1. **Call to Order/Roll call**

President Terrazas called the meeting to order at 6:01 p.m. with the following roll call:

Present: Calderon-Miranda, Guyton, Newman (via phone for work obligation), Terrazas, Williams **Absent:** Myers, Perkins

2. **Communication/Public Comment—none**

3. **Buildings Grounds/Safety Committee--Member Williams**

A. Construction Project Update—Mr. Stephan shared the major work is the TFN track but a couple of weeks of warmer/dry weather is needed to complete it. All contracts are signed for summer work and trying to get all supplies in place to start right when school gets out.

B. Building Usage Report—The Village of Lansing will be doing a Red Cross blood drive.

4. **Finance Committee--Member Perkins**

- A. Crossing Guard Intergovernmental Agreement with Lansing PD—Ms. McMillian reported this is the formal intergovernmental agreement for crossing guards. She added they are not district employees, and their presence has made a positive difference.
- B. 2026 Summer Camps—22 summer camps are offered every summer and the same ones as last year are being offered. If a camp doesn't meet the minimum of 10 students, it is cancelled.
- C. Permanent Transfer—Ms. McMillian shared the need is to help start getting the materials for the summer 2026 construction projects (\$2.5 million). She added the reserves are good and the district has strong financials. Discussion included that the transfer will not hinder finances and it has been done the past two years.

5. **Equity Committee--Member Myers**

- A. Student Representation on Board of Education—Members discussed ways of getting the students' voices heard without being on the board. The student equity clubs were supposed to do this, but it hasn't been implemented. One option is for the officers of the clubs to come quarterly to the board. It will be discussed with the administration team.

6. **Behavior Intervention/Parent-Teacher Advisory Committee--Member Newman**

- A. 26-27 Student Handbook—Dr. O'Rourke shared this was a comprehensive collaborative process which resulted in a multi-lingual tool, and he thanked everyone for their time and effort especially Martha Suarez and Nicole Moore. He demonstrated the flip book, acknowledging it is very thoughtful, intentional and organized and can be shared via various platforms. Discussion included the board's comments of the thought that was put in the project, being grateful for the work and thrilled for parents and students.
- B. Suspension Reports—The three principals shared the suspension reports noting incentive activities that are being planned and the consistent hard work of the conflict resolutionist. Trends fluctuate month to month, and the board asked for the number of students to be included instead of just days on the report. Work is being done to develop an initiative that is student led that promotes nonviolence.

7. **Adjourn**

I move to adjourn the meeting at 6:37 p.m. This motion, made by Member Williams and seconded by Member Guyton, passed on voice vote.

INTERGOVERNMENTAL AGREEMENT FOR CROSSING GUARD SERVICES

This **INTERGOVERNMENTAL AGREEMENT** ("*Agreement*") is entered into as of December 15, 2025 (the "*Effective Date*"), by and between the Village of Lansing, Cook County, Illinois, a home rule municipal corporation (the "*Village*"), and Thornton Fractional High School District #215, a public school district organized under the Illinois School Code (the "*District*"). The Village and the District may be referred to individually as a "Party" and collectively as the "Parties."

WHEREAS, the Village and the District are public agencies authorized to enter into intergovernmental agreements with one another pursuant to Article VII, Section 10 of the Illinois Constitution of 1970 and the Intergovernmental Cooperation Act, 5 ILCS 220/1 et seq.; and

WHEREAS, Section 11-80-23 of the Illinois Municipal Code, 65 ILCS 5/11-80-23, authorizes municipalities to employ and compensate school crossing guards on a part-time basis and to pay the salaries and related costs of such crossing guards from municipal funds; and

WHEREAS, Section 10-22.28(a) of the Illinois School Code, 105 ILCS 5/10-22.28(a), authorizes school districts to share the cost of employing school crossing guards with a unit of local government; and

WHEREAS, the Village, through its Police Department, employs, administers, and supervises school crossing guards within the Village; and

WHEREAS, the District receives a direct benefit from the provision of crossing guard services and desires to reimburse the Village for a portion of the costs associated with providing those services, all as set forth in this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, the Parties agree as follows:

1. **Incorporation of Recitals**. The foregoing recitals are incorporated into and made a part of this Agreement as though fully set forth herein.
2. **Provision of Crossing Guard Services**. The Village shall provide school crossing guard services for the District during the applicable school year at the locations generally described in **Appendix A**, attached hereto and incorporated herein. **Appendix A** is intended to identify general locations only and does not create a guarantee of continuous coverage at any specific time or location. The number of assigned crossing guards, duty locations, and approximate hours may vary by location and school schedule and may be adjusted by the Village as operationally necessary, including due to weather conditions, school schedule changes, public safety needs, or staffing availability.
3. **Status of Crossing Guards**. All crossing guards assigned pursuant to this Agreement shall be part-time employees of the Village of Lansing. Nothing in this Agreement shall be

construed to create an employment relationship between the District and any crossing guard or to confer upon the District any authority to supervise, direct, discipline, or control the manner or means by which crossing guard services are performed.

