1. President Terrazas called the meeting to order at 6:00 p.m. with the following roll call:
Present: Calderon-Miranda, Guyton, Myers, Newman, Perkins, Terrazas, Williams **Absent:**
2. **Communication/Public Comment**—Shanice Tolbert shared the dress out the box initiative to help students with prom attire, makeup, shoes with the goal to help families with the cost. It has been shared with school staff.
3. **Buildings Grounds/Safety Committee--Member Williams**
 - A. Annual building use fee review—Mr. Stephan presented the annual requirement of approval of external fees for facilities rental. There is no change at this time. Recommendations will be forthcoming based on 943 negotiations and possible utilization of the weapons detection systems.
 - B. Construction Project Update—At the North track, the rubber is down and a week of great weather is needed to get it done. Meetings are starting with contractors about summer work.
 - C. Building Usage Report
4. **Curriculum Committee--Member Calderon-Miranda**
 - A. Teaching and Learning Updates—Dr. Martin-Dean and Ms. Szuba shared updates for textbook recommendations including the development of a textbook form to provide clear concise review. This helps to provide intentional review. The checklist of probes will be online for teachers this Friday. Administration has had two sessions with feeder districts' curriculum administrators to look at data of how students are doing. It has been a great space for teachers to collaborate. Honors civics will be rolled out last year along with a couple of other courses. Administration/staff will be looking at the sophomore curriculum and how it is being implemented.
 - B. Textbook for Electricity I & II—Mr. Mastey shared the program started three years ago. This textbook has theory behind it and the classroom set will be utilized in three sections involving 50-60 students.
5. **Behavior Intervention/Parent-Teacher Advisory Committee--Member Newman**
 - A. SB 100 Overview/Reduction in Expulsions Interventions—Dr. O'Rourke shared that administration is working on putting systems in place and he thanked the board for intentional discussion. He reviewed what SB100 did and its focus on not excluding students for procedural reasons--focus on interventions to keep students in school. He reviewed District 215's data in light of SB100. Discussion included what is the criteria for placement to the CAL and the board needs to know that answer. The chances for students to graduate if expelled dramatically decrease, and dramatically increase chances of prison. Becoming more consistency with consequences and code infractions is a priority. Discussion included recommendations for expulsion when the CAL is available. Alternatives to suspension need to be refocused. The number of alternative placements and expulsions are down over two years. Initiatives for the future were discussed including building out CAT and CAL to have schools within schools.
 - B. Suspension Reports—Principals reported the rise in smoking materials is increasing the discipline and vaping is a large factor. There is also a need to be more consistent with tardy policy. It was noted that some of egregious acts are by students who are failing all classes. This is one of the focus areas to follow data of students and getting students get involved--how make it that kids want to be at school. Need to identify students at each campus regarding restorative justice, what students have influence and need ways for student voices to be heard at the board level. The equity clubs were set up to also give feedback to the board.
6. **Policy Committee--Member Guyton**
 - A. PRESS 121 Updates—Anita Howard provided an overview of the PRESS 121 policies. Administrators are in the process of reviewing the policies related to their content areas.

7. Adjourn

I move to adjourn the meeting at 7:11 p.m. This motion, made by Member Newman and seconded by Member Williams, passed on voice vote.

MEMORANDUM

Date: April 28, 2026

To: Raymond Williams, Interim Superintendent/Board of Education

From: Mr. Tim Stephan, Director of Facilities

Subject: Approval of Fee Schedule for Board Policy 8:20- Conditions for the Use of Building and Facilities

Recommended Action

It is recommended that the Board of Education approve the fee schedule Administrative Procedure 8:20, Conditions for the use of Buildings and Facilities.

Background

Board Policy 8:20 Community Use of School Facilities, requires Board approval of the Building Usage Fee Schedule & terms of use on an annual basis. As discussed at the Committee of the Whole meeting April 15, 2026. There are no changes from 2025-26 at this time.

Attachment: Current Building Rental Administrative Procedures

I. Conditions for the Use of Buildings and Facilities

- A. The buildings are primarily for the purpose of serving the educational program of the Thornton Fractional Township High Schools. School activities shall take precedent over other group requests. As a result, after the district's own use, priority will be given to non-profit organizations that serve Thornton Fractional Township High School District students. In general, usage is restricted to organizations inside District No. 215 boundaries.
- B. While the buildings, grounds, and facilities of Thornton Fractional Township High School District are primarily to benefit and serve the educational needs of the district's students, they are also a community resource. As a result, the district provides for the short-term or temporary use of the district buildings, grounds and facilities by groups and organizations when such use is of a lawful purpose and does not conflict or interfere with the district's programs, operations, or activities.
- C. While there is no charge for the use of district facilities for district educational programs, fees are charged for community and commercial use of facilities so that district funds intended for the education of children are not used to support other activities.
 1. Community--Community refers to local not-for-profit organizations physically located within district boundaries. This includes booster clubs, local municipality, local park district, local feeder schools (public or parochial), local civic and service clubs, senior citizen groups, and local churches.
 - ~~2.~~ Commercial--Commercial use will be considered at the superintendent's discretion.
 3. Rental by an individual will not be granted. Short-term rental to non-government organizations may not exceed 50 days in any one calendar year. Long-term rental to non-governmental organizations will not be approved.
- D. No groups, in any category, are permitted to use any district facilities without a properly executed rental agreement. The amount of time allotted to an individual group may be limited to allow use by other groups. The request for the use of school facilities must be submitted to the building principal or designee at least thirty (30) days in advance of the request date, by a responsible adult. All unusual requests shall be acted upon by the Board of Education.
- E. Lessee agrees to defend, indemnify and hold harmless Thornton Fractional Township High School District No. 215, its Board of Education, the members of the Board of Education as individuals, its agents and employees from and against any claim, complaint, cause of action, damage, loss, judgment, liability, costs and expenses (including attorney's fees and costs) caused by, connected with, related to, or arising directly or indirectly, wholly or in part, from any use or operation of the school premises resulting in any manner from the use authorization granted by the Board of Education.
- F. All parties who wish to use school facilities must provide District 215 with a copy of a Certificate of Insurance, naming the district as additional insured, covering possible liability for said use. MEMORANDUM

DATE: April 28, 2026
TO: Mr. Ray Williams, Interim Superintendent/Board of Education
FROM: Mr. Mike Zimmerman, Director of Career and Technical Education
SUBJECT: Textbook for Electricity I & II

Recommended:

Approve the purchase of a classroom set of the textbook *Residential Wiring Concepts* to support instruction in the Electricity I & II courses. Currently, the course does not use a textbook to teach theory that would support hands-on learning. Acquiring this resource will ensure alignment with industry standards and provide consistent, high-quality instructional support for students, better preparing them for practicum experiences and future career in the electrical industry.

Title: Residential Wiring Concepts and Applications, 2nd Edition

ISBN: 979-8897372324

Publisher: Goodheart-Wilcox

Date: 2027

Background:

Career Development is writing to formally request approval for the purchase of textbooks to support the curriculum in the Electricity I & II courses.

The Electricity I & II courses have not used a textbook since the program launched three years ago. This past year our new teacher visited another neighboring district that added a textbook to support teaching electrical theory, and this was the textbook they adopted.

The adoption of this textbook will provide students with important theory knowledge as they apply it to hands-on learning.

I respectfully ask for your approval of the proposed textbook purchase so that we can move forward with the implementation of this much-needed curricular update.

2:220 Board of Education Meeting Procedure

Agenda

The Board of Education President is responsible for focusing the Board meeting agendas on appropriate content. The Superintendent shall prepare agendas in consultation with the Board President. The President shall designate a portion of the agenda as a consent agenda for those items that usually do not require extensive discussion before Board action. Upon the request of any Board member, an item will be withdrawn from the consent agenda and placed on the regular agenda for independent consideration.

Each Board meeting agenda shall contain the general subject matter of any item that will be the subject of final action at the meeting. Any Board member may submit suggested agenda items to the Board President for his or her consideration for an upcoming meeting. District residents may suggest inclusions for the agenda. ^{Q1} The Board will take final action only on items contained in the posted agenda; items not on the agenda may still be discussed.

The Superintendent shall provide a copy of the agenda, with adequate data and background information, to each Board member at least 48 hours before each meeting, except a meeting held in the event of an emergency. The meeting agenda shall be posted in accordance with Board policy 2:200, *Types of Board of Education Meetings*.

