Item 1 – Pledge of Allegiance

Item 2 – Celebration of Excellence

MOTION: Mr. Leonardi moved that the Board of Education amend the agenda to move the NCP Presentation to immediately follow public participation. Mrs. Linnetz seconded. Motion passes unanimously.

Kelly Maclaren, Sandy Hook School lead teacher, reported that during the 2023-2024 school year Sandy Hook School partnered with Scripps National Spelling Bee which is the one that is shown on TV. We followed their guidelines for running the Bee decided to partner with them again this year with students in grades 2-4. Students ended up going up to 8th grade words and completed all of their studying on their own time outside of school. The finalists include for grade 2, Harrison Lantowski, Aisha Inamova and Chloe Yang. For grade 3 the finalists were Bennett Harriman, Alexander Romanino, Olivia Romanino and Aaron Yang, and for grade 4 they were Cecilia Carlson, Maren Rio, Cara Buell, and Munazzah Khan. Munazzah also represented Sandy Hook School at the Regional Spelling Bee in Hartford on March 9 and came in 13th place in our state.

Item 3 – Consent Agenda

MOTION: Mr. Leonardi moved that the Board of Education approve the consent agenda which includes the correspondence report. Mrs. Linnetz seconded. Motion passes unanimously.

Item 4 – Public Participation

Item 6 – Presentations

Deborah Petersen, Director of Pupil Services, spoke about the formation of the Newtown Community Partnership Transition Program. The State now mandates that transition programs can only be in a high school or a community location so this worked out well for us.

Dr. Paula Grayson, Special Education Supervisor at the high school, spoke about the program and introduced some of the staff members. This program serves students ages 18-22 with various developmental disabilities and have completed their high school academic requirements. It focuses on transition needs and life skills development with instruction based on individual needs that allows for growth and success in the real world. They also provide employment skill building and arrange for community partnerships at various sites. Four students in the program who work at the Better Day Café spoke about their experiences in the program.

Mrs. Petersen noted that they have 19 students and sometimes students from other districts join the program. The whole program is excellent and she thanked the staff who make it happen.

Mrs. Plante felt it was a tremendous program and appreciated having the students here tonight. Mrs. Uberti noted that many were her students at Reed and she is very proud of them and enjoys when they come by our office during the week. She thanked everyone for their work in this program.

Item 5 – Reports

Chair Report: Mrs. Plante reported on the \$900,000 recommended reduction from the Board of Finance and is now at the Legislative Council for their review. We won't address the budget until we have a final budget amount after the referendum.

Superintendent's Report: Mrs. Uberti attended the high school performance of Hello Dolly and was very impressed. She was grateful that we have staff that make these things possible. Our administrative team is looking at where we are in the attainment of our goals for continuous improvement. We are looking at consulting services that specialize in all aspects of school planning including demographic studies, school facilities master planning and school redistricting. We want to begin with a demographic study to see the trends over the next ten years in terms of our enrollment. If we get that completed by the end of the school year she would talk about having a comprehensive committee with various stakeholders that would guide the decision making from that point forward to keep the process going forward.

Committee and Liaison Reports.

Mrs. Tomai reported on the CFF Subcommittee meeting tonight. We are showing a projected balance of \$273,000 because the excess cost grant came in at 70% which is close to the budgeted amount.

Mrs. Gouveia noted a change in that amount. The actual projected balance is \$270,701. The excess cost grant came in above what we anticipated by \$273,000.

Ms. Tomai thanked Ms. Gouveia and her team to make sure All-Star was applying credit for parked buses. Regarding the facilities update, we need to replace the roof at the high school. We have a pending final approval amount of \$3.7M to do that replacement which is on par with what the proposal is. This project will be able to move forward pending the final proposal, final approval and referendum approval, but it looks like it's a go.

Mr. Gilson spoke about the Curriculum and Instruction Subcommittee meeting held tonight where they spoke about the dual enrollment college courses. They also were provided with an overview of the Portrait of a Graduate and the work being done this year to incorporate it into the curriculum next year.

Mrs. Linnetz asked if this is separate from the curriculum and if it will extend beyond the high school.

Mr. Purcaro said it will be imbedded in the curriculum and not taught in isolation. We are starting at the high school but we will roll it down to all levels.

Mrs. Plante reported that the Middle Gate PTA is sponsoring a gardening day to clear the courtyards on March 22 from 10 a.m. to 2 p.m.

Financial Report for the Month Ending February 28, 2025:

MOTION: Mr. Leonardi moved that the Board of Education approve the financial report for the month ending February 28, 2025. Mrs. Linnetz seconded. Motion passes unanimously.

Item 7 – Old Business

Action on Minutes of March 4, 2025:

MOTION: Mr. Leonardi moved that the Board of Education approve the minutes of March 4, 2025. Mrs. Linnetz seconded. Motion passes unanimously.

Item 8 – New Business

Policies for First Read and Policy to be Rescinded:

Mrs. Linnetz noted she would take questions regarding the policies from the last meeting and this meeting. Some may be familiar but due to changes at the federal level we had to make additional changes to some.

Action on Newtown Middle School Moving Up Ceremony and Newtown High School graduation dates:

MOTION: Mr. Leonardi moved that the Board of Education set the Newtown Middle School Moving Up Ceremony to June 11, 2025 and the Newtown High School Graduation for June 12, 2025 with a rain date of June 13, 2025. Mr. Vouros seconded. Motion passes unanimously.

Item 9 – Public Participation

MOTION: Mr. Vouros moved to adjourn. Mrs. Linnetz seconded. Motion passes unanimously.

Item 10 – Adjournment

The meeting adjourned at 8:07 p.m.

Respectfully submitted:

Deborra J. Zukowski
Secretary

Note: State law requires boards of education to conduct employment history reviews before offering employment to an applicant for a position, including any position that is contracted for, if such applicant would have direct student contact. In conducting this review, boards of education are required to send an Educational Employer Verification form to an applicant’s previous employers. Among other information, the form requests an employer to disclose whether the applicant (1) has been the subject of an allegation of abuse or neglect or sexual misconduct for which there is an investigation pending with any employer, state agency, or municipal police department or which has been substantiated; (2) was disciplined or asked to resign from employment or resigned from or otherwise separated from any employment while an allegation of abuse or neglect or sexual misconduct was pending or under investigation, or due to a substantiation of abuse or neglect or sexual misconduct; or (3) has ever had a professional or occupational license, certificate, authorization or permit suspended or revoked or has ever surrendered such a license, certificate, authorization or permit while an allegation of abuse or neglect or sexual misconduct was pending or under investigation, or due to a substantiation of abuse or neglect or sexual misconduct. Public Act 24-41 amends this requirement and specifies that an applicants’ previous employers are not required to disclose information about a substantiated allegation of abuse or neglect or sexual misconduct if the substantiation was reversed as a result of an appeal to the Department of Children and Families (“DCF”). We have revised this policy in light of that change.

S & G also revised the policy to clarify a board of education’s responsibilities under the Fair Credit Reporting Act when deciding whether to take adverse actions against prospective employees.

The current policy is from S & G, therefore, this is a revised policy. It has been reviewed by the Director of Human Resources.

- K. Prior to offering employment to an applicant, the District shall make a documented good faith effort to contact each current and any former employer (please note the definition of “former employer” employer above, including the applicable twenty year reporting period) of the applicant that was a local or regional board of

education, governing council of a state or local charter school, interdistrict magnet school operator, or supervisory agent of a nonpublic school, or if the applicant's employment with such current or former employer caused the applicant to have contact with children in order to obtain information and recommendations that may be relevant to the applicant's fitness for employment. Such effort, however, shall not be construed to require more than three telephonic requests made on three separate days.

- L. The District shall not offer employment to any applicant who had any previous employment contract terminated by a local or regional board of education, council of a state or local charter school, interdistrict magnet school operator, or a supervisory agent of a nonpublic school, or who resigned from such employment, if the person has been convicted of a violation of Conn. Gen. Stat. § 17a-101a, when an allegation of abuse or neglect or sexual assault has been substantiated.

II. DCF Registry Checks

Prior to hiring any person for a position with the District, and before a student who is enrolled in a teacher preparation program in the District, as defined in section 10-10a of the Connecticut General Statutes, and completing a student teaching experience with the District, begins such student teaching experience, the District shall require such applicant or student to submit to a records check of information maintained on the Registry concerning the applicant.

The District shall request information from the Registry promptly, and in any case no later than thirty (30) calendar days from the date of employment. Registry checks will be processed according to the following procedure:

- A. No later than ten (10) calendar days after the Superintendent or the Superintendent's designee has notified a job applicant of a decision to offer employment to the applicant, or as soon thereafter as practicable, the Superintendent or the Superintendent's designee will either obtain the information from the Registry or, if the applicant's consent is required to access the information, will supply the applicant with the release form utilized by DCF for obtaining information from the Registry.
- B. If consent is required to access the Registry, no later than ten (10) calendar days after the Superintendent or the Superintendent's designee has provided the successful job applicant with the form, the applicant must submit the signed form to DCF, with a copy to the Superintendent or the Superintendent's designee. Failure of the applicant to submit the signed form to DCF within such ten-day period, without good cause, will be grounds for the withdrawal of the offer of employment.
- C. Upon receipt of Registry information indicating previously undisclosed information concerning abuse or neglect investigations concerning the successful job applicant/employee, the Superintendent or the Superintendent's designee will notify the affected applicant/employee in writing of the results of the Registry check and will provide an opportunity for the affected applicant/employee to respond to the results of the Registry check.

- D. If notification is received by the Superintendent or the Superintendent's designee that the applicant is listed as a perpetrator of abuse or neglect on the Registry, the Superintendent or the Superintendent's designee shall provide the applicant with an opportunity to be heard regarding the results of the Registry check. If warranted by the results of the Registry check and any additional information provided by the applicant, the Superintendent or the Superintendent's designee shall revoke the offer of employment and/or terminate the applicant's employment if the applicant has already commenced working for the District.

III. Criminal Records Check Procedure

- A. Each person hired by the District shall be required to submit to state and national criminal records checks within thirty (30) calendar days from the date of employment. Each student who is enrolled in a teacher preparation program, as defined in section 10-10a of the Connecticut General Statutes, and completing a student teaching experience with the District, shall be required to submit to state and national criminal records checks within sixty (60) calendar days from the date such student begins to perform such student teaching experience. Record checks will be processed according to the following procedure:*
1. No later than five (5) calendar days after the Superintendent or the Superintendent's designee has notified a job applicant of a decision to hire the applicant, or as soon thereafter as practicable, the Superintendent or the Superintendent's designee will provide the applicant with a packet containing all documents and materials necessary for the applicant to be fingerprinted. This packet shall also contain all documents and materials necessary for the police department to submit the completed fingerprints to the State Police Bureau of Identification for the processing of state and national criminal records checks. The Superintendent or the Superintendent's designee will also provide each applicant with the following notifications before the applicant obtains the applicant's fingerprints: (1) Agency Privacy Requirements for Noncriminal Justice Applicants; (2) Noncriminal Justice Applicant's Privacy Rights; (3) and the Federal Bureau of Investigation, United States Department of Justice Privacy Act Statement.
 2. No later than ten (10) calendar days after the Superintendent or the Superintendent's designee has provided the successful job applicant with the fingerprinting packet, the applicant must arrange to be fingerprinted. Failure of the applicant to have the applicant's fingerprints taken within such ten-day period, without good cause, will be grounds for the withdrawal of the offer of employment.
 3. Any person for whom criminal records checks are required to be performed pursuant to this policy must pay all fees and costs associated with the fingerprinting process and/or the submission or processing of the requests for criminal records checks. Fees and costs associated with the fingerprinting process and the submission and process of requests are waived for student teachers, in accordance with state law.

4. Upon receipt of a criminal records check indicating a previously undisclosed conviction, the Superintendent or the Superintendent's designee will notify the affected applicant/employee in writing of the results of the record check and will provide an opportunity for the affected applicant/employee to respond to the results of the criminal records check. The affected applicant/employee may notify the Superintendent or the Superintendent's designee in writing within five (5) calendar days that the affected applicant/employee will challenge such individual's criminal history records check. Upon written notification to the Superintendent or the Superintendent's designee of such a challenge, the affected applicant/employee shall have ten (10) calendar days to provide the Superintendent or the Superintendent's designee with necessary documentation regarding the affected applicant/employee's record challenge. The Superintendent or the Superintendent's designee may grant an extension to the preceding ten-day period during which the affected applicant/employee may provide such documentation for good cause shown.
5. Decisions regarding the effect of a conviction upon an applicant/employee, whether disclosed or undisclosed by the applicant/employee, will be made on a case-by-case basis. Notwithstanding the foregoing, the falsification or omission of any information on a job application or in a job interview, including but not limited to information concerning criminal convictions or pending criminal charges, shall be grounds for disqualification from consideration for employment or discharge from employment.
6. Notwithstanding anything in paragraph III.A.5 of this policy, above, no decision to deny employment or withdraw an offer of employment on the basis of an applicant/employee's criminal history record shall be made without affording the applicant/employee the opportunities set forth in paragraph III.A.4 of this policy, above.

B. Criminal Records Check for Substitute Teachers:

A substitute teacher who is hired by the District must submit to state and national criminal history records checks according to the procedures outlined above, subject to the following:

1. If the state and national criminal history records checks for a substitute teacher have been completed within one year prior to the date the District hired the substitute teacher, and if the substitute teacher arranged for such prior criminal history records checks to be forwarded to the Superintendent or the Superintendent's designee, then the substitute teacher will not be required to submit to another criminal history records check at the time of such hire.
2. If a substitute teacher submitted to state and national criminal history records checks upon being hired by the District, then the substitute teacher will not be required to submit to another criminal history records check so long as the substitute teacher is continuously employed by the District, that is, employed for at least one day of each school year, by the District,

provided a substitute teacher is subjected to such checks at least once every five years.

IV. Sex Offender Registry Checks

District personnel shall cross-reference the Connecticut Department of Public Safety's sexual offender registry prior to hiring any new employee and before a student who is enrolled in a teacher preparation program, as defined in section 10-10a of the Connecticut General Statutes, and completing a student teaching experience with the District, begins such student teaching experience. Registration as a sexual offender constitutes grounds for denial of employment opportunities and opportunities to perform student teaching experiences in the District.

V. Notice of Conviction

If, at any time, the District receives notice of a conviction of a crime by a person holding a certificate, authorization or permit issued by the State Board of Education, the District shall send such notice to the State Board of Education. In complying with this requirement, the District shall not disseminate the results of any national criminal history records check.

VI. School Nurses

School nurses or nurse practitioners appointed by, or under contract with, the District shall also be required to submit to a criminal history records check in accordance with the procedures outlined above.

VII. Personal Online Accounts

For purposes of this policy, "personal online account" means any online account that is used by an employee or applicant exclusively for personal purposes and unrelated to any business purpose of the District, including, but not limited to, electronic mail, social media and retail-based Internet web sites. "Personal online account" does not include any account created, maintained, used or accessed by an employee or applicant for a business purpose of the District.

A. During the course of an employment check, the District may not:

1. request or require that an applicant provide the District with a user name and password, password or any other authentication means for accessing a personal online account;
2. request or require that an applicant authenticate or access a personal online account in the presence of District personnel; or
3. require that an applicant invite a supervisor employed by the District or accept an invitation from a supervisor employed by the District to join a group affiliated with any personal online account of the applicant.

B. The District may request or require that an applicant provide the District with a user name and password, password or any other authentication means for accessing:

Agency Privacy Requirements for Noncriminal Justice Applicants

Authorized governmental and non-governmental agencies/officials that conduct a national fingerprint-based criminal history record check on an applicant for a noncriminal justice purpose (such as employment or a license, immigration or naturalization matter, security clearance, or adoption) are obligated to ensure the applicant is provided certain notices and that the results of the check are handled in a manner that protects the applicant’s privacy. All notices must be provided in writing.¹ These obligations are pursuant to the Privacy Act of 1974, Title 5, United States Code (U.S.C.), Section 552a, and Title 28, Code of Federal Regulations (CFR), Section 50.12, among other authorities.

