the practicum piece, 7 credits towards completion of PROAL at the University of Oregon.

Jamie Olsen motioned to approve the reimbursement of tuition funds up to her contract amount of \$5,500. Russ Ceperich seconded the motion. Motion carried 5-0

6. **Old Business**

7. **First Reading *(Shaded words are new/strikethroughs are deleted)**

8. **Second Reading**

9. Third Reading

a. IF - Curriculum Development

The additional information added as paragraph two as per Jamie Olsen's request was approved by the Attorney at OSBA. The Board discussed. Russ Ceperich motioned to approve policy IF as presented. George Laiblin seconded the motion. The motion carried 5-0

10. **Board Comments**

Jamie Olsen wanted to discuss the January 13, 2026 Community event to raise the awareness of the roles and responsibilities of the School Board. She would like to see flyers and Remind notifications sent out prior to Winter break as well as following the break. The Board discussed where the event will be held. Chili and cornbread will be served. Jamie will reach out to Deb's Café or the Alsea Community Library for a space to meet.

Risteen Follett gave a shout out to our athletic teams that attended the tournament in Grants Pass this past weekend. The HS girls basketball team won the tournament. All students were polite, and showed good sportsmanship to the other teams as well as cleaned up after themselves.

11. **Future Agenda Items**

12. **Key Dates**

Winter Break - Dec. 22 - Jan. 1 - (No School)

Teacher Workday - Jan. 5 - (No School)

School Resumes - Jan. 6

Regular School Board Mtg. - Jan. 12 - 6:00 PM

13. **Adjournment: 7:27 PM**

- Seth Stevens, CTE/Shop
- d. Hires - Glenn Bravy, Head Coach, MS Boys BBall
- Talon Sims, Assistant Coach, MS Boys BBall

3. **Patron Comments:**

The Alsea School Board of Directors values the opinions and input of students, staff, parents, and community members. Although board meetings are held in public, they are not meetings of the public. Please keep your comments to 3 minutes or less. If you intend to speak to the board this evening, you will need to fill out one of the blue comment cards and hand it to the Board Secretary, Lora Nickle. Public comments may also be made via Zoom. If you intend to speak via Zoom, please put your name in the comments so that the board chair can call on you. Before you begin your comments, please state your name and if you are speaking for an organization, please state that organization. For more information about public comments at a board meeting, please see Alsea School District Policy BDDH.

4. **Reports**

- a. Superintendent / K-12 Principal Reports

Alesea School District
January 2026 Board Meeting Board Report
Stacy Knudson, Superintendent/K-12 Principal,
Food Service Director + Special Education Director
SUB Athletic Director

1. Facilities -

- a. Lead in Water updates on updated labs. Preschool faucet lab result updated to ND (not detected). The bus barn spigot is still in remediation, though only used to wash buses and on an exemption from ODE.
- b. HASS reporting has been submitted to ODE as well as the Facilities collection report with our new CTE building added.
- c. Community partners kindly dedicated labor and materials to lay 2 - 20x20 ft. concrete slabs outside the CTE building. They will house our sawmill and our new greenhouse for the developing programs. Thank you for this incredible improvement to our campus and CTE programs.
- d. ODE delivered our site assessment report with recommendations for campus security. We are currently working with Stryker for a campus-wide intercom system and Aptegy for a new, streamlined mass communication and marketing system.
- e. Phase 2 of the Seismic Rehabilitation includes applications for both the west wing and east wing. Documents have been sent to each of you. ZCS is finishing the QA/QC this week and will submit the final report after that is completed.
- f. Stage concessions have been painted and look amazing. Art classes will be adding a mural later this year.
- g. We are adding new LED lights around campus for safety reasons and extra lighting in the front and at the gates for safety as well as visual 'curb appeal.'
- h. The North Modular has been cleaned and set as our online classroom. Ms. Wilson operates those classes as well as serves as our HSS academic advisor. We have been included in LBL-ESD's junior/senior night as well. Dinner is provided and guidance on FAFSA, college apps and scholarships will be held later this month.

2. Schedules and Systems

- PLC work K-5 (B+M and LaHo) and 7-12 meetings routinely 2x/month. With ODE's guidance on HSS compliance, HS PLC teams will add one meeting a month to include on track status and interventions.
- High Dosage Tutoring is entering its second phase next week. New rounds of assessment have just completed and groups are being designed.
- Informal observations are underway this month for all staff.
- Instructional Rounds part 3 begin this month. K-12 focus is on differentiation and center work.
- Semester 2 planning is underway. Staff are collaborating with student interest data to develop more engaging and aligned elective offerings. That schedule and forecasting will be finalized this week.

- 2026-27 Calendar development is set based on staff survey data, ODE instructional requirements, PD needs and student success needs.
- 2026-27 Budget development has started. Staff have request forms they are working through to help guide this process. The business office is also working through a shared excel spreadsheet in our monthly business meetings to ensure we are clearly communicating. In addition to the development of next year's budget, we are meeting to ensure all expenditures and staffing are coded correctly each month.
- MAC training has been established for the District Coordinator, Stacy Knudson, the District trainers Friday the 9th. All staff will be trained on February 6th.
- After school programs will begin in the second semester. These include tutoring in math, music and potentially lego robotics if the interest supports it.
- The Family liaison has monthly events scheduled for January through April. More details will follow, but include family game night, craft night, literacy night and a book fair!
- We are working to create monthly fundraising events for extra curricular activities. This month we are doing the Mo's clam chowder for athletics.
- Within SpEd., our contract with LBL is effectively serving our students and staff in progress monitoring, psych. Guidance and referral protocols as well as autism resources. We are currently scheduling training to IAs and all staff on serving needs.
- Admin. and the academic advisor have been reviewing transcripts, ensuring course codes are accurate and grad plans align. These plans get reviewed with each student and letters sent home by our academic advisor.
 - We are also researching edynamics CTE courses to add to our catalog of offerings. Courses include health occupations, business pathways, engineering pathways and ag. Science pathways. We are working with eDynamics on an implementation of courses that align to our student interest survey results.

Fiscal Updates

- Movement from our LaHo platform to zoom saves \$15,000. The new zoom platform has presented numerous challenges, however. Heather, Nathan and Lora are working daily to assist in the trouble shooting. If we cannot remedy the platform issues, we will look at other options.

Discipline Data to be updated and presented at February's meeting due to holiday break and lack of data.

Alsea Wolverines' Athletic Dept.