The Board President shall determine the order of business at regular Board meetings. Upon consent of a majority of members present, the order of business at any meeting may be changed.

The Board President may terminate any discussion which does not apply to the motion last made. He/she may also terminate the discussion of a matter if the Board has previously agreed to confine discussion to a definite period of time and that time has been used. Aside from such limitations, the President shall not interfere with debate so long as a member wishes to speak

Voting Method

Unless otherwise provided by law, when a vote is taken upon any measure before the Board, with a quorum being present, a majority of the votes cast shall determine its outcome. A vote of *abstain* or *present*, or a vote other than *yea* or *nay*, or a failure to vote, is counted for the purposes of determining whether a quorum is present. A vote of *abstain* or *present*, or a vote other than *yea* or *nay*, or a failure to vote, however, is not counted in determining whether a measure has been passed by the Board, unless otherwise stated in law. The sequence for casting votes is rotated.

On all questions involving the expenditure of money and on all questions involving the closing of a meeting to the public, a roll call vote ^{Q2} shall be taken and entered in the Board's minutes. An individual Board member may request that a roll call vote be taken on any other matter; the President or other presiding officer may approve or deny the request but a denial is subject to being overturned by a majority vote of the members present.

Minutes

The Board Secretary shall keep written minutes of all Board meetings (whether open or closed), which shall be signed by the President and the Secretary. The minutes include:

1. The meeting's date, time, and place;
2. Board members recorded as either present or absent;
3. A summary of the discussion on all matters proposed, deliberated, or decided, and a record of any votes taken;
4. On all matters requiring a roll call vote, a record of who voted *yea* and *nay*;
5. If the meeting is adjourned to another date, the time and place of the adjourned meeting;
6. The vote of each member present when a vote is taken to hold a closed meeting or portion of a meeting, and the reason for the closed meeting with a citation to the specific exception contained in the Open Meetings Act (OMA) authorizing the closed meeting;
7. A record of all motions, including individuals making and seconding motions;
8. Upon request by a Board member, a record of how he or she voted on a particular motion; and
9. The type of meeting, including any notices and, if a reconvened meeting, the original meeting's date.

The minutes shall be submitted to the Board for approval or modification at its next regularly scheduled open meeting. Minutes for open meetings must be approved within 30 days after the meeting or at the second subsequent regular meeting, whichever is later.

Every six months, or as soon after as is practicable, in an open meeting, the Board: (1) reviews minutes from all closed meetings that are currently unavailable for public release, and (2) determines which, if any, no longer require confidential treatment and are available for public inspection. This is also referred to as a *semi-annual review*. The Board may meet in a prior closed session to review the minutes from closed meetings that are currently unavailable for public release, but it reports its determination in open session.

The Board's meeting minutes must be submitted to the Board Treasurer at such times as the Treasurer may require.

The official minutes are in the custody of the Board Secretary. Open meeting minutes are available for inspection during regular office hours within 10 days after the Board's approval; they may be inspected in the District's main office, in the presence of the Secretary, the Superintendent or designee, or any Board member.

Minutes from closed meetings are likewise available, but only if the Board has released them for public inspection, except that Board members may access closed session minutes not yet released for public inspection (1) in the District's administrative offices or their official storage location, and (2) in the presence of the Recording Secretary, the Superintendent or designated administrator, or any elected Board member. The minutes, whether reviewed by members of the public or the Board, shall not be removed from the District's administrative offices or their official storage location except by vote of the Board or by court order.

The Board's open meeting minutes shall be posted on the District website within ten days after the Board approves them; the minutes will remain posted for at least 60 days.

Verbatim Record of Closed Meetings

The Superintendent, or the Board Secretary when the Superintendent is absent, shall audio record all closed meetings. If neither is present, the Board President or presiding officer shall assume this

responsibility. After the closed meeting, the person making the audio recording shall label the recording with the date and store it in a secure location. The Superintendent shall ensure that: (1) an audio recording device and all necessary accompanying items are available to the Board for every closed meeting, and (2) a secure location for storing closed meeting audio recordings is maintained close to the Board's regular meeting location.

After 18 months have passed since being made, the audio recording of a closed meeting is destroyed provided the Board approved: (1) its destruction, and (2) minutes of the particular closed meeting.

Individual Board members may access verbatim recordings in the presence of the Recording Secretary, the Superintendent or designated administrator, or any elected Board member. Access to the verbatim recordings is available at the District's administrative offices or the verbatim recording's official storage location. Requests shall be made to the Superintendent or Board President. While a Board member is listening to a verbatim recording, it shall not be re-recorded or removed from the District's main office or official storage location, except by vote of the Board or by court order.

Before making such requests, Board members should consider whether such requests are germane to their responsibilities, service to District, and/or Oath of Office in policy 2:80, *Board Member Oath and Conduct*. In the interest of encouraging free and open expression by Board members during closed meetings, the recordings of closed meetings should not be used by Board members to confirm or dispute the accuracy of recollections.

Quorum and Participation by Audio or Video Means

A quorum of the Board must be physically present at all Board meetings. A majority of the full membership of the Board constitutes a quorum.

Provided a quorum is physically present, a Board member may attend a meeting by video or audio conference if he or she is prevented from physically attending because of: (1) personal illness or disability, (2) employment or District business, (3) a family or other emergency, ~~or~~ (4) unexpected childcare obligations, or (5) performance of active military duty as a service member. PRESSPlus1 If a member wishes to attend a meeting by video or audio means, he or she must notify the recording secretary or Superintendent at least 24 hours before the meeting unless advance notice is impractical. The recording secretary or Superintendent will inform the Board President and make appropriate arrangements. A Board member who attends a meeting by audio or video means, as provided in this policy, may participate in all aspects of the Board meeting including voting on any item.

No Physical Presence of Quorum and Participation by Audio or Video: Disaster Declaration

The ability of the Board to meet in person with a quorum physically present at its meeting location may be affected by the Governor or the Director of the Ill. Dept. of Public Health issuing a disaster declaration related to a public health emergency. The Board President or, if the office is vacant or the President is absent or unable to perform the office's duties, the Vice President determines that an in-person meeting or a meeting conducted under the **Quorum and Participation by Audio or Video Means** subhead above, is not practical or prudent because of the disaster declaration; if neither the President nor Vice President are present or able to perform this determination, the Superintendent shall serve as the duly authorized designee for purposes of making this determination. The individual who makes this determination for the Board shall put it in writing, include it on the Board's published notice and agenda for the audio or video meeting and in the meeting minutes, and ensure that the Board meets every OMA requirement for the Board to meet by video or audio conference without the physical presence of a quorum.

Rules of Order

Unless State law or Board-adopted rules apply, the Board President, as the presiding officer, will use the most recent edition of *Robert's Rules of Order Newly Revised*, as a guide when a question arises concerning procedure.

Broadcasting and Recording Board Meetings

Any person may record or broadcast an open Board meeting. Special requests to facilitate recording or broadcasting an open Board meeting, such as seating, writing surfaces, lighting, and access to electrical power, should be directed to the Superintendent at least 24 hours before the meeting.

Recording meetings shall not distract or disturb Board members, other meeting participants, or members of the public. The Board President may designate a location for recording equipment, may restrict the movements of individuals who are using recording equipment, or may take such other steps as are deemed necessary to preserve decorum and facilitate the meeting.

2:250 Access to District Public Records

Full access to the District's *public records* is available to any person as provided in the Illinois Freedom of Information Act (FOIA), this policy, and implementing procedures. The Superintendent or designee shall: (1) provide the Board with sufficient information and data to permit the Board to monitor the District's compliance with FOIA and this policy, and (2) report any FOIA requests during the Board's regular meetings along with the status of the District's response.

Freedom of Information Officer

The Executive Assistant to the Superintendent/Board of Education shall serve as the District's Freedom of Information Officer and assume all the duties and powers of that office as provided in FOIA and this policy.

Definition

The District's *public records* are defined as records, reports, forms, writings, letters, memoranda, books, papers, maps, photographs, microfilms, cards, tapes, recordings, electronic data processing records, electronic communications, recorded information and all other documentary material pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of the School District. The District's public records do not include junk mail. [PRESSPlus1](#)

Requesting Records

A request for inspection and/or copies of public records must be made in writing and may be submitted by personal delivery, mail, telefax, or email directed to the District's Freedom of Information Officer. Individuals making a request are not required to state a reason for the request other than to identify when the request is for a commercial purpose or when requesting a fee waiver. Email requests must include the entirety of the request within the body of the email and not as an attachment or hyperlink. [PRESSPlus2](#) The Superintendent or designee shall instruct District employees to immediately forward any request for inspection and copying of a public record to the District's Freedom of Information Officer or designee.

