RE: Deregulation for OAC 210:35-9-71

To Whom It May Concern,

I am writing to request a deregulation for OAC 210:35-9-71. This request is necessary due to the continued financial hardships of both the State of Oklahoma and Noble Public Schools. For the past four school years, the district has been sharing a full-time librarian across Curtis Inge Middle School and Noble High School. For the 2021-2022 school year, Noble has hired a full-time librarian for Noble High School. In order to help offset the cost of hiring a full-time librarian, we are requesting to not hire a half-time library assistant. This decision will allow us to offer more high-quality library media services and programs to our students and teachers, while assisting us to maintain class sizes at an appropriate level. Upon conclusion of the 2021-2022 school year, library services, along with financial stability will be evaluated to determine the need for this request for subsequent school years. Thank you for your time and consideration.

Respectfully,

Frank Solomon

STATUTORY WAIVER/DEREGULATION APPLICATION INSTRUCTIONS

(Oklahoma Deregulation Act, 70 O.S. § 3-124, et seq.)

Accreditation Standards Division

2500 North Lincoln Boulevard, Suite 210 • Oklahoma City, Oklahoma 73105-4599

Statutory Waivers/Deregulations for the next year will be accepted from April 1 through October 1, with the following exceptions:

- Resignation of staff causing changes in library media service requirements after October 1.

Other waivers/deregulations such as teachers attending school to obtain library media specialist certificates, alternative school abbreviated days, and waivers of alternative school coop agreements, should all be decided and applied for by October 1st of the current school year.

(For submission of a Statutory Waiver/Deregulation after October 1, call Accreditation, (405) 521-3335.)

NOTE: Beginning July 1, 2018, waivers and deregulations can be requested for three years. (Library Media Specialist Certificate Exemption must provide proof of enrollment for the applicant every year. Library Media Services must provide a schedule of operation every year.)

If you need technical assistance, please discuss the application with the Accreditation Division, (405) 521-3335.

Preparing the Statutory Waiver/Deregulation

- 1 **Submit a cover letter on school letterhead**, with the superintendent's signature, with a brief explanation of the request for a statutory waiver/deregulation.
- 2 Complete entire cover page.
 - Original signatures of the Superintendent, Principals, Board President and notary with a stamp/seal are required.
 - Cite the statute/OAC number in Title 70 or the Oklahoma Administrative Code to be waived (See below).
 - **The questionnaire following the cover sheet must be answered in order to process the application.**
 - **For Library Media Specialist** (teacher obtaining their LMS degree & certification), the teacher affected must include a letter of their intent to obtain the degree/certificate and proof of their enrollment in classes at a qualified university/college for the area of study.
 - **For adjunct teacher waivers:** Application must include board minutes approving the teacher as an adjunct (For those teaching more than three hours per day, 270 hours per semester).
 - **For abbreviated day deregulation:** Application must include a schedule of hours of instruction and numbers of days taught per week.
 - **For library media services deregulation:** Application must include a schedule of operation for the library, hours the library is open and a list of who is scheduled to cover those hours.

3 A Statutory Waiver/Deregulation can be requested for the following statutes and Oklahoma Administrative Codes:

STATUTORY WAIVERS

- 70 O.S. § 1-112 - **Saturday School**
- 70 O.S. § 6-122.3 - **Adjunct Teachers** - teaching for more than three hours a day or 270 clock hours per semester.
- 70 O.S. § 3-126 - **Library Media Specialist/waive certification only** - teacher attending college/university to obtain Library Media Specialist certification.
- 70 O.S. § 1210.568 - **COOP Agreement** - When a public school wants to serve fewer than 10 students in the alt ed program instead of COOPing with other districts.

NOTE: Statute 70 O.S. § 1-111 - Two Instructional Days in a 24 Hour Period (Parent Teacher Conference) and 70 O.S. § 1-109 - Extended/Flexible Day no longer requires a statutory waiver.

