 - A. Committed Fund Balance - Adjustment

With the completion of the FY 2026 fiscal year, we need to adjust the balance of the commitment to fund balance for the Special Education Fund as it relates to the additional millage for program expansion to reflect actual expenditures. We are requesting an adjustment to reduce up to \$350,000 of the current \$1,312,075 committed funds, with the actual to be determined once the fiscal year-end is closed and actual spending is known for 2025–26. We are requesting an "up to" to provide the flexibility to of year-end processing and adjustments.

- B. 2025-2026 Budget Amendment 48
Adjustments to grants and end of year activity necessitate a final amendment to the 2025-2026 budget. The Uniform Budgeting and Accounting Act stipulates that changes in the adopted budget require a resolution which becomes a part of the minutes. The following resolution will update the adopted budget and more accurately depict our financial status in those funds.

- C. 2026-2027 Budget Adoption 64
Each year the Board of Education must pass a resolution to adopt a budget for the upcoming fiscal year or a continuation of the previous year’s budget by June 30. The 2026-2027 "Truth in Budgeting" information was presented to the Board in a budget hearing at the beginning of the meeting. The 2026-2027 allocated millage rate to be levied is .1989 mills generating tax revenue of \$654,952 to be used for general operations. The 2026-2027 voted millage rate to be levied is 1.7365 mills generating tax revenue of \$5,718,072 to be used for special education. The 2026-2027 voted millage rate to be levied is .9891 mills generating tax revenue of \$3,256,980 to be used for career and technical education.

Dear Superintendent McArthur:

Congratulations on the passage of the recent Millage Restoration proposal for the Eastern Upper Peninsula Intermediate School District! This support speaks to your community’s desire to improve schools for your students.

We know that ballot initiatives often take great effort and commitment on the part of the local school board and administration to clearly inform the community of the importance of the initiative.

On behalf of the State Board of Education and the Michigan Department of Education, congratulations on the passage of your ballot initiative. We know you will build on this achievement in the future. Best wishes for continued success as you put students first!

Sincerely,

SUPERINTENDENT'S REPORT *June 2026*

Thank you to all the EUPISD staff for another great year! We have a great team working to support the children, families, staff, and communities in our region. Thank you to the board for your leadership!

Legislative Update

A budget framework has been agreed upon, but the final budget has not yet been completed. It appears that the major property tax reform has been pulled off the table. July 1 is coming quickly for the legislators to meet their deadline. An ongoing concern is the 31aa legislation for the 2026-2027 budget. We recommend the Senate version of the language, which removes the privilege waiver but requires participation in a state investigation in the case of a mass-casualty event.

Updates

I attended the MAISA Summer Conference last week in Muskegon. It was great to spend time with other ISD superintendents to discuss the common services and support we provide to our local districts, and to identify different approaches to those services and support. I sat on a panel with three other “veteran” ISD superintendents, sharing thoughts on governance, partnerships, and the challenges ISDs face.

The EUPISD Strategic Plan will be presented to the board in August. It is based on three pillars: Capacity Building, Collaboration, and Impact Framework.

EUP Promise Zone

The EUP Promise Zone awarded 26 scholarships in the first year. There will be a second application period in August to ensure all eligible students take advantage of the opportunity. We are in year two of fundraising.

Extended School Year Services

Extended School Year (ESY) services in Michigan are specialized supports provided to eligible students with disabilities under the Individuals with Disabilities Education Act (IDEA). ESY is not simply summer school; instead, it is individualized instruction and related services designed to prevent significant regression of critical skills during extended breaks in the school year. A student qualifies for ESY through the Individualized Education Program (IEP) team, which reviews data such as past regression and recoupment patterns, the severity of the disability, and the importance of maintaining specific skills for the student’s progress. The goal is to ensure the student continues to receive a Free Appropriate Public Education (FAPE) without interruption.