- Officials must ensure that each applicant receives an adequate written FBI Privacy Act Statement (dated 2013 or later) when the applicant submits the applicant’s fingerprints and associated personal information.²
- Officials must advise all applicants in writing that procedures for obtaining a change, correction, or update of an FBI criminal history record are set forth at 28 CFR 16.34. Information regarding this process may be found at <https://www.fbi.gov/services/cjis/identity-history-summary-checks> and <https://www.edo.cjis.gov>.
- Officials must provide the applicant the opportunity to complete or challenge the accuracy of the information in the FBI criminal history record.
- Officials should not deny the employment, license, or other benefit based on information in the FBI criminal history record until the applicant has been afforded a reasonable time to correct or complete the record or has declined to do so.
- Officials must use the criminal history record for authorized purposes only and cannot retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Council.³

The FBI has no objection to officials providing a copy of the applicant’s FBI criminal history record to the applicant for review and possible challenge when the record was obtained based on positive fingerprint identification. If agency policy permits, this courtesy will save the applicant the time and additional FBI fee to obtain the applicant’s record directly from the FBI by following the procedures found at 28 CFR 16.30 through 16.34. It will also allow the officials to make a more timely determination of the applicant’s suitability.

Each agency should establish and document the process/procedures it utilizes for how/when it gives the applicant the FBI Privacy Act Statement, the 28 CFR 50.12 notice, and the opportunity to correct the applicant’s record. Such documentation will assist State and/or FBI auditors during periodic compliance reviews on use of FBI criminal history records for noncriminal justice purposes.

Noncriminal Justice Applicant’s Privacy Rights

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for a job or license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below. All notices must be provided to you in writing.⁴ These obligations are pursuant to the Privacy Act of 1974, Title 5, United States Code (U.S.C.) Section 552a, and Title 28 Code of Federal Regulations (CFR), 50.12, among other authorities.

- You must be provided an adequate written FBI Privacy Act Statement (dated 2013 or later) when you submit your fingerprints and associated person information. This Privacy Act Statement must explain the authority for collecting your fingerprints and associated information and whether your fingerprints and associated information will be searched, shared, or retained.⁵
- You must be advised in writing of the procedures for obtaining a change, correction, or updating of your criminal history record as set forth at 28 CFR 16.34.
- You must be provided the opportunity to complete or challenge the accuracy of the information in your FBI criminal history record (if you have such a record).
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on information in the FBI criminal history record.
- If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <http://www.fbi.gov/services/cjis/identity-history-summary-checks> and <https://www.edo.cjis.gov>.
- If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI by submitting a request via <https://www.edo.cjis.gov>. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.)
- You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.⁶

In developing the emergency action plan, the Administration may also consult recommendations from the governing authority for intramural and interscholastic athletics.

Note: During the 2021 Legislative Session, the General Assembly passed Public Act 21-87, which has been codified at Connecticut General Statutes Section 10-149h. Beginning with the 2022-2023 school year, the new law requires any person who holds a coaching permit issued by the State Board of Education and who coaches intramural or interscholastic athletics to (1) complete an exertional heat illness awareness education program before beginning coaching for the season, and (2) review such program annually before the start of each coaching season. The new law also requires local and regional boards of education to implement a model exertional heat illness awareness plan developed by the Connecticut Interscholastic Athletics Conference (“CIAC”). Beginning with the 2022-2023 school year, the new law further requires boards to prohibit a student-athlete from participating in intramural or interscholastic athletics unless the student and the student’s parent or guardian read or view training materials or attend an in-person training. The parent or guardian must also sign an informed consent form, issued by the applicable board of education, acknowledging compliance with this requirement.

This is a best practice policy. Training and implementation of an exertional heat illness awareness education program are mandatory. This policy is new to NPS and it was reviewed by the Athletic Director.

Any person who holds or is issued a coaching permit by the State Board of Education and is a coach of Board intramural or interscholastic athletics shall annually review the Program.

Upon development by the governing authority for intramural and interscholastic athletics of a model exertional heat illness awareness plan, the Board shall implement such plan by utilizing written materials, online training or videos or in-person training that shall address, at a minimum: (1) the recognition of signs or symptoms of exertional heat illness, (2) the means of obtaining proper medical treatment for a person suspected of an exertional heat illness, (3) the nature and risks of exertional heat illness, including the danger of continuing to engage in athletic activity after experiencing exertional heat illness, (4) the proper procedures for

allowing a student athlete who has experienced exertional heat illness to return to athletic activity, and (5) best practices in the prevention and treatment of exertional heat illness.

The Board shall provide each participating student and each participating student's parent or legal guardian with information regarding exertional heat illness awareness. The Board shall prohibit a student athlete from participating in any intramural or interscholastic activity unless the student athlete, and a parent or guardian of such student athlete, (1) reads written materials, (2) views online training or videos, or (3) attends in-person training regarding exertional heat illness awareness. Acknowledgment of adherence to this standard by the student athlete and the parent or guardian shall be made by the parent's or guardian's signature on an athletic participation informed consent form issued by the Board.

Prior to each season of any Board of Education intramural or interscholastic athletics, each coach who holds or is issued a coaching permit by the State Board of Education and is a coach of any Board of Education intramural or interscholastic athletics, must provide each participating student's parent or legal guardian with a copy of the informed consent form regarding sudden cardiac arrest developed by the State Board of Education and obtain such parent's or legal guardian's signature, attesting to the fact that that such parent or legal guardian has received a copy of such form and authorizes the student to participate in the intramural or interscholastic athletics.

Any person who holds or is issued a coaching permit by the State Board of Education and is a coach of Board of Education intramural or interscholastic athletics shall annually review the sudden cardiac arrest awareness education program developed or approved by the State Board of Education prior to commencing the coaching assignment for the season of such intramural or interscholastic athletics.

Nothing in this policy shall be construed to relieve a coach of intramural or interscholastic athletics of his or her duties or obligations under any provision of the Connecticut General Statutes, the regulations of Connecticut state agencies or a collective bargaining agreement.

Note: This is a best practice policy—certain members of the District are mandatory reporters relative to suspected abuse/neglect of individuals 18-60 years of age with intellectual disabilities or autism spectrum disorder. This model policy was revised in accordance with Public Act 18-96. The Act adds licensed behavior analysts to the list of mandatory reporters, shortens the reporting period to no more than forty-eight (48) hours after there is reasonable suspicion of abuse or neglect, and clarifies that unsuccessful attempts to make a report during the weekend or a holiday shall not be a violation of the law under certain circumstances.

The list of mandated reporters is in [\(a\) of Title 46a-11b](#).

This policy was shared with the Director of Pupil Services.

REPORTS OF SUSPECTED ABUSE OR NEGLECT OF ADULTS WITH AN INTELLECTUAL DISABILITY OR AUTISM SPECTRUM DISORDER

Section 46a-11b of the Connecticut General Statutes requires that certain school personnel report any suspected abuse or neglect of persons between eighteen (18) and sixty (60) years of age who: 1) have an intellectual disability or 2) receive funding or services from the Department of Social Services' ("DSS") Division of Autism Spectrum Disorder Services. In furtherance of this statute and its purpose, it is the policy of the Newtown Board of Education (the "Board") to require ALL EMPLOYEES of the Board to comply with the following procedures in the event that, in the ordinary course of their employment or profession, they have reasonable cause to suspect that a person with an intellectual disability or an individual receiving funding or services from DSS' Division of Autism Spectrum Disorder Services between eighteen (18) and sixty (60) years of age has been abused or neglected.

1. Scope of Policy

This policy applies not only to employees who are required by law to report suspected abuse and/or neglect of adults with intellectual disabilities, but also to ALL EMPLOYEES of the Board.

2. Definitions

For the purposes of this policy:

"Abuse" means the willful infliction of physical pain or injury or the willful deprivation by a caretaker of services which are necessary to the person's health or safety.

"Neglect" means a situation where a person with an intellectual disability either is living alone and is not able to provide for himself or herself the services

which are necessary to maintain his or her physical and mental health, or is not receiving such necessary services from the caretaker.

"Statutorily Mandated Reporter" means an individual required by Conn. Gen. Stat. Section 46a-11b to report suspected abuse and/or neglect of adults with intellectual disabilities. In the public school context, the term "statutorily mandated reporter" includes teachers, school administrators, school guidance counselors, paraprofessionals, licensed behavior analysts, registered or licensed practical nurses, psychologists, social workers, licensed or certified substance abuse counselors, mental health professionals, physical therapists, occupational therapists, dental hygienists, speech pathologists, and licensed professional counselors.

3. Reporting Procedures for Statutorily Mandated Reporters

If a statutorily mandated reporter has reasonable cause to suspect or believe that any person with an intellectual disability, or any individual who receives funding or services from DSS' Division of Autism Spectrum Disorder Services, between eighteen (18) and sixty (60) years of age has been abused or neglected, the mandated reporter shall, as soon as practicable, but not later than forty-eight (48) hours after having reasonable cause to suspect abuse or neglect, make an oral report to:

Abuse Investigation Division
Department of Developmental Services ("DDS")
460 Capitol Avenue
Hartford, Connecticut 06106
Telephone: 1-844-878-8923

An unsuccessful attempt to make an initial report to DDS on the weekend, holiday, or after business hours shall not be construed as a violation of this policy or applicable law if the mandatory reporter makes reasonable attempts to make such report as soon as practicable after the initial attempt. For purposes of this policy, "reasonable attempts" means documented efforts to contact DDS by phone, electronic mail or in person.

The statutorily mandated reporter shall also immediately notify the Superintendent.

Such initial oral report shall be followed by a written report to the Abuse Investigation Division of DDS not later than five calendar days after the initial oral report was made, and a copy of any written report shall be given to the Superintendent.

4. Reporting Procedures for Non-Statutorily Mandated Reporters

The following procedures apply only to employees who are not statutorily mandated reporters, as set forth above.

- a) If an employee who is not a statutorily mandated reporter has reasonable cause to suspect that any person with an intellectual disability, or any individual who receives funding or services from the DSS' Division of Autism Spectrum Disorder Services, between eighteen (18) and sixty (60) years of age has been abused or neglected, the following steps shall be taken.
 - (1) The employee shall as soon as practicable, but not later than forty-eight (48) hours after having reasonable cause to suspect abuse or neglect, make an oral report by telephone or in person to the Superintendent of Schools or his/her designee, to be followed by an immediate written report to the Superintendent or his/her designee.
 - (2) If the Superintendent or his/her designee determines that there is reasonable cause to suspect or believe that any person with an intellectual disability, or any individual who receives funding or services from the DSS' Division of Autism Spectrum Disorder Services, between eighteen (18) and sixty (60) years has been abused or neglected, the Superintendent or designee shall cause reports to be made in accordance with the procedures set forth for statutorily mandated reporters, set forth above.
- b) Nothing in this policy shall be construed to preclude an employee from reporting suspected abuse and/or neglect of adults with intellectual disabilities, or any individual who receives funding or services from the DSS' Division of Autism Spectrum Disorder Services, directly to the Abuse Investigation Division of DDS.

5. Contents of Report

Any oral or written report made pursuant to this policy shall contain the following information, if known:

- a) the name and address of the allegedly abused or neglected person;
- b) a statement from the reporter indicating a belief that the person is intellectually disabled or receives funding or services from the DSS' Division of Autism Spectrum Disorder Services, together with information indicating that the person is unable to protect himself or herself from abuse or neglect;
- c) information concerning the nature and extent of the abuse or neglect; and
- d) any additional information that the reporter believes would be helpful in investigating the report or in protecting the person with an intellectual

disability or who receives funding or services from the DSS' Division of Autism Spectrum Disorder Services.

6. Investigation of the Report

If the suspected abuser is a school employee, the Superintendent shall thoroughly investigate the report, and shall, to the extent feasible, endeavor to coordinate any such investigation with the investigation conducted by the Abuse Investigation Division of DDS.

The Superintendent's investigation shall include an opportunity for the suspected abuser to be heard with respect to the allegations contained within the report. During the course of an investigation of suspected abuse by a school employee, the Superintendent may suspend the employee with pay or may place the employee on administrative leave with pay, pending the outcome of the investigation.

If the investigation by the Superintendent and/or the Abuse Investigation Division of DDS produces evidence that a person with an intellectual disability, or any individual who receives funding or services from the DSS' Division of Autism Spectrum Disorder Services, has been abused by a school employee, the Superintendent and/or the Board, as appropriate, may take disciplinary action, up to and including termination of employment.

7. Delegation of Authority by Superintendent

The Superintendent may appoint a designee for the purposes of receiving and making reports, notifying and receiving notification, or investigating reports pursuant to this policy.

8. Disciplinary Action for Failure to Follow Policy

Any employee who fails to comply with the requirements of this policy shall be subject to discipline, up to and including termination of employment.

9. Non-discrimination Policy

The Board shall not discharge or in any manner discriminate or retaliate against any employee who, in good faith, makes a report pursuant to this policy, or testifies or is about to testify in any proceeding involving abuse or neglect.

Note: The U.S. Department of Education Office for Civil Rights released a fact sheet in June 2023 regarding meaningful participation in advanced coursework and specialized programs for students who are English learners. In light of this fact sheet, S & G have revised its model policy and administrative regulations in December 2023 to specifically address students who are English learners/multilingual learners and to include additional optional sections related to reducing barriers to opportunities for advanced courses and programs for English learners/multilingual learners.

This Policy is recommended as a revision because the current policies 6141.51 and 6141.52, are S & G policies. The policy has a new number without decimal points. At the time the Board revises the Policy and reviews the Administrative Regulations as an Item of Information, it should rescind Policies 6141.51 and 6141.52. Policy 6144 is one policy that addresses both topics.

**POLICY AND ADMINISTRATIVE REGULATIONS
ADDRESSING ENROLLMENT IN AN ADVANCED COURSE OR
PROGRAM AND CHALLENGING CURRICULUM**

The Newtown Board of Education (the “Board”) understands the importance of providing opportunities for students to enroll in an advanced course or program and offering students challenging curriculum in the Newtown Public Schools (the “District”). In accordance with Connecticut law, this policy shall explain the manner in which the District determines eligibility for enrollment in advanced courses or programs and creates academic plans for students in the District.

I. Definitions

For purposes of this policy:

"Advanced course or program" means an honors class, advanced placement class, International Baccalaureate program, Cambridge International program, dual enrollment, dual credit, early college or any other advanced or accelerated course or program offered by the Board in grades nine to twelve, inclusive.

“Advanced placement” program is a program authorized by the College Board that offers college-level courses and exams that students take in high school.

“Cambridge International program” is an internationally recognized academic program for students aged five (5) to nineteen (19). High school level courses, available only through approved Cambridge International Schools, provide students the opportunity to earn postsecondary credit that is accepted by colleges in the United States and abroad.

“Dual credit/Dual enrollment” courses are college courses offered by high schools in partnership with a college or university. Students taking these courses in high

school are simultaneously enrolled with the partner higher education institution. Students who successfully complete a dual credit/dual enrollment course earn credit toward high school graduation as well as college course credit that appears on a student transcript issued by a college or university.

“International Baccalaureate (“IB”) program” is a program that offers international education through four programs for students aged three (3) to nineteen (19). The four programs are: Primary Years, Middle Years, Diploma Program, and Career-related Program. Schools must be authorized to teach IB programs. Every authorized school is known as an IB World School.

"Prior academic performance" means the course or courses that a student has taken, the grades received for such course or courses and a student's grade point average.

II. Eligibility Criteria

Consistent with state law, the District will identify students in grades eight and nine who may be eligible to take or enroll in an advanced course or program. Students will be eligible to enroll in advanced courses or programs throughout their high school career, even if they are not identified as eligible in grades eight or nine.

Eligibility for enrollment in an advanced course or program shall not be based exclusively on a student’s prior academic performance. There are multiple methods by which a student may satisfy the eligibility criteria for enrollment in an advanced course or program, including:

- Recommendations from teachers, administrators, school counselors or other school personnel.
- A student’s prior academic performance, as determined by evidence-based indicators of how a student will perform in an advanced course or program.
- Grade Point Average (GPA) improvement over time.
- Student interests and persistence.
- The District administration may, in its discretion, identify and publicize additional criteria, including but not limited to student or parent request. Any such criteria shall be established prior to the commencement of an academic term.

III. Creation of an Academic Plan/Challenging Curriculum

The District will create an academic plan for each student who is identified in grade eight or nine as eligible for enrollment in an advanced course or program. Such plan will be designed to enroll the student in one or more advanced courses or programs and allow the student to earn college credit or result in career readiness. Such academic plan will also be aligned with:

- The courses or programs offered by the Board,
- The student’s student success plan, created pursuant to Conn. Gen. Stat. § 10-221a(j),
- High school graduation requirements, and

- Any other policies or standards adopted by the Board relating to the eligibility for student enrollment in advanced courses or programs.

