## **BOARD OF EDUCATION MEETING PUBLIC PARTICIPATION**

The purpose of a Board meeting is for the Board to conduct the District's business and to deliberate and act upon matters before the Board unless the Board is specifically conducting a public forum. The public is encouraged to attend and to observe meetings of the Board and to participate whenever a public forum is being held for the purpose of receiving public input.

During portions of the Board's regular business meetings an opportunity shall be provided for members of the public to make comments regarding school related matters that appear as an action item on the posted agenda. To make such comments, members of the public are to complete the required form and submit it to the Clerk of the Board no less than 15 minutes before the meeting is called to order. Individuals or groups wishing to speak during the public comment period must provide the following information, in writing on the form provided, in order to speak before the board:

- Name of the individual;
- The agenda action item(s) the individual wishes to address;
- The organization the individual represents or is affiliated with, if applicable.

Persons addressing the Board during the "Public Comments" portion of a regular meeting Board meeting shall be allowed three (3) minutes to address the Board. If a group has requested to address the Board on a particular subject, the group will select one representative speaker for the group and will be allowed ten (10) minutes to speak collectively on behalf of the group's members. Groups consisting of three (3) or more persons shall designate a spokesperson who shall speak for and represent the group. Generally, a maximum of fifteen (15) minutes will be allowed for the public comment period. If an extremely large number of requests to speak are received, the Board President may extend the total time limit for comments.

The District provides various grievance and complaint procedures for addressing concerns and complaints. Therefore, to avoid circumvention of those procedures and ensure fairness to all parties, no person will be allowed to place an item on the agenda or speak on the following matters:

1. Any issue involved in pending litigation or any investigation filed with an outside agency wherein the District, any employee, or the Board is a party;
2. Any pending grievances or complaints involving employees or students;
3. An employee disciplinary action, including suspension, demotion, non-reemployment or termination;
4. Any student suspension or appeal of a student suspension.

Persons addressing the Board shall not be permitted to engage in defamatory conduct or criticize individuals and shall not engage in disruptive behavior.

Board members and the District's administrative staff shall not respond to questions or comments from the public since doing so could be in violation of the Oklahoma Open Meeting Act. The Board will not take any action on an item addressed by the public unless such item is properly on the agenda as an action item or is properly considered new business as defined by law.

**STUDENT TRANSFERS**

The school district will not accept or deny a transfer based on ethnicity, national origin, gender, income level, disabling condition, proficiency in the English language, measure of achievement, aptitude or athletic ability.

In order that any student may be transferred to the District in the grade the student is eligible to pursue, an application form specified by the State Board of Education must be completed by the parents of the student. The school district will begin accepting application forms as specified by the Oklahoma State Board of Education for the next school year starting May 23, 2021. Receipt of applications will be documented by the district so that the district may review those applications in the order submitted for the purposes of capacity limitations. The administration will not approve or deny transfers received for the next school year until after July 1 and the capacity data is determined for each grade level and site within the school district.

Transfers that were previously granted by the school board prior to January 1, 2022, will remain in effect unless the board of education takes action to deny a future year's attendance based upon capacity, discipline, or attendance as addressed within this policy and within Policy FEF.

A transfer may be requested at any time in the school year. State law limits the ability of a student to transfer to no more than two (2) times per school year to one or more school districts in which the student does not reside. Exceptions to this limit will exist for students in foster care. Students are legally entitled to reenroll at any time in his or her school district of residence.

Any brother or sister of a student who transfers may attend the school district to which their sibling transferred as long as the school district has capacity in the grade level and the sibling does not meet a basis for denial as listed below. A separate application must be filed for each student so that the district can timely consider requests in the order applications are received.

A student shall be allowed to transfer to a district in which the parent or legal guardian of the student is employed as a teacher as per 70 O.S. § 8-113 and in accordance with District Policy FEF.

It is the policy of the board of education that any legally transferring student shall be accepted by the district under the following circumstances:

1. The district has the capacity to accept the student at the grade level at the school site;
2. The transferring student has not been disciplined for:
  - a. violation of a school regulation,
  - b. possession of an intoxicating beverage, low-point beer, as defined by Section 163.2 of Title 37 of the Oklahoma Statutes, or missing or stolen property if the property is reasonably suspected to have been taken from a student, a school employee, or the school during school activities, or
  - c. possession of a dangerous weapon or a controlled dangerous substance while on or within two thousand (2,000) feet of public school property, or at a school event, as defined in the Uniform Controlled Dangerous Substances Act.
3. The transferring student does not have a history of absences. A "history of absences" means ten or more absences in one semester that are not excused for the reasons provided in 70 O.S. § 10-105 or due to illness.

**Commented [OA1]:** We do NOT have anything yet- so we cannot take any applications at this time. Our office will NOT take any other paperwork or create wait lists until we receive more info from the SDE/SBE.

**Commented [OA2]:** We will need to set an application window  
We also need the SDE Application before we can start anything.

**Commented [OA3]:** Paragraph 3 is optional.

**Commented [OA4]:** This does not mention priority, just that they *can* attend. Next legislative session might clean this up.