- Schedules continue to be adjusted and updated per officials' schedule needs change and transportation adjusts. All updates are communicated through Remind, social media and OSAA.
- Shared Google Sign up sheets have all athletic duties posted and filled
- Shared Google Sheet has been created for all athletic program practices
- 3rd/4th grade basketball is being coached by Zeb Olsen and Alyssa Olsen and they are off to a great start! We now have 3rd/4th, MS Girls, MS Boys and HS Girls/HS Boys practicing and playing every day. It is exciting to see so many kids involved and the community support!
- Weekly practice updates and game schedules are being posted weekly Sunday evenings.
- Senior Night is set (currently) for February 12th against Eddyville.

Community Engagement

- a. OSBA + ASD Board community training at Deb's Cafe - January 13th
- b. Semester 1 field trip incentive: No missing assignments by Jan. 20th and students get to attend a trip on the 23rd! Elementary students are attending Peak Elite's center and MS/HS are going bowling.
- c. Home basketball games are in full swing for 3rd - 12th grades. Check out the events calendar and cheer on your wolverines!

ALSEA SCHOOL DISTRICT BOARD REPORT

Name: Heather Shunk **Position:** Principal

BOARD MEETING DATE: January 12, 2026

Live Virtual Classroom Shift - This month, Learn at Home Oregon has experienced ongoing adjustments to our virtual classroom platforms as we work to identify the most reliable and effective option for live instruction. Shifting virtual classroom spaces creates a significant lift for teachers, students, and families, requiring changes to routines, new technical learning, and additional preparation and troubleshooting.

At this time, we have not fully solidified the platform we will be utilizing moving forward, and as a result, there has been some interruption to instructional flow and learning continuity. Staff have been working diligently to respond quickly, test alternative solutions, and minimize disruption while continuing to provide instruction and support.

Despite these challenges, I am incredibly proud of the patience, perseverance, and flexibility our students have demonstrated. Students have shown resilience as they adapt to new systems and expectations, and teachers and families have continued to partner closely to support student learning. This experience has highlighted both the complexity of virtual instruction and the strength of our school community as we navigate challenges together.

December Assembly- Celebrations for birthdays, attendance, welcoming new students, sharing winter wishes, silly dances, all the great learning happening in classes, students of the month, and sharing what we learned about “ENGAGEMENT” and how important it is to be “engaged” in learning and life.

[January LaHO Newsletter](#)

School House System: Intentional Rollout

Learn at Home Oregon is launching a **School House System** to strengthen student belonging, social-emotional learning (SEL), and school culture. House systems are a **long-standing tradition in schools around the world** and have been shown to positively impact student connection, attendance, and engagement in learning.

LaHO houses will center on key character traits such as perseverance, kindness, care, curiosity, and responsibility. The rollout will be **intentional and phased**, with an initial focus on building unity, relationships, and house identity rather than competition or point systems.

House assignments will be revealed at the January assembly, with additional elements introduced over time as the system becomes established and sustainable.

c. Business Manager Report

January 8, 2025

TO: Asea School District Board of Directors
FROM: Stephanie Lewis, Asea School District
RE: Financial Statements for fiscal year 2025-26

Board Members,

Attached are the financial statements through December 31st, 2025. The reports include:

- General Fund Statement of Revenues – Budget vs. Actual
- General Fund Statement of Expenditures – Budget vs. Actual
- Total Appropriations for the year
- Summary of Other funds

Fiscal Year 2025–26

For July 1 through December 3, actual revenues and expenditures show an estimated Ending at Fund Balance of \$5,957,448. Of this total, \$5,467,217 is set aside as Contingency and Unappropriated Ending Fund Balance, with a remaining balance of \$490,231.

Updates

A new estimate for the State School Fund was released in November. The financial reports reflect the new estimates, no change from last month.

In November, the majority of the district's property taxes were received. Of the budgeted \$540,000 of current year property taxes, a total of \$501,879 has been collected.

The audit has been completed and submitted by the deadline as required. The general fund beginning fund balance is \$6,465,781, which is \$234,219 less than budgeted.

This next paragraph pulled forward from last board meeting with no changes:

Oregon's December Economic and Revenue Forecast shows Net General Fund and Lottery resources up \$318.8 million since September, reducing the previously projected budget deficit from roughly \$400 million to about \$80 million. Despite this improvement, revenues remain \$635.9 million below the Close of Session Forecast, and significant uncertainty remains due to pending federal decisions and other emerging state cost pressures. The forecast also notes a \$31.1 million decrease in Corporate Activity Tax revenues, though reserves keep Student Success Act funding stable for now. Overall, the state is still facing an estimated budget shortfall closer to \$600 million, underscoring the need for continued vigilance and strong advocacy to protect K–12 programs. A final forecast in February will guide remaining adjustments for the 2025–27 budget cycle.

Investments

As of December 31, 2025, Alsea's investments total \$7,240,061 in the Local Government Investment Pool, earning an annualized interest rate of 4.43%, same as last month.

Please don't hesitate to reach out with any questions or concerns about these statements.

d. Safety Committee Report

Alsea School District
Safety Committee meeting
January 8, 2026 3:30 PM

Present: Stacy Knudson, Mary O'Brien, Sara Littlefield, Keenan Elbers, Lora Nickle

1. Staff Concerns
 - a. On the side of the play shed closest to the green modular there are two large pieces of wood with rebar sticking out of them. They were part of the border of the playground.
 - b. Locker room access. The locksmith needs to come back to:
 - *correct the locking mechanism on the boys' locker room door. When attempting to lock the door, the display that switches from 'unlocked' to 'locked' stops in between where half of each is shown. This results in the door not being unable to be locked.
 - c. Play shed
 - * smooth out chipped wall areas, possibility of splinters.
2. Pace -
3. Upcoming Fire Drill / Evacuation Drill
 - a. 1/15/2026

The committee discussed all issues with Keenan Elbers. He has been trying to reach the locksmith to fix the locker rooms. Other issues left over from the seismic work will be addresses with IMS and Todd Construction.

5. **New Business**

- c. 2026-27 Alsea School Calendar
- d. Apptegy - Messaging system

Hey Team!

Like we talked about, with so much competition for students, teachers, and space in people's minds, it has never been more important to share the positive things happening at the district. And with all of our current and prospective families being on mobile, that is your biggest opportunity to build those advocates.

And with Apptegy, you now have one place where you and your staff can go into and share the positive stories happening at the district. I included in this booklet a few examples of what that could look like.

Take care,

Caden

Include everyone on the device they use most.

Push Notifications

Send push notifications to subscriber groups in the app to drive your community back to the app.

School Sections

Enable users to drill down to view content for a specific school or set a default school.

The Info People Want

Provide easy, native access to the content and information your parents want most.