Responding to Requests

The Freedom of Information Officer shall approve all requests for public records unless:

1. The requested material does not exist;
2. The requested material is exempt from inspection and copying by the Freedom of Information Act; [of](#)
3. Complying with the request would be unduly burdensome; [;](#)
4. The request would require the District to open electronically attached files or hyperlinks to view or access details of a request. In that case, the requester shall be notified within five business days that the entirety of the electronic request must appear within the body of the electronic submission; or

5. The District has a reasonable belief that the request was not submitted by a person, and the requester fails to verify orally or in writing that they are a person within 30 days of the District's request for such verification. [PRESSPlus3](#)

Within five business days after receipt of a request for access to a public record, the Freedom of Information Officer shall comply with or deny the request, unless the time for response is extended as specified in Section 3 of FOIA. The Freedom of Information Officer may extend the time for a response for up to five business days from the original due date. If an extension is needed, the Freedom of Information Officer shall: (1) notify the person making the request of the reason for the extension, and (2) either inform the person of the date on which a response will be made, or agree with the person in writing on a compliance period.

The time periods are extended for responding to requests for records made for a *commercial purpose*, requests by a *recurrent requester*, or *voluminous requests*, as those terms are defined in Section 2 of FOIA. The time periods for responding to those requests are governed by Sections 3.1, 3.2, and 3.6 of FOIA.

When responding to a request for a record containing both exempt and non-exempt material, the Freedom of Information Officer shall redact exempt material from the record before complying with the request.

Fees

Persons making a request for copies of public records must pay any and all applicable fees. The Freedom of Information Officer shall establish a fee schedule that complies with FOIA and this policy and is subject to the Board's review. The fee schedule shall include copying fees and all other fees to the maximum extent they are permitted by FOIA, including without limitation, search and review fees for responding to a request for a *commercial purpose* and fees, costs, and personnel hours in connection with responding to a *voluminous request*.

Copying fees, except when fixed by statute, shall be reasonably calculated to reimburse the District's actual cost for reproducing and certifying public records and for the use, by any person, of its equipment to copy records. In no case shall the copying fees exceed the maximum fees permitted by FOIA. If the District's actual copying costs are equal to or greater than the maximum fees permitted by FOIA, the Freedom of Information Officer is authorized to use FOIA's maximum fees as the District's fees. No copying fees shall be charged for: (1) the first 50 pages of black and white, letter or legal sized copies, or (2) electronic copies other than the actual cost of the recording medium, except if the response is to a *voluminous request*, as defined in FOIA.

A fee reduction is available if the request qualifies under Section 6 of FOIA. The Freedom of Information Officer shall set the amount of the reduction taking into consideration the amount of material requested and the cost of copying it.

Provision of Copies and Access to Records

A public record that is the subject of an approved access request will be available for inspection or copying at the District's administrative office during regular business hours, unless other arrangements are made by the Freedom of Information Officer.

Many public records are immediately available from the District's website including, but not limited to, the process for requesting a public record. The Freedom of Information Officer shall direct a requester to the District's website if a requested record is available there. If the requester is unable to reasonably access the record online, he or she may resubmit the request for the record, stating his or

her inability to reasonably access the record online, and the District shall make the requested record available for inspection and copying as otherwise provided in this policy.

Preserving Public Records

Public records, including email messages, shall be preserved and cataloged if: (1) they are evidence of the District's organization, function, policies, procedures, or activities, (2) they contain informational data appropriate for preservation, (3) their retention is required by State or federal law, or (4) they are subject to a retention request by the Board Attorney (e.g., a litigation hold), District auditor, or other individual authorized by the Board of Education or State or federal law to make such a request. Unless its retention is required as described in items numbered 3 or 4 above, a public record, as defined by the Illinois Local Records Act, may be destroyed when authorized by the Local Records Commission.

the accused's parent(s)/guardian(s); this includes mediation.

Right to Pursue Other Remedies Not Impaired

The right of a person to prompt and equitable resolution of a complaint filed under this policy shall not be impaired by the person's pursuit of other remedies, e.g., criminal complaints, civil actions, etc. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies and use of this grievance procedure does not extend any filing deadline related to the pursuit of other remedies. For any complaint alleging harassment on the basis of race, color, or national origin, the Nondiscrimination Coordinator or a Complaint Manager or designee shall process and review the complaint under Board policy 2:270, *Discrimination and Harassment on the Basis of Race, Color, and National Origin Prohibited*, in addition to any response required by this policy.

4:165 Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors

Child sexual abuse and grooming behaviors harm students, their parents/guardians, the District's environment, its school communities, and the community at large, while diminishing a student's ability to learn. The Board has a responsibility and obligation to increase awareness and knowledge of: (1) issues regarding child sexual abuse, (2) likely warning signs that a child may be a victim of sexual abuse, (3) grooming behaviors related to child sexual abuse and grooming, (4) how to report child sexual abuse, (5) appropriate relationships between District employees and students based upon State law, and (6) how to prevent child sexual abuse.

To address the Board's obligation to increase awareness and knowledge of these issues, prevent sexual abuse of children, and define prohibited grooming behaviors, the Superintendent or designee shall implement an Awareness and Prevention of Sexual Abuse and Grooming Behaviors Program. The Program will:

1. Educate students with:
 - a. An age-appropriate and evidence-informed health and safety education curriculum that includes methods for how to report child sexual abuse and grooming behaviors to authorities, through policy 6:60, *Curriculum Content*;
 - b. 5:30 Hiring Process and Criteria

The District hires the most qualified personnel consistent with budget and staffing requirements and in compliance with Board of Education policy on equal employment opportunity and minority recruitment. The Superintendent is responsible for recruiting personnel and making hiring recommendations to the Board. All personnel decisions are made by the Board, but only on the recommendation of the Superintendent. If the Superintendent's recommendation is rejected, the Superintendent must submit another. The Superintendent may select personnel on a short-term basis for a specific project or emergency condition before the Board's approval. No individual will be employed who has been convicted of a criminal offense listed in [105 ILCS 5/21B-80\(c\)](#).

All applicants must complete a District application in order to be considered for employment.

Job Descriptions

The Board maintains the Superintendent's job description and directs, through policy, the Superintendent, in his or her charge of the District's administration.

The Superintendent shall develop and maintain a current comprehensive job description for each position or job category; however, a provision in a collective bargaining agreement or individual contract will control in the event of a conflict.

Investigations

The Superintendent or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Violent Offender Against Youth Database is performed on each applicant as required by State law. When the applicant is a successful superintendent candidate who has been offered employment by the Board, the Board President shall ensure that these checks are completed. The Superintendent or designee, or if the applicant is a successful superintendent candidate, then the Board President shall notify an applicant if the applicant is identified in either database. The School Code requires the Board President to keep a conviction record confidential and share it only with the Superintendent, appropriate Intermediate Service Center Executive Director, State Superintendent, State Educator Preparation and Licensure Board, any other person necessary to the hiring decision, the Ill. State Police and/or Statewide Sex Offender Database for purposes of clarifying the information, and/or the Teachers' Retirement System of the State of Illinois when required by law. The Board reserves its right to authorize additional background inquiries beyond a fingerprint-based criminal history records check when it deems it appropriate to do so, in accordance with applicable laws.

Each newly hired employee must complete a U.S. Citizenship and Immigration Services Form as required by federal law.

The District retains the right to discharge any employee whose criminal background investigation reveals a conviction for committing or attempting to commit any of the offenses outlined in [105 ILCS 5/21B-80](#) or who falsifies, or omits facts from, his or her employment application or other employment documents. If an indicated finding of abuse or neglect of a child has been issued by the Ill. Department of Children and Family Services or by a child welfare agency of another jurisdiction for any applicant

for student teaching, applicant for employment, or any District employee, then the Board must consider that person's status as a condition of employment.