The academic plan may be part of the student’s success plan, which plan is required for each student by Conn. Gen. Stat. §10-221a. A student, or the student’s parent or guardian, may decline to implement the provisions of an academic plan created for such student.

IV. Guiding Principles and Implementation

The Board recognizes that course access and academic planning should be guided by considerations beyond traditional course eligibility criteria. Specifically, the Board recognizes that academic achievement and engagement in middle school are strong precursors to high school success. In addition, the Board recognizes the importance of engaging with a student’s parents and/or guardians throughout the student’s educational experience, reducing barriers to opportunities for advanced courses and programs, and providing a wide range of advanced courses that appeal to students with various interests.

The District will utilize practices designed to ensure that eligibility for enrollment in an advanced course or program, including appropriate evaluation and testing procedures, do not screen out students who are English learners/multilingual learners because of their limited English proficiency unless an advanced or specialized program is demonstrated to require proficiency in English for meaningful participation.

The Superintendent or designee shall be responsible for implementing this policy and developing procedures in furtherance of this policy and in accordance with guidance provided by the Connecticut State Department of Education.

**ADMINISTRATIVE REGULATIONS ADDRESSING ENROLLMENT IN AN
ADVANCED COURSE OR PROGRAM AND CHALLENGING CURRICULUM**

The Newtown Board of Education (the “Board”) understands the importance of providing opportunities for students to enroll in an advanced course or program and offering students challenging curriculum in the Newtown Public Schools (the “District”). In accordance with the Board’s Policy Addressing Enrollment in an Advanced Course or Program and Challenging Curriculum, the administration adopts the following regulations:

1. The District will identify students in grades eight and nine who may be eligible to take or enroll in an advanced course or program. Students will be eligible to enroll in advanced courses or programs throughout their high school career, even if they are not identified as eligible in grades eight or nine.
2. Eligibility for enrollment in an advanced course or program shall be based on the following:
 - Recommendations from teachers, administrators, school counselors or other school personnel.
 - A student’s prior academic performance, as determined by evidence-based indicators of how a student will perform in an advanced course or program.
 - Grade Point Average (GPA) improvement over time.
 - Student interests and persistence.
 - The District administration may, in its discretion, identify and publicize additional criteria, including but not limited to student or parent request. Any such criteria shall be established prior to the commencement of an academic term.
3. In addition to or as part of student success plans required by Conn. Gen. Stat. § 10-221a(j), the District will create an academic plan for each student who is identified in grade eight or nine as eligible for enrollment in an advanced course or program. A student, or the student’s parent or guardian, may decline to implement the provisions of an academic plan created for such student.
4. Such academic plan will be designed to enroll the student in one or more advanced courses or programs and allow the student to earn college credit or result in career readiness.

[OPTIONAL: The following sections are optional and reflect guidance and recommendations provided by the Connecticut State Department of Education and the United States Department of Education Office for Civil Rights. Districts may choose to adopt any or all of the recommendations listed herein.]

5. Middle School Preparation: Academic achievement and engagement are strong precursors to high school success. Therefore, the District strives to:

- *Coordinate standards, instruction, and expectations across middle and high school by fostering regular communication among faculty districtwide, with a focus on vertical articulation of content across the grades rather than offering courses for high school credit in middle school.*
- *Offer career awareness, exploration, and immersion activities that directly align with the high school program of studies.*
- *Encourage high school faculty to familiarize themselves with the Smarter Balanced system of assessments and Next Generation Science Standards assessments, including interim assessment blocks, which can be used to measure student understanding and adjust instruction in Grades 9-12.*
- *Remind middle school faculty that their messaging to students regarding high school expectations has an impact on students, and assure students that if they are mastering middle school standards, they are prepared academically.*
- *Share students' middle school data with high school faculty to improve the quantity and quality of information available for decision making, reduce unnecessary pre-tests and the administration of screening tools, and maximize instructional time.*

6. Partnerships with Families: The District recognizes and values the importance of engaging with a student's family throughout the student's educational experience. Therefore, the District strives to:

- *Engage families in the development of student success plans during students' middle school years.*
- *Continue and improve upon effective systems of family engagement used in middle school at the high school level.*
- *Ensure families are fully aware of the benefits of taking college courses and participating in work-based learning opportunities, if available, during high school.*
- *Communicate in a manner that is ongoing and accessible to families (e.g., by providing materials in multiple languages, and having translators available during information sessions, as necessary).*
- *Provide families with a variety of options for engaging on the topic of course selection (e.g., large group information sessions, sessions offering more personalized support, and small sessions designed for families that have not experienced college).*

- *Invite students and families to express interest in advanced coursework and discuss those choices along with career options with their school counselors, who can answer questions and serve as an advocate for the students.*
7. *Reducing Barriers: The District recognizes the importance of reducing barriers to opportunities for advanced courses and programs. Therefore, the District strives to:*
- *Provide school counselors and teachers with lists of students identified by the Connecticut State Department of Education as having potential for success in rigorous courses.*
 - *Share descriptive statistics with faculty showing advanced course enrollment over time and disaggregated by student group. These data can be used to track progress, discuss effective strategies, identify challenges, and/or generate potential solutions.*
 - *Urge staff to pay special attention to student interests and coursework fit rather than relying solely on past performance when recommending advanced coursework for students.*
 - *Not exclude students from consideration based on disability status.*
 - *Ensure that eligibility for advanced courses and programs, including appropriate evaluation and testing procedures, do not screen out students who are English learners/multilingual learners because of their limited English proficiency unless an advanced or specialized program is demonstrated to require proficiency in English for meaningful participation.*
 - *Ensure that students who are English learners/multilingual learners receive appropriate language assistance services while participating in advanced courses or programs.*
 - *Communicate directly with students from low-income families that registration fees and exam fees for advanced coursework will be waived.*
 - *Encourage students to self-advocate based on their individual goals and future plans.*
 - *Monitor course registrations throughout the enrollment period and encourage students to reconsider selections if they have potential to be successful in more challenging courses.*
 - *If possible, provide opportunities during the summer for students to prepare for challenging coursework by offering sessions that focus on reviewing study habits, organization, and time management.*
 - *Provide periodic training for all staff members who identify, assist, facilitate, select, counsel, or teach students in advanced courses or programs to provide strategies to remove barriers for participation and provide high-quality instruction to all students, including students who are English learners.*
 - *Schedule advanced courses and programs so that students do not face a scheduling barrier for participation (e.g., scheduling the only AP calculus*

class for the same period as English learner/multilingual learner instruction).

8. *Increasing Supply: The District recognizes the importance of providing a wide range of advanced courses that appeal to students with various interests. Therefore, the District strives to:*

- *Re-evaluate prerequisites so that educators identify what is needed to succeed in the course rather than before the course.*
- *Promote enrollment in advanced courses to students in all grades, including for students who may not have taken an advanced course at the beginning of high school.*
- *Review the current program of studies to identify courses with the potential to be offered in partnership with a college or university.*
- *Consider adding sections of high-interest courses while encouraging teachers of advanced courses to ensure consistency of content and expectations for a diverse set of learners.*
- *Consider offering or expanding work-based learning opportunities for students.*
- *Leverage remote options to expand the range of courses available to students.]*

P4152.6/4252.6(b)

Reasons for Leave

Leaves under the FMLA and applicable state law may be taken for the following reasons:

- incapacity due to pregnancy, prenatal medical care or child birth; or
- to care for the employee's newborn child; or
- the placement of a child with the employee by adoption or for foster care; or
- to care for the employee's spouse, child or parent who has a serious health condition; or
- to care for the employee's own serious health condition that renders the employee unable to perform the functions of the employee's position; or
- to serve as an organ or bone marrow donor; or
- to care for an injured or ill servicemember (see below – Length of Leave – for further information); or
- a qualifying exigency arising out of a family member's military service, including one or more of the following reasons (note – more detailed information on the following categories is available from the Human Resources (HR) Department:
 - short-notice deployment;
 - military events and related activities;
 - childcare and school activities;
 - financial and legal arrangements;
 - counseling;
 - rest and recuperation;
 - post-deployment activities;
 - parental care leave for military member's parent who is incapable of self-care and care is necessitated by the military member's covered active duty;
 - additional activities that arise out of the active duty or call to active duty status of a covered military member, provided that the Board and the employee agree that such leave qualifies as an exigency, and agree to both the timing and the duration of such leave.

Length of Leave

(a) Basic FMLA Leave Entitlement

If a leave is requested for one of the above-listed reasons, each eligible employee may take up to a total of twelve (12) weeks unpaid family or medical leave in the 12-month entitlement period.

The 12-month entitlement period for family or medical leave is measured on the basis of a “rolling” 12-month period measure backward from the date an employee uses any FMLA leave. For example, as of today’s date if an employee has taken five (5) weeks of during the past twelve (12) months, the employee may take up to an additional seven (7) weeks of leave.

P4152.6/4252.6(c)

(b) Leave to Care for an Injured or Ill Servicemember

In addition to the reasons for leave listed above, an eligible employee may take up to twenty-six (26) workweeks of FMLA leave during a 12-month period to care for (i) a servicemember who is the employee’s spouse, parent, child or next of kin, and who incurred a serious injury or illness in the line of duty and while on active duty in the Armed Forces or had a preexisting injury or illness prior to beginning active duty that was aggravated by service in the line of duty on active duty in the Armed Forces; or (ii) a covered veteran with a serious injury or illness who is the employee’s spouse, parent, child or next of kin.

For servicemembers, the injury or illness must render the servicemember medically unable to perform the duties of office, grade, rank or rating. This provision applies to servicemembers who are undergoing medical treatment, recuperation, or therapy, are in outpatient status, or who are on the temporary disability retired list, for a serious injury or illness.

For covered veterans, the veteran must be undergoing medical treatment, recuperation or therapy for a serious injury or illness and must have been (1) a member of the Armed Forces (including the National Guard or Reserves); (2) discharged or released under conditions that were other than dishonorable; and (3) discharged within the five-year period before the eligible employee first takes FMLA military caregiver leave to care for the veteran.¹

For covered veterans, serious injury or illness means any of the following:

- (i) a continuation of a serious injury or illness that was incurred or aggravated when the covered veteran was a member of the Armed Forces and rendered the servicemember unable to perform the duties of the servicemember's office, grade, rank, or rating; or
- (ii) a physical or mental condition for which the covered veteran has received a U.S. Department of Veterans Affairs Service-Related Disability Rating (VASRD) of 50 percent or greater, and such VASRD rating is based, in whole or in part, on the condition precipitating the need for military caregiver leave; or
- (iii) a physical or mental condition that substantially impairs the covered veteran's ability to secure or follow a substantially gainful occupation by reason of a disability or disabilities related to military service, or would do so absent treatment; or
- (iv) an injury, including a psychological injury, on the basis of which the covered veteran has been enrolled in the Department of Veterans Affairs Program of Comprehensive Assistance for Family Caregivers.

¹ The employee's first date of leave must be within the five-year period. However, the employee may continue to take leave throughout the single 12-month period even if the leave extends past the five-year period. Note - special rules may apply to calculating the five-year period for veterans discharged between October 28, 2009 and March 8, 2013. This period will effectively be excluded from the five-year calculation.

When combined with any other type of FMLA qualifying leave, total leave time may not exceed twenty-six (26) weeks in a single twelve (12) month period. Standard FMLA leave procedures described below apply to all requests for and designation of leave for this purpose. *However*, in the case of leave to care for a servicemember with a serious injury or illness, the 12-month period begins on the day such leave actually commences.

P4152.6/4252.6(d)

Types of Leave and Conditions

(a) Full-Time, Intermittent and Reduced Schedule Leave

Full-time leave excuses the employee from work for a continuous period of time. Full-time unpaid leave may be taken for any of the reasons permitted by the FMLA.

Intermittent leave means leave taken due to a single qualifying reason in separate periods of time rather than for one continuous period of time. Examples of intermittent leave include: leave taken one day per week over a period of a few months; or leave taken on an occasional/as-needed basis for medical appointments.

Reduced schedule leave is leave that reduces the employee's usual number of work hours per day for some period of time. For example, an employee may request half-time work for a number of weeks so the employee can assist in the care of a seriously ill parent.

Intermittent or reduced schedule leave may be taken (a) when medically necessary for an employee's or covered family member's serious health condition, or for a covered service member's serious illness or injury, and (b) the need for leave can be best accommodated through an intermittent or reduced schedule leave. In addition, FMLA leave may be taken intermittently or on a reduced schedule basis (1) due to a qualifying exigency; or (2) to effectuate the placement of a child for adoption or foster care before the placement of the child in the home.

If foreseeable intermittent or reduced schedule leave is medically required based upon planned medical treatment of the employee or a family member or a covered service member, including during a period of recovery from an employee's or family member's serious health condition or a serious injury or illness of a covered service member, the Board may, in its sole discretion, temporarily transfer the employee to another job with equivalent pay and benefits that better accommodates the type of leave requested. Also, special arrangements may be required of an instructional employee who needs to take intermittent or reduced-schedule leave which will involve absence for more than twenty (20) percent of the work days in the period over which the leave will extend (for example, more than five days over a five-week period), if the leave is to care for a family member with a serious health condition, to care for a covered service member with a serious injury or illness, or for the employee's own serious health condition, which is foreseeable based on planned medical treatment. In such situations, the Board may require the instructional employee to transfer temporarily to another job or take leave for a particular duration, not to exceed the duration of the planned medical treatment.

(b) Both Spouses Working for the Same Employer

If both spouses are eligible employees of the Board and request leave for the birth, placement of a child by adoption or for foster care, or to care for a parent with a serious health condition, they only will be entitled to a maximum combined total leave equal to twelve (12) weeks in the 12-month entitlement period. If either spouse (or both) uses a portion of the total 12-week entitlement for one of the purposes in

the preceding sentence, each is entitled to the difference between the amount the employee has taken individually and the 12 weeks for FMLA leave for their own or their spouse's serious health condition in the 12-month entitlement periods.

P4152.6/4252.6(e)

(c) Leave Taken by Instructional Employees Near the End of an Academic Term

If a leave taken by an instructional employee for any reason begins more than five (5) weeks before the end of an academic term, the Board may require that instructional employee to continue the leave until the end of the term if the leave will last at least three (3) weeks and the instructional employee would return to work during the three-week period before the end of the term.

If the instructional employee begins a leave during the five-week period preceding the end of an academic term for a reason other than the instructional employee's own serious health condition, the Board may require the instructional employee to continue taking leave until the end of the term if the leave will last more than two (2) weeks and the instructional employee would return to work during the two-week period before the end of the term.

If the instructional employee begins a leave during the three-week period preceding the end of an academic term for a reason other than the instructional employee's own serious health condition, the Board may require the instructional employee to continue taking leave until the end of the term if the leave will last more than five (5) working days.

Requests for Leave

(a) Foreseeable Leave

An employee must notify the HR Department of the need for a family or medical leave at least thirty (30) days before the leave is to begin if the need for the leave is foreseeable based on the expected birth of the employee's child, placement of a child with the employee for adoption or foster care, planned medical treatment for the employee's or family member's serious health condition, or the planned medical treatment for a serious injury or illness of a covered service member. If 30 days-notice is not practicable, then the employee must provide notice as soon as practicable under the circumstances, usually the same day or the next business day after the employee becomes aware of the need for FMLA leave.

(b) Qualifying Exigency.

An employee must provide notice as soon as practicable if the foreseeable leave is for a qualifying exigency, regardless of how far in advance such leave is foreseeable.

(c) Unforeseeable Leave.

When the employee's need for leave is not foreseeable, an employee must provide notice as practicable under the circumstances.

Scheduling Planned Medical Treatment

When planning medical treatment for foreseeable FMLA leave, an employee must consult with the HR Department and make a reasonable effort to schedule the treatment so as not to disrupt unduly the Board's operations, subject to the approval of the health care provider. Similarly, if an employee needs leave intermittently or on a reduced leave schedule for planned medical treatment, the employee must make a reasonable effort to schedule the treatment so as not to disrupt unduly the Board's operations. Ordinarily, the employee should consult with the HR Department prior to scheduling the treatment in order to work out a treatment schedule that best suits the needs of the Board and the employee. The Board and the employee shall attempt to work out a schedule for leave that meets the employee's needs without unduly disrupting the Board's operations, subject to the approval of the health care provider as to any modification of the treatment schedule.