Most districts go wrong by thinking that just getting a new website is enough to connect with families and their community. The problem is, people spend the majority of their time online in mobile apps, not their browsers.

If you just need a depository of information, a simple website will be the way to go. In fact, there are many free websites you can use to accomplish this goal. In most cases, school districts have other reasons to upgrade their websites: **to make a better impression, provide a good user experience, and attract students, teachers, and attention.**

To reach that goal, you have to meet people where they spend their time online. That's why we help you build a **mobile strategy.**

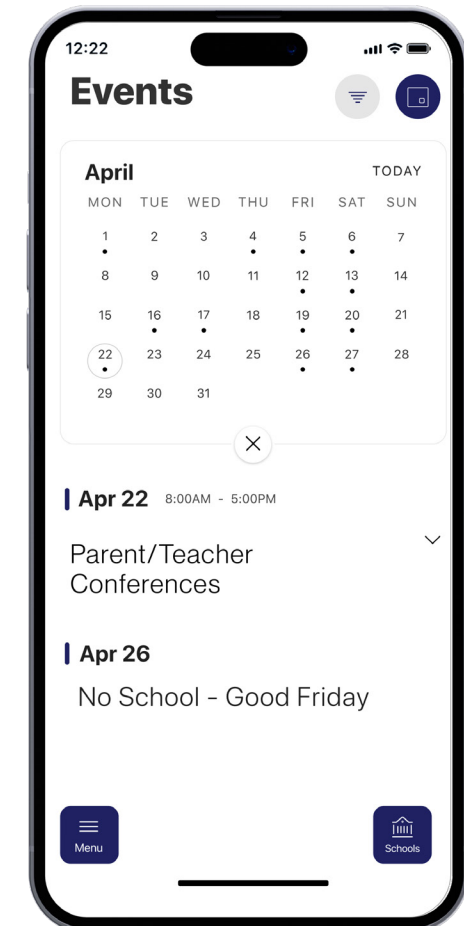

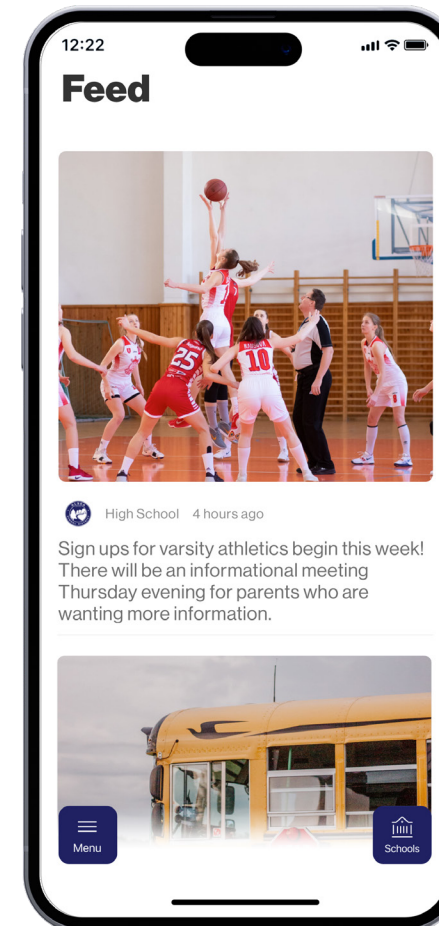

Single Source of Truth

To win in school marketing, you need to stand out on the devices people use the most. That's why we use state of the art design and technology to create an intuitive user experience that your audience will love. Our native mobile apps load quickly and present information so it's easy to understand on a smaller screen.

Fully native for iOS and Android so your community has a great user experience no matter what phone they're using.

Your Website Could Look Like This:

We follow modern design best practices to offer a clean and appealing visual experience to your audiences. **Every website we build and host is ADA-compliant.** In addition to providing the tools to ensure compliance, we also provide ongoing **ADA training** for district staff to ensure that added content is compliant as well.

Share What Makes Your District Stand Out!

Live feed

A place for short updates to keep everyone in the loop. It's like a Twitter feed reserved for school information.

Events

Bring your community together with a simple and powerful events calendar.