In Michigan, ESY decisions must be made annually by the IEP team and cannot be based on predetermined criteria such as disability category or availability of programs. Services may look different from the regular school year and can include targeted instruction, therapy services, or other supports focused on maintaining essential skills outlined in the IEP. ESY may occur during summer or other school breaks, and the type, duration, and setting are tailored to the individual student’s needs rather than mirroring a typical school day or curriculum.

For Summer 2026, the EUPISD has two sessions of ESY being offered at the Learning Center and 19 professional staff delivering services to students in districts across our three-county region.

HORSING AROUND

Caden had a great time at the Chippewa County fairgrounds experiencing a horse ride.

ROCK PAINTING

Families and students enjoyed painting rocks at our end of year picnic.

SWINGING IN THE SUN

Scarlett and Cooper enjoyed the sunshine during the last week of preschool.

2026 GRADUATES

As we bid farewell to the graduating Class of 2026, we extend our heartfelt congratulations to these remarkable students—and our deepest thanks to the families, teachers, and community members who supported them along the way. This milestone is a reflection of years of dedication, growth, and perseverance. We are proud of all they've achieved and look forward to the bright futures that await them. A final congratulations to Riley, Emiliee, Quincy, and Aidan!

END OF YEAR FUN!

The school community had a week full of fun at the end of the school year. Students and families had a great time at the first MyK event. The "MyK" is an alternative to a traditional 5K fun run that allows students to choose a distance that is comfortable for them. Special thanks go to Officer Lubben and Officer Fruchey for their help with the race. Following the event, students and families gathered at the building for the end-of-year picnic. They enjoyed lunch together, played on the playground, painted rocks, and spent time connecting with one another.

STUDENTS OF THE MONTH

This great group of students are our Students of the Month! Loren, Tristan, Ed, Abel and Kaydan demonstrated our PBIS principles of being safe, responsible, and respectful this past month. Classrooms choose the student who demonstrated growth or consistency in these areas. Well done everyone!

Early On Strand Report

Federal law under the Individuals with Disabilities Education Act (IDEA) requires that early intervention services be provided in natural environments whenever appropriate. These are places where young children typically learn, play, and interact, such as their homes or community settings. Services provided outside of these settings require documented justification by the child's Individualized Family Service Plan (IFSP) team.

The EUPISD Early On program continues to exceed state expectations in this area, achieving 100% compliance with Indicator 2, which measures the percentage of children receiving services in natural environments. During the reporting period, 88.57% of children received services in their homes and 11.43% received services in community-based settings. This surpasses Michigan's state target of 96%.

Additionally, the program's May Part C Strand Report ([linked here](#)) confirms that EUPISD Early On continues to meet all requirements and purposes of Part C of IDEA, demonstrating the program's commitment to providing high-quality early intervention services for infants, toddlers, and their families.

Statewide Early Childhood Administrators Network (ECAN)

The EUPISD hosted the Michigan Administrators of Intermediate School Association (MAISA) Early Childhood Administrators Network (ECAN) Summer Retreat June 23–25 on the campus of Lake Superior State University. The retreat brought together early childhood and early childhood special education leaders from intermediate school districts across Michigan to share ideas, learn from one another, and discuss issues impacting young children and families.

Throughout the retreat, participants engaged in planning for future work, discussed legislative priorities, conducted membership elections, and participated in professional learning and networking opportunities. Hosting this statewide event allowed EUPISD to showcase the Eastern Upper Peninsula while strengthening partnerships and highlighting the important work being done to support young children and families throughout our region.

Early Childhood - Career & Technical Education (CTE)

The Early Childhood Education CTE program celebrated several accomplishments this year. Three students graduated with their Child Development Associate (CDA) Credential, a nationally recognized credential that demonstrates competency in working with young children and prepares students for careers in early childhood education.

To further enhance hands-on learning opportunities, the program recently purchased Reality Babies, which will be incorporated into instruction beginning in fall 2026. These infant simulators provide students with a realistic caregiving experience by requiring them to respond to feeding, diapering, soothing, and other infant needs. The addition of Reality Babies will help students build practical skills in child development, responsibility, and caregiving while strengthening career readiness in early childhood and related fields.