P4152.6/4252.6(f)

Required Certifications/Documentation

For leaves taken for any FMLA-qualifying reason, an employee must submit a completed certification form supporting the need for leave. The appropriate form will be provided to the employee. The employee must submit a complete and sufficient certification form as required within fifteen (15) calendar days of receiving the request for the completed certification. If it is not practicable for the employee to provide the completed form by the due date despite the employee's diligent, good faith efforts, the employee must inform the HR Department of the reason(s) for delay and what efforts the employee undertook to obtain the required certification. FMLA-protected leave may be delayed or denied if the employee does not provide a complete and sufficient certification as required. Depending on the reason for leave, an employee may be required to submit medical certification from the employee's health care provider, medical certification the employee's family member's health care provider, and/or other documentation (e.g., to establish a family relationship, military active duty orders, etc.). In certain circumstances and under certain conditions, employees may also be required to obtain second or third medical opinions and/or recertifications, in accordance with applicable law.

The Board may require medical recertification on a reasonable basis, including under the following circumstances:

- (i) every six (6) months or annually in connection with an FMLA-related absence if the previous certification indicates that the employee will need intermittent or reduced schedule leave for a period in excess of six (6) or twelve (12) months;
- (ii) the circumstances described by the previous certification have changed significantly (e.g. the duration or frequency of the absence, the nature or severity of the illness, medical complications); or
- (iii) whenever the school district receives information that casts doubt upon the employee's stated reason for the absence or the continuing validity of the certification.

If an employee takes leave for the employee's own serious health condition (except on an intermittent or reduced-schedule basis), prior to returning to work the employee must provide a medical fitness-for-duty certification that the employee is able to resume work and the health condition that created the need for the leave no longer renders the employee unable to perform the essential functions of the job. This certification must be submitted to the HR Department. If the employee is unable to perform one or more of the essential functions of the employee's position, the Board will determine whether the employee is eligible for additional FMLA leave (if such leave has not been exhausted) or whether an accommodation is appropriate, in accordance with the Americans with Disabilities Act.

In connection with the Board's request for medical information, employees must be aware that the Genetic Information Nondiscrimination Act of 2008 ("GINA") prohibits employers and other entities covered by Title II of GINA from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, the Board requests that employees not provide any genetic information when responding to a request for medical information.

P4152.6/4252.6(g)

Use of Paid Leave

Accrued paid personal leave and accrued paid vacation will be substituted (in that order) for any unpaid portions of family or medical leave taken for any reason. However, where the leave is for the employee's own serious health condition, accrued paid sick leave shall be substituted for unpaid portions of family or medical leave prior to the substitution of accrued paid personal and accrued paid vacation leave. The amount of unpaid family or medical leave entitlement is reduced by the amount of paid leave that is substituted.

For leaves taken because of the employees own serious health condition and receiving Workers' Compensation benefits, will have such leave charged against his or her FMLA entitlement.

In addition, in cases involving absences due to a Workers' Compensation injury that also qualifies as an FMLA serious health condition, and if the employee (and the employee's collective bargaining agent, if applicable) and the Board agree to do so, the Board will apply the employee's available accrued paid leave in increments as a supplement to the Workers' Compensation weekly benefit in an appropriate amount so that the employee can maintain the employee's regular weekly income level.

Medical Insurance and Other Benefits

During approved family or medical leaves of absence, the Board will continue to pay its portion of medical insurance premiums for the period of unpaid family or medical leave. The employee must continue to pay the employee's share of the premium, and failure to do so may result in loss of coverage. If paid leave is substituted for unpaid portions of FMLA leave, the employee will pay the employee's share of premiums in the manner used prior to leave (e.g. payroll deduction.) If the employee does not return to work after expiration of the leave, the employee will be required to reimburse the Board for payment of medical insurance premiums during the family or medical leave, unless the employee does not return because of a serious health condition or circumstances beyond the employee's control.

During an FMLA leave, an employee shall not accrue benefits such as seniority, pension benefits or sick or vacation leave, unless otherwise required by any applicable collective bargaining agreement or Board policy. However, unused employment benefits accrued by the employee up to the day on which the leave begins will not be lost upon return to work. Leave taken under this policy does not constitute an absence under the Board's attendance policy, if any.

Reinstatement

Except for circumstances unrelated to the taking of a family or medical leave, and unless an exception applies, an employee who returns to work following the expiration of a family or medical leave is entitled to return to the job such employee held prior to the leave or to an equivalent position with equivalent pay and benefits.

Additional Information

Questions regarding family or medical leave may be directed to the Superintendent or designee. An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer. FMLA does not affect any federal or state law prohibiting discrimination, or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

NOTE: On August 21, 2024, the Connecticut State Board of Education issued a Position Statement and Policy Guidance regarding Personal Technology Use in Connecticut Schools. In light of this guidance, school districts may decide to develop more specific policies or rules restricting the use of cell phones and other personal technology devices during the school day. In Newtown, those rules are set by the school and should be included in the school handbooks for easy reference. Language has been added which reflects current practice and incorporates language regarding AI. The language regarding sexting has been removed because it is covered in “Accessing or attempting to access material that is obscene, obscene as to minors or contains child sexual abuse material.”

USE OF PRIVATE TECHNOLOGY DEVICES BY STUDENTS

Students may possess privately owned technological devices on school property and/or during school-sponsored activities, in accordance with the mandates of this policy and any applicable administrative regulations as may be developed by the Superintendent of Schools.

Definitions

Board Technology Resources

For the purposes of this policy, “Board technology resources” refers to the Newtown Board of Education’s (the “Board’s”) computers and instructional technologies; communications and data management systems; informational technologies and the Internet; and any other technology resources owned and/or used by the Newtown Public Schools (the “District”) and accessible by students.

Privately Owned Technological Devices

For the purposes of this policy, “privately owned technological devices” refers to privately owned desktop computers, personal computing devices, cellular phones, Smartphones, Smartwatches, network access devices, tablets, laptops, personal gaming systems, Bluetooth speakers, e-readers, and other electronic signaling devices.

Generative Artificial Intelligence

For the purposes of this policy, “generative artificial intelligence” refers to a technology system, including but not limited to ChatGPT, capable of learning patterns and relationships from data, enabling it to create content, including but not limited to text, images, audio, or video, when prompted by a user.

Use of Privately Owned Technological Devices

Privately owned technological devices may not be used during instructional time, except as specifically permitted by instructional staff or unless necessary for a student to access the District’s digital learning platform or otherwise engage in remote learning if remote learning has been authorized in accordance with applicable law.

On school property, at a school-sponsored activity, while in use for a remote learning activity if remote learning has been authorized in accordance with applicable law, or while being used to access or utilize Board technology resources, the use of any such device for an improper purpose is prohibited. Improper purposes include, but are not limited to:

- Sending any form of a harassing, threatening, or intimidating message, at any time, to the extent such communication may violate other applicable Board policy, regulation, or school rule (such communications may also be a crime);
- Gaining or seeking to gain unauthorized access to Board technology resources;
- Damaging Board technology resources;
- Accessing or attempting to access any material that is obscene, obscene as to minors, or contains child sexual abuse material;

- Using such privately owned device for the unauthorized use of generative artificial intelligence; or
- Taking any action prohibited by any Federal or State law.

Search of Privately Owned Technological Devices

A student’s privately owned technological device may be searched if the device is on Board property or in a student’s possession at a school-sponsored activity, in accordance with the applicable Board policy for search and seizure.

Responsibility for Privately Owned Technological Devices

Students are responsible for the safety and use of their privately owned technological devices. If a privately owned technological device is stolen, lost, or damaged while the device is on school property or during a school-sponsored activity, a report should be made to the building principal, who will investigate the loss, or cause it to be investigated, in a manner consistent with procedures for stolen or damaged personal property. Students and parents should be aware that the Board is not liable for any privately owned technological device that is stolen, lost, or damaged while at school or during a school-sponsored activity. For that reason, students are advised to use good judgment when deciding to bring such items to school and advised not to share or loan their privately owned technological devices with other students.

Disciplinary Action

Misuse of the Board's technology resources and/or the use of privately owned technological devices to access or utilize the Board's technology resources in an inappropriate manner or the use of such privately owned technological devices in any manner inconsistent with this policy will not be tolerated and will result in disciplinary action. For students, a violation of this policy may result in loss of access privileges, a prohibition on the use and/or possession of privately owned technological devices on school property or at school-sponsored activities, and/or suspension or expulsion in accordance with the Board's policies related to student discipline.

Access to Board Technology Resources

The Board may permit students, using their privately owned technological devices, to access the Board's computers and instructional technologies; communications and data management systems; informational technologies and the Internet; and any other technology resources used by the District and accessible by students. Additionally, it is the expectation of the Board that students who access these resources while using privately owned technology devices will act at all times appropriately in ways that are fully in accord with applicable policies concerning technology use as well as all local, state, and federal laws.

Through the publication and dissemination of this policy statement and others related to use of the Board's computer systems, as well as other instructional means, the Board educates students about the Board's expectations for technology users.

The Board's technology resources shall only be used to access educational information and to promote learning activities both at home and at school. Students are expected to act at all times appropriately in ways that are fully in accord with applicable policies concerning technology use as well as all local, state, and federal laws when using the Board technology resources. Failure to do so will result in the consequences outlined herein and in other applicable policies (including, but not limited to, the Student Discipline Policy and the Student Use of the District's Computer Systems Policy).

Students must abide by the procedures outlined in this policy and all policies and applicable regulations outlined in the Board's computer use and other applicable policies. Students will be given specific information for log-on and access procedures for using school accounts. No user may deviate from these log-on/access procedures. **Students are advised that the Board's network administrators have the capability to identify users and/or to monitor all privately owned technological devices while they are logged on to the network.** Students must understand that the Board has reserved the right to conduct monitoring of Board technology resources and can do so *despite* the assignment to individual users of passwords for system security. Any password systems implemented by the Board are designed solely to provide system security from unauthorized users, not to provide privacy to the individual system user. The system's security aspects, message delete function and personal passwords can be bypassed for monitoring purposes. **Therefore, students should be aware that they should not have any expectation of personal privacy in the use of privately owned technological devices to access Board technology resources. This provision applies to any and all uses of the Board's technology resources and any privately owned technological devices that access the same.**

Harm to Board Technology Resources

Any act by a student using a privately owned technological device that harms the Board technology resources or otherwise interferes with or compromises the integrity of Board technology resources will be considered vandalism and will be subject to discipline and/or appropriate criminal or civil action.

**POLICY REGARDING TITLE IX OF THE EDUCATION AMENDMENTS OF 1972 -
PROHIBITION OF SEX DISCRIMINATION AND SEXUAL HARASSMENT
(STUDENTS)**

It is the policy of the Newtown Board of Education (the “Board”) for the Newtown Public Schools (the “District”) that any form of sex discrimination or sexual harassment is prohibited in the Board’s education programs and activities, whether by students, Board employees or third parties subject to substantial control by the Board. The Board does not discriminate on the basis of sex in the education programs or activities that it operates and the Board is required by Title IX of the Education Amendments of 1972 and its implementing regulations (“Title IX”) and Connecticut law not to discriminate in such a manner. Discrimination or harassment on the basis of sex includes discrimination or harassment on the basis of gender identity or sexual orientation. Students, Board employees and third parties are required to adhere to a standard of conduct that is respectful of the rights of students, employees and third parties. Any student or employee who engages in conduct prohibited by this Policy shall be subject to disciplinary action, up to and including expulsion or termination, respectively.

For conduct to violate Title IX, the conduct must have occurred in an education program or activity of the Board; the conduct must have occurred within the United States of America; and the complainant must be participating in or attempting to participate in the education program or activity of the Board. Conduct that does not meet these requirements still may constitute a violation of Connecticut law or another Board policy.

The Superintendent of Schools shall develop Administrative Regulations implementing this Policy and in accordance with Title IX and Connecticut law (the “Administrative Regulations”).

Sex discrimination occurs when a person, because of the person’s sex, is denied participation in or the benefits of any education program or activity receiving federal financial assistance.

Sexual harassment under Title IX means conduct on the basis of sex that satisfies one or more of the following:

- (1) An employee of the Board conditioning the provision of an aid, benefit, or service of the Board on an individual’s participation in unwelcome sexual conduct (*i.e.*, *quid pro quo*);
- (2) Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the Board’s education programs or activities; or
- (3) “Sexual assault” as defined in 20 U.S.C. 1092(f)(6)(A)(v), “dating violence” as defined in 34 U.S.C. 12291(a)(10), “domestic violence” as defined in 34 U.S.C. 12291(a)(8), or “stalking” as defined in 34 U.S.C. 12291(a)(30).

Sexual harassment under Connecticut law means conduct in a school setting that 1) is sexual in nature; 2) is unwelcome; and 3) denies or limits a student’s ability to participate in or benefit from a school’s educational program. Sexual harassment can be verbal, nonverbal or physical. Sexual violence is a form of sexual harassment.

Reporting Sex Discrimination or Sexual Harassment

It is the express policy of the Board to encourage victims of sex discrimination and/or sexual harassment to report such claims. Students are encouraged to report complaints of sex discrimination and/or sexual harassment promptly in accordance with the appropriate process set forth in the Administrative Regulations. The Board directs its employees to respond to such complaints in a prompt and equitable manner. The Board further directs its employees to maintain confidentiality to the extent appropriate and not tolerate any reprisals or retaliation that occur as a result of the good faith reporting of charges of sex discrimination and/or sexual harassment. Any such reprisals or retaliation will result in disciplinary action against the retaliator, up to and including expulsion or termination as appropriate.

Any Board employee with notice of sex discrimination and/or sexual harassment allegations shall immediately report such information to the building principal and/or the Title IX Coordinator, or if the employee does not work in a school building, to the Title IX Coordinator.

The Newtown Public Schools administration (the “Administration”) shall provide training to Title IX Coordinator(s), investigators, decision-makers, and any person who facilitates an informal resolution process (as set forth in the Administrative Regulations), which training shall include but need not be limited to, the definitions of sex discrimination and sexual harassment, the scope of the Board’s education program and activity, how to conduct an investigation and grievance process, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. The Administration shall make the training materials used to provide these trainings publicly available on the Board’s website. The Administration shall also periodically provide training to all Board employees on the topic of sex discrimination and sexual harassment under Title IX and Connecticut law, which shall include but not be limited to when reports of sex discrimination and/or sexual harassment must be made. The Administration shall distribute this Policy and the Administrative Regulations to staff, students and parents and legal guardians and make the Policy and the Administrative Regulations available on the Board’s website to promote an environment free of sex discrimination and sexual harassment.

**ADMINISTRATIVE REGULATIONS REGARDING
TITLE IX OF THE EDUCATION AMENDMENTS OF 1972 - PROHIBITION OF SEX
DISCRIMINATION AND SEXUAL HARASSMENT (STUDENTS)**

It is the policy of the Newtown Board of Education (the “Board”) for the Newtown Public Schools (“the District”) that any form of sex discrimination or sexual harassment is prohibited, whether by students, District employees or third parties subject to substantial control by the Board. Discrimination or harassment on the basis of sex includes discrimination or harassment on the basis of gender identity or sexual orientation. Students, District employees and third parties are expected to adhere to a standard of conduct that is respectful of the rights of students, District employees, and third parties. Any student or employee who engages in conduct prohibited by the Board’s Policy regarding Title IX of the Education Amendments of 1972-Prohibition of Sex Discrimination and Sexual Harassment (Students) shall be subject to disciplinary action. Any third party who engages in conduct prohibited by the Board’s Policy regarding Title IX of the Education Amendments of 1972-Prohibition of Sex Discrimination and Sexual Harassment (Students) shall be subject to remedial measures, which may include exclusion from school property.

Sex discrimination occurs when a person, because of the person’s sex, is denied participation in or the benefits of any education program or activity receiving federal financial assistance.

Sexual harassment under Title IX means conduct on the basis of sex that satisfies one or more of the following:

- (1) An employee of the Board conditioning the provision of an aid, benefit, or service of the Board on an individual’s participation in unwelcome sexual conduct (i.e., *quid pro quo*);
- (2) Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District’s education programs or activities; or
- (3) “Sexual assault” as defined in 20 U.S.C. 1092(f)(6)(A)(v), “dating violence” as defined in 34 U.S.C. 12291(a)(10), “domestic violence” as defined in 34 U.S.C. 12291(a)(8), or “stalking” as defined in 34 U.S.C. 12291(a)(30). These definitions can be found in Appendix A of these Administrative Regulations.