The Superintendent shall ensure that the District does not engage in any investigation or inquiry prohibited by law and complies with each of the following:

1. The District uses an applicant's credit history or report from a consumer reporting agency only when a satisfactory credit history is an established bona fide occupational requirement of a particular position.
2. The District does not screen applicants based on their current or prior wages or salary histories, including benefits or other compensation, by requiring that the wage or salary history satisfy minimum or maximum criteria.
3. The District does not request or require a wage or salary history as a condition of being considered for employment, being interviewed, continuing to be considered for an offer of employment, an offer of employment, or an offer of compensation.
4. The District does not request or require an applicant to disclose wage or salary history as a condition of employment.
5. The District does not ask an applicant or applicant's current or previous employers about wage or salary history, including benefits or other compensation unless the applicant's wage or salary history is a matter of public record, or is contained in a document completed by the applicant's current or former employer and then made available to the public by the employer, or then submitted or posted by the employer to comply with State or federal law; or the applicant is a current employee applying for a position with the same current employer.
6. The District does not ask an applicant or applicant's previous employers about claim(s) made or benefit(s) received under the Workers' Compensation Act.
7. The District does not request of an applicant or employee access in any manner to his or her personal online account, such as social networking websites, including a request for passwords to such accounts.
8. The District provides equal employment opportunities to all persons. See policy 5:10, *Equal Employment Opportunity and Minority Recruitment*.

Sexual Misconduct Related Employment History Review (EHR)

Prior to hiring an applicant for a position involving *direct contact with children or students*, the Superintendent shall ensure that an EHR is performed as required by State law. When the applicant is a superintendent candidate, the Board President shall ensure that the EHR is initiated before a successful superintendent candidate is offered employment by the Board.

Physical Examinations

Please refer to the applicable collective bargaining agreement(s).

For employees not covered by a current applicable bargaining agreement:

Each new employee must furnish evidence of physical fitness to perform assigned duties and freedom from communicable disease. The physical fitness examination must be performed by a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations. The employee must have the physical examination performed no more than 90 days before submitting evidence of it to the District.

Any employee may be required to have an additional examination by a physician who is licensed in Illinois to practice medicine and surgery in all its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations, if the examination is job-related and consistent with business necessity. The Board will pay the expenses of any such examination. [PRESSPlus1](#)

Orientation Program

Please refer to the applicable collective bargaining agreement(s).

For employees not covered by a current applicable bargaining agreement:

The District's staff will provide an orientation program for new employees to acquaint them with the District's policies and procedures, the school's rules and regulations, and the responsibilities of their position. Before beginning employment, each employee must sign the *Acknowledgement of Mandated Reporter Status* form as provided in policy 5:90, *Abused and Neglected Child Reporting*.

5:50 Drug- and Alcohol-Free Workplace; E-Cigarette, Tobacco, and Cannabis Prohibition

All District workplaces are drug- and alcohol-free workplaces.

An employee is on call when the District schedules the employee with at least 24 hours' notice to be on standby or otherwise responsible for performing employment-related tasks either at the District or another location previously designated by the District. [PRESSPlus1](#) All employees are prohibited from engaging in any of the following activities while on District premises or while performing work or being on call for the District:

1. Unlawful manufacture, dispensing, distribution, possession, or use of an illegal or controlled substance.
2. Distribution, consumption, use, possession, or being impaired by or under the influence of an alcoholic beverage; being present on District premises or while performing work for the District when alcohol consumption is detectable, regardless of when and/or where the use occurred.
3. Distribution, consumption, possession, use, or being impaired by or under the influence of cannabis; being present on District premises or while performing work for the District when impaired by or under the influence of cannabis, regardless of when and/or where the use occurred, unless distribution, possession, and/or use is by a school nurse or school administrator pursuant to *Ashley's Law*, [105 ILCS 5/22-33](#). The District considers employees impaired by or under the influence of cannabis when there is a good faith belief that an employee manifests specific articulable symptoms while working that decrease or lessen the employee's performance of the duties or tasks of the employee's job position.

Upon the Superintendent or designee's reasonable suspicion of an employee's violation of any of the prohibited activities stated above, the Superintendent or designee may direct the employee to undergo a drug and/or alcohol test to corroborate or refute the alleged violation. State law protects the District from liability when it takes actions pursuant to a reasonable workplace drug policy, including but not limited to subjecting an employee or applicant to reasonable drug and alcohol testing, reasonable and nondiscriminatory random drug testing, discipline, termination of employment, or withdrawal of a job offer due to a failure of a drug test.

For purposes of this policy a controlled substance means a substance that is:

1. Not legally obtainable,
2. Being used in a manner different than prescribed,
3. Legally obtainable, but has not been legally obtained, or
4. Referenced in federal or State controlled substance acts.

For purposes of this policy, *District premises* means workplace as defined in the Cannabis Regulation and Tax Act (CRTA) in addition to District and school buildings, grounds, and parking areas; vehicles used for school purposes; and any location used for a Board of Education meeting, school athletic event, or other school-sponsored or school-sanctioned events or activities. *School grounds* means the real property comprising any school, any conveyance used to transport students to

school or a school-related activity, and any public way within 1,000 feet of any school ground, designated school bus stops where students are waiting for the school bus, and school-sponsored or school-sanctioned events or activities. "Vehicles used for school purposes" means school buses or other school vehicles.

As a condition of employment, each employee shall:

1. Abide by the terms of this Board policy respecting a drug- and alcohol-free workplace; and
2. Notify his or her supervisor of his or her conviction under any criminal drug statute for a violation occurring on the District premises or while performing work for the District, no later than five calendar days after such a conviction.

Unless otherwise prohibited by this policy, prescription and over-the-counter medications are not prohibited when taken in standard dosages and/or according to prescriptions from the employee's licensed health care provider, provided that an employee's work performance is not impaired.

To make employees aware of the dangers of drug and alcohol abuse, the Superintendent or designee shall perform each of the following:

1. Provide each employee with a copy of this policy.
2. Post notice of this policy in a place where other information for employees is posted.
3. Make available materials from local, State, and national anti-drug and alcohol-abuse organizations.
4. Enlist the aid of community and State agencies with drug and alcohol informational and rehabilitation programs to provide information to District employees.
5. Establish a drug-free awareness program to inform employees about:
 - a. The dangers of drug abuse in the workplace,
 - b. Available drug and alcohol counseling, rehabilitation, re-entry, and any employee assistance programs, and
 - c. The penalties that the District may impose upon employees for violations of this policy.
6. Remind employees that policy 6:60, *Curriculum Content*, requires the District to educate students, depending upon their grade, about drug and substance abuse prevention and relationships between drugs, alcohol, and violence.

E-Cigarette, Tobacco, and Cannabis Prohibition

All employees are covered by the conduct prohibitions contained in policy 8:30, *Visitors to and Conduct on School Property*. The prohibition on the use of e-cigarettes, tobacco, and cannabis products applies both (1) when an employee is on school property, and (2) while an employee is performing work for the District at a school event regardless of the event's location.

Tobacco has the meaning provided in [105 ILCS 5/10-20.5b](#).

Cannabis has the meaning provided in the CRTA, [410 ILCS 705/1-10](#).

E-Cigarette is short for electronic cigarette and includes, but is not limited to, any electronic nicotine delivery system (ENDS), electronic cigar, electronic cigarillo, electronic pipe, electronic hookah, vape pen, or similar product or device, and any components or parts that can be used to build the product or device.

District Action Upon Violation of Policy

An employee who violates this policy may be subject to disciplinary action, including termination. In addition or alternatively, the Board may require an employee to successfully complete an appropriate drug- or alcohol-abuse rehabilitation program.

The Board shall take disciplinary action with respect to an employee convicted of a drug offense in the workplace within 30 days after receiving notice of the conviction.

Should District employees be engaged in the performance of work under a federal contract or grant, or under a State contract or grant of \$5,000 or more, the Superintendent shall notify the appropriate State or federal agency from which the District receives contract or grant monies of the employee's conviction within 10 days after receiving notice of the conviction.

Disclaimer

The Board reserves the right to interpret, revise or discontinue any provision of this policy pursuant to the **Suspension of Policies** subhead in policy 2:240, *Board Policy Development*.

5:250 Leaves of Absence

Each of the provisions in this policy applies to all professional personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave, Sabbatical Leave, Personal Leave, Parent/Child-Rearing Leave, Leaves for Service in the Military, Emergency Leave, Extended Illness, Other, Union Leave

Please refer to the applicable collective bargaining agreement(s).

Staff members are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or Superintendent may require medical certification.

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need of foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement, and need not be used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent may require that the employee provide evidence that the formal adoption or foster care process is underway.