Developing Cohesive Systems of Support for Student Learning

On June 10, we kicked off a professional learning series addressing the legislative requirements of Michigan's Dyslexia legislation (PA14,6). Administrators and lead teachers from 10 EUP districts came together for a day that included new learning and action planning time with support from our General Education and Special Education Department staff. This series includes more dates for the leadership teams as well as professional learning for instructional staff between now and August 2027. Monthly discussions are planned for administrator meetings moving forward. For more information, [click here](#).

Building Attendance Support for Student Learning

Our UP-wide professional learning series addressing attendance issues with Safe & Civil Schools wrapped up on June 15. Michigan Statewide Educational Network (MiSEN), REMC SAVE Announce Statewide 470 Network Bid for Schools and Libraries

The Michigan Statewide Educational Network (MiSEN) has partnered with REMC SAVE to launch a statewide Networking & Security Bid aligned with the federal E-Rate process through the issuance of a consortium FCC Form 470 through the support of E-Rate Central. This exciting partnership expands access to cost-effective network infrastructure and cybersecurity solutions for Michigan schools, libraries, and rural healthcare entities.

I anticipate we'll benefit from this when replacing the wireless networking infrastructure across the region over the next year or two.

MiCloud's Cloud Viability Assessment

We've been utilizing the grant funded MiCloud service of storing a copy of our backups in Amazon Web Services (AWS) for some time, and are now engaging with them/Ingram Micro to conduct a Cloud Viability Assessment for us to help inform strategic infrastructure decisions and associated costs with hosting systems and servers locally or in the cloud.

FINANCE/HUMAN RESOURCES REPORT TO THE EASTERN UPPER PENINSULA INTERMEDIATE SCHOOL DISTRICT BOARD OF EDUCATION

Dena Mayer, Director of Finance and Human Resources
June 2026

BUSINESS/FINANCE

Financials. In the financials presented this month, you will notice several revenues that appear to be over collected from the budget. This is primarily due to funding sources that we receive monthly that will be spent in the future. We will make a year-end adjustment to defer these and that will correct the appearance of over collection.

2026-27 Truth-in-Taxation Budget Hearing. The Tax Rate Request (L-4029) will be part of the 2026-27 budget hearing and will be presented during the Truth-in-Taxation Public Hearing. Due to the increase in taxable values, we will have a headlee rollback of 0.9999.

Committed Fund Balance – Adjustment. As discussed last month, with the completion of the FY 2026 fiscal year, we need to adjust the balance of the commitment to fund balance for the Special Education Fund as it relates to the additional millage for program expansion to reflect actual expenditures. We are requesting an adjustment to reduce up to \$350,000 of the current \$1,312,075 committed funds with the actual to be determined once the fiscal year end is closed and actual spending is known for 2025-26. We are requesting an “up to” to provide the flexibility to of year end processing and adjustments.

2025-26 Budgets. We are actively working on the finalizing the budgets for this year and will review at the meeting.

2026-27 Budgets. At this time, the FY 2026–2027 state budget, including the School Aid Fund, has not yet been finalized, leaving key details such as per-pupil funding levels and categorical allocations unknown. As a result, the district is proceeding with the same conservative assumptions used in the 2026-27 presented in March. We will continue to closely monitor developments in Lansing, making adjustments as needed once final budget figures are enacted.

The planned 2026-27 budgets reviewed in March included notes that we may need to make some updates before the final approval by this board in June. We have made the following changes that we will discuss with the finance committee in advance of the full meeting:

- Special Education – Addition of an Emotional Impairment (EI) classroom at the Learning Center as well as an adjustment to an “Educator on Loan” agreement that is set to end on June 30, 2026.
- Cooperative Technology – Adjustments for the Erate services bid that was awarded in late March.
- Business Services Consortium – Adjustments for business services to be provided as well as the regional fiber build construction.