Sexual harassment under Connecticut law means conduct in a school setting that 1) is sexual in nature; 2) is unwelcome; and 3) denies or limits a student’s ability to participate in or benefit from a school’s educational program. Sexual harassment can be verbal, nonverbal or physical. Sexual violence is a form of sexual harassment.

Although not an exhaustive list, the following are other examples of conduct prohibited by the Board's Policy regarding Title IX of the Education Amendments of 1972-Prohibition of Sex Discrimination and Sexual Harassment (Students):

1. Statements or other conduct indicating that a student's submission to, or rejection of, sexual overtures or advances will affect the student's grades and/or other academic progress.
2. Unwelcome attention and/or advances of a sexual nature, including verbal comments, sexual invitations, leering and physical touching.
3. Display of sexually suggestive objects, or use of sexually suggestive or obscene remarks, invitations, letters, emails, text messages, notes, slurs, jokes, pictures, cartoons, epithets or gestures.
4. Touching of a sexual nature or telling sexual or dirty jokes.
5. Transmitting or displaying emails or websites of a sexual nature.
6. Using computer systems, including email, instant messaging, text messaging, blogging or the use of social networking websites, or other forms of electronic communications, to engage in any conduct prohibited by the Board's Policy regarding Title IX of the Education Amendments of 1972-Prohibition of Sex Discrimination and Sexual Harassment (Students).

NOTICE OF THE TITLE IX COORDINATOR

The District's Title IX Coordinator is: Frank Purcaro
Assistant Superintendent
3 Primrose Street Newtown, CT 06470
Telephone: 203-426-7617
purcarof@newtown.k12.ct.us

Any District employee in receipt of allegations of sex discrimination or sexual harassment, or in receipt of a formal complaint, shall immediately forward such information to the Title IX Coordinator. The Title IX Coordinator manages the District's compliance with Title IX and Connecticut law regarding sexual harassment and sex discrimination and is an available resource

to anyone seeking information or wishing to file a formal complaint of same. When a student, District employee, or other participant in the District's programs and activities feels that such person has been subjected to discrimination on the basis of sex in any District program or activity, including without limitation being subjected to sexual harassment, such person may contact the Title IX Coordinator or utilize the Title IX grievance systems set forth herein to bring concerns forward for the purpose of obtaining a prompt and equitable resolution.

EXPLANATION OF COMPLAINT PROCESS AND PROCEDURE

The federal regulations implementing Title IX require the adoption and publication of two separate grievance systems: a grievance process for complaints of sex discrimination involving allegations of sexual harassment and grievance procedures for complaints of sex discrimination that are not sexual harassment. Accordingly, the Administration will process any complaints of sex discrimination involving allegations of sexual harassment, as defined above, pursuant to the **grievance process** set forth in Section I of these regulations. The Administration will process any complaints of sex discrimination that are not sexual harassment pursuant to the **grievance procedures** set forth in Section II of these regulations.

The District will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act (FERPA), or as required by law, or to carry out the purposes of these Administrative Regulations, including the conduct of any investigation, hearing, or judicial proceeding arising from these Administrative Regulations.

The obligation to comply with Title IX is not obviated or alleviated by the FERPA.

SECTION I. GRIEVANCE PROCESS FOR COMPLAINTS OF SEXUAL HARASSMENT UNDER TITLE IX

A. Definitions

- **Bias** occurs when it is proven that the Title IX Coordinator, investigator(s), and/or decision-maker(s) demonstrate actual bias, rather than the appearance of bias. Actual bias includes, but is not limited to, demonstrated personal animus against the respondent or the complainant and/or prejudgment of the facts at issue in the investigation.
- **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

- A conflict of interest occurs when it is proven that the Title IX Coordinator, investigator(s), and/or decision-maker(s) have personal, financial and/or familial interests that affected the outcome of the investigation.
- **Consent** means an active, clear and voluntary agreement by a person to engage in sexual activity with another person (also referred to hereafter as “affirmative consent”).

For the purposes of an investigation conducted pursuant to these Administrative Regulations, the following principles shall be applied in determining whether consent for sexual activity was given and/or sustained:

- A. Affirmative consent is the standard used in determining whether consent to engage in sexual activity was given by all persons who engaged in the sexual activity.
 - B. Affirmative consent may be revoked at any time during the sexual activity by any person engaged in the sexual activity.
 - C. It is the responsibility of each person engaging in a sexual activity to ensure that the person has the affirmative consent of all persons engaged in the sexual activity to engage in the sexual activity and that the affirmative consent is sustained throughout the sexual activity.
 - D. It shall not be a valid excuse to an alleged lack of affirmative consent that the respondent to the alleged violation believed that the complainant consented to the sexual activity:
 - (i) because the respondent was intoxicated or reckless or failed to take reasonable steps to ascertain whether the complainant consented, or
 - (ii) if the respondent knew or should have known that the complainant was unable to consent because such individual was unconscious, asleep, unable to communicate due to a mental or physical condition, unable to consent due to the age of the individual or the age difference between the individual and the respondent, or incapacitated due to the influence of drugs, alcohol or medication.
 - E. The existence of a past or current dating or sexual relationship between the complainant and the respondent, in and of itself, shall not be determinative of a finding of consent.
- For purposes of investigations and complaints of sexual harassment, **education program or activity** includes locations, events, or circumstances over which the Board exercises substantial control over both the respondent and the context in which the sexual harassment occurs.
 - Employee means (A) a teacher, substitute teacher, school administrator, school superintendent, guidance counselor, school counselor, psychologist, social worker, nurse,

physician, school paraprofessional or coach employed by the Board or working in a public elementary, middle or high school; or (B) any other individual who, in the performance of the individual's duties, has regular contact with students and who provides services to or on behalf of students enrolled in a public elementary, middle or high school, pursuant to a contract with the Board.

- **Formal complaint** means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment (as defined under Title IX) against a respondent and requesting that the Administration investigate the allegation of sexual harassment. A "document filed by a complainant" means a document or electronic submission that contains the complainant's physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint.
- **Respondent** means an individual who has been alleged to be the perpetrator of conduct that could constitute sexual harassment.
- **School days** means the days that school is in session as designated on the calendar posted on the Board's website. In its discretion, and when equitably applied and with proper notice to the parties, the District may consider business days during the summer recess as "school days" if such designation facilitates the prompt resolution of the grievance process.
- **Supportive measures** means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, mutual restrictions on contact between the parties, increased security and monitoring, and other similar measures.

B. Reporting Sexual Harassment

1. It is the express policy of the Board to encourage victims of sexual harassment to report such claims. Any person may report sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sexual harassment), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator. If the District receives notice of sexual harassment or alleged sexual harassment against a student in the District's education program or activity, the Title IX Coordinator will promptly contact the complainant to discuss the availability of supportive measures, whether or not the complainant files a formal complaint, and will consider the complainant's wishes with respect to such measures. If the complainant has yet to file a formal complaint, the Title IX Coordinator will explain to the complainant the process for doing so.

2. The District will treat complainants and respondents equitably. A respondent is presumed not responsible for the alleged conduct and a determination regarding responsibility will be made at the conclusion of the grievance process if a formal complaint is filed. Nothing in this Regulation shall limit or preclude the District from removing a respondent from the District's education program or activity on an emergency basis, provided that the District undertakes an individualized safety and risk analysis, and determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal. If a respondent is removed on an emergency basis, the District shall provide the respondent with notice and an opportunity to challenge the decision immediately following the removal.

C. Formal Complaint and Grievance Process

1. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information listed for the Title IX Coordinator. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the District's education programs or activity. A formal complaint may be signed by the Title IX Coordinator. If the formal complaint being filed is against the Title IX Coordinator, the formal complaint should be filed with the Superintendent. If the formal complaint being filed is against the Superintendent, the formal complaint should be filed with the Board Chair, who will then retain an independent investigator to investigate the matter.
2. The District may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. If possible, formal complaints should be filed within ten (10) school days of the alleged occurrence in order to facilitate the prompt and equitable resolution of such claims. The District will attempt to complete the formal grievance process within ninety (90) school days of receiving a formal complaint. This timeframe may be temporarily delayed or extended in accordance with Subsection G of this Section.
3. Upon receipt of a formal complaint, if the Title IX Coordinator has not already discussed the availability of supportive measures with the complainant, the Title IX Coordinator will promptly contact the complainant to discuss the availability of such measures and consider the complainant's wishes with respect to them. The Title IX Coordinator or designee may also contact the respondent, separately from the complainant, to discuss the availability of supportive measures for the respondent. The District will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the District to provide such supportive measures.
4. Within ten (10) school days of receiving a formal complaint, the District will provide the known parties with written notice of the allegations potentially constituting sexual

harassment under Title IX and a copy of this grievance process. The written notice must also include the following:

- i. The identities of the parties involved in the incident, if known;
- ii. The conduct allegedly constituting sexual harassment as defined above;
- iii. The date and the location of the alleged incident, if known;
- iv. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process;
- v. A statement that the parties may have an advisor of their choice, who may be, but is not required to be, an attorney, and may inspect and review evidence; and
- vi. A statement of any provision in the District's Student Discipline Policy or any other policy that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

If, in the course of an investigation, the District decides to investigate allegations about the complainant or respondent that are not included in the written notice, the District must provide notice of the additional allegations to the parties whose identities are known.

5. The parties may have an advisor of their choice accompany them during any grievance proceeding at which the party's attendance is required. The District may, in its discretion, establish certain restrictions regarding the extent to which an advisor may participate in the proceedings. If any such restrictions are established, they will be applied equally to all parties.
6. The Title IX Coordinator will, as applicable, promptly commence an investigation of the formal complaint, designate a school administrator to promptly investigate the formal complaint, or dismiss the formal complaint in accordance with Subsection F of this Section. The standard of evidence to be used to determine responsibility is the preponderance of the evidence standard (i.e., more likely than not). The burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the District and not on the parties.
7. The parties will be given an equal opportunity to discuss the allegations under investigation with the investigator(s) and are permitted to gather and present relevant evidence. This opportunity includes presenting witnesses, including fact and expert

witnesses, and other inculpatory and exculpatory evidence. Credibility determinations will not be based on a person's status as a complainant, respondent, or witness. The District will provide to a party whose participation is invited or expected (including a witness), written notice of the date, time, location, participants, and purpose of all hearings (if applicable), investigative interviews, or other meetings, with sufficient time for the party to prepare to participate.

8. Both parties will be given an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint, including the evidence upon which the District does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation. Prior to completion of the investigative report, the District will send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties will have ten (10) school days to submit a written response, which the investigator(s) will consider prior to completion of the investigative report, as described in Paragraph 9 of this Subsection.
9. The investigator(s) will create an investigative report that fairly summarizes relevant evidence. The investigator(s) will send the investigative report, in an electronic format or hard copy, to each party and to each party's advisor for their review and written response at least ten (10) school days prior to the time a determination regarding responsibility is made.
10. The Superintendent will appoint a decision-maker(s), who shall be a District employee or third-party contractor and who shall be someone other than the Title IX Coordinator or investigator(s). If the formal complaint filed is against the Superintendent, the Board Chair shall appoint the decision-maker, who shall be a District employee or third-party contractor and who shall be someone other than the Title IX Coordinator or investigator(s). The investigator(s) and the decision-maker(s) shall not discuss the investigation's facts and/or determination while the formal complaint is pending. The decision-maker(s) will afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) will explain to the party proposing the questions any decisions to exclude a question as not relevant.
11. The decision-maker(s) will issue a written determination regarding responsibility. To reach this determination, the decision-maker must apply the preponderance of the evidence standard. The written determination will include: (1) identification of the allegations potentially constituting sexual harassment; (2) a description of the procedural

steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held; (3) findings of fact supporting the determination; (4) conclusions regarding the application of the District's code of conduct to the facts; (5) a statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the District will impose on the respondent, and whether remedies designed to restore or preserve equal access to the District's education program or activity will be provided by the District to the complainant; and (6) the District's procedures and permissible bases for the complainant and respondent to appeal. If the respondent is found responsible for violating the Board's Policy regarding Title IX of the Education Amendments of 1972-Prohibition of Sex Discrimination and Sexual Harassment (Students), the written determination shall indicate whether the respondent engaged in sexual harassment as defined by the Board's Policy and these Administrative Regulations. The written determination will be provided to both parties simultaneously.

12. Student respondents found responsible for violating the Board's Policy regarding Title IX of the Education Amendments of 1972-Prohibition of Sex Discrimination and Sexual Harassment (Students) may be subject to discipline up to and including expulsion. Employee respondents found responsible for violating the Board's Policy regarding Title IX of the Education Amendments of 1972-Prohibition of Sex Discrimination and Sexual Harassment (Students) may be subject to discipline up to and including termination of employment. Other respondents may be subject to exclusion from the District's programs, activities and/or property. In appropriate circumstances, the District may make a criminal referral. Remedies will be designed to restore or preserve equal access to the District's education programs or activities.
13. After receiving notification of the decision-maker's decision, or after receiving notification that the District dismissed a formal complaint or any allegation therein, both complainant and respondent may avail themselves of the appeal process set forth in Subsection E of this Section.

D. Informal Resolution

At any time prior to reaching a determination regarding responsibility, but only after the filing of a formal complaint, the District may suggest to the parties the possibility of facilitating an informal resolution process, such as mediation, to resolve the formal complaint without the need for a full investigation and adjudication. If it is determined that an informal resolution may be appropriate, the Title IX Coordinator or designee will consult with the parties.

Prior to facilitating an informal resolution to a formal complaint, the Title IX Coordinator or designee will provide the parties with written notice disclosing the sexual harassment allegations, the requirements of an informal resolution process, and any consequences from participating in the informal resolution process. Upon receipt of this document, complainants and respondents have five (5) school days to determine whether they consent to participation in the informal resolution. The District must obtain voluntary, written consent to the informal resolution process from both parties.

Prior to agreeing to any resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint. If a satisfactory resolution is reached through this informal process, the matter will be considered resolved. If these efforts are unsuccessful, the formal grievance process will continue.

Nothing in this section precludes a student from filing a complaint of retaliation for matters related to an informal resolution, nor does it preclude either party from filing complaints based on conduct that is alleged to occur following the District's facilitation of the informal resolution.

An informal resolution is not permitted to resolve allegations that an employee sexually harassed a student.

E. Appeal Process

After receiving notification of the decision-makers decision, or after receiving notification that the District dismissed a formal complaint or any allegation therein, both complainant and respondent have five (5) school days to submit a formal letter of appeal to the Title IX Coordinator specifying the grounds upon which the appeal is based. Upon receipt of an appeal, the Superintendent shall appoint a decision-maker(s) for the appeal, who shall be someone other than the Title IX Coordinator, investigator(s), or initial decision-maker(s).

Appeals will be appropriate only in the following circumstances:

- new evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter;
- procedural irregularity that affected the outcome of the matter;
- the Title IX Coordinator, investigator(s), and/or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter. A conflict of interest or bias does not exist solely because the Title IX Coordinator, investigators(s), and/or decision-maker(s) previously worked with or disciplined the complainant or respondent.

The District will provide the other party with written notice of such appeal. The appealing party will then have ten (10) school days to submit to the decision-maker(s) for the appeal a written statement in support of, or challenging, the outcome of the grievance process. The decision-maker(s) for the appeal will provide the appealing party's written statement to the other party. The other party will then have ten (10) school days to submit to the decision-maker(s) for the appeal a written statement in support of, or challenging, the outcome of the grievance process. The decision-maker(s) for the appeal, in their discretion, will determine any additional necessary and appropriate procedures for the appeal.

After considering the parties' written statements, the decision-maker(s) for the appeal will provide a written decision. The decision-maker(s) for the appeal will attempt to issue the written decision within thirty (30) school days of receipt of all written statements from the parties. If it is found that one of the bases for appeal exists, the decision-maker(s) for the appeal will issue an appropriate remedy.

Supportive measures for either or both parties may be continued throughout the appeal process.

F. Dismissal of a Formal Complaint

The Title IX Coordinator shall dismiss any formal complaint that, under Title IX 1) would not constitute sexual harassment as defined under Title IX even if proved, 2) did not occur in the District's education program or activity, or 3) did not occur against a person in the United States. Such dismissal does not preclude action under another Board policy.