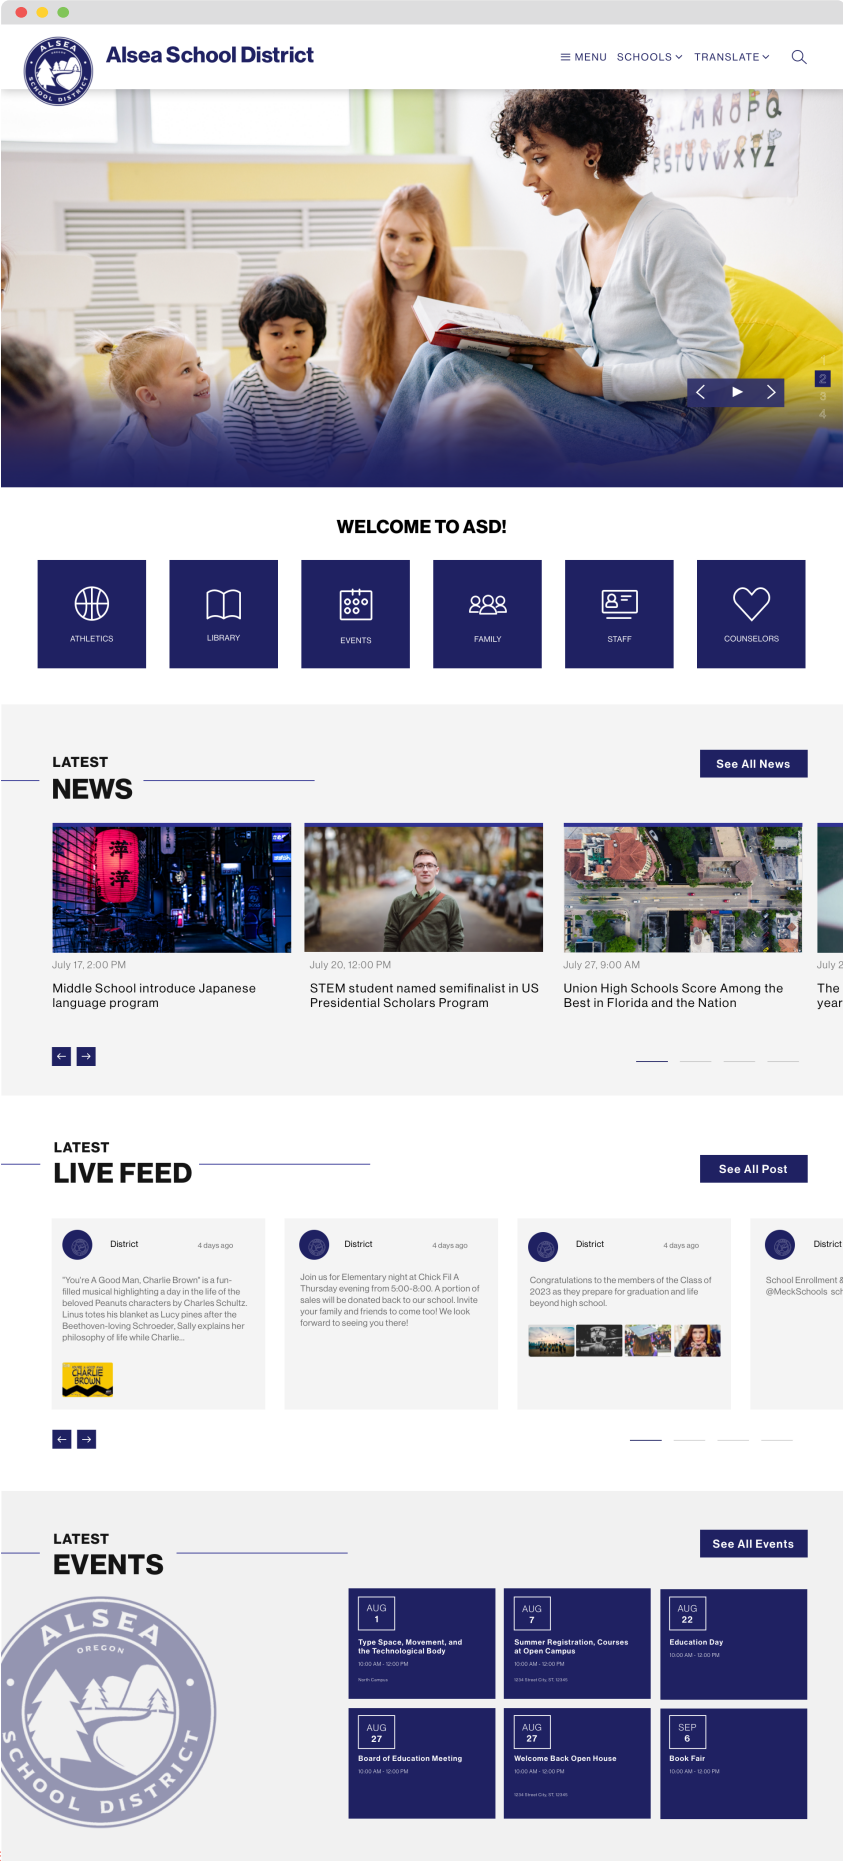

News

Highlight the exciting stories and achievements going on in your district.

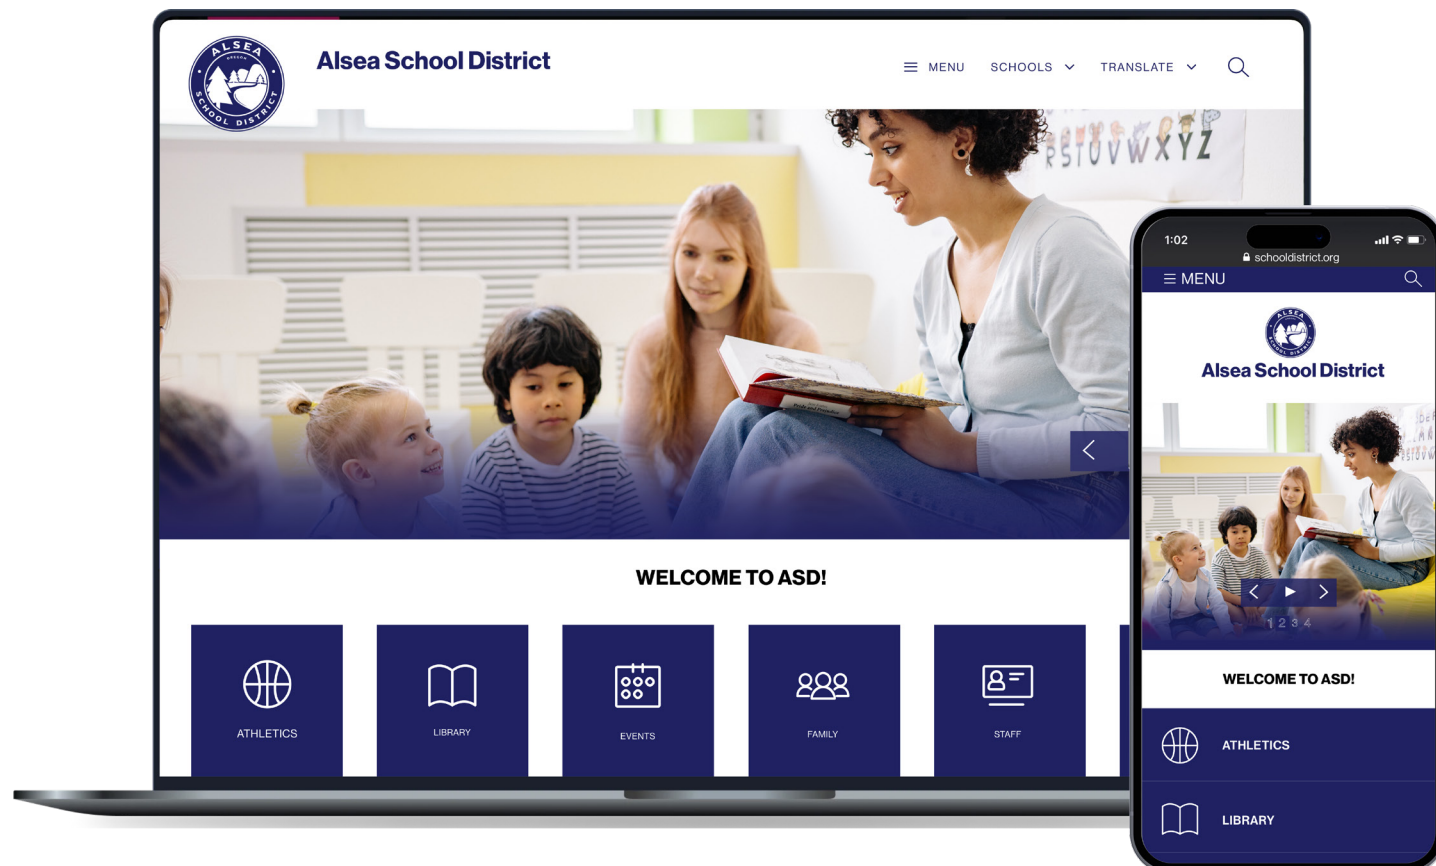

Programs

Highlight what really matters. We'd love to feature your programs and make it easy for your audiences to find what they're looking for.