Instructions For Completing Form 614 (L-4029) 2026 Tax Rate Request, Millage Request Report To County Board Of Commissioners

These instructions are provided under MCL Sections 211.24e (truth in taxation), 211.34 (truth in county equalization and truth in assessing), 211.34d (Headlee), and 211.36 and 211.37 (apportionment).

Column 1: Source. Enter the source of each millage. For example, allocated millage, separate millage limitations voted, charter, approved extra-voted millage, public act number, etc. Do not include taxes levied on the Industrial Facilities Tax Roll.

Column 2: Purpose of millage. Examples are: operating, debt service, special assessments, school enhancement millage, sinking fund millage, etc. A local school district must separately list operating millages by whether they are levied against ALL PROPERTIES in the school district or against the NON-HOME group of properties. (See State Tax Commission Bulletin 2 of 2026 for more explanation.) A local school district may use the following abbreviations when completing Column 2: “Operating ALL” and “Operating NON-HOME”. “Operating ALL” is short for “Operating millage to be levied on ALL PROPERTIES in the local school district” such as Supplemental (Hold Harmless) Millages and Building and Site Sinking Fund Millages. “Operating NON-HOME” is short for “Operating millage to be levied on ALL PROPERTIES EXCLUDING PRINCIPAL RESIDENCE, QUALIFIED AGRICULTURAL, QUALIFIED FOREST AND INDUSTRIAL PERSONAL PROPERTIES in the local school district” such as the 18 mills in a district which does not levy a Supplemental (Hold Harmless) Millage.

Column 3: Date of Election. Enter the month and year of the election for each millage authorized by direct voter approval.

Column 4: Millage Authorized. List the allocated rate, charter aggregate rate, extra-voted authorized before 1979, each separate rate authorized by voters after 1978, debt service rate, etc. (This rate is the rate before any reductions.)

Column 5: 2025 Millage Rate Permanently Reduced by MCL 211.34d (“Headlee”) Rollback. Starting with taxes levied in 1994, the “Headlee” rollback permanently reduces the maximum rate or rates authorized by law or charter. The 2025 permanently reduced rate can be found in column 7 of the 2025 Form L-4029. For operating millage approved by the voters after April 30, 2025, enter the millage approved by the voters. For debt service or special assessments not subject to a millage reduction fraction, enter “NA” signifying “not applicable.”

Column 6: Current Year Millage Reduction Fraction. List the millage reduction fraction certified by the county treasurer for the current year as calculated on Form 2166 (L-4034), *2026 Millage Reduction Fraction Calculations Worksheet*. The millage reduction fraction shall be rounded to four (4) decimal places. The current year millage reduction fraction shall not exceed 1.0000 for 2026 and future years. This prevents any increase or “roll up” of millage rates. Use

1.0000 for new millage approved by the voters after April 30, 2026. For debt service or special assessments not subject to a millage reduction fraction, enter 1.0000.

Column 7: 2026 Millage Rate Permanently Reduced by MCL 211.34d (“Headlee”) Rollback. The number in column 7 is found by multiplying column 5 by column 6 on this 2026 Form L-4029. This rate must be rounded DOWN to 4 decimal places. (See STC Bulletin No. 11 of 1999, Supplemented by Letter of 6/7/2000.) For debt service or special assessments not subject to a millage reduction fraction, enter “NA” signifying “not applicable.”