The District may dismiss a formal complaint or any allegations therein, if at any time during the investigation or hearing: 1) a complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein; 2) the respondent is no longer enrolled or employed in the District; or 3) specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon a dismissal, the District will promptly and simultaneously send written notice of the dismissal and reason(s) therefor to each party. Either party can appeal from the District's dismissal of a formal complaint or any allegations therein using the appeals procedure.

In the event a formal complaint is dismissed prior to the issuance of a decision under Title IX, the Title IX Coordinator shall determine if the allegations of sexual harassment shall proceed through the grievance procedures identified in Section II of these Administrative Regulations for claims of sex discrimination for consideration as to whether the allegations constitute sexual harassment under Connecticut law.

A dismissal pursuant to this section does not preclude action by the District under the Student Discipline policy, Code of Conduct for students/or and employees, or any other applicable rule, policy, and/or collective bargaining agreement.

Miscellaneous

1. Any timeframe set forth in these Administrative Regulations may be temporarily delayed or extended for good cause. Good cause may include, but is not limited to, considerations such as the absence or illness of a party, a party's advisor, or a witness; concurrent law enforcement activity; concurrent activity by the Department of Children and Families; or the need for language assistance or accommodation of disabilities. If any timeframe is altered on a showing of good cause, written notice will be provided to each party with the reasons for the action.
2. If a sexual harassment complaint raises a concern about bullying behavior, the Title IX Coordinator shall notify the Safe School Climate Specialist or designee who shall coordinate any bullying investigation with the Title IX Coordinator, to promote the alignment of any such bullying investigation with the requirements of applicable Board policies and state law. Additionally, if a sexual harassment complaint raises a concern about discrimination or harassment on the basis of any other legally protected classification (such as race, religion, color, national origin, age, or disability), the Title

IX Coordinator or designee shall make a referral to other appropriate personnel within the District (e.g. Section 504 Coordinator, etc.), so as to ensure that any such investigation complies with the requirements of policies regarding nondiscrimination.

3. If the sexual harassment complaint results in reasonable cause to suspect or believe that a child has been abused or neglected, has had a nonaccidental physical injury, or injury which is at variance with the history given of such injury, is placed at imminent risk of serious harm, or that a student has been sexually assaulted by a school employee, then, the person to whom the complaint is given or who receives such information shall report such matters in accordance with the Board's policy on the Reports of Suspected Child Abuse or Neglect of Children.
4. Retaliation against any individual who complains pursuant to the Board's Policy regarding Title IX of the Education Amendments of 1972-Prohibition of Sex Discrimination and Sexual Harassment (Students) and these Administrative Regulations is strictly prohibited. Neither the District nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX or these Administrative Regulations, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under these Administrative Regulations. The District will take actions designed to prevent retaliation. Complaints alleging retaliation may be filed according to the grievance procedures for sex discrimination described herein.
5. The District will maintain for a period of seven (7) years records of:
 - i. Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to the Board's education program or activity;
 - ii. Any appeal and the result therefrom;
 - iii. Any informal resolution and the result therefrom; and
 - iv. All material used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. The Board will make these training materials publicly available on its website.

If the District has actual knowledge of sexual harassment in an education program or activity of the Board, and for any report or formal complaint of sexual harassment, the District will create and maintain for a period of seven (7) years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. The District will document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the Board's education program or activity. If the District does not provide a complainant with supportive measures, then the District will document the reasons why such a response was not clearly unreasonable in light of the known circumstances.

SECTION II. GRIEVANCE PROCEDURES FOR CLAIMS OF SEX DISCRIMINATION (OTHER THAN SEXUAL HARASSMENT UNDER TITLE IX)

A. Definitions

- **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sex discrimination.
- **Respondent** means an individual who has been reported to be the perpetrator of conduct that could constitute sex discrimination.

B. Reporting Sex Discrimination Other than Sexual Harassment under Title IX

It is the express policy of the Board to encourage victims of sex discrimination to report such claims. Any person may report sex discrimination (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator. If the District receives notice of sex discrimination or alleged sex discrimination against a student in the District's education program or activity, the Title IX Coordinator or designee will promptly notify the complainant of the grievance process. The District will treat complainants and respondents equitably during the grievance process. Sexual harassment is a form of sex discrimination, and any incident of sexual harassment under Title IX, as defined above, shall be handled pursuant to Section I of these Administrative Regulations. Any allegations of sexual harassment under Connecticut law, as defined above, shall be handled pursuant to this Section II of these Administrative Regulations.

C. Grievance Procedures

D. As soon as a student feels that the student has been subjected to sex discrimination other than sexual harassment as defined under Title IX (including, without limitation, sexual harassment under Connecticut law), the student or the student's parent/legal guardian should make a written complaint to the Title IX Coordinator or to the building principal, or designee. The student will be provided a copy of the Board's Policy and Administrative Regulations and made aware of the student's rights under this Policy and Administrative Regulations. Preferably, complaints should be filed within ten (10) school days of the alleged occurrence. Timely reporting of complaints facilitates the investigation and resolution of such complaints.

1. The complaint should state the:
 - i. Name of the complainant;
 - ii. Date of the complaint;
 - iii. Date(s) of the alleged discrimination;
 - iv. Name(s) of the discriminator(s);
 - v. Location where such discrimination occurred;
 - vi. Names of any witness(es) to the discrimination;
 - vii. Detailed statement of the circumstances constituting the alleged discrimination; and

viii. Remedy requested.

2. Any student who makes an oral complaint of sex discrimination to any of the above-mentioned personnel will be provided a copy of these Administrative Regulations and will be requested to make a written complaint pursuant to the above procedure. In appropriate circumstances, such as due to the age of the student making the complaint, a parent or school administrator may be permitted to fill out the form on the student's behalf.
3. All complaints are to be forwarded immediately to the building principal or designee unless that individual is the subject of the complaint, in which case the complaint should be forwarded directly to the Superintendent of Schools or designee. In addition, a copy of any complaint filed under this Policy shall be forwarded to the Title IX Coordinator. If the complaint being filed is against the Title IX Coordinator, the complaint should be filed with the Superintendent. If the complaint being filed is against the Superintendent, the complaint should be filed with the Board Chair, who will then retain an independent investigator to investigate the matter.
4. The Title IX Coordinator or designee shall investigate all complaints of sex discrimination against a student, regardless of whether the conduct occurred on or off-school grounds. Complaints will be investigated promptly within the timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information, and other extenuating circumstances. The investigation shall be conducted discreetly, maintaining confidentiality insofar as possible while still conducting an effective and thorough investigation.
5. Any student who makes a complaint shall be notified of the District's intent to investigate the complaint. In the event the student requests confidentiality or that an investigation not be conducted, the District will take reasonable steps to investigate and respond to the complaint to the extent possible, given the request for confidentiality or that the District not investigate the complaint. If the student insists that the student's personally identifiable information not be shared with the alleged discriminator(s), the student will be informed that the District's ability to investigate and/or take corrective action may be limited.
6. Upon receipt of a sex discrimination complaint, the Title IX Coordinator shall either promptly commence an investigation of the complaint, or shall designate a school administrator to promptly investigate the complaint. The Title IX Coordinator or designee shall:
 - i. offer to meet with the complainant and respondent (if applicable) separately within ten (10) school days to discuss the nature of the complaint, identify individuals the complainant and respondent (if applicable) believe have relevant information, and obtain any relevant documents the complainant and respondent may have;
 - ii. provide the complainant and respondent (if applicable) with a copy of the Board's sex discrimination policy and accompanying regulations;

- iii. consider whether any interim measures may be appropriate to protect the complainant or respondent (if applicable), pending the outcome of the investigation;
- iv. conduct an investigation that is adequate, reliable, and impartial. Investigate the factual basis of the complaint, including, as applicable, conducting interviews with individuals deemed relevant to the complaint;
- v. consider whether alleged sex discrimination has created a hostile school environment, including consideration of the effects of off-campus conduct on the school;
- vi. communicate the outcome of the investigation in writing to the complainant, to the respondent, and to any individual properly identified as a party to the complaint (to the extent permitted by state and federal confidentiality requirements), within ninety (90) school days from the date the complaint was received by the Superintendent's office. The investigator may extend this deadline for no more than fifteen (15) additional school days if needed to complete the investigation. The complainant and respondent (if applicable) shall be notified of such extension. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the District will remedy the discrimination, adhering to the requirements of state and federal law; and
- vii. when sex discrimination has been found, take steps that are reasonably calculated to end the discrimination, take corrective and/or disciplinary action aimed at preventing the recurrence of the discrimination, as deemed

appropriate by the Superintendent or designee, and take steps to remedy the effects of the sex discrimination.

7. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the complaint. If fixed timeframes cannot be met, the complainant and respondent will receive notice and interim measures may be implemented as necessary.
8. If the complainant or respondent (if applicable) is dissatisfied with the findings of the investigation, the complainant or respondent may file a written appeal within five (5) school days to the Title IX Coordinator, or, if the Title IX Coordinator conducted the investigation, to the Superintendent of Schools. The Title IX Coordinator or Superintendent shall review the Title IX Coordinator or designee's written report, the information collected by the Title IX Coordinator or designee together with the recommended disposition of the complaint to determine whether the alleged conduct constitutes sex discrimination. The Title IX Coordinator or Superintendent of Schools may determine if further action and/or investigation is warranted. After completing this review, the Title IX Coordinator or Superintendent of Schools shall respond to the complainant and respondent (if applicable), in writing, within fifteen (15) school days following the receipt of the written request for review.

E. Miscellaneous

1. If a sex discrimination complaint raises a concern about bullying behavior, the Title IX Coordinator shall notify the Safe School Climate Specialist or designee who shall coordinate any bullying investigation with the Title IX Coordinator, to promote the alignment of any such bullying investigation with the requirements of applicable Board policies and state law. Additionally, if a sex discrimination complaint raises a concern about discrimination or harassment on the basis of any other legally protected classification (such as race, religion, color, national origin, age, or disability), the Title IX Coordinator or designee shall make a referral to other appropriate personnel within the District (e.g. Section 504 Coordinator, etc.), so as to ensure that any such investigation complies with the requirements of policies regarding nondiscrimination.
2. If the sex discrimination complaint results in reasonable cause to suspect or believe that a child has been abused or neglected, has had a nonaccidental physical injury, or injury which is at variance with the history given of such injury, is placed at imminent risk of serious harm, or that a student has been sexually assaulted by a school employee, then, the person to whom the complaint is given or who receives such information shall report such matters in accordance with the Board's policy on the Reports of Suspected Child Abuse or Neglect of Children.
3. Retaliation against any individual who complains pursuant to the Board's Policy regarding Title IX of the Education Amendments of 1972-Prohibition of Sex Discrimination and Sexual Harassment (Students) and these Administrative Regulations is strictly prohibited. Neither the District nor any other person may intimidate, threaten,

coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX or these Administrative Regulations, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under these Administrative Regulations. The District will take actions designed to prevent retaliation as a result of filing a complaint. Complaints alleging retaliation may be filed according to the grievance procedures for sex discrimination described herein.

Section III. Further Reporting

At any time, a complainant alleging sex discrimination or sexual harassment may also file a complaint with the Office for Civil Rights, Boston Office, U.S. Department of Education, 8th Floor, 5 Post Office Square, Boston, MA 02109-3921 (Telephone (617) 289-0111).

Students may also make a report of sexual harassment and/or sex discrimination to the Connecticut Commission on Human Rights and Opportunities, 450 Columbus Boulevard, Hartford, CT 06103-1835 (Telephone: 860-541-3400 or Connecticut Toll Free Number: 1-800-477-5737).

NOTICE OF SEXUAL HARASSMENT ALLEGATIONS UNDER TITLE IX
AND NOTICE OF BULLYING INVESTIGATION UNDER CONN. GEN. STAT. § 10-222d

In accordance with the Board’s Policy and Administrative Regulations Regarding Title IX of the Education Amendments of 1972 - Prohibition of Sex Discrimination and Sexual Harassment (Students), a formal complaint of sexual harassment has been filed with or signed by the Title IX Coordinator. The formal complaint shall also be considered a written report of suspected bullying under the Board’s Bullying Prevention and Intervention Policy and Connecticut General Statutes § 10-222d. As such, a bullying investigation pursuant to the foregoing policy and statute will be conducted as part of the Title IX grievance process. This notice shall serve as notification that an investigation of alleged Title IX sexual harassment and bullying has commenced. **POLICY REGARDING PROHIBITION OF SEX DISCRIMINATION
AND SEXUAL HARASSMENT IN THE WORKPLACE (PERSONNEL)**

It is the policy of the Newtown Board of Education (the “Board”) for the Newtown Public Schools (the “District”) that any form of sex discrimination or sexual harassment is prohibited in the Board’s education programs and activities, whether by students, Board employees or third parties subject to substantial control by the Board. It is the policy of the Board to maintain a working environment free from harassment, insults or intimidation on the basis of an employee's sex and free from discrimination based on sex.

The Board does not discriminate on the basis of sex in the education programs or activities that it operates and the Board is required by Title IX of the Education Amendments of 1972 and its implementing regulations (“Title IX”), Title VII of the Civil Rights Act of 1964 (“Title VII”), and Connecticut law not to discriminate in such a manner. Discrimination or harassment on the basis of sex includes discrimination or harassment on the basis of gender identity or sexual orientation. Students, Board employees and third parties are required to adhere to a standard of conduct that is respectful of the rights of all parties. Any employee or student who engages in conduct prohibited by this Policy shall be subject to disciplinary action, up to and including termination or expulsion, respectively. Third parties who engage in conduct prohibited by this Policy shall be subject to other sanctions, which may include exclusion from Board property and/or activities. Individuals who engage in acts of sex discrimination or sexual harassment may also be subject to civil and criminal penalties.

For conduct to violate Title IX, the conduct must have occurred in an education program or activity of the Board; the conduct must have occurred within the United States of America; and the complainant must be participating in or attempting to participate in the education program or activity of the Board. Conduct that does not meet these requirements still may constitute a violation of Title VII, Connecticut law, and/or another Board policy.

The Superintendent of Schools shall develop Administrative Regulations implementing this Policy and in accordance with Title IX, Title VII, and Connecticut law (the “Administrative Regulations”).

Sex discrimination occurs when an employer refuses to hire, disciplines or discharges any individual, or otherwise discriminates against an individual with respect to his or her compensation, terms, conditions, or privileges of employment on the basis of the individual’s sex. Sex discrimination also occurs when a person, because of the person’s sex, is denied participation in or the benefits of any education program or activity receiving federal financial assistance.

Sexual harassment under Title IX means conduct on the basis of sex that satisfies one or more of the following:

- (1) An employee of the Board conditioning the provision of an aid, benefit, or service of the Board on an individual's participation in unwelcome sexual conduct (*i.e.*, *quid pro quo*);
- (2) Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the Board's education programs or activities; or
- (3) "Sexual assault" as defined in 20 U.S.C. 1092(f)(6)(A)(v), "dating violence" as defined in 34 U.S.C. 12291(a)(10), "domestic violence" as defined in 34 U.S.C. 12291(a)(8), or "stalking" as defined in 34 U.S.C. 12291(a)(30).

Sexual harassment under Title VII and Connecticut law means unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

- (1) Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
- (2) Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or
- (3) Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

Reporting Sex Discrimination or Sexual Harassment

It is the express policy of the Board to encourage victims of sex discrimination and/or sexual harassment to report such claims. Employees are encouraged to report complaints of sex discrimination and/or sexual harassment promptly in accordance with the appropriate process set forth in the Administrative Regulations. The Board directs its employees to respond to such complaints in a prompt and equitable manner. Violations of this Policy by employees will not be permitted and may result in discipline up to and including discharge from employment. Individuals who engage in acts of sex discrimination or sexual harassment may also be subject to civil and criminal penalties. Retaliation against any employee for complaining about sex discrimination or sexual harassment is prohibited under this Policy and illegal under state and federal law.

Any Board employee with notice of sex discrimination and/or sexual harassment allegations shall immediately report such information to the building principal and/or

the Title IX Coordinator, or if the employee does not work in a school building, to the Title IX Coordinator.

The Newtown Public Schools administration (the “Administration”) shall provide training to Title IX Coordinator(s), investigators, decision-makers, and any person who facilitates an informal resolution process (as set forth in the Administrative Regulations), which training shall include, but need not be limited to, the definition of sex discrimination and sexual harassment, the scope of the Board’s education program and activity, how to conduct an investigation and implement the grievance process, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. The Administration shall make the training materials used to provide these trainings publicly available on the Board’s website. The Administration shall also periodically provide training to all Board employees on the topic of sex discrimination and sexual harassment under Title IX, Title VII, and Connecticut law, which shall include but not be limited to when reports of sex discrimination and/or sexual harassment must be made. The Administration shall distribute this Policy and the Administrative Regulations to employees, union representatives, students, parents and legal guardians and make the Policy and the Administrative Regulations available on the Board’s website to promote an environment free of sex discrimination and sexual harassment.