Family Bereavement Leave

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, [20 U.S.C. §2601 et seq.](#)) to take family bereavement leave. The purpose, requirements, scheduling, and all other terms of the leave are governed by the Family Bereavement Leave Act. Eligible employees may use family bereavement leave, without any adverse employment action, for: (1) attendance by the bereaved staff member at the funeral or alternative to a funeral of a covered family member, which includes an employee's child, stepchild, spouse, PRESSPlus1 domestic partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent (2) making arrangements necessitated by the death of the covered family member, (3) grieving the death of the covered family member, or (4) absence from work due to a Significant Event, which includes: (i) miscarriage, (ii) an unsuccessful round of intrauterine insemination or of an assisted reproductive technology procedure, (iii) a failed adoption match or an adoption that is not finalized because it is contested by another party, (iv) a failed surrogacy agreement, (v) a diagnosis that negatively impacts pregnancy or fertility, or (vi) a still birth. An employee qualifying for leave due to a Significant Event will not be required to identify which specific reason applies to the employee's request.

The leave must be completed within 60 days after the date on which the employee received notice of the death of the covered family member or the date on which an event under item (4) above occurs.

However, in the event of the death of more than one covered family member in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Family Bereavement Leave Act. This policy does not create any right for an employee to take family bereavement leave that is inconsistent with the Family Bereavement Leave Act.

Child Extended Bereavement Leave

Unpaid leave from work is available to employees who experience the loss of a child by suicide or homicide. The Child Extended Bereavement Leave Act governs the duration, scheduling, continuity of benefits, and all other terms of the leave. Accordingly, if the District employs 250 or more employees on a full-time basis, an employee is entitled to a total of 12 weeks of unpaid leave within one year after the employee notifies the District of the loss. An employee may elect to substitute other forms of leave to which the employee is entitled for the leave provided under the Child Extended Bereavement Leave Act.

Personal Leave

Professional staff members are granted three personal leave days per year. A personal leave day is defined as a day to allow professional personnel time to conduct personal business (but not vacation, travel, or work stoppage), which is impossible to schedule at a time other than during a school day. Any unused personal leave day in a school year will be credited to the cumulative sick leave.

The use of a personal day is subject to the following conditions:

1. Except in cases of emergency or unavoidable situations, personal leave requests should be submitted to the Building Principal three days in advance of the requested date.
2. No personal leave days may be used immediately before or immediately after a holiday unless the Superintendent grants prior approval.
3. Personal leave may not be used in increments of less than one-half day.
4. Personal leave days are subject to a substitute's availability.
5. Personal leave days may not be used during the first and/or last five days of the school year.
6. Personal leave days may not be used on in-service and/or institute training days, and
7. Personal leave may not be used by more than 10% of the teaching staff in each building at the same time.

Leave of Absence Without Pay

The Board may grant a leave of absence without pay to tenured professional staff members who have rendered satisfactory service and desire to return to employment in a similar capacity at a time determined by the Board.

Each leave of absence shall be of the shortest possible duration required to meet the leave's purpose consistent with a reasonable continuity of instruction for students.

Leave to Serve as an Election Judge

Any staff member who was appointed to serve as an election judge under State law may, after giving at least 20-days' written notice to the District, be absent without pay for the purpose of serving as an election judge. The staff member is not required to use any form of paid leave to serve as an election judge. No more than 10% of the District's employees may be absent to serve as election judges on the

same Election Day.

General Assembly Leave

Leaves for service in the General Assembly, as well as re-employment rights, will be granted in accordance with State and federal law. A professional staff member hired to replace one in the General Assembly does not acquire tenure.

Leave for Employment in Department of Defense

The Board may grant teachers a leave of absence to accept employment in a Dept. of Defense overseas school.

School Visitation Leave

An eligible professional staff member is entitled to eight hours during any school year, no more than four hours of which may be taken on any given day, to attend school conferences, behavioral meetings, or academic meetings related to the teacher's child, if the conference or meeting cannot be scheduled during non-work hours. Professional staff members must first use all accrued vacation leave, personal leave, compensatory leave, and any other leave that may be granted to the professional staff member, except sick, and disability leave.

The Superintendent shall develop administrative procedures implementing this policy consistent with the School Visitation Rights Act.

Leaves for Victims of Domestic Violence, Sexual Violence, Gender Violence, or Other Crime of Violence

An unpaid leave from work is available to any staff member who: (1) is a victim of domestic violence, sexual violence, gender violence, or any other crime of violence or (2) has a family or household member who is a victim of such violence whose interests are not adverse to the employee as it relates to the domestic violence, sexual violence, gender violence, or any other crime of violence. The unpaid leave allows the employee to seek medical help, legal assistance, counseling, safety planning, and other assistance, and to grieve and attend to matters necessitated by the death of a family or household member who is killed in a crime of violence, without suffering adverse employment action.

The Victims' Economic Security and Safety Act (VESSA) governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, if the District employs at least 50 employees, and subject to any exceptions in VESSA, an employee is entitled to a total of 12 work weeks of unpaid leave during any 12-month period. Neither the law nor this policy creates a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 ([29 U.S.C. §2601 et seq.](#)).

Leaves to Serve as an Officer, Trustee, or Representative of a Specific Organization

Upon request, the Board will grant: (1) an unpaid leave of absence to an elected officer of a State or national teacher organization that represents teachers in collective bargaining negotiations, (2) up to twenty days of paid leave of absence per year to a trustee of the Teachers' Retirement System in accordance with [105 ILCS 5/24-6.3](#), (3) a paid leave of absence for the local association president of a State teacher association that is an exclusive bargaining agent in the District, or his or her designee, to attend meetings, workshops, or seminars as described in [105 ILCS 5/24-6.2](#), and (4) up to 10 days of paid leave per school term for teachers elected to represent a statewide teacher association in federal advocacy work in accordance with [105 ILCS 5/24-3.5](#).

COVID-19 Paid Administrative Leave

When applicable, paid administrative leave related to COVID-19 will be granted to eligible employees in accordance with State law.

Family Neonatal Intensive Care Leave [PRESSPlus2](#)

An unpaid leave from work is available to any staff member whose child [PRESSPlus3](#) is a patient in a neonatal intensive care unit (NICU) in accordance with the requirements of the Family Neonatal Intensive Care Leave Act. If the District employs at least 51 employees, an employee is entitled to a total of 20 days of unpaid leave while a child of the employee is a patient in a NICU. Non-RIF Dismissal

The District may terminate an at-will employee at any time for any or no reason, but not for a reason prohibited by State or federal law.

Employees who are employed annually or have a contract, or who otherwise have a legitimate expectation of continued employment, may be dismissed: (1) at the end of the school year or at the end of their respective contract after being provided appropriate notice and after compliance with any applicable contractual provisions, or (2) mid-year or mid-contract provided appropriate due process procedures are provided.

The Superintendent is responsible for making dismissal recommendations to the Board of Education consistent with the Board's goal of having a highly qualified, high performing staff. This includes recommending a non-licensed employee for immediate dismissal for willful or negligent failure to report an instance of suspected child abuse or neglect as required by [325 ILCS 5/](#).

Reduction in Force and Recall

Please refer to the applicable collective bargaining agreement(s).

For employees not covered by a current applicable bargaining agreement:

Final Paycheck

Please refer to the applicable collective bargaining agreement(s).

For employees not covered by a current applicable bargaining agreement:

Except as provided below, the Superintendent is authorized to suspend an employee without pay as a disciplinary measure, during an investigation into allegations of misconduct or pending a dismissal hearing whenever, in the Superintendent's judgment, the employee's presence is detrimental to the District. A disciplinary suspension shall be with pay: (1) when the employee is exempt from the overtime provisions, or (2) until an employee with an employment contract for a definite term is provided a notice and hearing according to the suspension policy for professional employees. Upon receipt of a recommendation from the Ill. Dept. Children and Family Services (DCFS) that the District remove an employee from his or her position when he or she is the subject of a pending DCFS investigation that relates to his or her employment with the District, the Board or Superintendent or designee, in consultation with the Board Attorney, will determine whether to:

1. Let the employee remain in his or her position pending the outcome of the investigation; or

5:330 Sick Days, Vacation, Holidays, and Leaves

Each of the provisions in this policy applies to all educational support personnel to the extent that it does not conflict with an applicable collective bargaining agreement or individual employment contract or benefit plan; in the event of a conflict, such provision is severable and the applicable bargaining agreement or individual agreement will control.

Sick and Bereavement Leave

Please refer to the applicable collective bargaining agreement(s).