Build an experience your audience will love.

A good website stands out by offering a great user experience. That's the best way for you to make a positive first impression and get people to come back.

Responsive Design That Works On Any Device

Having a responsive website is a **must**. It's an important part of your mobile strategy, so we build all of your websites to be fully responsive. This also means you don't need to recreate content to make it accessible to smartphones. This helps users with visual or motor impairments navigate the website from all device types and screen sizes.

Language Translation

In today's world, you need to engage diverse audiences. Successfully doing so is about more than just translating your website, mass notifications, and mobile app to other languages. Often, message formatting is thrown off after a translation feature is applied, and the user ends up with a message that's illegible.

No one in your community should feel like an afterthought. That's why we use the most robust translation services to power the translation of your website, mass notifications, and mobile app, all while retaining the same great user experience.

Create, share, and manage **your brand.**

The stories of student achievement happen in your classrooms, stadiums, and auditoriums. Apptegy's app for Android and iPhone allows the people closest to the stories to be the storytellers, wherever they are.

Simply take out your phone, write an update, and instantly share it across all the devices and social networks your community uses to find information.

Advocate for your schools with a powerful brand.

Ease of Use

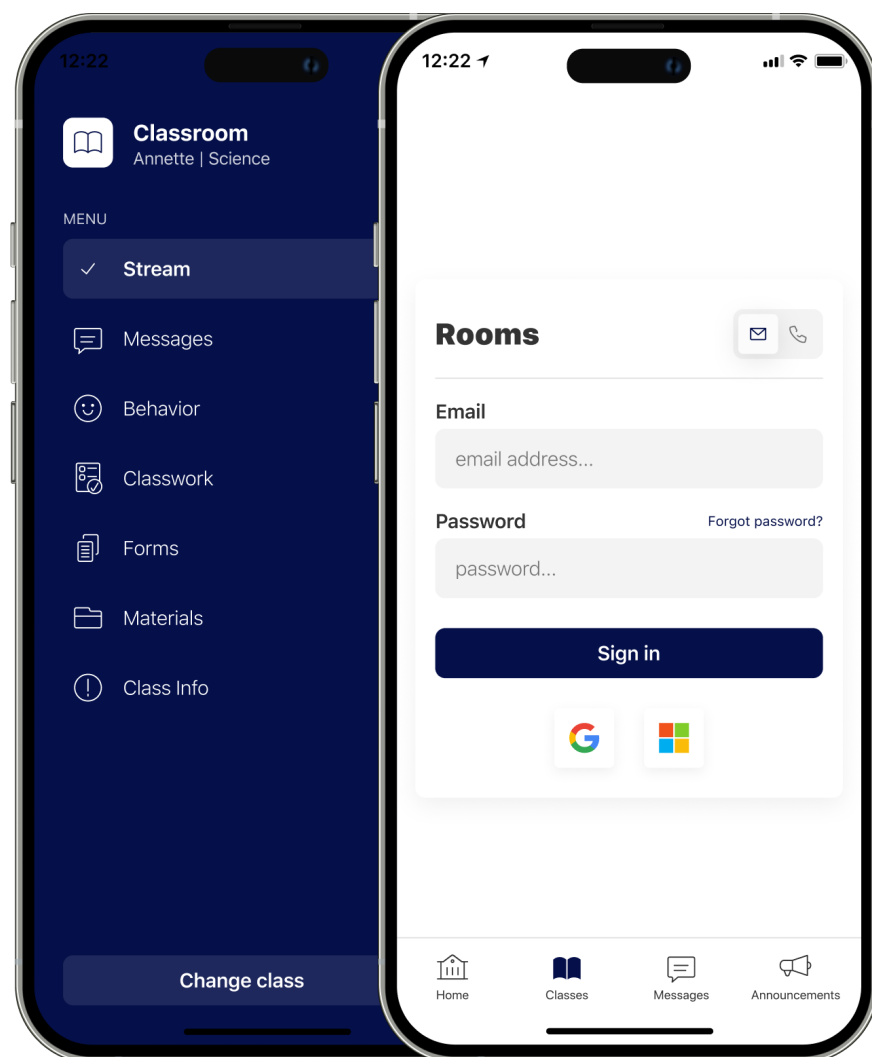

Most districts have to make an impossible choice: use a system that is really simple but lacks functionality or use a system that's comprehensive but too complex for most users. That's why we built the Apptegy Platform.

With Apptegy, you can **write a message** once and automatically send it across your mobile app, website, Instagram, Facebook, X, push notifications, text messages, voice calls, and email. Sharing is simple, and you can be sure that each message makes it home.

The districts we work with replace their current emergency notification system with our built-in alert system. That way, your entire team has **just one platform to update.**