**ADMINISTRATIVE REGULATIONS REGARDING
THE PROHIBITION OF SEX DISCRIMINATION AND SEXUAL HARASSMENT
(PERSONNEL)**

It is the policy of the Newtown Board of Education (the “Board”) for the Newtown Public Schools (the “District”) that any form of sex discrimination or sexual harassment is prohibited in the Board’s education programs and activities, whether by students, Board employees or third parties subject to substantial control by the Board. Discrimination or harassment on the basis of sex includes discrimination or harassment on the basis of gender identity or sexual orientation. Students, District employees and third parties are expected to adhere to a standard of conduct that is respectful of the rights of students, District employees, and third parties. It is the policy of the Board to maintain a working environment free from harassment, insults or intimidation on the basis of an employee's sex and free from discrimination based on sex. Verbal or physical conduct by a supervisor or co-worker relating to an employee's sex that has the effect of creating an intimidating, hostile or offensive work environment, unreasonably interfering with the employee's work performance, or adversely affecting the employee's employment opportunities is prohibited.

Any employee or student who engages in conduct prohibited by the Board’s Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) shall be subject to disciplinary action. Any third party who engages in conduct prohibited by the Board’s Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) shall be subject to remedial measures, which may include exclusion from school property.

Sex discrimination occurs when a person, because of the person’s sex, is denied participation in or the benefits of any education program or activity receiving federal financial assistance.

Sexual harassment under Title IX means conduct on the basis of sex that satisfies one or more of the following:

- (1) An employee of the Board conditioning the provision of an aid, benefit, or service of the Board on an individual’s participation in unwelcome sexual conduct (i.e., *quid pro quo*);
- (2) Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District’s education programs or activities; or
- (3) “Sexual assault” as defined in 20 U.S.C. 1092(f)(6)(A)(v), “dating violence” as defined in 34 U.S.C. 12291(a)(10), “domestic violence” as defined in 34 U.S.C. 12291(a)(8), or “stalking” as defined in 34 U.S.C. 12291(a)(30). These definitions can be found in Appendix A of these Administrative Regulations.

Sexual harassment under Title VII and Connecticut law means unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

- (1) Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
- (2) Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or
- (3) Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

Although not an exhaustive list, the following are other examples of conduct prohibited by the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel):

1. Unwelcome sexual advances from a co-worker or supervisor, such as unwanted hugs, touches, or kisses;
2. Unwelcome attention of a sexual nature, such as degrading, suggestive or lewd remarks or noises;
3. Dirty jokes, derogatory or pornographic posters, cartoons or drawings;
4. The threat or suggestion that continued employment advancement, assignment or earnings depend on whether or not the employee will submit to or tolerate harassment;
5. Circulating, showing, or exchanging emails, text messages, digital images or websites of a sexual nature;
6. Using computer systems, including email, instant messaging, text messaging, blogging or the use of social networking websites, or other forms of electronic communications, to engage in any conduct prohibited by the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel).

NOTICE OF THE TITLE IX COORDINATOR

The District's Title IX Coordinator is

Frank Purcaro
Assistant Superintendent
3 Primrose Street Newtown, CT 06470
Telephone: 203-426-7617
purcarof@newtown.k12.ct.us

Any District employee in receipt of allegations of sex discrimination or sexual harassment, or in receipt of a formal complaint, shall immediately forward such information to the Title IX Coordinator. The Title IX Coordinator manages the District's compliance with Title IX, Title VII and Connecticut law with respect to sexual harassment and/or sex discrimination and is an available resource to anyone seeking information or wishing to file a formal complaint of same. When a student, District employee, or other participant in the District's programs and activities feels that such person has been subjected to discrimination on the basis of sex in any District program or activity, including without limitation being subjected to sexual harassment, such person may contact the Title IX Coordinator or utilize the Title IX, Title VII and Connecticut law grievance systems set forth herein to bring concerns forward for the purpose of obtaining a prompt and equitable resolution.

EXPLANATION OF COMPLAINT PROCESS AND PROCEDURE

The federal regulations implementing Title IX require the adoption and publication of two separate grievance systems: a grievance process for complaints of sex discrimination involving allegations of sexual harassment and grievance procedures for complaints of sex discrimination that are not sexual harassment. Accordingly, the Administration will process any complaints of sex discrimination involving allegations of sexual harassment, as defined above, pursuant to the **grievance process** set forth in Section I of these regulations. The Administration will process any complaints of sex discrimination that are not sexual harassment pursuant to the **grievance procedures** set forth in Section II of these regulations.

The District will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act (FERPA), or as required by law, or to carry out the purposes of these Administrative Regulations, including the conduct of any investigation, hearing, or judicial proceeding arising from these Administrative Regulations.

The obligation to comply with Title IX is not obviated or alleviated by the FERPA.

SECTION I. GRIEVANCE PROCESS FOR COMPLAINTS OF SEXUAL HARASSMENT UNDER TITLE IX

A. Definitions

- **Bias** occurs when it is proven that the Title IX Coordinator, investigator(s), and/or decision-maker(s) demonstrate actual bias, rather than the appearance of bias. Actual bias includes, but is not limited to, demonstrated personal animus against the respondent or the complainant and/or prejudgment of the facts at issue in the investigation.

- **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.
- A **conflict of interest** occurs when it is proven that the Title IX Coordinator, investigator(s), and/or decision-maker(s) have personal, financial and/or familial interests that affected the outcome of the investigation.
- **Consent** means an active, clear and voluntary agreement by a person to engage in sexual activity with another person (also referred to hereafter as “affirmative consent”).

For the purposes of an investigation conducted pursuant to these Administrative Regulations, the following principles shall be applied in determining whether consent for sexual activity was given and/or sustained:

- A. Affirmative consent is the standard used in determining whether consent to engage in sexual activity was given by all persons who engaged in the sexual activity.
 - B. Affirmative consent may be revoked at any time during the sexual activity by any person engaged in the sexual activity.
 - C. It is the responsibility of each person engaging in sexual activity to ensure that the person has the affirmative consent of all persons engaged in the sexual activity to engage in the sexual activity and that the affirmative consent is sustained throughout the sexual activity.
 - D. It shall not be a valid excuse to an alleged lack of affirmative consent that the respondent to the alleged violation believed that the complainant consented to the sexual activity:
 - (i) because the respondent was intoxicated or reckless or failed to take reasonable steps to ascertain whether the complainant affirmatively consented, or
 - (ii) if the respondent knew or should have known that the complainant was unable to consent because such individual was unconscious, asleep, unable to communicate due to a mental or physical condition, unable to consent due to the age of the individual or the age difference between the individual and the respondent, or incapacitated due to the influence of drugs, alcohol or medication.
 - E. The existence of a past or current dating or sexual relationship between the complainant and the respondent, in and of itself, shall not be determinative of a finding of consent.
- For purposes of investigations and complaints of sexual harassment, **education program or activity** includes locations, events, or circumstances over which the Board exercises substantial control over both the respondent and the context in which the sexual harassment occurs.

- **Employee** means (A) a teacher, substitute teacher, school administrator, school superintendent, guidance counselor, school counselor, psychologist, social worker, nurse, physician, school paraprofessional or coach employed by the Board or working in a public elementary, middle or high school; or (B) any other individual who, in the performance of the individual’s duties, has regular contact with students and who provides services to or on behalf of students enrolled in a public elementary, middle or high school, pursuant to a contract with the Board.
- **Formal complaint** means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment (as defined under Title IX) against a respondent and requesting that the Administration investigate the allegation of sexual harassment. A “document filed by a complainant” means a document or electronic submission that contains the complainant’s physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint.
- **Respondent** means an individual who has been alleged to be the perpetrator of conduct that could constitute sexual harassment.
- **School days** means the days that school is in session as designated on the calendar posted on the Board’s website. In its discretion, and when equitably applied and with proper notice to the parties, the District may consider business days during the summer recess as “school days” if such designation facilitates the prompt resolution of the grievance process.
- **Supportive measures** means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the District’s education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District’s educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, mutual restrictions on contact between the parties, increased security and monitoring, and other similar measures.

B. Reporting Sexual Harassment

1. It is the express policy of the Board to encourage victims of sexual harassment to report such claims. Any person may report sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sexual harassment), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator. If the District receives notice of sexual harassment or alleged sexual harassment against a person in the District’s education program or activity, the Title IX Coordinator will promptly contact the complainant to discuss the availability of supportive measures, whether or not the complainant files a formal complaint, and will consider the complainant’s wishes with

respect to such measures. If the complainant has yet to file a formal complaint, the Title IX Coordinator will explain to the complainant the process for doing so.

2. The District will treat complainants and respondents equitably. A respondent is presumed not responsible for the alleged conduct and a determination regarding responsibility will be made at the conclusion of the grievance process if a formal complaint is filed. Nothing in these Administrative Regulations shall preclude the District from placing an employee respondent on administrative leave during the pendency of the grievance process. Further, nothing in these Administrative Regulations shall limit or preclude the District from removing a respondent from the District's education program or activity on an emergency basis, provided that the District undertakes an individualized safety and risk analysis, and determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal. If a respondent is removed on an emergency basis, the District shall provide the respondent with notice and an opportunity to challenge the decision immediately following the removal.

C. Formal Complaint and Grievance Process

1. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information listed for the Title IX Coordinator. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the District's education programs or activity. A formal complaint may be signed by the Title IX Coordinator. If the formal complaint being filed is against the Title IX Coordinator, the formal complaint should be filed with the Superintendent. If the formal complaint being filed is against the Superintendent, the formal complaint should be filed with the Board Chair, who will then retain an independent investigator to investigate the matter.
2. The District may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. If possible, formal complaints should be filed within ten (10) school days of the alleged occurrence in order to facilitate the prompt and equitable resolution of such claims. The District will attempt to complete the formal grievance process within ninety (90) school days of receiving a formal complaint. This timeframe may be temporarily delayed or extended in accordance with Subsection G of this Section.
3. Upon receipt of a formal complaint, if the Title IX Coordinator has not already discussed the availability of supportive measures with the complainant, the Title IX Coordinator will promptly contact the complainant to discuss the availability of such measures and consider the complainant's wishes with respect to them. The Title IX Coordinator or designee may also contact the respondent, separately from the complainant, to discuss the availability of supportive measures for the respondent. The District will maintain as confidential any supportive measures provided to the

complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the District to provide such supportive measures.

4. Within ten (10) school days of receiving a formal complaint, the District will provide the known parties with written notice of the allegations potentially constituting sexual harassment under Title IX and a copy of this grievance process. The written notice must also include the following:
 - i. The identities of the parties involved in the incident, if known;
 - ii. The conduct allegedly constituting sexual harassment as defined above;
 - iii. The date and the location of the alleged incident, if known;
 - iv. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process;
 - v. A statement that the parties may have an advisor of their choice, who may be, but is not required to be, an attorney, and may inspect and review evidence; and
 - vi. A statement of any provision in the District's policies that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

If, in the course of an investigation, the District decides to investigate allegations about the complainant or respondent that are not included in the written notice, the District must provide notice of the additional allegations to the parties whose identities are known.

5. The parties may have an advisor of their choice accompany them during any grievance proceeding at which the party's attendance is required. The District may, in its discretion, establish certain restrictions regarding the extent to which an advisor may participate in the proceedings. If any such restrictions are established, they will be applied equally to all parties.
6. The Title IX Coordinator will, as applicable, promptly commence an investigation of the formal complaint, designate a school administrator to promptly investigate the formal complaint, or dismiss the formal complaint in accordance with Subsection F of this Section. The standard of evidence to be used to determine responsibility is the preponderance of the evidence standard (i.e., more likely than not). The burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the District and not on the parties.
7. The parties will be given an equal opportunity to discuss the allegations under investigation with the investigator(s) and are permitted to gather and present relevant evidence. This opportunity includes presenting witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence. Credibility determinations will not be based on a person's status as a complainant, respondent, or witness. The District will provide to a party whose participation is invited or expected (including a

witness) written notice of the date, time, location, participants, and purpose of all hearings (if applicable), investigative interviews, or other meetings, with sufficient time for the party to prepare to participate.

8. Both parties will be given an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint, including the evidence upon which the District does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation. Prior to completion of the investigative report, the District will send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties will have ten (10) school days to submit a written response, which the investigator(s) will consider prior to completion of the investigative report, as described in Paragraph 9 of this Subsection.
9. The investigator(s) will create an investigative report that fairly summarizes relevant evidence. The investigator(s) will send the investigative report, in an electronic format or hard copy, to each party and to each party's advisor for their review and written response at least ten (10) school days prior to the time a determination regarding responsibility is made.
10. The Superintendent will appoint a decision-maker(s), who shall be a District employee or third-party contractor and who shall be someone other than the Title IX Coordinator or investigator(s). If the formal complaint filed is against the Superintendent, the Board Chair shall appoint the decision-maker, who shall be someone other than the Title IX Coordinator or investigator(s). The investigator(s) and the decision-maker(s) shall not discuss the investigation's facts and/or determination while the formal complaint is pending. The decision-maker(s) will afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) will explain to the party proposing the questions any decisions to exclude a question as not relevant.
11. The decision-maker(s) will issue a written determination regarding responsibility. To reach this determination, the decision-maker must apply the preponderance of the evidence standard. The written determination will include: (1) identification of the allegations potentially constituting sexual harassment; (2) a description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held; (3) findings of fact supporting the

determination; (4) conclusions regarding the application of the District's code of conduct to the facts; (5) a statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the District will impose on the respondent, and whether remedies designed to restore or preserve equal access to the District's education program or activity will be provided by the District to the complainant; and (6) the District's procedures and permissible bases for the complainant and respondent to appeal. If the respondent is found responsible for violating the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel), the written determination shall indicate whether the respondent engaged in sexual harassment as defined by the Board's Policy and these Administrative Regulations. The written determination will be provided to both parties simultaneously.

12. Student respondents found responsible for violating the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) may be subject to discipline up to and including expulsion. Employee respondents found responsible for violating the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) may be subject to discipline up to and including termination of employment. Other respondents may be subject to exclusion from the District's programs, activities and/or property. In appropriate circumstances, the District may make a criminal referral. Remedies will be designed to restore or preserve equal access to the District's education programs or activities.
13. After receiving notification of the decision-maker(s)' decision, or after receiving notification that the District dismissed a formal complaint or any allegation therein, both complainant and respondent may avail themselves of the appeal process set forth in Section E of this Section.

D. Informal Resolution

At any time prior to reaching a determination regarding responsibility, but only after the filing of a formal complaint, the District may suggest to the parties the possibility of facilitating an informal resolution process, such as mediation, to resolve the formal complaint without the need for a full investigation and adjudication. If it is determined that an informal resolution may be appropriate, the Title IX Coordinator or designee will consult with the parties.

Prior to facilitating an informal resolution to a formal complaint, the Title IX Coordinator or designee will provide the parties with written notice disclosing the sexual harassment allegations, the requirements of an informal resolution process, and any consequences from participating in the informal resolution process. Upon receipt of this document, complainants and respondents have five (5) school days to determine whether they consent to participation in the informal resolution. The District must obtain voluntary, written consent to the informal resolution process from both parties.

Prior to agreeing to any resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint. If a satisfactory resolution is reached through this informal process, the matter will be considered resolved. If these efforts are unsuccessful, the formal grievance process will continue.

Nothing in this section precludes an employee from filing a complaint of retaliation for matters related to an informal resolution, nor does it preclude either party from filing complaints based on conduct that is alleged to occur following the District's facilitation of the informal resolution.

An informal resolution is not permitted to resolve allegations that an employee sexually harassed a student.

E. Appeal Process

After receiving notification of the decision-maker(s)' decision, or after receiving notification that the District dismissed a formal complaint or any allegation therein, both complainant and respondent have five (5) school days to submit a formal letter of appeal to the Title IX Coordinator specifying the grounds upon which the appeal is based. Upon receipt of an appeal, the Superintendent shall appoint a decision-maker(s) for the appeal, who shall be someone other than the Title IX Coordinator, investigator(s) or initial decision-maker(s).