Column 8: Section 211.34 Millage Rollback Fraction (Truth in Assessing or Truth in Equalization). List the millage rollback fraction for 2026 for each millage which is an operating rate. Round this millage rollback fraction to 4 decimal places. Use 1.0000 for school districts, for special assessments and for bonded debt retirement levies. For counties, villages and authorities, enter the Truth in Equalization Rollback Fraction calculated on STC Form L-4034 as TOTAL TAXABLE VALUE BASED ON CEV FOR ALL CLASSES/TOTAL TAXABLE VALUE BASED ON SEV FOR ALL CLASSES. Use 1.0000 for an authority located in more than one county. For further information, see State Tax Commission Bulletin 2 of 2026. For townships and cities, enter the Truth in Assessing Rollback Fraction calculated on STC Form L-4034 as TOTAL TAXABLE VALUE BASED ON ASSESSED VALUE FOR ALL CLASSES/TOTAL TAXABLE VALUE BASED ON SEV FOR ALL CLASSES. The Section 211.34 Millage Rollback Fraction shall not exceed 1.0000.

Column 9: Maximum Allowable Millage Levy. Multiply column 7 (2026 Millage Rate Permanently Reduced by MCL 211.34d) by column 8 (Section 211.34 millage rollback fraction). Round the rate DOWN to 4 decimal places. (See STC Bulletin No. 11 of 1999, Supplemented by Letter of 6/7/2000.) For debt service or special assessments not subject to a millage reduction fraction, enter millage from Column 4.

Column 10/Column 11: Millage Requested to be Levied. Enter the tax rate approved by the unit of local government provided that the rate does not exceed the maximum allowable millage levy (column 9). A millage rate that exceeds the base tax rate (Truth in Taxation) cannot be requested unless the requirements of MCL 211.24e have been met. For further information, see State Tax Commission Bulletin 2 of 2026. A LOCAL School District which levies a Supplemental (Hold Harmless) Millage shall not levy a Supplemental Millage in excess of that allowed by MCL 380.1211(3). Please see the memo to assessors dated October 26, 2004, regarding the change in the collection date of certain county taxes.

Column 12: Expiration Date of Millage. Enter the month and year on which the millage will expire.

COMPENSATION AND BENEFITS GUIDE 2026-2027**

The effective date of this agreement is July 1, 2026.

WORK HOURS, DAYS AND YEAR

Employees' hours, days, and weeks worked shall be determined by the superintendent, based on the needs of each individual position. Changes in the number of hours, days and/or weeks worked shall be the sole discretion of the superintendent.

INSURANCE

1. The Board of Education reserves the right to select the insurance carrier for dental, vision, life, and long-term disability; provided coverage is equal to that listed below. The health (medical and prescription drug) coverage listed below is subject to change at the discretion of the Non-Union Staff. The Non-Union Group Staff may choose any plans currently offered and available by the district.
2. Employees who work less than 180, 7-hour days per year shall be eligible to receive the insurance defined in this article on a pro-rated basis, if they pay the remaining costs over the cap.
3. Any person whose employment terminates prior to the end of the contractual period will receive pro-rated benefits for the time worked. In such a case, coverage shall be for the month of employment.
4. Insurance for the district will be bid; the group will have the option to switch to any district plan that is adopted by any of the other groups in the district. The district paid insurance caps will not change.

INSURANCE CAPS

The Board of Education will pay up to the amounts listed below for health insurance coverage for each eligible staff member. The employee co-pay will be equal to any costs over the below rates and will be deducted from the employee's pay by payroll deduction. The Board agrees to maintain a qualified IRS Section 125 Cafeteria Plan that the employee may enter; employee portions will be deducted by a salary reduction agreement. In the event the said options become taxable, the Board shall not be liable for said taxes.

2026: 1 Person - \$7,942.09 2 Person - \$16,609.38 Family - \$21,660.30
2027: 1 Person - \$8,180.35 2 Person - \$17,107.66 Family - \$22,310.11

HEALTH INSURANCE

The district will provide Traditional or High-Deductible Medical Insurance coverage. This coverage shall be available for twelve (12) months to all employees who work at least 180, 7-hour days per year.

Both medical insurance and prescription drug coverage are subject to the insurance caps listed on page one (1).

DENTAL INSURANCE

VISION INSURANCE

The Board of Education will provide coverage for the full fiscal year for vision insurance for all eligible members of the group and shall be board-paid for those employees that work at least 180, 7-hour days per year.