DEREGULATIONS

- OAC 210:35-5-71 - **Library Media Services Elementary School** - School is changing the standard of library services for their size school.
- OAC 210:35-7-61 - **Library Media Services Middle School** - School is changing the standard of library services for their size school.
- OAC 210:35-9-71 - **Library Media Services Secondary School** - School is changing the standard of library services for their size school.
- OAC 210:35-29-2 - **Abbreviated Day Alternative Education** - Use both citations for an alternative school to operate with abbreviated hours, less than four hours and 12 minutes of instruction per day, five days a week, or 756 hours per year.
- OAC 210:35-3-46 - **Superintendent, Elementary & Secondary Principal certificate** - serve as High School and Elementary School Principal with a school enrollment more than 500 (requires a dereg.)

NOTE: OAC 210:35-5-42 & 210:35-9-43 - Planning Period Deregulations, no longer requires a deregulation.

In addition, the ***School District Empowerment Program***, 70 O.S. § 3-129.11, allows a local school district to request to the State Board of Education an exemption from all statutory requirements and State Board of Education rules from which charter schools are currently exempt.

- A. Reason for the Waiver request. Please include circumstances which necessitate hiring a non certified library media specialist. What alternative means will be employed if your waiver is denied? Where is the applicant as it pertains to their pursuit of their course of study? What percentage of your student population will benefit from the waiver if approved?

Due to continued financial hardships across the state, for the last four years, Curtis Inge Middle School (CIMS) has shared a full-time librarian with Noble High School. For the 2021-2022 School Year, CIMS has hired a full-time librarian for the middle school. Since CIMS has been operating with a half-time librarian and a full-time library assistant we are asking for the waiver to help off-set the cost of the hiring of the full-time librarian. CIMS believes that having a full-time librarian staffed, will be more beneficial to the library media program and offerings for students and teachers, while the absorption of a half-time library assistant will assist in keeping class sizes down.

- B. List alternate strategies/plans which the district/site proposes. How does this plan best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement? Please list any negative impact if the waiver were to be denied.

By eliminating one half-time library assistant position, the district is able to provide better services to the CIMS students and teachers. In the past, the librarian was only there half-time. Now that CIMS has hired a full-time librarian, we can offer more library media programs and offerings for students and teachers, while assisting in keeping class sizes down since offsetting the salary of a half-time library assistant.

- C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

It is the intent of the district to continue to offer the best educational experience for all students. The district has been forced to make difficult decisions in regards to personnel but have maintained a strong effort to not have to eliminate teaching positions. We have now been able to add back to CIMS a full-time librarian. This decision to not have to hire a half-time library assistant will allow the district to move forward in maintaining and accomplishing its goals.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

The elimination of one half-time librarian assistant will not have a negative impact on the school calendar or class schedules in any way. If anything, the elimination of the one half-time library assistant and the hiring of a full-time librarian will allow for better services to the students and teachers of CIMS.

- E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation? If positive please describe where the available would be reallocated.

This decision will allow the district to function in the most effective manner while assessing financial constraints and the unknown future during the pandemic.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E., TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

The district will reevaluate the financial position of both the State of Oklahoma and the school district at the conclusion of the 2021-2022 school year to ascertain the need for this deregulation during subsequent years. The district will also reevaluate to see if the library media program has been negatively affected by the loss of a half-time library assistant.

** You will be contacted if more information is needed to process this request.

The district has been forced to make difficult decisions in regards to personnel but have maintained a strong effort to not have to eliminate teaching positions. We have now been able to add back to NHS a full-time librarian. This decision to not have to hire a half-time library assistant will allow the district to move forward in maintaining and accomplishing its goals.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

The elimination of one half-time librarian assistant will not have a negative impact on the school calendar or class schedules in any way. If anything, the elimination of the one half-time library assistant and the hiring of a full-time librarian will allow for better services to the students and teachers of NHS.

- E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation? If positive please describe where the available would be reallocated.

This decision will allow the district to function in the most effective manner while assessing financial constraints and the unknown future during the pandemic.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E., TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

The district will reevaluate the financial position of both the State of Oklahoma and the school district at the conclusion of the 2021-2022 school year to ascertain the need for this deregulation during subsequent years. The district will also reevaluate to see if the library media program has been negatively affected by the loss of a half-time library assistant.