For employees not covered by a current applicable bargaining agreement:

Full-time educational support personnel who work at least 30 hours per week receive 12 paid sick leave days per year. Part-time employees will receive sick leave pay equivalent to their regular workday. Unused sick leave shall accumulate to a maximum of 180 days, including the leave of the current year.

Sick leave is defined in State law as personal illness, mental or behavioral complications, quarantine at home, serious illness or death in the immediate family or household, or birth, adoption, placement for adoption, or the acceptance of a child in need of foster care. The Superintendent or designee shall monitor the use of sick leave.

As a condition for paying sick leave after three days absence for personal illness or as the Board or Superintendent deem necessary in other cases, the Board or Superintendent may require that the staff member provide a certificate from: (1) a physician licensed in Illinois to practice medicine and surgery in all its branches, (2) a mental health professional licensed in Illinois providing ongoing care or treatment to the staff member, (3) a chiropractic physician licensed under the Medical Practice Act, (4) a licensed advanced practice registered nurse, (5) a licensed physician assistant who has been delegated the authority to perform health examinations by his or her supervising physician, or (6) if the treatment is by prayer or spiritual means, a spiritual adviser or practitioner of the employee's faith. If the Board or Superintendent requires a certificate during a leave of less than three days for personal illness, the District shall pay the expenses incurred by the employee.

Employees are entitled to use up to 30 days of paid sick leave because of the birth of a child that is not dependent on the need to recover from childbirth. Such days may be used at any time within the 12-month period following the birth of the child. Intervening periods of nonworking days or school not being in session, such as breaks and holidays, do not count towards the 30 working school days. As a condition of paying sick leave beyond the 30 working school days, the Board or the Superintendent may require medical certification.

For purposes of adoption, placement for adoption, or acceptance of a child in need of foster care, paid sick leave may be used for reasons related to the formal adoption or the formal foster care process prior to taking custody of the child or accepting the child in need of foster care, and for taking custody of the child or accepting the child in need to foster care. Such leave is limited to 30 days, unless a longer leave is provided in an applicable collective bargaining agreement,

and need not be used consecutively once the formal adoption or foster care process is underway. The Board or Superintendent may require that the employee provide evidence that the formal adoption or foster care process is underway.

Please refer to the applicable collective bargaining agreement(s).

For employees not covered by a current applicable bargaining agreement:

7:50 School Admissions and Student Transfers To and From Non-District Schools

Admission Procedure

All students must register for school each year on the dates and at the place designated by the Superintendent. Parents/guardians of students enrolling in the District for the first time must present:

1. A certified copy of the student's birth certificate. If a birth certificate is not presented, the Superintendent or designee shall notify in writing the person enrolling the student that within 30 days he or she must provide a certified copy of the student's birth certificate. A student will be enrolled without a birth certificate. When a certified copy of the birth certificate is presented, the school shall promptly make a copy for its records, place the copy in the student's permanent record, and return the certified copy to the person enrolling the child. If a person enrolling a student fails to provide a certified copy of the student's birth certificate, the Superintendent or designee shall immediately notify the local law enforcement agency, and shall also notify the person enrolling the student in writing that, unless he or she complies within ten days, the case will be referred to the local law enforcement authority for investigation. If compliance is not obtained within that ten-day period, the Superintendent or designee shall so refer the case. The Superintendent or designee shall immediately report to the local law enforcement authority any material received pursuant to this paragraph that appears inaccurate or suspicious in form or content.
2. Proof of residence, as required by Board policy 7:60, *Residence*.
3. Proof of disease immunization or detection and the required physical examination, as required by State law and Board policy 7:100, *Health, Eye, and Dental Examinations; Immunizations; and Exclusion of Students*.

The individual enrolling a student shall be given the opportunity to voluntarily state whether the student has a parent or guardian who is a member of a branch of the U.S. Armed Forces and who is either deployed to active duty or expects to be deployed to active duty during the school year. Students who are children of active duty military personnel transferring will be allowed to enter: (a) the same grade level in which they studied at the school from which they transferred, if the transfer occurs during the District's school year, or (b) the grade level following the last grade completed.

Homeless Children

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce records normally required for enrollment. Board policy 6:140, *Education of Homeless Children*, and its implementing administrative procedure, govern the enrollment of homeless children.

Foster Care Students

The Superintendent will appoint at least one employee to act as a liaison to facilitate the enrollment and transfer of records of students in the legal custody of the Ill. Dept. of Children and Family Services (DCFS) when enrolling in or changing schools. The District's liaison ensures that DCFS' Office of Education and Transition Services receives all written notices and records pertaining to students in

the legal custody of DCFS as required by State law.

Student Transfers To and From Non-District Schools

A student may transfer into or out of the District according to State law and procedures developed by the Superintendent or designee. A student seeking to transfer into the District must serve the entire term of any suspension or expulsion, imposed for any reason by any public or private school, in this or any other state, before being admitted into the School District.

Foreign Students

The District accepts foreign exchange students with a J-1 visa and who reside within the District as participants in an exchange program sponsored by organizations screened by administration. Exchange students on a J-1 visa are not required to pay tuition.

Privately sponsored exchange students on an F-1 visa may be enrolled if an adult resident of the District has temporary guardianship, and the student lives in the home of that guardian. Exchange students on an F-1 visa are required to pay tuition at the established District rate. F-1 visa student admission is limited to high schools, and attendance may not exceed 12 months.

The Board may limit the number of exchange students admitted in any given year. Exchange students must comply with District immunization requirements. Once admitted, exchange students become subject to all District policies and regulations governing students.

Re-enrollment

Re-enrollment shall be denied to any individual 19 years of age or above who has dropped out of school and who could not earn sufficient credits during the normal school year(s) to graduate before his or her 21st birthday. However, at the Superintendent's or designee's discretion and depending on program availability, the individual may be enrolled in a graduation incentives program established under [105 ILCS 5/26-16](#) or an alternative learning opportunities program established under [105 ILCS 5/13B-1](#) (see 6:110, *Programs for Students At Risk of Academic Failure and/or Dropping Out of School and Graduation Incentives Program*). Before being denied re-enrollment, the District will offer the individual due process as required in cases of expulsion under policy 7:210, *Expulsion Procedures*. A person denied re-enrollment will be offered counseling and be directed to alternative educational programs, including adult education programs that lead to graduation or receipt of a GED diploma. This section does not apply to students eligible for special education under the Individuals with Disabilities Education Improvement Act or accommodation plans under the Rehabilitation Act, Section 504.

7:100 Health, Eye, and Dental Examinations; Immunizations; and Exclusion of Students

Required Health Examinations and Immunizations

A student's parents/guardians shall present proof that the student received a health examination, with proof of the immunizations against, and screenings for, preventable communicable diseases, as required by the Illinois Department of Public Health (IDPH), within one year prior to:

1. Entering the ninth grade; and
2. Enrolling in an Illinois school, regardless of the student's grade (including nursery school, special education, Head Start programs operated by elementary or secondary schools, and students transferring into Illinois from out-of-state or out-of-country).

Proof of immunization against meningococcal disease is required for students in grade 12.

As required by State law:

1. Health examinations must be performed by a physician licensed to practice medicine in all of its branches, an advanced practice registered nurse, or a physician assistant who has been delegated the performance of health examinations by a supervising physician.
2. A diabetes screening is a required part of each health examination; diabetes testing is not required.
3. An age-appropriate developmental screening and an age-appropriate social and emotional screening are required parts of each health examination. A student will not be excluded from school due to his or her parent/guardian's failure to obtain a developmental screening or a social and emotional screening.
4. The District will provide informational materials regarding influenza and influenza vaccinations developed, provided, or approved by the IDPH when it provides information on immunizations, infectious diseases, medications, or other school health issues to students' parents/guardians.

To establish a date before October 15 state non-compliant exclusion date, school districts are required to provide parents/guardian notification 60 days prior to the start of the school year. Thornton Fractional THSD 215 will give parents/guardians a 60-day notice that the required health examinations and immunizations must be submitted in order for the student to be registered within the school district.

If a medical reason prevents a student from receiving a required immunization prior to the beginning of the school year, the student must present, by September 1, an immunization schedule and a statement of the medical reasons causing the delay. The schedule and statement of medical reasons must be signed by the physician, advanced practice registered nurse, physician assistant, or local health department responsible for administering the immunizations.