**Commented [JM5R4]:** No guarantees this will happen. The original version of the bill included preference for siblings but that was removed from the law.

**Commented [OA6]:** What about children of support staff that we would typically accept?  
A teacher is defined as certified person (admin, counselor, classroom teacher, etc), not support staff. Perhaps the legislature will clean this up and include support class employees.

**Commented [JM7R6]:** State law does not allow us to modify this to include support employees. Support employees' children will need to follow same rules as all other nonresident students.

**TRANSFER POLICY(Cont.)**

By the first day of January, April, July and October of each year, the board of education shall establish the number of transfer students the district has the capacity to accept in each grade level for each school site within the district. The number of transfer students for each grade level at each site that the district has the capacity to accept will be posted in a prominent place on the school district's website. The district shall report to the State Department of Education the number of transfer students for each grade level for each school site which the district has the capacity to accept.

**Commented [OA8]:** Every three months our board will need to establish capacity for each grade level.

As of January 1, 2022, the district establishes a capacity of:

- Grade Pre-K: 40 students in (20 per half-day session)
- Grade K: 70 students, or the enrollment as of October 1, 2021, whichever is less.
- Grade 1: 70 students, or the enrollment as of October 1, 2021, whichever is less.
- Grade 2: 70 students, or the enrollment as of October 1, 2021, whichever is less.
- Grade 3: 72 students, or the enrollment as of October 1, 2021, whichever is less.
- Grade 4: 72 students, or the enrollment as of October 1, 2021, whichever is less.
- Grade 5: 72 students, or the enrollment as of October 1, 2021, whichever is less.
- Grade 6: 72 students, or the enrollment as of October 1, 2021, whichever is less.
- Grade 7: 72 students, or the enrollment as of October 1, 2021, whichever is less.
- Grade 8: 72 students, or the enrollment as of October 1, 2021, whichever is less.

The school district shall enroll transfer students in the order in which they submit their applications. If the number of student transfer applications exceeds the capacity of the district, the district shall select transfer students in the order in which the district received the application.

Students who are the dependent children of a member of the active uniformed military services of the United States on full-time active-duty status and students who are the dependent children of the military reserve on active duty orders shall be eligible for admission to the school district regardless of capacity of the district. Students shall be eligible for military transfer if:

1. At least one parent of the student has a Department of Defense issued identification card; and
2. At least one parent can provide evidence that he or she will be on active-duty status or active-duty orders, meaning the parent will be temporarily transferred in compliance with official orders to another location in support of combat, contingency operation or a national disaster requiring the use of orders for more than thirty (30) consecutive days.

If accepted, a student may be granted a one-year transfer for the existing school year and may continue to attend the school each school year with the approval of the receiving district. At the end of each school year, the District may review all transfers and may deny continued transfer of the student due to capacity or for disciplinary reasons or a history of absences.

**Commented [OA9]:** As a growing district, this permits us to annually review transfers.

If a transfer request is denied by the administration, the parent or legal guardian of the student may appeal the denial within ten (10) days of notification of denial to the board of education. The board of education shall consider the appeal at its next regularly scheduled board meeting if notice is provided prior to the statutory deadline for posting the agenda for the meeting. If notice is after the deadline for posting, the board may consider the appeal at a special meeting of the board of education.

**TRANSFER POLICY(Cont.)**

Appeal process: During an appeal, the board will review the action of the administration to make sure that the district policy was followed with regard to the denial of the transfer. This will be a paper appeal and will include the written documentation utilized by the school district as well as a written response from the parent or legal guardian which explains why they believe the policy was not followed. The board of education will meet in an executive session to review the educational records of the student. If the policy was not followed, the board of education shall vote to overturn the denial and the transfer will be granted.

If the board of education votes to uphold the denial of the transfer, the parent or legal guardian may appeal the denial within ten (10) days of the notification of the appeal denial to the State Board of Education. The parent or legal guardian shall submit to the State Board of Education and to the superintendent of the district, a notice of appeal on the form prescribed by the State Board of Education.

A student who enrolls in a school district in which the student is not a resident shall not be eligible for district transportation services or to participate in school-related extramural athletic competition governed by the Oklahoma Secondary School Activities Association for a period of one (1) year from the first day of attendance at the receiving school unless the transfer is from a school district which does not offer the grade the student is entitled to pursue as per 70 O.S. § 8-103.2.

 Atty. Gen. Op. No. 87-134, April 1, 1988

**LEGAL NOTE:** Senate Bill 783 repealed 70 O.S. § 8-104 effective March 31, 2021. Oklahoma law no longer allows emergency transfer of students. Oklahoma law regarding transfers will change again on January 1, 2022. A new sample policy has been created which addresses those changes that are effective with regard to student transfers on January 1, 2022.

*THIS POLICY REQUIRED BY LAW.*

**Commented [OA10]:** Our athletics are not governed by OSSAA although we attempt to follow their guidelines. We participate in ORES and GMAC conferences.

**Commented [OA11]:** This is the reason we cannot permit current students who move out of the district to remain on a transfer in future years. They may, however, apply for a transfer under the regs in this policy.
