The meeting will now be opened to receive public comment. We value the time and initiative members of the public take to share their thoughts with the Board. The Board's role during public comment is not to immediately respond, but to listen. If there is follow-up necessary, we will direct our Superintendent to do

so. Remember that we all model the way for our students, and we ask that everyone share their thoughts respectfully. Should any public comment include complaints regarding a personally identifiable District staff member, the Board chair will direct the speaker to the proper administrative process found in Board policy KL which can be found on the table near the entrance of the room and on the District's website. When called on please state your name and relationship to the District. Please note that speakers will have three minutes to express their thoughts. There is a maximum of 30 minutes' total discussion, for any given item.

Abuse of a Child Investigations Conducted on District Premises

The Department of Human Services (DHS) or a law enforcement agency has the authority to conduct an investigation of a report of child abuse on school premises according to Oregon Revised Statute (ORS) 419B.045. The school administrator must be notified that the investigation is to take place, unless the administrator is a subject of the investigation. The investigator is not required to reveal information about the investigation to the school as a condition of conducting the investigation.

After the investigator provides adequate identification, school staff shall allow access to the child and provide a private space for conducting the interview. The investigator shall be advised by a school administrator or a school staff member of a child's relevant disabling conditions, if any, prior to any interview with the child. The school administrator or designee may, at the investigator's discretion, be present to facilitate the investigation.

Scio School District

Code: LBEA

Adopted:

~~Resident Student~~ Denial for Virtual Public Charter School ~~Attendance~~ Student Enrollment**

{Conditionally required. This policy is required if the district plans to deny enrollment of a student to a virtual public charter school. OAR 581-026-0305 (8)}

The district is not required to approve a transfer of a resident student, when more than three percent of the students residing in the district are attending a virtual public charter school not sponsored by the district. The district will ~~trise~~semiannually, by {October 1, February 1 and April 1}, calculate the percentage of students residing in the district, who are attending a virtual public charter school not sponsored by the district. When the ~~established~~ calculated percentage is more than three percent, the district will not approve ~~additional~~ a student's enrollment to such a virtual public charter school.

A parent¹ must give notice to the district ~~in which the parent resides of their intent to enroll their student in a virtual public charter school not sponsored by the district, before enrolling their student in such a school and notice of actual enrollment.~~ If the calculated percentage is three percent or less, or the district sponsors the desired virtual public charter school, the district will issue a notice of approval or choose not to respond.

~~If the district is not approving the enrollment, the district must respond with a decision to not give approval within 10 calendar days of receipt of the notice of intent from the parent. Such decision~~ If the calculated percentage is more than three percent and the desired virtual public charter school is not sponsored by the district, the district will issue a denial notice² within 10 calendar days of receiving notice from a parent and must include:

1. The notice the student is denied for enrollment to the virtual public charter school;
2. The percentage of students in the district that attend virtual public charter schools that are not sponsored by the district, based on the most recent calculations at the time the intent to enroll was received by the district;
3. ~~The right to appeal the decision to the State Board of Education;~~
- 4.3. A list of two or more other online options available to the student; and
- 5.4. A copy of OAR 581-026-0305 and OAR 581-026-0310.

When calculating the percentage, ~~if~~ the district is only required to use data that is reasonably available to the district, including but not limited to the following for such calculation:

¹ "Parent" means parent, legal guardian or person in parental relationship as defined in ORS 339.133.

² If a parent does not receive a notice of approval or disapproval from the district within 10 days of sending the notice of intent to enroll to the district, the student shall be deemed approved for enrollment by the district. (OAR 581-026-0305 (4))

1. The number of students residing in the district enrolled in the schools within the district;
2. The number of students residing in the district enrolled in virtual and non-virtual public charter schools located in the district;
3. The number of students residing in the district enrolled in virtual public charter schools not sponsored by the district;
4. The number of home-schooled students who reside residing in the district and who have registered with the an educational service district; and
5. The number of students who reside residing in the district enrolled in private schools located within the school district.

A parent may appeal a decision of the district's to not approve a denial for student enrollment to a virtual public charter school to the State Board of Education under OAR 581-026-0310.

If the student was enrolled in a virtual public charter school while living in another district and has maintained continuous enrollment in such school since moving into, and residing in this district, approval is not required.
