MEDICATION: ADMINISTERING TO STUDENTS

It is the policy of the Noble Board of Education that if a student is required to take medication during school hours and the parent or guardian cannot be at school to administer the medication or if circumstances exist that indicate it is in the best interest of the student that a nonprescribed medication be dispensed to that student, the principal, or the principal's designee, may administer the medication only as follows:

1. Prescription medication must be in a container that indicates the following:
 - A. student's name,
 - B. name and strength of medication,
 - C. dosage and directions for administration,
 - D. name of physician or dentist,
 - E. date and name of pharmacy, and
 - F. whether the child has asthma or other disability which may require immediate dispensation of medication.

For the student's safety, it is recommended that the medication is delivered to the principal's office in person by the parent or guardian of the student unless the medication must be retained by the student for immediate self-administration. The medication will be accompanied by written authorization from the parent, guardian, or person having legal custody that indicates the following:

- A. purpose of the medication,
 - B. time to be administered,
 - C. whether the medication must be retained by student for self-administration,
 - D. termination date for administering the medication, and
 - E. other appropriate information requested by the principal or the principal's designee.
2. A new or refilled schedule II prescription medication must be:
 - A. Counted upon receipt and documented in the recipient's medication log.
 - B. Counted monthly and documented in the recipient's medication log.
 - C. Any discrepancy found in the medication count must be reported immediately to the program coordinator and then followed up with a medication incident report.
3. Mr. Barrett,

This is our formal request for permission to take a Noble Deca trip to Nashville, TN. The dates will be April 29-May 2, 2020. This trip would require three days out of school.

We have six students competing in State Competition who (if they place first, second or third) will be invited to attend the National Deca Conference in Nashville, TN.

The National Deca Conference is held yearly in different locations. The normal price to attend is about \$1,000. per person depending on length and activities scheduled.

I currently have estimated a price of \$800. per student (depending on the total number of participants). We have approximately \$2,000. Already and will split that amongst all who qualify and can attend. The remaining \$200 per person will be collected before April 29, 2020. Currently we have three students and two chaperones planning to attend.

This is a wonderful opportunity and I have enclosed the Agenda and Chapter Advisor Conference Information provided by Deca.

Thank you!

Edwina D. Owen, Marketing/Deca Advisor

PERFORMANCE INDICATORS

Specific knowledge and skills students are expected to address and perform during their competition. Performance indicators are national curriculum standards which are taught in the classroom.

INSTRUCTIONAL AREAS

Broad areas of content knowledge (i.e., promotion, pricing, emotional intelligence, business law) that are comprised of many performance indicators.

BUSINESS ADMINISTRATION CORE

The Business Administration Core is the foundation for all of DECA's competitive events. Performance indicators in the Business Administration Core are common to all career areas and competitive events.

CAREER CLUSTERS

There are sixteen (16) career clusters, each representing a distinct grouping of careers and industries based on the knowledge and skills they require. DECA supports four (4) career clusters:

- Business Management and Administration
- Finance
- Hospitality and Tourism
- Marketing

CAREER PATHWAYS

Each career cluster contains several career pathways, or specialized career areas. For example, the Finance Career Cluster has career pathways such as Accounting, Banking Services, Corporate Finance, Insurance, and Securities and Investments.

EXAM BLUEPRINTS

DECA's exams are rigorous, industry-validated, multiple-choice, 100-item exams based on National Curriculum Standards. The charts below show the exam blueprint of items by instructional area for the 2019-2020 exams used at the district level, chartered association level and at the International Career Development Conference.