LIFE INSURANCE

The Employer will provide life insurance coverage including double indemnity for accidental death and dismemberment, in the amount of two times the annual salary. The Employer shall pay the cost of this coverage for those employees that work at least 180, 7-hour days per year.

LONG TERM DISABILITY

The district agrees to provide a Long-Term Disability Insurance plan for all members, such coverage starting after 90 calendar days of disability, at the rate of 66.667 percent of the employee's monthly salary at the date of disability, up to a maximum monthly benefit of \$6,667 with a modified fill. Monthly benefits shall continue until death, age 65, or recovery, and for a maximum of two (2) years for alcoholism/drug addiction or mental/nervous reasons. All claims are subject to the provisions of the insurance underwriter.

WORKERS' COMPENSATION

Any employee who is absent because of injury or disease under the Michigan Workers' Compensation Act, shall have the option to receive from the Board of Education the difference between the allowance under the Compensation Act and the regular salary for a period of time that funds from accumulated sick leave shall provide.

ANNUITY OR PAYMENT IN LIEU OF INSURANCE COVERAGE

Effective July 1, 2026, any employee who works at least 180, 7-hour days per year is eligible for health insurance, but elects not to be covered by said insurance, shall be entitled to a payment to an annuity of their choice or a cash payment of \$370.00 per month for any month during which health insurance is not provided for said employee.

Should these payments become taxable, the resulting tax will not be the responsibility of the district.

PAID TIME OFF (PTO)

Sick Leave – Sick leave accrues at .048 days per hour worked and may accumulate to 100 days. Any days in excess of 100 days on June 30 will be paid out at \$50 per day, annually. Sick leave shall be used for personal illness, maternity or pregnancy-related absences, or illness of any other person living and making his/her home in the employee's household or immediate family.

Leave requests must be entered into Frontline-Absence Management prior to the time of the absence. Any employee absent for more than three (3) consecutive days may be required to present a doctor's note which states that the employee is able to resume assigned duties.

Personal Leave – Personal leave accrues at .034 days per hour worked. Personal leave transfers to sick leave on June 30 each year. Personal leave may be used for any reason – including ESTA-defined sick leave (caring for aunt, uncle, etc.). Must provide advance notice for foreseeable absences or as soon as possible for unforeseeable absences. See also [Board Policy 4113](#).

Sick and personal time is given to qualified employees, calculated on the expected number of hours worked for that year, and upfronted for employees, at the beginning of the year or upon hire, to use with the expectation those hours will be worked. If, for whatever reason, the number of hours worked in a given year does not meet the expected hours (e.g., termination, resignation, etc.), the employee is to repay any time off used that was not earned.

All leave requests must be entered into Frontline-Absence Management prior to the time of the absence.

Leave schedules shall be established by the Employer and shall take into consideration requests of the employees according to: **a)** earliest date entered in Aesop/Frontline and **b)** minimum interference with the work.

UNUSED SICK LEAVE AT RETIREMENT

Employees who have accumulated unused sick days will receive, upon retirement with Michigan Public Schools Retirement benefits, a one-time payment per day for the number of unused sick days accumulated, up to the maximum allowed of \$50 per day. Evidence of MPSERS retirement must be provided prior to payout. This payment will be made as a post-termination mandatory contribution into a 403(b)-account established by the employee with one of the district's authorized investment providers. There is no option to receive these funds in cash.

BEREAVEMENT LEAVE

Each employee shall be granted up to three (3) days leave per incident of bereavement leave for an immediate family member or for a person having lived in the employee's household for one calendar year or more before death.

An additional two (2) days and/or expansion of the definition of the immediate family may be granted by the superintendent on a case-by-case basis.