Make your app the hub of **teacher-family communication.**

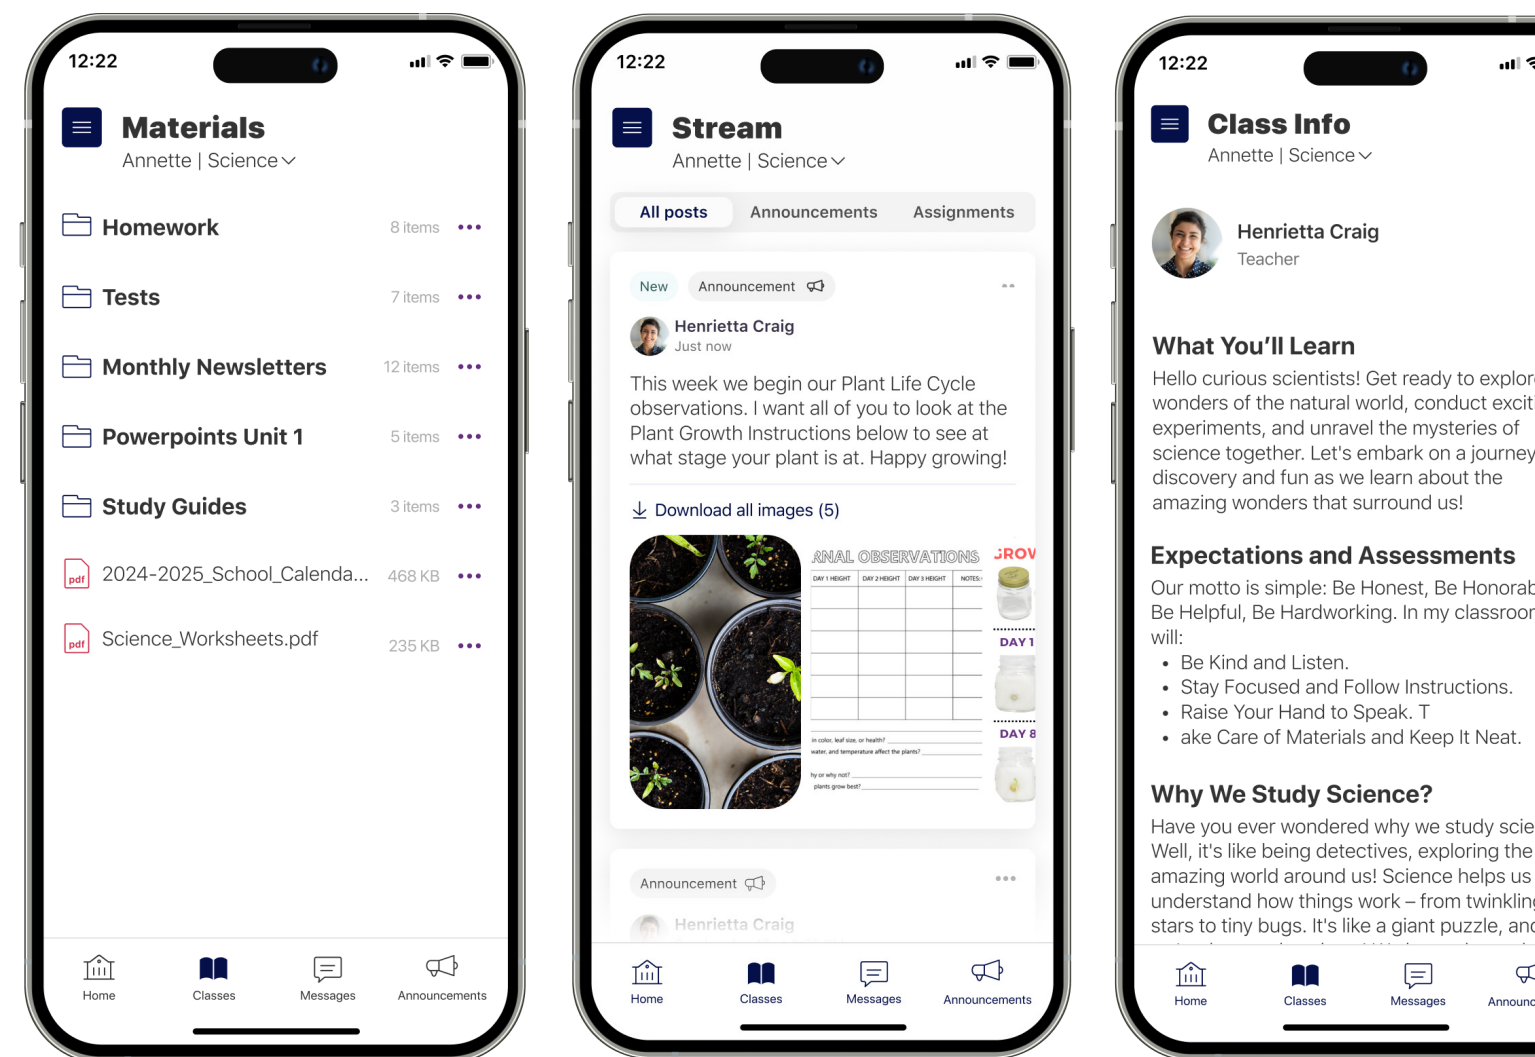

Guardian, student, and teacher user experience is at the heart of what makes Apptegy so powerful. Apptegy empowers everyone in your district to be better communicators.

Having a digital classroom is no longer just an option—it's a necessity. Apptegy helps teachers manage online classrooms and family communication all through one tool.

Bring the dialogue into one place.

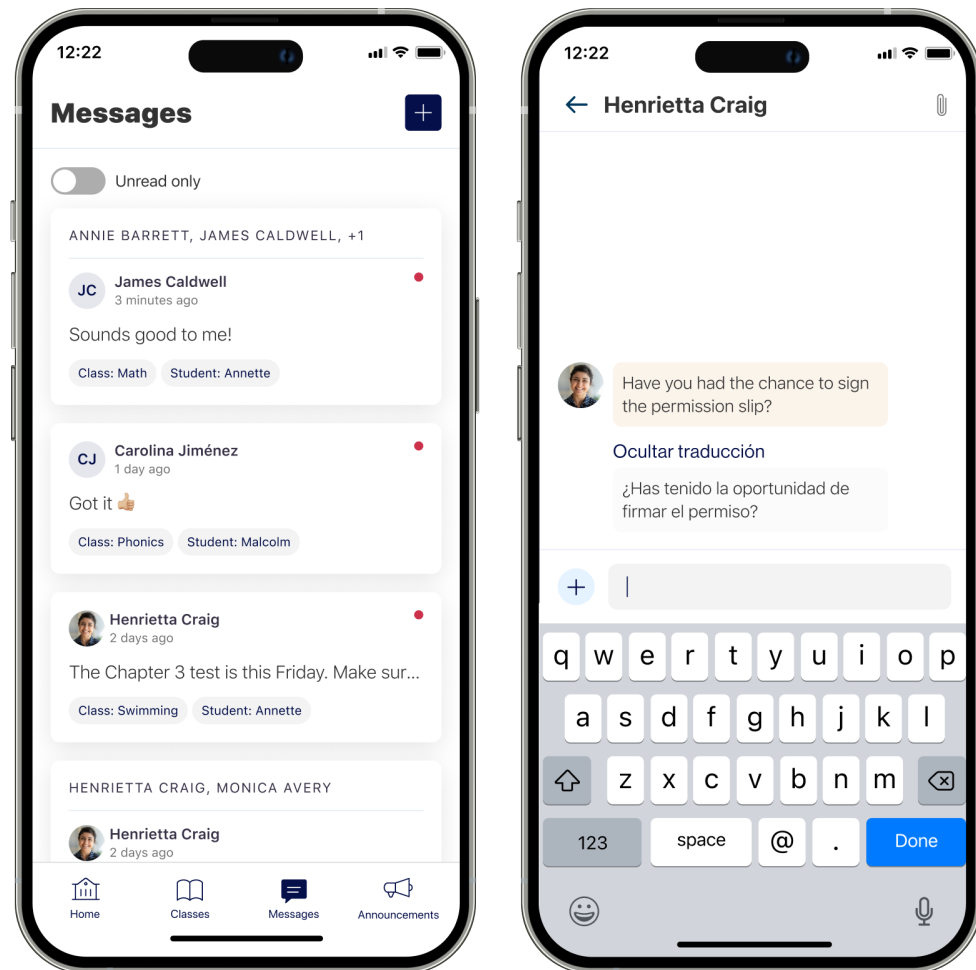

Teachers play a key role in promoting and representing a district's brand. Apptegy empowers teachers with the tools needed to give families a seamless communication experience.

