School Calendar

Noble Public Schools will be in session on our traditional four (4) day week for the School Year 2021-2022, with 12 virtual Fridays in the first semester. We also provide a full Virtual Option for students and their families that choose that model of instruction. Students will remain on the option they choose until the end of the semester. We will not allow changes to the instructional model chosen at any other time, unless approved by administration.

Cleaning

Cleaning and maintaining healthy facilities, including improving ventilation is ongoing. Our staff will continue the constant process of cleaning, sanitizing, and disinfecting all facilities. We are using laser cleaning, electrostatic cleaning, as well as our normal process. Buses are being cleaned and disinfected after every route.

Hand Sanitizer & Hand Washing

We will continue to provide instruction on the importance of hand washing and will also make hand sanitizer available in all classrooms and facilities.

Social Distancing

We will continue to teach the practice of Social Distancing and appropriate spacing will be utilized as possible. Some areas such as school buses and cafeterias are more difficult to distance and often times not achievable.

Masks

Students and Staff are all instructed on the proper way to wear a mask. Masks will be available in all classrooms, facilities, and on all school buses. Masking will only be required if ordered by the Cleveland County Health Department and/or the Oklahoma State Departments of Health.

Students with Disabilities

All IEP decisions concerning the safety of our students with disabilities and their appropriate accommodations will be made jointly between the Noble Public Schools' Special Education Director, the IEP teacher, the parent, and if applicable, the student.

Contact Tracing

Contact tracing will be in combination with isolation and quarantine, and in collaboration with the Cleveland County Health Department, State Health Department, Norman Regional Hospital System, and our School Nurses. Students and staff fully vaccinated will not be required to quarantine.

Vaccinations

Noble Public Schools has partnered with Classen Urgent Care to provide vaccines to eligible students, staff, and community members. Vaccines are recommended for all staff. Vaccines are available for students at least five years of age. Parents may notify their school nurse of the vaccination status of their children to clear them from quarantine situation and contact tracing.

Virtual Meetings

Virtual Parent/Teacher conferences will be offered to parents who cannot or do not want to attend in person. Virtual IEP/504 meetings will be offered to parents who cannot attend in person.

Parents, Guests, & Visitors

Visitors and guests will be allowed in the building for programs, concerts, and other special events, unless restrictions added by Cleveland County Health Department or Oklahoma State Health Department.. All other visitors will require prior approval from administration. Our schools will remain locked for the security of our students and staff.

Field Trips & Travel

Field trips and travel will be considered and approved by administration as conditions allow.

Diagnostic Screening and COVID-19 Testing

To protect the health of our students and staff, everyone should self-diagnose before arriving at school. If in the last 48 hours:

Have had fever, chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headaches, new loss of taste or smell, sore throat, congestion, runny nose, nausea, vomiting or diarrhea:

Been in close contact with anyone confirmed with COVID-19 or anyone having symptoms of COVID-19, or anyone in isolation or quarantine because they may have been exposed to a person with COVID-19, or worried that you may be sick with COVID-19, are waiting on test results from a COVID-19 test or traveled in the last 10 days: **You must remain at home.**

Noble Public Schools has partnered with the Oklahoma State Department of Education and the Oklahoma State Department of Health to serve as a COVID-19 testing location. All school sites are staffed with full-time nurses that can administer the test. We will also have a testing center located at Noble High School that will provide testing to students, staff, parents, and community members wishing to be tested. These tests will be performed as long as we have test kits in stock.

Remote Learning

If any school or the district is closed due to positive Covid-19 cases, weather conditions, or other extraordinary circumstances, remote learning will be instituted.

Breakfast/Lunches

Students will eat in the cafeteria and resume meals as they did prior to Covid-19. Guests at lunch will be limited to special occasions as approved by the school administration. Breakfasts, lunches, and 3rd Meals are free for all students for the 2021-22 school year. Meals will also be made available for virtual students on a Grab & Go basis at select locations. We will provide meals using our summer delivery models should we be required to move to virtual instruction at any time.

Noble Public Schools was able to operate In Person Learning for the entire 2020-2021. It is our goal to provide In Person Learning for the 2021-2022 as well. We will continue to monitor and assess COVID-19 conditions throughout the school year. Please review our plan and reply to the email address below for any questions, concerns, or suggestions that you would like for us to consider. We will update and notify our stakeholders on a regular basis throughout the year. We appreciate the efforts of everyone involved in keeping our schools open and safe. Should you have any questions or concerns, please contact us at your convenience.

Plan Updated at Noble Board of Education Meeting on January 10, 2022.

Section 2001 (i) (1), Section (i) (2), and Section 2001 (i) (3) of the ARP ESSER Return to Learn Plan requires that we seek input on the use of the federal funding received as it relates to academic remediation, and the ability to maintain instruction and continuity of services of In Person Learning, while addressing issues brought about by COVID-19. ESSER requires that our plans be reviewed periodically, but at least every six months, and as appropriate, revisions to our plan, may be made.

January 4, 2022

Noble Public Schools, the Oklahoma State Department of Education, and the Oklahoma State Department of Health, have partnered to provide onsite testing of our students, staff, and community. Our goal is to maintain In-Person Learning while providing for the safety of all students and staff. We are including consent forms for the testing with this letter. Forms for students and adults are provided. We are hopeful that by providing this testing option for everyone, we will minimize the loss of classroom instructional time. This process is completely optional and if you do not want your student tested, they will not be tested. The new guidelines for quarantine and isolation are listed below. Thank you for your continued patience and support. We are always better together. Go Bears!

Noble Public Schools Tiered System

Elevated numbers at a site will be investigated case by case. Mask requirements will only be implemented if the county is declared a State of Emergency by the Governor pursuant to SB 658. Positive cases include students and staff.

System is enacted on a site-by-site basis

Green 0-2% per site	Masks welcomed, but not required: follow typical school procedures, no changes necessary
Yellow 2.1% - 3% per site	Masks welcomed, not required; follow typical school procedures, no changes necessary
Orange I 3.1% - 4%	If declared a State of Emergency by the Governor pursuant to SB 658, masks will be required in hallways and entering/exiting buildings and in large group settings. Masks will be recommended in the classroom.
Orange II 4.1% - 5% per site	Masks required at all times; Follow protocol outlined in the original NPS Return to School Guidelines document
Red Greater than 5% per site	School shutdown for 10 calendar days, students move to virtual learning