Appeals will be appropriate only in the following circumstances:

- new evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter;
- procedural irregularity that affected the outcome of the matter;
- the Title IX Coordinator, investigator(s), and/or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter. A conflict of interest or bias does not exist solely because the Title IX Coordinator, investigators(s), and/or decision-maker(s) previously worked with or disciplined the complainant or respondent.

The District will provide the other party with written notice of such appeal. The appealing party will then have ten (10) school days to submit to the decision-maker(s) for the appeal a written statement in support of, or challenging, the outcome of the grievance process. The decision-maker(s) for the appeal will provide the appealing party's written statement to the other party. The other party will then have ten (10) school days to submit to the decision-maker for the appeal a written statement in support of, or challenging, the outcome of the grievance process. The decision-maker(s) for the appeal, in their discretion, will determine any additional necessary and appropriate procedures for the appeal.

After considering the parties' written statements, the decision-maker(s) for the appeal will provide a written decision. The decision-maker(s) for the appeal will attempt to issue the written decision within thirty (30) school days of receipt of all written statements from the parties. If it is found that one of the bases for appeal exists, the decision-maker(s) for the appeal will issue an appropriate remedy.

Supportive measures for either or both parties may be continued throughout the appeal process.

F. Dismissal of a Formal Complaint

The Title IX Coordinator shall dismiss any formal complaint that, under Title IX, 1) would not constitute sexual harassment as defined under Title IX even if proved, 2) did not occur in the District's education program or activity, or 3) did not occur against a person in the United States. Such dismissal does not preclude action under another Board policy.

The District may dismiss a formal complaint or any allegations therein, if at any time during the investigation or hearing: 1) a complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein; 2) the respondent is no longer enrolled or employed in the District; or 3) specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon a dismissal, the District will promptly and simultaneously send written notice of the dismissal and reason(s) therefor to each party. Either party can appeal from the District's dismissal of a formal complaint or any allegations therein using the appeals procedure.

In the event a formal complaint is dismissed prior to the issuance of a decision under Title IX, the Title IX Coordinator shall determine if the allegations of sexual harassment shall proceed through the grievance procedures identified in Section II of these Administrative Regulations for claims of sex discrimination for consideration as to whether the allegations constitute sexual harassment under Title VII or Connecticut law.

A dismissal pursuant to this section does not preclude action by the District under the Student Discipline policy, Code of Conduct for students/or and employees, or any other applicable rule, policy, and/or collective bargaining agreement.

G. Miscellaneous

1. Any timeframe set forth in these Administrative Regulations may be temporarily delayed or extended for good cause. Good cause may include, but is not limited to, considerations such as the absence or illness of a party, a party's advisor, or a witness; concurrent law enforcement activity; concurrent activity by the Department of Children and Families; or the need for language assistance or accommodation of disabilities. If any timeframe is altered on a showing of good cause, written notice will be provided to each party with the reasons for the action.
2. If a sexual harassment complaint raises a concern about discrimination or harassment on the basis of any other legally protected classification (such as race, religion, color, national origin, age, or disability), the Title IX Coordinator or designee shall make a referral to other appropriate personnel within the District (e.g. Section 504 Coordinator, etc.), so as to ensure that any such investigation complies with the requirements of policies regarding nondiscrimination.
3. If the sexual harassment complaint results in reasonable cause to suspect or believe that a child has been abused or neglected, has had a nonaccidental physical injury, or injury which is at variance with the history given of such injury, is placed at imminent risk of

serious harm, or that a student has been sexually assaulted by a school employee, then, the person to whom the complaint is given or who receives such information shall report such matters in accordance with the Board's policy on the Reports of Suspected Child Abuse or Neglect of Children.

4. Retaliation against any individual who complains pursuant to the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) and these Administrative Regulations is strictly prohibited. Neither the District nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX or these Administrative Regulations, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under these Administrative Regulations. The District will take actions designed to prevent retaliation. Complaints alleging retaliation may be filed according to the grievance procedures for sex discrimination described herein.
5. The District will maintain for a period of seven (7) years records of:
 - i. Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to the Board's education program or activity;
 - ii. Any appeal and the result therefrom;
 - iii. Any informal resolution and the result therefrom; and
 - iv. All material used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. The Board will make these training materials publicly available on its website.

If the District has actual knowledge of sexual harassment in an education program or activity of the Board, and for any report or formal complaint of sexual harassment, the District will create and maintain for a period of seven (7) years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. The District will document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the Board's education program or activity. If the District does not provide a complainant with supportive measures, then the District will document the reasons why such a response was not clearly unreasonable in light of the known circumstances.

SECTION II. GRIEVANCE PROCEDURES FOR CLAIMS OF SEX DISCRIMINATION (OTHER THAN SEXUAL HARASSMENT UNDER TITLE IX)

A. Definitions

- **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sex discrimination.

- **Respondent** means an individual who has been reported to be the perpetrator of conduct that could constitute sex discrimination.

B. Reporting Sex Discrimination Other than Sexual Harassment under Title IX

It is the express policy of the Board to encourage victims of sex discrimination to report such claims. Any person may report sex discrimination (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator. If the District receives notice of sex discrimination or alleged sex discrimination against a person in the District's education program or activity, the Title IX Coordinator or designee will promptly notify the complainant of the grievance process. The District will treat complainants and respondents equitably during the grievance process. Sexual harassment is a form of sex discrimination, and any incident of sexual harassment under Title IX, as defined above, shall be handled pursuant to Section I of these Administrative Regulations. Any allegations of sexual harassment under Title VII or Connecticut law, as defined above, shall be handled pursuant to this Section II of these Administrative Regulations.

C. Grievance Procedures

1. As soon as an employee feels that the employee has been subjected to sex discrimination other than sexual harassment as defined under Title IX (including, without limitation, sexual harassment under Title VII or Connecticut law), the employee should make a written complaint to the Title IX Coordinator or to the building principal, or designee. The employee will be provided a copy of the Board's Policy and Administrative Regulations and made aware of the employee's rights under this Policy and Administrative Regulations. Preferably, complaints should be filed within ten (10) school days of the alleged occurrence. Timely reporting of complaints facilitates the investigation and resolution of such complaints.
2. The complaint should state the:
 - i. Name of the complainant;
 - ii. Date of the complaint;
 - iii. Date(s) of the alleged discrimination;
 - iv. Name(s) of the discriminator(s);
 - v. Location where such discrimination occurred;
 - vi. Names of any witness(es) to the discrimination;
 - vii. Detailed statement of the circumstances constituting the alleged discrimination; and
 - viii. Remedy requested.
3. Any employee who makes an oral complaint of sex discrimination to any of the above-mentioned personnel will be provided a copy of these Administrative Regulations and will be requested to make a written complaint pursuant to the above procedure.

4. All complaints are to be forwarded immediately to the building principal or designee unless that individual is the subject of the complaint, in which case the complaint should be forwarded directly to the Superintendent of Schools or designee. In addition, a copy of any complaint filed under this Policy shall be forwarded to the Title IX Coordinator. If the complaint being filed is against the Title IX Coordinator, the complaint should be filed with the Superintendent. If the complaint being filed is against the Superintendent, the complaint should be filed with the Board Chair, who will then retain an independent investigator to investigate the matter.
5. The Title IX Coordinator or designee shall investigate all complaints of sex discrimination against an employee, regardless of whether the conduct occurred on or off-school grounds. Complaints will be investigated promptly within the timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information, and other extenuating circumstances. The investigation shall be conducted discreetly, maintaining confidentiality insofar as possible while still conducting an effective and thorough investigation.
6. Any employee who makes a complaint shall be notified of the District's intent to investigate the complaint. In the event the employee requests confidentiality or that an investigation not be conducted, the District will take reasonable steps to investigate and respond to the complaint to the extent possible, given the request for confidentiality or that the District not investigate the complaint. If the employee insists that this information not be shared with the alleged discriminator(s), the employee will be informed that the District's ability to investigate and/or take corrective action may be limited.
7. Upon receipt of a sex discrimination complaint, the Title IX Coordinator shall either promptly commence an investigation of the complaint, or shall designate a school administrator to promptly investigate the complaint. The Title IX Coordinator or designee shall:
 - i. offer to meet with the complainant and respondent (if applicable) separately within ten (10) school days to discuss the nature of the complaint, identify individuals the complainant and respondent (if applicable) believe have relevant information, and obtain any relevant documents the complainant and respondent may have;
 - ii. provide the complainant and respondent (if applicable) with a copy of the Board's sex discrimination policy and accompanying regulations;
 - iii. consider whether any interim measures may be appropriate to protect the complainant or respondent (if applicable), pending the outcome of the investigation;
 - iv. conduct an investigation that is adequate, reliable, and impartial. Investigate the factual basis of the complaint, including, as applicable, conducting interviews with individuals deemed relevant to the complaint;

- v. consider whether alleged sex discrimination has created a hostile work environment, including consideration of the effects of off-campus conduct on the school;
 - vi. communicate the outcome of the investigation in writing to the complainant, to the respondent, and to any individual properly identified as a party to the complaint (to the extent permitted by state and federal confidentiality requirements), within ninety (90) school days from the date the complaint was received by the Superintendent's office. The investigator may extend this deadline for no more than fifteen (15) additional school days if needed to complete the investigation. The complainant and respondent (if applicable) shall be notified of such extension. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the District will remedy the discrimination, adhering to the requirements of state and federal law; and
 - vii. when sex discrimination has been found, take steps that are reasonably calculated to end the discrimination, take corrective and/or disciplinary action aimed at preventing the recurrence of the discrimination, as deemed appropriate by the Superintendent or designee, and take steps to remedy the effects of the sex discrimination.
8. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the complaint. If fixed timeframes cannot be met, the complainant and respondent will receive notice and interim measures may be implemented as necessary.
 9. If the complainant or respondent (if applicable) is dissatisfied with the findings of the investigation, the complainant or respondent may file a written appeal within five (5) school days to the Title IX Coordinator, or, if the Title IX Coordinator conducted the investigation, to the Superintendent of Schools. The Title IX Coordinator or Superintendent shall review the Title IX Coordinator or designee's written report, the information collected by the Title IX Coordinator or designee together with the recommended disposition of the complaint to determine whether the alleged conduct constitutes sex discrimination. The Title IX Coordinator or Superintendent of Schools may determine if further action and/or investigation is warranted. After completing this review, the Title IX Coordinator or Superintendent of Schools shall respond to the complainant and respondent (if applicable), in writing, within fifteen (15) school days following the receipt of the written request for review.

D. Miscellaneous

1. If a sex discrimination complaint raises a concern about discrimination or harassment on the basis of any other legally protected classification (such as race, religion, color, national origin, age, or disability), the Title IX Coordinator or designee shall make a referral to other appropriate personnel within the District (e.g. Section 504 Coordinator,

etc.), so as to ensure that any such investigation complies with the requirements of policies regarding nondiscrimination.

2. If the sex discrimination complaint results in reasonable cause to suspect or believe that a child has been abused or neglected, has had a nonaccidental physical injury, or injury which is at variance with the history given of such injury, is placed at imminent risk of serious harm, or that a student has been sexually assaulted by a school employee, then, the person to whom the complaint is given or who receives such information shall report such matters in accordance with the Board's policy on the Reports of Suspected Child Abuse or Neglect of Children.
3. Retaliation against any individual who complains pursuant to the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) and these Administrative Regulations is strictly prohibited. Neither the District nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX or these Administrative Regulations, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under these Administrative Regulations. The District will take actions designed to prevent retaliation as a result of filing a complaint. Complaints alleging retaliation may be filed according to the grievance procedures for sex discrimination described herein.

Section III. Further Reporting

At any time, a complainant alleging sex discrimination or sexual harassment may also file a complaint with the Office for Civil Rights, Boston Office, U.S. Department of Education, 8th Floor, 5 Post Office Square, Boston, MA 02109-3921 (Telephone (617) 289-0111).

**POLICY AND ADMINISTRATIVE REGULATIONS REGARDING
NON-DISCRIMINATION (COMMUNITY MEMBERS)**

Protected Class Discrimination Prohibited:

It is the policy of the Newtown Board of Education (the “Board”) that any form of discrimination or harassment on the basis of race, religion, color, national origin, ancestry, alienage, sex, sexual orientation, marital status, age, disability, pregnancy, gender identity or expression, veteran status, status as a victim of domestic violence, or any other basis prohibited by state or federal law (“Protected Class”) is prohibited in the Newtown Public Schools (the “District”), whether by students, Board employees, Board members or third parties subject to the control of the Board, subject to the conditions and limitations established by law. The Board’s prohibition of discrimination or harassment in its educational programs or activities expressly extends to academic, nonacademic and extracurricular activities, including athletics, school-sponsored activities, as well as the District website. When the Board has created a limited public forum, the Board shall provide equal access to the Boy Scouts and other groups as required by law.

Retaliation Prohibited:

The Board further prohibits reprisal or retaliation against any individual who reports incidents in good faith that may be a violation of this policy, or who participates in the investigation of such reports.

Discrimination on the Basis of Protected Class Association Prohibited:

Discrimination and/or harassment against any individual on the basis of that individual’s association with someone in a Protected Class may also be considered a form of Protected Class discrimination and/or harassment, and is therefore prohibited by this policy.

Scope and Applicability:

Students, Board employees, Board members and community members (e.g., other individuals affiliated with the District, accessing or seeking access to District facilities) are expected to adhere to a standard of conduct that is respectful of the rights of all members of the school community.

Definitions:

The following definitions apply for purposes of this policy:

A. **Discrimination:** Discrimination in violation of this policy occurs when an individual is denied participation in, or the benefits of, a program or activity of the Board because of such individual's actual or perceived membership in a Protected Class.

B. **Harassment:** Harassment is a form of Protected Class discrimination that is prohibited by law and by this policy. Harassment constitutes unlawful discrimination when it creates a hostile environment, which occurs when the harassment is sufficiently severe, pervasive, or persistent so as to interfere with or limit an individual's ability to participate in or benefit from the services, activities, or opportunities offered by the District.

The following non-exhaustive list provides examples of the types of prohibited conduct that may be considered Protected Class harassment that can lead to a hostile environment:

- objectively offensive racial, ethnic, or religious epithets (or epithets commonly associated with any Protected Class membership, including but not limited to epithets relating to sex, sexual orientation, and/or gender identity or expression);
- other words or phrases considered demeaning or degrading on the basis of Protected Class membership;
- display of images or symbols commonly associated with discrimination against individuals on the basis of their membership in a Protected Class;
- graphic, written or electronic communications that are harmful or humiliating based on Protected Class membership;
- bigoted conduct or communications; or
- physical, written, electronic or verbal threats based on Protected Class membership.

Harassment does not have to involve intent to harm, be directed toward a specific person, or involve repeated incidents.

Sexual harassment is a form of harassment that is prohibited by law and Board policy. For more information regarding harassment based on sex, sexual orientation, pregnancy, or gender identity or expression, contact the District's Title IX Coordinator at:

If an individual is unable to make a written complaint, the employee receiving the oral complaint will either reduce the complaint to writing, assist the individual with completing the written complaint form, or request the assistance of a District administrator to do so.

All complaints received by employees are to be forwarded immediately to the Superintendent or designee. Upon receipt of a complaint alleging discrimination or harassment of a community member (e.g., an individual affiliated with the District, accessing or seeking access to District facilities who is not a student or an employee) under this complaint procedure, the Superintendent shall promptly investigate the complaint, or designate a District administrator or other trained individual to do so. During the course of the investigation, the investigator shall interview or consult with all individuals reasonably believed to have relevant information, including the complainant, the reporter (if different from the complainant), the respondent and any witnesses to the conduct. Complaints will be investigated promptly within the timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information and/or other extenuating circumstances. Upon receipt of a written complaint of discrimination or harassment of a community member, the investigator should:

7. The complainant and respondent (if any) shall be notified of any extension of the investigation timeline. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the District will remedy the discrimination or harassment, adhering to the requirements of state and federal law;

Such action may include consultation with the investigator(s) and the parties, a meeting with appropriate individuals to attempt to resolve the complaint, or a decision affirming or overruling the written outcome. Generally, a party's disagreement with the outcome of the investigation, alone, will not be basis for further action. The decisionmaker(s) for the appeal will attempt to issue written notice of the outcome of the appeal to the parties within thirty (30) school days of receipt of all written statements from the parties.

Such steps may include retention of an investigator different from the investigator who investigated the complaint.