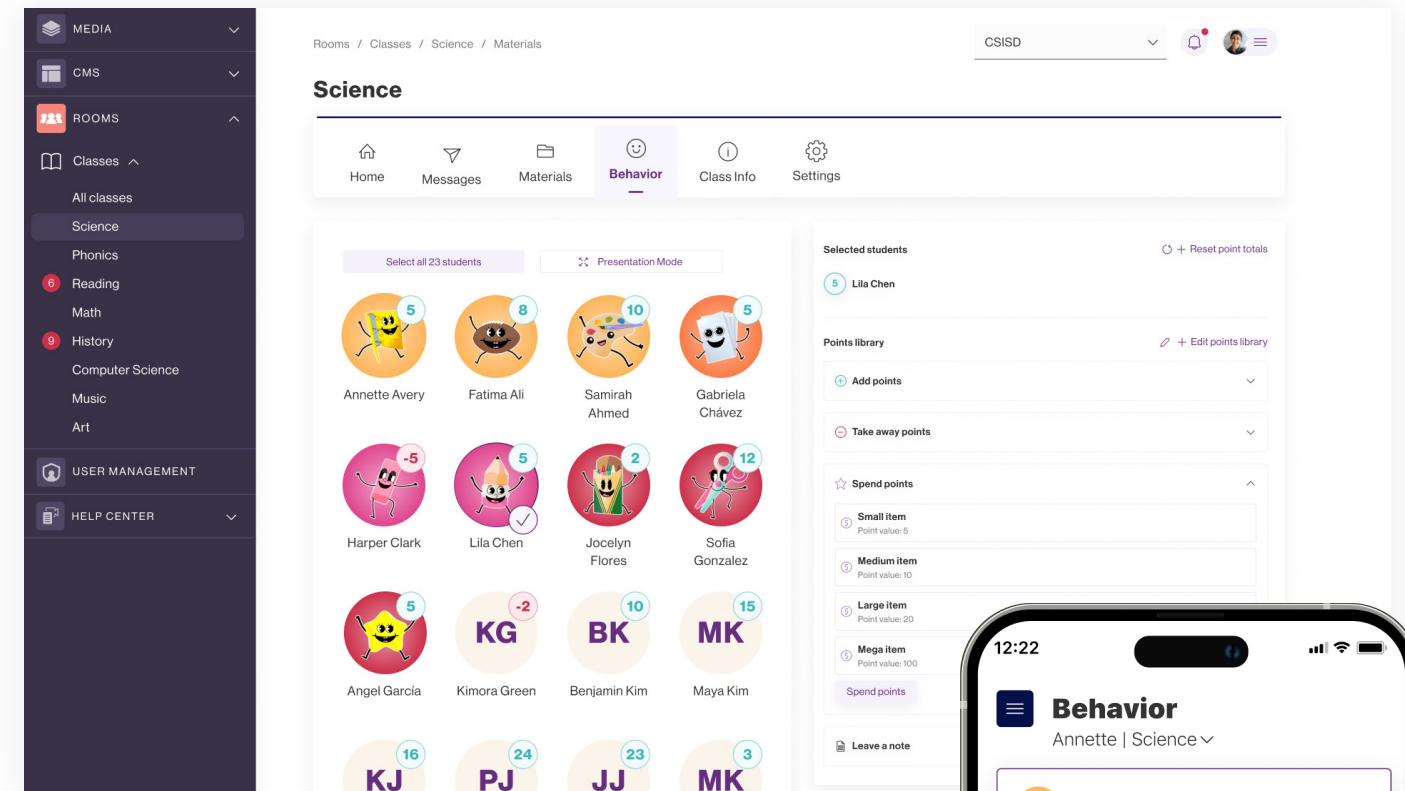

A two-way messaging solution **integrated directly with your school app.**

Apptegy takes conversations from disparate channels and unifies them in one place. Guardians will never have to wonder when their kid's homework is due, and students can ask their teacher school-related questions in a monitored, safe space.

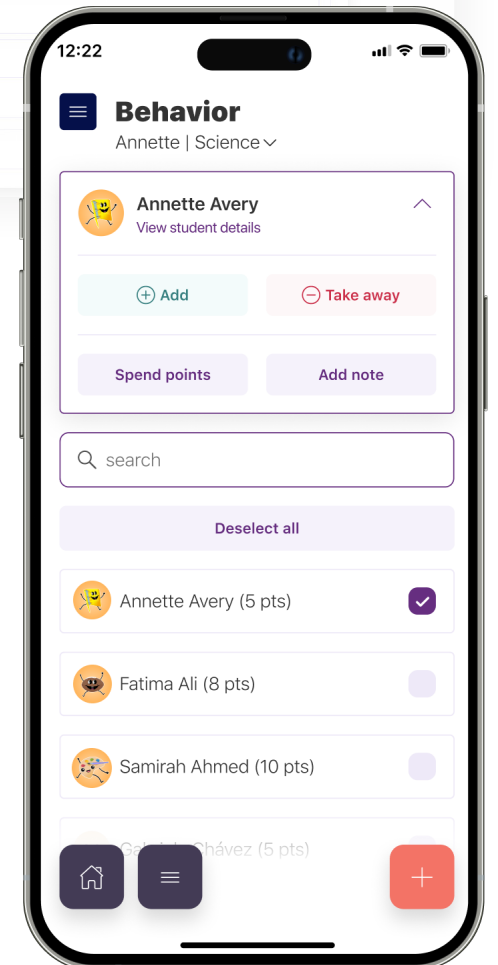

Messages and announcements are automatically **translated into a family's preferred language.**

