Question about the difference between the first reading budget and this one.

Discussion about some changes to address inequality within the district.

UNINSURED/UNDERINSURED MOTORISTS COVERAGE SELECTION FORM

Chatham School District

AcctID# 140S

Policy Year: July 1, 2024 - July 1, 2025

Quote #1 -- Initial Quote

APEI's automobile policy includes Uninsured Motorists (UM) and Underinsured Motorists (UIM) bodily injury coverages with a policy limit of \$250,000 per accident. It also includes UM and UIM property damage coverage at a limit of \$25,000 per accident with a \$250 deductible. UM and UIM property damage coverage applies only to vehicles for which the member has purchased physical damage coverage.

Uninsured Motorists Coverage pays for bodily injury losses to you and your passengers as a result of an accident with a driver who has no liability protection and is legally responsible for the injuries or the damage. This includes a hit-and-run vehicle whose owner and operator cannot be identified.

Underinsured Motorists Coverage pays for bodily injury losses to you and your passengers as a result of an accident with a driver who has liability protection but not enough to pay the full amount that the injured person is legally entitled to recover as damages.

We offer higher limits of UM and UIM bodily injury at an additional cost for members desiring to increase their coverage. Please indicate below whether or not you wish to add coverage at these higher limits, and if so, which limits you are requesting.

Uninsured Motorists and Underinsured Motorists Coverage Selection

_____ I select UM/UIM bodily injury coverage at higher limits as indicated below:

	Split Limit (per Person / per Accident)	Additional Premium

_____	\$300,000 / \$500,000	\$4,744.63

_____	\$1,000,000 / \$2,000,000	\$10,940.56

_____ I decline high UM/UIM bodily injury limits, and will retain UM/UIM bodily injury coverage at the APEI standard limit of \$250,000 per accident for no additional premium

Graduation planning is well underway. Jen Todd will be there to hand out awards from the RSB.

The students wanted to keep the ceremony outdoors for a more relaxed and natural atmosphere, weather permitting.

Field day and a barbeque will be our final event to wrap up the school year with some fun activities for the students. We will be planning this before the last day of school to help minimize confusion.

Robin Gilcrist, UAS Construction Professor came out last week to work with students in our CTE

class. She held a two day Tools and Safety course in which students received dual credits.

The septic problem has been addressed with repairs scheduled to be completed soon. We would like to address the very outdated and old broken swing set which cannot be fixed.

Danielle has prepared a funds request, with hopes the ASB will approve so we can have a new

swing set in place for the next school year.

There is one last track event coming up, followed by the state competition. Hopefully, everything

goes smoothly, and the graduates make it back in time for graduation!

We are heading into summer, it's been a great year so far, looking forward to the next!