A student transferring from out-of-state who does not have the required proof of immunizations by October 15 may attend classes only if he or she has proof that an appointment for the required vaccinations is scheduled with a party authorized to submit proof of the required vaccinations. If the

required proof of vaccination is not submitted within 30 days after the student is permitted to attend classes, the student may no longer attend classes until proof of the vaccinations is properly submitted.

Eye Examination

Parents/guardians are encouraged to have their children undergo an eye examination whenever health examinations are required.

Parents/guardians of students entering an Illinois school for the first time shall present proof of registration prior to the start of the school year. A physician licensed to practice medicine in all of its branches, or a licensed optometrist, must perform the required eye examination.

Dental Examination

All children in kindergarten and the second, sixth, and ninth grades must present proof of having been examined by a licensed dentist before May 15 of the current school year in accordance with rules adopted by the IDPH.

If a child in the second, sixth, or ninth grade fails to present proof by May 15, the school may hold the child's report card until the child presents proof: (1) of a completed dental examination, or (2) that a dental examination will take place within 60 days after May 15. The Superintendent or designee shall ensure that parents/guardians are notified of this dental examination requirement at least 60 days before May 15 of each school year.

Exemptions

In accordance with rules adopted by the IDPH, a student will be exempted from this policy's requirements for:

1. Religious grounds, if the student's parents/guardians present the IDPH's Certificate of Religious Exemption form to the Superintendent or designee. When a Certificate of Religious Exemption form is presented, the Superintendent or designee shall immediately inform the parents/guardians of exclusion procedures pursuant to Board policy 7:280, *Communicable and Chronic Infectious Disease*, and State rules if there is an outbreak of one or more diseases from which the student is not protected.
2. Health examination or immunization requirements on medical grounds, if the examining physician, advanced practice registered nurse, or physician assistant provides written verification.
3. Eye examination requirement, if the student's parents/guardians show an undue burden or lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or a licensed optometrist.
4. Dental examination requirement, if the student's parents/guardians show an undue burden or a lack of access to a dentist.

Homeless Child

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce immunization and health records normally required for enrollment. Board policy 6:140, *Education of Homeless Children*, governs the enrollment of homeless children.

7:260 Exemption from Physical Education

In order to be excused from participation in physical education, a student must present an appropriate excuse from his or her parent/guardian or from a person licensed under the Medical Practice Act. The excuse may be based on medical or religious prohibitions. An excuse because of medical reasons must include a signed statement from a person licensed under the Medical Practice Act that corroborates the medical reason for the request. An excuse based on religious reasons must include a signed statement from a member of the clergy that corroborates the religious reason for the request. Upon written notice from a student's parent/guardian, a student will be excused from engaging in the physical activity components of physical education during a period of religious fasting.

Special activities in physical education will be provided for a student whose physical or emotional condition, as determined by a person licensed under the Medical Practice Act, prevents his or her participation in the physical education course.

State law prohibits the Board from honoring parental excuses based upon a student's participation in athletic training, activities, or competitions conducted outside the auspices of the School District.

A student who is eligible for special education may be excused from physical education courses in either of the following situations:

1. He or she (a) is in grades 9-12, (b) his or her IEP requires that special education support and services be provided during physical education time, and (c) the parent/guardian agrees or the IEP team makes the determination; or
2. He or she (a) has an IEP, (b) is participating in an adaptive athletic program outside of the school setting, and (c) the parent/guardian documents the student's participation as required by the Superintendent or designee.

A student requiring adapted physical education must receive that service in accordance with his or her Individualized Educational Program/Plan (IEP).

A student in grades 9-12, unless otherwise stated, may submit a written request to the Building Principal to be excused from physical education courses for the reasons stated in 6:310, *High School Credit for Non-District Experiences; Course Substitutions; Re-Entering Students*.

The Superintendent or designee shall maintain records showing that the criteria set forth in this policy were applied to the student's individual circumstances, as appropriate.

Students who have been excused from physical education shall return to the course as soon as practical. The following considerations will be used to determine when a student shall return to a physical education course:

1. The time of year when the student's participation ceases;
2. The student's class schedule; and
3. The student's future or planned additional participation in activities qualifying for substitutions for physical education as outlined in policy 6:310, *High School Credit for Non-District Experiences; Course Substitutions; Re-Entering Students*.

8:90 Parent Organizations and Booster Clubs

Parent organizations and booster clubs are invaluable resources to the District's schools. While parent organizations and booster clubs have no administrative authority and cannot determine District Board PRESSPlus1 policy, the Board of Education welcomes their suggestions and assistance.

Parent organizations and booster clubs may be recognized by the Board and permitted to use the District's name, a District school's name, or a District school's team name, or any logo attributable to the District provided they first receive the Superintendent or designee's express written consent. Consent to use one of the above-mentioned names or logos will generally be granted if the organization or club is a 501(c)(3) that has submitted proof of its status and has by laws containing the following:

1. The organization's or club's name and purpose, such as, to enhance students' educational experiences, to help meet educational needs of students, to provide extra athletic benefits to students, to assist specific sports teams or academic clubs through financial support, or to enrich extracurricular activities.
2. The rules and procedures under which it operates.
3. An agreement to adhere to all Board policies and administrative procedures.
4. A statement that membership is open and unrestricted, meaning that membership is open to all parents/guardians of students enrolled in the school, District staff, and community members.
5. A statement that the District is not, and will not be, responsible for the organization's or club's business or the conduct of its members, including on any organization or club websites or social media accounts.
6. An agreement to maintain and protect its own finances.
7. A recognition that money given to a school cannot be earmarked for any particular expense. Booster clubs may make recommendations, but cash or other valuable consideration must be given to the District to use at its discretion. The Board's legal obligation to comply with Title IX by providing equal athletic opportunity for members of both genders will supersede an organization or club's recommendation.

Permission to use one of the above-mentioned names or logos may be rescinded at any time and does not constitute permission to act as the District's representative. At no time does the District accept responsibility for the actions of any parent organization or booster club regardless of whether it was recognized and/or permitted to use any of the above-mentioned names or logos. The Superintendent shall designate an administrative staff member to serve as the recognized liaison to parent organizations or booster clubs. The liaison will serve as a resource person and provide information about school programs, resources, policies, problems, concerns, and emerging issues. Building staff will be encouraged to participate in the organizations.

2:140-E Exhibit - Guidance for Board Member Communications, Including Email Use

The Open Meetings Act (OMA) requires the Board of Education to discuss District business only at a properly noticed Board meeting. PRESSPlus1 5 ILCS 120/. Other than during a Board meeting, a majority or more of a Board quorum may not engage in contemporaneous interactive communication, whether in person or electronically, to discuss District business. This guidance assumes a Board has seven members and covers issues arising from Board policy 2:140, *Communications To and From the Board*.

Note: *Public records* stored by board members on personal devices (i.e., texts) or personal email accounts pose significant logistical and administrative challenges for public record preservation and certain FOIA requests. It is therefore a best practice for board members to utilize District-issued devices or District-issued email addresses for electronic communications that qualify as public records under the Freedom of Information Act (FOIA) or the Local Records Act (LRA). For that reason, the examples in this guidance focus primarily on board member email use and District-issued devices.

Communications Between or Among Board Members and/or the Superintendent Outside of a Properly Noticed Board Meeting

1. The Superintendent or designee is permitted to email information to Board members. For example, the Superintendent may email Board meeting agendas and supporting information to Board members. When responding to a single Board member's request, the Superintendent should copy all other Board members and include a do not reply all/forward alert to the group, such as: **"BOARD MEMBER ALERT: This email is in response to a request. Do not reply or forward to the group but only to the sender."** Alternatively, the Superintendent may blind carbon copy (bcc) all other board members (preventing them from replying to all) and include a similar alert to the group, such as: **"BOARD MEMBER ALERT: This email is in response to a request. To prevent replies or forwards to the group, all board members are blind carbon copied on this email. Only reply to the sender."**
2. Board members are permitted to discuss any topic other than District business with each other, whether in person or by telephone, email, text, or other electronic means, regardless of the number of members participating in the discussion. For example, they may discuss sports, work, or current events.
3. Board members are permitted to provide information to each other, whether in person or by telephone, email, text, or other electronic means, that relates to District business but is non-deliberative and non-substantive. Examples of this type of communication include scheduling meetings and confirming receipt of information.
4. A Board member is not permitted to discuss District business with more than one other Board member at a time, whether in person or by telephone, email, text, or other electronic means. Stated another way, a Board member may discuss District business in person or by telephone, email, text, or other electronic means with only one other Board member at a time.
5. A Board member should not facilitate interactive communication by discussing District business in a series of visits with, or telephone calls, emails, texts, or other electronic communications to,

Board members individually.