Behavior

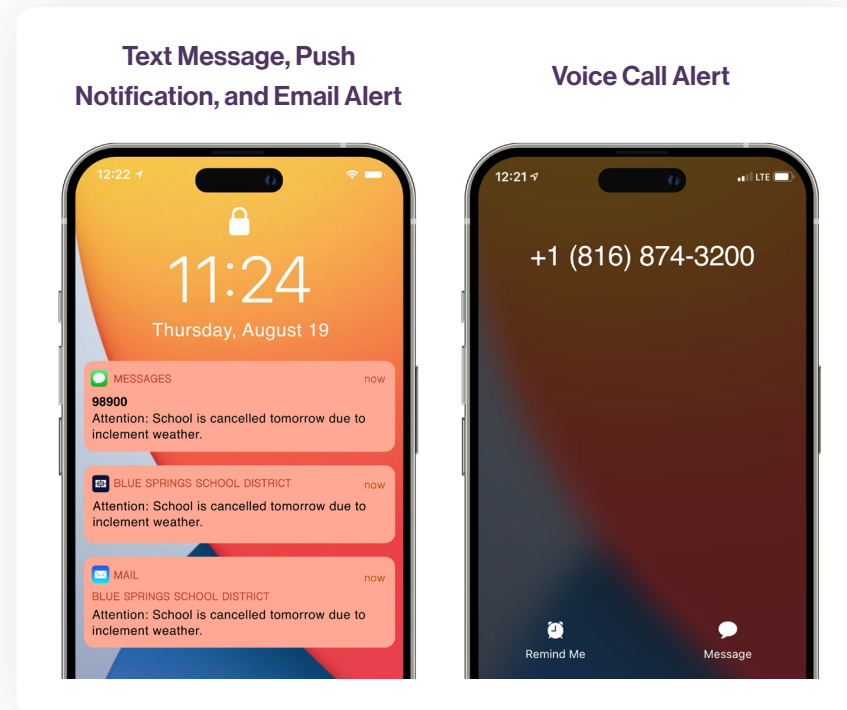

Your students are doing great things in the classroom—and Apptegy helps everyone celebrate these accomplishments. With Behavior, teachers can allocate points to their students for classroom participation, good behavior, and demonstrating your school's values. Positive behavior can easily be seen by guardians right inside the app, allowing them to stay connected with their student's points and achievements.

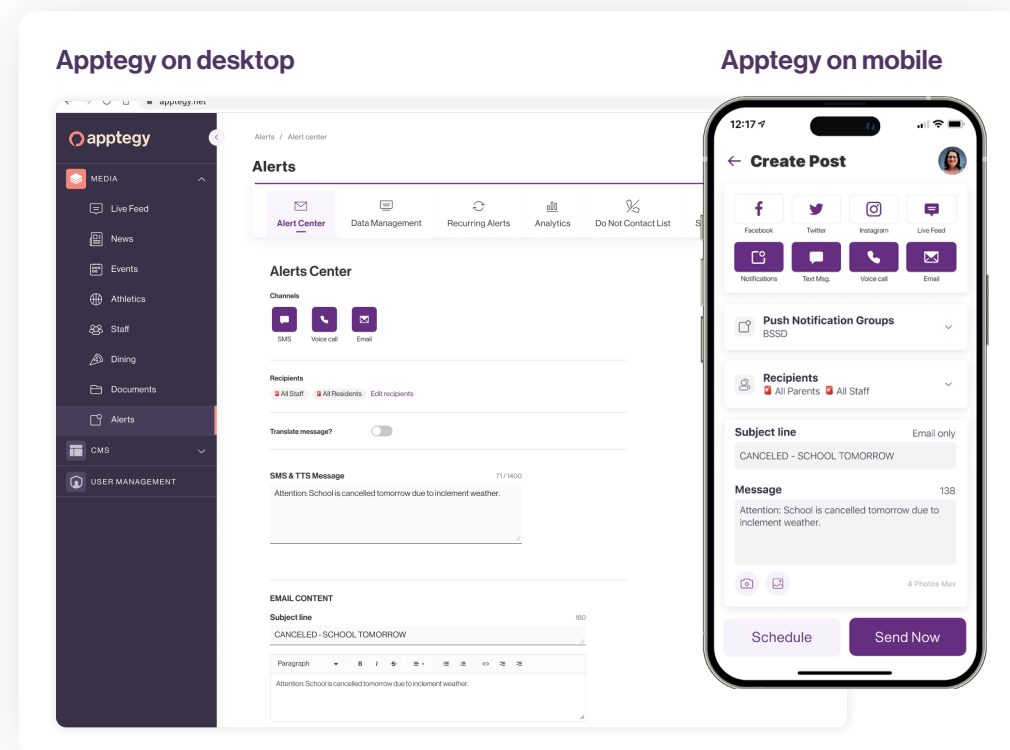

Mass Communication System: Alerts

Your community (parents, staff, students, and more) will receive text messages, calls, emails, and push notifications from the district and each school. With push notifications, you will be able to expand your audience dramatically, as anyone who is interested can download your app.

The Backend

Designated staff and administrators can now message parents via text, call, and push notification while also updating your other communication channels. In other words, they'll only have to use one tool for all communications!

Radically better experience.

We won't charge for our initial training, and we will never charge for ongoing training — even if we did one per week. All of our trainings are done via zoom, so those sessions are recorded and available at your disclosure. Additionally, you can use tools like our help center or live chat to receive immediate assistance.

Client Success

“Support” is about more than helping with questions and addressing concerns. You will have a dedicated point of contact for:

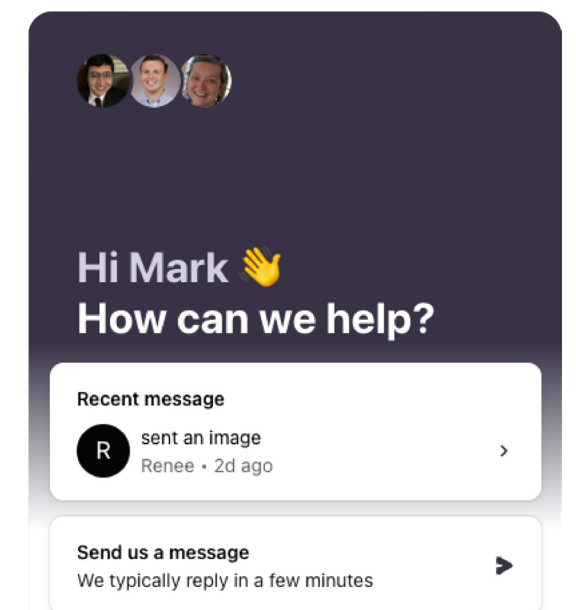

- Marketing Strategy
- Best Practices
- Feature Updates
- Product Rollout Campaign

All training is included & unlimited

Response Time

Our average response time is 60 seconds, and most requests for support are closed within 30 minutes. Here are some ways to reach us:

- Live Chat (online)
- Phone
- Email

Let's keep the conversation going.