IMMEDIATE FAMILY

Immediate family shall be defined as: spouse, child, sibling, grandparent, grandchild, parent, father-in-law, mother-in-law, grandparent-in-law, son-in-law, daughter-in-law, sister-in-law, brother-in-law, and any other relative or non-relative living and making his/her home in the employee's household. One day shall be available to the primary service provider in the event of the death of a student.

VACATIONS

- a. 245-day employees will be permitted to carry over up to 10 days of vacation or non-contract time to be used by August 31st.
- b. Upon retirement, termination or resignation all earned, but unused vacation days will be paid off at the employee's current daily rate.

HOLIDAYS

None. Employees are not expected to be at work when the district is closed.

INCLEMENT WEATHER

When a school building is closed due to inclement weather, the employees assigned to that school, for that day, shall report to another assigned work location that is open. If no assigned work locations are open, the employee shall not be required to report.

In the event school is canceled or the school day is shortened because of inclement weather, illness, or other unscheduled conditions, employees shall suffer no loss of pay provided the day is forgiven by the State of Michigan. To clarify, if/when a personal or sick day is scheduled and school is closed for the entire day, the employee will suffer no loss of leave time. If school is cancelled/dismissed early (i.e. 11:00 a.m.) or has a delayed start and employee is off for personal or sick leave, then use of leave time as scheduled for that day would apply.

TUITION REIMBURSEMENT

The Board of Education shall provide reimbursement to employees of up to \$300 per credit hour for undergraduate level; and up to \$500 per credit hour for graduate level or higher, upon pre-approval of the superintendent, not to exceed nine (9) hours per fiscal year. All courses must be begun and completed during employment by the district. Reimbursement of tuition will be based on the start date of the course. Any request for reimbursement must be submitted within 60 days of the course completion. The employee agrees to remain employed with the district for at least 12 months. If employment is terminated by the employee's will or the EUPISD (excluding layoff or position elimination) prior to the completion of the 12 months after reimbursement, a prorated portion of the reimbursement amount will be paid back to the EUPISD.

ADVANCED DEGREE/CONTINUING EDUCATION*

The Board of Education shall provide, upon pre-approval of the superintendent, a wage increase as follows:

	Current Salary X
MSBO/Technology/CDA Certificate	3.00%
Other – Up 3%	
20 to 24 hours	1%
25 to 30 hours	2%
31+ hours	3%
AS Degree	3.00%
BS Degree	4.00%
MS Degree	8.00%
EdS/EdD/PhD Degree	8.00%

*Limited to two per employee (certifications and/or advanced degrees)

The decision to award this factor is entirely within the discretion of the superintendent. Such continuing education by an employee must improve the employee's skills in their current position and must directly benefit the EUPISD. The program of study must have the pre-approval of the department supervisor and superintendent. Proof of the successful completion of the program of study must be submitted to the Superintendent before the salary factor is approved. Changes in salary will be effective the month following receipt of the official transcript.

LONGEVITY PAY

Longevity amounts are based on the length of total service to the Eastern Upper Peninsula Intermediate School District and a percentage of the employee's annual rate of base pay on the date of eligibility. Employees laid off, on extended unpaid leave, or who retire mid-year shall have longevity prorated according to days worked. Employees who terminate prior to the end of the school year will not be paid longevity. For July-June staff, longevity will be paid with the last pay in June; for October-September staff, longevity will be paid with the last pay in September.

Years of Total District Service	Longevity Pay Rate
3 but less than 5 years	\$ 300
5 but less than 7 years	\$ 650
8 but less than 11 years	\$ 800
12 but less than 15 years	\$ 1,000
16 or more years	\$ 1,500

PERFORMANCE EVALUATION

Employees who receive a satisfactory annual written performance assessment shall receive any Board of Education adopted increases.

If an employee's performance is determined to be less than satisfactory as indicated by written evaluation, then that employee shall be provided written notice that they shall be granted one year to improve upon the areas of deficiency noted on the performance review. During that year, said employee shall not receive any additional salary adjustment until such time as determined by annual review that said performance has improved satisfactorily.