4. **Administration and Equipment.** The Village, through its Police Department, shall be solely responsible for:
 - a) Hiring, training, supervising, scheduling, and discipline of crossing guards;
 - b) Payment of wages and applicable employment-related costs, including payroll taxes and statutory benefits, if any; and
 - c) Providing required equipment, including stop signs, safety vests, and weather-related gear.

These responsibilities shall remain the sole responsibility of the Village, and the District shall have no obligation or authority with respect thereto.

5. **Reimbursement by District.** The District shall reimburse the Village for the provision of crossing guard services in accordance with **Appendix B**, attached hereto and incorporated herein. Reimbursement shall be based solely on actual hours worked by assigned crossing guards at the hourly rate paid by the Village, which as of the Effective Date is \$15.4875 per hour. Reimbursement shall be limited to actual hours worked and shall not exceed the scheduling and hour limitations set forth in this Agreement. Reimbursement may be subject to fixed or capped amounts, billing frequencies, or other limitations as expressly set forth in **Appendix B**. The Village and the District shall meet no less than annually to review crossing guard service levels, hours, and costs, including any adjustments to the hourly rate paid by the Village, and shall mutually agree in writing to any modifications to reimbursement amounts or cost allocations.
6. **Billing and Payment.** The Village shall invoice the District in accordance with the billing schedule set forth in **Appendix B**. Unless otherwise provided therein, the District shall remit payment within thirty (30) days of receipt of a proper invoice. Amounts not paid when due may be included on a subsequent invoice.
7. **Accounting and Records.** Upon reasonable request, the Village shall provide documentation reasonably necessary to support invoices submitted under this Agreement. The District may raise good-faith questions regarding an invoice within a reasonable time after receipt, and the Parties shall cooperate in good faith to resolve any such questions.
8. **Additional or Floater Crossing Guards.** As of the Effective Date, two (2) school crossing guards are assigned to provide services at Thornton Fractional South High School pursuant to this Agreement. The Village reserves the right, in its discretion, to assign one or more additional or "floater" crossing guards within the District's jurisdiction when operationally necessary. Any reimbursement obligations related to such additional guards shall be governed by this Agreement, with billing administered in accordance with **Appendix B**.

9. **Scheduling of Hours and Service.** Each assigned crossing guard shall be scheduled, at the Village's discretion, to provide services for approximately three (3) hours per day. In no event shall any crossing guard assigned pursuant to this Agreement exceed thirty (30) hours of service during any two-week pay period. Actual hours worked shall be determined by the Village and may vary based on school schedules, weather conditions, public safety needs, and staffing availability. Nothing in this Agreement shall be construed to guarantee any minimum number of hours, continued assignment, or services on any particular day.
10. **Insurance.** Each Party shall maintain insurance or self-insurance coverage customary for Illinois public entities of similar size and function and sufficient to cover its obligations under this Agreement. Each Party shall be responsible for maintaining workers' compensation coverage for its own employees, as applicable. Nothing in this Agreement shall be construed as a waiver of any immunities or defenses available under the Local Governmental and Governmental Employees Tort Immunity Act, 745 ILCS 10/1-101 *et seq.*, or other applicable law.
11. **Indemnification.** To the extent permitted by law, each Party shall be responsible for the acts and omissions of its own officers, employees, and agents in connection with this Agreement. Nothing in this Agreement shall be construed to require either Party to indemnify, defend, or hold harmless the other Party except to the extent such obligation is expressly authorized by Illinois law. Nothing herein shall be deemed a waiver of any immunities or defenses available to either Party under applicable law.
12. **Term.** This Agreement shall be effective as of the Effective Date and shall remain in full force and effect through June 30, 2026. Thereafter, this Agreement shall automatically renew for successive one-year terms unless either Party provides written notice of non-renewal to the other Party no later than June 1 preceding the applicable renewal term. Crossing guard services under this Agreement shall be provided only during periods when District schools are in session, as determined by the Village in coordination with the District, and no provision of this Agreement shall be construed to guarantee services, hours, or employment during periods when school is not in session.
13. **Termination.** Either Party may terminate this Agreement for convenience upon seven (7) days' prior written notice to the other Party. Termination shall not relieve the District of its obligation to reimburse the Village for crossing guard services provided prior to the effective date of termination.
14. **Notices.** All notices required under this Agreement shall be in writing and delivered by personal delivery or certified mail to the following addresses, or to such other address as a Party may designate by written notice:

If to the Village:

Village of Lansing
Attn: Office of the Mayor
3141 Ridge Road

Lansing, IL 60438

If to District 215:

Attn: Superintendent of Schools

Either Party may change its notice address by written notice to the other Party.

15. **Amendments.** This Agreement may be amended only by a written instrument executed by authorized representatives of both Parties.
16. **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois. Venue shall lie in a court of competent jurisdiction located in Cook County, Illinois.
17. **Entire Agreement.** This Agreement, including all appendices attached hereto, constitutes the entire agreement between the Parties regarding the subject matter hereof and supersedes all prior discussions or agreements, whether written or oral.
18. **Authority.** The individuals executing this Agreement represent that they are authorized to bind their respective entities.