6. A Board member should include a do not reply all/forward alert when emailing a message concerning District business to more than one other Board member. The following is an example of such an alert: **"BOARD MEMBER ALERT: This email is not for interactive discussion purposes. The recipient should not reply to it or forward it to any other individual."** Alternatively, the board member may bcc the other board members and include a similar alert to the other board members, such as **"BOARD MEMBER ALERT: This email is not for interactive discussion purposes. To prevent replies or forwards to the group, all board members are blind carbon copied on this email. The recipient should not reply to it or forward it to another individual."**
7. Board members should not forward email received from another Board member.

When Must the Electronic Communications Sent or Received by Individual Board Members Be Disclosed Pursuant to a Freedom of Information Act (FOIA) Request?

An electronic communication must be disclosed if it is a public record as defined by FOIA, unless a specific exemption applies. A *public record* is any recorded information "pertaining to the transaction of public business, regardless of physical form or characteristics, having been prepared by or for, or having been or being used by, received by, in the possession of, or under the control of any public body." 5 ILCS 140/2, amended by P.A. 104-438. Public records do not include *junk mail*. Junk mail includes unsolicited commercial electronic communications sent to the District that it does not respond to. Id. Email or other electronic communications sent or received by an individual Board member may be, depending on the content and circumstances, subject to disclosure as a public record (unless a FOIA exemption is applicable).

If a Board member uses a District-provided device or email address to discuss public business, the electronic communication is subject to disclosure under FOIA, barring an applicable exemption. If a Board member uses a private device and email address, the communication is subject to FOIA if it satisfies this test:

First, the communication pertains to the transaction of public business, and

Second, the communication was: (1) prepared by a public body, (2) prepared for a public body, (3) used by a public body, (4) received by a public body, (5) possessed by a public body, and/or (6) controlled by a public body.

This test is from the appellate court decision in City of Champaign v. Madigan, 992 N.E.2d 629 (Ill. App. Ct. 2013).

The following examples describe FOIA's treatment of electronic communications:

1. If an electronic communication does not pertain to public business, it is not a public record and is not subject to a FOIA request.
2. An electronic communication pertaining to public business that is:
 - a. Sent and/or received by an individual Board member using a personal electronic device and personal email address while he or she is at home or work would not be a public record. Individual Board members, alone, cannot conduct school District business. As stated earlier, emails among a majority or more of a Board-quorum violate OMA and, thus, are subject to disclosure during proceedings to enforce OMA.
 - b. Sent and/or received by an individual Board member on a District-issued device or District-issued email address **will be a public record** and subject to FOIA. The electronic communication is under the control of the District.

- c. Received by an individual Board member on a personal electronic device and then forwarded by the Board member to a District-owned device or server **will be a public record** and subject to FOIA. The electronic communication is under the control of the District.
- d. Received by an individual Board member using a personal electronic device and personal email address, and then forwarded by the Board member to enough members to constitute a majority or more of a Board-quorum **will be a public record** and subject to FOIA. The electronic communication is in the District's possession.
- e. Either sent to or from a Board member's personal electronic device during a Board meeting **will be a public record** and subject to FOIA. The electronic communication is in the District's possession because Board members were functioning collectively as a public body.

The District's Freedom of Information Officer and/or Board Attorney will help determine whether a specific communication must be disclosed pursuant to a FOIA request.

When Must Electronic Communications Be Retained?

Electronic communications that qualify under FOIA as *public records* will need to be stored pursuant to the Local Records Act (LRA), only if it is evidence of the District's organization, function, policies, procedures, or activities or contains informational data appropriate for preservation. 50 ILCS 205/. An example is any email from a Board officer concerning a decision made in his or her capacity as an officer. If a Board member uses his or her personal email, he or she must copy this type of email to the appropriate District office where it will be stored. If made available, Board members should use their email accounts provided by the District, and the District will automatically store the official record messages. The District will delete these official record messages as provided in an applicable, approved **retention schedule**. Of course, email pertaining to public business that is sent or received by a Board Member using a District-issued device or email address will be subject to FOIA, even if the email does not need to be retained under the LRA.

Important: Do not destroy any electronic communication concerning a topic that is being litigated without obtaining the Board Attorney's direction. In federal lawsuits, there is an automatic discovery of virtually all types of electronically created or stored data that might be relevant. Attorneys will generally advise their clients at the beginning of a legal proceeding that they must not destroy any electronic records that might be relevant. This is referred to as a *litigation hold*. For more discussion of a litigation hold, see administrative procedure 2:250-AP2, *Protocols for Record Preservation and Development of Retention Schedules*. In addition, any person who knowingly with the intent to defraud any party destroys, removes, or conceals any public record commits a Class 4 felony. 50 ILCS 205/4.

MEMORANDUM

Date: April 28, 2026

To: Ray Williams, Interim Superintendent, & Board of Education

From: Dr. John O'Rourke, Interim Assistant Superintendent of Student Services

Subject: Wayfinder Contract

Recommended Action:

Recommend the approval the Wayfinder contract for the 2026 – 2027.

Background:

Wayfinder is a research-based Social-Emotional Learning (SEL) curriculum designed specifically to support high school students in developing purpose, belonging, and future-ready life skills. The program focuses on building six core competencies—self-awareness, empathy, collaboration, adaptability, agency, and purpose—through structured lessons, advisory activities, and real-world reflections that helps students connect their academic experiences to life beyond high school.

By integrating short, flexible lessons and data-driven support, Wayfinder helps schools strengthen student engagement, improve school climate, and equips students with the social, emotional, and decision-making skills necessary for academic success and long-term personal growth.

All District 215 students will have access to Wayfinder SEL Curriculum as a core component of our commitment to supporting student social, emotional, and behavioral development. The programming and structured lessons within Wayfinder will be utilized as both Tier I universal support and Tier II targeted interventions to proactively address student needs and promote skill development in areas such as self-management, decision-making, emotional regulation, and responsible behavior. In addition to preventative use, Wayfinder will also serve as a restorative and instructional component within the discipline framework. Students who violate the Student Code of Conduct may be assigned specific Wayfinder lessons aligned to the nature of the infraction, allowing consequences to include meaningful learning opportunities that address root causes of behavior. For example, the Deans' Office will supplement disciplinary consequences with targeted Wayfinder modules to redirect lower-level infractions such as tardiness, truancy, vaping, possession of smoking materials, and incidents of gross misconduct. Our approach ensures that disciplinary responses remain educational, restorative, and growth-focused, while reinforcing district expectations and equipping students with the skills necessary to make more positive decisions moving forward.

MEMORANDUM

Date: April 28, 2026
To: Mr. Ray Williams, Interim Superintendent/Board of Education
From: Mr. Eric Mastey, Assistant Superintendent of Career Development
Subject: Desktop Workstations for CTE at South

Recommended Action

I respectfully request that the Board of Education approve the purchase of 30 Dell Pro Slim desktop workstations and one Dell Pro 16 XCTO Base device for the Career and Technical Education Department at TF South.

Background

The acquisition of these devices will serve two critical purposes. First, it will ensure that current, industry-relevant technology and software can be effectively implemented within courses supporting Graphic Design, Digital Photography, and Business and Finance Services. Second, it will support the continued expansion of programmatic pathways by increasing student access to appropriate and dedicated technological resources, while also providing a mobile, high-performance device to support instructional planning, program coordination, and specialized instructional needs.

This procurement represents a collaborative effort between the Career Development Department, Teaching and Learning, and the District's Technology Department. Through this collaboration, the selected devices and implementation plan have been carefully aligned to student interests, evolving industry standards, and the technical specifications established by Mr. Wakefield's department, ensuring both instructional relevance and system-wide compatibility.

At present, these programs rely on shared devices that were not originally purchased using CTE grant funds and are also utilized by other programs, including TV Broadcasting and Music Design and Technology. This shared usage limits consistent access and creates challenges in delivering high-quality, program-specific instruction aligned to industry standards.

Approval of this purchase will strengthen instructional delivery, enhance student learning experiences, and better position these programs to meet growing student demand. Additionally, this investment directly supports the district's strategic priorities related to college and career readiness, while aligning with the intent of Perkins V to provide equitable access to high-quality Career and Technical Education programs, modernized equipment, and learning environments that reflect current workforce expectations.
