Each Board of Education/Governing Body that wishes to host or participate in such meets and tournaments must join the MHSAA and agree to abide by and enforce the MHSAA rules, regulations and qualifications concerning eligibility, game rules and tournament policies, procedures and schedules. **It is a condition for participation in any MHSAA postseason tournaments that high schools adhere to at least the minimum standards of Regulation I and the maximum limitations of Regulation II in ALL MHSAA Tournament sports.**

Michigan High School Athletic Association tournaments are the collective property of the MHSAA and not of any individual member school. The MHSAA reserves the right to promote and advance the membership's interests with publication information; exclusive arrangements to create recognition and exposure for school-sponsored activities; restrictive policies prohibiting exploitation and commercialization of MHSAA-sponsored tournaments; appropriate proprietary interests, and the use of images or transmissions identifying contest officials, spectators and member schools' students, personnel and marks.

To obtain membership, it is necessary for the Board of Education/Governing Body to adopt the following resolution for its junior high/middle and senior high schools. This resolution must be formally ratified by your Board of Education/Governing Body and properly signed. Please return one signed copy for our files and retain one copy for your files. Resolutions that are modified in any way or are supplemented with letters placing additional conditions on MHSAA membership or tournament participation shall be rejected.

Schools Which Are To Be MHSAA Members During 2026-27

NOTE: Pursuant to the MHSAA Constitution, all high schools, junior high/middle schools, or other schools of Michigan doing a grade of work corresponding to such schools, may become members of this organization provided (a) the school building has enrollment and onsite attendance of at least 15 students, whether for grades **6 through 8 or 9, grades 7 through 8 or 9, or grades 9 or 10 through 12**; and (b) if a nonpublic school, the school qualifies for federal income tax exemption as a not-for-profit organization. To reach the 15-student minimum for middle school membership, schools may join the MHSAA at the 6th-grade level whether or not 6th-grade students participate in athletics.

- A. This Section does not require school districts to become member schools at the junior high/middle school level and does not require school districts to sponsor any interscholastic athletics for 6th-grade students.
- B. If a school district's MHSAA Membership Resolution lists a junior high/middle school as an MHSAA member school, and if the school sponsors a 6th-grade team in any sport or permits a 6th-grade student to participate with 7th- and/or 8th-grade students in any sport, then all of Regulations III and IV apply to all 6th-graders in all sports involving 6th-graders on teams sponsored by that school. If the school does not allow any 6th-graders to participate in a sport, MHSAA rules do not apply in that sport.

Through this perpetual renewal, the district will be continuing with our use of the Heinemann Math Expressions Program (formerly owned by Houghton Mifflin Harcourt) that we have been utilizing at the Elementary Level for the past 11 years. This will be a Curriculum purchase (non-grant-funded) that includes print/digital access for students and digital access for our teaching staff, as well as some training opportunities for staff.
